To Our Stockholders:

You are cordially invited to attend the 2017 annual meeting of stockholders of Teligent, Inc. to be held at 10:00 a.m. local time on May 18, 2017, at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., 666 Third Avenue, New York, NY 10017.

Details regarding the meeting, the business to be conducted at the meeting, and information about Teligent, Inc. that you should consider when you vote your shares are described in this proxy statement.

At the annual meeting, six persons will be elected to our Board of Directors. In addition, we will ask stockholders to ratify the selection of EisnerAmper LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017 and to approve, on an advisory basis, the compensation of our named executive officers, as disclosed in this proxy statement. The Board of Directors recommends the approval of each of the proposals. Such other business will be transacted as may properly come before the annual meeting.

Under Securities and Exchange Commission rules that allow companies to furnish proxy materials to stockholders over the Internet, we have elected to deliver our proxy materials to the majority of our stockholders over the Internet. This delivery process allows us to provide stockholders with the information they need, while at the same time conserving natural resources and lowering the cost of delivery. On April 3, 2017, we began sending to our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our proxy statement for our 2017 annual meeting of stockholders and our 2016 annual report to stockholders. The Notice also provides instructions on how to vote online or by telephone and includes instructions on how to receive a paper copy of the proxy materials by mail.

We hope you will be able to attend the annual meeting. Whether you plan to attend the annual meeting or not, it is important that you cast your vote either in person or by proxy. You may vote over the Internet as well as by telephone or by mail. When you have finished reading the proxy statement, you are urged to vote in accordance with the instructions set forth in this proxy statement. We encourage you to vote by proxy so that your shares will be represented and voted at the meeting, whether or not you can attend.

Thank you for your continued support of Teligent, Inc. We look forward to seeing you at the annual meeting.

Sincerely,

Jason Grenfell-Gardner
President and Chief Executive Officer

This proxy statement, along with the accompanying notice of 2017 annual meeting of stockholders, contains information about the 2017 annual meeting of stockholders of Teligent, Inc., including any adjournments or postponements of the annual meeting. We are holding the annual meeting at 10:00 a.m. local time, on May 18, 2017, at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., 666 Third Avenue, New York, NY 10017.

In this proxy statement, we refer to Teligent, Inc. as “Teligent,” “the Company,” “we” and “us.”

This proxy statement relates to the solicitation of proxies by our Board of Directors for use at the annual meeting.

On or about April 3, 2017, we began sending the Important Notice Regarding the Availability of Proxy Materials to all stockholders entitled to vote at the annual meeting.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON MAY 18, 2017

This proxy statement and our 2016 annual report to stockholders are available for viewing, printing and downloading at www.proxyvote.com. IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why is the Company Soliciting My Proxy?

The Board of Directors of Teligent, Inc. is soliciting your proxy to vote at the 2017 annual meeting of stockholders to be held at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., on May 18, 2017, at 10:00 a.m. local time and any adjournments of the meeting, which we refer to as the annual meeting. The proxy statement, along with the accompanying Notice of Annual Meeting of Stockholders, summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting.

We have made available to you on the Internet or have sent you this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 because you owned shares of Teligent common stock on the record date. The Company intends to commence distribution of the Important Notice Regarding the Availability of Proxy Materials, which we refer to throughout this proxy statement as the Notice, and, if applicable, the proxy materials to stockholders on or about April 3, 2017.

Why Did I Receive a Notice in the Mail Regarding the Internet Availability of Proxy Materials Instead of a Full Set of Proxy Materials?

As permitted by the rules of the U.S. Securities and Exchange Commission, or the SEC, we may furnish our proxy materials to our stockholders by providing access to such documents on the Internet, rather than mailing printed copies of these materials to each stockholder. Most stockholders will not receive printed copies of the proxy materials unless they request them. We believe that this process should expedite stockholders' receipt of proxy materials, lower the costs of the annual meeting and help to conserve natural resources. If you received a Notice by mail or electronically, you will not receive a printed or email copy of the proxy materials, unless you request one by following the instructions included in the Notice. Instead, the Notice instructs you as to how you may access and review all of the proxy materials and submit your proxy on the Internet. If you requested a paper copy of the proxy materials, you may authorize the voting of your shares by following the instructions on the proxy card, in addition to the other methods of voting described in this proxy statement.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on March 30, 2017 are entitled to vote at the annual meeting. On this record date, there were 53,226,382 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the annual meeting and not revoked prior to the annual meeting, will be voted at the annual meeting. For instructions on how to change or revoke your proxy, see "May I Change or Revoke My Proxy?" below.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via the Internet or telephone. You may specify whether your shares should be voted for or withheld for each nominee for director and whether your shares should be voted for, against or

abstain with respect to each of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board of Directors' recommendations as noted below. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your

name through our stock transfer agent, American Stock Transfer and Trust Company, or you have stock certificates registered in your name, you may vote:

• By the Internet or by telephone. Follow the instructions included in the proxy card to vote by the Internet or telephone.

• By mail. If you received a proxy card by mail, you can vote by mail by completing, signing, dating and returning the proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the Board of Directors' recommendations as noted below.

• In person at the meeting. If you attend the meeting, you may deliver a completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on May 17, 2017.

If your shares are held in "street name" (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

• "FOR" the election of the nominees for director;

• "FOR" the ratification of the selection of EisnerAmper LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017; and

• "FOR" the compensation of our named executive officers, as disclosed in this proxy statement.

If any other matter is presented at the annual meeting, your proxy provides that your shares will be voted by the proxy holder listed in the proxy in accordance with his or her best judgment. At the time this proxy statement was first made available, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the annual meeting. You may change or revoke your proxy in any one of the following ways:

• if you received a proxy card, by signing a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above;

• by re-voting by the Internet or by telephone as instructed above;

• by notifying the Corporate Secretary of Teligent in writing before the annual meeting that you have revoked your proxy; or

• by attending the annual meeting in person and voting in person. Attending the annual meeting in person will not in and of itself revoke a previously submitted proxy. You must specifically request at the annual meeting that it be revoked.

Your most current vote, whether by telephone, the Internet or proxy card, is the one that will be counted.

What if I Receive More Than One Notice or Proxy Card?

You may receive more than one Notice or proxy card if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Vote?

If your shares are registered in your name or if you have stock certificates, they will not be counted if you do not vote as described above under “How Do I Vote?” If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above, the bank, broker or other nominee that holds your shares has the authority to vote your unvoted shares only on the ratification of the appointment of our independent registered public accounting firm (Proposal 2 of this proxy statement) without receiving instructions from you. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the annual meeting and in the manner you desire. A “broker non-vote” will occur if your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority.

Your bank, broker or other nominee does not have the ability to vote your uninstructed shares in the election of directors. Therefore, if you hold your shares in street name, it is critical that you cast your vote if you want your vote to be counted for the election of directors (Proposal 1 of this proxy statement). In the past, if you held your shares in street name and you did not indicate how you wanted your shares to be voted in the election of directors, your bank, broker or other nominee was allowed to vote your shares on your behalf in the election of directors as it deemed appropriate. In addition, your bank, broker or other nominee is prohibited from voting your uninstructed shares on any matters related to executive compensation. Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote in the election of directors or matters related to executive compensation, no votes will be cast on these proposals on your behalf.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Directors

The nominees for director who receive the most votes (also known as a “plurality” of the votes cast) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of the directors. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for the election of the directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Selection of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to ratify the selection of our independent registered public accounting firm. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the

selection of EisnerAmper LLP as our independent registered public accounting firm for 2017, the Audit Committee of our Board of Directors will reconsider its selection.

Proposal 3: Approve an Advisory Vote on the Compensation of our Named Executive Officers

The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to approve, on an advisory basis, the compensation of our named executive officers as described in this proxy statement. Abstentions will be treated as votes against this proposal. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote. Although the advisory vote is non-binding, the Organization and Compensation Committee and our Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Where Can I Find the Voting Results of the Annual Meeting?

The preliminary voting results will be announced at the annual meeting, and we will publish preliminary, or final results, if available, in a Current Report on Form 8-K within four business days of the annual meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. In addition, our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the voting power of all outstanding shares of our common stock entitled to vote at the annual meeting is necessary to constitute a quorum at the annual meeting. Votes of stockholders of record who are present at the annual meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 10:00 a.m. on May 18, 2017, at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. ("Mintz"). When you arrive at Mintz, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote.

Householding of Annual Disclosure Documents

The rules of the SEC concerning the delivery of annual disclosure documents allow us or your broker to send a single set of our proxy materials to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our Notices, annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If your household received a single set of proxy materials this year, but you would prefer to receive your own copy, please contact Broadridge Financial Solutions, Inc., by calling their toll free number, 1-888-237-1900.

If you do not wish to participate in “householding” and would like to receive your own set of Teligent’s proxy materials in future years, follow the instructions described below. Conversely, if you share an address with another

6

Teligent stockholder and together both of you would like to receive only a single set of proxy materials, follow these instructions:

If your Teligent shares are registered in your own name, please contact Broadridge Financial Solutions, Inc., and inform them of your request by calling them at 1-888-237-1900 or writing them at 51 Mercedes Way, Edgewood, New York 11717.

If a broker or other nominee holds your Teligent shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Electronic Delivery of Company Stockholder Communications

Most stockholders can elect to view or receive copies of future proxy materials over the Internet instead of receiving paper copies in the mail.

You can choose this option and save the Company the cost of producing and mailing these documents by:
following the instructions provided on your proxy card;
following the instructions provided when you vote over the Internet; or
going to www.proxyvote.com and following the instructions provided.

Committees of the Board of Directors and Meetings

Meeting Attendance. During the fiscal year ended December 31, 2016, there were 8 meetings of our Board of Directors, and the various committees of the Board of Directors met a total of 16 times. No director attended fewer than 75% of the total number of meetings of the Board and of committees of the Board of Directors on which he served during fiscal 2016. The Board of Directors has adopted a policy under which each member of the Board of Directors is strongly encouraged to attend each annual meeting of our stockholders. All of our directors attended our annual meeting of stockholders held in 2016.

Audit Committee. Our Audit Committee met 9 times during fiscal 2016. This committee currently has three members, Steven Koehler (Chairman), Bhaskar Chaudhuri and John Celentano. Our Audit Committee's role and responsibilities are set forth in the Audit Committee's written charter and include the authority to retain and terminate the services of our independent registered public accounting firm. In addition, the Audit Committee reviews annual financial statements, considers matters relating to accounting policy and internal controls and reviews the scope of annual audits. All members of the Audit Committee satisfy the current independence standards promulgated by the SEC and by the NASDAQ Marketplace Rules, as such standards apply specifically to members of audit committees. The Board

of Directors has determined that Mr. Koehler is an “audit committee financial expert,” as the SEC has defined that term in Item 407 of Regulation S-K. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

A copy of the Audit Committee’s written charter is publicly available on our website at www.teligent.com.

Organization and Compensation Committee. Our Organization and Compensation Committee met 6 times during fiscal 2016. This committee currently has four members, Narendra Borkar (Chairman), James C. Gale, John Celentano and Carole S. Ben-Maimon, M.D. Narendra Borkar, who currently serves on our Board of Directors, is not seeking reelection. On March 30, 2017, the Board appointed John Celentano to serve as the Chairman of our Organization and Compensation Committee, effective upon the departure of Narendra Borkar on May 18, 2017. Our Organization and Compensation Committee's role and responsibilities are set forth in the Organization and Compensation Committee's written charter, and includes reviewing, approving and making recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board of Directors are carried out and that such policies, practices and procedures contribute to our success. Our Organization and Compensation Committee also administers our 2016 Equity Incentive Plan (the "2016 Plan"). The Organization and Compensation Committee is responsible for the determination of the compensation of our chief executive officer, and shall conduct its decision-making process with respect to that issue without the chief executive officer present. All members of the Organization and Compensation Committee qualify as independent under the NASDAQ Marketplace Rules.

The Organization and Compensation Committee has the authority to directly retain the services of any consulting firm to assist in fulfilling its responsibilities and to approve any fee arrangements for work performed. The Compensation Committee's independent compensation consultant during fiscal year 2015 was the Hay Group (the "Hay Group"). The Hay Group was engaged by, and reported directly to, the Organization and Compensation Committee, which had the sole authority to hire or fire them and to approve fee arrangements for work performed. The Hay Group assisted the Organization and Compensation Committee in fulfilling its responsibilities under its charter, including advising on proposed compensation packages for executive officers, compensation program design and market practices generally. The Organization and Compensation Committee authorized the Hay Group to interact with management on behalf of the Organization and Compensation Committee, as needed, in connection with advising the Organization and Compensation Committee, and the Hay Group was included in discussions with management and, when applicable, the Organization and Compensation Committee's outside legal counsel on matters being brought to the Organization and Compensation Committee for consideration. As described in "Compensation Discussion and Analysis – Compensation Consultants," the Hay Group assisted the Organization and Compensation Committee in defining the appropriate market of our peer companies for executive compensation and practices. The Hay Group also assisted the Organization and Compensation Committee in comparing our director compensation program and practices against those of our peers. We used the information that we obtained from the Hay Group primarily for evaluating our executive compensation practices, including measuring the competitiveness of our practices. The Organization and Compensation Committee has assessed the independence of the Hay Group pursuant to SEC rules and the corporate governance rules of the NYSE MKT, the exchange on which the Company's common stock traded until October 23, 2015, and The NASDAQ Stock Market, as applicable, and concluded that the Hay Group's work with and on behalf of the Organization and Compensation Committee raises no conflict of interest.

The Organization and Compensation Committee, and, where applicable, the Chief Executive Officer reviews the performance of each named executive officer in light of the above factors and determines whether the named executive officer should receive any increase in base salary or receive a discretionary equity award based on such evaluation. During fiscal year 2016, the Organization and Compensation Committee determined the appropriate levels of compensation for our named executives by evaluating and weighting the achievement of certain corporate goals. The Organization and Compensation Committee also considered each executive's weighted personal key performance indicator score, base salary, performance target and target of bonus for each such executive.

Please also see the report of the Organization and Compensation Committee set forth elsewhere in this proxy statement.

A copy of the Organization and Compensation Committee's written charter is publicly available on our website.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee met 1 time during fiscal 2016 and has three members, Bhaskar Chaudhuri (Chairman), James C. 14

the Nominating and Corporate Governance Committee's written charter and include evaluating and making recommendations to the full Board of Directors as to the size and composition of the Board of Directors and its committees, evaluating and making recommendations as to potential candidates and evaluating current Board of Directors members' performance. Both members of the Nominating and Corporate Governance Committee qualify as independent under the NASDAQ Marketplace Rules.

If a stockholder wishes to nominate a candidate for director who is not to be included in our proxy statement, it must follow the procedures described in our Amended and Restated By-Laws and in "Stockholder Proposals and Nominations for Director" at the end of this proxy statement.

In addition, under our current corporate governance policies, the Nominating and Corporate Governance Committee may consider candidates recommended by stockholders as well as from other sources, such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the Nominating and Corporate Governance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board of Directors, and concern for the long-term interests of our stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to propose a candidate for consideration as a nominee by the Nominating and Corporate Governance Committee under our corporate governance policies, it should submit such recommendation in writing to our Corporate Secretary at our corporate offices, 105 Lincoln Avenue, PO Box 687, Buena, New Jersey 08310.

The Nominating and Corporate Governance Committee considers issues of diversity among its members in identifying and considering nominees for director, and strives, where appropriate, to achieve a diverse balance of backgrounds, perspectives and experience on the board and its committees.

A copy of the Nominating and Corporate Governance Committee's written charter is publicly available on the Company's website at www.teligent.com.

Organization and Compensation Committee Interlocks and Insider Participation. Our Organization and Compensation Committee has four members, Narendra Borkar (Chairman), James C. Gale, John Celentano and Carole S. Ben-Maimon, M.D. Narendra N. Borkar, who currently serves on our Board of Directors, is not seeking reelection. On March 30, 2017, the Board appointed John Celentano to serve as the Chairman of our Organization and Compensation Committee, effective upon the departure of Narendra Borkar on May 18, 2017. No member of the Organization and Compensation Committee has been an officer or employee of Teligent. None of our executive officers serves on the board of directors or compensation committee of a company that has an executive officer that serves on our Board of Directors or Organization and Compensation Committee.

Board of Directors Leadership Structure and Role in Risk Oversight

Our Board of Directors has six independent members and one non-independent member who serves as our President and Chief Executive Officer. We believe that the number of independent, experienced directors that make up our Board of Directors, along with the independent oversight of the Board of Directors by the Non-Executive Chairman, benefits our Company and our stockholders. All of our independent directors have demonstrated leadership in other organizations and are familiar with board of director processes.

The Chairman of the Board of Directors presides at all meetings of the Board of Directors. The Chairman is appointed on an annual basis by a majority vote of the directors. Currently, the offices of Chairman of the Board of Directors and Chief Executive Officer are separated. We have no fixed policy with respect to the separation of the offices of the Chairman of the Board of Directors and Chief Executive Officer. Currently, two separate individuals serve in the

positions of Chairman of our Board of Directors and Chief Executive Officer. We believe that our current leadership structure is optimal for the Company at this time.

Our management is principally responsible for defining the various risks facing the Company, formulating risk management policies and procedures, and managing our risk exposures on a day-to-day basis. The Board of Directors' principal responsibility in this area is to ensure that sufficient resources, with appropriate technical and managerial skills, are provided throughout the Company to identify, assess and facilitate processes and practices to address material risk and to monitor our risk management processes by informing itself concerning our material risks and evaluating whether management has reasonable controls in place to address the material risks. The involvement of the Board of Directors in reviewing our business strategy is an integral aspect of the Board of Directors' assessment of management's tolerance for risk and also its determination of what constitutes an appropriate level of risk for the Company.

While the full Board of Directors has overall responsibility for risk oversight, the Board of Directors has elected to delegate oversight responsibility related to certain risks committees, which, in turn, report on the matters discussed at the committee level to the full Board of Directors. For instance, our Audit Committee focuses on the material risks facing the Company, including operational, market, credit, liquidity and legal risks. Additionally, our Organization and Compensation committee could be charged with reviewing and discussing with management whether our compensation arrangements are consistent with effective controls and sound risk management. Our management reports to the Board of Directors and Audit Committee on a regular basis regarding risk management.

Stockholder Communications to the Board of Directors

Stockholders who wish to send communications to our Board of Directors may do so by sending them c/o Teligent, Inc., Corporate Secretary, 105 Lincoln Avenue, PO Box 687, Buena, New Jersey 08310. Such communications may be addressed either to specified individual directors or the entire Board of Directors. The Corporate Secretary will have the discretion to screen and not forward to directors communications that the Corporate Secretary determines are communications unrelated to our business or governance, commercial solicitations, offensive, obscene, or otherwise inappropriate. The Corporate Secretary will, however, compile all stockholder communications that are not forwarded and such communications will be available to any director.

During the year ended December 31, 2016, we had two executive officers who were not also directors: Jenniffer Collins, who serves as our Chief Financial Officer, and Stephen Richardson, who serves as our Chief Scientific Officer. COMPENSATION DISCUSSION AND ANALYSIS

Compensation Discussion and Analysis

The following Compensation Discussion and Analysis presents an overview of our compensation program, focusing on the elements of compensation awarded or paid to our President and Chief Executive Officer, our Chief Financial Officer and our Chief Scientific Officer, or our “Named Executive Officers.”

Compensation Philosophy and Objectives.

The Organization and Compensation Committee leads the development of our compensation philosophies and practices, and attempts to ensure that the total compensation paid to our executive officers is fair and reasonable relative to the extremely competitive nature of the specialty generic pharmaceutical industry. For several years, our Company forged through business and financial challenges, and it was not until more recently that the Company has experienced a significant turn-around and expansion that is largely attributable to the success of our current management team. During the challenging downturn years, the Organization and Compensation Committee focused intently on attracting and rewarding executives with the unique intersection of industry and turnaround skills and made compensation decisions based on our objective of aligning the Company’s key executives’ goals and incentive pay with the goals of our stockholders in order to enable and encourage the turn-around effort, while considering the significant cash constraints the Company operated under from 2010 to 2014. Consistent with our ongoing goal to keep the Company’s key executives’ objectives and incentive pay aligned with the goals of our stockholders, we continue to pursue a compensation philosophy that is intended to provide total compensation opportunities, which include base salary, bonus, long term equity compensation and a health and welfare benefits package intended to incentivize the uniquely skilled employees who will continue to carry out our strategic plan, mission and goals, while maintaining our required high quality standards and growth.

Our compensation philosophy is based on the following goals and principles:

- Attract and retain executives with proven track records of success to ensure the Company has the caliber of executives needed to perform at the highest levels of the industry;
- Support the Company’s emerging growth strategy to create long-term stockholder value, and meet or exceed key corporate goals and objectives;
- Appropriately balance current priorities and the longer-term strategy of the Company through short- and long-term incentives;
- Encourage teamwork and cooperation while recognizing individual contributions by linking variable compensation to the Company and individual performance based on position responsibilities and ability to influence financial and organizational results; and
- Provide for a limited number of perquisites and supplemental benefits which will only be provided if a compelling business rationale exists.

Consideration of Last Year’s “Say on Pay” Advisory Vote

At last year’s annual meeting of stockholders, we held an advisory stockholder vote on executive compensation. More than 92% of the shares that voted approved our executive compensation described in last year’s proxy statement. The Organization and Compensation Committee viewed the results of this vote as a strong indication that the Company’s stockholders support the compensation policies and practices of the Company. Accordingly, the results of this vote did not affect the Company’s executive compensation decisions and policies for our named executive officers during the fiscal year ended December 31, 2016.

Components of Compensation

The Organization and Compensation Committee consulted with the Hay Group, an independent third party, in November 2014, to conduct a market benchmark study and review the compensation arrangements between the Company and its Named Executive Officers in comparison to their peers set forth below. The Organization and Compensation Committee consulted with the Hay Group again in September 2015 to request that the Hay Group update their previous work. Specifically, the independent third party's assessment focused on the following areas of review:

- Competitiveness of the Company's current executive compensation program, on a target basis, relative to the proxy peer group;

- Pay mix for each executive relative to the peer group and/or survey data ; and

- Prevalence of long-term incentive vehicles and practices within the peer group as well as the mix of LTI.

Our compensation program generally provides equivalent benefits for all salaried and hourly-paid employees. For our managers, directors and vice presidents, including our executive officers, we provide additional compensation designed to reward performance. For 2016, the principal components of compensation for our Named Executive Officers were:

- Base Salary;

- Performance-Based Annual Bonus;

- Long-Term Incentive Compensation, including periodic grants of long-term stock-based compensation, such as stock options, which are subject to time-based vesting requirements; and

- Health and Welfare Benefits.

Summary of 2016 Results

We are pleased with another year of progress that we believe is due to management's effective and successful execution of the Company's strategic objectives established by our President and Chief Executive Officer and the Board of Directors. The key highlights and accomplishments for our 2016 fiscal year include the following:

- Achieved total revenue of \$66.9 million in 2016, an increase of 51% over the prior year;

- Filed 12 Abbreviated New Drug Applications ("ANDAs") with the FDA in 2016. At December 31, 2016, the Company had a total of 36 pending applications on file with the U.S. Food and Drug Administration (the "FDA");

Summary of Compensation for the Year Ended December 31, 2016

Base Salary. The salaries for our Named Executive Officers have been established in order to be competitive with market practices so as to allow us to attract and retain senior executive talent. Salary decisions are also influenced by equity grants based on the relationship between salaries among the executives and each executive's role and responsibilities and the impact on the Company's performance. Other factors considered by the Organization and Compensation Committee include an executive's experience, specific skills, tenure and individual performance. In setting base salaries for the Named Executive Officers, we also consider how equity can be used to balance an executive's overall compensation to make it competitive based on an analysis of peer group data. In 2016, the base salaries of our President and Chief Executive Officer and Chief Financial Officer were increased from \$425,000 to \$446,250 and from \$250,000 to \$262,500, respectively.

Performance-Based Annual Bonus. Each year, the Organization and Compensation Committee adopts guidelines pursuant to which it calculates the annual cash incentive awards available to our Named Executive Officers, subject to the Organization and Compensation Committee's oversight and modification. The Organization and Compensation Committee believes that our annual incentive program provides our Named Executive Officers with a

team incentive to both enhance our financial performance and perform at the highest level. The terms of these programs are not contained in a formal written plan. No executive is part of an incentive plan that has any guaranteed bonus amounts.

We structured specific annual incentive compensation pay for 2016 based upon the Company's achievement of its overall corporate goals. In addition, the annual incentive compensation pay of our Chief Financial Officer and Chief Scientific Officer is based on individual performance goals set and established by the President and Chief Executive Officer and reviewed and approved by the Organization and Compensation Committee. After our Board of Directors reviewed the strategic plan and budget for the year, the Organization and Compensation Committee set annual corporate goals designed to induce achievement of that plan and budget. For 2016, in accordance with the employment agreement for the President and Chief Executive Officer, our President and Chief Executive Officer's bonus target was set at 70% of base compensation, and the Chief Financial Officer's bonus was set at 40% of base compensation.

For the year ended 2016, the Company's overall corporate objectives were as follows:

- Achieve a determined level of net sales and adjusted EBITDA and Gross Margin as a percentage of total revenue;
- Submit a certain number of ANDA filings and a certain number of ANDAs launched; and
- Significant progress on the site expansion in Buena, NJ

Based on the Company's level of achievement of its corporate goals for 2016, bonuses were paid for 2016 as follows:

	Base Pay for Bonus Calculation (\$) (a)	Base Bonus Opportunity (b)	Base Bonus Available (\$) (c)	Base Bonus Paid (\$) (d)	Total Bonus Value Paid (\$) (e)
Jason Grenfell-Gardner	446,250	70 %	312,375	256,148	256,148
Jennifer Collins	262,500	40 %	105,000	82,950	82,950
Stephen Richardson	300,000	40 %	120,000	97,800	97,800
TOTAL	1,008,750		537,375	436,898	436,898

Where:

- (c), or Base Bonus Available = Base Pay (a) x Base Bonus Opportunity (b);
- (d), or Base Bonus Paid = Base Pay (a) x Base Bonus Opportunity (b) at 82% for our President and Chief Executive Officer, 79% for our Chief Financial Officer and 82% for our Chief Scientific Officer;
- (e), or Total Bonus Paid, equals Base Bonus Paid (d) + Discretionary Bonus Paid (e).

Long Term Incentive Compensation. The Organization and Compensation Committee considered how equity can be used to balance an executive's overall compensation to make it competitive based on an analysis of peer group data as well as to incentivize our Named Executive Officers. Based on the foregoing considerations of competitiveness and incentivization, in February 2015, we decided to increase the equity compensation portion of our executive's overall compensation and instituted an annual equity incentive program for our Named Executive Officers, pursuant to which we would issue, in the sole discretion of our Organization and Compensation Committee, an annual equity grant of options to purchase shares of our common stock and/or RSUs to our Named Executive Officers. The allocation of different securities within each annual equity grant is determined by the Organization and Compensation Committee in its sole discretion. This year's annual equity grants were approved on February 3, 2017, and were as follows:

¶ To our President and Chief Executive Officer:

options to purchase up to 54,453 shares of our common stock at an exercise price of \$7.09 per share, with one-third of the common stock underlying such options to vest ratably over the next three anniversaries of the date of grant, starting on February 3, 2018; and

26,564 RSUs, with one-third of the common stock underlying such grant to vest ratably over the next three anniversaries of the date of grant, starting on February 3, 2018; and

¶ To our Chief Financial Officer:

options to purchase up to 24,023 shares of our common stock at an exercise price of \$7.09 per share, with one-third of the common stock underlying such options to vest ratably over the next three anniversaries of the date of grant, starting on February 3, 2018; and

11,720 RSUs, with one-third of the common stock underlying such grant to vest ratably over the next three anniversaries of the date of grant, starting on February 3, 2018.

¶ To our Chief Scientific Officer:

options to purchase up to 27,455 shares of our common stock at an exercise price of \$7.09 per share, with one-third of the common stock underlying such options to vest ratably over the next three anniversaries of the date of grant, starting on February 3, 2018; and

13,394 RSUs, with one-third of the common stock underlying such grant to vest ratably over the next three anniversaries of the date of grant, starting on February 3, 2018.

Benefits.

Employment Agreements. The Company entered into employment agreements with its President and Chief Executive Officer, Chief Financial Officer and Chief Scientific Officer in connection with their hiring. These agreements provide certain benefits upon a change of control or termination without cause. See "Executive Officer and Director Compensation—Potential Payments upon Termination or Change in Control" set forth elsewhere in this Proxy Statement.

The Organization and Compensation Committee believes that reasonable severance and change-in-control benefits are necessary in order to recruit and retain qualified senior executives and are generally required by the competitive recruiting environment within our industry and the marketplace in general. These severance benefits reflect the fact that it may be difficult for our named executive officers to find comparable employment within a short period of time, and are designed to alleviate concerns about the loss of his or her position without cause. The Organization and Compensation Committee also believes that a change-in-control arrangement will provide security that will likely reduce the reluctance of a named executive officer to pursue a change in control transaction that could be in the best interest of our shareholders. Our severance plan is designed to pay severance benefits to a named executive officer for a qualifying separation.

Company-Wide Benefits. Executive officers and all full-time employees are eligible to participate in the Company's standard benefit program, which includes health insurance, 401(k), disability and life insurance, flexible spending accounts, paid time off and holidays. The Company matches employee 401(k) contributions at a rate of 100% of the first 3% of compensation contributed by participants and 50% of the next 2% of compensation contributed by participants. We do not offer any benefits to our Named Executive Officers that are not offered to our other employees.

Role of Organization and Compensation Committee and Management

Our Organization and Compensation Committee is composed exclusively of independent directors and meets regularly both with and without management present. The Organization and Compensation Committee annually sets Named Executive Officer base salaries, establishes annual incentive compensation pay for performance objectives based on both individual and company goals, makes actual awards of annual incentive compensation based on attainment of these goals and other factors the Organization and Compensation Committee deems appropriate, and considers awards of long-term equity compensation. In connection with its review and determination, the Organization and Compensation Committee considers the input of the Chairman of our Board of Directors, who conducts a detailed review of the performance of our President and Chief Executive Officer based on the Chairman's substantial and meaningful experience in ownership and management of pharmaceutical and life science companies. Our Chairman also presents his recommendation to the Organization and Compensation Committee for any change in base salary or other compensation components for our President and Chief Executive Officer. The Organization and Compensation Committee also seeks input from the President and Chief Executive Officer, particularly related to the establishment and measurement of corporate and individual objectives and recommendations related to overall employee compensation matters.

Our President and Chief Executive Officer reviews the performance of, and proposes salary increases for, all managers who report to him, including the other Named Executive Officers. Any increases are generally based upon the individual's performance during the previous year in addition to the Company's performance as it relates to the key objectives established at the beginning of the year. The Organization and Compensation Committee reviews and approves the reasonableness of any proposed compensation for the Named Executive Officers. In conducting its review and making its determinations, the Organization and Compensation Committee reviews a history of base salary, cash incentive bonus targets and payouts and equity awards, prepared by the Company's Human Resources Department ("HR"). During the year, our President and Chief Executive Officer may not change the base salary of the managers who report to him without the prior approval of our Organization and Compensation Committee.

Our HR evaluates compensation levels and composition and fashions competitive pay packages on a company-wide basis. HR also works with the President and Chief Executive Officer in planning for recruitment and retention of employees.

Compensation Consultants

The Organization and Compensation Committee has maintained a structured approach to compensation for our Named Executive Officers and, beginning in 2014, retained the Hay Group as its own independent compensation consultant to provide the Organization and Compensation Committee with support, advice and recommendations. In 2015, our compensation consultant worked with the Organization and Compensation Committee in comparing our executive compensation with pertinent market data taken from published salary surveys reflecting a broad range of entities, both within and outside our own specialty pharmaceutical industry. The study also included publicly reported data from the following selected peer group: Aceto Corporation; Amphastar Pharmaceuticals, Inc.; ANI Pharmaceuticals, Inc.; Antares Pharmaceuticals, Inc.; Cambrex Corporation; DepoMed Inc.; Flamel Technologies SA; Insys Pharmaceuticals, Inc.; Intellipharmaceuticals International, Inc.; Lannett Company, Inc.; Sagent Pharmaceuticals, Inc.; Sciclone Pharmaceuticals, Inc.; and Tetrphase Pharmaceuticals, Inc. The Organization and Compensation

Committee reviewed these surveys and information in order to obtain a general understanding of current compensation practices and trends for specific positions held as opposed to solely focusing on the Named Executive Officers. This analysis was reviewed in order to confirm the appropriate data, measures and comparisons.

With respect to establishing the overall compensation of the President and Chief Executive Officer and Chief Financial Officer, we gathered, analyzed and evaluated the compensation mix provided by our peer group, while keeping in mind the other factors set forth in the Organization and Compensation Committee's charter. We do not select a specific target or benchmark our Named Executive Officers' compensation at a certain level or percentage based on other companies' compensation arrangements. Based on our review of these sources, we determined that prior to 2014, our total compensation and cash compensation for our Named Executive Officers fell significantly below the aggregated 50th percentile of the named executive officers of our peer group. Our goal over the past two years has been to structure our compensation in a manner where the compensation would be competitive in the market place, with a long term focus for our Named Executive Officers' compensation structure based on their Long-Term Incentive Awards.

The Organization and Compensation Committee has analyzed whether the work of our compensation consultant, the Hay Group, has raised any conflict of interest, taking into consideration the following factors: (i) the provision of other services to the Company by the Hay Group; (ii) the policies and procedures of the Hay Group that are designed to prevent conflicts of interest; (iii) any business or personal relationship of the Hay Group or the individual compensation advisors employed by the Hay Group with our President and Chief Executive Officer; (iv) any business or personal relationship of the individual compensation advisors with any member of the Organization and Compensation Committee; and (v) any stock of the Company owned by the Hay Group or the individual compensation advisors employed by the Hay Group. The Organization and Compensation Committee has determined, based on its analysis of the above factors, that the work of the Hay Group and the individual compensation advisors employed by the Hay Group as compensation consultants to the Company has not created any conflict of interest.

Other Considerations.

Tax Considerations. It has been and continues to be our intent that all non-equity incentive payments be deductible unless maintaining such deductibility would undermine our ability to meet our primary compensation objectives or is otherwise not in our best interest. At this time, essentially all compensation (except certain equity incentives) paid to the Named Executive Officers is deductible under Section 162(m) of the Internal Revenue Code of 1986, as amended. We also regularly analyze the tax effects of various forms of compensation and the potential for excise taxes to be imposed on the executive officers, which might have the effect of frustrating the purposes of such compensation.

Accounting Treatment Considerations. We are especially attuned to the impact of Accounting Standards Codification ("ASC") Topic 718, Stock Compensation, with respect to the grant and vesting of equity compensation awards. Prior to the granting of such awards, we analyze the short and longer-term effects of any particular award on our budget for the year of grant and anticipated financial impact in future years. This information is taken into account in determining the type and vesting parameters for equity-based compensation awards.

Timing of Equity Grants and Equity Grant Practices. The Organization and Compensation Committee recommends to the Board of Directors equity compensation to all of the Named Executive Officers and all other Company employees. All awards are made based on the closing price of our stock on the date of the approved award. In addition, awards may be made to new employees upon their joining the Company, and to employees who are promoted during the year. The timing of such awards depends on those specific circumstances and is not tied to any other particular company event, anticipated events or announcements.

COMPENSATION COMMITTEE REPORT

The Organization and Compensation Committee of our Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, which appears elsewhere in this proxy statement, with our management. Based on this review and discussion, the Organization and Compensation

Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in our proxy statement.

RISKS RELATED TO COMPENSATION PRACTICES AND POLICIES

Consistent with SEC disclosure requirements, we have assessed the Company's compensation policies, practices and awards and have concluded that our compensation policies, practices and awards do not create risks that are reasonably likely to have a material adverse effect on the Company. Our management assessed the Company's compensation and benefits programs to determine if the programs' provisions and operations create undesired or unintentional risk of a material nature. We do not have any programs where a participant may be able to directly affect variability or timing of a payout. Rather, our compensation programs include a combination of fixed base salaries, cash bonuses, long-term incentive awards and employee retirement plans that are generally uniform in design and operation throughout the Company and with all levels of employees.

Based on the foregoing, we believe that our compensation policies, practices and awards do not create risks that are likely to have a material adverse effect on the Company as a whole. We also believe that our incentive compensation arrangements provide incentives that do not encourage risk-taking beyond the organization's ability to effectively identify and manage significant risks, are compatible with our effective internal controls and our risk management practices, and are supported by the oversight and administration of the Compensation Committee with regard to executive compensation programs.

Mr. Richardson is also subject to certain restrictive covenants as set forth in the CSO Employment Agreement, including confidentiality, non-solicitation and non-competition covenants. Mr. Richardson also agrees to assign certain intellectual property to the Company. Mr. Richardson is also entitled to participate in certain of the Company's benefit programs on the same terms and conditions generally provided by the Company to its executive employees.

Potential Payments upon Termination or Change in Control

Set forth below is a description of the potential payments we would need to make upon termination of any of our named executive officers' employment or upon a change in control of the Company. Any such payments are conditioned upon such executive's execution and delivery to the Company, within 60 days following cessation of employment, of a general release of claims.

Termination by us without cause. If the executive's employment is terminated by the Company without cause (as defined below), we are required to pay (i) their unpaid base salary through the effective date of termination and any reimbursable business expenses; (ii) the executive's base salary as then in effect for a period of six months following termination of employment; and (iii) the executive's annual performance bonus that would otherwise have been payable

to the executive for the year in which the termination occurs, prorated as of the date of termination. Further, to the extent then unvested, upon such termination, a pro-rata portion of the executive's options and restricted stock will become vested. However, any such payment obligations shall immediately terminate upon a judicial determination that the executive has breached certain confidentiality, non-solicitation, non-competition and/or conflict of interest provisions under their respective employment agreements.

Termination for any other reason. If the executive's employment is terminated by the Company other than without cause (as defined below), including, but limited to, termination for cause, as a result of the executive's death or disability, or as a result of the executive's resignation, we are required to pay their unpaid base salary through the effective date of termination.

Payments upon a Change in Control. The employment agreements of Mr. Grenfell-Gardner, Ms. Collins and Mr. Richardson provide that, in the event of a "change in control," provided they remain in continuous service with the Company through the consummation of such change in control, all unvested options and restricted stock awarded to them will immediately vest.

"Cause," for purposes of each of the employment agreements, includes (i) commission of a willful and material act of dishonesty in the course of the executive's duties under their respective employment agreements, (ii) conviction by a court of competent jurisdiction of a crime constituting a felony or conviction in respect of any act involving fraud, dishonesty or moral turpitude, (iii) the executive's performance under the influence of controlled substances, or continued habitual intoxication, during working hours, after the Company shall have provided written notice to the executive and given the executive 30 days within which to commence rehabilitation with respect thereto, and the executive shall have failed to commence such rehabilitation or continued to perform under the influence after such rehabilitation, (iv) frequent or extended, and unjustifiable (not as a result of incapacity or disability) absenteeism, which shall not have been cured within 30 days after the Company's written notice of breach and its intention to terminate the executive's employment in accordance with the provisions of his or her employment agreement, (v) the executive's personal, willful and continuing misconduct or refusal to perform his or her duties and responsibilities, or to carry out directives of the Board of Directors, which, if capable of being cured, shall not have been cured within 60 days after the Company's written notice of breach and its intention to terminate the executive's employment in accordance with the provision of his or her employment agreement or (vi) material non-compliance with the terms of his or her respective employment agreement, including, but not limited to, any breach of certain confidentiality, non-solicitation, non-competition and conflict of interest provisions thereunder.

A "change in control," for purposes of each of the employment agreements, includes (a) any "person," as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (other than (i) an individual or entity holding securities of the Company as of the date hereof which represent 3% or more of the outstanding voting power of the all securities on matters to be generally voted upon by the Company's stockholders, (ii) Jane Hager, Edward Hager, Steve Morris, Frank Gerardi or any of their respective affiliates, any entity of which any of the foregoing are trustees, or trusts established for their benefit, (iii) the Company, any trustee or other fiduciary holding securities under an employee benefit plan of the Company, (iv) Signet Healthcare Partners, its affiliates or any of its affiliated funds, or (v) any corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportion as their ownership of stock of the Company) is or becomes the owner, directly or indirectly, of outstanding securities of the Company representing 60% or more of the combined voting power of the Company's then outstanding securities; (b) the consummation of a merger or consolidation of the Company with any other corporation, other than (i) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 40% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation or (ii) a merger or consolidation effected to implement a re-capitalization of the Company (or similar transaction) or a reincorporation of the Company into another jurisdiction; or (c) a sale of all or substantially

all of the assets of the Company.

Director Compensation

In 2009, our Board of Directors unanimously adopted a non-employee director compensation program, which remained in effect through December 31, 2015 and provided as follows:

on January 2nd of each year (or at the time of his or her appointment), each non-employee director shall be granted options to purchase 15,000 shares of our common stock under our 1999 Director Stock Option Plan, which has since been terminated;

on January 2nd of each year, each of the Chairman of the Board of Directors, the Audit Committee and the Organization and Compensation Committee shall be granted options to purchase an additional 20,000, 20,000 and 15,000 shares of our common stock under our 1999 Director Stock Option Plan, which has since been terminated, respectively; and

In addition, at the time of his or her appointment, each newly elected director shall be granted options to purchase an additional 15,000 shares of our common stock under our 2016 Plan.

All of such options are granted at an exercise price equal to the closing price of our common stock reported by the NASDAQ Stock Market on the date of grant and vest fully on the first anniversary of the date of grant.

Effective January 1, 2016, after consultation with its compensation consultant, our Board of Directors unanimously revised the non-employee director compensation program. Under the Company's new non-executive director compensation policy, each non-executive director of the Board of Directors shall receive the following compensation:

an annual cash retainer of \$25,000;

an annual grant of options to purchase 20,000 shares of common stock;

each member of the Audit Committee receives an annual cash retainer equal to \$10,000, and the Chairman of the Audit Committee receives an additional cash retainer equal to \$10,000;

each member of the Organization and Compensation Committee receives an annual cash retainer equal to \$7,500, and the Chairman of the Organization and Compensation Committee receives an additional cash retainer equal to \$7,500; and

each member of the Nominating and Corporate Committee receives an annual cash retainer equal to \$5,000, and the Chairman of the Nominating and Corporate Committee receives an additional cash retainer equal to \$5,000.

In addition, at the time of his or her appointment, each newly elected director shall be granted options to purchase 20,000 shares of our common stock and shall receive payment of the applicable cash retainers, pro-rated for the duration of service during the year in which he or she has been appointed.

The following table shows the total compensation paid or accrued during the fiscal year ended December 31, 2016 to each of our non-employee directors. REPORT OF AUDIT COMMITTEE

The Audit Committee of the Board of Directors, which consists entirely of directors who meet the independence and experience requirements of NASDAQ, has furnished the following report:

The Audit Committee assists the Board of Directors in overseeing and monitoring the integrity of our financial reporting process, compliance with legal and regulatory requirements and the quality of internal and external audit processes. This committee's role and responsibilities are set forth in our charter adopted by the Board of Directors, which is available on our website at www.teligent.com. This committee reviews and reassesses our charter annually and recommends any changes to the Board of Directors for approval. The Audit Committee is responsible for overseeing our overall financial reporting process, and for the appointment, compensation, retention and oversight of the work of EisnerAmper LLP. In fulfilling its responsibilities for the financial statements for fiscal year December 31, 2016, the Audit Committee took the following actions:

- Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2016 with management and EisnerAmper LLP, our independent registered public accounting firm;
- Discussed with EisnerAmper LLP the matters required to be discussed in accordance with Auditing Standard No. 16 - Communications with Audit Committees; and

Received written disclosures and the letter from EisnerAmper LLP regarding its independence as required by applicable requirements of the Public Company Accounting Oversight Board regarding EisnerAmper LLP communications with the Audit Committee and further discussed with EisnerAmper LLP their independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

Based on the Audit Committee's review of the audited financial statements and discussions with management and EisnerAmper LLP, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 for filing with the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and beneficial owners of more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in the ownership of our common stock and other equity securities. Such persons are required to furnish us copies of all Section 16(a) filings.

To our knowledge, based solely upon a review of Forms 3, 4 and 5 furnished to us, we believe that the directors, executive officers, and greater than ten percent beneficial owners have complied with all applicable filing requirements with respect to the fiscal year ended December 31, 2016.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Other than the compensation agreements and other arrangements which are described in the “Executive Officer and Director Compensation” section of this proxy statement, during our last fiscal year, there has not been, and there is not currently proposed, any transaction or series of similar transactions to which we were or will be a party in which the amount involved exceeded \$120,000 and in which any of our directors, nominees for director, executive officers, holders of more than five percent of any class of our voting securities or any member of the immediate family of the foregoing persons had or will have a direct or indirect material interest.

Policies and Procedures Regarding Review, Approval, or Ratification of Related Person Transactions

The Audit Committee is responsible for reviewing and approving in advance the terms and conditions of all related person transactions. In carrying out its responsibilities, the Audit Committee reviews and considers information regarding the related person transaction as it deems appropriate under the circumstances, which may include information such as the related person’s interest in the transaction, the approximate dollar value involved in the transaction, whether the transaction was undertaken in the ordinary course of business, whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party and the purpose of, and the potential benefits to us of, the transaction. The Audit Committee may approve or ratify the transaction only if it determines that, under all of the circumstances, the transaction is not inconsistent with our best interests.

ELECTION OF DIRECTORS

(Notice Item 1)

On March 30, 2017, the Board of Directors nominated Jason Grenfell-Gardner, Bhaskar Chaudhuri, Steven Koehler, James C. Gale, John Celentano and Carole S. Ben-Maimon, M.D. for election at the annual meeting. If they are elected, they will serve on our Board of Directors until the 2018 Annual Meeting of Stockholders and until their respective successors have been elected and qualified, or until his or her earlier resignation or removal.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted FOR the election as directors of Jason Grenfell-Gardner, Bhaskar Chaudhuri, Steven Koehler, James C. Gale, John Celentano and Carole S. Ben-Maimon, M.D. In the event that any of the nominees become unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in that nominee's place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the shares voted for each nominee at the meeting is required to elect each nominee as a director.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF JASON GRENFELL-GARDNER, BHASKAR CHAUDHURI, STEVEN KOEHLER, JAMES C. GALE, JOHN CELENTANO AND CAROLE S. BEN-MAIMON, M.D. AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Notice Item 2)

The Audit Committee has appointed EisnerAmper LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2017. The Board of Directors proposes that the stockholders ratify this appointment. EisnerAmper LLP audited our financial statements for the fiscal year ended December 31, 2016. We expect that representatives of EisnerAmper LLP will be present at the annual meeting, will be able to make a statement if they so desire and will be available to respond to appropriate questions.

In deciding to appoint EisnerAmper LLP, the Audit Committee reviewed auditor independence issues and existing commercial relationships with EisnerAmper LLP and concluded that EisnerAmper LLP has no commercial relationship with the Company that would impair its independence for the fiscal year ending December 31, 2016.

The following table presents fees for professional audit services rendered by EisnerAmper LLP for the audit of the Company's annual financial statements for the years ended December 31, 2016, and December 31, 2015, and fees billed for other services rendered by EisnerAmper LLP during those periods.

	2016	2015
Audit fees: ⁽¹⁾	\$ 540,000	\$ 293,000
Audit-related fees:	—	—
Tax fees:	—	—
All other fees:		
Total	\$ 540,000	\$ 293,000

Audit fees consisted of audit work performed in the preparation of financial statements, as well as work generally only the independent registered public accounting firm can reasonably be expected to provide, such as statutory audits. Fees in 2016 included \$100,000 of fees related to additional negotiated fees for 2015 work performed in 2016.

The percentage of services set forth above in the categories that were approved by the Audit Committee pursuant to Rule 2-01(c)(7)(i)(C) (relating to the approval of a de minimis amount of non-audit services after the fact but before completion of the audit), was 0%.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Public Accountant

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of an independent registered public accounting firm for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. Audit services include audit work performed in the preparation of financial statements, as well as work that generally only an independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits and attest services and consultation regarding financial accounting and/or reporting standards.

2. Audit-Related services are for assurance and related services that are traditionally performed by an independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits and special procedures required to meet certain regulatory requirements.
3. Tax services include all services performed by an independent registered public accounting firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning and tax advice.
4. Other Fees are those associated with services not captured in the other categories. The Company generally does not request such services from our independent registered public accounting firm.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging our independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the shares cast affirmatively or negatively at the annual meeting is required to ratify the appointment of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

ADVISORY VOTE ON APPROVAL OF EXECUTIVE COMPENSATION
AS DISCLOSED IN THIS PROXY STATEMENT

(Notice Item 3)

We are seeking your advisory vote as required by Section 14A of the Exchange Act on the approval of the compensation of our named executive officers as described in the Compensation Discussion and Analysis, the compensation tables and related material contained in this proxy statement. Because your vote is advisory, it will not be binding on our Organization and Compensation Committee or our Board of Directors. However, the Organization and Compensation Committee and the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation. We have determined to hold an advisory vote to approve the compensation of our named executive officers annually, and the next such advisory vote will occur at the 2018 Annual Meeting of Stockholders.

Our compensation philosophy is designed to align each executive's compensation with Teligent's short-term and long-term performance and to provide the compensation and incentives needed to attract, motivate and retain key executives who are crucial to our long-term success. Consistent with this philosophy, a significant portion of the total compensation opportunity for each of our executives is directly related to performance factors that measure our progress against the goals of our strategic and operating plans, as well as our performance against that of our peer companies.

Stockholders are urged to read the Compensation Discussion and Analysis section of this proxy statement, which discusses how our compensation policies and procedures implement our compensation philosophy. The Organization and Compensation Committee and the Board of Directors believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving its goals.

In accordance with the rules of the SEC, the following resolution, commonly known as a "say-on-pay" vote, is being submitted for a stockholder vote at the 2017 annual meeting:

"RESOLVED, that the compensation paid to the named executive officers of Teligent, Inc., as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the related material disclosed in this proxy statement, is hereby APPROVED."

The affirmative vote of a majority of the votes present or represented by proxy and entitled to vote at the annual meeting is required to approve, on an advisory basis, this resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

CODE OF CONDUCT AND ETHICS

We have adopted a code of conduct and ethics, the Standards of Business Conduct, that applies to all of our employees, including our chief executive officer and chief financial and accounting officers. The text of the Standards of Business Conduct is posted on our website at www.teligent.com. Disclosure regarding any amendments to, or waivers from, provisions of the code of conduct and ethics that apply to our directors, principal executive and financial officers will be included in a Current Report on Form 8-K within four business days following the date of the amendment or waiver, unless website posting or the issuance of a press release of such amendments or waivers is then permitted by the rules of NASDAQ.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented to the annual meeting. If any other business is properly brought before the annual meeting, proxies will be voted in accordance with the judgment of the persons named therein.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR DIRECTOR

To be considered for inclusion in the proxy statement relating to our 2018 Annual Meeting of Stockholders, we must receive stockholder proposals (other than for director nominations) no later than December 4, 2017. To be considered for presentation at the 2018 Annual Meeting, although not included in the proxy statement, proposals (including director nominations that are not requested to be included in our proxy statement) must be received no earlier than February 17, 2018 and no later than March 19, 2018, provided, however, in the event that the date of the 2018 Annual Meeting is more than 60 days before or more than 60 days after May 18, 2018, proposals must be received no earlier than the 90th day prior to the 2018 Annual Meeting Date and no later than 60 days prior to the 2018 Annual Meeting Date or the 15th day following the day on which public announcement of the date of the 2018 Annual Meeting is first made by the Company. Proposals that are not received in a timely manner will not be voted on at the 2018 Annual Meeting. If a proposal is received on time, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC. All stockholder proposals should be marked for the attention of our Corporate Secretary at our corporate offices, 105 Lincoln Avenue, PO Box 687, Buena, New Jersey 08310.
