Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

(e) Executive Annual Incentive Plan. On January 25, 2018, the Company's Compensation Committee established, and the Company's Board of Directors ratified, the 2018 targets for the Executive Annual Incentive Plan, an annual performance-based cash incentive plan that was previously approved by the stockholders on April 23, 2015 (the "Plan").

The Plan provides for cash incentive payments based primarily on the Company's 2018 financial performance compared with certain targets (the "Corporate Targets"). Incentive payments based on the Company's 2018 financial performance may be made if the Company meets or exceeds 90% of any of the Corporate Targets ("Threshold").

For senior executive officers (including the Chairman, President and Chief Executive Officer, the Chief Financial Officer, and the other Named Executive Officers), 100% of the incentive payment that may be made under the Plan will be based on the Company's 2018 performance using the following Corporate Targets that relate to the Company's business plan and strategic objectives: (i) earnings per share (weighted 40%); (ii) net income (weighted 40%); and (iii) operating expense/average assets (weighted 20%).

Incentive payments will be a percentage of the executive officer's base salary. Using estimated 2018 base salary levels, the total aggregate cash incentive payments that may be made for 2018 under the Plan for the Chairman, President and Chief Executive Officer, the Chief Financial Officer and the other Named Executive Officers would range from approximately \$700,000 at the Threshold level up to approximately \$2,100,000 at the Maximum level.
