PROXY STATEMENT
Annual Meeting of Shareholders
April 25, 2002

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Monmouth Real Estate Investment Corporation (the Company) of proxies to be voted at the Annual Meeting of Shareholders of the Company to be held on April 25, 2002, and at any adjournments thereof (Annual Meeting), for the purposes listed in the preceding Notice of Annual Meeting of Shareholders. This Proxy Statement and the accompanying proxy card are being distributed on or about March 20, 2002 to shareholders of record March 14, 2002.

A copy of the Annual Report, including financial statements, was mailed to all shareholders of record on or about February ____, 2002.

Any shareholder giving the accompanying proxy has the power to revoke it at any time before it is exercised at the Annual Meeting by filing with the Secretary of the Company an instrument revoking it, by delivering a duly executed proxy card bearing a later date, or by appearing at the meeting and voting in person. Shares represented by properly executed proxies will be voted as specified thereon by the shareholder. Unless the shareholder specifies otherwise, such proxies will be voted FOR the proposals set forth in the Notice of Annual Meeting.

The cost of preparing, assembling and mailing this Proxy Statement and form of proxy, and the cost of soliciting proxies related to the meeting, will be borne by the Company. The Company does not intend to solicit proxies otherwise than by the use of the mail, but certain Officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

VOTING RIGHTS

Only holders of the Company's \$.01 par value common stock (Common Stock) of record as of the close of business on March 14, 2002, are entitled to vote at the Annual Meeting of Shareholders. As of the record date, there were issued and outstanding _____ shares of Common Stock, each share being entitled to one vote on any matter which may properly come before the meeting. Said voting right is non-cumulative. The presence in person or by proxy of holders of a majority of the outstanding shares of Common Stock shall constitute a quorum. Proposals 1, 2 and 4 require the affirmative vote of a majority of the votes cast. Proposal 3

requires the affirmative vote of a majority of the outstanding shares. If you abstain, your proxy will be counted as present for the purpose of determining the existence of a quorum, but will have the effect of a vote against the proposal.

1

PROPOSAL 1

ELECTION OF DIRECTORS

It is proposed to elect a Board of nine Directors. The proxy will be voted for the election of the nine nominees named herein, all of whom are members of the present Board, to serve for a one-year term for which they have been nominated, unless authority is withheld by the shareholder. The nominees have agreed to serve, if elected, for the new term. If for any reason any of the nine nominees shall become unavailable for election, the proxy will be voted for any substitute nominee who may be selected by the Board of Directors prior to or at the meeting, or, if no substitute is selected by the Board of Directors, for a motion to reduce the membership of the Board to the number of the following nominees who are available. In the event the membership of the Board is reduced, it is anticipated that it would be restored to the original number at the next annual meeting. In the event a vacancy occurs on the Board of Directors after the Annual Meeting, the by-laws provide that any such vacancy shall be filled for the unexpired term by a majority vote of the remaining Directors. The Company has no knowledge that any of the nine nominees shall become unavailable for election.

The proxies solicited cannot be voted for a greater number of persons than the nominees named.

Some of the nominees for Director are also Officers and/or Directors of other companies, including Monmouth Capital Corporation and United Mobile Homes, Inc., both publicly-owned companies. In addition, the Officers and Directors of the Company may engage in real estate transactions for their own account, which transactions may also be suitable for Monmouth Real Estate Investment Corporation. In most respects, the activities of the Company, United Mobile Homes, Inc. and Monmouth Capital Corporation are not in conflict, but rather complement each other. However, the activities of the Officers and Directors on behalf of the other companies, or for their own account, may on occasion conflict with those of the Company and deprive the Company of favorable opportunities. It is the opinion of the Officers and Directors of the Company that there have been no conflicting transactions since the beginning of the last fiscal year.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last fiscal year. No Director attended fewer than 75% of the

Edgar Filing: MONMOUTH REAL ESTATE INVESTMENT CORP - Form DEF 14A

meetings.

The Company has a standing Audit Committee, a Stock Option Committee and a Compensation Committee of the Board of Directors.

2

The Audit Committee, which recommends to the Directors the independent public accountants to be engaged by the Company and reviews with management the Company's internal accounting procedures and controls, had two meetings, including telephone meetings, during the last fiscal year. Charles P. Kaempffer, Matthew I. Hirsch, and Peter Weidhorn, all of whom are outside Directors, serve on the Audit Committee.

The Stock Option Committee, which administers the Company's Stock Option Plan, had one meeting during the last fiscal year. Daniel D. Cronheim, Matthew I. Hirsch, and John Sampson serve on the Stock Option Committee.

PROPOSAL 2

APPROVAL OF INDEPENDENT AUDITORS

It is proposed to approve the appointment of KPMG LLP as Independent Auditors for the Company for the purpose of making the annual audit of the books of account of the Company for the year ending September 30, 2002 and shareholder approval of said appointment is requested. KPMG LLP has served as Independent Auditors of the Company since 1994. There are no affiliations between the Company and KPMG LLP, its partners, associates or employees, other than its employment as Independent Auditors for the Company. KPMG LLP informed the Company that it has no direct or indirect financial interest in the Company. The Company does expect a representative of KPMG LLP to be present at the Annual Meeting either to make a statement or to respond to appropriate questions.

The approval of the appointment of the Independent Auditors must be by the affirmative vote of a majority of the votes cast at the Annual Meeting. In the event KPMG LLP does not receive an affirmative vote of the majority of the votes cast by the holders of shares entitled to vote, then another firm will be appointed as Independent Auditors and the shareholders will be asked to ratify the appointment at the next annual meeting.

PROPOSAL 3

INCREASE IN AUTHORIZED CLASS A COMMON STOCK

The Board of Directors has declared advisable and has directed that there be submitted to the shareholders of the Company a proposed amendment to Article IV, Section (a) of the Company's Certificate of Incorporation which would effect an increase in

Edgar Filing: MONMOUTH REAL ESTATE INVESTMENT CORP - Form DEF 14A

the number of authorized Class A common stock from 16,000,000 shares to 20,000,000 shares.

The approval of the proposal to amend the Certificate of Incorporation will result in a substantially greater number of authorized shares than the Company has under the current Certificate of Incorporation. The additional shares may be offered in capital raising transactions, property acquisition transactions and investment in other entities. The authorization of additional common shares gives management the ability to counter takeover proposals by issuing additional shares. There are no specific capital transactions, property acquisitions, takeover proposals or other events pending (other than shares needed for the Dividend Reinvestment and Stock Purchase Plan). Management believes that prudent corporate governance includes

6

the Company having a substantial number of authorized but unissued shares available. If approved, the increased number of authorized Class A common shares will be available for issuance from time to time for such purposes and consideration as the Board of Directors may approve and no further votes of shareholders will be required.

Under Delaware law, the affirmative vote of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting is required to authorize the proposed increase in the authorized number of Class A common shares. If the amendment to the Certificate of Incorporation is authorized, the text of Article IV, Capitalization, Section (a), pertaining to the Company's authority to issue common stock, will be as follows:

- (a) Twenty million (20,000,000) shares of Class A Common Stock, with a par value of \$0.01 for each share of such stock. In the event of a liquidation of the Corporation, Class A Common Stock shall be entitled to all assets allocated to holders of Common Stock. Class A Common Stock shall be subject to redemption by the Corporation in accordance with Article X of this Certificate.

PROPOSAL 4

PROPOSAL REGARDING STOCK OPTION PLAN

The Company maintains its 1997 Stock Option Plan (the "Plan") pursuant to which the Stock Option Committee of the Board of Directors may grant incentive and non-qualified stock options to certain officers, directors and key employees for the purposes of (i) affording an incentive to certain officers and key employees to remain in the employ of the Company and to use their best efforts in its behalf; and (ii) aiding the Company in attracting, maintaining and developing capable management personnel of a caliber required to insure the Company's continued success by means of an offer to such persons of an opportunity to acquire or increase their proprietary interest in the Company through the granting of options to purchase shares of the Company.

A maximum of 750,000 shares of the Company's Class A Common Stock are reserved for issuance under the Plan. Options to acquire 385,000 shares at a weighted average exercise price of \$6.19 have been granted through September 30, 2001, and as of such date 365,000 shares remain available for future grant under the Plan.

The Stock Option Committee of the Board of Directors considers the future grant of options under the Plan to be an integral part of the Company's compensation strategies and policies, as it seeks to enhance cash flows, and consequently real property and stockholder value, by aligning the financial interests of the Company's directors, executive officers and other key employees with those of its shareholders.

7

Accordingly, the Stock Option Committee of the Board of Directors has recommended that the Plan be amended so that the number of shares of the Company's Class A Common Stock subject to option under the Plan would be increased by 750,000 shares to 1,500,000 shares. The directors, officers and key employees who may receive grants of options to acquire such additional shares will continue to be determined in the future by the Stock Option Committee of the Board of Directors. The persons named as proxies in the accompanying form of proxy intend to vote FOR this recommendation.

Vote Required

Approval of the recommendation by the Stock Option Committee to increase the number of shares of the Company's Class A Common Stock subject to option under the Plan by 750,000 shares requires the approval by the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting; provided that the total number of votes cast at the Annual Meeting represents over 50% in interest of all the Company's Class A Common Stock entitled to vote on such proposal. Accordingly, abstentions and broker non-votes will have the effect of a vote against such proposal unless holders of more than 50% in interest of all the Company's Class A Common Stock entitled to vote on such proposal cast votes, in which event abstentions will have no effect on the result of such vote.

Report of Compensation Committee on Executive Compensation Overview and Philosophy

The Company has a Compensation Committee consisting of two independent outside Directors. This Committee is responsible for making recommendations to the Board of Directors concerning compensation. The Compensation Committee takes into consideration three major factors in setting compensation.

The first consideration is the overall performance of the Company. The Board believes that the financial interests of the executive officers should be aligned with the success of the Company and the financial interests of its shareholders. Increases in funds from operations, the enhancement of the Company's equity portfolio, and the success of the Dividend Reinvestment and Stock Purchase Plan all contribute to increases in stock prices, thereby maximizing shareholders' return.

The second consideration is the individual achievements made

by each officer. The Company is a small real estate investment trust (REIT). The Board of Directors is aware of the contributions made by each officer and makes an evaluation of individual performance based on their own familiarity with the officer.

12

The final criteria in setting compensation is comparable wages in the industry. In this regard, the REIT industry maintains excellent statistics.

Evaluation

The Company's funds from operations continue to increase. The Committee reviewed the growth of the Company and progress made by Eugene W. Landy, Chief Executive Officer. Mr. Landy is under an employment agreement with the Company. His base compensation under his contract was increased in 2001 to \$150,000 per year. In fiscal 2001, Mr. Landy was also paid a total bonus of \$30,000.

Eugene W. Landy and Samuel A. Landy are partners in the law firm of Landy & Landy, which firm, or its predecessor firms, have been retained by the Company as legal counsel since the formation of the Company, and which firm the Company proposes to retain as legal counsel for the current fiscal year.

The New Jersey Supreme Court has ruled that the relationship of directors also serving as outside counsel is not per se improper, but the attorney should fully discuss the issue of conflict with the other directors and disclose it as part of the proxy statement so that shareholders can consider the conflict issue when voting for or against the attorney/director nominee.

GENERAL

The Board of Directors knows of no other matters other than those stated in this Proxy Statement which are to be presented for action at the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted on any such matter in accordance with the judgment of the persons voting such proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

The Company will provide, without charge, to each person being solicited by this Proxy Statement, on the written request of any such person, a copy of the Annual Report of the Company on Form 10-K for the year ended September 30, 2001 (as filed with the Securities and Exchange Commission), including the financial statements and schedules thereto. All such requests should be directed to Monmouth Real Estate Investment Corporation, Attention: Shareholder Relations, Juniper Business Plaza, 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728.

COMPLIANCE WITH EXCHANGE ACT FILING REQUIREMENTS

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's Officers and Directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, Directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on review of the copies of such forms furnished to the Company, the Company believes that, during the fiscal year, all Section 16(a) filing requirements applicable to its Officers, Directors and greater than 10% beneficial owners were met, except that John R. Sampson and Peter J. Weidhorn, newly-elected Directors in 2001, failed to file their initial reports on Form 3 on a timely basis.

In order for Shareholder Proposals for the 2003 Annual Meeting of Shareholders to be eligible for inclusion in the Company's 2003 Proxy Statement, they must be received by the Company at its principal office at 3499 Route 9 North, Suite 3-C, Freehold, New Jersey 07728 not later than October 30, 2002.
