Item 8.01 Other Events.

On December 6, 2010, AT&T received commitments from a syndicate of banks to replace the company's existing five-year \$9.465 billion revolving credit facility with a four-year \$5 billion revolving credit facility and a 364-day \$3 billion revolving credit facility. Both new facilities are expected to contain terms substantially similar to those of the existing facility. AT&T and the committed banks expect both facilities to become effective on December 20, 2010 upon satisfaction of customary closing conditions.
