ITEM 1.01. Entry into a Material Definitive Agreement

On September 6, 2016, Natus Medical Incorporated (the "Company") through Medix I.C.S.A. ("Medix"), a subsidiary of the Company based in Buenos Aires, Argentina, received an initial payment of \$20,000,000 under a previously-disclosed supply agreement (the "Supply Agreement") with the Ministry of Health of Venezuela ("Ministry of Health"). Under this Supply Agreement, the Company will provide medical equipment, supplies and services over a three-year period, including certain third-party products. Concurrent with this initial payment, an amendment (the "Amendment") to the Supply Agreement becomes effective, whereby the overall value of the Supply Agreement is now \$120.7 million, payable in six month installments over the life of the Supply Agreement of approximately \$20,000,000.

The Ministry of Health retains the right to cancel this Supply Agreement and Amendment at any time, and this initial payment is no guarantee that future payments will be made.

Medix continues to partner with a local distributor to provide distribution and technical service support to hospitals in Venezuela.

The Company expects the operating profitability over the life of the Supply Agreement and the related Amendment to be similar to the company's corporate average operating margin.
