BSQUARE CORPORATION

PROXY STATEMENT FOR 2002 ANNUAL MEETING OF SHAREHOLDERS

PROCEDURAL MATTERS

General

The enclosed Proxy is solicited on behalf of BSQUARE CORPORATION, a Washington corporation (the Company), for use at the 2002 Annual Meeting of Shareholders (the Annual Meeting) to be held on April 30, 2002 at 10:00 a.m., local time, and at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company s principal executive offices at 3150 139th Avenue SE, Bellevue, Washington 98005. The Company s telephone number at its principal business offices is (425) 519-5900.

These proxy solicitation materials were mailed on or about March 30, 2002 to all shareholders entitled to vote at the Annual Meeting.

Record Date and Principal Share Ownership

Only shareholders of record at the close of business on March 15, 2002 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. The only outstanding voting securities of the Company are shares of Common Stock, no par value. As of the Record Date, 36,482,048 shares of the Company s Common Stock were issued and outstanding and held of record by 179 shareholders. See Security Ownership of Principal Shareholders, Directors and Management below for information regarding beneficial owners of more than five percent of the Company s Common Stock.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by delivering to the Secretary of the Company a written instrument revoking the proxy or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

Voting and Solicitation

Each holder of Common Stock is entitled to one vote for each share held.

This solicitation of proxies is made by the Company, and all related costs will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company s directors, officers and regular employees, without additional compensation, personally or by telephone.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted FOR, AGAINST or WITHHELD FROM a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting (the Votes Cast) with respect to such

matter.

While there is no definitive statutory authority in Washington as to the proper treatment of abstentions or broker non-votes, the Company believes that abstentions and broker non-votes should be counted for purposes of determining the presence or absence of a quorum for the transaction of business. In addition, the Company believes that abstentions and broker non-votes should not be counted for purposes of determining the number of Votes Cast with respect to the election of directors or the proposed amendment to the Company's employee stock purchase plan and thus will not have any effect on the outcome of the voting on either of those matters.

All shares entitled to vote and represented by properly executed, unrevoked proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy, the shares represented by that proxy will be voted as recommended by the Board of Directors. If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the enclosed proxy and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. The Company does not currently anticipate that any other matters will be raised at the Annual Meeting.

Deadline for Receipt of Shareholder Proposals

Shareholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of the proxy rules promulgated by the Securities and Exchange Commission (the "SEC"). Proposals of shareholders of the Company intended to be presented for consideration at the Company's 2003 Annual Meeting of Shareholders must be received by the Company no later than November 30, 2002 in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

In addition, the Company's Bylaws establish an advance notice procedure with regard to certain matters, including shareholder proposals not included in the Company's proxy statement, to be brought before an annual meeting of shareholders. In general, nominations for the election of directors may be made by: (i) the Board of Directors or a committee appointed by the Board of Directors, or (ii) any shareholder entitled to vote who has delivered written notice to the Secretary of the Company 90 days prior to the date one year from the date of the immediately preceding annual meeting of shareholders (or, with respect to an election of directors to be held at a special meeting, the close of business on the tenth day following the date on which notice of such meeting is first given to shareholders), which notice must contain specified information concerning the nominees and concerning the shareholder proposing such nominations. The Company's Bylaws also provide that the only business that shall be conducted at an annual meeting is business that is brought before such meeting: (i) by or at the direction of the Board of Directors, or (ii) by any shareholder entitled to vote who has delivered written notice to the Secretary of the Company 90 days prior to the date one year from the date of the immediately preceding annual meeting of shareholders, which notice must contain specified information concerning the matters to be brought before such meeting and concerning the shareholder proposing such matters. A copy of the full text of the Bylaw provisions discussed above may be obtained by writing to the Secretary of the Company. All notices of proposals by shareholders, whether or not included in the Company's proxy materials, should be sent to BSQUARE CORPORATION, 3150 139th Avenue S.E., Bellevue, Washington 98005, Attention: Secretary.

Security Ownership of Principal Shareholders, Directors and Management

The following table sets forth certain information regarding the beneficial ownership of Common Stock of the Company as of the Record Date as to:

each person who is known by the Company to own beneficially more than five percent of the outstanding shares of Common Stock;

each director and each nominee for director of the Company;

each of the named executive officers shown in the summary compensation table in "Information Regarding Executive Officer Compensation" below; and

all directors and executive officers of the Company as a group.

Beneficial ownership is determined in accordance with the rules of the SEC. For purposes of calculating the number of shares beneficially owned by a shareholder and the percentage ownership of that shareholder, shares of Common Stock subject to options that are currently exercisable or exercisable within 60 days of the Record Date by that shareholder are deemed outstanding. These options are listed below under the heading "Number of Shares Underlying Options" and are not treated as outstanding for the purpose of computing the

percentage ownership of any other shareholder. This table is based on information supplied by officers, directors, principal shareholders and Schedules 13G filed with the SEC. Percentage ownership is based on 36,482,048 shares of Common Stock outstanding as of the Record Date.

Unless otherwise noted below, the address for each shareholder listed below is: c/o BSQUARE Corporation, 3150 139th Avenue S.E., Bellevue, Washington 98005. Unless otherwise noted, each of the shareholders listed below has sole investment and voting power with respect to the Common Stock indicated, except to the extent shared by spouses under applicable law.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

We currently have authorized seven directors; however, the Company's Board of Directors is currently comprised of four members and three Board seats remain vacant. The Board of Directors intends to leave the remaining seats vacant until appropriate individuals are identified and elected by the Board of Directors. The Board of Directors is divided into three classes with overlapping three-year terms. A director serves in office until his or her respective successor is duly elected and qualified unless the director resigns or by reason of death or other cause is unable to serve in the capacity of director. When the vacant Board seats are filled, one will be a Class I director, one will be a Class II director, and one will be a Class III director. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of an equal number of directors. There are no family relationships among our directors and officers.

Nominees For Directors

One Class II director is to be elected at the Annual Meeting for a three-year term ending in 2005. The Board of Directors has nominated Jeffrey T. Chambers for election as a Class II director.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's nominee named below. The proxies cannot be voted for a greater number of persons than the nominee named. In the event that Mr. Chambers is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. It is not expected that Mr. Chambers will be unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of Mr. Chambers.

Vote Required for Election of Directors

If a quorum is present and voting, the nominee receiving the highest number of votes will be elected to the Board of Directors. Votes withheld from any nominee, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE NOMINEE LISTED BELOW.

Nominee

The name of the nominee and certain information about him as of the Record Date are set forth below:

Name of Nominee	Age	Position with the Company	Director Since
Jeffrey T. Chambers	46	Director	1998

Mr. Chambers has been a director of BSQUARE since February 1998 and is a member of the Company's Compensation Committee and Audit Committee. Mr. Chambers was elected to our Board of Directors in connection

with the purchase of shares of our preferred stock by affiliates of TA Associates, Inc., a venture capital firm. Mr. Chambers has been employed by TA Associates or its predecessor since 1980, where he currently serves as a managing director. In addition to BSQUARE, Mr. Chambers currently serves as a director of several privately held companies.

Board Meetings and Committees

The Board of Directors of the Company held a total of four meetings during fiscal 2001. The Board of Directors has a Compensation Committee and an Audit Committee. The Board of Directors has no nominating committee or any similar committee performing such functions.

The Audit Committee currently consists of Mr. Chambers, Scot E. Land and William L. Larson. The Audit Committee makes recommendations to the Board of Directors regarding the selection of independent auditors, reviews the scope of audit and other services by the Company's independent auditors, reviews the accounting principles and auditing practices and procedures to be used for the Company's financial statements and reviews the results of the Company's audits. The Audit Committee held four meetings during fiscal 2001.

The Compensation Committee currently consists of Mr. Chambers and Mr. Land. The Compensation Committee reviews and approves the compensation and benefits for the Company's executive officers, grants stock options under the Company's stock option plan and makes recommendations to the Board of Directors on compensation matters. The Compensation Committee held one meeting during fiscal 2001.

No director attended fewer than 75% of the aggregate of the meetings of the Board of Directors and committees thereof, if any, upon which such director served during the period for which he has been a director or committee member.

Compensation of Directors

Directors are reimbursed for expenses incurred in connection with attending Board of Directors and committee meetings but are not otherwise compensated for their services as Board members. In August 1998, the Company granted to each of TA Associates, with whom Mr. Chambers is affiliated, and Mr. Land, an option to purchase 45,000 shares of Common Stock at an exercise price of \$1.80 per share, vesting in three annual installments of 15,000 shares each. In October 1999, the Company granted to Mr. Land an option to purchase 40,000 shares of Common Stock at an exercise price of \$12.00 per share, vesting in four annual installments of 10,000 shares each. In July 1998, the Company granted to Mr. Larson an option to purchase 120,000 shares of Common Stock at an exercise price of \$1.80 per share, vesting in three annual installments of 40,000 shares each. The Company currently intends to make comparable option grants to future non-employee directors.

PROPOSAL TWO

APPROVAL OF AMENDMENT TO THE EMPLOYEE STOCK PURCHASE PLAN

TO INCREASE THE AUTHORIZED NUMBER OF SHARES
OF COMMON STOCK AVAILABLE FOR PURCHASE THEREUNDER

Proposed Amendment

In March 2002, subject to the approval of the Company's shareholders, the Board of Directors approved an amendment to the Company's employee stock purchase plan (the Plan) to increase the authorized number of shares of Common Stock available for purchase thereunder from 1,500,000 to 2,500,000.

Reason for the Amendment

The Plan provides a convenient and practical means by which employees may participate in stock ownership. The Company's Board of Directors relies upon the Plan as one of the benefits necessary to attract and retain highly qualified and motivated employees. From time to time, the Company reviews the number of shares available for purchase thereunder and, based upon the Company's estimates of the number of shares expected to be issued under the Plan, management presents to the Board of Directors a recommendation for the addition of shares reserved for issuance. The Board reviews such recommendation and, if approved by the Board, presents a proposal for the shareholders' approval. At this time, the Board of Directors believes it is in the Company's best interests to provide for the increase in shares available for purchase under the Plan so that the Company may continue to attract and retain the services of qualified employees by providing employees an opportunity to purchase the Company's Common Stock through the Plan.

Activity Under the Plan

As of the Record Date, 652,056 shares of Common Stock had been issued upon purchases pursuant to the Plan and 847,944 shares remained available for future issuance thereunder.

Vote Required for Approval of the Amendment

If a quorum is present and voting, the affirmative vote of a majority of the Votes Cast will be required to approve the amendment to the Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE AMENDMENT OF THE EMPLOYEE STOCK PURCHASE PLAN.

Summary of the Plan

The following description of material terms of the Plan is intended to be a summary only. This summary is qualified in its entirety by the full text of the Plan, a copy of which is attached to this Proxy Statement as Appendix A.

The Plan is intended to qualify as an employee stock purchase plan within the meaning of Section 423 of the Internal Revenue Code. The Plan may be administered by the Company's Board of Directors or by a committee appointed by the Board. The Plan administrator has the power to make and interpret all rules and regulations it deems necessary to administer the Plan. The Company's Board of Directors has broad authority to amend Plan, subject in some instances to shareholder approval. All of the Company's employees who customarily work more than 20 hours

per week, including officers, are eligible to participate in the Plan. Eligible employees may elect to contribute from 1% to 10% of the compensation paid to them during each pay period towards stock purchases under the Plan. Each participant may enroll in an 18-month offering in which shares of Common Stock are purchased on the last day of each six-month period during the offering. Offerings will commence on November 15 and May 15 of each year. As of January 31, 2002, approximately 375 employees, including 7 executive officers, were eligible to participate in the Plan. Members of the Company's Board of Directors who are not employees are not eligible to participate. The actual benefits, if any, to participants in the Plan are not determinable prior to the purchase of shares under the Plan because the value,

if any, of such shares to their holders is represented by the difference between the market price of a share of the Company's Common Stock on the date of purchase and the purchase price of the shares, as described below.

The purchase price for shares purchased under the Plan is equal to 85% of the lower of:

the fair market value of the Common Stock on the enrollment date of the offering; or

the fair market value on the date of purchase.

Neither payroll deductions credited to an employee's account nor any rights with regard to the purchase of shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way by a participant, except that a participant may designate a beneficiary in the event of his or her death.

Upon termination of employment due to death, retirement or disability, the payroll deductions credited to an employee's account will be used to purchase shares on the next purchase date. Any remaining balance will be returned to the participant or his or her beneficiary. Upon termination of employment for any other reason, any payroll deductions credited to an employee's account will be returned to the participant.

The Company has previously authorized the issuance of up to 1,500,000 shares of Common Stock under the Plan. Upon approval of this proposal, the Plan will be amended to increase the authorized number of shares of Common Stock available for purchase thereunder to 2,500,000 shares.

In the event of a merger, consolidation or acquisition by another corporation of all or substantially all of the Company's assets, each outstanding right to purchase shares under the shall be assumed or an equivalent stock purchase right substituted by the successor corporation. If the successor corporation refuses to assume or substitute for the stock purchase right, the offering period during which a participant may purchase stock will be shortened to a specified date before the proposed merger or sale. Similarly, in the event of the Company's liquidation or dissolution, the offering period during which a participant may purchase stock will be shortened to a specified date before the date of the liquidation or dissolution.

Option Grants in Fiscal Year 2001

The following table sets forth certain information with respect to stock options granted to each of the Company's named executive officers during the fiscal year ended December 31, 2001. In accordance with the rules of the SEC, also shown below is the potential realizable value over the term of the option, the period from the grant date to the expiration date, based on assumed rates of stock appreciation of 5% and 10%, compounded annually. These rates are mandated by the SEC and do not represent the Company's estimate of future stock price. Actual gains, if any, on stock option exercises will depend on the future performance of the Company's Common Stock. In the fiscal year ended December 31, 2001, the Company granted options to acquire up to an aggregate of 2,550,814 shares of Common Stock to employees, all under the Company's stock option plan and all at an exercise price equal to the fair market value of the Company's Common Stock on the date of grant.

Employee Benefit Plans

Stock Option Plans

The Company has an amended and restated stock option plan pursuant to which options to purchase Common Stock are granted to the Company's officers and employees. The Company's Board of Directors adopted and the Company's shareholders approved the amended and restated stock option plan in May 1997. At the Company's 2000 annual meeting of shareholders, this stock option plan was further amended to annually increase the number of shares reserved for issuance during each of the Company's fiscal years beginning on January 1, 2000 by an amount equal to the lesser of (A) four percent (4%) of the Company's outstanding shares at the end of such fiscal year or (B) an amount determined by the Company's Board of Directors.

The stock option plan provides for the granting to the Company's employees, including officers and directors, of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986 and for the granting to employees, consultants and non-employee directors of nonstatutory stock options. If an optionee would have the right in any calendar year to exercise for the first time incentive stock options for shares having an aggregate fair market value (determined for each share as of the date the option to purchase the shares was granted) in excess of \$100,000, any such excess options shall be treated as nonstatutory stock options. Unless terminated earlier by the Company's Board of Directors, the plan will terminate in May 2007.

The stock option plan may be administered by the Company's Board of Directors or a committee of the Board. The Company's Board of Directors determines the terms of each option granted under the stock option plan, including the number of shares subject to an option, exercise price, vesting schedule and duration. The exercise price of all incentive stock options granted under the stock option plan cannot be less than the fair market value of the Common Stock on the date of grant and, in the case of incentive stock options granted to holders of more than 10% of the Company's voting power, not less than 110% of the fair market value. Generally, options granted under the stock option plan have a term of ten years, vest annually over a four-year period and are nontransferable. Payment of the exercise price of options may be made in cash or other consideration as determined by the Company's Board of Directors. The Company's Board of Directors has the authority to amend or terminate the stock option plan as long as such action does not adversely affect any outstanding option and provided that shareholder approval for any amendments to the stock option plan shall be obtained to the extent required by applicable law.

The Company also has a stock option plan pursuant to which options to purchase Common Stock have been granted to employees of one of the Company's subsidiaries.

As of December 31, 2001, options to purchase 5,178,670 shares of Common Stock were outstanding and the Company had a total of 2,450,372 shares of Common Stock available for issuance under the stock option plans.

Employee Stock Purchase Plan

The Company has an employee stock purchase plan. See Proposal Two for a description of the terms of this plan.

401(k) Plan

In March 1997, the Company's Board of Directors adopted a tax-qualified employee savings and retirement plan for eligible U.S. employees. Eligible employees may elect to defer a percentage of their eligible compensation in the 401(k) plan, subject to the statutorily prescribed annual limit. The Company makes matching contributions on behalf of all participants in the 401(k) plan in the amount equal to one-half of the first 6% of an employee's contributions. Matching contributions are subject to a vesting schedule; all other contributions are at all times fully vested. The

Company intends the 401(k) plan to qualify under Sections 401(k) and 501 of the Internal Revenue Code so that contributions by employees or the Company to the 401(k) plan, and income earned, if any, on plan contributions, are not taxable to employees until

withdrawn from the 401(k) plan, and so that the Company will be able to deduct its contributions when made. The trustee of the 401(k) plan, at the direction of each participant, invests the assets of the 401(k) plan in any of a number of investment options.

Employment Agreements and Change of Control Arrangements

The Company currently does not have any employment agreements with any of its named executive officers. The Company's stock option plan provides that in the event a third party acquires the Company through the purchase of all or substantially all of its assets, a merger or other business combination, if so provided in applicable stock option agreements, the unexercised portion of outstanding options will vest and become immediately exercisable.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's executive officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 and Form 5 with the SEC. Executive officers, directors and greater-than-ten-percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that, during fiscal 2001, it has complied with all filing requirements applicable to its executive officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities with the exception of Leila L. Kirske, who failed to timely file a Form 3 in connection with her appointment as an executive officer.

Compensation Committee Report on Executive Compensation

The following is the Report of the Compensation Committee of the Company describing the compensation policies and rationale applicable to the Company's executive officers with respect to the compensation paid to such executive officers for the year ended December 31, 2001. The information contained in the report shall not be deemed to be soliciting material or to be filed with the SEC and such information shall not be incorporated by reference into any future filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act except to the extent that the Company specifically incorporates it by reference into such filing.

During the fiscal year ended December 31, 2001, the Compensation Committee of the Board of Directors was comprised of two non-employee directors. The Compensation Committee of the Board of Directors establishes the general compensation policies of the Company as well as the compensation plans and specific compensation levels for executive officers. The Compensation Committee seeks to provide the executive officers of the Company with competitive compensation that enables the Company to attract and retain employees who contribute to the success of the Company and maximize shareholder value. Specifically for executive officers, compensation is determined according to the criteria described below.

Compensation

The Compensation Committee establishes the salaries of the executive officers by considering (i) the salaries of executive officers in similar positions at comparably-sized peer companies, (ii) the Company's financial performance over the past year based upon revenue and operating results and (iii) the achievement of individual performance goals related to each executive officer's duties and area of responsibility.

Equity-Based Compensation

The Compensation Committee views stock options as an important part of the Company's long-term, performance-based compensation program. The Compensation Committee bases grants of stock options to the executive officers of the Company under the stock option plan upon the Committee's estimation of each executive's contribution to the long-term growth and profitability of the Company. The stock option plan is

intended to provide additional incentives to the executive officers to maximize shareholder value. Options are generally granted under the stock option plan at the then-current market price and are generally subject to four-year vesting periods to encourage key employees to remain with the Company.

Compensation of the President and Chief Executive Officer

William T. Baxter, the Company's President and Chief Executive Officer, receives an annual salary of \$250,000. Mr. Baxter's annual salary was approved by the Board of Directors by considering several factors including the attainment of corporate revenue and operating results goals for the fiscal year, the Company's progress in new product development and his contribution to the Company's strategic focus, market position and brand development. No set formula is used for this determination, and no particular function is weighted greater or lesser than the other.

Summary

The Compensation Committee believes that the Company's compensation policies have been successful in attracting and retaining qualified employees and in linking compensation directly to corporate performance relative to the Company's goals. The Company's compensation policies will evolve over time as the Company moves to attain the near-term goals it has set for itself while maintaining its focus on building long-term shareholder value.

BSQUARE CORPORATION

1999 EMPLOYEE STOCK PURCHASE PLAN

I. PURPOSE OF PLAN

As a means by which Employees may share in the Company's growth and success, BSQUARE Corporation (the Company) believes that ownership of shares of its Common Stock by its Employees is desirable. To this end, and as an incentive to better performance and improved profits, the Company has established the BSQUARE Corporation 1999 Employee Stock Purchase Plan (the Plan).

The Company intends that the Plan will constitute an employee stock purchase plan within the meaning of Section 423 of the Code.

II. DEFINITIONS

Terms that are capitalized within this document shall have the meanings as set forth in Exhibit A, unless otherwise specified within the text.

III. EMPLOYEE PARTICIPATION

Participation

Subject to the provisions of this Section III, an Employee may elect to participate in the Plan effective as of any Enrollment Date by completing and filing a Payroll Deduction Authorization Form in the form attached hereto as Exhibit B, as provided in Section IV. As of each Enrollment Date, the Company hereby grants a right to purchase Shares under the terms of the Plan to each eligible Employee who has elected to participate in the Offering commencing on that Enrollment Date.

Requirements for Participation

A person shall become eligible to participate in the Plan on the first Enrollment Date on which that person meets the following requirements:

- a) The person is an Employee, and
- b) The person's customary period of Employment is more than twenty (20) hours per week.

Any eligible Employee may enroll in the Plan as of the Enrollment Date of any Offering by filing timely written notice of such participation, subject to the following provisions:

- (i) In order to enroll in the Plan initially, an eligible Employee must complete, sign and submit to the Company the following forms:

(A) Payroll Deduction Authorization Form Must be received by the Company at least fifteen (15) days prior to the Enrollment Date of an Offering to be effective for that Offering.

(B) ESPP New Account Form This form must accompany the Payroll Deduction Authorization Form submitted for enrollment in the Plan. An ESPP New Account Form must be received by the Company at least fifteen (15) days prior to the Enrollment Date of an Offering to be effective for that Offering.

(ii) A Participant in an ongoing Offering may elect as of any Enrollment Date to enroll in the new Offering commencing on that Enrollment Date by filing a Payroll Deduction Authorization Form making such election prior to 4:00 p.m. Pacific Time on the Enrollment Date. An election by a current Participant to enroll in a new Offering shall constitute a withdrawal, effective as of such Enrollment Date, from the ongoing Offering and simultaneous reenrollment in the new Offering. A reenrollment shall not affect the purchase of Shares under the ongoing Offering occurring on the Purchase Date immediately preceding the Enrollment Date. A Participant may make an ongoing

A-1

election to reenroll on any Enrollment Date as of which the fair market value of the Shares for purposes of Section VI is less than it was as of the Enrollment Date for the Offering in which the Participant is currently participating. Unless otherwise specified by the Participant, any such ongoing reenrollment election shall be subject to revocation; provided, however, that to be effective to prevent reenrollment on any Enrollment Date, such revocation must be received by the Company prior to 4:00 p.m. Pacific Time on the Enrollment Date.

(iii) Absent withdrawal from the Plan pursuant to Section VII, a Participant will automatically be re-enrolled in the Offering commencing on the Enrollment Date immediately following the expiration of the Offering of which that person is then a Participant.

A Participant shall become ineligible to participate in the Plan and shall cease to be a Participant when the Participant ceases to meet the eligibility requirements as defined above.

Limitations on Participation

No Employee may obtain a right to purchase Shares under the Plan if, immediately after the right is granted, the Employee owns or is deemed to own Shares possessing five percent (5%) or more of the combined voting power or value of all classes of stock of the Company or any parent or subsidiary of the Company. For purposes of determining share ownership, the rules of Section 425(d) of the Code shall apply and Shares that the Employee may purchase under any options or rights to purchase, whether or not Vested, shall be treated as Shares owned by the Employee.

No Employee may obtain a right to purchase Shares under the Plan that permits the Employee's rights to purchase Shares under the Plan and any other employee stock purchase plan within the meaning of Section 423 of the Code of the Company or any parent or subsidiary of the Company to accrue at a rate which exceeds \$25,000 in fair market value of Shares (determined as of the Enrollment Date) for each calendar year of the Offering. This section shall be interpreted to permit an Employee to purchase the maximum number of Shares permitted under Section 423(b)(8) of the Code and regulations and interpretations adopted thereunder.

The maximum number of Shares that an Employee may purchase in an Offering shall not exceed 10,000 shares, no more than one-third of which may be purchased on any Purchase Date with respect to that Offering.

Voluntary Participation

Participation in the Plan shall be strictly voluntary.

IV. PAYROLL DEDUCTIONS

Payroll Deduction Authorization

An Employee may contribute to the Plan only by means of payroll deductions. A Payroll Deduction Authorization Form must be filed with the Company's stock administrator at least fifteen (15) days prior to the Enrollment Date as of which the payroll deductions are to take effect.

Amount of Deductions

A Participant may specify that the person desires to make contributions to the Plan at a rate not less than 1% and not more than 10% of the Compensation paid to the Participant during each pay period in the Offering, or other such minimum or maximum percentages as the Plan Administrator shall establish from time to time. Such specification shall apply during any period of continuous participation in the Plan, unless otherwise modified or terminated as provided in this Section IV or as otherwise provided in the Plan. If a payroll deduction cannot be made in whole or in

part because the Participant's pay for the period in question is insufficient to fund the deduction after having first withheld all other amounts deductible from that person's

A-2

pay, the amount that was not withheld cannot be made up by the Participant nor will it be withheld from subsequent pay checks.

Commencement of Deductions

Payroll deductions for a Participant shall commence on the Enrollment Date of the Offering for which that person's Payroll Deduction Authorization Form is effective and shall continue indefinitely, unless modified or terminated as provided in this Section IV or as otherwise provided in the Plan.

Accounts

All payroll deductions made for a Participant shall be credited to his or her Account under the Plan. Following each Purchase Date, the Plan Administrator shall promptly deliver a report to each Participant setting forth the aggregate payroll deductions credited to such Participant's Account during the preceding six months and the number of Shares purchased and delivered to the Custodian for deposit into the Participant's Custodial Account.

Modification of Authorized Deductions

A Participant may, prior to the commencement of each Offering in which that person will be a Participant, and not more than three times during each Offering, increase or decrease the amount of that person's payroll deduction effective for all applicable payroll periods, by completing an amended Payroll Deduction Authorization Form and filing it with the Company's stock administrator in accordance with this Section IV.

A Participant may at any time discontinue the Participant's payroll deductions, without withdrawing from the Plan, by completing an amended Payroll Deduction Authorization Form and filing it with the Company's stock administrator. Previous payroll deductions will then be retained in the Participant's Account for application to purchase Shares on the next Purchase Date, after which the Participant's participation in the Offering and in the Plan will terminate unless the participant has timely filed another Payroll Deduction Authorization Form to resume payroll deductions.

For purposes of the above, an amended Payroll Deduction Authorization form shall be effective for a specific pay period when filed 15 days prior to the last day of such payroll period.

V. CUSTODY OF SHARES

Delivery and Custody of Shares

Shares purchased pursuant to the Plan shall be delivered to and held by the Custodian.

Custodial Account

As soon as practicable after each Purchase Date, the Company shall deliver to the Custodian the full Shares purchased for each Participant's Account. The Shares will be held in a Custodial Account specifically established for this purpose. An Employee must open a Custodial Account with the Custodian in order to be eligible to purchase Shares under the Plan. In order to open a Custodial Account, the Participant must complete an ESPP New Account Form and file it with the stock administrator no later than fifteen (15) days prior to the Enrollment Date of the Offering as of which the enrollment is to take effect; provided, however, that an ESPP New Account Form that effects a change in the status of the Custodial Account may be filed at any time during participation in the Plan.

Transfer of Shares

Upon receipt of appropriate instructions from a Participant on forms provided for that purpose, the Custodian will transfer into the Participant's own name all or part of the Shares held in the Participant's Custodial Account and deliver such Shares to the Participant.

A-3

Statements

The Custodian will deliver to each Participant a semi-annual statement showing the activity of the Participant's Custodial Account and the balance as to both Shares and cash. Participants will be furnished such other reports and statements, and at such intervals, as the Custodian and Plan Administrator shall determine from time to time.

VI. PURCHASE OF SHARES

Purchase of Shares

Subject to the limitations of Section VII, on each Purchase Date in an Offering, the Company shall apply the amount credited to each Participant's Account to the purchase of as many full Shares that may be purchased with such amount at the price set forth in this Section VI, and shall promptly deliver such Shares to the Custodian for deposit into the Participant's Custodial Account. Payment for Shares purchased under the Plan will be made only through payroll withholding deductions in accordance with Section IV.

Price

The price of Shares to be purchased on any Purchase Date shall be the lower of:

- (a) Eighty-five percent (85%) of the fair market value of the Shares on the Enrollment Date of the Offering; or
- (b) Eighty-five percent (85%) of the fair market value of the Shares on the Purchase Date.

Fair Market Value

The fair market value of the Shares on any date shall be equal to the closing trade price of such shares on the Valuation Date, as reported on the NASDAQ National Market System or such other quotation system that supersedes it.

Unused Contributions

Any amount credited to a Participant's Account and remaining therein immediately after a Purchase Date because it was less than the amount required to purchase a full Share shall be carried forward in such Participant's Account for application on the next succeeding Purchase Date.

VII. TERMINATION AND WITHDRAWAL

Termination of Employment

Upon termination of a Participant's Employment for any reason other than death, Retirement or Disability, the payroll deductions credited to such Participant's Account shall be returned to the Participant. A Participant shall have no right to accrue Shares upon termination of the person's Employment.

Termination upon Death, Retirement or Disability

Upon termination of the Participant's Employment because of that person's death, Retirement or Disability, the payroll deductions credited to that person's Account shall be used to purchase Shares as provided in Section VI on the next Purchase Date. Any remaining balance in the Participant's Account shall be returned to that person or, in the case of death, any Shares purchased and any remaining balance shall be transferred to the deceased Participant's

Beneficiary, or if none, to that person's estate.

Designation of Beneficiary

Each Participant may designate, revoke, and redesignate Beneficiaries. All changes to designation of Beneficiary shall be in writing and will be effective upon delivery to the Plan Administrator.

A-4

Withdrawal

A Participant may withdraw the entire amount credited to that individual's Account under the Plan and thereby terminate participation in the current Offering at any time by giving written notice to the Company, but in no case may a Participant withdraw accounts within the 15 days immediately preceding a Purchase Date for the Offering. Any amount withdrawn shall be paid to the Participant promptly after receipt of proper notice of withdrawal and no further payroll deductions shall be made from the person's Compensation unless a Payroll Deduction Authorization Form directing further deductions is or has been submitted.

Status of Custodial Account

Upon termination of a Participant's Employment for any reason other than death, the Participant may,

(a) Elect to retain with the Custodian the Shares held in the Participant's Custodial Account. The Participant will bear the cost of any annual fees resulting from maintaining such an account.

(b) Request issuance of the Shares held in the Participant's Custodial Account by submitting to the Custodian the appropriate forms provided for that purpose.

Upon termination of a Participant's Employment as a result of death, any Shares held by the Custodian for the Participant's Account shall be transferred to the person(s) entitled thereto under the laws of the state of domicile of the Participant upon a proper showing of authority.

VIII. SHARES PURCHASED UNDER THE PLAN

Source and Limitation of Shares

The Company has reserved for sale under the Plan 1,500,000 shares of common stock, subject to adjustment upon changes in capitalization of the Company as provided in Section X. Shares sold under the Plan may be newly issued Shares or Shares reacquired in private transactions or open market purchases, but all Shares sold under the Plan regardless of source shall be counted against the 1,500,000 Share limitation.

If there is an insufficient number of Shares to permit the full exercise of all existing rights to purchase Shares, or if the legal obligations of the Company prohibit the issuance of all Shares purchasable upon the full exercise of such rights, the Plan Administrator shall make a pro rata allocation of the Shares remaining available in as nearly a uniform and equitable manner as possible, based pro rata on the aggregate amounts then credited to each Participant's Account. In such event, payroll deductions to be made shall be reduced accordingly and the Plan Administrator shall give written notice of such reduction to each Participant affected thereby. Any amount remaining in a Participant's Account immediately after all available Shares have been purchased will be promptly remitted to such Participant. Determination by the Plan Administrator in this regard shall be final, binding and conclusive on all persons. No deductions shall be permitted under the Plan at any time when no Shares are available.

Delivery of Shares

As promptly as practicable after each Purchase Date, the Company shall deliver to the Custodian the full Shares purchased for each Participant's Account.

Interest in Shares

The rights to purchase Shares granted pursuant to this Plan will in all respects be subject to the terms and conditions of the Plan, as interpreted by the Plan Administrator from time to time. The Participant shall have no interest in Shares purchasable under the Plan until payment for the Shares has been completed at the close of business on the relevant Purchase Date. The Plan provides only an unfunded, unsecured promise by the Company to pay money or property in the future. Except with respect to the Shares purchased on a Purchase Date, an Employee choosing to participate in the Plan shall have no greater rights than an unsecured creditor of the Company. After the purchase of Shares, the Participant shall be entitled to all rights of a shareholder of the Company.

A-5

IX. ADMINISTRATION

Plan Administrator

At the discretion of the Board of Directors, the Plan shall be administered by the Board of Directors or by a Committee appointed by the Board of Directors. Each member of the Committee shall be a director, an officer or an Employee of the Company. Each member shall serve for a term commencing on a date specified by the Board of Directors and continuing until that person dies, resigns or is removed by the Board of Directors.

Powers

The Plan Administrator shall be vested with full authority to make, administer and interpret the rules and regulations as it deems necessary to administer the Plan. Any determination, decision or act of the Plan Administrator with respect to any action in connection with the construction, interpretation, administration or application of the Plan shall be final, binding and conclusive upon all Participants and any and all other persons claiming under or through any Participant. The provisions of the Plan shall be construed in a manner consistent with the requirements of Section 423 of the Code.

X. CHANGES IN CAPITALIZATION, MERGER, ETC.

Rights of the Company

The grant of a right to purchase Shares pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or other changes in its capital or business structure or to merge, consolidate or dissolve, liquidate or transfer all or any part of its divisions, subsidiaries, business or assets.

Recapitalization

Subject to any required action by shareholders, the number of Shares covered by the Plan as provided in Section VIII and the price per Share shall be proportionately adjusted for any increase or decrease in the number of issued Shares of the Company resulting from a subdivision or consolidation of Shares or the payment of a stock dividend or any other increase or decrease in the number of such Shares effected without receipt or payment of consideration by the Company.

Consolidation or Merger

In the event of the consolidation or merger of the Company with or into any other business entity, or sale by the Company of substantially all of its assets, the successor may at its discretion continue the Plan by adopting the same by resolution of its Board of Directors or agreement of its partners or proprietors or substitute an equivalent Plan therefor. If the successor refuses to continue or substitute for the Plan, the Plan Administrator will shorten the Offering to a specified date before the proposed consolidation, merger or sale. Similarly, in the event of a liquidation or dissolution of the Company, the Plan Administrator will shorten the Offering to a specified date before the proposed liquidation or dissolution.

XI. TERMINATION OF EMPLOYMENT

Vacation, Leave or Layoff

A person's Employment shall not terminate on account of an authorized leave of absence, sick leave or vacation, or on account of a military leave described in this Section XI, or a direct transfer between Employers. Failure to return to work upon expiration of any leave of absence, sick leave or vacation shall be considered a resignation effective as of the expiration of such leave of absence, sick leave or vacation.

A-6

Military Leave

Any Employee who leaves the Employer directly to perform services in the Armed Forces of the United States or in the United States Public Health Service under conditions entitling the Employee to reemployment rights provided by the laws of the United States, shall be on military leave. An Employee's military leave shall expire if the Employee voluntarily resigns from the Employer during the leave or if that person fails to make an application for reemployment within a period specified by such law for preservation of employment rights. In such event, the individual's Employment shall terminate by resignation on the day the military leave expires.

XII. SHAREHOLDER APPROVAL AND RULINGS

The Plan is expressly made subject to (a) the approval of the Plan within twelve (12) months after the Plan is adopted by the shareholders of the Company and (b) at the Company's election, to the receipt by the Company from the Internal Revenue Service of a ruling in scope and content satisfactory to counsel to the Company, affirming qualification of the Plan within the meaning of Section 423 of the Code. If the Plan is not so approved by the shareholders within 12 months after the date the Plan is adopted and if, at the election of the Company a ruling from the Internal Revenue Service is sought but not received on or before one year after this Plan's adoption by the Board of Directors, this Plan shall not come into effect. In that case, the Account of each Participant shall forthwith be paid to the Participant.

XIII. MISCELLANEOUS PROVISIONS

Amendment and Termination of the Plan

The Board of Directors of the Company may at any time amend the Plan. Except as otherwise provided herein, no amendment may adversely affect or change any right to purchase Shares without prior approval of the shareholders of the Company if the amendment would:

- (i) Permit the sale of more Shares than are authorized under Section VIII;
- (ii) Permit the sale of Shares to employees of entities which are not Employers;
- (iii) Materially increase the benefits accruing to Participants under the Plan; or
- (iv) Materially modify the requirements as to eligibility for participation in the Plan.

The Plan is intended to be a permanent program, but the Company reserves the right to declare the Plan terminated at any time. Upon such termination, amounts credited to the Accounts of the Participants with respect to whom the Plan has been terminated shall be returned to such Participants.

Non-transferability

Neither payroll deductions credited to a Participant's Account nor any rights with regard to the purchase of Shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way by the Participant except as provided in Section VII, and any attempted assignment, transfer, pledge, or other disposition shall be null and void. The Company may treat any such act as an election to withdraw funds in accordance with Section VII.

Use of Funds

All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purposes and the Company shall not be obligated to segregate the payroll deductions.

Expenses

All expenses of administering the Plan shall be borne by the Company. The Company will not pay expenses, commissions or taxes incurred in connection with sales of Shares by the Custodian at the request of

A-7

a Participant. Expenses to be paid by a Participant will be deducted from the proceeds of sale prior to remittance.

Tax Withholding

Each Participant who has purchased Shares under the Plan shall immediately upon notification of the amount due, if any, pay to the Employer in cash amounts necessary to satisfy any applicable federal, state and local tax withholding determined by the Employer to be required. If the Employer determines that additional withholding is required beyond any amounts deposited at the time of purchase, the Participant shall pay such amount to the Employer on demand. If the Participant fails to pay the amount demanded, the Employer may withhold that amount from other amounts payable by the Employer to the Participant, including salary, subject to applicable law.

No Interest

No Participant shall be entitled, at any time, to any payment or credit for interest with respect to or on the payroll deductions contemplated herein, or on any other assets held hereunder for the Participant's Account.

Registration and Qualification of Shares

The offering of Shares hereunder shall be subject to the effecting by the Company of any registration or qualification of the Shares under any federal or state law or the obtaining of the consent or approval of any governmental regulatory body which the Company shall determine, in its sole discretion, is necessary or desirable as a condition to, or in connection with, the offering or the issue or purchase of the Shares covered thereby. The Company shall make every reasonable effort to effect such registration or qualification or to obtain such consent or approval.

Responsibility and Indemnity

Neither the Company, its Board of Directors, the Custodian, nor any member, officer, agent or employee of any of them, shall be liable to any Participant under the Plan for any mistake of judgment or for any omission or wrongful act unless resulting from gross negligence, willful misconduct or intentional misfeasance. The Company will indemnify and save harmless its Board of Directors, the Custodian and any such member, officer, agent or employee against any claim, loss, liability or expense arising out of the Plan, except such as may result from the gross negligence, willful misconduct or intentional misfeasance of such entity or person.

Plan Not a Contract of Employment

The Plan is strictly a voluntary undertaking on the part of the Employer and shall not constitute a contract between the Employer and any Employee, or consideration for or an inducement or a condition of employment of an Employee. Except as otherwise required by law, or any applicable collective bargaining agreement, nothing contained in the Plan shall give any Employee the right to be retained in the service of the Employer or to interfere with or restrict the right of the Employer, which is hereby expressly reserved, to discharge or retire any Employee at any time, with or without cause and with or without notice. Except as otherwise required by law, inclusion under the Plan will not give any Employee any right or claim to any benefit hereunder except to the extent such right has specifically become fixed under the terms of the Plan. The doctrine of substantial performance shall have no application to any Employee, Participant, or Beneficiary. Each condition and provision, including numerical items, has been carefully considered and constitutes the minimum limit on performance which will give rise to the applicable right.

Service of Process

The Secretary of the Company is hereby designated agent for service or legal process on the Plan.

Notice

All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received by the Plan Administrator. Any notice required by the Plan to be received by the Company prior to an Enrollment Date, payroll period or other specified date, and received by the Plan Administrator subsequent to such date shall be effective on the next occurring Enrollment Date, payroll period or other specified date to which such notice applies.

Governing Law

The Plan shall be interpreted, administered and enforced in accordance with the Code, and the rights of Participants, former Participants, Beneficiaries and all other persons shall be determined in accordance with it. To the extent state law is applicable, the laws of the State of Washington shall apply.
