Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On March 18, 2008, the Compensation Committee (the "Compensation Committee") of the Board of Directors of Avid Technology, Inc. (the "Company") approved the terms of the Company's 2008 Executive Bonus Plan (the "Bonus Plan"). The Compensation Committee will administer and have final authority on all matters relating to the Bonus Plan. All of the Company's executive officers, with limited exceptions, are eligible to participate in the Bonus Plan. Each participant must be employed by the Company as of December 31, 2008 in order to receive a bonus, if any, under the Bonus Plan.

Under the Bonus Plan, each participant is assigned a target bonus amount that is equal to a percentage of the actual base salary paid to him or her in 2008. These percentages are set forth in each participant's employment agreement with the Company and vary among participants within the range of 40%-100%.

The bonus payout for each participant will be based on the financial performance of the Company, the financial performance of each participant's business unit and the participant's personal performance relative to a set of defined goals specific to that participant. The preceding components have been assigned weights for purposes of calculating bonus payouts, as set forth below:

Component	Weight
Company and Business Unit financial performance	80%
Participant's personal performance	20%

The financial performance of the Company and the business units will be evaluated in terms of revenue and operating profit. Key areas for the personal performance objectives include, among other things, improved financial metrics, product deliveries and improved customer satisfaction objectives.

The Company's performance and each business unit's performance relative to their respective revenue and operating profit objectives and each participant's performance relative to each of his or her personal goals will be scored based on criteria that have been established by the Compensation Committee. Scores may range from 0.00 to 1.35, with a score of 1.00 representing a target performance level. These scores will be used in a weighted average formula to calculate each participant's overall bonus score, which will be multiplied by each participant's target bonus amount to determine his or her actual bonus payout for 2008. Each participant may earn up to 135% of his or her target bonus amount under the Bonus Plan. Bonuses, if any, are expected to be determined and paid in the first quarter of 2009 after the Company files its Annual Report on Form 10-K with the Securities and Exchange Commission, but in no event later than December 31, 2009.

Notwithstanding the preceding, if the Company fails to achieve at least 50% of its target operating profit under the Bonus Plan, all bonus payouts will be reduced to zero. Also, the Compensation Committee may, in its discretion, approve additional bonuses to participants based on performance or provide participants additional incentives.

The preceding description of the Bonus Plan is qualified in its entirety by reference to the full text of the Bonus Plan, which is attached as Exhibit 10.1 hereto.
