Item 1.02. Termination of a Material Definitive Agreement.

Effective November 15, 2007, the Company finalized a Lease Termination Agreement with IRET--Plymouth, LLC, the landlord under the lease for the Company's corporate headquarters in Plymouth, Minnesota (the "Lease"). Pursuant to the Lease Termination Agreement, the Company will vacate all of its existing space on or before July 31, 2008, the Lease will then terminate, and the Company will receive payment from the landlord of an early termination fee in the amount of \$400,000. The Lease was scheduled to expire on January 14, 2010, and the landlord requested the Company to agree to an early termination so the space could be leased to another tenant in the building. The Company has been expecting to relocate upon the expiration of the Lease, and agreed to terminate the Lease early in exchange for payment of the early termination fee, and because the Company expects that it can find suitable space in the same general area for less cost than under the current Lease.
