PROPOSAL 1

ELECTION OF DIRECTORS

Edgar Filing: WILD OATS MARKETS INC - Form DEF 14A

The Company's Amended and Restated Certificate of Incorporation and Bylaws provide that the Board of Directors shall be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors, with each class having a three-year term. Vacancies on the Board may be filled by persons elected by a majority of the remaining directors. A director appointed by the Board to fill a vacancy (including a vacancy created by an increase in the Board of Directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. PROPOSAL 2

AMENDMENT TO THE WILD OATS MARKETS, INC.
EMPLOYEE STOCK PURCHASE PLAN
TO INCREASE BY 500,000 SHARES THE NUMBER OF SHARES OF COMMON STOCK
RESERVED THEREUNDER FOR PURCHASE BY
THE COMPANY'S EMPLOYEES

In August 1996 the Company adopted the Wild Oats Markets, Inc. Employee Stock Purchase Plan ("ESPP") under which the Company may, from time to time, issue stock reserved for purchase by employees pursuant to the ESPP. As of March 19, 2001, 19,004 shares remained available for purchase under the ESPP. Effective January 29, 2001, the Board suspended participation in the ESPP until such time as the Company's shareholders approve an amendment to increase the number of shares of Common Stock reserved for purchase by the Company's employees under

Edgar Filing: WILD OATS MARKETS INC - Form DEF 14A

the ESPP.

ESPP DESCRIPTION

Participation in the ESPP is limited to employees of the Company. The Board believes participation in the ESPP is important as an incentive to employees to take an active role in improving the Company's performance and to encourage employee ownership of the Company's stock. The Board further believes that the ESPP is an important benefit to offer in recruiting and retaining managerial staff. Pursuant to the ESPP, the Company's employees can withhold up to 15% of their salary toward semiannual purchases of Common Stock at a per-share purchase price equal to 85% of the lower of the closing price per share of the Common Stock on the NASDAQ Market as of the beginning or end of each semiannual period. At the ESPP's inception in 1996, 260,453 shares (on a post-split basis adjusted for stock splits in December 1999 and January 1998) of Common Stock were reserved for issuance under the ESPP. Lower stock prices during the last two purchase periods, as well as increased employee participation in the ESPP resulted in greater than expected numbers of shares being purchased from the reserved ESPP shares. The Company believes that if the proposed amendment is passed, the Company will have sufficient shares for employee purchases under the ESPP for the next three to five years, depending on the Company's stock price. As of December 30, 2000, 553 employees participated in the ESPP. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to adopt the amendment to the ESPP.

THE BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF PROPOSAL 2.

PROPOSAL 3

RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

The Board of Directors has selected PricewaterhouseCoopers LLP as the Company's independent accountants for the fiscal year ending December 29, 2001 and has further directed that management submit the selection of independent accountants for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP has audited the Company's financial statements since 1991. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent accountants is not required by the Company's by-laws or otherwise. However, the Board is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of different independent accountants at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP.

AUDIT FEES

Edgar Filing: WILD OATS MARKETS INC - Form DEF 14A

The aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ending December 30, 2000 and the reviews of the financial statements included in the Company's quarterly reports on Form 10-Q for the fiscal year ending December 30, 2000 was \$142,500.

FINANCIAL INFORMATION SYSTEM DESIGN AND IMPLEMENTATION FEES

Paragraph (c) (4) of Rule 2-01 of Regulation S-X describes certain services that include designing or implementing a hardware or software system that aggregates source data underlying the financial statements or generates information that is significant to the audit client's financial statements taken as a whole. There were no fees billed for these or the other types of professional services described in Paragraph (c) (4) of Rule 2-01 of Regulation S-X rendered by the principal accountant, PricewaterhouseCoopers LLP, for the fiscal year ending December 30, 2000.

ALL OTHER FEES

The aggregate fees billed for services rendered by the principal accountant, other than the audit services covered above, for the fiscal year ending December 30, 2000, was \$33,523. The Audit Committee has considered whether the provision of these services is compatible with the maintenance of the independence of PricewaterhouseCoopers, LLP and has determined that their independence is not undermined.

THE BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF PROPOSAL 3.

Officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Elizabeth C. Cook and Michael C. Gilliland each filed two late reports, each relating to stock purchases by Mr. Gilliland. Mary Beth Lewis filed a late report for purchases made in November 2000. REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee (the "Committee") is currently comprised of three non-employee directors: Messrs. Chamberlain, Devine, and McElwee. The Committee is responsible for setting and administering the policies which govern executive salaries, bonuses (if any) and stock ownership programs. The Committee annually evaluates the performance and determines the compensation of the Chief Executive

Edgar Filing: WILD OATS MARKETS INC - Form DEF 14A

Officer (the "CEO") and the other executive officers of the Company, based upon a mix of the achievement of corporate goals, individual performance and comparisons with other independent grocers and retail companies.

The policies of the Company with respect to compensation of executive officers, including the CEO, are to provide compensation sufficient to attract, motivate and retain executives of outstanding ability and potential and to establish an appropriate relationship between executive compensation and the creation of stockholder value. To meet these goals, the Committee adopted a mix among the compensation elements of salary, bonus and stock options, with a bias toward stock options, to emphasize the link between executive incentives and the creation of stockholder value as measured by the equity markets. In general for fiscal 2000, the salaries, bonuses and stock option awards of executive officers were linked to the Company's achievement of corporate performance criteria with respect to public company matters and Company growth, as well as individual performance goals. A cash bonus of \$25,000 was awarded by the Board to one executive officer for 2000 performance, and merit grants of stock options exercisable for 337,400 shares of Common Stock were made to executive officers for 2000 performance.

BASE SALARY

Base salaries for all executive officers of the Company were established at or below the mid-point of the range for similar sized companies, based on sales revenues, included in the compensation surveys considered by the Committee. Surveys considered include industry surveys prepared by retail trade organizations in the grocery industry, regional compensation surveys for Colorado, where the Company's headquarters are located, and surveys of compensation levels disclosed in comparable companies' proxy disclosures on management compensation. In establishing such salaries, the Committee also considers each officer's level of industry experience, individual achievement and overall contribution to the achievement of corporate objectives.

BONUSES

For fiscal 2000, a \$25,000 cash bonus was awarded to one executive officer of the Company. In 2000, the Board established compensation plans for each executive of the Company under which the executive may receive a bonus equal to a certain percentage of his or her base compensation for achieving certain goals determined by the Board in conjunction with the CEO and the executive. All executive bonuses are conditioned upon the Company achieving certain overall financial goals.

EQUITY INCENTIVE PLAN

The Plan has been established to provide all employees of the Company with an opportunity to share, along with stockholders of the Company, in the long-term performance of the Company. Periodic grants of stock options are generally made to managerial-level and other eligible employees. Subsequent to the adoption of the Company's 1996 Equity Incentive Plan, these grants have been reviewed by the Compensation Committee on a quarterly basis. As the base salaries for executive officers of the Company historically have been below the mid-point of the range for comparable companies, the Company has used stock options as the primary incentive to attract and retain its executive officers who are not significant stockholders of the Company. The Committee views the award of stock options as a valuable tool for long-term retention of executives and alignment of executives with shareholder interests. In awarding stock options, the Board considers individual performance and overall contribution to the Company and also considers the number of unvested stock options held by the officer and the total number of stock options available to be awarded under the Plan. The Committee also considers the stock option practices of a self-selected group of other independent grocers and other retail companies. The Committee awarded incentive

Edgar Filing: WILD OATS MARKETS INC - Form DEF 14A

stock options exercisable for 337,400 shares of Common Stock to 16 executive officers for 2000 performance.

CEO COMPENSATION

Mr. Gilliland's base salary was determined in accordance with the criteria described above. Mr. Gilliland's annual salary for 2000 remained at \$250,000, the level set in 1997. In reviewing Mr. Gilliland's salary level, the Committee considered appropriate formal salary surveys for the chief executive officers of independent grocers and other retail companies, informal surveys of management compensation contained in proxy disclosures of comparably-sized retail companies, the Company's historical position and the recommendation of senior management. Mr. Gilliland's salary was at the lower end of the range for companies of similar size, based on sales revenues, reflecting the Committee's desire to conserve the Company's financial resources. No stock option grants were awarded to Mr. Gilliland for 2000 performance. Mr. Gilliland received a performance based award of stock options in May 2000 for 1999 performance. See-"Compensation of Executive Officers" - Option Grant for 2000 - Footnote 1. For 2000 performance, the Compensation Committee determined that Mr. Gilliland failed to satisfy the performance objectives set by the Board and therefor was not eligible to receive a bonus or stock option award.

SECTION 162(m) OF THE INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code (the "Code") limits the Company to a deduction for Federal income tax purposes of no more than \$1 million of compensation paid to certain Named Executive Officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation" within the meaning of the Code. Options granted pursuant to the Company's Equity Incentive Plan are intended to satisfy the requirements for the "performance-based compensation" exemption. As a result and at the present time, the Board does not believe that the compensation paid to any Named Executive Officer in a taxable year which is subject to the deduction limit will exceed \$1 million. The Board has not yet established a policy for determining whether forms of incentive compensation, other than stock options, awarded to its Named Executive Officers will be designed to qualify as "performance-based compensation." The Board will continue to evaluate the effects of the statute and to comply with Code section 162(m) in the future to the extent consistent with the best interests of the Company.

Mr. Gilliland and Ms. Cook each own part interest in Pretty Good Groceries LLC, a Colorado limited liability company ("PGG"), which operates two grocery stores in Boulder, Colorado. PGG purchases certain items through the Company's volume discount programs with its distributors, for which PGG pays the Company the cost of such items on a monthly basis. The Company does not receive any profit from the purchase of such items by PGG.

Ms. Cook and Mr. Gilliland are trustees of Wild Oats Community Foundation, a non-profit organization (the "Foundation"). In 1998 the Foundation opened the Wild Oats Wellness Centers in Boulder and Denver, Colorado in space subleased from the Company at rent rates equal to those paid by the Company to its landlords. In March of 2001, the operations of the Wellness Centers were transferred by the Foundation to third party operators, and the Company entered into new leases with such operators at rent rates equal to those paid by the Company under its leases. Through January 2001, the Company paid the Foundation, on a monthly basis, an amount per Company staff eligible to receive the Company's Wellness Benefit, in exchange for which the Foundation provided certain free wellness services to the Company's employees pursuant to the Company's Wellness Benefit program. The Company discontinued this program in February 2001.

Mr. Gilliland has an employment agreement with the Company. See "Executive Compensation -- Employment Agreements."

The Company has a note receivable made by Patrick Gilliland, brother of Michael C. Gilliland in the amount of \$63,251. The note matures in March 2005 and provides for monthly payment of principal and interest. Subsequent to December 30, 2000, the Company borrowed \$2.0 million from Ms. Cook and Mr. Gilliland. The loan has no maturity date and bears interest at 9%.

I. PURPOSE.

The primary purpose of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") in fulfilling its oversight responsibilities with respect to management's conduct of the Company's financial reporting process. The Committee's primary duties and responsibilities are to:

1. Monitor the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance.
2. Monitor the independence and performance of the Company's independent auditors and internal auditing department.
3. Provide an avenue of communication among the independent auditors, management, the internal auditing department and the Board.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and has the power to retain outside counsel, auditors or other experts for this purpose.

The Board and the Committee are in place to represent the Company's stockholders; accordingly, the outside auditor is ultimately accountable to the Board and the Committee.

The Committee shall review the adequacy of this Charter on an annual basis and shall submit the Charter to the Board for approval and have the document included as an appendix to the Company's proxy statement as required by applicable rules and regulations.

II. MEMBERSHIP.

The Committee shall be comprised of not less than three members of the Board, and the Committee's composition will meet the requirements of the Audit Committee Policy of the National Association of Securities Dealers (the "NASD").

Accordingly, all of the members of the Committee will be directors:

1. Each of whom shall be a person other than an officer or employee of the Company or its subsidiaries;
2. Who have no relationship to the Company that, in the opinion of the Board, may interfere with the exercise of their independence from management and the Company; and
3. Who have a basic understanding of finance and accounting and are able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement.

At least one member of the Committee shall have past employment experience in

finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that supports a conclusion that the individual has sufficient financial sophistication to satisfy the requirements of the NASD.

The members of the Committee shall be elected by the Board at the annual meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a chair is elected by the Board, the members of the Committee may designate a chair by majority vote of the full Committee membership.

III. RESPONSIBILITIES AND DUTIES.

The Committee's job is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the outside auditor is responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management including the internal audit staff, as well as the outside auditor, have more time, knowledge and more detailed information on the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances. The responsibilities and duties of a member of the Committee are in addition to those duties set out for a member of the Board.

1. The Committee shall provide an open avenue of communication between the outside auditor, financial and senior management, the internal auditing department and the Board.
2. The Committee shall meet at least four times per year or more frequently as circumstances require. The Committee may ask members of management or others to attend the meeting and provide pertinent information as necessary.
3. The Committee shall meet at least annually with the director of internal auditing, the outside auditor, and management in separate executive sessions to discuss any matters that the Committee or these groups believe should be discussed privately with the Committee.
4. The Committee shall review with management and the outside auditor the audited financial statements to be included in the Company's Annual Report on Form 10-K (or the Annual Report to Stockholders if distributed prior to the filing of Form 10-K) and review and consider with the outside auditor the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61.
5. As a whole, or through the Committee chair, the Committee shall review with the outside auditor the Company's interim financial results to be included in the Company's quarterly reports to be filed with Securities and Exchange Commission and the matters required to be discussed by SAS No. 61; this review will occur prior to the Company's filing of the Form 10-Q.
6. The Committee shall discuss with management and the outside auditor the quality and adequacy of the Company's internal controls.

8. The Committee, subject to any action that may be taken by the full Board, shall have the ultimate authority and responsibility to select (or nominate for stockholder approval), evaluate and, where appropriate, replace the outside auditor.

13. Review activities, organizational structure and qualifications of the Company's internal audit department.
14. On at least an annual basis, review with the Company's counsel any legal matters that could have a significant impact on the Company's financial statements, the Company's compliance with applicable laws and regulations, and inquiries received from regulators or governmental agencies.
15. Review all reports concerning any fraud or regulatory noncompliance that occurs at the Company. This review should include consideration of the internal controls that should be strengthened to reduce the risk of a similar event in the future.
