ITEM 4. PURPOSE OF TRANSACTION

The Fund originally acquired Shares for investment in the ordinary course of business because the Reporting Persons believed that the Shares, when purchased, were substantially undervalued and represented an attractive investment opportunity. If the Reporting Persons remain unsatisfied with the performance of the Issuer and the value of the Shares, they may, among other things:

- (i) communicate with other shareholders of the Issuer, or other persons, regarding the composition of the Issuer's board of directors and management,
- (ii) seek to cause the Issuer to merge with or into, consolidate with, transfer all or substantially all of its assets to, or otherwise engage in any business combination or transaction (including the sale of certain assets) with, one or more other parties, and communicate with such other parties,
- (iii) perform a strategic review of the Issuer's operations (including its relationship with Ford Motor Company) with a view to optimizing such operations, transferring individual assets and/or reducing the Issuer's currently outstanding debt,
- (iv) solicit proxies from other shareholders to be used to seek the election of one or more nominees of the Reporting Persons and/or
- (v) take other actions which the Reporting Persons believe to be appropriate.

Except as set forth herein or as would occur upon completion of any of the actions discussed herein, the Reporting Persons have no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D. The Reporting Persons intend to review the Fund's investment in the Issuer on a continuing basis and may engage in discussions with management, the Board of Directors, other shareholders of the Issuer and other relevant parties concerning the business, operations, board
