Item 8.01.

As previously disclosed, on March 26, 2012, Biomet, Inc., or Biomet, entered into a Deferred Prosecution Agreement, or DPA, with the Department of Justice, or DOJ, and a Consent to Final Judgment, or Consent, with the Securities and Exchange Commission, or SEC, regarding an investigation regarding possible violations of the Foreign Corrupt Practices Act. Pursuant to the DPA, the DOJ agreed to defer prosecution of Biomet in connection with those matters, provided that Biomet satisfies its obligations under the DPA over the term of the DPA. The DPA had a three-year term and provided that it could be extended in the sole discretion of the DOJ for an additional year. Pursuant to the Consent, Biomet consented to the entry of a Final Judgment which, among other things, permanently enjoined Biomet from violating the provisions of the Foreign Corrupt Practices Act. In addition, pursuant to the terms of the DPA, an independent external compliance monitor was appointed to review Biomet's compliance with the DPA, particularly in relation to Biomet's international sales practices. The Consent Biomet entered into with the SEC mirrors the DPA's provisions with respect to the compliance monitor.

As further disclosed, in October 2013, Biomet became aware of certain alleged improprieties regarding its operations in Brazil and Mexico, including alleged improprieties that predated the entry of the DPA. Biomet retained counsel and other experts to investigate both matters. Based on the results of the ongoing investigations, Biomet has terminated, suspended or otherwise disciplined certain of the employees and executives involved in these

matters, and has taken certain other remedial measures. Additionally, pursuant to the terms of the DPA, in April 2014 and thereafter, Biomet disclosed these matters to and discussed these matters with the independent compliance monitor and the DOJ and SEC. On July 2, 2014, the SEC issued a subpoena to Biomet requiring that Biomet produce certain documents relating to such matters. These matters remain under investigation by the DOJ.

On March 13, 2015, the DOJ informed Biomet that the DPA and the independent compliance monitor's appointment have been extended for an additional year.

Pursuant to the DPA, the DOJ has sole discretion to determine whether conduct by Biomet constitutes a violation or breach of the DPA. The DOJ has informed Biomet that it retains its rights under the DPA to bring further action against Biomet relating to the conduct in Brazil and Mexico disclosed in 2014 or the violations set forth in the DPA. The DOJ could, among other things, revoke the DPA or prosecute Biomet and/or the involved employees and executives. Biomet continues to cooperate with the SEC and DOJ and expects that discussions with the SEC and the DOJ will continue.
