COMMAND TO RECEIVE \$2 MILLION IN SETTLEMENT WITH FAA

Lagrangeville, New York \*\*\* June 10, 2004 \*\*\* Command Security Corporation (OTCBB: CMMD) announced today that it has satisfactorily completed its negotiations with the FAA concerning the hold back by the FAA of \$2.9 million in payments due for pre-board screening at airports prior to federalization in 2002. The amount to be paid to Command is \$1.96 million.

William C. Vassell, President and CEO of Command, stated, "We expect to receive payment within the next few weeks. This settlement will significantly reduce the Company's indebtedness. Command's staff and its professionals have worked tirelessly over the past many months to make this settlement a reality and we are very pleased with the results."

Based on reserves previously taken, it is expected that the settlement will have a slightly positive impact on earnings for the fourth quarter ended March 31, 2004.
