Item 8.01. Other Events.

On June 25, 2018, Boyd Gaming Corporation (the "Company") issued \$700.0 million aggregate principal amount of 6.000% senior notes due 2026 (the "6.000% Notes"). The indenture governing the 6.000% Notes, which describe the terms of such notes (the "Indenture"), was included as Exhibit 4.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on June 25, 2018.

The 6.000% Notes are fully and unconditionally guaranteed by the Company's current and future Significant Subsidiaries (as defined in the Indenture)(the "Guarantors"). In connection with the issuance of the 6.000% Notes, the Company and the Guarantors entered into a registration rights agreement with the initial purchasers of the 6.000% Notes obligating the Company and the Guarantors to file a registration statement on Form S-4 (the "Registration Statement") with the SEC to register the exchange of the 6.000% Notes and related guarantees for registered notes and guarantees having substantially the same terms (the "Exchange Offer"). Accordingly, on or about the date hereof, we are filing the Registration Statement relating to the Exchange Offer.

In connection with the filing of the Registration Statement, the Company is currently subject to, and the new 6.000% Notes will become subject to, the requirements of Rule 3-10 of Regulation S-X, including the requirements regarding the filing of financial information of guarantors and issuers of guaranteed securities registered or being registered. As a result, the Company is filing this Current Report on Form 8-K (this "Current Report") for the purpose of updating (the "Updated Financial Statements") the Company's audited consolidated financial statements included in "Item 8. Financial Statements and Supplementary Data" in its Annual Report on Form 10-K for the fiscal year ended December 31, 2017, filed with the SEC on February 26, 2018 (the "2017 Form 10-K") and superseded by our Current Report on Form 8-K, filed with the SEC on June 18, 2018 (together with the 2017 Form 10-K, the "SEC Filings") to, among other things, revise Note 15, Condensed Consolidating Financial Information. The Condensed Consolidating Financial Information presented in Note 15 has been recast to reflect one of the Company's wholly owned subsidiaries as a non-guarantor of the 6.000% Notes and a guarantor of the Company's other senior notes.

The additional information included in the Updated Financial Statements summarizes financial information for the Company, the Guarantor Subsidiaries on a combined basis, and the non-guarantor subsidiaries on a combined basis, as required by Rule 3-10(d) of Regulation S-X. The Updated Financial Statements contained in this Current Report amend the SEC Filings and supersede the financial information included therein and are being provided herein solely to meet the requirements under Rule 3-10(d) of Regulation S-X. The Updated Financial Statements are filed as Exhibit 99.1 to this Current Report and are incorporated herein by reference.
