Re: Syscan Imaging, Inc. Form SB-2  
Registration Statement Filed on June 17, 2005  
FILE NO. 333-125915

Ladies and Gentlemen:

Pursuant to Rule 477 of Regulation C of the Securities Act of 1933, as amended (the "Securities Act"), Syscan Imaging, Inc., a Delaware corporation (the "Registrant"), hereby respectfully makes application to the Securities and Exchange Commission (the "Commission") to withdraw the above-referenced registration statement, together with all exhibits, amendments and supplements thereto (the "Registration Statement"), with such application to be approved effective as of the date hereof or at the earliest practical date thereafter. No securities were sold pursuant to this Registration Statement.

The Registration Statement was filed with the Commission on June 17, 2005. The Registration Statement was to be filed as an amendment to the Company's registration statement (registration no. 333-124313, but was incorrectly filed as an original SB-2 filing. After filing the Registration Statement, the Registrant was thereafter informed by the Commission that the amended filing was incorrectly filed as a new registration statement, and that its withdrawal was appropriate. Therefore, the Registrant is filing to withdraw the Registration Statement in order to comply with the Commission's request.
