PART II

INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

INDEMNIFICATION

Under the *Business Corporations Act* (Ontario), the Registrant may indemnify a present or former director or officer or person who acts or acted at the Registrant's request as a director or officer of another corporation of which the Registrant is or was a shareholder or creditor, and his heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him in respect of any civil, criminal or administrative action or proceeding to which he is made a party by reason of his being or having been a director or officer of the Registrant or body corporate and provided that the director or officer acted honestly and in good faith with a view to the best interest of the Registrant and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his conduct was lawful. Such indemnification may be made in connection with a derivative action only with court approval. A director is entitled to indemnification from the Registrant as a matter of right if he was substantially successful on the merits in his defense and fulfilled the conditions set forth above.

In accordance with the *Business Corporations Act* (Ontario), the by-laws of the Registrant indemnify a director or officer, a former director or officer, or a person who acts or acted at a Registrant's request as a director or officer of a corporation in which the Registrant is or was a shareholder or creditor against any and all losses and expenses reasonably incurred by him in respect of any civil, criminal, administrative action or proceeding to which he was made a party by reason of being or having been a director or officer of the Registrant or other corporation if he acted honestly and in good faith with a view to the best interests of the Registrant, or, in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, he had reasonable grounds in believing that his conduct was lawful.

A policy of directors' and officers' liability insurance is maintained by the Registrant which insures directors and officers for losses as a result of claims against the directors and officers of the Registrant in their capacity as directors and officers and also reimburses the Registrant for payments made pursuant to the indemnity provisions under the by-laws and the *Business Corporations Act* (Ontario).

Insofar as indemnification for liabilities under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy in the United States as expressed in the Securities Act of 1933 and is therefore unenforceable.
