RISK FACTORS

Our business is subject to uncertainties and risks. You should carefully consider and evaluate all of the information included and incorporated by reference in this prospectus, including the risk factors included in the prospectus supplement or incorporated by reference from our most recent annual report on Form 10-K, as updated by our quarterly reports on Form 10-Q and other SEC filings filed after such annual report. It is possible that our business, financial condition, liquidity or results of operations could be materially adversely affected by any of these risks.

USE OF PROCEEDS

Unless the applicable prospectus supplement indicates otherwise, we intend to use the net proceeds from any sale of the debt securities for general corporate purposes and/or to refinance outstanding indebtedness. CIT has not yet determined the amounts that we may use in connection with our business or that we may furnish to our subsidiaries.

Reference is made to our financial statements incorporated by reference herein for a description of the terms of our outstanding indebtedness.

DESCRIPTION OF DEBT SECURITIES

This section contains a description of the general terms and provisions of the debt securities that may be offered by this prospectus. We may issue senior debt securities under an indenture to be entered into between us and Wilmington Trust, National Association, as trustee. The senior debt securities indenture is referred to in this prospectus as the indenture . The indenture may be supplemented from time to time.

This prospectus briefly outlines some of the provisions of the indenture. The following summary of the material provisions of the indenture is qualified in its entirety by the provisions of the indenture, including definitions of certain terms used in the indenture. Wherever we refer to particular sections or defined terms of the indenture, those sections or defined terms are incorporated by reference in this prospectus or the applicable prospectus supplement. You should review the indenture that is filed as an exhibit to the registration statement of which this prospectus forms a part for additional information.

In addition, the material specific financial, legal and other terms as well as any material U.S. federal income tax consequences particular to securities of each series will be described in the prospectus supplement relating to the securities of that series. Such prospectus supplement may or may not modify the general terms found in this prospectus and will be filed with the SEC. For a complete description of the terms of a particular series of debt securities, you should read both this prospectus and the prospectus supplement relating to that particular series.

General

The indenture does not limit the amount of debt securities that we may issue under the indenture or otherwise. Under the indenture, we may issue the debt securities in one or more series with the same or various maturities, at par or a premium, or with original issue discount.

Unless otherwise specified in the prospectus supplement relating to the securities of any given series, the debt securities covered by this prospectus will be our direct unsecured obligations. Senior debt securities will rank equally with our other unsecured and unsubordinated indebtedness. Any of our secured indebtedness will rank ahead of the debt securities to the extent of the value of the assets securing such indebtedness.

We conduct a substantial portion of our operations primarily through our subsidiaries and our subsidiaries hold a substantial portion of our assets. Accordingly, our cash flow and our ability to meet our obligations under the debt securities will be largely dependent on the cash flow and earnings of our subsidiaries and the distribution or other payment of these cash flows and earnings to us in the form of dividends, loans or advances and repayment to us of loans and advances made to our subsidiaries by us. Our subsidiaries are separate and distinct legal entities and have no obligation to pay the amounts that will be due on our debt securities or to make any funds available for payment of amounts that will be due on our debt securities. Because we are a holding company, our obligations under our debt securities will be effectively subordinated to all existing and future liabilities of our subsidiaries. Therefore, our rights, and the rights of our creditors, including the rights of the holders of the debt securities, to participate in any distribution of assets of any of our subsidiaries, if such subsidiary were to be liquidated or reorganized, are subject to the prior claims of such subsidiary's creditors. To the extent that we may be a creditor with recognized claims against our subsidiaries, our claims will still be effectively subordinated to any security interest in, or mortgages or other liens on, the assets of the subsidiary that are senior to us.

The prospectus supplement relating to any series of debt securities being offered will include specific terms relating to the offering. These terms will include, among other terms, some or all of the following, as applicable:

For the purposes of this covenant described under the caption Negative Pledge, any contract by which title is retained as security (whether by lease, purchase, title retention agreement or otherwise) for the payment of a purchase price shall be deemed to be a purchase money Lien.

Nothing contained in this covenant described under the caption Negative Pledge or in the indenture shall prevent or be deemed to prohibit the creation, assumption or guaranty by CIT of any Indebtedness not secured by a Lien or the issuance by CIT of any debentures, notes or other evidences of Indebtedness not secured by a Lien, whether in the ordinary course of business or otherwise.

The entry by CIT into any contract, document, agreement or instrument (which shall include bank credit facilities, Rate Management Transactions and loan agreements), in the ordinary course of business or otherwise, which contract, document agreement or instrument may provide for or contain a right of set-off or other similar right between CIT and such other party to the contract, document agreement or instrument shall not result in, or be deemed to constitute, the creation or incurrence of a Lien as such term is used in the indenture.

Consolidation, Merger or Sale

CIT will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not CIT is the surviving corporation); or (2) sell, assign, transfer, convey, lease or otherwise dispose of all or substantially all of the properties or assets of CIT and its Subsidiaries, taken as a whole, in one or more related transactions, to another Person, unless:

either: (a)
CIT is the
surviving

corporation;
or (b) the
Person
formed by or
surviving any
such
consolidation
or merger (if
other than
CIT) or to
which such
sale,

or other
disposition
has been
made is a

existing under
the laws of
the United
States, any
state of the

or the District

the Person
formed by or
surviving any
such
consolidation

other than
CIT) or the
Person to
which such

or other

has been
made

law all the
obligations of
CIT under the
debt

the indenture
pursuant to
agreements
reasonably
satisfactory to
the trustee;
and

immediately
after, and
upon giving
effect to, such
transaction,
no Default or
Event of
Default
exists.

This Consolidation, Merger or Sale covenant will not apply to:

a merger of CIT
with an
Affiliate solely
for the purpose
of
reincorporating
CIT in another
jurisdiction; or

any
consolidation or
merger, or any
sale,

or among CIT
and its
Subsidiaries.

Events of Default

Each of the following is an *Event of Default* with respect to each series of debt securities:

default for 30 days in the payment when due of interest on the debt securities of such series;

default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the debt securities of such series;

failure for 3 business days by CIT to comply with the provisions described under the caption Certain Covenants Consolidation, Merger or Sale ;

failure by CIT for 60 days after written notice to CIT by the trustee or the holders of at least 25% in aggregate principal amount of the debt securities of such series outstanding voting as a single class to comply with any of the other agreements in the indenture;

default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by CIT (or the payment of

which is
guaranteed
by CIT),
whether such
Indebtedness
or guarantee
now exists,
or is created
after the
Issue Date, if
that default:

is a Payment
Default; or

results in the
acceleration
of such
Indebtedness
prior to its
express
maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$250 million or more;

failure by CIT
to pay final and
non-appealable
judgments
entered by a
court or courts
of competent
jurisdiction
aggregating in
excess of \$250
million (net of
any amounts
covered by
insurance),
which
judgments are
not paid,
discharged or
stayed for a
period of 60
days; and

(x) a court of
competent

jurisdiction enters an order or decree under any applicable Bankruptcy Law that: (A) is for relief against CIT in an involuntary case; (B) appoints a Bankruptcy Custodian of CIT or for all or substantially all of the property of CIT; or (C) orders the liquidation of CIT; and the order or decree remains unstayed and in effect for 60 consecutive days; or (y) the commencement by CIT of a voluntary proceeding under any applicable bankruptcy, insolvency, reorganization (other than a reorganization under a foreign law that does not relate to insolvency) or other similar law or of a voluntary proceeding seeking to be adjudicated insolvent or the consent by CIT to the entry of a decree or order

for relief in an
involuntary
proceeding
under any
applicable
bankruptcy,
insolvency,
reorganization
or other similar
law or to the
commencement
of any
insolvency
proceedings
against it, or the
filing by CIT of
a petition or
answer or
consent seeking
reorganization,
arrangement,
adjustment or
composition of
CIT under any
such applicable
law, or the
consent by CIT
to the filing of
such petition or
to the
appointment of
or taking
possession by a
custodian,
receiver,
liquidator,
assignee, trustee
or similar
official of CIT
or any
substantial part
of the property
of CIT or the
making by CIT
of an
assignment for
the benefit of
creditors, or the
taking of
corporate action
by CIT in

furtherance of
any such action
or the admitting
in writing by
CIT of its or
their inability to
pay its debts
generally as
they become
due.

In the case of an Event of Default relating to bankruptcy proceedings, all outstanding debt securities will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the then outstanding debt securities of any series, by notice to CIT, may declare all the debt securities of such series to be due and payable immediately.

Subject to certain limitations, holders of a majority in aggregate principal amount of the then outstanding debt securities of any series may direct the trustee in its exercise of any trust or power with respect to such series. The trustee may withhold from holders of the debt securities notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or premium, if any.

Subject to the provisions of the indenture relating to the duties of the trustee, in case an Event of Default occurs and is continuing, the trustee will be under no obligation to exercise any of the rights or powers under the indenture at the request or direction of any holders of debt securities unless such holders have offered to the trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest, when due, no holder of a debt security of such series may pursue any remedy with respect to the indenture or such debt securities unless:

such holder
has
previously
given the
trustee
notice that
an Event of
Default is
continuing;

holders of at
least 25% in
aggregate
principal
amount of
the then
outstanding
debt
securities of
such series
have
requested

the trustee
to pursue
the remedy;

such
holders of
debt
securities
have
offered the
trustee
reasonable
security or
indemnity
against any
loss,
liability or
expense;

the trustee
has not
complied
with such
request
within 60
days after
the receipt
of the
request and
the offer of
security or
indemnity;
and

holders of a
majority in
aggregate
principal
amount of
the then
outstanding
debt
securities of
such series
have not
given the
trustee a
direction
inconsistent
with such
request
within such
60-day
period.

The holders of a majority in aggregate principal amount of the then outstanding debt securities of any series by notice to the trustee may, on behalf of the holders of all of the debt securities of such series, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the debt securities of such series.

CIT is required to deliver to the trustee annually a statement regarding compliance with the indenture. Within 30 days after becoming aware of any Default or Event of Default, CIT is required to deliver to the trustee a statement specifying such Default or Event of Default.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the indenture and the debt securities may be amended or supplemented as they relate to any series of debt securities with the consent of the holders of at least a majority in aggregate principal amount of the debt securities of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, debt securities), and any existing Default or Event of Default or compliance with any provision of the indenture or the instruments evidencing debt securities with respect to any series may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding debt securities of such series (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, debt securities).

Without the consent of each holder of debt securities affected, an amendment, supplement or waiver may not (with respect to any debt securities held by a non-consenting holder):

reduce the
principal
amount of
debt securities
whose holders

must consent
to an
amendment,
supplement or
waiver;

reduce the
principal of or
change the
fixed maturity
of any debt
securities or
reduce the
redemption
price of any
debt
securities;

reduce the
rate of or
change the
time for
payment of
interest,
including
default
interest, on
any debt
securities;

waive a
Default or
Event of
Default in the
payment of
principal of,
or interest or
premium, if
any, on, the
debt securities
(except a
rescission of
acceleration
of the debt
securities by
the holders of
at least a
majority in
aggregate
principal
amount of the

then
outstanding
debt securities
and a waiver
of the
Payment
Default that
resulted from
such
acceleration);

make any
debt securities
payable in
money other
than U.S.
dollars;

make any
change in the
provisions of
the indenture
relating to
waivers of
past Defaults
or the rights
of holders of
debt securities
to receive
payments of
principal of,
or interest or
premium, if
any, on, the
debt
securities;

waive a
redemption
payment with
respect to any
debt
securities; or

make any
change in the
preceding
amendment
and waiver
provisions.

Notwithstanding the preceding, without the consent of any holder of debt securities, CIT and the trustee may amend or supplement the indenture or the debt securities:

to cure any
ambiguity,
defect or
inconsistency;

to provide for
uncertificated
debt securities
in addition to
or in place of
certificated
debt securities;

to provide for
the assumption
of CIT's
obligations to
holders of debt
securities in
the case of a
merger or
consolidation
or sale of all or
substantially
all of CIT's
assets;

to make any
change that
would provide
any additional
rights or
benefits to the
holders of
such debt
securities,
increase the
interest rate
applicable to
any series of
the debt
securities or
that does not
adversely
affect the legal
rights under
the indenture

of any such
holder;

to comply
with
requirements
of the SEC in
order to
effect or
maintain the
qualification
of the
indenture
under the
Trust
Indenture Act
of 1939, as
amended (the
Trust
Indenture
Act);

to conform
the text of the
indenture or
the debt
securities to
any provision
of this
Description
of Debt
Securities or
Description
of Notes in a
prospectus
supplement
applicable to
any series of
debt
securities;
and

to provide for
the issuance
of additional
debt
securities in
accordance
with the
limitations
set forth in
the indenture
as of the date

of the
indenture.

The consent of the holders of debt securities is not necessary under the indenture to approve the particular form of any proposed amendment or waiver. It is sufficient if such consent approves the substance of the proposed amendment or waiver.

Global Securities

CIT may issue the global securities in either registered or bearer form, in either temporary or permanent form. Unless the prospectus supplement specifies otherwise, debt securities, when issued, will be represented by a permanent global security or securities, and each permanent global security will be deposited with, or on behalf of, The Depository Trust Company, which we refer to as the Depository, and registered in the name of a nominee of the Depository. Investors may elect to hold interests in the global securities through either the Depository (in the United States), or Clearstream or Euroclear (outside of the United States), if they are participants of those systems, or indirectly through organizations that are participants in those systems. Clearstream and Euroclear will hold interests on behalf of their participants through customers' securities accounts in Clearstream's and Euroclear's names on the books of their respective depositaries (in those capacities, the U.S. Depositaries), which in turn will hold the interests in customers' securities accounts in the depositaries' names on the books of the Depository. Except under the limited circumstances described below, permanent global securities will not be exchangeable for securities in definitive form and will not otherwise be issuable in definitive form.

Ownership of beneficial interests in a permanent global security will be limited to institutions that have accounts with the Depository or its nominee (each a participant) or persons who may hold interests through participants. In addition, ownership of beneficial interests by participants in such permanent global security will be evidenced only by, and the transfer of that ownership interest will be effected only through, records maintained by the Depository or its nominee for that permanent global security. Ownership of beneficial interests in such permanent global security by persons who hold through participants will be evidenced only by, and the transfer of that ownership interest within the participant will be effected only through, records maintained by that participant. The Depository has no knowledge of the actual beneficial owners of securities. Beneficial owners will not receive written confirmation from the Depository of their purchase, but beneficial owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the participants through which the beneficial owners entered the transaction. The laws of some jurisdictions require that certain purchasers of securities take physical delivery of securities in definitive form. These laws may impair your ability to transfer your beneficial interests in that permanent global security.

CIT has been advised by the Depository that upon the issuance of a permanent global security and the deposit of that permanent global security with the Depository, the Depository will immediately credit on its book-entry registration and transfer system the respective principal amounts represented by that permanent global security to the accounts of participants.

The paying agent will make all payments on securities represented by a permanent global security registered in the name of or held by the Depository or its nominee to the Depository or its nominee, as the case may be, as the registered owner and holder of the permanent global security representing the securities. The Depository has advised CIT that upon receipt of any payment of principal of, or premium, if any, or interest, if any, on a permanent global security, the Depository will immediately credit, on its book-entry registration and transfer system, accounts of participants with payments in amounts proportionate to their respective beneficial interests in the principal amount of that permanent global security as shown in the records of the Depository or its nominee. We expect that payments by participants to owners of beneficial interests in a permanent global security held through those participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of

customers in bearer form or registered in street name (i.e., the name of a securities broker or dealer), and will be the sole responsibility of those participants, subject to any statutory or regulatory requirements as may be in effect from time to time.

None of CIT, any trustee, any agent of CIT, or any agent of a trustee will be responsible or liable for any aspect of the records relating to or payments made on account of beneficial interests in a permanent global security or for maintaining, supervising, or reviewing any of the records relating to such beneficial interests.

A permanent global security is exchangeable for definitive securities registered in the name of, and a transfer of a permanent global security may be registered to, any person other than the Depositary or its nominee, only if:

the
Depositary
notifies us
that it is
unwilling or
unable to
continue as
Depositary
for that
permanent
global
security or if
at any time
the
Depositary
ceases to be a
clearing
agency
registered
under the
Exchange
Act, and CIT
does not
appoint a
successor
Depositary
within 90
days;

CIT, in its
discretion,
determines
that the
permanent
global
security will
be
exchangeable
for definitive

securities in
registered
form; or

an event of
default under
the indenture
shall have
occurred and
be continuing,
as described
in the
prospectus,
and CIT, the
trustee, or the
applicable
registrar and
paying agent
notifies the
Depositary
that the
permanent
global
security will
be
exchangeable
for definitive
securities in
registered
form.

Any permanent global security which is exchangeable will be exchangeable in whole for definitive securities in registered form, of like tenor and of an equal aggregate principal amount as the permanent global security, in denominations of \$1,000 and integral multiples thereof. Those definitive securities will be registered in the name or names of such person or persons as the Depositary shall instruct such trustee. CIT expects that those instructions may be based upon directions received by the Depositary from its participants with respect to ownership of beneficial interests in the permanent global security.

In the event definitive securities are issued, you may transfer the definitive securities by presenting them for registration to the registrar at its New York office. If you transfer less than all of your definitive securities, you will receive a definitive security or securities representing the retained amount from the registrar at its New York office within 30 days of presentation for transfer. Definitive securities presented for registration must be duly endorsed by the holder or his attorney duly authorized in writing, or accompanied by a written instrument or instruments of transfer in form satisfactory to CIT or the trustee for the securities, duly executed by the holder or his attorney duly authorized in writing. You can obtain a form of written instrument of transfer from the registrar for the securities at its New York office. CIT may require you to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any exchange or registration of transfer of definitive securities, but otherwise transfers will be without charge. If CIT issues definitive securities,

principal of
and interest

on the
securities will
be payable in
the manner
described
below;

the transfer of
the securities
will be
registrable;
and

the securities
will be
exchangeable
for securities
bearing
identical
terms and
provisions.

If CIT issues definitive securities, CIT will do so at the office of the paying agent, including any successor paying agent and registrar for the securities.

CIT may pay interest on definitive securities, other than interest at maturity or upon redemption, by mailing a check to the address of the person entitled to the interest as it appears on the security register at the close of business on the regular record date corresponding to the relevant interest payment date. The term record date, as used in this prospectus, means the close of business on the fifteenth day preceding any interest payment date.

Notwithstanding the foregoing, the Depositary, as holder of the securities, or a holder of more than \$1 million in aggregate principal amount of securities in definitive form, may require a paying agent to make payments of interest, other than interest due at maturity or upon redemption, by wire transfer of immediately available funds into an account maintained by the holder in the United States, by sending appropriate wire transfer instructions. Such paying agent must receive these instructions not less than ten days prior to the applicable interest payment date.

A paying agent will pay the principal and interest payable at maturity or upon redemption by wire transfer of immediately available funds against presentation of the related security at the office of the paying agent.

Except as provided above, owners of beneficial interests in a permanent global security will not be entitled to receive physical delivery of securities in definitive form and will not be considered the holders of the securities for any purpose under the indenture, and no permanent global security will be exchangeable, except for another permanent global security of like denomination and tenor to be registered in the name of the Depositary or its nominee. As a result, each person owning a beneficial interest in a permanent global security must rely on the procedures of the Depositary and, if such person is not a participant, on the procedures of the participant through which such person owns its interest, to exercise any rights of a holder under the indenture.

CIT understands that, under existing industry practices, in the event that CIT requests any action of holders, or an owner of a beneficial interest in a permanent global security desires to give or take any action which a holder is entitled to give or take under the indenture, the Depositary would authorize the participants holding the relevant beneficial interests to give or take this action, and the participants would authorize beneficial owners owning through participants to give or take this action or would otherwise act upon the instructions of beneficial owners owning through them.

Where any debt securities of any series are issued in bearer form, the restrictions and considerations applicable to such debt securities and with respect to the payment, transfer and exchange of such debt securities will be described in the related prospectus supplement.

The Depositary Trust Company. The Depositary has advised us that it is a limited-purpose trust company organized under the laws of the State of New York, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered under the Exchange Act. The Depositary was created to hold securities of its participants and to facilitate the clearance and settlement of transactions among its participants in securities through electronic book-entry changes in accounts of the participants. By doing so, the Depositary eliminates the need for physical movement of securities certificates. The Depositary's participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. The Depositary is owned by a number of its participants and by the New York Stock Exchange, Inc., NYSE Amex Equities. Access to the Depositary's book-entry system is also available to others, such as banks, brokers, dealers, and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly. The rules applicable to the Depositary and its participants are on file with the SEC.

CIT believes that the sources from which the information in this section and elsewhere in this prospectus concerning the Depositary and the Depositary's system has been obtained are reliable, but CIT takes no responsibility for the accuracy of the information.

Clearstream. Clearstream advises that it is incorporated under the laws of Luxembourg as a professional depositary. Clearstream holds securities for its participating organizations (Clearstream Participants) and facilitates the clearance and settlement of securities transactions between Clearstream Participants through electronic book-entry changes in accounts of Clearstream Participants, thereby eliminating the need for physical movement of certificates. Clearstream provides to Clearstream Participants, among other things, services for safekeeping, administration, clearance, and settlement of internationally traded securities and securities lending and borrowing. Clearstream interfaces with domestic markets in several countries. As a professional depositary, Clearstream is subject to regulation by the Luxembourg Monetary Institute. Clearstream Participants are recognized financial institutions around the world, including agents, securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations and may include any agents. Indirect access to Clearstream is also available to others, such as banks, brokers, dealers, and trust companies that clear through or maintain a custodial relationship with a Clearstream Participant either directly or indirectly.

Distributions with respect to debt securities held beneficially through Clearstream will be credited to cash accounts of Clearstream Participants in accordance with its rules and procedures, to the extent received by the U.S. Depositary for Clearstream.

CIT believes that the sources from which the information in this section and elsewhere in this prospectus concerning Clearstream and Clearstream's system has been obtained are reliable, but CIT takes no responsibility for the accuracy of the information.

Euroclear. Euroclear advises that it was created in 1968 to hold securities for participants of Euroclear (Euroclear Participants) and to clear and settle transactions between Euroclear Participants through simultaneous electronic book-entry delivery against payment, thereby eliminating the need for physical movement of certificates and any risk from lack of simultaneous transfers of securities and cash. Euroclear includes various other services, including securities lending and borrowing and interfaces with domestic markets in several countries. Euroclear is operated by the Euroclear S.A./N.V. (the Euroclear Operator), under contract with Euroclear Clearance Systems S.C., a Belgian cooperative corporation (the Cooperative). All operations are conducted by the Euroclear Operator, and all Euroclear securities clearance accounts and Euroclear cash accounts are accounts with the Euroclear Operator, not the Cooperative. The Cooperative establishes policy for Euroclear on behalf of Euroclear Participants. Euroclear Participants include banks (including central banks), securities brokers and dealers, and other professional financial intermediaries and may include any agents. Indirect access to Euroclear is also available to other firms that clear through or maintain a custodial relationship with a Euroclear Participant, either directly or indirectly.

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the Terms and Conditions Governing Use of Euroclear, the related Operating Procedures of the Euroclear System, and applicable Belgian law (collectively, the Terms and Conditions). The Terms and Conditions govern transfers of securities and cash within Euroclear, withdrawals of securities and cash within Euroclear, withdrawals of securities and cash from Euroclear, and receipts of payments with respect to securities in Euroclear. All securities in Euroclear are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the Terms and Conditions only on behalf of Euroclear Participants and has no record of or relationship with persons holding through Euroclear Participants.

Distributions with respect to debt securities held beneficially through Euroclear will be credited to the cash accounts of Euroclear Participants in accordance with the Terms and Conditions, to the extent received by the U.S. depository for Euroclear.

CIT believes that the sources from which the information in this section and elsewhere in this prospectus concerning Euroclear, the Euroclear Operator, the Cooperative and Euroclear's system has been obtained are reliable, but CIT takes no responsibility for the accuracy of the information.

Global Clearance and Settlement Procedures

Initial settlement for the securities will be made in immediately available funds. Secondary market trading between participants in the Depository will occur in the ordinary way in accordance with the Depository's rules and will be settled in immediately available funds using the Depository's Same-Day Funds Settlement System. Secondary market trading between Clearstream Participants and/or Euroclear Participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Clearstream and Euroclear and will be settled using the procedures applicable to conventional eurobonds in immediately available funds.

Cross-market transfers between persons holding directly or indirectly through the Depository on the one hand, and directly or indirectly through Clearstream or Euroclear Participants, on the other hand, will be effected in the Depository in accordance with the Depository rules on behalf of the relevant European international clearing system by its U.S. Depository. However, these cross-market transactions will require delivery of instructions to the relevant European international clearing system by the counterparty in that system in accordance with its rules and procedures and within its established deadlines (European time). If the transaction meets the settlement requirements, the relevant European international clearing system will deliver instructions to its U.S. depository to take action to effect final settlement on its behalf by delivering or receiving securities in the Depository and making or receiving payment in

accordance with normal procedures for same-day funds settlement applicable to the Depositary. Clearstream Participants and Euroclear Participants may not deliver instructions directly to their respective U.S. depositaries.

Because of time-zone differences, credits of securities received in Clearstream or Euroclear as a result of a transaction with a participant in the Depositary will be made during subsequent securities settlement

processing and dated the business day following the Depositary settlement date. Credits or any transactions in securities settled during this processing will be reported to the relevant Euroclear or Clearstream Participants on that following business day. Cash received in Clearstream or Euroclear as a result of sales of debt securities by or through a Clearstream Participant or a Euroclear Participant to a participant in the Depositary will be received with value on the Depositary settlement date but will be available in the relevant Clearstream or Euroclear cash account only as of the business day following settlement in the Depositary.

Although the Depositary, Clearstream and Euroclear have agreed to the foregoing procedures in order to facilitate transfers of securities among participants of the Depositary, Clearstream and Euroclear, they are under no obligation to perform or continue to perform these procedures and these procedures may be discontinued at any time.

Legal Defeasance and Covenant Defeasance

CIT may, at its option and at any time, elect to have all of its obligations discharged with respect to the outstanding debt securities of any series (*Legal Defeasance*) except for:

the rights of
holders of
outstanding
debt
securities of
such series to
receive
payments in
respect of the
principal of,
or interest or
premium, if
any, on, such
debt
securities
when such
payments are
due from the
trust referred
to below;

CIT's
obligations
with respect
to the debt
securities of
such series
concerning
issuing

of the
trustee, and
CIT's
obligations
in
connection
therewith;
and

the Legal
Defeasance
and
Covenant
Defeasance
provisions of
the
indenture.

In addition, CIT may, at its option and at any time, elect to have its obligations released with respect to certain covenants that are described in the indenture with respect to the debt securities of any series (*Covenant Defeasance*) and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the debt securities of such series. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under Events of Default will no longer constitute an Event of Default with respect to the debt securities of such series.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the debt securities of any series:

CIT must
irrevocably

deposit with
the trustee,
in trust, for
the benefit of
the holders
of the debt
securities of
such series,
Cash in U.S.
dollars,
non-callable

in the case of
Legal
Defeasance,
CIT must

reasonably
acceptable to
the trustee
confirming
that (a) CIT

purposes as a

such Legal
Defeasance
and will be
subject to
federal
income tax
on the same
amounts, in
the same
manner and
at the same
times as
would have
been the case
if such Legal
Defeasance
had not
occurred;

in the case of
Covenant
Defeasance,
CIT must
deliver to the

(other than a
Default or
Event of
Default
resulting
from the

of funds to

the grant of
any Lien
securing
such
borrowing);

such Legal
Defeasance
or Covenant
Defeasance

will not
result in a
breach or
violation of,
or constitute
a default
under, any
material
agreement
or
instrument
(other than
the
indenture)
to which
CIT is a
party or by
which CIT
is bound;

CIT must
deliver to
the trustee
an officer's
certificate
stating that
the deposit
was not
made by
CIT with the
intent of

the holders
of the debt

any
creditors of
CIT or
others; and

CIT must deliver to the trustee an officers certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Satisfaction and Discharge

The indenture will be discharged and will cease to be of further effect as to all debt securities of any series issued thereunder, when:

(1) either:

(i) all debt securities of such series that have been authenticated, except lost, stolen or destroyed debt securities that have been replaced or paid and debt securities for whose payment money has been deposited in trust and thereafter repaid to us have been delivered to the trustee for cancellation; or

(ii) all debt securities of such series that have not been delivered to the trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and CIT has irrevocably deposited or caused to be deposited with the trustee as trust funds in trust solely for the benefit of the holders of the debt securities of such series, Cash in U.S. dollars, non-callable government obligations, or a combination of Cash in U.S. dollars and non-callable government obligations, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the debt securities of such series not delivered to the trustee for cancellation for principal, premium, if any, and accrued interest, to the date of maturity or redemption;

(2) With respect to such series of debt securities, no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing) and the deposit will not result in a breach or violation of, or constitute a default under, any other material agreement or instrument to which CIT is a party or by which CIT is bound;

(3) CIT paid or caused to be paid all sums payable by it under the indenture with respect to the debt securities of such series; and

(4) CIT has delivered irrevocable instructions to the trustee under the indenture to apply the deposited money toward the payment of the debt securities of such series at maturity or on the redemption date, as the case may be.

In addition, CIT must deliver an officers' certificate and an opinion of counsel to the trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

Wilmington Trust, National Association will act as trustee under the indenture, as permitted by the terms thereof. At all times, the trustee must be organized and doing business under the laws of the United States, any state thereof or the District of Columbia, and must comply with all applicable requirements under the Trust Indenture Act.

The trustee may resign at any time by giving us written notice or may be removed as trustee with respect to any series of outstanding debt securities:

by act of the
holders of a
majority in
principal
amount of such
series of
outstanding
debt securities;
or

if it (i) fails to
comply with
the obligations
imposed upon
it under the
Trust Indenture
Act; (ii) is not
organized and
doing business
under the laws
of the United
States, any
state thereof or
the District of
Columbia; (iii)
becomes
incapable of
acting as
trustee; or (iv)
a court takes
certain actions
with respect to
such trustee
relating to
bankruptcy,
insolvency or
reorganization.

If the trustee resigns, is removed or becomes incapable of acting, or if a vacancy occurs in the office of the trustee for any cause, CIT, by or pursuant to a board resolution, will promptly appoint a successor trustee or trustees with respect to the debt securities of such series. CIT will give written notice to holders of the relevant series of debt securities, of each resignation and each removal of the trustee with respect to the debt securities of such series and each appointment of a successor trustee. Upon the appointment of any successor trustee, CIT, the retiring trustee and such successor trustee, will execute and deliver a supplemental indenture in which each successor trustee will accept such appointment and which will contain such provisions as necessary or desirable to transfer to such successor trustee all the rights, powers, trusts and duties of the retiring trustee with respect to the relevant series of debt securities.

The trustee may be contacted at the following address: 166 Mercer Street, Suite 2R, New York, NY 10012. The form of indenture is filed as an exhibit to this registration statement. Holders of any series of debt securities may obtain an indenture or any other documents relating to a series of debt securities by contacting CIT or the trustee or by accessing the SEC's web site. See [Where You Can Find More Information](#).

Wilmington Trust, National Association and certain of its affiliates have in the past and may in the future provide banking, investment and other services to CIT. A trustee under the indenture may act as trustee under any of its other indentures.

UNITED STATES TAXATION

This section describes the material United States federal income tax consequences of owning certain debt securities we may offer. It is the opinion of Sullivan & Cromwell LLP, counsel to the company. It applies to you only if you acquire debt securities in the offering at the offering price and you hold your debt securities as capital assets for tax purposes. This section does not apply to you if you are a member of a class of holders subject to special rules, such as:

a dealer in
securities,

a trader in
securities that
elects to use a
mark-to-market
method of
accounting for
your securities
holdings,

a bank,

a life insurance
company,

a tax-exempt
organization,

a person that
owns debt
securities that
are a hedge or
that are hedged
against interest
rate risks,

a person that
owns debt
securities as
part of a
straddle or
conversion
transaction for
tax purposes,

a person that
purchases or
sells debt
securities as
part of a wash
sale for tax

purposes, or

a United States
holder (as
defined below)
whose
functional
currency for tax
purposes is not
the U.S. dollar.

This section deals only with fixed rate debt securities denominated in U.S. dollars, with no more than de minimis original issue discount, that are due to mature 30 years or less from the date on which they are issued. The United States federal income tax consequences of owning any other debt securities will be discussed in an applicable prospectus supplement. If you purchase debt securities at a price other than the offering price, the amortizable bond premium or market discount rules may also apply to you. You should consult your tax advisor regarding this possibility.

This section is based on the Internal Revenue Code of 1986, as amended, its legislative history, existing and proposed regulations under the Internal Revenue Code, published rulings and court decisions, all as currently in effect. These laws are subject to change, possibly on a retroactive basis.

If a partnership holds the debt securities, the United States federal income tax treatment of a partner generally will depend on the status of the partner and the tax treatment of the partnership. A partner in a partnership holding the debt securities should consult its tax advisor with regard to the United States federal income tax treatment of an investment in the debt securities.

Please consult your own tax advisor concerning the consequences of owning these debt securities in your particular circumstances under the Internal Revenue Code and the laws of any other taxing jurisdiction.

United States Holders

This subsection describes the tax consequences to a United States holder. You are a United States holder if you are a beneficial owner of a debt security and you are:

a citizen or
resident of the
United States,

a domestic
corporation,

an estate
whose income
is subject to
United States
federal income
tax regardless
of its source,
or

a trust if a
United States
court can
exercise
primary
supervision
over the trust's
administration
and one or
more United
States persons
are authorized
to control all
substantial
decisions of
the trust.

If you are not a United States holder, this subsection does not apply to you and you should refer to United States Alien Holders below.

Payments of Interest. You will be taxed on interest on your debt security as ordinary income at the time you receive the interest or when it accrues, depending on your method of accounting for tax purposes.

Purchase, Sale, Retirement and Other Disposition of Debt Securities. Your tax basis in your debt security generally will be its cost. You generally will recognize capital gain or loss on the sale or

retirement of your debt security equal to the difference between the amount you realize on the sale or retirement, excluding any amounts attributable to accrued but unpaid interest, and your tax basis in your debt security. Capital gain of a noncorporate United States holder generally is taxed at preferential rates where the property is held for more than one year.

Medicare Tax. For taxable years beginning after December 31, 2012, a United States holder that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, will be subject to a 3.8% tax on the lesser of (1) the United States holder's net investment income for the relevant taxable year and (2) the excess of the United States holder's modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals will be between \$125,000 and \$250,000, depending on the individual's circumstances). A United States holder's net investment income generally will include its interest income and its net gains from the disposition of debt securities, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). If you are a United States holder that is an individual, estate or trust, you are urged to consult your tax advisors regarding the applicability of the Medicare tax to your income and gains in respect of your investment in the debt securities.

United States Alien Holders

This subsection describes the tax consequences to a United States alien holder. You are a United States alien holder if you are the beneficial owner of a debt security and are, for United States federal income tax purposes:

a
nonresident
alien
individual,

a foreign
corporation,
or

an estate or
trust that in
either case is
not subject
to United
States
federal
income tax
on a net
income basis
on income
or gain from
a debt
security.

If you are a United States holder, this subsection does not apply to you.

This discussion assumes that the debt security is not subject to the rules of Section 871(h)(4)(A) of the Internal Revenue Code, relating to interest payments that are determined by reference to the income, profits, changes in the value of property or other attributes of the debtor or a related party.

Under United States federal income and estate tax law, and subject to the discussion of backup withholding below, if you are a United States alien holder of a debt security:

we and other
U.S. payors
generally
will not be
required to
deduct
United
States
withholding
tax from
payments of
principal,
premium, if
any, and
interest to
you if, in the
case of
payments of
interest:

1. you do not
actually or
constructively
own 10% or
more of the
total combined
voting power
of all classes
of stock of the
company
entitled to
vote,
2. you are not a
controlled
foreign
corporation
that is related
to the
company
through stock
ownership,
and
3. the U.S. payor
does not have
actual

knowledge or
reason to
know that you
are a United
States person
and:

- a. you have
furnished to the
U.S. payor an
Internal
Revenue
Service Form
W-8BEN or an
acceptable
substitute form
upon which
you certify,
under penalties
of perjury, that
you are a
non-United
States person,
- b. in the case of
payments made
outside the
United States
to you at an
offshore
account
(generally, an
account
maintained by
you at a bank
or other
financial
institution at
any location
outside the
United States),
you have
furnished to the
U.S. payor
documentation
that establishes
your identity
and your status
as the
beneficial
owner of the

payment for
United States
federal income
tax purposes
and as a
non-United
States person,

- c. the U.S. payor
has received a
withholding
certificate
(furnished on
an appropriate
Internal
Revenue
Service Form
W-8 or an
acceptable
substitute
form) from a
person
claiming to be:

- i. a withholding foreign partnership (generally a foreign partnership that has entered into an agreement with the Internal Revenue Service to assume primary withholding responsibility with respect to distributions and guaranteed payments it makes to its partners),
- ii. a qualified intermediary (generally a non-United States financial institution or clearing organization or a non-United States branch or office of a United States financial institution or clearing organization that is a party to a withholding agreement with the Internal

Revenue
Service), or

- iii. a U.S. branch
of a
non-United
States bank or
of a
non-United
States
insurance
company,

and the withholding foreign partnership, qualified intermediary or U.S. branch has received documentation upon which it may rely to treat the payment as made to a non-United States person that is, for United States federal income tax purposes, the beneficial owner of the payment on the debt securities in accordance with U.S. Treasury regulations (or, in the case of a qualified intermediary, in accordance with its agreement with the Internal Revenue Service),

- d. the U.S.
payor
receives a
statement
from a
securities
clearing
organization,
bank or other
financial
institution
that holds
customers
securities in
the ordinary
course of its
trade or
business,

- i. certifying
to the U.S.
payor
under
penalties
of perjury
that an
Internal
Revenue
Service
Form
W-8BEN
or an
acceptable

substitute
form has
been
received
from you
by it or by
a similar
financial
institution
between it
and you,
and

ii. to which is
attached a
copy of the
Internal
Revenue
Service
Form
W-8BEN
or
acceptable
substitute
form, or

e. the U.S. payor
otherwise
possesses
documentation
upon which it
may rely to
treat the
payment as
made to a
non-United
States person
that is, for
United States
federal income
tax purposes,
the beneficial
owner of the
payments on
the debt
securities in
accordance
with U.S.
Treasury
regulations;
and

no
deduction
for any
United
States
federal
withholding
tax will be
made from
any gain that
you realize
on the sale
or exchange
of your debt
security.

Further, a debt security held by an individual who at death is not a citizen or resident of the United States will not be includible in the individual's gross estate for United States federal estate tax purposes if:

the decedent
did not
actually or
constructively
own 10% or
more of the
total combined
voting power
of all classes
of stock of the
company
entitled to vote
at the time of
death and

the income on
the debt
security would
not have been
effectively
connected
with a United
States trade or
business of the
decedent at the
same time.

Withholdable Payments to Foreign Financial Entities and Other Foreign Entities

Under recently enacted legislation and administrative guidance, a 30% withholding tax will be imposed on payments of interest made on or after January 1, 2014, and to other withholdable payments (including payments of gross proceeds from a sale or other disposition of debt securities) made on or after January 1, 2015, to certain foreign

financial institutions, investment funds, and other non-U.S. persons that fail to comply with information reporting requirements in respect of their direct and indirect United States shareholders and/or United States accountholders. However, under proposed regulations, such payments will only include interest and proceeds of debt securities issued on or after January 1, 2013.

Backup Withholding and Information Reporting

In general, if you are a noncorporate United States holder, we and other payors are required to report to the Internal Revenue Service all payments of principal, premium, and interest on your debt security. In addition, we and other payors are required to report to the Internal Revenue Service any payment of proceeds of the sale of your debt security before maturity within the United States. Additionally, backup withholding will apply to any payments if you fail to provide an accurate taxpayer identification number, or

you are notified by the Internal Revenue Service that you have failed to report all interest and dividends required to be shown on your federal income tax returns.

In general, if you are a United States alien holder, payments of principal, premium, or interest made by us and other payors to you will not be subject to backup withholding and information reporting, provided that the certification requirements described above under United States Alien Holders are satisfied or you otherwise establish an exemption. However, we and other payors are required to report payments of interest on your debt securities on Internal Revenue Service Form 1042-S even if the payments are not otherwise subject to information reporting requirements. In addition, payment of the proceeds from the sale of debt securities effected at a United States office of a broker will not be subject to backup withholding and information reporting provided that:

the broker
does not
have actual
knowledge
or reason to
know that
you are a
United
States
person and
you have
furnished
to the
broker:

an appropriate
Internal
Revenue
Service Form
W-8 or an
acceptable
substitute form
upon which
you certify,
under penalties
of perjury, that
you are not a
United States
person, or

other
documentation
upon which it
may rely to
treat the
payment as
made to a
non-United
States person

in accordance

unless the broker does not have actual knowledge or reason to know that you are a United States person and the documentation requirements described above (relating to a sale of debt securities effected at a United States office of a broker) are met or you otherwise establish an exemption. Backup withholding will apply if the sale is subject to information reporting and the broker has actual knowledge that you are a United States person.

PLAN OF DISTRIBUTION

We may sell the securities covered by this prospectus in any of the following three ways (or in any combination):

through
underwriters,
dealers or
remarketing
firms;

directly to
one or more
purchasers,
including to a
limited
number of
institutional
purchasers; or

through
agents.

Any such dealer or agent, in addition to any underwriter, may be deemed to be an underwriter within the meaning of the Securities Act of 1933, as amended (the "Securities Act"). Any discounts or commissions received by an underwriter, dealer, remarketing firm or agent on the sale or resale of securities may be considered by the SEC to be underwriting discounts and commissions under the Securities Act.

In addition, we may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with such a transaction, the third parties may, pursuant to this prospectus and the applicable prospectus supplement, sell securities covered by this prospectus and the applicable prospectus supplement. If so, the third party may use securities borrowed from us or others to settle such sales and may use securities received from us to close out any related short positions. We may also loan or pledge securities covered by this prospectus and the applicable prospectus supplement to third parties, who may sell the loaned securities or, in an event of default in the case of a pledge, sell the pledged securities pursuant to this prospectus and the applicable prospectus supplement.

The terms of the offering of the securities with respect to which this prospectus is being delivered will be set forth in the applicable prospectus supplement or pricing supplement and will include, among other things:

the type of and
terms of the
securities
offered;

the price of the
securities;

the proceeds to
us from the
sale of the

securities;

the names of
the securities
exchanges, if
any, on which
the securities
are listed;

the names of
any
underwriters,
dealers,
remarketing
firms or agents
and the amount
of securities
underwritten or
purchased by
each of them;

any
over-allotment
options under
which
underwriters
may purchase
additional
securities from
us;

any
underwriting
discounts,
agency fees or
other
compensation
to underwriters
or agents; and

any discounts
or concessions
which may be
allowed or
reallowed or
paid to dealers.

If underwriters are used in the sale of securities, such securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by one or more underwriters acting alone. Unless otherwise set forth in the applicable prospectus supplement, the obligations of the underwriters to

purchase the securities described in the applicable prospectus supplement will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all such securities if any are purchased by them. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If dealers acting as principals are used in the sale of any securities, such securities will be acquired by the dealers, as principals, and may be resold from time to time in one or more transactions at varying prices to be determined by the dealer at the time of resale. The name of any dealer and the terms of the transaction will be set forth in the applicable prospectus supplement or pricing supplement with respect to the securities being offered.

Securities may also be offered and sold, if so indicated in the applicable prospectus supplement or pricing supplement, in connection with a remarketing upon their purchase, in accordance with a redemption

or repayment pursuant to their terms, or otherwise, by one or more firms, which we refer to herein as the remarketing firms, acting as principals for their own accounts or as our agents, as applicable. Any remarketing firm will be identified and the terms of its agreement, if any, with us and its compensation will be described in the applicable prospectus supplement or pricing supplement. Remarketing firms may be deemed to be underwriters, as that term is defined in the Securities Act in connection with the securities remarketed thereby.

The securities may be sold directly by us or through agents designated by us from time to time. In the case of securities sold directly by us, no underwriters or agents would be involved. Any agents involved in the offer or sale of the securities in respect of which this prospectus is being delivered, and any commissions payable by us to such agents, will be set forth in the applicable prospectus supplement or pricing supplement. Unless otherwise indicated in the applicable prospectus supplement or pricing supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

We may authorize agents, underwriters or dealers to solicit offers by certain specified institutions to purchase the securities to which this prospectus and the applicable prospectus supplement relates from us at the public offering price set forth in the applicable prospectus supplement or pricing supplement, plus, if applicable, accrued interest, pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. Such contracts will be subject only to those conditions set forth in the applicable prospectus supplement or pricing supplement, and the applicable prospectus supplement or pricing supplement will set forth the commission payable for solicitation of such contracts.

Agents, dealers, underwriters and remarketing firms may be entitled, under agreements entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution to payments they may be required to make in respect thereof. Agents, dealers, underwriters and remarketing firms may be customers of, engage in transactions with, or perform services for us or our subsidiaries in the ordinary course of business.

Unless otherwise indicated in the applicable prospectus supplement or pricing supplement, all securities offered by this prospectus will be new issues with no established trading market. We may elect to list any of the securities on one or more exchanges, but, unless otherwise specified in the applicable prospectus supplement or pricing supplement, we shall not be obligated to do so. In addition, underwriters will not be obligated to make a market in any securities. No assurance can be given regarding the activity of trading in, or liquidity of, any securities.

Any underwriter may engage in over-allotment, stabilizing transactions, short covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. Short covering transactions involve purchases of the securities in the open market after the distribution is completed to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a covering transaction to cover short positions. Those activities may cause the price of the securities to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of the activities at any time.

BENEFIT PLAN INVESTOR CONSIDERATIONS

For a discussion of considerations for certain benefit plan and similar investors subject to the Employment Retirement Income Security Act of 1974, as amended, or similar laws, see **Benefit Plan Investor Considerations** in the applicable prospectus supplement.

VALIDITY OF SECURITIES

Unless otherwise indicated in a supplement to this prospectus, the validity of the securities will be passed upon for us by Sullivan & Cromwell LLP, New York, New York, and certain legal matters will be passed upon for the agents, underwriters and dealers by Cahill Gordon & Reindel LLP, New York, New York.

Item 15. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "DGCL") provides, in summary, that directors and officers of Delaware corporations are entitled, under certain circumstances, to be indemnified against all expenses and liabilities (including attorney's fees) incurred by them as a result of suits brought against them in their capacity as a director or officer, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful; provided that no indemnification may be made against expenses in respect of any claim, issue or matter as to which they shall have been adjudged to be liable to us, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Any such indemnification may be made by us only as authorized in each specific case upon a determination by the stockholders, disinterested directors or independent legal counsel that indemnification is proper because the indemnitee has met the applicable standard of conduct.

Our certificate of incorporation and by-laws provide that we will indemnify our directors and officers to the fullest extent permitted by law and that no director shall be liable for monetary damages to us or our stockholders for any breach of fiduciary duty, except to the extent provided by applicable law (1) for any breach of the director's duty of loyalty to us or our stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) pursuant to Section 174 of the DGCL or (4) for any transaction from which such director derived an improper personal benefit.

In addition, we maintain liability insurance for our directors and officers.

We have entered into indemnification agreements with each of our directors and officers pursuant to which we have agreed to indemnify such persons to the fullest extent permitted by Delaware law, as the same may be amended from time to time.

For information concerning the registrant's undertaking to submit to adjudication the issue of indemnification for violation of the securities laws, see Item 17 hereof.

II-1

Item 16. Exhibits.

The exhibits to this Registration Statement are listed on the Exhibit Index to this Registration Statement, which Exhibit Index is hereby incorporated by reference.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and 1(iii) above do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) that, for the purpose of determining any liability under the Securities Act to any purchaser:

(A) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the

prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) that, for the purpose of determining liability of a registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of an undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by an undersigned registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions set forth in response to Item 15, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.
