**MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT**

Dear Shareholder:

On October 21, 2014, TrustAtlantic Financial Corporation ( *TrustAtlantic* ), First Horizon National Corporation ( *First Horizon* ) and First Horizon Merger Sub, LLC ( *Merger Sub* ) agreed to a strategic business combination in which TrustAtlantic will merge with and into Merger Sub, a wholly owned subsidiary of First Horizon (the *Merger* ), pursuant to the terms of an Agreement and Plan of Merger, dated as of October 21, 2014, which was amended on December 16, 2014 (as amended, the *Merger Agreement* ). The Merger Agreement additionally provides that, following consummation of the Merger, TrustAtlantic's wholly owned subsidiary bank, TrustAtlantic Bank, will merge with and into First Tennessee Bank National Association, First Horizon's subsidiary bank ( *First Tennessee Bank* ), with First Tennessee Bank as the surviving entity. If TrustAtlantic's shareholders approve the Merger Agreement and the transactions contemplated thereby and the Merger is completed, TrustAtlantic shareholders will have the right to receive cash and/or shares of First Horizon common stock, with the mix of cash and stock consideration at such TrustAtlantic shareholder's election, in each case subject to adjustment of elections as set forth in the Merger Agreement so that the aggregate consideration will consist of 75% stock consideration and 25% cash consideration.

Subject to the terms and conditions set forth in the Merger Agreement, which has been unanimously approved by the board of directors of each of First Horizon and TrustAtlantic, at the effective time of the Merger each outstanding share of TrustAtlantic common stock will be converted into the right to receive either (i) for each share of TrustAtlantic common stock with respect to which an election to receive cash has been made and not revoked, an amount of cash equal to the product of 1.3261 and the volume weighted average price per share of First Horizon common stock over the ten consecutive trading dates immediately preceding the closing date of the Merger (such shares collectively, the *Cash Election Shares* ); or (ii) for each share of TrustAtlantic common stock with respect to which an election to receive First Horizon common stock has been made and not revoked, 1.3261 shares of First Horizon common stock ( *Stock Election Shares* ); provided that the consideration elected by each shareholder is subject to adjustment as necessary so that the aggregate consideration will consist of 75% stock consideration and 25% cash consideration.

We are sending you this proxy statement/prospectus to notify you of and invite you to the special meeting of TrustAtlantic shareholders being held to consider the Merger Agreement, as it may be further amended from time to time, and to ask you to vote at the special meeting in favor of the approval of the Merger Agreement.

The special meeting of TrustAtlantic shareholders will be held on Thursday, April 30, 2015 at TrustAtlantic's offices located at 4801 Glenwood Avenue, Suite 500, Raleigh, North Carolina 27612 at 3:30 p.m. local time.

At the special meeting, you will be asked to approve the Merger Agreement. You will also be asked to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the Merger Agreement.

The market value of the Merger consideration will fluctuate with the market price of First Horizon common stock. ## QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE TRUSTATLANTIC SPECIAL MEETING

The following are some questions that you may have regarding the Merger and special meeting of TrustAtlantic Financial Corporation shareholders (the *Special Meeting*), and brief answers to those questions. We urge you to read carefully the remainder of this proxy statement/prospectus because the information in this section does not provide all of the information that might be important to you with respect to the Merger and the Special Meeting. See also **Where You Can Find More Information**.

References in this proxy statement/prospectus to **TrustAtlantic** refer to TrustAtlantic Financial Corporation, a North Carolina corporation, and, unless the context otherwise requires, to its affiliates. References in this proxy statement/prospectus to **First Horizon** refer to First Horizon National Corporation, a Tennessee corporation, and, unless the context otherwise requires, to its affiliates. References in this proxy statement/prospectus to **Merger Sub** refer to First Horizon Merger Sub, LLC, a Tennessee limited liability company and a wholly owned subsidiary of First Horizon.

### **Q: What am I being asked to vote on at the TrustAtlantic Special Meeting?**

A: First Horizon and TrustAtlantic have entered into an Agreement and Plan of Merger, dated as of October 21, 2014 and amended as of December 16, 2014 (as amended, the *Merger Agreement*), pursuant to which First Horizon has agreed to acquire TrustAtlantic. Under the terms of the Merger Agreement, TrustAtlantic will merge with and into Merger Sub, a wholly owned subsidiary of First Horizon, with Merger Sub continuing as the surviving entity (the *Merger*). The Merger Agreement additionally provides that, following consummation of the Merger, TrustAtlantic's wholly owned subsidiary bank, TrustAtlantic Bank, will merge with and into First Tennessee Bank National Association (*First Tennessee Bank*), First Horizon's subsidiary bank, with First Tennessee Bank as the surviving entity.

TrustAtlantic shareholders are also being asked to approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the Merger Agreement (the *Adjournment Proposal*).

### **Q: What will I receive in the Merger?**

A: Subject to the terms and conditions set forth in the Merger Agreement, which has been unanimously approved by the board of directors of each of First Horizon and TrustAtlantic, at the effective time of the Merger (the *Effective Time*) each outstanding share of TrustAtlantic common stock will be converted into the right to receive either (i) for each share of TrustAtlantic common stock with respect to which an election to receive cash has been made and not revoked (such shares collectively, the *Cash Election Shares*), an amount of cash equal to the product of 1.3261 and the First Horizon Closing Price (defined below); or (ii) for each share of TrustAtlantic common stock with respect to which an election to receive First Horizon common stock has been made and not revoked (such shares collectively, the *Stock Election Shares*), 1.3261 shares of First Horizon common stock; provided that the aggregate Merger consideration will consist of 75% stock consideration and 25% cash consideration as set forth in the Merger Agreement. Accordingly, the cash and stock elections of TrustAtlantic's shareholders are subject to adjustment under certain circumstances. Subject to such mandatory adjustments, a TrustAtlantic shareholder will be permitted to elect to receive all cash, all stock, or a mixture of stock for 75% of such holder's shares and cash for the remaining 25% of such holder's shares of TrustAtlantic common stock.

Each issued and outstanding warrant to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be cancelled and converted into the right to receive an amount of Merger consideration with respect to the

shares of TrustAtlantic common stock issuable upon exercise of such warrant in full, less the exercise price, which will be deducted from the Merger consideration issuable in respect of such warrant. Each holder of a TrustAtlantic warrant may elect to receive Merger consideration in the form of cash or First Horizon common stock subject to the aggregate Merger consideration equaling 75% stock consideration and 25% cash consideration. Each issued and outstanding option to purchase TrustAtlantic common stock that has not been exercised

prior to the Merger will be automatically converted into a non-qualified option to purchase First Horizon common stock under First Horizon's Equity Compensation Plan.

If the number of shares of common stock outstanding of TrustAtlantic or First Horizon changes before the Merger is completed as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination or readjustment of shares, or any stock dividend or stock distribution with a record date during such period, then the Merger consideration and the exchange ratio of 1.3261 will be equitably and proportionately adjusted to reflect such change.

First Horizon will not issue any fractional shares of First Horizon common stock in the Merger. TrustAtlantic shareholders who would otherwise be entitled to a fractional share of First Horizon common stock upon the completion of the Merger will instead receive an amount in cash (rounded to the nearest cent and without interest) determined by multiplying (i) the volume weighted average price per share of First Horizon common stock over the 10 consecutive trading days immediately preceding the closing date of the Merger, as calculated by Bloomberg Financial LP under the function VWAP (the *First Horizon Closing Price*) by (ii) the fraction of a share of First Horizon common stock to which such holder would be entitled to receive.

**Q: Will the value of the Merger consideration change between the Special Meeting and the time the Merger is completed?**

A: The value of the Merger consideration may fluctuate between the Special Meeting and the completion of the Merger based upon the market value of First Horizon's common stock. If an election to receive shares of First Horizon common stock is made, as a result of the Merger you will receive a number of shares of First Horizon common stock for each share of TrustAtlantic common stock you hold. If an election to receive cash consideration is made, the amount of cash will be determined based on the product of the exchange ratio and the First Horizon Closing Price. Any fluctuation in the market price of First Horizon common stock after the Special Meeting will change the value of the shares of First Horizon common stock that you will receive and the amount of cash you will receive.

**Q: How does TrustAtlantic's board of directors recommend that I vote at the Special Meeting?**

A: TrustAtlantic's board of directors unanimously recommends that you vote FOR the proposal to approve the Merger Agreement and FOR the Adjournment Proposal.

**Q: When and where is the TrustAtlantic Special Meeting?**

A: The TrustAtlantic Special Meeting will be held at TrustAtlantic's offices located at 4801 Glenwood Avenue, Suite 500, Raleigh, North Carolina 27612 on Thursday, April 30, 2015, at 3:30 p.m. local time.

**Q: What do I need to do now?**

A: After you have carefully read this proxy statement/prospectus and have decided how you wish to vote your shares, please vote your shares promptly so that your shares are represented and voted at the Special Meeting. If you hold your shares in your name as a shareholder of record, you must complete, sign, date and mail your proxy card in the enclosed postage-paid return envelope as soon as possible. If you hold your shares in street name through a bank or broker, you must direct your bank or broker to vote in accordance with the instructions you have received from your bank or broker. Street name shareholders who wish to vote at the Special Meeting will need to obtain a proxy form from the institution that holds their shares.

**Q: What constitutes a quorum for the Special Meeting?**

A: The presence at the Special Meeting, in person or by proxy, of holders of a majority of the outstanding shares of TrustAtlantic common stock entitled to vote at the Special Meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum. A broker non-vote occurs under stock exchange rules when a broker submits a proxy vote form but is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given.

**Q: What is the vote required to approve each proposal at the TrustAtlantic Special Meeting?**

A: Approval of the Merger Agreement requires the affirmative vote of the holders of at least a majority of the outstanding shares of TrustAtlantic common stock as of the close of business on March 12, 2015, the record date for the Special Meeting.

Approval of the Adjournment Proposal requires that the number of votes cast in favor of the proposal exceed the number of votes cast against the proposal.

**Q: Why is my vote important?**

A: If you do not vote, it will be more difficult for TrustAtlantic to obtain the necessary quorum to hold its Special Meeting. In addition, your failure to vote or failure to instruct your bank or broker as to how to vote will have the same effect as a vote against approval of the Merger Agreement. The Merger Agreement must be approved by the holders of at least a majority of the outstanding shares of TrustAtlantic common stock entitled to vote at the Special Meeting. TrustAtlantic's board of directors unanimously recommends that you vote to approve the Merger Agreement.

**Q: If my shares of common stock are held in street name by my bank or broker, will my bank or broker automatically vote my shares for me?**

A: No. Your bank or broker cannot vote your shares without instructions from you. You should instruct your bank or broker as to how to vote your shares in accordance with the instructions provided to you. Please check the voting form used by your bank or broker.

**Q: What if I abstain from voting or fail to instruct my bank or broker?**

A: If you fail to vote, mark ABSTAIN on your proxy card or fail to instruct your bank or broker with respect to the proposal to approve the Merger Agreement, it will have the same effect as a vote AGAINST the proposal.

With respect to the Adjournment Proposal, however, if you fail to vote, mark Abstain on your proxy card or fail to instruct your bank or broker with respect to the Adjournment Proposal, such failure will have no effect on the Adjournment Proposal.

**Q: Can I attend the Special Meeting and vote my shares in person?**

A: Yes. All shareholders, including shareholders of record and shareholders who hold their shares through banks, brokers, nominees or any other holder of record, are invited to attend the Special Meeting. Holders of record of TrustAtlantic common stock can vote in person at the Special Meeting. If you are not a shareholder of record, you must obtain a proxy, executed in your favor, from the record holder of your shares, such as a broker, bank or other nominee, to be able to vote in person at the Special Meeting. If you plan to attend the Special Meeting, you must hold your shares in your own name or have a letter from the record holder of your shares confirming your ownership. In addition, you must bring a form of personal photo identification with you in order to be admitted. TrustAtlantic reserves the right to refuse admittance to anyone without proper proof of share ownership or without proper photo identification. The use of cameras, sound recording equipment, communications devices or any similar equipment during the Special Meeting is prohibited without TrustAtlantic's express written consent.

**Q: Can I change my vote?**

A: Yes. You may revoke any proxy at any time before it is voted by (1) signing and returning a proxy card with a later date, (2) delivering a written revocation letter to TrustAtlantic's corporate secretary, or (3) attending the Special Meeting in person, notifying the corporate secretary and voting by ballot at the Special Meeting. Attendance at the Special Meeting will not automatically revoke your proxy. A revocation or later-dated proxy received by TrustAtlantic after the vote will not affect the vote. TrustAtlantic's corporate secretary's mailing address is: Secretary, TrustAtlantic Financial Corporation, 4801 Glenwood Avenue, Suite 500, Raleigh, North Carolina 27612. If you hold your shares in street name through a bank or broker, you should contact your bank or broker to revoke your proxy.

**Q: Will TrustAtlantic be required to submit the proposal to approve the Merger Agreement to its shareholders even if TrustAtlantic's board of directors has withdrawn, modified or qualified its recommendation?**

A: Yes. Unless the Merger Agreement is terminated before the TrustAtlantic Special Meeting, TrustAtlantic is required to submit the proposal to approve the Merger Agreement to its shareholders even if TrustAtlantic's board of directors has withdrawn or modified its recommendation.

**Q: What are the U.S. federal income tax consequences of the Merger to TrustAtlantic shareholders?**

A: The Merger is intended to qualify, and the obligation of the parties to complete the Merger is conditioned upon the receipt at closing of a legal opinion from their respective counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368 of the Internal Revenue Code of 1986, as amended, which is referred to herein as the Code. In addition, in connection with the filing of the registration statement of which this document is a part, Baker, Donelson, Bearman Caldwell & Berkowitz, PC has delivered an opinion to First Horizon and Wyrick Robbins Yates & Ponton LLP has delivered an opinion to TrustAtlantic to the same effect, based on an assumption that the closing occurs as provided in the Merger Agreement. Assuming the Merger qualifies as such a reorganization, a shareholder of TrustAtlantic generally will not recognize any gain or loss upon receipt of First Horizon common stock in exchange for TrustAtlantic common stock in the Merger but may recognize a gain with respect to the cash received as Merger consideration and/or in lieu of a fractional share of TrustAtlantic common stock.

For further information, see Material U.S. Federal Income Tax Consequences of the Merger.

*The U.S. federal income tax consequences described above may not apply to all holders of TrustAtlantic common stock. A holder's tax consequences will depend on the holder's individual situation. Accordingly, we strongly urge you to consult your tax advisor for a full understanding of the particular tax consequences of the Merger to you.*

**Q: Am I entitled to exercise appraisal rights (i.e., the ability to demand payment for the fair value of my shares) instead of receiving the Merger consideration for my shares of TrustAtlantic common stock?**

A: Under North Carolina law, holders of shares of TrustAtlantic common stock on the record date for the Special Meeting are entitled to statutory appraisal rights in connection with the Merger if they exercise and perfect such rights in accordance with North Carolina law. This means that if you are such a holder and you comply with the requirements of Article 13 of the North Carolina Business Corporation Act (the *NCBCA*), you are entitled to have a judicial determination made of the fair value (determined pursuant to Article 13 of the *NCBCA*) of your shares of TrustAtlantic common stock and to receive cash payment thereof instead of receiving the Merger consideration. A shareholder who properly exercises appraisal rights has no assurance that it will receive an amount more than the Merger consideration and, in fact, may receive an amount the same as or even less than the Merger consideration. See The Merger Appraisal Rights in the Merger beginning on page 50 and the text of the North Carolina appraisal rights statute, Article 13 of the *NCBCA*, which is reproduced in its entirety as Annex C to this proxy statement/prospectus. The provisions of North Carolina law governing appraisal rights are complex, and you should study them carefully if you wish to exercise these rights. Multiple steps must be taken at the appropriate times to properly exercise and perfect such rights. A copy of TrustAtlantic's audited consolidated financial statements for the fiscal year ended December 31, 2013 (together with the report of the Company's independent registered public accounting firm regarding such statements) and TrustAtlantic's unaudited consolidated balance sheet and income statement as of and for the nine months ended September 30, 2014 are attached as Annex D to this proxy statement/prospectus.

**Q: What will each TrustAtlantic shareholder receive in the Merger?**

A: A TrustAtlantic shareholder may elect to receive:

all cash;

4

---

all First Horizon common stock; or

A mixture of cash for 25% of such holder's shares and First Horizon common stock for the other 75%. All elections are subject to the election, proration and allocation procedures described in this proxy statement/prospectus. If too many shareholders elect stock consideration over cash consideration or cash consideration over stock consideration, such elections may be adjusted due to the limitation that the aggregate Merger consideration must consist of 75% stock consideration and 25% cash consideration. Due to these limitations, some TrustAtlantic shareholders may not receive the form of Merger consideration that they elected. See The Merger Conversion of Shares, Options and Warrants; Appraisal Rights and Dissenting Shares; Exchange of Certificates Allocation Procedures for a more detailed discussion of allocation procedures under the Merger Agreement.

**Q: How and when does a TrustAtlantic shareholder elect the form of consideration he or she prefers to receive?**

A: An election statement with instructions for making the election as to the form of consideration preferred is being mailed to TrustAtlantic shareholders on or about the date of the mailing of this proxy statement/prospectus. To make an election, a TrustAtlantic shareholder must submit an election statement to the Exchange Agent before 5:00 p.m., Eastern Time, on Friday, May 1, 2015. This date is referred to as the *Election Deadline*. Election choices and election procedures are described under The Merger.

**Q: May a TrustAtlantic shareholder change his or her election once it has been submitted?**

A: Yes. An election may be changed so long as the new election is received by the Exchange Agent prior to the Election Deadline. To change an election, a TrustAtlantic shareholder must send the Exchange Agent a written notice revoking any election previously submitted.

**Q: What happens if an election is not made prior to the Election Deadline?**

A: If a TrustAtlantic shareholder fails to submit an election statement to the Exchange Agent prior to the Election Deadline, then that holder will be deemed to have made no election and will be issued shares of First Horizon common stock, cash, or a mixture of stock and cash, depending on the aggregate cash and stock elections made and the need for any adjustments to ensure that the aggregate Merger consideration consists of 75% stock consideration and 25% cash consideration.

**Q: How will my election for Merger consideration be impacted if I buy additional shares of TrustAtlantic common stock or sell some of my existing shares of TrustAtlantic common stock?**

A: If you acquire additional shares of TrustAtlantic common stock after the Election Deadline, your election statement, if properly completed and received prior to the Election Deadline, will apply to all TrustAtlantic common stock owned under the same registration. If you sell your shares to an entity that was not an existing shareholder after the Election Deadline, the purchaser of those shares will be deemed to have failed to make an election as to the type of consideration it prefers to receive, in which case such purchaser will be issued shares of First Horizon common stock, cash, or a mixture of stock and cash, depending on the aggregate cash and stock elections made and the need for any adjustments to ensure that the aggregate Merger consideration consists of 75% stock consideration and 25% cash consideration.

**Q: If I am a TrustAtlantic shareholder, should I send in my TrustAtlantic stock certificates now?**

A: No. Following the Effective Time of the Merger, Wells Fargo Shareowner Services, First Horizon's transfer agent and the exchange agent with respect to the Merger (the *Exchange Agent*), will send you instructions for exchanging TrustAtlantic stock certificates for the Merger consideration. See The Merger Agreement Conversion of

Shares, Options and Warrants; Appraisal Rights and Dissenting Shares; Exchange of Certificates. Until then, please locate your certificates and keep them safe, but do not send them to TrustAtlantic, First Horizon or the Exchange Agent.

**Q: Whom may I contact if I cannot locate my TrustAtlantic stock certificate(s)?**

A: If you are unable to locate your original TrustAtlantic stock certificate(s), you should contact TrustAtlantic's transfer agent, Computershare, by calling (800) 368-5948. You may also visit Computershare's website at [www.computershare.com](http://www.computershare.com) for information and forms.

**Q: When do you expect to complete the Merger?**

A: TrustAtlantic, Merger Sub and First Horizon expect to complete the Merger in the first half of 2015. However, neither TrustAtlantic nor First Horizon can assure you when or if the Merger will occur. First Horizon must first obtain the approval of applicable banking regulators, and TrustAtlantic must obtain the approval of its shareholders at the Special Meeting.

**Q: Whom should I call with questions?**

A: If you have any questions concerning the Merger or this proxy statement/prospectus, would like additional copies of this proxy statement/prospectus or need help voting your shares of TrustAtlantic common stock or submitting your election statement, please contact: Richard W. Edwards at (919) 277-8700.

## SUMMARY

This summary highlights selected information from this proxy statement/prospectus. It may not contain all of the information that is important to you. We urge you to carefully read the entire proxy statement/prospectus, including the appendices, and the other documents to which we refer in order to fully understand the Merger. See [Where You Can Find More Information](#). Each item in this summary refers to the page of this proxy statement/prospectus on which that subject is discussed in more detail.

### **The Merger Transaction (page 32)**

Pursuant to the terms of the Merger Agreement, First Horizon has agreed to acquire TrustAtlantic. In the Merger, TrustAtlantic will merge with and into Merger Sub, a wholly-owned subsidiary of First Horizon, with Merger Sub continuing as the surviving entity. The Merger Agreement governs the Merger. The Merger Agreement is included in this proxy statement/prospectus as Annex A. Please read the Merger Agreement carefully. All descriptions in this summary and elsewhere in this proxy statement/prospectus of the terms and conditions of the Merger are qualified by reference to the Merger Agreement and the exhibits thereto, all as attached as Annex A.

### **The Merger Consideration (page 52)**

Subject to the terms and conditions set forth in the Merger Agreement, which has been unanimously approved by the board of directors of each of First Horizon and TrustAtlantic, at the Effective Time, each outstanding share of TrustAtlantic common stock will be converted into the right to receive either (i) for each Cash Election Share, an amount of cash equal to the product of 1.3261 and the First Horizon Closing Price; or (ii) for each Stock Election Share, 1.3261 shares of First Horizon common stock; provided that the aggregate Merger consideration will consist of 75% stock consideration and 25% cash consideration.

TrustAtlantic previously issued stock purchase warrants to certain investors. Each issued and outstanding warrant to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be cancelled and converted into the right to receive an amount of Merger consideration with respect to the shares of TrustAtlantic common stock issuable upon exercise of such warrant in full, less the exercise price, which will be deducted from the Merger consideration issuable in respect of such warrant. Each holder of a TrustAtlantic warrant may elect to receive its Merger consideration in the form of cash, First Horizon common stock, or a mixture thereof, subject to the limitation that the aggregate Merger consideration will consist of 75% stock consideration and 25% cash consideration.

TrustAtlantic previously issued stock options to certain employees and directors under a stock option plan. Each issued and outstanding option to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be automatically converted into a non-qualified option to purchase First Horizon common stock under First Horizon's Equity Compensation Plan. The number of shares of First Horizon common stock issuable upon the exercise of each converted TrustAtlantic option will equal the product of (i) the number of shares of TrustAtlantic common stock that were purchasable under the option immediately before the Merger and (ii) 1.3261, rounded down, if necessary to the nearest whole share. The exercise price per share of First Horizon common stock for each option will equal (x) the per share exercise price of the option in effect immediately before the Merger divided by (y) 1.3261, rounded up, if necessary, to the nearest cent.

### **Equivalent TrustAtlantic Per Share Value (page 52)**

First Horizon's common stock trades on the NYSE under the symbol FHN. TrustAtlantic common stock is not listed or traded on any established securities exchange or quotation system. Accordingly, there is no established public trading market for TrustAtlantic common stock. The following table presents the closing price of First Horizon common stock

on October 21, 2014, the last trading day before public announcement of the Merger, and March 12, 2015, the last practicable

trading day prior to the printing of this proxy statement/prospectus. The table also presents the equivalent value of the Merger consideration per share of TrustAtlantic common stock on those dates, calculated by multiplying the closing sales price of First Horizon common stock on those dates by 1.3261.

<b>Date</b>	<b>First Horizon closing sale price</b>	<b>Equivalent TrustAtlantic per share value<sup>(1)</sup></b>
October 21, 2014	\$ 11.94	\$ 15.83
March 12, 2015	\$ 14.64	\$ 19.41

<sup>(1)</sup> Excludes cash in lieu of fractional shares.

The value of the shares of First Horizon common stock to be issued in the Merger will fluctuate between now and the closing date of the Merger. You should obtain current sale prices for the First Horizon common stock.

### **Adjustments (page 52)**

If the number of shares of common stock outstanding of TrustAtlantic or First Horizon changes before the Merger is completed as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination or readjustment of shares, or any stock dividend or stock distribution with a record date during such period, then the Merger consideration will be equitably and proportionately adjusted.

### **Fractional Shares (page 52)**

First Horizon will not issue any fractional shares of First Horizon common stock in the Merger. TrustAtlantic shareholders who would otherwise be entitled to a fractional share of First Horizon common stock upon the completion of the Merger will instead receive an amount in cash (rounded to the nearest cent) determined by multiplying (i) the First Horizon Closing Price by (ii) the fraction of a share of First Horizon common stock such holder would otherwise be entitled to receive.

For example, if you hold 10 shares of TrustAtlantic common stock and elect to receive First Horizon common stock in the Merger, you will receive 13 shares of First Horizon common stock and a cash payment calculated based on the First Horizon Closing Price instead of the 0.261 fractional shares of First Horizon common stock that you otherwise would have received. If you instead elect to receive cash in the Merger, you will receive cash equal to the exchange ratio of 1.3261 multiplied by the number of shares of TrustAtlantic common stock you hold multiplied by the First Horizon Closing Price.

### **Dividends (page 83)**

TrustAtlantic and its subsidiaries may not declare or pay any dividend prior to the completion of the Merger. For the past several quarters First Horizon has paid a quarterly cash dividend on its common stock of \$0.05 per share. Its most recent such dividend was paid on January 1, 2015. First Horizon's board of directors recently increased the quarterly dividend rate to \$0.06 per common share payable April 1, 2015 to shareholders of record on March 13, 2015. The payment, timing and amount of dividends by First Horizon on its common stock in the future, either before or after the Merger is completed, are subject to the determination of First Horizon board of directors and depend on cash requirements, the financial condition, regulatory capital and liquidity, and earnings of First Horizon, legal and regulatory considerations and other factors.

**TrustAtlantic's Board of Directors Unanimously Recommends that TrustAtlantic Shareholders Vote FOR Approval of the Merger Agreement (page 38)**

TrustAtlantic's board of directors determined that the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement are advisable and in the best interests of TrustAtlantic and its shareholders and has unanimously approved the Merger and the Merger Agreement. TrustAtlantic's board of directors unanimously recommends that TrustAtlantic

shareholders vote FOR approval of the Merger Agreement. For the factors considered by TrustAtlantic's board of directors in reaching its decision to approve the Merger Agreement, see The Merger TrustAtlantic's Reasons for the Merger; Recommendation of TrustAtlantic's Board of Directors.

**FIG Partners, LLC Has Provided an Opinion to TrustAtlantic's Board of Directors Regarding the Merger Consideration (page 40 and Annex B)**

On October 21, 2014, FIG Partners, LLC ( *FIG Partners* ), TrustAtlantic's financial advisor in connection with the Merger, rendered its oral opinion to TrustAtlantic's board of directors, confirmed in writing, that as of such date and based upon and subject to the assumptions, procedures, considerations, qualifications and limitations set forth in the written opinion, the Merger consideration was fair, from a financial point of view, to the shareholders of TrustAtlantic. On December 15, 2014, FIG Partners rendered its oral opinion, confirmed in writing, that as of such date and based upon and subject to the assumptions, procedures, considerations, qualifications and limitations set forth in the written opinion, the Merger consideration to be paid to TrustAtlantic shareholders pursuant to the Merger Agreement, as amended, was fair, from a financial point of view, to the shareholders of TrustAtlantic.

The full text of FIG Partners' opinions, dated October 21, 2014 and December 15, 2014, is attached as Annex B to this proxy statement/prospectus. You should read these opinions in their entirety for a discussion of the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by FIG Partners in rendering its opinions.

FIG Partners' opinion is directed to TrustAtlantic's board of directors, addresses only the fairness of the Merger consideration from a financial point of view to the holders of shares of TrustAtlantic common stock on each date the opinion was rendered, and does not address any other aspect of the Merger or constitute a recommendation as to how any shareholders of TrustAtlantic should vote at any shareholder meeting held in connection with the Merger.

For further information, see The Merger Opinion of FIG Partners, LLC.

**TrustAtlantic Will Hold its Special Meeting on Thursday, April 30, 2015 (page 24)**

The Special Meeting of TrustAtlantic shareholders will be held on Thursday, April 30, 2015, at 3:30 p.m. local time, at TrustAtlantic's offices located at 4801 Glenwood Avenue, Suite 500, Raleigh, North Carolina 27612. At the Special Meeting, TrustAtlantic shareholders will be asked to:

approve the Merger Agreement and the transactions it contemplates; and

approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the Merger Agreement, which we refer to herein as the Adjournment Proposal.

Only holders of record at the close of business on March 12, 2015 will be entitled to vote at the Special Meeting. Each share of TrustAtlantic common stock is entitled to one vote on each proposal to be considered at the TrustAtlantic Special Meeting. As of the record date, there were 4,776,849 shares of TrustAtlantic common stock entitled to vote at the Special Meeting. Each of the directors of TrustAtlantic have entered into voting agreements with First Horizon, pursuant to which they have agreed, solely in their capacity as TrustAtlantic shareholders, to vote all of their shares of TrustAtlantic common stock in favor of the proposals to be presented at the Special Meeting. As of the record date, TrustAtlantic's directors were entitled to vote an aggregate of approximately 610,592 shares of TrustAtlantic common stock, representing approximately 12.78% of the TrustAtlantic common stock outstanding on that date. As of the record date, the directors and executive officers of TrustAtlantic were entitled to vote approximately 662,996 shares of TrustAtlantic common stock representing approximately 13.88% of the shares of TrustAtlantic common stock outstanding on that date. As of the record date, First Horizon and its subsidiaries held no shares of TrustAtlantic common stock (other than shares held as fiduciary, custodian or agent).

To approve the Merger Agreement, holders of at least a majority of the outstanding shares of TrustAtlantic common stock entitled to vote at the Special Meeting must vote in favor of approving the Merger Agreement. Because approval is based on the affirmative vote of at least a majority of the shares outstanding, your failure to vote, failure to instruct your bank or broker how to vote with respect to the proposal to approve the Merger Agreement or abstention will have the same effect as a vote against approval of the Merger Agreement.

Approval of the Adjournment Proposal requires that the votes cast in person or by proxy at the Special Meeting in favor of the Adjournment Proposal exceed the votes cast against such proposal. Your failure to vote, failure to instruct your bank or broker how to vote or an abstention from voting with respect to the Adjournment Proposal, however, will have no effect on such proposal.

### **TrustAtlantic s Shareholders Have Appraisal Rights in the Merger (page 26 and page 50)**

Holders of shares of TrustAtlantic common stock who are entitled to vote on the merger, who timely deliver notice to TrustAtlantic of their intent to demand payment for their shares, who do not vote in favor of the approval of the Merger Agreement, and who otherwise comply with the requirements of Article 13 of the NCBCA will be entitled to appraisal rights in connection with the Merger under Article 13 of the NCBCA. In order to exercise and perfect appraisal rights, the holder of shares must follow the steps summarized in this proxy statement/prospectus and in a timely manner.

Under Article 13 of the NCBCA, where a Merger Agreement is to be submitted for approval at a meeting of shareholders and where the corporation concludes that shareholders are entitled to assert appraisal rights, the corporation must notify each of its shareholders entitled to appraisal rights that appraisal rights are available to them, include in the notice a copy of Article 13 and provide annual financial statements. This proxy statement/prospectus, and the notice of special meeting of shareholders that accompanies it, shall constitute such notice, and a copy of the full text of Article 13 of the NCBCA is attached as Annex C to this proxy statement/prospectus and the Company s audited consolidated financial statements for the fiscal year ended December 31, 2013 (together with the report of the Company s independent registered public accounting firm regarding such statements) and TrustAtlantic s unaudited consolidated balance sheet and income statement as of and for the nine months ended September 30, 2014 are attached as Annex D to this proxy statement/prospectus.

A shareholder who properly exercises appraisal rights has no assurance that it will receive an amount more than the Merger consideration and, in fact, may receive an amount the same as or even less than the Merger consideration. The foregoing is a description of the law pertaining to appraisal rights under the NCBCA and is qualified in its entirety by the full text of Article 13 of the NCBCA, which is attached as Annex C to this proxy statement/prospectus and incorporated by reference herein. The foregoing discussion does not constitute legal or other advice, nor does it constitute a recommendation on whether to exercise appraisal rights under Article 13 of the NCBCA.

**ANY HOLDER OF SHARES OF COMMON STOCK WHO WISHES TO DEMAND PAYMENT FOR HIS, HER OR ITS SHARES, EXERCISE APPRAISAL RIGHTS, OR WHO WISHES TO PRESERVE SUCH HOLDER S RIGHT TO DO SO, SHOULD CAREFULLY REVIEW ANNEX C AND THE SUMMARY DISCUSSION CONTAINED LATER IN THIS PROXY STATEMENT/PROSPECTUS BECAUSE FAILURE TO TIMELY AND PROPERLY COMPLY WITH THE PROCEDURES SPECIFIED COULD RESULT IN THE LOSS OF APPRAISAL RIGHTS. MOREOVER, BECAUSE OF THE COMPLEXITY OF THE PROCEDURES FOR APPRAISAL TRUSTATLANTIC BELIEVES THAT, IF A SHAREHOLDER IS CONSIDERING EXERCISING SUCH RIGHTS, SUCH SHAREHOLDER SHOULD CONSIDER SEEKING THE ADVICE OF LEGAL COUNSEL.**

### Conditions That Must Be Satisfied or Waived for the Merger to Occur (page 67)

Currently, TrustAtlantic and First Horizon expect to complete the Merger in the first half of 2015. As more fully described in this proxy statement/prospectus and in the Merger Agreement, the completion of the Merger depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include, among others, approval of the Merger Agreement by TrustAtlantic's shareholders and the receipt of certain required regulatory approvals.

Neither TrustAtlantic nor First Horizon can be certain when, or if, the conditions to the Merger will be satisfied or waived, or that the Merger will be completed.

### Termination of the Merger Agreement (page 68)

The Merger Agreement can be terminated at any time prior to completion of the Merger by the mutual consent of TrustAtlantic and First Horizon, or by either party in the following circumstances:

the Merger has not been completed by June 21, 2015 (the *End Date*); provided, that if all of the conditions to closing have been satisfied except that First Horizon has not yet received regulatory approval, the End Date will be extended to August 20, 2015; provided further, that if the Merger has not been completed by the End Date, such failure cannot be caused by the terminating party's breach of the Merger Agreement;

any required regulatory approval has been denied by the relevant governmental entity and this denial has become final and nonappealable, or a governmental entity has issued a final, nonappealable injunction permanently enjoining or otherwise prohibiting the consummation of the Merger or the other transactions contemplated by the Merger Agreement;

there is a breach of the Merger Agreement by the other party that would cause the conditions for completion of the Merger not to be satisfied, and the breach is not cured prior to the earlier of (i) the End Date, and (ii) 30 days following written notice of the breach by the terminating party or, if by its nature, such breach cannot be cured within such 30 day period, the date of written notice of the breach; or

TrustAtlantic shareholders fail to approve the Merger Agreement at the TrustAtlantic Special Meeting, and at a time when a third party has proposed acquiring TrustAtlantic on terms more favorable than the terms provided in the Merger agreement and First Horizon fails to amend its offer so that the alternative proposal ceases to be superior to the First Horizon transaction (as described in The Merger Agreement TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors), or the Merger Agreement is resubmitted to TrustAtlantic shareholders at a second shareholder meeting and the TrustAtlantic shareholders fail to approve the Merger Agreement at such shareholder meeting.

TrustAtlantic may terminate the Merger Agreement, if both of the following conditions are satisfied:

the number obtained by dividing (i) the volume weighted average price per share of First Horizon common stock over the ten consecutive trading days ending on the trading day immediately prior to the fourth business day prior to the date the Merger is closed (the *Determination Date*), as calculated by Bloomberg Financial LP under the function VWAP (the *Average Closing Price*) by (ii) \$12.8225, is less than 0.85; and

the number obtained by dividing (i) the Average Closing Price by (ii) \$12.8225, is less than the number obtained by (x) dividing the average of the closing price of the KBW Regional Bank Index as quoted on Bloomberg.com (KRX:IND) for the ten consecutive trading days ending on the trading day immediately prior to the Determination Date, by \$77.7420 and then (y) subtracting 0.15.

However, in the event TrustAtlantic notifies First Horizon (within two business days of the Determination Date) of its intent to terminate for failure to meet the conditions described above, First Horizon may, within two business days, elect to increase the Merger consideration by adjusting

the exchange ratio of 1.3261 so that it equals a number obtained by dividing (i) the product of \$12.8225, 0.85 and 1.3261 by (ii) the Average Closing Price, in which case TrustAtlantic may not terminate pursuant to this condition.

In addition, First Horizon may terminate the Merger Agreement in the following circumstances:

TrustAtlantic shareholders fail to approve the Merger Agreement at the Special Meeting (regardless of whether or not TrustAtlantic is obligated to resubmit the Merger Agreement to its shareholders for approval at a second shareholder meeting as described below in The Merger Agreement TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors );

TrustAtlantic's board of directors fails to recommend to the TrustAtlantic shareholders that they approve the Merger Agreement or withdraws, modifies or qualifies such recommendation in a manner adverse to First Horizon;

TrustAtlantic's board of directors fails to reaffirm its recommendation of the Merger within 10 business days after the public announcement of an acquisition proposal (or material modification thereto);

TrustAtlantic's board of directors breaches its non-solicitation obligations described below in The Merger Agreement Agreement Not to Solicit Other Offers or its obligations with respect to calling shareholder meetings and alternate acquisition proposals described below in The Merger Agreement TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors ; or

TrustAtlantic's board of directors approves, recommends or endorses, or proposes or resolves to recommend or endorse, an alternative transaction (as described below in The Merger Agreement TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors ) or acquisition proposal.

#### **Termination Fee (page 69)**

If the Merger Agreement is terminated under certain circumstances, including circumstances involving a change in recommendation by TrustAtlantic's board of directors, TrustAtlantic may be required to pay First Horizon a termination fee of \$3.25 million. The termination fee could discourage other companies from seeking to acquire or merge with TrustAtlantic.

#### **Regulatory Approvals Required for the Merger (page 50)**

Both TrustAtlantic and First Horizon have agreed to use their reasonable best efforts to obtain all regulatory approvals required to complete the transactions contemplated by the Merger Agreement. First Horizon has filed applications seeking regulatory approval to complete the transactions contemplated by the Merger Agreement with the Board of Governors of the Federal Reserve (the *FRB* ) and the North Carolina Commissioner of Banks (the *NCCOB* ). In addition, First Tennessee Bank has filed applications seeking regulatory approval to merge TrustAtlantic Bank with and into First Tennessee Bank with the Office of the Comptroller of the Currency and the NCCOB.

#### **Material U.S. Federal Income Tax Consequences of the Merger (page 72)**

The Merger is intended to qualify as a reorganization within the meaning of Section 368 of the Code. Assuming the Merger qualifies as such a reorganization, a shareholder of TrustAtlantic generally will not recognize any gain or loss upon receipt of First Horizon common stock in exchange for TrustAtlantic common stock in the Merger, but may recognize gain with respect to the cash consideration and cash received in lieu of a fractional share of First Horizon common stock. It is a condition to the completion of the Merger that the parties receive a written opinion from their counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368 of the Code.

**Board of Directors and Executive Officers of First Horizon and the Sole Member and Executive Officers of Merger Sub Following Completion of the Merger (page 49)**

The size and composition of First Horizon's board of directors and executive officers and the identity of Merger Sub's sole member and the composition of Merger Sub's executive officers will not be affected by the Merger.

Information about First Horizon's current directors and executive officers can be found in First Horizon's Definitive Proxy Statement for First Horizon's 2014 Annual Meeting which is incorporated by reference into First Horizon's Annual Report on Form 10-K for the fiscal year ended December 31, 2014.

**The Rights of TrustAtlantic Shareholders Will Change as a Result of the Merger (page 76)**

The rights of TrustAtlantic shareholders will change as a result of the Merger due to differences in First Horizon's and TrustAtlantic's governing documents. TrustAtlantic is incorporated in the state of North Carolina, and is governed by North Carolina law. First Horizon is incorporated in the state of Tennessee, and is governed by Tennessee law. The rights of TrustAtlantic shareholders are further governed by TrustAtlantic's articles of incorporation and bylaws, each as amended to date (which we refer to as TrustAtlantic's articles of incorporation and bylaws, respectively). Upon the completion of the Merger, TrustAtlantic shareholders will become First Horizon shareholders, and the rights of such shareholders will be governed by Tennessee law and First Horizon's restated charter and its amended and restated bylaws (which we refer to as First Horizon's charter and bylaws, respectively).

See Comparison of Shareholders' Rights for a description of the material differences in shareholder rights under each of the First Horizon and TrustAtlantic governing documents.

## RISK FACTORS

*In addition to general investment risks and the other information contained in this proxy statement/prospectus, including the matters addressed under the section **Cautionary Statement Regarding Forward-Looking Statements**, you should carefully consider the following risk factors in deciding how to vote for the proposals presented in this proxy statement/prospectus.*

*TrustAtlantic shareholders who will receive First Horizon common stock should read and consider the risks associated with the business of First Horizon because these risks will be applicable to your investment as a shareholder of First Horizon. Descriptions of some of these risks can be found in the Annual Report on Form 10-K filed by First Horizon for the year ended December 31, 2014, which is incorporated by reference into this proxy statement/prospectus. You should also consider the other information in this proxy statement/prospectus. See **Where You Can Find More Information**.*

*Additional risks and uncertainties not presently known to First Horizon or TrustAtlantic or that are not currently believed to be important to you, if they materialize, also may adversely affect the merger and First Horizon as the surviving entity.*

### **Risk Factors Related to Proposed Merger**

***Because the market price of First Horizon common stock will fluctuate, TrustAtlantic shareholders cannot be certain of the market value of the Merger consideration they will receive.***

If the Merger is completed, each holder of TrustAtlantic common stock outstanding immediately prior to the completion of the Merger will receive either (i) for each Cash Election Share, an amount of cash equal to the product of 1.3261 and the First Horizon Closing Price; or (ii) for each Stock Election Share, 1.3261 shares of First Horizon common stock; provided that the aggregate Merger consideration will consist of 75% stock consideration and 25% cash consideration. The exact number of First Horizon shares and amount of cash you may be entitled to receive in the Merger will depend on the number of TrustAtlantic common shares outstanding on the date the Merger is actually completed. Additionally, the market value of the Merger consideration on the date the Merger is completed may differ from the market value of the Merger consideration on the date First Horizon announced the Merger, on the date that this proxy statement/prospectus was mailed to TrustAtlantic shareholders, and on the date of the Special Meeting of the TrustAtlantic shareholders. Any change in the market price of First Horizon common stock prior to the completion of the Merger will affect the market value of the First Horizon common stock and the cash that TrustAtlantic shareholders will receive upon completion of the Merger. Stock price changes may result from a variety of factors that are beyond the control of First Horizon and TrustAtlantic, including but not limited to general market and economic conditions, regulatory considerations, changes in our industry, and changes in our respective businesses, operations and prospects. Therefore, at the time of the TrustAtlantic Special Meeting you will not know the precise market value of the consideration you will receive at the Effective Time of the Merger. You should obtain current market quotations for shares of First Horizon common stock.

***Combining the two companies may be more difficult, costly or time consuming than expected.***

First Horizon and TrustAtlantic have operated and, until the completion of the Merger, will continue to operate, independently. The success of the Merger, including anticipated cost savings, will depend, in part, on our ability to successfully combine the businesses of First Horizon and TrustAtlantic. To realize these anticipated benefits after the completion of the Merger, First Horizon expects to integrate TrustAtlantic's business into its own. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect the combined company's ability to

maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits of the Merger. On November 6, 2014, four commercial banking officers in TrustAtlantic's headquarters office in Raleigh simultaneously resigned with the stated

intent to start a Raleigh commercial lending office for a competitor bank not currently operating in the market. A substantial portion of TrustAtlantic's commercial loan accounts in the Raleigh-Cary market had been assigned to these four individuals to service the relationships. Additionally, two support staff employees subsequently resigned employment at TrustAtlantic to join the four commercial bankers. The loss of key employees could adversely affect First Horizon's ability to successfully conduct its business in the markets in which TrustAtlantic now operates, which could have an adverse effect on First Horizon's financial results and the value of its common stock. If First Horizon experiences difficulties with the integration process, the anticipated benefits of the Merger may not be realized fully or at all, or may take longer to realize than expected. As with any Merger of financial institutions, there also may be business disruptions that cause TrustAtlantic to lose customers or cause customers to remove their accounts from TrustAtlantic and move their business to competing financial institutions. Integration efforts between the two companies will also divert management attention and resources. These integration matters could have an adverse effect on each of TrustAtlantic and First Horizon during this transition period and for an undetermined period after completion of the Merger. In addition, the actual cost savings of the Merger could be less than anticipated.

***The fairness opinions obtained by TrustAtlantic from its financial advisor will not reflect changes in circumstances between signing the Merger Agreement and the completion of the Merger.***

TrustAtlantic has not obtained an updated fairness opinion as of the date of this proxy statement/prospectus from FIG Partners, LLC, its financial advisor. The original fairness opinions attached hereto are dated as of October 21, 2014 and December 15, 2014. Changes in the operations and prospects of TrustAtlantic or First Horizon, general market and economic conditions and other factors that may be beyond the control of TrustAtlantic and First Horizon, and on which the fairness opinions were based, may alter the value of TrustAtlantic or First Horizon or the prices of shares of TrustAtlantic common stock or First Horizon common stock by the time the Merger is completed. The fairness opinions do not speak as of the time the Merger will be completed or as of any date other than the date of such opinion. Because TrustAtlantic does not anticipate asking its financial advisor to update its opinion, the opinion does not address the fairness of the Merger consideration, from a financial point of view, at the time the Merger is completed. The fairness opinions dated as of October 21, 2014 and December 15, 2014 are attached as Annex B to this proxy statement/prospectus. For a description of the opinions that TrustAtlantic received from its financial advisor, see "The Merger" Opinion of FIG Partners, LLC. For a description of the other factors considered by TrustAtlantic's board of directors in determining to approve the Merger, see "The Merger" TrustAtlantic's Reasons for the Merger; Recommendation of TrustAtlantic's Board of Directors.

***The market price for First Horizon common stock may be affected by factors different from those that historically have affected the value of TrustAtlantic common stock.***

Upon completion of the Merger, holders of Stock Election Shares will become holders of First Horizon common stock. First Horizon's businesses differ from those of TrustAtlantic, and accordingly the results of operations of First Horizon will be affected by some factors that are different from those currently affecting the results of operations of TrustAtlantic.

***The merger agreement may be terminated in accordance with its terms and the merger may not be completed.***

The Merger Agreement is subject to a number of conditions which must be fulfilled in order to complete the Merger. Those conditions include, but are not limited to, the following: the approval of the Merger Agreement Proposal by TrustAtlantic shareholders, the receipt of all required regulatory approvals, the accuracy of representations and warranties under the Merger Agreement (subject to the materiality standards set forth in the Merger Agreement), First Horizon's and TrustAtlantic's performance of their respective obligations under the Merger Agreement in all material respects and

each of First Horizon's and TrustAtlantic's receipt of a tax opinion to the effect that the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Code. These conditions to the closing of the Merger may not be fulfilled and, accordingly, the Merger may not be completed.

In addition, if the Merger is not completed by the End Date, either First Horizon or TrustAtlantic may choose not to proceed with the Merger, and the parties can mutually decide to terminate the Merger Agreement at any time, before or after TrustAtlantic shareholder approval. In addition, First Horizon and TrustAtlantic may elect to terminate the Merger Agreement in certain other circumstances. If the Merger Agreement is terminated under certain circumstances, TrustAtlantic may be required to pay a termination fee to First Horizon. See the section entitled "The Merger Agreement - Termination Fee."

***TrustAtlantic shareholders will experience a reduction in percentage ownership and voting power of their shares as a result of the merger.***

TrustAtlantic shareholders will experience a substantial reduction in their percentage ownership interests and effective voting power in First Horizon compared to their ownership interests and voting power in TrustAtlantic prior to the Merger. If the Merger is consummated and assuming an exchange ratio of 1.3261 and assuming the exercise of all TrustAtlantic options and warrants prior to the closing of the Merger, current TrustAtlantic shareholders will own approximately 2.3% of First Horizon's outstanding common stock, on a fully diluted basis. Accordingly, former TrustAtlantic shareholders will own a minority of the outstanding voting stock of the combined company and would, as a result, be outvoted by current First Horizon shareholders if such current First Horizon shareholders voted together as a group.

***The Merger Agreement contains provisions and terms, such as termination fees, that may limit or discourage other potential acquirers from making competing proposals to acquire TrustAtlantic.***

The Merger Agreement contains provisions that limit TrustAtlantic's ability to discuss competing third-party proposals to acquire all or a significant part of TrustAtlantic or TrustAtlantic Bank. In addition, TrustAtlantic has agreed to pay First Horizon a termination fee of \$3,250,000 if the transaction is terminated because TrustAtlantic decides to enter into or close another acquisition transaction. These provisions might discourage a potential competing acquirer that might have an interest in acquiring all or a significant part of TrustAtlantic from considering or proposing that acquisition, even if it were prepared to pay consideration with a higher per share price than that proposed in the merger with First Horizon, or might result in a potential competing acquirer proposing to pay a lower per share price to acquire TrustAtlantic than it might otherwise have proposed to pay.

***TrustAtlantic executive officers have financial interests in the Merger that are different from, or in addition to, the interests of TrustAtlantic shareholders.***

Executive officers of TrustAtlantic negotiated the terms of the Merger Agreement with their counterparts at First Horizon, and TrustAtlantic's board of directors adopted and approved the Merger Agreement and recommended that TrustAtlantic shareholders vote to approve the Merger Agreement on substantially the terms set forth in the Merger Agreement. In considering these facts and the other information contained in this proxy statement/prospectus, you should be aware that certain of TrustAtlantic's executive officers have financial interests in the Merger that are different from, or in addition to, the interests of TrustAtlantic shareholders. For example, certain executive officers have entered into agreements that provide, among other things, severance and/or other benefits following the Merger. These and some other additional interests of TrustAtlantic executive officers may cause some of these persons to view the proposed transaction differently than you may view it, as a shareholder. TrustAtlantic's board of directors was aware of these interests at the time it approved the transaction and found them to be reasonable. See "Interests of TrustAtlantic's Directors and Executive Officers in the Merger" for information about these financial interests.

**COMPARATIVE PER SHARE DATA****(Unaudited)****Comparative Historical and Unaudited Pro Forma Combined and Equivalent Per Share Data**

Presented below for First Horizon and TrustAtlantic are comparative historical and unaudited pro forma combined and equivalent per share financial data as of and for the year ended December 31, 2013, and as of and for the nine months ended September 30, 2014. The information presented below should be read together with the historical consolidated financial statements of First Horizon and TrustAtlantic, including the related notes. The financial statements for TrustAtlantic are provided at Annex D and the financial statements for First Horizon are incorporated by reference into this proxy statement/prospectus. Financial data for TrustAtlantic for the fiscal year ended December 31, 2014 was not available as of the date of this proxy statement/prospectus.

The unaudited pro forma combined information gives effect to the Merger as if the Merger had been effective on December 31, 2013 or September 30, 2014 in the case of the book value data, and as if the Merger had been effective as of January 1, 2013 or January 1, 2014 in the case of the earnings per share and the cash dividends data. The unaudited pro forma combined data combines the historical results of TrustAtlantic into First Horizon's consolidated statement of net income. While certain adjustments were made for the estimated impact of fair value adjustments and other acquisition-related activity, they are not indicative of what could have occurred had the acquisition taken place on January 1, 2013 or January 1, 2014.

The unaudited pro forma combined adjustments are based upon available information and certain assumptions that TrustAtlantic and First Horizon management believe are reasonable. The unaudited pro forma combined data, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect the impact of factors that may result as a consequence of the Merger, excluding estimated Merger integration costs, or consider any potential impacts of current market conditions at the time of the Merger on revenues, expense efficiencies or asset dispositions, among other factors, nor the impact of possible business model changes. As a result, unaudited pro forma combined data are presented for illustrative purposes only and do not represent an attempt to predict or suggest future results. Upon completion of the Merger, the operating results of TrustAtlantic will be reflected in the consolidated financial statements of First Horizon on a prospective basis.

(1) Earnings per share measures were calculated using actual weighted average shares outstanding of First Horizon stock for each of the periods presented combined with the estimated shares to be issued to TrustAtlantic shareholders as part of the merger consideration based on actual TrustAtlantic shares outstanding as of September 30, 2014. Shares assumed to be issued to TrustAtlantic shareholders as a result of the merger were assumed outstanding as of the

Should one or more of these risks materialize or should underlying beliefs or assumptions prove incorrect, actual results could differ materially from those anticipated by the forward-looking statements or historical results. Factors that could cause or contribute to such differences include, but are not limited to: (1) matters set forth under the section entitled Risk Factors; (2) expected benefits of the Merger may not materialize in the timeframe expected or at all, or may be more costly to achieve; (3) the Merger may not be timely completed, if at all; (4) prior to the completion of the Merger or thereafter, First Horizon's and TrustAtlantic's respective businesses may not perform as expected due to transaction-related uncertainty or other factors; (5) the parties may be unable to successfully implement integration strategies; (6) required regulatory, shareholder or other approvals might not be obtained or other closing conditions might not be satisfied in a timely manner or at all; (7) First Horizon and TrustAtlantic may experience reputational risks and the companies' customers may react negatively to the transaction; (8) management may have their time diverted from ordinary activities due to Merger-related issues; and (9) those factors referenced in First Horizon's filings with the SEC.

increasing use of new technologies to interact with customers and others; and critical accounting estimates. Other factors are those inherent in originating, selling, servicing, and holding loans and loan-based assets, including prepayment risks, pricing concessions, fluctuation in U.S. housing and other real estate prices, fluctuation of collateral values, and changes in customer profiles. Additionally, the actions of the Securities and Exchange Commission ( *SEC* ), the Financial Accounting Standards Board ( *FASB* ), the Office of the Comptroller of the Currency ( *OCC* ), the Board of Governors of the Federal Reserve System ( *Federal Reserve* ), the Federal Deposit Insurance Corporation ( *FDIC* ), Financial Industry Regulatory Authority ( *FINRA* ), the Consumer Financial Protection Bureau ( *Bureau* ), the Financial Stability Oversight Council ( *Council* ), and other regulators and agencies; pending, threatened, or possible future regulatory, administrative, and judicial outcomes, actions, and proceedings; changes in laws and regulations applicable to First Horizon; and First Horizon's success in executing its business plans and strategies and managing the risks involved in the foregoing, could cause actual results to differ, perhaps materially, from those contemplated by the forward-looking statements.

For any forward-looking statements made in this proxy statement/prospectus, First Horizon claims the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. You are cautioned not to place undue reliance on these statements, which speak only as of the date of this proxy statement/prospectus. First Horizon does not undertake to update forward-looking statements to reflect facts, circumstances, assumptions or events that occur after the date the forward-looking statements are made. All written and oral forward-looking statements concerning the Merger or other matters addressed in this proxy statement/prospectus are expressly qualified in their entirety by the cautionary statements contained or referred to in this proxy statement/prospectus.

## THE TRUSTATLANTIC SPECIAL MEETING

This section contains information for TrustAtlantic shareholders about the Special Meeting that TrustAtlantic has called to allow its shareholders to consider and approve the Merger Agreement. TrustAtlantic is mailing this proxy statement/prospectus to you, as a TrustAtlantic shareholder, on or about March 20, 2015. Together with this proxy statement/prospectus, TrustAtlantic is also sending to you a notice of the Special Meeting of TrustAtlantic shareholders and a form of proxy card that TrustAtlantic's board of directors is soliciting for use at the Special Meeting and at any adjournments or postponements of the Special Meeting.

This proxy statement/prospectus is also being furnished by First Horizon to TrustAtlantic shareholders as a prospectus in connection with the issuance of shares of First Horizon common stock upon completion of the Merger.

### **Date, Time and Place of Meeting**

The Special Meeting will be held at TrustAtlantic's offices located at 4801 Glenwood Avenue, Suite 500, Raleigh, North Carolina 27612, on Thursday, April 30, 2015, at 3:30 p.m. local time.

### **Matters to Be Considered**

At the Special Meeting of shareholders, you will be asked to consider and vote upon the following matters:

- a proposal to approve the Merger Agreement and the transactions it contemplates; and
- a proposal to approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the Merger Agreement.

### **Recommendation of TrustAtlantic's Board of Directors**

TrustAtlantic's board of directors determined that the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement are advisable and in the best interests of TrustAtlantic and its shareholders and has unanimously approved the Merger and the Merger Agreement. TrustAtlantic's board of directors unanimously recommends that TrustAtlantic shareholders vote **FOR** approval of the Merger Agreement and **FOR** the Adjournment Proposal. See *The Merger TrustAtlantic's Reasons for the Merger; Recommendation of TrustAtlantic's Board of Directors* for a more detailed discussion of TrustAtlantic's board of directors' recommendation.

### **Record Date and Quorum**

TrustAtlantic's board of directors has fixed the close of business on March 12, 2015 as the record date for determining the holders of TrustAtlantic common stock entitled to receive notice of and to vote at the TrustAtlantic Special Meeting.

As of the record date, there were 4,776,849 shares of TrustAtlantic common stock outstanding and entitled to vote at the TrustAtlantic Special Meeting held by approximately 255 holders of record. Each share of TrustAtlantic common stock entitles the holder to one vote at the TrustAtlantic Special Meeting on each proposal to be considered at the TrustAtlantic Special Meeting.

The presence at the Special Meeting, in person or by proxy, of holders of a majority of the outstanding shares of TrustAtlantic common stock entitled to vote at the Special Meeting will constitute a quorum for the transaction of business. All shares of TrustAtlantic common stock, whether present in person or represented by proxy, including abstentions and broker non-votes, will be treated as present for purposes of determining the presence or absence of a quorum for all matters voted on at the TrustAtlantic Special Meeting. A broker non-vote occurs under stock exchange

rules when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given.

### **Vote Required; Treatment of Abstentions and Failure to Vote**

Approval of the Merger Agreement requires the affirmative vote of the holders of at least a majority of the outstanding shares of TrustAtlantic common stock entitled to vote at the Special Meeting. You are entitled to one vote for each share of TrustAtlantic common stock you held as of the record date. Because approval is based on the affirmative vote of at least a majority of the shares outstanding, your failure to vote, failure to instruct your bank or broker with respect to the proposal to approve the Merger Agreement or an abstention will have the same effect as a vote against approval of the Merger Agreement.

Approval of the Adjournment Proposal requires that the votes cast, by person or by proxy at the Special Meeting, in favor of the Adjournment Proposal exceed the votes cast against such proposal. Your failure to vote, failure to instruct your bank or broker how to vote or an abstention from voting with respect to the Adjournment Proposal, however, will have no effect on such proposal.

### **Shares Held by Officers and Directors**

As of the record date, directors and executive officers of TrustAtlantic and their affiliates beneficially owned and were entitled to vote approximately 662,996 shares of TrustAtlantic common stock, representing approximately 13.88% of the shares of TrustAtlantic common stock outstanding on that date. Each of the directors of TrustAtlantic have entered into voting agreements with First Horizon, pursuant to which they have agreed, solely in their capacity as TrustAtlantic shareholders, to vote all of their shares of TrustAtlantic common stock in favor of the proposals to be presented at the Special Meeting. As of the record date, the directors were entitled to vote an aggregate of approximately 610,592 shares of TrustAtlantic common stock, representing approximately 12.78% of the shares of TrustAtlantic common stock outstanding on that date. As of the record date, First Horizon and its subsidiaries held no shares of TrustAtlantic common stock (other than shares held as fiduciary, custodian or agent).

### **Voting of Proxies; Incomplete Proxies**

Each copy of this proxy statement/prospectus mailed to holders of TrustAtlantic common stock is accompanied by a form of proxy with instructions for voting. If you hold stock in your name as a shareholder of record, you should complete and return the proxy card accompanying this proxy statement/prospectus, regardless of whether you plan to attend the Special Meeting.

All shares represented by valid proxies that TrustAtlantic receives through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card. If you make no specification on your proxy card as to how you want your shares voted before signing and returning it, your proxy will be voted FOR approval of the Merger Agreement and FOR approval of the Adjournment Proposal. No matters other than the matters described in this proxy statement/prospectus are anticipated to be presented for action at the Special Meeting or at any adjournment or postponement of the Special Meeting.

### **Shares Held in Street Name ; Broker Non-Votes**

If you hold your stock in street name through a bank or broker, you must direct your bank or broker to vote in accordance with the instructions you have received from your bank or broker.

Under stock exchange rules, banks, brokers and other nominees who hold shares of TrustAtlantic common stock in street name for a beneficial owner of those shares typically have the authority to vote in their discretion on routine proposals when they have not received instructions from beneficial owners. However, banks, brokers and other nominees are not allowed to exercise their voting discretion with respect to the approval of matters determined to be

non-routine, such as approval of the Merger Agreement proposal, without specific instructions from the beneficial owner. Broker non-votes are shares held by a broker, bank or other nominee that are represented at the TrustAtlantic Special Meeting, but with respect to which the broker or nominee is not instructed by the beneficial owner of such shares to vote on the particular proposal and for

which the broker does not have discretionary voting power with respect to such proposal. It is expected that brokers, banks and other nominees will not have discretionary authority to vote on either proposal and, as a result, TrustAtlantic anticipates that there will not be any broker votes cast as to which no instructions were received in connection with either proposal. Therefore, if your broker, bank or other nominee holds your shares of TrustAtlantic common stock in street name, your broker, bank or other nominee will vote your shares of TrustAtlantic common stock only if you provide instructions on how to vote by filling out the voter instruction form sent to you by your broker, bank or other nominee with this proxy statement/prospectus.

### **Revocability of Proxies and Changes to a TrustAtlantic Shareholder's Vote**

If you hold stock in your name as a shareholder of record, you may revoke any proxy at any time before it is voted by (1) signing and returning a proxy card with a later date, (2) delivering a written revocation letter to TrustAtlantic's corporate secretary, or (3) attending the Special Meeting in person, notifying the corporate secretary and voting by ballot at the Special Meeting.

Any shareholder entitled to vote in person at the Special Meeting may vote in person regardless of whether a proxy has been previously given, but the mere presence (without notifying TrustAtlantic's corporate secretary) of a TrustAtlantic shareholder at the Special Meeting will not constitute revocation of a previously given proxy.

Written notices of revocation and other communications about revoking your proxy should be addressed to:

TrustAtlantic Financial Corporation  
4801 Glenwood Avenue  
Suite 500  
Raleigh, North Carolina 27612  
Attention: Secretary

If your shares are held in street name by a bank or broker, you should follow the instructions of your bank or broker regarding the revocation of your voting instructions.

### **Appraisal Rights**

*TrustAtlantic's Shareholders have Appraisal Rights*

Holders of shares of TrustAtlantic common stock who are entitled to vote on the Merger, who timely deliver notice to TrustAtlantic of their intent to demand payment for their shares, who do not vote in favor of the approval of the Merger Agreement, and who otherwise comply with the requirements of Article 13 of the North Carolina Business Corporation Act (the *NCBCA*) will be entitled to appraisal rights in connection with the merger under Article 13 of the NCBCA. In order to exercise and perfect appraisal rights, the holder of shares must follow the steps summarized in this proxy statement and in a timely manner.

Under Article 13 of the NCBCA, where a merger agreement is to be submitted for approval at a meeting of shareholders and where the corporation concludes that shareholders are entitled to assert appraisal rights, the corporation must notify each of its shareholders entitled to appraisal rights that appraisal rights are available to them, include in the notice a copy of Article 13 and provide annual financial statements. This proxy statement/prospectus, and the notice of special meeting of shareholders that accompanies it, shall constitute such notice, and a copy of the full text of Article 13 of the NCBCA is attached as Annex C to this proxy statement/prospectus and the Company's audited consolidated financial statements for the fiscal year ended December 31, 2013 (together with the report of the Company's independent registered public accounting firm regarding such statements) and TrustAtlantic's unaudited

consolidated balance sheet and income statement as of and for the nine months ended September 30, 2014 are attached as Annex D to this proxy statement/prospectus.

A shareholder who properly exercises appraisal rights has no assurance that it will receive an amount more than the Merger consideration and, in fact, may receive an amount the same as or

even less than the Merger consideration. The following summary is a description of the law pertaining to appraisal rights under the NCBCA and is qualified in its entirety by the full text of Article 13 of the NCBCA, which is attached as Annex C to this proxy statement/prospectus and incorporated by reference herein. The following summary does not constitute legal or other advice, nor does it constitute a recommendation on whether to exercise appraisal rights under Article 13 of the NCBCA.

**ANY HOLDER OF SHARES OF TRUSTATLANTIC COMMON STOCK WHO WISHES TO DEMAND PAYMENT FOR HIS, HER OR ITS SHARES, EXERCISE APPRAISAL RIGHTS, OR WHO WISHES TO PRESERVE SUCH HOLDER'S RIGHT TO DO SO, SHOULD CAREFULLY REVIEW THE FOLLOWING DISCUSSION AND APPENDIX C BECAUSE FAILURE TO TIMELY AND PROPERLY COMPLY WITH THE PROCEDURES SPECIFIED COULD RESULT IN THE LOSS OF APPRAISAL RIGHTS. MOREOVER, BECAUSE OF THE COMPLEXITY OF THE PROCEDURES FOR APPRAISAL TRUSTATLANTIC BELIEVES THAT, IF A SHAREHOLDER IS CONSIDERING EXERCISING SUCH RIGHTS, SUCH SHAREHOLDER SHOULD CONSIDER SEEKING THE ADVICE OF LEGAL COUNSEL.**

*Requirements of Appraisal Rights*

Under Article 13 of the NCBCA, TrustAtlantic shareholders who (i) are entitled to vote on the Merger, (ii) deliver to TrustAtlantic, before the vote to effectuate the Merger is taken, written notice of the shareholder's intent to demand payment if the Merger is effectuated, (iii) do not vote in favor of the proposal to approve the Merger Agreement, and (iv) otherwise follow the procedures set forth in Article 13 will be entitled to receive payment in cash of the fair value of those shares (excluding any appreciation or depreciation in anticipation of the merger unless such exclusion would be inequitable), together with interest, if any, to be paid upon the amount determined to be the fair value as determined by the process set forth in Article 13. Shareholders who receive a fair value cash payment will not be entitled to receive any Merger consideration.

The shareholder must not vote, or cause or permit to be voted, any shares in favor of the Merger Agreement. A failure to vote will satisfy this requirement, as will a vote against the Merger Agreement, but a vote in favor of the Merger Agreement (by proxy or in person) or the return of a signed proxy which does not specify a vote against approval of the Merger Agreement or contain a direction to abstain (which as specified under The TrustAtlantic Special Meeting Voting of Proxies; Incomplete Proxies will result in your proxy being voted in favor of the proposal to approve the Merger Agreement), will constitute a waiver of the shareholder's appraisal rights.

If the above requirements are not satisfied and the Merger becomes effective, a holder of TrustAtlantic common stock will not be entitled to payment for such shareholder's shares under the provisions of Article 13.

*Filing Notice of Intent to Demand Payment*

Any holder of TrustAtlantic common stock wishing to exercise a demand for payment and appraisal rights must deliver to TrustAtlantic, before the vote on the proposal to approve the Merger Agreement at the Special Meeting, a written notice of intent to demand appraisal of the shareholder's shares. Written notices of intent to demand payment pursuant to Article 13 should be addressed to:

TrustAtlantic Financial Corporation  
4801 Glenwood Avenue  
Suite 500  
Raleigh, North Carolina 27612  
Attn: Richard W. Edwards

A record holder, such as a broker, who holds shares of TrustAtlantic common stock as a nominee for others, may exercise appraisal rights with respect to the shares held by all or less than all beneficial owners of shares as to which such person is the record holder, provided such record

holder exercises appraisal rights with respect to all shares beneficially owned by any particular beneficial shareholder. In such case, the notice submitted by such nominee as record holder must set forth the name and address of the beneficial shareholder who is demanding payment. A beneficial owner may exercise appraisal rights only if such beneficial owner also submits to TrustAtlantic the record holder's written consent to such exercise not later than the Demand Deadline (as defined below) and may assert appraisal rights only with respect to all shares of TrustAtlantic common stock of which it is the beneficial owner. If you hold your shares in street name through an account with a bank, broker, or other nominee and wish to exercise your appraisal rights, you are urged to consult with your bank, broker or other nominee to determine the appropriate procedures for the making of a demand for appraisal.

Neither voting against the proposal to approve the Merger Agreement, nor abstaining from voting or failing to vote on the proposal to approve the Merger Agreement, will in and of itself constitute a notice of intent to demand payment for appraisal satisfying the requirements of Article 13. The written notice of intent to demand appraisal must be in addition to and separate from any proxy or vote on the proposal to approve the Merger Agreement. A shareholder's failure to make the notice of intent to demand appraisal prior to the taking of the vote on the proposal to approve the Merger Agreement at the Special Meeting will constitute a waiver of appraisal rights.

#### *Appraisal Notice from TrustAtlantic*

If the Merger is completed, TrustAtlantic will be required to deliver a written appraisal notice and form to all shareholders who have satisfied the requirements described above under Requirements of Appraisal Rights and Filing Notice of Intent to Demand Payment. The appraisal notice and form must be sent by TrustAtlantic no earlier than the date the Merger becomes effective and no later than 10 days after that date. See The Merger Agreement Closing and Effective Time of the Merger. The appraisal notice and form must:

Identify the first date of any announcement of the principal terms of the merger to the shareholders. If such an announcement was made, the form must require the shareholder to certify whether beneficial ownership of the shares was acquired before that date. For more information regarding this requirement, see After-Acquired Shares below.

Require the shareholder to certify that the shareholder did not vote for or consent to the transaction.

State where the appraisal form is to be returned, where certificates for certificated shares must be deposited and, in the case of non-certificated shares represented by book-entry, the extent to which transfer of the shares will be restricted after the payment demand is received, and the date by which such certificates must be deposited.

State a date by which TrustAtlantic must receive the appraisal form from the shareholder, known as the Demand Deadline. The Demand Deadline may not be less than 40 nor more than 60 days after the date the appraisal notice and form are sent to shareholders.

State that if the appraisal form is not received by TrustAtlantic by the specified date, the shareholder will be deemed to have waived the right to demand appraisal.

State TrustAtlantic's estimate of the fair value of the shares.

Disclose that, if requested in writing by the shareholder, TrustAtlantic will disclose within 10 days after the Demand Deadline the number of shareholders who have returned their appraisal forms and the total number of shares owned by them.

Establish a date within 20 days of the Demand Deadline by which shareholders can withdraw the request for appraisal.

Include a copy of Article 13 of the NCBCA.

A TrustAtlantic shareholder who receives an appraisal notice from TrustAtlantic must demand payment by signing and returning the appraisal form included with the notice and, in the case of certificated shares, deposit his, her or its share certificates in accordance with the terms of the appraisal notice. Shareholders should respond to the appraisal form's request discussed above

regarding when beneficial ownership of the shares was acquired. A failure to provide this certification allows TrustAtlantic to treat the shares as after-acquired shares subject to TrustAtlantic's authority to delay payment as described below under After-Acquired Shares. Once a shareholder deposits his, her or its certificates or, in the case of non-certificated shares represented by book-entry, returns the signed appraisal form, the shareholder loses all rights as a shareholder unless a timely withdrawal occurs as described below. A shareholder who does not sign and return the appraisal form and, in the case of certificated shares, fails to deposit the shares, is not entitled to payment under Article 13.

A shareholder who has complied with all the steps required for appraisal may thereafter decline to exercise appraisal rights and withdraw from the appraisal process by notifying TrustAtlantic in writing. The appraisal notice will include a date by which the withdrawal notice must be received. Following this date, a shareholder may only withdraw from the appraisal process with TrustAtlantic's consent.

#### *TrustAtlantic's Payment to TrustAtlantic Shareholders*

Within 30 days after the Demand Deadline, TrustAtlantic is required to pay each shareholder who has properly perfected their appraisal rights the amount that TrustAtlantic estimates to be the fair value of such shareholder's shares, plus interest accrued from the date the Merger became effective to the date of payment. The payment will be accompanied by the following:

- TrustAtlantic's most recently available balance sheet, income statement and statement of cash flows as of the end of or for the fiscal year ending not more than 16 months before the date of payment, and the latest available quarterly financial statements, if any;
- a statement of TrustAtlantic's estimate of the fair value of the shares, which must equal or exceed TrustAtlantic's estimate in the earlier circulated appraisal notice; and
- a statement that the shareholder has the right to submit a final payment demand as described below and that the shareholder will lose the right to submit a final payment demand if he or she does not act within the specified time frame.

#### *Final Payment Demand by Shareholder*

A shareholder who is dissatisfied with the amount of the payment received from TrustAtlantic may notify TrustAtlantic in writing of such shareholder's own estimate of the fair value of the shares and the amount of interest due, and demand payment of the excess of this estimate over the amount previously paid by TrustAtlantic. A shareholder who does not submit a final payment demand within 30 days after receiving TrustAtlantic's payment is only entitled to the amount previously paid.

#### *After-Acquired Shares*

TrustAtlantic may withhold payment with respect to any shares which a shareholder failed to certify on the appraisal form as being beneficially owned prior to the date stated in the appraisal notice as the date on which the principal terms of the Merger were first announced. If TrustAtlantic withholds payment, it must, within 30 days after the Demand Deadline, provide affected shareholders with TrustAtlantic's most recently available balance sheet, income statement and statement of cash flows as of the end of or for the fiscal year ending not more than 16 months before the date of payment, and the latest available quarterly financial statements, if any. TrustAtlantic must also inform such shareholders that they may accept TrustAtlantic's estimate of the fair value of their shares, plus interest, in full satisfaction of their claim or submit a final payment demand. Shareholders who wish to accept the offer must notify TrustAtlantic of their acceptance within 30 days after receiving the offer. TrustAtlantic must send payment to such shareholders within 10 days after receiving their acceptance. Shareholders who are dissatisfied with the offer must reject the offer and demand payment of the shareholder's own estimate of the fair value of the shares, plus interest

within 30 days after receiving TrustAtlantic's offer of payment. If a shareholder does not explicitly accept or reject TrustAtlantic's offer, the shareholder will be deemed

to have accepted the offer. TrustAtlantic must send payment to these shareholders within 40 days after sending the notice regarding withholding of payment.

#### *Judicial Appraisal of Shares*

If TrustAtlantic does not pay the amount demanded pursuant to a shareholder's final payment demand, TrustAtlantic must commence a proceeding in North Carolina Superior Court within 60 days after receiving the final demand. The purpose of the proceeding is to determine the fair value of the shares and the interest due. If TrustAtlantic does not commence the proceeding within the 60-day period, it must pay each shareholder demanding appraisal the amount demanded, plus interest.

All shareholders whose payment demands remain unsettled will be parties to the action. The proceeding is against the shareholder's shares and not against shareholders personally. There is no right to a jury trial. Each shareholder who is a party to the proceeding will be entitled to judgment for the amount, if any, by which the court finds the fair value of the shareholder's shares, plus interest, exceeds the amount paid by TrustAtlantic to the shareholder for the shares.

The court will determine all court costs of the proceeding and will assess the costs against TrustAtlantic, except that the court may assess costs against some or all of the shareholders demanding appraisal, in amounts the court finds equitable, to the extent the court finds such shareholders acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by Article 13. The court may also assess expenses (including legal fees) for the respective parties, in the amounts the court finds equitable: (i) against TrustAtlantic if the court finds that it did not comply with the statutes or (ii) against TrustAtlantic or the shareholder demanding appraisal, if the court finds that the party against whom expenses are assessed acted arbitrarily, vexatiously, or not in good faith. If the court finds that the expenses incurred by any shareholder were of substantial benefit to other shareholders similarly situated and that the expenses should not be assessed against TrustAtlantic, it may direct that the expenses be paid out of the amounts awarded to the shareholders who were benefited.

If TrustAtlantic fails to make a required payment to a shareholder under Article 13, the shareholder entitled to payment can commence an action against TrustAtlantic directly for the amount owed and recover the expenses of that action.

#### *Determination of Fair Value*

The North Carolina Superior Court may appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers shall have the powers described in the order appointing them, or in any amendment to it. The shareholders demanding appraisal rights are entitled to the same discovery rights as parties in other civil proceedings in North Carolina.

In determining fair value, the North Carolina Superior Court will consider the per share value of TrustAtlantic common stock (i) immediately before effectuation of the Merger, excluding any appreciation or depreciation in anticipation of the Merger unless exclusion would be inequitable, (ii) using customary and current valuation concepts and techniques generally employed for similar business in the context of the Merger, and (iii) without discounting for lack of marketability or minority status except, if appropriate, for amendments to the articles pursuant to Section 55-13-02(a)(5) of the NCBCA. Such fair value could be less than, equal to or more than the consideration being offered pursuant to the merger agreement.

**THE SUMMARY SET FORTH ABOVE DOES NOT PURPORT TO BE A COMPLETE STATEMENT OF THE PROVISIONS OF ARTICLE 13 RELATING TO THE RIGHTS OF SHAREHOLDERS DEMANDING APPRAISAL AND IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE APPLICABLE**

**SECTIONS OF THE NCBCA, WHICH ARE ATTACHED AS APPENDIX C TO THIS PROXY STATEMENT. SHAREHOLDERS INTENDING TO EXERCISE APPRAISAL RIGHTS ARE URGED TO REVIEW**

**APPENDIX C CAREFULLY AND TO CONSULT WITH LEGAL COUNSEL SO AS TO BE IN STRICT COMPLIANCE THEREWITH.**

**Solicitation of Proxies**

TrustAtlantic's Board of Directors is soliciting your proxy in conjunction with the Merger. TrustAtlantic will bear the entire cost of soliciting proxies from you. TrustAtlantic may use several of its regular employees, who will not be specially compensated, to solicit proxies from the TrustAtlantic shareholders, either personally or by telephone, facsimile, letter or other electronic means. In addition to solicitation of proxies by mail, TrustAtlantic will request that banks, brokers and other record holders send proxies and proxy material to the beneficial owners of TrustAtlantic common stock and secure their voting instructions. TrustAtlantic will reimburse such record holders for their reasonable expenses in taking those actions.

**Attending the Meeting**

All holders of TrustAtlantic common stock, including shareholders of record and shareholders who hold their shares through banks, brokers, nominees or any other holder of record, are invited to attend the Special Meeting. Shareholders of record can vote in person at the Special Meeting. If you are not a shareholder of record, you must obtain a proxy executed in your favor, from the record holder of your shares, such as a broker, bank or other nominee, to be able to vote in person at the Special Meeting. If you plan to attend the Special Meeting, you must hold your shares in your own name or have a letter from the record holder of your shares confirming your ownership. In addition, you must bring a form of personal photo identification with you in order to be admitted. TrustAtlantic reserves the right to refuse admittance to anyone without proper proof of share ownership and without proper photo identification. The use of cameras, sound recording equipment, communications devices or any similar equipment during the Special Meeting is prohibited without TrustAtlantic's express written consent.

## THE MERGER

*The following discussion contains material information about the Merger. We urge you to read carefully this entire proxy statement/prospectus, including the Merger Agreement attached as Annex A to this proxy statement/prospectus, for a more complete understanding of the Merger.*

### Terms of the Merger

First Horizon's and TrustAtlantic's boards of directors have approved the Merger Agreement. The Merger Agreement provides for the acquisition of TrustAtlantic by First Horizon through the Merger of TrustAtlantic with and into Merger Sub, a wholly-owned subsidiary of First Horizon, with Merger Sub continuing as the surviving entity in the Merger. The Merger Agreement additionally provides that, on or after the consummation of the Merger, TrustAtlantic's wholly owned subsidiary bank, TrustAtlantic Bank, will merge with and into First Tennessee Bank, First Horizon's subsidiary bank, with First Tennessee Bank as the surviving entity.

Subject to the terms and conditions set forth in the Merger Agreement, at the Effective Time of the Merger each outstanding share of TrustAtlantic common stock will be converted into the right to receive either (i) for each Cash Election Share, an amount of cash equal to the product of 1.3261 and the First Horizon Closing Price; or (ii) for each Stock Election Share, 1.3261 shares of First Horizon common stock; provided that the aggregate Merger consideration will consist of 75% stock consideration and 25% cash consideration as set forth in the Merger Agreement.

Each issued and outstanding warrant to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be cancelled and converted into the right to receive an amount of Merger consideration with respect to the shares of TrustAtlantic common stock issuable upon exercise of such warrant in full, less the exercise price, which will be deducted from the Merger consideration issuable in respect of such warrant. Each holder of a TrustAtlantic warrant may elect to receive its Merger consideration in the form of cash or First Horizon common stock subject to adjustment as set forth in the Merger Agreement so that the aggregate Merger consideration paid to holders of TrustAtlantic warrants and common stock will consist of 75% stock consideration and 25% cash consideration.

Each issued and outstanding option to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be automatically converted into a non-qualified option to purchase First Horizon common stock under First Horizon's Equity Compensation Plan. The number of shares of First Horizon common stock issuable upon the exercise of each converted TrustAtlantic option will equal the product of (i) the number of shares of TrustAtlantic common stock that were purchasable under the option immediately before the Merger and (ii) 1.3261, rounded down, if necessary to the nearest whole share. The exercise price per share of First Horizon common stock for each option will equal (x) the per share exercise price of the option in effect immediately before the Merger divided by (y) 1.3261, rounded up, if necessary, to the nearest cent.

If the number of shares of common stock outstanding of TrustAtlantic or First Horizon changes before the Merger is completed as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination or readjustment of shares, or any stock dividend or stock distribution with a record date during such period, then the Merger consideration will be equitably and proportionately adjusted.

First Horizon will not issue any fractional shares of First Horizon common stock in the Merger. TrustAtlantic shareholders who would otherwise be entitled to a fractional share of First Horizon common stock upon the completion of the Merger will instead receive an amount in cash (rounded to the nearest cent) determined by multiplying (i) the First Horizon Closing Price by (ii) the fraction of a share of First Horizon common stock such holder would otherwise be entitled to receive.

TrustAtlantic shareholders are being asked to approve the Merger Agreement. See The Merger Agreement for additional and more detailed information regarding the legal documents that govern the Merger, including information about the conditions to the completion of the Merger and the provisions for terminating or amending the Merger Agreement.

## Background of the Merger

TrustAtlantic's management and its board of directors regularly conducted strategic planning sessions which included the use of outside advisors. Generally these sessions reviewed the competitive landscape of the community banking participants in North Carolina and surrounding states. TrustAtlantic's board of directors consistently reviewed and assessed various alternatives for maximizing the value of TrustAtlantic to its shareholders, whether by acquiring another institution, merging with an institution approximately the same size as TrustAtlantic or merging with a larger institution. In June 2013, management of TrustAtlantic presented and discussed its three year strategic plan to TrustAtlantic's board of directors following a spring planning session.

In the fall of 2013, TrustAtlantic discussed and evaluated a transaction to acquire a smaller financial institution. TrustAtlantic's board of directors elected not to pursue a transaction with the other party but during this same period, two other strategic combinations were announced in North Carolina that caused TrustAtlantic's board of directors to reassess whether shareholder value would be enhanced by the sale or affiliation with a larger financial institution.

In November 2013, a special committee ( *Committee* ) of three independent directors plus Mr. James Beck, TrustAtlantic's Chief Executive Officer, was formed to re-evaluate the strategic alternatives for TrustAtlantic including a merger of equals or the sale to a larger financial institution. Mr. Shahn Chhabra, an independent director of TrustAtlantic, was selected to chair the Committee. An additional independent director was subsequently added to the Committee in the first quarter of 2014. The Committee met with an investment banker from FIG Partners once in late November 2013 and several times in December 2013 and requested an engagement letter from the firm to assist TrustAtlantic in its evaluation of a potential transaction. An engagement letter was subsequently approved by the Committee and TrustAtlantic's board of directors.

FIG Partners initially identified 21 financial institutions that either Mr. Beck or FIG Partners would contact to ascertain their level of interest in acquiring TrustAtlantic. In addition, FIG Partners identified five merger of equals candidates and fourteen acquisition candidates for the Committee to consider. The Committee identified a financial institution ( *Institution A* ) as a potential partner to acquire TrustAtlantic. TrustAtlantic and Institution A executed a mutual non-disclosure agreement in January 2014. During the next several months, there were numerous meetings and phone calls involving officers of TrustAtlantic, FIG Partners and Institution A to discuss the strategic benefits and issues surrounding the merger of the two companies. On May 14, 2014, a dinner was held between certain board members and management from TrustAtlantic and Institution A for the purpose of jointly exploring the mutual interest of the respective organizations in a potential merger.

From February 2014 to April 2014, Mr. Beck and FIG Partners contacted many of the institutions in the above categories to ascertain their level of interest in merging with TrustAtlantic. They arranged in person meetings with twelve of such institutions, including First Horizon on March 27, 2014 in Raleigh and on April 24, 2014 in Memphis. The Committee met regularly throughout the first three calendar quarters of 2014 and received updates from Mr. Beck and FIG Partners on the results of these meetings. In addition, FIG Partners performed various analyses of these institutions for the benefit of the Committee.

On May 15, 2014, the Committee met to discuss the previous night's dinner with Institution A and also discuss a potential acquisition target that approached TrustAtlantic about the possibility of a merger. The Committee determined that the possible acquisition by TrustAtlantic of Institution A needed to be discussed further and scheduled a meeting for May 20, 2014 to discuss more thoroughly.

On May 20, 2014, the Committee concluded that the proposed acquisition did not sufficiently enhance the long term shareholder value of TrustAtlantic to warrant the risks associated with the transaction. The Committee also decided during this meeting that a merger of equals transaction would not satisfy TrustAtlantic's strategic objectives. As a

result, the Committee agreed that a merger with a larger institution was TrustAtlantic's best strategic option and therefore TrustAtlantic should seek proposals from potential acquirers for the acquisition of TrustAtlantic. The Committee also agreed that the Committee would like to receive non-binding indications of interest and

proposals ( IOI ) by August 15, 2014. FIG Partners prepared an outline of matters that the potential acquirers should include in their IOIs. The IOIs, among other matters, should address consideration for the acquisition, role of TrustAtlantic's board of directors and management in the combined company, facility or branch closures, anticipated timing of closing the merger, additional due diligence required and any other significant considerations or matters the acquirer wanted to be considered.

Representatives of one of the institutions identified as a potential acquirer, *Institution B*, visited with TrustAtlantic management several times over the course of 2013 and January 2014. Mr. Beck contacted the Chief Executive Officer of Institution B to indicate that TrustAtlantic was considering strategic alternatives including merging with a larger institution such as Institution B. Mr. Beck met Institution B's Chief Executive Officer on May 15, 2014 to discuss the matter in further detail. In addition, Mr. Beck and Mr. Richard W. Edwards, TrustAtlantic's Chief Financial Officer, met with Institution B's Chief Executive Officer, Chief Financial Officer and investment banker on May 22, 2014 and May 23, 2014 to discuss how the companies could be combined and share general information about the companies. Over the course of the next several months, there were further meetings and phone conferences between Mr. Beck and Institution B's Chief Executive Officer and investment bankers representing each party.

The Committee met again on May 30, 2014 to discuss which aspects of the acquiring institution should be given higher priorities than others. Among the priorities discussed were:

- Liquidity and dividend of acquirer's stock;
- Stock valuation and future prospects of acquirer's stock;
- Potential acquisition price for TrustAtlantic stock and acquirer's ability to meet that price;
- Management strength of acquirer;
- Role of management and board in the combined company, including impact to employees;
- Growth prospects of acquirer and attractiveness of combined franchise; and
- Cultural and strategic fit with TrustAtlantic employees and customers.

The Committee discussed the above priorities for seven potential acquirers of TrustAtlantic. The Committee reached a consensus that liquidity, dividends and the future prospects of the acquirer's stock were very important considerations, but that the other items were also significant considerations. The Committee concluded that all of the remaining seven potential acquirers should receive access to a virtual data room and management should obtain non-disclosure agreements from the six institutions, other than Institution A, which had previously executed a mutual non-disclosure agreement. FIG Partners arranged the data room.

During June 2014, Messrs. Beck and Edwards discussed the contents of the data room with FIG Partners. It was agreed that customer level information would be minimal but that major contracts (including employment related agreements), financial data, human resource information and other reports would be supplied in the data room. Additional documents would be added as requested by any of the parties with access to the data room. Ultimately, six of the seven potential acquirers signed non-disclosure agreements and were able to review documents in the data room, including First Horizon, Institution A, Institution B and Institution C, another bank holding company identified as a potential acquirer.

Including the May 14, 2014 meeting with Institution A, the Committee met with executive officers and, in some cases, certain board members representing four institutions that had access to the data room to discuss a possible merger between TrustAtlantic and each of the four institutions.

TrustAtlantic's executive officers, FIG Partners and TrustAtlantic's legal counsel reviewed recent publicly available information on First Horizon during July and August 2014. First Horizon met with the Committee and executive management in separate meetings on July 18, 2014 and discussed its second quarter results and other matters concerning a possible combination with TrustAtlantic. The Chief Executive Officer and Chief Financial Officer of

Institution B also met with the Committee on July 18, 2014 and shared information about Institution B's financial and stock performance, as well as indicated its strong interest in acquiring TrustAtlantic. The Committee

had a dinner meeting with the Chief Executive Officer and the Chairman of the Board of Institution C, on July 30, 2014 in which Institution C's Chief Executive Officer outlined the history and performance of his company and outlined the benefits of a combination of the two institutions. The Chief Executive Officer and other executives of Institutions C had previously met with the executives of TrustAtlantic earlier in July.

Between August 11, 2014 and August 15, 2014, four of the potential acquirers, including First Horizon, Institution B and Institution C, submitted IOIs. Institution A did not submit an IOI and discussed its decision with Mr. Beck in a phone conversation. In addition, one IOI was significantly lower than the other three proposals. Following further discussions, this institution withdrew its IOI. FIG Partners prepared a summary and analysis of all four IOIs and met with the Committee on August 20, 2014 with the expectation that the Committee would make a recommendation to TrustAtlantic's full board of directors at its scheduled meeting the next day. In addition, FIG Partners prepared an analysis on each of the companies and their stock including price, trading volume, analyst estimates and current dividend.

The Committee discussed the merits of the three remaining IOIs and how each compared under the priorities outlined by the Committee. Two of the proposals, the proposals made by Institution B and First Horizon, were for substantially similar prices per share for TrustAtlantic stock, however Institution B's consideration was 100% stock and First Horizon's was 75 percent stock and 25 percent cash. The Committee discussed the pros and cons of the differences in structure and whether the cash consideration and higher stock liquidity would make First Horizon's offer preferable to shareholders. It was also noted that Institution B's IOI would likely result in several branch closures and likely higher employee job losses. The proposal from Institution C had a materially lower economic value than both First Horizon and Institution B's. The Committee noted that all three proposals would likely be structured as a tax-free reorganization under the Code and that TrustAtlantic stock options would be converted into options of the acquirer.

On August 21, 2014, FIG Partners presented its analysis to TrustAtlantic's full board of directors. Mr. Chhabra, as the Chairman of the Committee, presented the Committee's recommendation to request certain additional clarifications of First Horizon's proposal and to request certain enhancements to First Horizon's proposal in price and other aspects. The Committee recommended that TrustAtlantic proceed on an exclusive negotiation and detailed due diligence basis with First Horizon if the requested enhancements from the original IOI were agreed upon by First Horizon. The Committee further recommended a course of action should First Horizon not agree to the requested enhancements to their IOI. TrustAtlantic's board of directors unanimously approved the Committee's recommendation.

FIG Partners contacted Mr. Brian Mellone, First Horizon's Senior Vice President – Director of Corporate Development & Strategy, on August 21, 2014 to discuss the requested enhancements to First Horizon's IOI. As a result of the discussion, First Horizon verbally agreed to increase their price per share to \$17.00 and make some but not all of the enhancements requested by TrustAtlantic. The exchange ratio for the \$17.00 per share price would be determined based on the ten day volume weighted trading price of First Horizon common stock prior to the signing of the definitive agreement. After considering the enhancements offered, the Committee agreed to proceed with First Horizon performing additional onsite due diligence under the revised proposal.

First Horizon performed additional due diligence on TrustAtlantic's loan portfolio and other matters during the week of September 8, 2014. On September 22, 2014, due diligence interviews were performed by Messrs. Beck, Edwards and Mr. Timothy Day, TrustAtlantic's Chief Credit Officer, with Mr. David Popwell, First Horizon's President of Banking, Mr. William C. Losch III, First Horizon's Chief Financial Officer and Ms. Susan Springfield, First Horizon's Chief Credit Officer. FIG Partners also participated in the First Horizon management interviews.

On the evening of September 19, 2014, Mr. Beck had dinner with Mr. D. Bryan Jordan, First Horizon's Chief Executive Officer, and Mr. Popwell. Mr. Jordan would not be available during the due diligence visit by TrustAtlantic and Mr. Beck had not previously met Mr. Jordan personally. They discussed various matters including the exchange

ratio, recent fluctuations in First Horizon s

stock price and Mr. Jordan's vision for First Horizon including how the markets served by TrustAtlantic would fit into the future success of First Horizon.

On September 25, 2014, legal counsel for First Horizon delivered a draft of the Merger Agreement. The Merger Agreement was reviewed and negotiated by the parties and their respective advisors over approximately 25 days.

On October 16, 2014, the TrustAtlantic board of directors met with FIG Partners, executive officers of TrustAtlantic and TrustAtlantic's legal counsel, Wyrick Robbins Yates & Ponton LLP ( *Wyrick Robbins* ), to review the Merger Agreement. The directors received a copy of the Merger Agreement and other agreements and materials in advance of this meeting. Wyrick Robbins provided an executive summary of the proposed merger with First Horizon. Wyrick Robbins reviewed the draft Merger Agreement and noted which sections were still being negotiated and finalized. FIG Partners reviewed its financial analyses with respect to the Merger and delivered a draft of its written opinion to the TrustAtlantic board of directors that based on and subject to the assumptions made, matters considered and qualifications and limitations set forth therein, in its opinion, the exchange ratio of 1.4240 shares of First Horizon stock to each share of TrustAtlantic common stock was fair, from a financial point of view to TrustAtlantic's shareholders. The overall Merger consideration would consist, in the aggregate of 75 percent First Horizon common stock and 25 percent cash. Mr. Beck informed TrustAtlantic's board of directors that First Horizon's board of directors was expected to vote on the Merger Agreement either October 20 or 21, 2014 and that TrustAtlantic's board of directors would meet again on October 21, 2014 to vote on approval of the Merger Agreement.

Wyrick Robbins, TrustAtlantic executive officers and FIG Partners were present at the TrustAtlantic board of directors meeting held in the afternoon of October 21, 2014. Wyrick Robbins updated TrustAtlantic's board on the final negotiations and changes to the Merger Agreement and FIG Partners presented its Fairness Opinion which is contained as Annex B to this proxy statement/prospectus. Wyrick Robbins presented the Merger Agreement and detailed resolutions for TrustAtlantic's board's consideration in order to adopt the Merger Agreement. After discussing, the transaction and resolutions as presented were unanimously approved by TrustAtlantic's board of directors.

The potential acquisition of TrustAtlantic was first discussed with the Executive & Risk Committee of the First Horizon board of directors at a meeting on September 15, 2014. On October 20, 2014, First Horizon management presented to the Executive & Risk Committee the proposed acquisition of TrustAtlantic and its subsidiary bank. The presentation included information about TrustAtlantic, the key details of the transaction, TrustAtlantic's markets and branches, strategic considerations, key provisions of the Merger Agreement, the merger of the subsidiary banks, financial information and key modeling assumptions, the anticipated timeline and a summary of due diligence findings and risk assessment. After discussion, the Executive & Risk Committee unanimously recommended the TrustAtlantic acquisition to the First Horizon board of directors for approval.

On October 21, 2014, the Chairman of First Horizon's Executive & Risk Committee reported to the First Horizon board of directors on the proposed acquisition and the Executive & Risk Committee's recommendation. This report and the Board of Director's discussion following the report touched upon TrustAtlantic, its markets, the acquisition and its key terms, and branding. After discussion and careful consideration of the presentations, as well as the interests of First Horizon and its constituencies, the First Horizon board of directors unanimously approved (i) the acquisition of TrustAtlantic, (ii) the Merger Agreement, subject to final negotiation by management of the terms of the Merger Agreement and finalization of the disclosure schedules, and (iii) the Merger and the other transactions contemplated by the Merger Agreement. On October 21, 2014, TrustAtlantic and First Horizon executed the Merger Agreement and the related voting agreements, and the transaction was publicly announced immediately prior to the next trading day.

On November 6, 2014, four commercial banking officers of TrustAtlantic Bank's Raleigh office simultaneously announced their resignations (the *Resignations* ) and their intent to open a Raleigh commercial banking operation for another banking institution. Mr. Beck notified First Horizon of

the Resignations on November 6, 2014. Additionally, on November 21, 2014, two support staff for the commercial banking officers announced their resignations to work for the same institution (collectively, the *Departures* ).

On November 10, 2014, FIG Partners received a call from Mr. Mellone to inform TrustAtlantic that First Horizon had concluded that the Resignations constituted a Material Adverse Effect under the Merger Agreement and that First Horizon was still assessing the full potential impact of the Resignations.

On November 14, 2014, Mr. Beck and Mr. Edwards had a conference call with FIG Partners and representatives of First Horizon (including Mr. Mellone) to discuss the Resignations and its impact on the Merger. First Horizon stated that the Resignations impacted TrustAtlantic's business prospects and thereby increased First Horizon's risk in the Merger and that a price reduction may be necessary. In addition, they indicated that a more detailed review of the loan portfolio was necessary to ascertain the heightened risk of customer attrition from the Resignations.

Mr. Beck called a board meeting for the afternoon of November 14, 2014 to discuss First Horizon's assertion that the Resignations constituted a Material Adverse Effect, as defined in the Merger Agreement. Also present at the meeting were TrustAtlantic executive officers and representatives from FIG Partners and Wyrick Robbins. FIG Partners and Messrs. Beck and Edwards updated TrustAtlantic's board of directors on various matters surrounding the Resignations and subsequent events including the conference call earlier in the day. A lengthy discussion was held over the definition of Material Adverse Effect and TrustAtlantic's options. Wyrick Robbins addressed numerous questions surrounding the Merger Agreement and definitions. TrustAtlantic's board of directors expressed their opinion that the loss of business from the Resignations would not be material to TrustAtlantic or First Horizon and concluded that Mr. Beck and Mr. Stephen Stroud, Chairman of the TrustAtlantic board of directors, should request a meeting with First Horizon executives as soon as possible and discuss the matter further in person.

On November 17, 2014, Mr. Beck and Mr. Stroud flew to Memphis to discuss the impact of the Resignations on the pending Merger. They met with Mr. Jordan, Mr. Losch, Mr. Popwell, Mr. John Fox, First Tennessee Bank's Mid-Atlantic Region President, and other officers. Messrs. Beck and Stroud presented factors in support of TrustAtlantic's position that it would be able to maintain its customer base and continue to grow its loans and deposits in spite of the Resignations. They communicated TrustAtlantic's position that the terms of the pending Merger were appropriate as currently structured. First Horizon executives communicated that the Resignations could have a negative impact on the future results of TrustAtlantic and that First Horizon needed additional analysis of the impact including a more detailed review of the loan portfolio assigned to the commercial bankers that resigned.

On November 25, 2014, Mr. Fox, Mr. Mellone and other officers of First Horizon met with various officers of TrustAtlantic, including Mr. Beck, Mr. L. Randy Powell, Jr., Chief Banking Officer of TrustAtlantic, Mr. John N. Anthony, Jr., Chief Administrative Officer of TrustAtlantic, and Mr. Day, to review the portion of the loan portfolio that was previously assigned to the four commercial bankers that resigned. They reviewed, among other items, which relationships could be expanded further when the two companies merged and which relationships had strong ties to TrustAtlantic's officers and directors.

On December 2, 2014, Mr. Fox met with Mr. Beck, to indicate that as result of the Departures, First Horizon was proposing to reduce the exchange ratio from the 1.4240 to 1.3261 for each share of TrustAtlantic common stock. The revised exchange ratio was based on \$17.00 per share for TrustAtlantic stock, but in calculating the exchange ratio a more current ten day volume weighted average trading price had been used.

On December 3, 2014, Mr. Beck again met with Mr. Fox to discuss and further negotiate the proposed revisions to the Merger Agreement. On December 4, 2014, Mr. Fox called Mr. Beck by telephone and reiterated the proposed revisions to the Merger Agreement. Also on December 4, 2014, Mr. Beck called Mr. Popwell to discuss the proposed revised terms of the Merger. Mr. Popwell indicated that First Horizon would like to proceed with the Merger as Mr.

Fox previously discussed with Mr. Beck.

On December 5, 2014, TrustAtlantic's board of directors called a meeting to discuss the proposed revision to the exchange ratio. FIG Partners prepared a presentation, which compared the revised exchange ratio of 1.3261 with the other IOIs received in August. After discussing, TrustAtlantic's board of directors concluded that it was in the best interest of TrustAtlantic's shareholders to proceed with the Merger with the reduced exchange ratio of 1.3261.

On December 8, 2014, counsel for First Horizon delivered a draft of the Amendment and Waiver to the Agreement and Plan of Merger ( *Amendment* ). The Amendment was reviewed and negotiated between the parties over the next several days.

On December 15, 2014, TrustAtlantic's board of directors held a special meeting for purposes of reviewing and approving the Amendment. TrustAtlantic's executive officers, FIG Partners and Wyrick Robbins were in attendance. FIG Partners reviewed its updated financial analyses of the transaction and its revised fairness opinion with the board which based on and subject to the assumptions made, matters considered and qualifications and limitations set forth therein, in its opinion, the revised exchange ratio of 1.3261 shares of First Horizon stock for each share of TrustAtlantic common stock was fair, from a financial point of view to TrustAtlantic's shareholders. FIG Partners fairness opinion is included as Annex B of this proxy statement/prospectus. Wyrick Robbins presented resolutions authorizing the execution of the Amendment for consideration by TrustAtlantic's board of directors, which were unanimously approved.

On December 16, 2014, First Horizon and TrustAtlantic executed the Amendment.

### **TrustAtlantic's Reasons for the Merger and Recommendation of the TrustAtlantic Board of Directors**

In reaching its decision to adopt and approve the Merger Agreement and recommend its approval to TrustAtlantic's shareholders, the TrustAtlantic board of directors consulted with executive management and its outside financial and legal advisors and evaluated TrustAtlantic's prospects for maximizing value for its shareholders over the long-term in the current and prospective economic and regulatory environment affecting the banking industry as a whole. In addition, executive management would regularly discuss its long-term prospects with certain of TrustAtlantic's institutional shareholders. After considering TrustAtlantic's strategic options, TrustAtlantic's board of directors concluded that partnering with a financial institution of greater size, expanded product offerings and a more liquid stock would better maximize the long-term value of the shareholders' investment than if TrustAtlantic remained independent, acquired another smaller institution, or merged with an institution of similar size to TrustAtlantic. The board of directors believes the Merger is in the best interests of TrustAtlantic's shareholders.

In its deliberations described above and in making its determination, the TrustAtlantic board of directors considered many factors including, without limitation, the following:

- The current and prospective business and economic environments of the markets served by TrustAtlantic including the competitive environment for North Carolina financial institutions and the intensifying competition from in-state and out-of-state financial institutions, especially in the Raleigh and Cary, North Carolina markets;
- The continuing consolidation of the financial services industry, the increased regulatory burdens on financial institutions, and the uncertainties in the regulatory climate going forward;
- The desire to provide greater liquidity to TrustAtlantic shareholders for their stock than currently exists and that the TrustAtlantic board of directors believes could be achieved independently, while maintaining reasonable prospects for appreciation in value of First Horizon common stock;
- First Horizon's access to capital markets relative to that of TrustAtlantic;
- The value to TrustAtlantic shareholders from diversifying TrustAtlantic's geographic concentration and expanding its sources of revenues from First Horizon's products and regional commercial banking platform;

The form and amount of the Merger consideration, including the ability of TrustAtlantic shareholders to participate in the future performance of the combined company;

The financial analysis prepared by FIG Partners and its opinion dated October 21, 2014 and updated December 15, 2014, delivered to the TrustAtlantic board of directors that, as of the dates thereof, and based on and subject to the assumptions made, matters considered and qualifications and limitations set forth in its opinion, the Merger consideration was fair, from a financial point of view, to TrustAtlantic shareholders;

The likelihood that the necessary regulatory approvals to complete the transaction would be obtained in a timely manner without unacceptable conditions;

The effect of the Merger on TrustAtlantic's customers and the communities it does business including enhanced products and services which could be provided by First Horizon; and

The effect of the Merger on TrustAtlantic's officers and employees, including the prospects for continued employment and the severance and other benefits agreed to be provided by First Horizon to TrustAtlantic employees.

The TrustAtlantic board of directors also considered the following potential risks and negative factors relating to the Merger:

If the market price of First Horizon common stock decreases prior to completion of the Merger, the aggregate value of consideration to be received by TrustAtlantic's shareholders will decrease as well;

The Merger Agreement obligates TrustAtlantic to pay a substantial termination fee if it later chooses to pursue a more attractive merger proposal or if the Merger Agreement is terminated under certain circumstances;

TrustAtlantic will lose the autonomy and local strategic decision making associated with being an independent financial institution;

While the Merger is pending, TrustAtlantic's officers and employees will have to focus extensively on actions required to complete the Merger, which could divert their attention from TrustAtlantic's business, and TrustAtlantic will incur substantial costs even if the Merger is not consummated;

First Horizon has significant remaining exposure to various mortgage matters and potential litigation which could materially impact its future earnings;

First Horizon's asset sensitive balance sheet has negatively impacted its net interest margin and its net income, and could continue to negatively impact its net interest income and net income in the future, especially if market interest rates do not increase;

While the Merger is pending, TrustAtlantic will be subject to certain restrictions on the conduct of its business as described under Conduct of Businesses Prior to the Completion of the Merger which may delay or prevent it from pursuing business opportunities that may arise or preclude it from taking actions that would be advisable if it was to remain independent; and

The Merger could result in employee attrition in addition to the Departures and have a negative effect on business and customer relationships.

Before approving the Merger, the TrustAtlantic board of directors discussed at length, with input from FIG Partners, TrustAtlantic's strategic options.

The foregoing discussion of the factors considered by TrustAtlantic's board of directors is not intended to be exhaustive, but is believed to include all the material factors considered by TrustAtlantic's board of directors. In view of the wide variety of factors considered in connection with its evaluation of the Merger and the complexity of these matters, the TrustAtlantic board of directors did not find it useful and did not attempt to quantify or assign any relative or specific weights to the various factors that it considered in reaching its determination to approve the Merger and the Merger Agreement and recommend that shareholders vote FOR approval and adoption of the Merger Agreement. In addition, individual members of TrustAtlantic's board of directors may

have given differing weights to different factors. The TrustAtlantic board of directors conducted an overall analysis of the factors described above, including through discussions with, and questioning of, TrustAtlantic's executive officers and its outside financial and legal advisors. The TrustAtlantic board of directors considered all of the foregoing factors as a whole and unanimously supported a determination to approve the Merger and recommend that shareholders approve and adopt the Merger Agreement.

**THE TRUSTATLANTIC BOARD OF DIRECTORS UNANIMOUSLY DETERMINED THAT THE MERGER, THE MERGER AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT ARE IN THE BEST INTERESTS OF TRUSTATLANTIC AND ITS SHAREHOLDERS AND UNANIMOUSLY APPROVED AND ADOPTED THE MERGER AGREEMENT. THE TRUSTATLANTIC BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT TRUSTATLANTIC SHAREHOLDERS VOTE FOR THE APPROVAL AND ADOPTION OF THE MERGER AGREEMENT AND THE PLAN OF MERGER CONTAINED THEREIN.**

In considering the recommendation of the TrustAtlantic board of directors with respect to the proposal to approve the Merger Agreement shareholders should be aware that TrustAtlantic's directors and executive officers have interests in the Merger that are different from, or in addition to, those of other TrustAtlantic shareholders. The TrustAtlantic board of directors was aware of and considered these interests, among other matters, in evaluating and negotiating the Merger and Merger Agreement, and in making its recommendation. See *Interests of TrustAtlantic's Directors and Executive Officers in the Merger*, beginning on page 99.

The above explanation of the reasoning of TrustAtlantic's board of directors and the other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading *Cautionary Statement Regarding Forward-Looking Statements*.

The following is a summary of the analyses performed by FIG Partners in connection with its fairness opinion. Certain analyses were confirmed in a presentation to the board of directors of TrustAtlantic by FIG Partners. The summary set forth below does not purport to be a complete description of either the analyses performed by FIG Partners in rendering its opinion or the presentation delivered by FIG Partners to the board of directors of TrustAtlantic, but it does summarize all of the material analyses performed and presented by FIG Partners.

The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analyses and the application of those methods to the particular circumstances. In arriving at its opinion, FIG Partners did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. FIG Partners may have given various analyses more or less weight than other analyses. Accordingly, FIG Partners believes that its analyses and the following summary must be considered as a whole and that selecting portions of its analyses, without considering all factors could create an incomplete view of the process underlying the analyses set forth in its report to the board of directors of TrustAtlantic and its fairness opinion.

In performing its analyses, FIG Partners made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of TrustAtlantic. The analyses performed by FIG Partners are not necessarily indicative of actual value or actual future results, which may be significantly more or less favorable than suggested by such analyses. Such analyses were prepared solely as part of FIG Partners' analysis of the fairness of the transaction consideration, from a financial point of view, to TrustAtlantic shareholders. The analyses do not purport to be an appraisal or to reflect the prices at which a company might actually be sold or the prices at which any securities may trade at the present time or at any time in the future. FIG Partners' opinion does not address the relative merits of the Merger as compared to any other business combination in which the Company might engage. In addition, as described above, FIG Partners' fairness opinion was one of many factors taken into consideration by the board of directors of the Company in making its determination to approve the Merger Agreement.

During the course of its engagement, and as a basis for arriving at its opinion, FIG Partners reviewed and analyzed material bearing upon the financial and operating conditions of TrustAtlantic and First Horizon and material prepared in connection with the Merger, including, among other things, the following:

- reviewed the Merger Agreement and terms of the Merger;

held discussions with members of the senior management of TrustAtlantic and First Horizon for the purpose of reviewing the future prospects of TrustAtlantic and First Horizon, including the respective businesses, earnings, assets, liabilities and the amount and timing of cost savings (the Synergies ) expected to be achieved as a result of the Merger;  
reviewed the terms of the recent merger and acquisition transactions, to the extent publicly available, involving banks and bank holding companies that FIG Partners considered relevant; and  
performed such other analyses and considered such other factors as FIG Partners deemed appropriate.  
FIG Partners also took into account its experience in other transactions, as well as its knowledge of the commercial banking industry and its general experience in securities valuations.

In rendering its opinion, FIG Partners assumed, without independent verification, the accuracy and completeness of the publicly and non-publicly available financial and other information furnished to FIG Partners by TrustAtlantic and First Horizon and relied upon the accuracy of the representations and warranties of the parties contained in the Merger Agreement. FIG Partners also assumed that the financial forecasts furnished to or discussed with FIG Partners by TrustAtlantic and First Horizon were reasonably prepared and reflected the best currently available estimates and judgments of senior management of TrustAtlantic and First Horizon as to the future financial performance of the Company. FIG Partners has not made any independent evaluation or appraisal of any properties, assets or liabilities of TrustAtlantic or First Horizon.

For each of the two groups (Comparable Transactions National and the Comparable Transactions Southeast ) FIG Partners calculated the following median multiples: the percentage of the offer value to the acquired company's tangible common equity; the percentage of the offer value to the acquired company's fully levered tangible common equity which was based on a tangible common equity to tangible assets ratio of 8.5%; the offer value to the acquired company's last trailing four quarter net income; the percentage of the offer value to the acquired company's total assets; and the premium of the offer value over tangible book value divided by core deposits. FIG Partners used these median multiples to estimate the acquisition value of TrustAtlantic's common stock by applying each median multiple to TrustAtlantic's tangible common equity, fully-levered tangible common equity, trailing four quarter earnings, total assets, and core deposits as of September 30, 2014. The results of this analysis are as follows:

#### Discounted Cash Flow Analysis

FIG Partners estimated the value of TrustAtlantic common stock by calculating the present value of its projected future earnings stream. TrustAtlantic provided FIG Partners with its internal projections for net income of \$4.0 million, \$4.5 million, \$5.1 million, \$5.4 million, and \$5.8 million for the years 2014, 2015, 2016, 2017 and 2018, respectively.

FIG Partners calculated the present value of TrustAtlantic's projected future earnings based on a range of discount rates of 10% to 14%. The discount rates selected by FIG Partners were intended to reflect different assumptions regarding the required rates of return for holders or prospective buyers of TrustAtlantic's common stock. In order to derive the terminal value of TrustAtlantic's earnings stream beyond 2018, FIG Partners performed two separate

analyses: a) an acquisition in 2018 at ratios ranging from 160% to 190% of estimated tangible book value in the terminal year; and b) an acquisition in 2018 at ratios ranging from 19 to 23 times estimated earnings in the terminal year. The present value of these terminal amounts were then calculated based on the range of discount rates mentioned above. The present value of the terminal values was then added to the present value of the earnings stream for 2014 through 2018 to derive a total value based on discounted cash flows. The two analyses and the underlying assumptions yielded a range of values for TrustAtlantic's stock.

<sup>(1)</sup> Based on TrustAtlantic's September 30, 2014 shares outstanding of 4,734,944.

FIG Partners assigned the greatest significance to the terminal values represented by 175% of 2018 estimated tangible book value and 21 times 2018 estimated earnings. The resulting values were: i) \$15.83 per share to \$18.42 per share using a terminal value based on a multiple of 175% of 2018 tangible book value; and ii) \$14.74 per share to \$17.16 per share using a terminal value based on a multiple of 21 times 2018 earnings. FIG Partners noted that the Merger consideration of \$17.00 per share was within the ranges of value suggested by the discounted cash flow analysis.

#### *Franchise Value Analysis*

FIG Partners used a franchise value analysis to estimate the value of TrustAtlantic's common stock based on the composition of its balance sheet at September 30, 2014. The franchise value analysis involves calculating the net asset value of the company and adding a core deposit premium to the net asset value to determine the overall value of the company. In order to calculate TrustAtlantic's net asset value, FIG Partners made certain adjustments to TrustAtlantic's tangible common equity. FIG Partners estimated the potential credit adjustment for the loan portfolio to be 2% (\$6.5 million) and the credit adjustment on foreclosed real estate to be 20% (\$0.3 million), and added back the allowance for loan losses of \$6.0 million. FIG Partners tax-affected these adjustments using a rate of 35%, yielding a tax benefit of \$0.3 million, to bring the total net credit adjustment to (\$0.5 million). The deposit premium was calculated by assigning a premium to each deposit account type based on the perceived value of each type of deposit to a potential acquirer.

9/30/14	Premium
Balance	(%) (\$)

	<i>Dollars in thousands</i>			
Non-interest bearing deposits	\$ 73,723	10%	\$	7,372
NOW accounts	\$ 29,434	8%	\$	2,355
Savings and money market accounts	\$ 111,162	6%	\$	6,670
Certificates of deposit	\$ 183,766	3%	\$	5,513
<b>Total deposits</b>	<b>\$ 398,085</b>	<b>5.5%</b>	<b>\$</b>	<b>21,910</b>

FIG Partners selected premiums of 3% for certificates of deposit, 6% for savings and money market accounts, 8% for NOW accounts, and 10% for non-interest bearing deposits. The overall deposit premium for TrustAtlantic was estimated to be 5.5%, or \$21.9 million. FIG Partners noted that deposit premiums paid in bank merger transactions vary. So FIG Partners selected a range of deposit premiums from 5% to 7%. The franchise value analysis suggested an overall range of value of \$14.66 to \$16.34 per share for TrustAtlantic's common stock. The value suggested by a 5.5% deposit premium was \$15.08 per share. The following chart provides a summary of the franchise value analysis:

	<b>Amount</b>	<b>Per Share</b>
	<i>Dollars in thousands, except per share amounts</i>	
Tangible common equity	\$ 50,020	\$ 10.56
Less: net credit adjustment	(\$521)	(\$0.11)

<b>Indicated franchise value</b>	<b>\$ 71,408</b>	<b>\$ 15.08</b>

Minimum franchise value (5% deposit premium)	\$ 69,403	\$ 14.66
Maximum franchise value (7% deposit premium)	\$ 77,365	\$ 16.34

FIG Partners noted that the Merger consideration of \$17.00 per share was higher than the range of value suggested by the franchise value analysis.

#### *Accretion/Dilution Analysis*

FIG Partners analyzed the pro forma financial impact of the Merger for TrustAtlantic's shareholders who receive the stock consideration by multiplying the pro forma tangible book value per share and earnings per share for First Horizon by the exchange ratio of 1.3261 and comparing the result to the standalone tangible book value per share and earnings per share for TrustAtlantic. Specifically, FIG Partners analyzed:

Pro forma earnings per share for TrustAtlantic's shareholders on a cash basis for the years 2015 through 2018 assuming the Merger is consummated on April 1, 2015;

Pro forma tangible book value per share for TrustAtlantic's shareholders as of September 30, 2014;

Pro forma tangible book value per share plus estimated annual dividends for the years 2015 through 2018 assuming the Merger is consummated on April 1, 2015.

FIG Partners made certain assumptions in calculating the pro forma impact of the Merger. FIG Partners used TrustAtlantic's standalone projections for 2014 through 2018, and 30% cost savings to estimate TrustAtlantic's earnings contribution to First Horizon. FIG Partners used the consensus estimates of earnings per share to derive earnings projections for First Horizon for the period 2014 through 2018. FIG Partners estimated one-time Merger costs of \$3.6 million. FIG Partners assumed a cost of funds of 1.00% for the cash portion of the Merger consideration, and a marginal tax rate of 35%. FIG Partners also assumed that First Horizon would continue to increase its cash dividend each year by 4 cents. The estimates of Merger costs and cost savings and the timing of the realization of such Merger costs and cost savings are based on numerous estimates, assumptions, and judgments and are subject to significant uncertainties. Actual results may vary, and variations in amounts and timing may be material.

The accretion/dilution analysis indicated that if the Merger were consummated on April 1, 2015, TrustAtlantic's pro forma cash earnings per share (excluding intangibles amortization expense) would be \$0.16 per share higher (an increase of 17%) than it would be on a standalone basis in 2015, assuming the timely realization of cost savings and other assumptions. FIG Partners projected TrustAtlantic's cash earnings per share would be \$0.31 per share higher (a 29% increase) in 2016, the first full year of combined operations, as a result of the Merger. The analysis also indicated that had the Merger been consummated on September 30, 2014, it would have been \$0.99 per share accretive to TrustAtlantic's tangible book value, or 7.4%. FIG Partners noted that for TrustAtlantic shareholders who receive the stock consideration, they will receive the equivalent of \$0.27 per share of cash dividends based on First Horizon's current annual dividend payout rate of \$0.20 per share. TrustAtlantic does not currently pay a cash dividend. FIG Partners' estimates of pro forma earnings per share and tangible book value per share for TrustAtlantic shareholders were based on the estimate that the Merger will result in \$0.09 of tangible book value per share dilution for First Horizon and \$0.01 of earnings per share accretion each year for First Horizon as a result of the Merger. However, FIG

Partners' pro forma tangible book value per share and earnings per share estimates for First Horizon were based solely on the assumptions outlined above and do not take into account any revenue synergies that may result from the Merger.

(1) Based on standalone projections for TrustAtlantic

(3) Assumes the proposed transaction is 9 cents dilutive to First Horizon's tangible book value per share

FIG Partners noted that for TrustAtlantic shareholders who receive the stock consideration the Merger should be materially accretive to TrustAtlantic's tangible book value per share and earnings per share.

**As described above, based upon the foregoing analyses and other investigations and assumptions set forth in its opinion, without giving specific weightings to any one factor or comparison, FIG Partners determined that the Merger consideration was fair, from a financial point of view, to TrustAtlantic shareholders. FIG Partners opinion and presentation to TrustAtlantic's board were among the many factors taken into consideration by TrustAtlantic's board in making its determination to approve the Merger, and to recommend that TrustAtlantic's shareholders approve the Merger.**

### **First Horizon's Reasons for the Merger**

First Horizon believes that the acquisition of TrustAtlantic will complement First Horizon's footprint and its growth strategy, including by enabling it to deepen its footprint in the mid-Atlantic region. TrustAtlantic's management team has long-term expertise providing independent community banking services to the Raleigh, North Carolina community. First Horizon's board of directors approved the Merger Agreement, after First Horizon's senior management discussed with First Horizon's executive and risk committee a number of factors, including those described above and the business, assets, liabilities, and strategic direction and prospects of TrustAtlantic. First Horizon's board of directors did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative weights to the specific factors it considered in reaching its determination. First Horizon's board of directors viewed its position as being based on all of the information and the factors presented to and considered by it. In

addition, individual directors may have given different weights to different information and factors.

**Board of Directors and Management of First Horizon and the Sole Member and Management of Merger Sub After the Merger**

The size and composition of First Horizon's board of directors will not be affected by the Merger. Information about First Horizon's current directors and executive officers can be found in

First Horizon's Annual Report on Form 10-K for the year ended December 31, 2014, which is incorporated by reference into this proxy statement/prospectus. See [Where You Can Find More Information](#).

Merger Sub is a single member managed limited liability company owned entirely by First Horizon. Merger Sub's officers consist of certain officers of First Horizon. These officers will continue in office after completion of the Merger.

### **Stock Ownership**

The directors and executive officers of TrustAtlantic beneficially owned as of March 12, 2015, a total of 662,996 shares of TrustAtlantic common stock, representing approximately 13.88% of the outstanding shares of TrustAtlantic common stock as of such date. They will receive the same Merger consideration as other TrustAtlantic shareholders in respect of these shares of TrustAtlantic common stock.

### **Public Trading Markets**

First Horizon common stock is listed for trading on the NYSE under the symbol FHN. TrustAtlantic common stock is not currently listed or traded on any securities exchange or quotation system.

Under the Merger Agreement, First Horizon will use reasonable best efforts to cause the shares of First Horizon common stock to be issued in connection with the Merger to be listed on the NYSE.

### **Appraisal Rights in the Merger**

Under North Carolina law, which is the law under which TrustAtlantic is incorporated, the holders of TrustAtlantic common stock will be entitled to appraisal rights in connection with the Merger. If a holder of TrustAtlantic common stock has perfected its appraisal rights under the NCBCA and has not withdrawn or lost such rights as of the Effective Time, such shares will not be converted into the right to receive the Merger consideration provided by the Merger Agreement. The holder will only be entitled to such rights as are granted by the NCBCA. If such holder withdraws or loses such holder's appraisal rights at or prior to the Effective Time, such holder's shares of TrustAtlantic common stock will be converted into a right to receive the Merger consideration provided by the Merger Agreement. If such holder withdraws or loses such holder's appraisal rights after the Effective Time, such holder's shares of TrustAtlantic common stock will be converted into a right to receive the Merger consideration provided by the Merger Agreement, but such holder will only be able to receive its Merger consideration in the form of cash. See [The TrustAtlantic Special Meeting Appraisal Rights](#) for a more detailed discussion of TrustAtlantic's shareholders' appraisal rights.

### **Regulatory Approvals Required for the Merger**

Both First Horizon and TrustAtlantic have agreed to use their reasonable best efforts to obtain all regulatory approvals required to complete the transactions contemplated by the Merger Agreement. First Horizon has filed applications seeking regulatory approval to complete the transactions contemplated by the Merger Agreement with the FRB and the NCCOB.

First Horizon is a financial holding company under the Bank Holding Company Act of 1956, as amended, which we refer to as the BHCA. The primary regulator of First Horizon is the FRB and the Merger is subject to the approval by the FRB under Section 3 of the BHCA. In evaluating an application filed under Section 3 of the BHCA, the FRB considers, with respect to the bank holding companies and the depository institutions concerned: (1) the competitive impact of the transaction, (2) the financial condition and future prospects, including capital positions and managerial resources, (3) the convenience and needs of the communities to be served and the record of the insured depository

institution subsidiaries of the bank holding companies under the Community Reinvestment Act of 1977, which we refer to as the CRA, (4) the effectiveness of the companies

and the depository institutions concerned in combating money laundering activities and (5) the extent to which the proposal would result in greater or more concentrated risks to the stability of the United States banking or financial system. The FRB will provide an opportunity for public comment on the application and is authorized to hold a public meeting or other proceeding if it determines such meeting or other proceeding would be appropriate.

Under the CRA, the FRB must take into account the record of performance of the companies and the depository institutions concerned in meeting the credit needs of the entire community, including low and moderate-income neighborhoods, served by such companies and depository institutions. Depository institutions are periodically examined for compliance with the CRA by their primary federal supervisor and are assigned ratings. In evaluating the record of the performance of an institution in meeting the credit needs of the entire community served by the institution, the FRB considers the institution's record of compliance with the CRA, including the most recent rating assigned by its primary federal supervisor. As of their last respective CRA examinations, each of TrustAtlantic Bank and First Tennessee Bank was rated "Satisfactory" with respect to CRA compliance.

The primary regulator of First Tennessee Bank is the Office of the Comptroller of the Currency, or OCC. The prior approval of the OCC under the Bank Merger Act is required to merge TrustAtlantic Bank with and into First Tennessee Bank. In evaluating an application filed under the Bank Merger Act, the OCC generally considers: (1) the competitive impact of the transaction, (2) the financial and managerial resources of the depository institutions party to the Merger, (3) the convenience and needs of the community to be served and the record of the depository institutions under the Community Reinvestment Act, including their CRA ratings, (4) the depository institutions' effectiveness in combating money-laundering activities and (5) the extent to which the depository institution Merger would result in greater or more concentrated risks to the stability of the U.S. banking or financial system. In connection with its review, the OCC will provide an opportunity for public comment on the application for the bank consolidation, and is authorized to hold a public meeting or other proceeding if it determines that would be appropriate.

Filings are also being made with the NCCOB to provide the agency prior notice of the proposed merger of TrustAtlantic Bank into First Tennessee Bank.

### **Additional Regulatory Approvals and Notices**

Notifications and/or applications requesting approval may be submitted to various other federal and state regulatory authorities and self-regulatory organizations.

Neither TrustAtlantic nor First Horizon can assure you that all of the regulatory approvals described above will be obtained and, if obtained, we cannot assure you as to the timing of any such approvals, our ability to obtain the approvals on satisfactory terms or the absence of any litigation challenging such approvals.

First Horizon and TrustAtlantic believe that the Merger does not raise significant regulatory concerns and that we will be able to obtain all requisite regulatory approvals on a timely basis. However, neither First Horizon nor TrustAtlantic can assure you that all of the required regulatory approvals described above will be obtained and, if obtained, we cannot assure you as to the timing of such approvals, our ability to obtain the approvals on satisfactory terms or the absence of any litigation challenging such approvals. In addition, there can be no assurance that such approvals will not impose conditions or requirements that, individually or in the aggregate, would or could reasonably be expected to have a materially adverse effect on the financial conditions, results of operations, assets or business of First Horizon following completion of the Merger.

Neither TrustAtlantic nor First Horizon is aware of any material governmental approvals or actions that are required for completion of the Merger other than those described above. It is presently contemplated that if any such additional governmental approvals or actions are required, those approvals or actions will be sought. There can be no assurance,

however, that any additional approvals or actions will be obtained.

## THE MERGER AGREEMENT

*The following describes certain aspects of the Merger, including certain material provisions of the Merger Agreement. The following description of the Merger Agreement is subject to, and qualified in its entirety by reference to, the Merger Agreement, which is attached to this proxy statement/prospectus as Annex A and is incorporated by reference into this proxy statement/prospectus. We urge you to read the Merger Agreement carefully and in its entirety, as it is the legal document governing the Merger.*

### Structure of the Merger

Each of TrustAtlantic's board of directors, First Horizon's board of directors and First Horizon in its capacity as the Sole Member of Merger Sub has approved the Merger Agreement, by and among First Horizon, Merger Sub and TrustAtlantic. The Merger Agreement provides for the Merger of TrustAtlantic with and into Merger Sub, with Merger Sub continuing as the surviving entity in the Merger. The Merger Agreement additionally provides that on or after the consummation of the Merger, TrustAtlantic's wholly owned subsidiary bank, TrustAtlantic Bank, will merge with and into First Tennessee Bank, First Horizon's banking subsidiary, with First Tennessee Bank as the surviving entity.

### Merger Consideration

Subject to the terms and conditions set forth in the Merger Agreement, at the Effective Time of the Merger, each outstanding share of TrustAtlantic common stock will be converted into the right to receive either (i) for each Cash Election Share, an amount of cash equal to the product of 1.3261 and the First Horizon Closing Price; or (ii) for each Stock Election Share, 1.3261 shares of First Horizon common stock; provided that the aggregate Merger consideration will consist of 75% stock consideration and 25% cash consideration as set forth in the Merger Agreement.

Each issued and outstanding warrant to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be cancelled and converted into the right to receive an amount of Merger consideration with respect to the shares of TrustAtlantic common stock issuable upon exercise of such warrant in full, less the exercise price, which will be deducted from the Merger consideration issuable in respect of such warrant. Each holder of a TrustAtlantic warrant may elect to receive its Merger consideration in the form of cash or First Horizon common stock subject to adjustment as set forth in the Merger Agreement so that the aggregate consideration will consist of 75% stock consideration and 25% cash consideration.

Each issued and outstanding option to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be automatically converted into a non-qualified option to purchase First Horizon common stock under First Horizon's Equity Compensation Plan. The number of shares of First Horizon common stock issuable upon the exercise of each converted TrustAtlantic option will equal the product of (i) the number of shares of TrustAtlantic common stock that were purchasable under the option immediately before the Merger and (ii) 1.3261, rounded down, if necessary to the nearest whole share. The exercise price per share of First Horizon common stock for each option will equal (x) the per share exercise price of the option in effect immediately before the Merger divided by (y) 1.3261, rounded up, if necessary, to the nearest cent.

If the number of shares of common stock outstanding of TrustAtlantic or First Horizon changes before the Merger is completed as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination or readjustment of shares, or any stock dividend or stock distribution with a record date during such period, then the Merger consideration will be equitably and proportionately adjusted.

### Fractional Shares

First Horizon will not issue any fractional shares of First Horizon common stock in the Merger. TrustAtlantic shareholders who would otherwise be entitled to a fractional share of First Horizon common stock upon the completion of the Merger will instead receive an amount in cash (rounded

to the nearest cent) determined by multiplying (i) the First Horizon Closing Price by (ii) the fraction of a share of First Horizon common stock to which such holder would otherwise be entitled to receive.

*Surviving Entity; Governing Documents; Management*

At the Effective Time of the Merger, the articles of organization and operating agreement of Merger Sub in effect immediately prior to the Effective Time (subject to any amendment to the articles of organization set forth in the Certificate of Merger) will be the articles of organization and operating agreement of the surviving entity until thereafter amended in accordance with applicable law.

The size and composition of First Horizon's board of directors will not be affected by the Merger. Merger Sub is a member-managed limited liability company, with officers appointed by its sole member, First Horizon. The officers of Merger Sub will continue in office after completion of the Merger.

**Closing and Effective Time of the Merger**

The Merger will be completed only if all conditions to the Merger discussed in this proxy statement/prospectus and set forth in the Merger Agreement are either satisfied or waived. See Conditions to Complete the Merger.

The Merger will become effective upon the later of (i) the date and time in which the articles of merger are filed and effective with the Tennessee Secretary of State and (ii) the date and time in which the articles of merger are filed and effective with the North Carolina Secretary of State. The completion of the Merger will occur on a mutually acceptable date as soon as practicable after the satisfaction or waiver of the last of the conditions specified in the Merger Agreement. It currently is anticipated that the completion of the Merger will occur in the first half of 2015, subject to the receipt of required approvals and other customary closing conditions, but neither TrustAtlantic nor First Horizon can guarantee when or if the Merger will be completed.

**Conversion of Shares, Options and Warrants; Appraisal Rights and Dissenting Shares; Exchange of Certificates**

*Conversion of Shares*

The conversion of TrustAtlantic common stock into the right to receive the Merger consideration will occur automatically at the Effective Time of the Merger. Promptly after completion of the Merger, the Exchange Agent will exchange certificates or book-entry shares representing shares of TrustAtlantic common stock for the Merger consideration to be received pursuant to the terms of the Merger Agreement.

*Conversion of Options*

Each issued and outstanding option to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be automatically converted into a non-qualified option to purchase First Horizon common stock under First Horizon's Equity Compensation Plan. The number of shares of First Horizon common stock issuable upon the exercise of each converted TrustAtlantic option will equal the product of (i) the number of shares of TrustAtlantic common stock that were purchasable under the option immediately before the Merger and (ii) 1.3261, rounded down, if necessary, to the nearest whole share. The exercise price per share of First Horizon common stock for each option will equal (x) the per share exercise price of the option in effect immediately before the Merger divided by (y) 1.3261, rounded up, if necessary, to the nearest cent.

Other substantive terms of the TrustAtlantic options will be carried over to the extent permitted by First Horizon's Equity Compensation Plan, but all administrative terms after the Merger will be governed by that Plan and First Horizon's administrative procedures and practices. For example, expiration dates will remain the same after conversion, but the times, places, and methods of

effecting exercises will not. First Horizon's Plan does not support tax-qualified incentive stock options, so all options after conversion will be non-qualified.

#### *Conversion of Warrants*

Each issued and outstanding warrant to purchase TrustAtlantic common stock that has not been exercised prior to the Merger will be cancelled and converted into the right to receive an amount of Merger consideration with respect to the shares of TrustAtlantic common stock issuable upon exercise of such warrant in full, less the exercise price, which will be deducted from the Merger consideration issuable in respect of such warrant. Each holder of a TrustAtlantic warrant may elect to receive its Merger consideration in the form of cash or First Horizon common stock subject to adjustment as set forth in the Merger Agreement so that the aggregate Merger consideration paid to holders of TrustAtlantic warrants and common stock will consist of 75% stock consideration and 25% cash consideration.

#### *Appraisal Rights and Dissenting Shares*

Under North Carolina law, which is the law under which TrustAtlantic is incorporated, the holders of TrustAtlantic common stock will be entitled to appraisal rights in connection with the Merger. If a holder of TrustAtlantic common stock has perfected its appraisal rights under the NCBCA and has not withdrawn or lost such rights as of the Effective Time, such shares will not be converted into the right to receive the Merger consideration provided by the Merger Agreement. The holder will only be entitled to such rights as are granted by the NCBCA. If such holder withdraws or loses such holder's appraisal rights at or prior to the Effective Time, such holder's shares of TrustAtlantic common stock will be converted into a right to receive the Merger consideration provided by the Merger Agreement. If such holder withdraws or loses such holder's appraisal rights after the Effective Time, such holder's shares of TrustAtlantic common stock will be converted into a right to receive the Merger consideration provided by the Merger Agreement, but such holder will only be able to receive its Merger consideration in the form of cash. See *The TrustAtlantic Special Meeting Appraisal Rights* for a more detailed discussion of TrustAtlantic's shareholders' appraisal rights.

#### *Form of Election*

A Form of Election is being mailed to TrustAtlantic shareholders and warrant holders of record as of the record date. The Form of Election will permit such holders to elect to receive their Merger consideration in the form of (i) cash, (ii) First Horizon common stock, (iii) a mix of cash and First Horizon common stock, or (iv) indicate that such holder has no preference. If a holder elects to receive a mix of cash and First Horizon common stock, such holder will receive stock for 75% of such holder's TrustAtlantic common stock and cash for the remaining part of such holder's TrustAtlantic common stock. TrustAtlantic shareholders must exercise their right to make an election prior to 5:00 p.m. Eastern Time on Friday, May 1, 2015, the Election Deadline. The materials contain instructions on how to properly submit the election statement.

If a holder of TrustAtlantic common stock or warrants to purchase TrustAtlantic common stock has not made a valid election prior to the Election Deadline such holder will be treated as though they had not made an election.

To make an election, a holder of TrustAtlantic common stock or warrants to purchase TrustAtlantic common stock must submit a properly completed election statement so that it is actually received by the Exchange Agent at or prior to the Election Deadline in accordance with the instructions on the election statement. Neither TrustAtlantic nor First Horizon is under any obligation to notify any holder of defects in such holder's election statement.

Generally, an election may be revoked or changed, but only by written notice received by the Exchange Agent prior to the Election Deadline. If an election is revoked and unless a subsequent properly executed election statement is actually received by the Exchange Agent at or prior to the Election Deadline, the holder having revoked the election

will be deemed to have made no election

with respect to his or her shares of TrustAtlantic common stock or warrants to purchase TrustAtlantic common stock.

Holders will not be entitled to revoke or change their elections following the Election Deadline. As a result, holders who have made elections will be unable to revoke their elections.

Shares of TrustAtlantic common stock and warrants to purchase TrustAtlantic common stock as to which a holder has not made a valid election prior to the Election Deadline, including as a result of revocation, will be deemed to have made no election. If it is determined that any purported cash election or stock election was not properly made, the purported election will be deemed to be of no force or effect and the holder making the purported election will be deemed not to have made an election for these purposes, unless a proper election is subsequently made on a timely basis.

#### *Allocation Procedures*

All elections are subject to the election, proration and allocation procedures described in this proxy statement/prospectus. The aggregate consideration will be 75% stock consideration and 25% cash consideration. Due to these limitations, TrustAtlantic shareholders may not receive the form of Merger consideration that they elect.

If the aggregate number of shares of TrustAtlantic common stock, including TrustAtlantic common stock issuable upon exercise of warrants, with respect to which stock elections are made (the **Stock Election Number**) exceed the 75% limitation on stock elections (the **Stock Conversion Number**), then all Cash Election Shares and all non-election shares shall be converted into the right to receive Merger consideration in the form of cash, and the stock election shares of each holder of TrustAtlantic common stock will be converted into the right to receive the stock consideration in respect of that number of stock election shares equal to the product obtained by multiplying (x) the number of stock election shares held by such holder by (y) a fraction, the numerator of which is the Stock Conversion Number and the denominator of which is the Stock Election Number, with the remaining number of such holder's Stock Election Shares being converted into the right to receive the Merger consideration in the form of cash.

For example, assuming no further issuances of TrustAtlantic common stock after the date of this proxy statement/prospectus and assuming the exercise of all outstanding TrustAtlantic options and warrants, the Stock Conversion Number would be 4,051,173 (75% of the 5,401,565 shares of TrustAtlantic common stock currently outstanding, including shares issued in respect of all options and warrants) at the effective time. If stock elections are made with respect to 5,000,000 shares of TrustAtlantic common stock, approximately 19% of each holder's Stock Election Shares would be converted into Cash Election Shares.

If the Stock Election Number is less than the Stock Conversion Number (the difference being the **Shortfall Number**), then all Stock Election Shares will be converted into the right to receive stock consideration and the non-election shares and Cash Election Shares will be treated as follows:

If the Shortfall Number is less than or equal to the number of non-election shares, then all Cash Election Shares will be converted into the right to receive cash consideration and each holder of non-election shares will receive the stock consideration in respect of that number of non-election shares equal to the product obtained by multiplying (i) the number of non-election shares held by such holder by (ii) a fraction, the numerator of which is the Shortfall Number and the denominator of which is the total number of non-election shares, with the remaining number of such holder's non-election shares being converted into the right to receive cash consideration; or  
If the Shortfall Number is more than the number of non-election shares, then all non-election shares will be converted into the right to receive stock consideration and each holder of Cash Election Shares will receive the stock consideration in respect of that number of Cash Election Shares equal to the product obtained by multiplying (i) the number of Cash Election Shares held by such holder by (ii) a fraction, the numerator of which is the amount

by which (x) the Shortfall Number exceeds (y) the total number of non-election shares, and the denominator of which is the total number of Cash Election Shares, with the remaining

55

---

number of such holder's non-election shares being converted into the right to receive cash consideration. For example, assuming no further issuances of TrustAtlantic common stock after the date of this proxy statement/prospectus and assuming the exercise of all outstanding TrustAtlantic options and warrants, the Stock Conversion Number would be 4,051,173 (75% of the 5,401,565 shares of TrustAtlantic common stock currently outstanding, including shares issued in respect of all options and warrants) at the effective time. If stock elections are made with respect to 4,000,000 shares of TrustAtlantic common stock and there are 417,265 non-election shares, approximately 12.25% of each holder's non-election shares would be converted into Stock Election Shares. If stock elections are made with respect to 4,000,000 shares of TrustAtlantic common stock and there are 1,000 non-election shares, approximately 3.7% of each holder's Cash Election Shares would be converted into Stock Election Shares.

#### *Letter of Transmittal*

Within five (5) business days after the completion of the Merger, the Exchange Agent will mail appropriate transmittal materials and instructions to each holder of TrustAtlantic common stock. These materials will contain instructions on how to surrender shares of TrustAtlantic common stock in exchange for the Merger consideration the holder is entitled to receive under the Merger Agreement.

If a certificate for TrustAtlantic common stock has been lost, stolen or destroyed, the Exchange Agent will issue the Merger consideration properly upon receipt of (i) an affidavit of that fact by the claimant and (ii) such bond or insurance as First Horizon may determine is reasonably necessary as indemnity against any claim that may be made against First Horizon with respect to the certificate.

After completion of the Merger, there will be no further transfers on the stock transfer books of TrustAtlantic. If, after the completion of the Merger, stock certificates representing TrustAtlantic common stock are presented for transfer to the Exchange Agent, they will be exchanged for the Merger consideration and cancelled in accordance with the Merger Agreement.

#### *Withholding*

First Horizon, Merger Sub and the Exchange Agent will be entitled to deduct and withhold from the consideration otherwise payable to any TrustAtlantic shareholder the amounts either of them are required to deduct and withhold under any applicable federal, state, local or foreign tax law. If any such amounts are withheld, these amounts will be treated for all purposes of the Merger Agreement as having been paid to the shareholders from whom they were withheld.

#### *Dividends and Distributions*

Whenever a dividend or other distribution is declared by First Horizon on First Horizon common stock, the record date for which is at or after the Effective Time of the Merger, the declaration will include dividends or other distributions on all shares of First Horizon common stock issuable under the Merger Agreement, but such dividends or other distributions will not be paid to the holder thereof until such holder has duly surrendered its TrustAtlantic stock certificates.

#### **Representations and Warranties**

The representations, warranties and covenants described below and included in the Merger Agreement were made only for purposes of the Merger Agreement and as of specific dates, are solely for the benefit of First Horizon and TrustAtlantic, may be subject to limitations, qualifications or exceptions agreed upon by the parties, including those included in confidential disclosures made for the purposes of, among other things, allocating contractual risk between

First Horizon and TrustAtlantic rather than establishing matters as facts, and may be subject to standards of materiality that differ from those standards relevant to investors. You should not rely on the

facts or circumstances that would prevent First Horizon from consummating the transactions contemplated by the Merger Agreement or from obtaining all regulatory approvals necessary to consummate the transactions contemplated by the Merger Agreement; and  
the accuracy of information supplied for inclusion in this proxy statement/prospectus and other similar documents.  
Certain representations and warranties of First Horizon and TrustAtlantic are qualified as to materiality or material adverse effect. For purposes of the Merger Agreement, a material adverse effect, when used in reference to First Horizon or TrustAtlantic or any of their subsidiaries, means any condition, event, change or occurrence that, individually or collectively, is reasonably likely to have a material adverse effect upon (i) the condition, financial or otherwise, properties, business, results of operations or prospects of such entity or entities, taken as a whole, or (ii) the ability of such entity or entities to perform its obligations under, and to consummate the

transactions contemplated by, the Merger Agreement; provided, however that no such condition, event, change or occurrence will be deemed to have a Material Adverse Effect under clause (i) arising from or relating to:

changes in U.S. generally accepted accounting principles, consistently applied or regulatory accounting requirements,  
changes in applicable law,  
changes in global or national political, economic or market conditions generally affecting companies in the banking industry,  
changes in credit markets generally, or  
the outbreak or escalation of hostilities or acts of war or terrorism,

except to the extent that the effects of such changes are disproportionately adverse to the financial condition, results of operations or business of such entity or entities taken as a whole, as compared to other financial institutions similar in size and operations as such entity.

## **Covenants and Agreements**

practices, including policies and practices with respect to underwriting, pricing, originating, acquiring, selling, servicing, or buying or selling rights to service loans;

permit the construction of new structures or facilities upon, or purchase or lease any real property in respect of, any branch or other facility, or file any application or take any other action to establish, relocate or terminate the operation of any banking office;

Each of First Horizon and Merger Sub has agreed that at and after the Effective Time, it:

will maintain all books and records and file all federal, state and local income tax returns and schedules thereto of First Horizon, Merger Sub and each of First Horizon's other affiliates in a manner consistent with the Merger being qualified as a reorganization and nontaxable exchange under Section 368(a)(1)(A) of the Code, and any comparable provision of any other tax laws; and

will not cause or permit any election to be made under Section 338 of the Code or any comparable provision of any other tax laws with respect to the Merger or the transactions contemplated by the Merger Agreement.

#### *Regulatory Matters*

First Horizon and TrustAtlantic have agreed to use their respective reasonable best efforts to take, or cause to be taken, and assist and cooperate with the other party in taking, all actions that are necessary, proper or advisable to comply promptly with all legal requirements with respect to the Merger and the other transactions contemplated by the Merger Agreement, including obtaining any third-party consent or waiver that may be required, and to obtain, and assist and cooperate with the other party in obtaining, all actions, nonactions, permits, consents, authorizations, orders, clearances, waivers or approvals of any exemption by governmental entity required or advisable in connection with the Merger and the other transactions contemplated by the Merger Agreement. First Horizon and Trust Atlantic will cooperate with each other and prepare and file all necessary

documentation, and effect all applications, notices, petitions and filings, to obtain as promptly as practicable all actions, nonactions, permits, consents, authorizations, orders, clearances, waivers or approvals of all third parties and governmental entities that are necessary or advisable to consummate the transactions contemplated by the Merger Agreement. First Horizon and TrustAtlantic will use their respective reasonable best efforts to resolve any objections that may be asserted by any governmental entity with respect to the Merger Agreement or the Merger or the other transactions contemplated by the Merger Agreement. However, in no event will First Horizon or Merger Sub be required, and TrustAtlantic and its subsidiaries will not be permitted (without First Horizon's written consent), to take, or commit to take, any action or agree to any condition or restriction if such action, condition or restriction would have, or would be reasonably likely to have, individually or in the aggregate, a material adverse effect in respect of First Horizon or TrustAtlantic and its subsidiaries, taken as a whole. First Horizon filed applications seeking regulatory approval to complete the transactions contemplated by the Merger Agreement with the FRB and the NCCOB.

First Horizon and TrustAtlantic have agreed to furnish, upon request from the other, all information concerning First Horizon, TrustAtlantic and their respective subsidiaries, directors, officers and shareholders and such other information as may be necessary in connection with any statement, filing, notice or application being made by or on behalf of First Horizon, TrustAtlantic or any of their respective subsidiaries. Each party will review and consult with the other regarding any filing made or proposed to be made.

#### *Tax Matters*

First Horizon and TrustAtlantic have agreed to not take any action, or knowingly fail to take any action, which action or failure to act prevents or impedes, or could reasonably be expected to prevent or impede, the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

#### *Employee Matters*

The Merger Agreement provides that First Horizon will provide to employees of TrustAtlantic and its subsidiaries (as a group) who are actively employed as of the completion of the Merger and who become employees of First Tennessee Bank, employee benefits and compensation opportunities that, in the aggregate, are substantially comparable to the employee benefits and compensation opportunities generally made available to similarly situated employees of First Horizon (provided that, in no event will any such employee be eligible to participate in any closed or frozen plan of First Horizon or its subsidiaries). The service of TrustAtlantic employees prior to the completion of the Merger will, to the same extent such service is recognized immediately prior to the completion of the Merger under a corresponding TrustAtlantic benefit plan in which the applicable employee is eligible to participate immediately prior to the completion of the Merger, be treated as service with First Horizon for purposes of eligibility, participation, vesting and benefit accrual under First Horizon's employee benefit plans, subject to customary exclusions.

After the Effective Time, Merger Sub will comply with the obligations of TrustAtlantic under any employment, change of control, severance or similar contract with any present or former employee, director or consultant of TrustAtlantic. Any severance, change of control, termination or other payments required to be paid as a result of the transactions contemplated by the Merger Agreement will be paid by Merger Sub, in accordance with the terms of each payment obligation.

At the Effective Time, existing employment agreements (the *TrustAtlantic Employment Agreements*) among TrustAtlantic, TrustAtlantic Bank, and Messrs. Anthony, Beck, Day, Edwards and Powell will be terminated in consideration of termination payments equal to the amount of the severance benefit that would otherwise be due to such executive officer upon a termination of employment without cause following a change in control,

notwithstanding the continued employment of such executive officer, plus the amount of the automobile allowance that would otherwise be due to such executive officers throughout the remainder of the term of the agreement, plus the amount of country club membership dues that would otherwise be due to such executive officers throughout

the remainder of the term of the agreement. One half of this amount will be payable at the Effective Time to Messrs. Anthony, Beck, Day and Powell, each of whom maintain direct customer relationship responsibilities, with the remaining balance to be payable upon such individual's completion of 24 months of employment with First Tennessee Bank, provided however, that the remaining balance will also be payable upon the termination of employment by the employer without cause, or upon the employee's death or disability. The full amount of Mr. Edwards's payment will be payable at the Effective Time as Mr. Edwards does not maintain direct customer relationship responsibilities. At the Effective Time, existing non-compete agreements among TrustAtlantic, TrustAtlantic Bank, and each of the executive officers of TrustAtlantic will be amended to delete the cross-reference to the TrustAtlantic Employment Agreement and insert a definition of a termination for cause, but otherwise will continue in full force and effect after the Effective Time.

After the Effective Time, Merger Sub will comply with the obligations under the TrustAtlantic Financial Corporation and TrustAtlantic Bank Supplemental Retirement Plan (the *SERP*). Pursuant to the SERP, Merger Sub will establish a rabbi trust and fund the trust with a lump sum amount equal to the remaining present value as of the date on which the Closing occurs of the total aggregate benefits of all participants, both who have begun payment and those who have not. TrustAtlantic, by resolution of its board of directors, will amend the SERP to provide that no additional contributions will be made by TrustAtlantic to the SERP effective as of the day before the Effective Time.

Effective as of the day before the Effective Time, TrustAtlantic will terminate its participation in the Pentegra Defined Contribution Plan for Financial Institutions (the *Multiemployer Plan*) and will take such additional actions as may be required by applicable law or requested by First Horizon to terminate the portion of the Multiemployer Plan attributable directly or indirectly to participation by employees and former employees of TrustAtlantic and any ERISA affiliate or former ERISA affiliate thereof.

#### *D&O Indemnification and Insurance*

The Merger Agreement provides that after the completion of the Merger through the fourth anniversary of the Effective Time, First Horizon will indemnify and hold harmless all present and former directors and officers of TrustAtlantic and its subsidiaries, and each officer or employee of TrustAtlantic and/or any of its subsidiaries that is serving or has served as a director or officer of another entity expressly at the request or direction of TrustAtlantic or any of its subsidiaries against all costs or expenses (including reasonable attorneys' fees), judgments, fines, amounts paid in settlement, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or prior to the Effective Time (including the transactions contemplated by the Merger Agreement), whether asserted or claimed prior to, at or after the Effective Time, as they are from time to time incurred, in each case to the fullest extent such person would have been indemnified or have the right to advancement of expenses pursuant to TrustAtlantic's articles of incorporation or bylaws, as in effect on the date of the Merger Agreement. Notwithstanding the foregoing, First Horizon is not required to indemnify any such person with respect to proceedings initiated by First Horizon or the indemnified person, or if such indemnification is prohibited by applicable law.

The Merger Agreement requires TrustAtlantic to procure a tail policy for its existing directors and officers liability insurance policy covering the individuals who are currently covered by such coverage; provided, however, that the total maximum expense will not exceed the amount that is equal to four times TrustAtlantic's current annual premium.

#### *Certain Additional Covenants*

The Merger Agreement also contains additional covenants, including covenants relating to the filing of this proxy statement/prospectus, obtaining required consents, the listing of the shares of First Horizon common stock to be issued in the Merger on the NYSE, the provision of a

TrustAtlantic closing date balance sheet to First Horizon, access to information of the other company, public announcements with respect to the transactions contemplated by the Merger Agreement, provisions for the integration of TrustAtlantic's electronic data into First Horizon's systems, the establishment of an advisory board by First Horizon, and the provision of notice to each party on the occurrence of certain events related to the Merger, such as any incidence of Merger-related litigation against either party or the breach, by either party, of the representations and warranties contained in the Merger Agreement.

### **TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors**

TrustAtlantic has agreed to hold a meeting of its shareholders for the purpose of voting upon approval of the Merger Agreement as promptly as practicable. TrustAtlantic will use its reasonable best efforts to obtain from its shareholders the requisite shareholder approval of the Merger Agreement, including by recommending that its shareholders approve and adopt the Merger Agreement (subject to the provisions governing making a change in TrustAtlantic's recommendation as described below).

The board of directors of TrustAtlantic has agreed to recommend that TrustAtlantic's shareholders vote in favor of approval of the Merger Agreement and to not approve, agree to or recommend, or propose to approve, agree to or recommend, any acquisition proposal (as described below). The board of directors of TrustAtlantic may provide no recommendation to TrustAtlantic's shareholders that they approve the Merger Agreement or may effect a change in TrustAtlantic's recommendation to approve the Merger Agreement if and only to the extent that:

TrustAtlantic has received an unsolicited bona fide acquisition proposal that constitutes a superior proposal (as described below), and TrustAtlantic's board of directors determines in good faith, after receiving the advice of outside legal counsel, that TrustAtlantic's board of directors would be in violation of its fiduciary duties under applicable laws if it failed to effect a change in TrustAtlantic's recommendation;

TrustAtlantic has given at least five business days' written notice to First Horizon of its intention to effect a change in or withdraw TrustAtlantic's recommendation absent modification of the terms and conditions of the Merger Agreement;

if applicable, after giving effect to any amendments to the Merger Agreement proposed by First Horizon, such acquisition proposal continues to constitute a superior proposal; and

TrustAtlantic complies with its non-solicitation obligations described below in Agreement Not to Solicit Other Offers and its obligations with respect to calling shareholder meetings and acquisition proposals described in this section.

In the event of any material revisions to the superior proposal, TrustAtlantic will be required to deliver a new written notice to First Horizon five business days in advance of its intention to effect a change in TrustAtlantic's recommendation and to comply with the other requirements described above.

The Merger Agreement requires TrustAtlantic to submit the Merger Agreement to a shareholder vote even if TrustAtlantic's board of directors effects a change in TrustAtlantic's recommendation.

If a superior proposal has been made known to the TrustAtlantic shareholders and thereafter the TrustAtlantic shareholders do not approve the Merger at the TrustAtlantic shareholder meeting, and if during the 10 business-day period following the failed shareholder vote First Horizon proposes revised terms and conditions of the Merger Agreement that are no less favorable from a financial point of view to TrustAtlantic shareholders than the acquisition proposal, TrustAtlantic is obligated to resubmit the revised Merger Agreement to its shareholders at a second shareholder meeting (and to comply with the other requirements described above as if such second shareholder meeting was treated as the first shareholder meeting), except that TrustAtlantic will not be obligated to submit the revised Merger Agreement to its shareholders at a second shareholder meeting if:

TrustAtlantic's board of directors effected a change in TrustAtlantic's recommendation prior to the first shareholder meeting;

assuming the Merger Agreement was amended to reflect all adjustments to the terms and conditions proposed by First Horizon during the 10 business-day period following the failed shareholder vote at the first shareholder meeting, the acquisition proposal would continue to constitute a superior proposal; and

TrustAtlantic complies with its non-solicitation obligations described below in Agreement Not to Solicit Other Offers and its obligations with respect to calling shareholder meetings and acquisition proposals described in this section (such exception will be referred to as a *No-Match Event*).

For purposes of the Merger Agreement:

an acquisition proposal means a proposal or offer from, or indication of interest in making a proposal or offer by, any person (other than First Horizon and its subsidiaries, including Merger Sub) relating to any (i) direct or indirect acquisition of assets of TrustAtlantic or its subsidiaries (including any voting equity interests of subsidiaries, but excluding sales of assets in the ordinary course of business) equal to twenty percent (20%) or more of the fair market value of TrustAtlantic's consolidated assets or to which twenty percent (20%) or more of TrustAtlantic's net revenues or net income on a consolidated basis are attributable, (ii) direct or indirect acquisition of twenty percent (20%) or more of the voting equity interests of TrustAtlantic, (iii) tender offer or exchange offer that if consummated would result in any person beneficially owning (within the meaning of Section 13(d) of the Exchange Act) twenty percent (20%) or more of the voting equity interests of TrustAtlantic, (iv) merger, consolidation, other business combination or similar transaction involving TrustAtlantic or any of its subsidiaries, pursuant to which such person would own twenty percent (20%) or more of the consolidated assets, net revenues or net income of TrustAtlantic, taken as a whole; or (v) any announcement of a proposal, plan, or intention to do any of the foregoing or any agreement to engage in any of the foregoing;

an alternative transaction means any of (i) a transaction pursuant to which any person (or group of persons) other than First Horizon or its affiliates, directly or indirectly, acquires or would acquire more than twenty percent (20%) of the outstanding shares of TrustAtlantic common stock or outstanding voting power of TrustAtlantic, or more than twenty percent (20%) of the outstanding shares or voting power of any other series or class of capital stock of TrustAtlantic that would be entitled to a class or series vote with respect to the Merger, whether from TrustAtlantic, or pursuant to a tender offer or exchange offer or otherwise, (ii) a merger, share exchange, consolidation or other business combination involving TrustAtlantic (other than the Merger), (iii) any transaction pursuant to which any person (or group of persons) other than First Horizon or its affiliates acquires or would acquire control of assets (including for this purpose the outstanding equity securities of any TrustAtlantic subsidiaries and securities of the entity surviving any merger or business combination involving any TrustAtlantic subsidiary) of TrustAtlantic or any of its subsidiaries representing more than twenty percent (20%) of the fair market value of all the assets, deposits, net revenues or net income of TrustAtlantic and its subsidiaries, taken as a whole, immediately prior to such transaction or (iv) any other consolidation, business combination, recapitalization or similar transaction involving TrustAtlantic or any of its subsidiaries, other than the transactions contemplated by the Merger Agreement, as a result of which the holders of shares of TrustAtlantic common stock immediately prior to such transaction do not, in the aggregate, own at least eighty percent (80%) of each of the outstanding shares of TrustAtlantic common stock and the outstanding voting power of the surviving or resulting entity in such transaction immediately after the consummation thereof in substantially the same proportion as such holders held the shares of TrustAtlantic common stock immediately prior to the consummation thereof; and

superior proposal means a bona fide unsolicited written acquisition proposal that (i) is obtained not in breach of the Merger Agreement for all or substantially all of the outstanding

shares of TrustAtlantic common stock on terms that the TrustAtlantic board of directors determines in good faith (after consultation with outside legal counsel and TrustAtlantic's financial advisors) and after taking into account all the terms and conditions of the acquisition proposal and the Merger Agreement (including any proposal by First Horizon to adjust the terms and conditions of the Merger Agreement), including any break-up fees, expense reimbursement provisions, conditions to and expected timing and risks of consummation, the form of consideration offered and the ability of the party making such proposal to obtain financing for such acquisition proposal, and after taking into account all other legal, financial, strategic, regulatory and other aspects of such proposal, including the identity of the party making such proposal, and the Merger Agreement) are more favorable from a financial point of view to its shareholders than the Merger, (ii) is reasonably likely to receive all necessary regulatory approvals and be consummated and (iii) does not contain any condition to closing or similar contingency related to the ability of the party making such proposal to obtain financing.

#### **Agreement Not to Solicit Other Offers**

TrustAtlantic also has agreed that it will not, and will cause each of its subsidiaries and its and their respective officers, directors, employees, agents and representatives not to, directly or indirectly:

- solicit, initiate, encourage or facilitate (including by furnishing information), or take any other action designed to facilitate, any acquisition proposal;

- participate in any discussions or negotiations regarding an alternative transaction or acquisition proposal; or

- enter into any agreement regarding any alternative transaction or acquisition proposal.

However, if prior to the approval of the Merger Agreement by TrustAtlantic shareholders, (i) TrustAtlantic receives a superior proposal that was not solicited by TrustAtlantic and that did not otherwise result from a breach of the Merger Agreement, (ii) TrustAtlantic's board of directors determines in its good faith judgment (after receiving the advice of outside counsel) that a failure to participate in discussions or negotiations with, or provide information to, the person making the superior proposal would violate TrustAtlantic's board of directors' fiduciary duties under applicable laws, and (iii) TrustAtlantic gives at least five business days' notice to First Horizon, TrustAtlantic's board of directors may:

- furnish information with respect to it and its subsidiaries to the party making the superior proposal pursuant to a customary confidentiality agreement containing terms no less restrictive to the party making the superior proposal than the terms contained in TrustAtlantic's confidentiality agreement with First Horizon; provided that a copy of all such written information is simultaneously provided to First Horizon, and

- participate in discussions regarding the superior proposal.

TrustAtlantic has also agreed to provide First Horizon written and oral notice within one business day following the receipt of any acquisition proposal, material modification to any acquisition proposal or request for nonpublic information or access to TrustAtlantic's or its subsidiaries' properties, books or records by any person that has made or, to TrustAtlantic's knowledge, may be considering making, an acquisition proposal. The notice will indicate the identity of the person making the acquisition proposal or requesting nonpublic information or access and the material terms of the acquisition proposal or modification to an acquisition proposal. TrustAtlantic will keep First Horizon fully informed, on a current basis, of any material changes in the status and any material changes or modifications in the terms of any such acquisition proposal, indication or request.

TrustAtlantic and its subsidiaries have agreed to (i) immediately cease and cause to be terminated any existing discussions or negotiations conducted with any third party with respect to any alternative transaction or acquisition proposal, (ii) enforce and not release any third party from the confidentiality and standstill provisions of any agreement to which TrustAtlantic or its

subsidiaries is a party and (iii) immediately terminate any approval previously given under any such provisions authorizing any person to make an acquisition proposal.

### **Conditions to Complete the Merger**

First Horizon's and TrustAtlantic's respective obligations to complete the Merger are subject to the fulfillment or waiver of the following conditions:

- the receipt of required regulatory approvals without conditions or restrictions on the operation of First Horizon or Merger Sub or which materially and adversely impact the value of the Merger, taken as a whole, to First Horizon, such approvals have not been contested by any federal or state governmental authority or any third party by formal proceeding, and any statutory waiting periods have expired;
- the approval of the Merger Agreement by TrustAtlantic's common shareholders;
- the listing of the First Horizon common stock to be issued in the Merger on the NYSE, subject to official notice of issuance;
- the effectiveness of the registration statement of which this proxy statement/prospectus is a part with respect to the First Horizon common stock to be issued in the Merger under the Exchange Act, and the absence of any stop order or proceedings threatened by the SEC for that purpose;
- the accuracy of the representations and warranties of each other party in the Merger Agreement as of the closing date of the Merger, subject to the materiality standards provided in the Merger Agreement and the performance of the other party in all material respects of all obligations required to be performed by it at or prior to the Effective Time of the Merger under the Merger Agreement (and the receipt by each party of certificates from the other party to such effects); and
- receipt by each of First Horizon and TrustAtlantic of an opinion of legal counsel as to certain tax matters.

First Horizon's and Merger Sub's obligations to consummate the transactions contemplated by the Merger Agreement are further subject to the following:

- receipt of a certificate from the secretary of TrustAtlantic, certifying as to the approval of the Merger Agreement and the Merger by TrustAtlantic's board of directors and the approval of the shareholders of TrustAtlantic as required by applicable law;
- the consolidated equity of TrustAtlantic, excluding the impact of any goodwill impairment, minus any unrealized gains, or plus any unrealized losses (as the case may be) in TrustAtlantic's securities portfolio due to mark-to-market adjustments and after taking into account the TrustAtlantic closing expenses, shall not be less than \$50 million as determined in accordance with U.S. generally accepted accounting principles, consistently applied; and
- no more than 10% of the total outstanding shares of TrustAtlantic common stock shall have exercised appraisal rights.

TrustAtlantic's obligations to consummate the transactions contemplated by the Merger Agreement are further subject to the receipt by TrustAtlantic of an opinion of its financial adviser confirming the fairness of the Merger consideration (which condition has been satisfied).

Neither TrustAtlantic nor First Horizon can provide assurance as to when or if all of the conditions to the Merger can or will be satisfied or waived by the appropriate party. As of the date of this proxy statement/prospectus, neither TrustAtlantic nor First Horizon has reason to believe that any of these conditions will not be satisfied.

### **Termination of the Merger Agreement**

The Merger Agreement can be terminated at any time prior to completion of the Merger by the mutual consent of TrustAtlantic and First Horizon, or by either party in the following circumstances:

the Merger has not been completed by the End Date; provided, that if all of the conditions to closing have been satisfied except that First Horizon has not yet received regulatory approval, the End Date will be extended to August 20, 2015; provided further, that if the Merger has not been completed by the End Date, such failure cannot be caused by the terminating party's breach of the Merger Agreement;

any required regulatory approval has been denied by the relevant governmental entity and this denial has become final and nonappealable, or a governmental entity has issued a final, nonappealable injunction permanently enjoining or otherwise prohibiting the consummation of the Merger or the other transactions contemplated by the Merger Agreement;

there is a breach of the Merger Agreement by the other party that would cause the conditions for completion of the Merger not to be satisfied, and the breach is not cured prior to the earlier of (i) the End Date, and (ii) 30 days following written notice of the breach by the terminating party or, if by its nature, such breach cannot be cured within such 30 day period, the date of written notice of the breach; or

TrustAtlantic shareholders fail to approve the Merger Agreement at the TrustAtlantic Special Meeting, and a No-Match Event shall have occurred, or the Merger Agreement is resubmitted to TrustAtlantic shareholders at a second shareholder meeting and the TrustAtlantic shareholders fail to approve the Merger Agreement at such shareholder meeting.

In addition, First Horizon may terminate the Merger Agreement in the following circumstances:

TrustAtlantic shareholders fail to approve the Merger Agreement at the Special Meeting (regardless of whether or not TrustAtlantic is obligated to resubmit the Merger Agreement to its shareholders for approval at a second shareholder meeting as described above in TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors );

TrustAtlantic's board of directors fails to recommend to the TrustAtlantic shareholders that they approve the Merger Agreement or withdraws, modifies or qualifies such recommendation in a manner adverse to First Horizon;

TrustAtlantic's board of directors fails to reaffirm its recommendation of the Merger within 10 business days after the public announcement of an acquisition proposal (or material modification thereto);

TrustAtlantic's board of directors breaches its non-solicitation obligations described above in Agreement Not to Solicit Other Offers or its obligations with respect to calling shareholder meetings and alternate acquisition proposals described above in TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors"; or

TrustAtlantic's board of directors approves, recommends or endorses, or proposes or resolves to recommend or endorse, an alternative transaction (as described above in TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors ) or acquisition proposal.

TrustAtlantic may terminate the Merger Agreement if both of the following conditions are satisfied:

the number obtained by dividing (i) the Average Closing Price by (ii) \$12.8225, is less than 0.85; and  
the number obtained by dividing (i) the Average Closing Price by (ii) \$12.8225, is less than the number obtained by (x) dividing the average of the closing price of the KBW Regional Bank Index as quoted on Bloomberg.com (KRX:IND) for the ten consecutive trading days ending on the trading day immediately prior to the Determination Date, by \$77.7420 and then (y) subtracting 0.15.

However, in the event TrustAtlantic notifies First Horizon (within two business days of the Determination Date) of its intent to terminate for failure to meet the conditions described above, First Horizon may, within two business days, elect to increase the Merger consideration by adjusting the exchange ratio of 1.3261 so that it equals a number obtained by dividing (i) the product of

\$12.8225, 0.85 and 1.3261 by (ii) the Average Closing Price, in which case TrustAtlantic may not terminate pursuant to this condition.

### **Effect of Termination**

If the Merger Agreement is terminated, it will become void, except that (i) both First Horizon and TrustAtlantic will remain liable for any willful and material breach of the Merger Agreement and (ii) designated provisions of the Merger Agreement will survive the termination, including those relating to payment of fees and the confidential treatment of information.

### **Termination Fee**

TrustAtlantic will pay First Horizon a \$3.25 million termination fee in the following circumstances:

if First Horizon terminates the Merger Agreement after an acquisition proposal or intent to make an acquisition proposal is made known to TrustAtlantic or its shareholders after the date of the Merger Agreement; and the Merger Agreement is terminated because:

TrustAtlantic has breached or is in breach of any representation, warranty, covenant or agreement in the Merger Agreement that would, individually, or together with all such other uncured breaches, constitute grounds for the failure of any condition to the consummation of the transactions contemplated by the Merger Agreement, and such breach is not cured before the earlier of the End Date and the thirtieth day after written notice of the breach, or upon written notice if such breach cannot be cured within such time period;

TrustAtlantic's board of directors fails to recommend to the TrustAtlantic shareholders that they approve the Merger Agreement or withdraws, modifies or qualifies such recommendation in a manner adverse to First Horizon;

TrustAtlantic's board of directors fails to reaffirm its recommendation of the Merger within 10 business days after the public announcement of an acquisition proposal (or material modification thereto);

TrustAtlantic's board of directors breaches its non-solicitation obligations described above in Agreement Not to Solicit Other Offers or its obligations with respect to calling shareholder meetings and acquisition proposals

described above in TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors ;

TrustAtlantic's board of directors has approved, recommended or endorsed (or in the case of a tender or exchange offer, failed to promptly recommend rejection of), or proposed or resolved to recommend or endorse (or in the case of a tender or exchange offer, failed to promptly recommend rejection of), an alternative transaction or acquisition proposal; or

TrustAtlantic shareholders fail to approve the Merger Agreement at the shareholder meeting;

and TrustAtlantic completes or agrees to an alternative transaction within 12 months of the date of such shareholder meeting.

if TrustAtlantic terminates the Merger Agreement after an acquisition proposal or intent to make an acquisition proposal is made known to TrustAtlantic or its shareholders after the date of the Merger Agreement; and the Merger Agreement is terminated because:

TrustAtlantic shareholders fail to approve the Merger Agreement at the shareholder meeting, and TrustAtlantic is not obligated to resubmit the Merger Agreement to its shareholders for approval at a second shareholder meeting as described above in TrustAtlantic Shareholder Meeting and Recommendation of TrustAtlantic's Board of Directors ;  
or

the Merger Agreement is resubmitted to TrustAtlantic shareholders at a second shareholder meeting and the TrustAtlantic shareholders fail to approve the Merger Agreement at such shareholder meeting; and TrustAtlantic completes or agrees to an alternative transaction within 12 months of the date of such shareholder meeting.

### **Expenses and Fees**

Except as set forth above, each of First Horizon and TrustAtlantic will be responsible for all costs and expenses incurred by it in connection with the negotiation and completion of the transactions contemplated by the Merger Agreement.

### **Amendment, Waiver and Extension of the Merger Agreement**

Subject to applicable law, the Merger Agreement may be amended only by a written agreement signed by the parties to the Merger Agreement. However, after any approval of the Merger Agreement by TrustAtlantic's shareholders, there may not be, without further approval of TrustAtlantic's shareholders, any amendment of the Merger Agreement that requires further approval under applicable law.

At any time prior to the Effective Time of the Merger, each party may, to the extent legally allowed, and by written notice: extend the time for the performance of any of the obligations or other acts of the other party; waive any inaccuracies in the representations and warranties of the other party contained in the Merger Agreement or in any document delivered pursuant to the Merger Agreement; and waive compliance by the other party with any of the agreements and conditions contained in the Merger Agreement.

### **Voting Agreements**

In connection with entering into the Merger Agreement, First Horizon entered into a voting agreement with each of the directors of TrustAtlantic, which we refer to collectively as the voting agreements. The following summary of the voting agreements is subject to, and qualified in its entirety by reference to, the form of voting agreement attached to this proxy statement/prospectus as Exhibit A to Annex A.

Pursuant to the voting agreements, each shareholder party to a voting agreement agreed to vote its shares of TrustAtlantic common stock:

- in favor of adoption and approval of the Merger Agreement;
- in favor of each of the other actions contemplated by the Merger Agreement;
- against any action or agreement that would result in a breach of any covenant, representation or warranty or any other obligation or agreement of TrustAtlantic in the Merger Agreement or of a shareholder contained in the voting agreement; and
- against any acquisition proposal or any other action, agreement or transaction that is intended, or could reasonably be expected, to impede, interfere or be inconsistent with, delay, postpone, discourage or materially and adversely affect consummation of the transactions contemplated by the Merger Agreement or the voting agreement.

The voting agreements provide that each shareholder party to a voting agreement will not, other than pursuant to the Merger, directly or indirectly sell, transfer, pledge, assign or otherwise dispose of, or enter into any contract option, commitment or other arrangement or understanding with respect to the sale, transfer, pledge, assignment or other disposition of, any of the TrustAtlantic shares owned by such shareholder. However, the following transfers are permitted: transfers by will or operation of law, transfers pursuant to any pledge agreement, pursuant to which the transferee agrees to be bound by the terms of the voting agreement, transfers in connection with estate and tax planning purposes, provided the transferee agrees to be bound by the terms of the voting agreement, transfers to

TrustAtlantic pursuant to the exercise of stock options in connection with a cashless

exercise or to satisfy a tax withholding obligation for any previously granted equity award, and such transfers as First Horizon may otherwise permit in its sole discretion.

The voting agreements also provide that each shareholder party to a voting agreement agrees to not, nor to authorize any shareholder, member, partner, officer, director, advisor or representative of such shareholder or any of such shareholder's affiliates, to: (i) solicit, initiate, encourage, facilitate (including by furnishing information), or take any other action designed to facilitate an acquisition proposal, (ii) participate in any discussions or negotiations regarding an alternative transaction or acquisition proposal, or (iii) enter into any agreement regarding any alternative transaction or acquisition proposal; provided, however, such shareholder is permitted to take such actions prior to the approval of the Merger Agreement by TrustAtlantic shareholders, if (x) TrustAtlantic receives a superior proposal that was not solicited by TrustAtlantic and that did not otherwise result from a breach of the Merger Agreement, (y) TrustAtlantic's board of directors determines in its good faith judgment (after receiving the advice of outside counsel) that a failure to participate in discussions or negotiations with, or provide information to, the person making the superior proposal would violate TrustAtlantic's board of directors' fiduciary duties under applicable laws, and (z) TrustAtlantic gives at least five business days' notice to First Horizon of its intention to take the foregoing actions.

The voting agreements also provide that each shareholder party to a voting agreement authorizes First Horizon to vote the TrustAtlantic shares owned by such shareholder at any meeting of the TrustAtlantic shareholders. This authority to vote automatically terminates upon the termination of the voting agreement.

The voting agreements may be terminated at any time prior to completion of the Merger by the written consent of the parties to the voting agreement, and will automatically terminate upon the earlier of the Effective Time of the Merger, the termination of the Merger Agreement in accordance with its terms or the occurrence of a No-Match Event.

As of March 12, 2015, the record date for the Special Meeting, the shareholders that are party to the voting agreements beneficially own an aggregate of approximately 610,592 outstanding shares of TrustAtlantic common stock, which represent approximately 12.78% of the shares of TrustAtlantic common stock entitled to vote at the Special Meeting.

## ACCOUNTING TREATMENT

The Merger will be accounted for as an acquisition by First Horizon using the acquisition method of accounting. Accordingly, the assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of TrustAtlantic as of the Effective Time of the Merger will be recorded at their respective fair values and added to those of First Horizon. Any excess of purchase price over the fair values will be recorded as goodwill. Consolidated financial statements of First Horizon issued after the Merger will reflect these fair values and will not be restated retroactively to reflect the historical financial position or results of operations of TrustAtlantic.

## MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following is a general discussion of the anticipated material U.S. federal income tax consequences of the Merger to U.S. holders (as defined below) of TrustAtlantic common stock who exchange shares of TrustAtlantic common stock for shares of First Horizon common stock, cash, or a combination of shares of First Horizon common stock and cash pursuant to the Merger.

For purposes of this discussion, the term U.S. holder means a beneficial owner of TrustAtlantic common stock that is for U.S. federal income tax purposes (1) an individual citizen or resident of the United States, (2) a corporation, or entity treated as a corporation, created or organized in or under the laws of the United States or any state or political subdivision thereof, (3) a trust if (a) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (b) such trust has made a valid election to be treated as a U.S. person for U.S. federal income tax purposes or (4) an estate, whose income is includible in gross income for U.S. federal income tax purposes, regardless of its source.

The following discussion is limited to U.S. holders of shares of TrustAtlantic common stock who hold such shares as a capital asset within the meaning of Section 1221 of the Code (generally, property held for investment). Further, this discussion does not purport to consider all aspects of U.S. federal income taxation that might be relevant to U.S. holders in light of their particular circumstances and does not apply to U.S. holders subject to special treatment under the U.S. federal income tax laws (such as, for example, dealers or brokers in securities, commodities or foreign currencies, traders in securities that elect to apply a mark-to-market method of accounting, banks and certain other financial institutions, insurance companies, mutual funds, tax-exempt organizations, holders liable for the alternative minimum tax, partnerships or other pass-through entities or investors in partnerships or such other pass-through entities, regulated investment companies, real estate investment trusts, controlled foreign corporations, passive foreign investment companies, former citizens or residents of the United States, U.S. expatriates, holders whose functional currency is not the U.S. dollar, holders who hold shares of TrustAtlantic common stock as part of a hedge, straddle, constructive sale or conversion transaction or other integrated investment, persons who are not U.S. holders, holders who acquired TrustAtlantic common stock pursuant to the exercise of employee stock options, through a tax-qualified retirement plan or otherwise as compensation, or holders who exercise appraisal rights).

The U.S. federal income tax consequences to a partner in an entity or arrangement treated as a partnership for U.S. federal income tax purposes that holds TrustAtlantic common stock generally will depend on the status of the partner and the activities of the partnership. Partnerships and partners in a partnership holding TrustAtlantic common stock should consult their own tax advisors.

This discussion is based upon the Code, its legislative history, the U.S. Treasury regulations promulgated thereunder, and judicial and administrative authorities, rulings and decisions, all as in effect as of the date of this proxy statement/prospectus. These authorities may change, possibly with retroactive effect, and any such change could affect the accuracy of the statements and conclusions set forth in this discussion. This discussion does not address any tax

consequences arising under the unearned income Medicare contribution tax pursuant to Section 1411 of the Code, any U.S. federal estate or gift tax consequences, or any state, local, or foreign tax consequences, nor does it address any U.S. federal tax considerations other than those pertaining to the U.S. federal income tax.

The parties intend for the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code for U.S. federal income tax purposes. It is a condition to the obligation of First Horizon to complete the Merger that First Horizon receive an opinion from Baker, Donelson, Bearman, Caldwell & Berkowitz, PC, dated the date the Merger is completed, substantially to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. It is also a condition to the obligation of TrustAtlantic to complete the Merger that TrustAtlantic receive an opinion from Wyrick Robbins Yates & Ponton LLP, dated the date the Merger is completed, substantially to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. In addition, in connection with the filing of the registration statement of which this document is a part, Baker, Donelson, Bearman, Caldwell & Berkowitz, PC has delivered an opinion to First Horizon and Wyrick Robbins Yates & Ponton LLP has delivered an opinion to TrustAtlantic to the same effect as the opinions described above. These opinions will be based on assumptions, representations, warranties, and covenants, including those contained in the Merger Agreement and in tax representation letters provided by First Horizon and TrustAtlantic. The accuracy of such assumptions, representations, and warranties, and compliance with such covenants, could affect the conclusions set forth in such opinions. The opinions described above will not be binding on the Internal Revenue Service, which we refer to as the IRS. First Horizon and TrustAtlantic have not sought and will not seek any ruling from the IRS regarding any matters relating to the Merger and, as a result, there can be no assurance that the IRS will not assert, or that a court would not sustain, a position contrary to any of the conclusions set forth below. Accordingly, each TrustAtlantic shareholder should consult its own tax advisor with respect to the particular tax consequences of the Merger to such holder. In addition, because a TrustAtlantic shareholder may receive a mix of cash and stock despite having made a cash election or stock election, it will not be possible for holders of TrustAtlantic common stock to determine the specific tax consequences of the Merger to them at the time of making the election.

*Tax Consequences of the Merger Generally to U.S. Holders of TrustAtlantic Common Stock*

If the Merger is treated as a reorganization within the meaning of Section 368(a) of the Code, the material federal income tax consequences to a U.S. holder will generally be as follows:

Gain or loss will be recognized by those U.S. holders receiving solely cash in exchange for shares of TrustAtlantic common stock pursuant to the Merger, in an amount equal to the difference between the amount of cash received by such holder and such holder's cost basis in such holder's shares of TrustAtlantic common stock; provided, however, that such treatment is subject to the discussion below in the section entitled Potential Recharacterization as a Dividend for certain holders who otherwise directly or indirectly own shares prior to the Merger of First Horizon.

No gain or loss will be recognized by those U.S. holders receiving solely shares of First Horizon common stock in exchange for shares of TrustAtlantic common stock (except with respect to any cash received instead of fractional shares of First Horizon common stock, as discussed below in the section entitled Cash Received Instead of a Fractional Share of First Horizon Common Stock).

Gain (but not loss) will be recognized by U.S. holders who receive shares of First Horizon common stock (including fractional shares of First Horizon common stock, if any, deemed to be received and exchanged as discussed below in the section entitled Cash Received Instead of a Fractional Share of First Horizon Common Stock) and cash in exchange for shares of TrustAtlantic common stock pursuant to the Merger (other than any cash received instead of fractional shares of First Horizon common stock, as discussed below in the section entitled Cash Received Instead of a Fractional Share of First Horizon Common Stock), in an amount equal to the lesser of (1) the sum of the amount of cash (other than any cash received instead of a fractional share of First Horizon common stock) and the fair market value of the First Horizon common stock received, minus the adjusted tax basis of the TrustAtlantic common stock surrendered in exchange therefor and (2) the amount of cash received by the holder (other than any cash received instead of a fractional share of First

Horizon common stock); provided, however, that such treatment is subject to the discussion below in the section entitled *Potential Recharacterization as a Dividend* for certain holders who otherwise directly or indirectly own shares prior to the Merger of First Horizon.

The aggregate tax basis of the First Horizon common stock received by a U.S. holder in the Merger (including any fractional shares of First Horizon common stock, if any deemed received and exchanged for cash as discussed below in the section entitled *Cash Received Instead of a Fractional Share of First Horizon Common Stock* ) will be equal to the aggregate adjusted tax basis of the shares of TrustAtlantic common stock surrendered, reduced by the amount of cash received by the holder in the Merger (excluding any cash received in lieu of a fractional share of First Horizon common stock) and increased by the amount of gain, if any, recognized by the holder (excluding any gain or loss resulting from the deemed receipt and exchange of fractional shares of First Horizon common stock). The holding period of the First Horizon common stock received by a U.S. holder in the Merger (including any fractional share of First Horizon common stock, if any, deemed received and exchanged for cash as discussed below in the section entitled *Cash Received Instead of a Fractional Share of First Horizon Common Stock* ) will include the holding period of the TrustAtlantic common stock surrendered in exchange for such First Horizon stock.

If a U.S. holder of TrustAtlantic common stock acquired different blocks of TrustAtlantic common stock at different times or different prices, any gain or loss will be determined separately with respect to each block of TrustAtlantic common stock and such U.S. holder's bases and holding periods in the shares of First Horizon common stock may be determined separately with reference to each block of TrustAtlantic common stock. Any such holders should consult their tax advisors regarding the manner in which cash and First Horizon common stock received in the Merger should be allocated among different blocks of TrustAtlantic common stock and regarding their bases and holding periods in the particular shares of First Horizon common stock received in the Merger.

Gain or loss that U.S. holders of TrustAtlantic common stock recognize in connection with the Merger generally will constitute capital gain or loss and will be long-term capital gain or loss if, as of the date the Merger is effective, the U.S. holder's holding period with respect to the TrustAtlantic common stock surrendered exceeds one year. Long-term capital gains of certain noncorporate U.S. holders, including individuals, are generally subject to U.S. federal income tax at preferential rates. The deductibility of capital losses is subject to limitations.

#### *Potential Recharacterization as a Dividend*

In some cases, such as if the U.S. holder of TrustAtlantic common stock actually or constructively owns more than a minimal amount of First Horizon common stock, cash proceeds received from the Merger could be treated as having the effect of a distribution of a dividend, under the tests set forth in Section 302 of the Code, in which case such cash proceeds could be treated in whole or in part as dividend income, either ordinary dividend income or qualified dividend income taxable at capital gains rates depending on the circumstances. These rules are complex and dependent upon the specific factual circumstances particular to each U.S. holder. Consequently, each U.S. holder that may be subject to these rules should consult its own tax advisor as to the application of these rules to the particular facts relevant to such U.S. holder.

#### *Cash Received Instead of a Fractional Share of First Horizon Common Stock*

A U.S. holder who receives cash instead of a fractional share of First Horizon common stock generally will be treated as having received such fractional share pursuant to the Merger and then as having received cash in exchange for such fractional share. Gain or loss generally will be recognized based on the difference between the amount of cash received instead of the fractional share and the tax basis allocated to such fractional share of First Horizon common stock. Except as described above, such gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if, as of the date the Merger is effective, the holding period for the fractional share exceeds one

year. Long-term capital gains of certain noncorporate U.S. holders, including individuals, are generally subject to U.S. federal income tax at preferential rates. The deductibility of capital losses is subject to limitations.

### **Information Reporting**

A U.S. holder of TrustAtlantic common stock who receives First Horizon common stock as a result of the Merger will be required to retain records pertaining to the Merger. Each U.S. holder of TrustAtlantic common stock who is required to file a U.S. federal income-tax return and who is a significant holder that receives First Horizon common stock in the Merger will be required to file a statement with such U.S. federal income-tax return in accordance with Treasury regulations Section 1.368-3 setting forth certain information, including the basis and fair market value of such U.S. holder's TrustAtlantic common stock surrendered in the Merger. A significant holder is a holder of TrustAtlantic common stock who, immediately before the Merger, owned at least 1% of the outstanding stock of TrustAtlantic (by either voting power or value) or securities of TrustAtlantic with a basis for federal income-tax purposes of at least \$1 million.

### **Backup Withholding**

Cash payments received in the Merger and dividends payable to a noncorporate holder may, under certain circumstances, be subject to information reporting and backup withholding (currently at a rate of 28%), unless the U.S. holder provides proof of an applicable exemption or furnishes its taxpayer identification number, and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a holder under the backup withholding rules are not an additional tax and will be allowed as a refund or credit against the holder's U.S. federal income tax liability, provided that the required information is timely furnished to the IRS.

**The preceding discussion is intended only as a summary of material U.S. federal income tax consequences of the Merger. It is not a complete analysis or discussion of all potential tax effects that may be important to you. Thus, holders of TrustAtlantic common stock should consult their tax advisors as to the specific tax consequences to them of the Merger, including the applicability and effect of the alternative minimum tax and any state, local, foreign and other tax laws.**

## COMPARISON OF SHAREHOLDERS RIGHTS

*TrustAtlantic is incorporated under the laws of the State of North Carolina and accordingly, the rights of its shareholders are governed by North Carolina law and its articles of incorporation and bylaws. First Horizon is incorporated under the laws of the State of Tennessee, and accordingly, the rights of its shareholders are governed by Tennessee law and its charter and bylaws. After the Merger, the rights of TrustAtlantic shareholders who elect to receive shares of First Horizon common stock in the Merger will be determined by reference to First Horizon's charter and bylaws and Tennessee law. The following is a summary of the material differences between the current rights of TrustAtlantic shareholders and the current rights of First Horizon common shareholders.*

*First Horizon and TrustAtlantic believe that this summary describes the material differences between the rights of holders of First Horizon common stock as of the date of this proxy statement/prospectus and the rights of holders of TrustAtlantic common stock as of the date of this proxy statement/prospectus; however, it does not purport to be a complete description of those differences. Copies of First Horizon's governing documents have been filed with the SEC. To find out where copies of these documents can be obtained, see [Where You Can Find More Information](#).*

### TRUSTATLANTIC

**Authorized  
Capital Stock**

First Horizon's charter authorizes it to issue up to 400,000,000 shares of common stock, \$0.625 par value, and 5,000,000 shares of series preferred stock, no par value. As of February 27, 2015, there were 233,860,525 shares of First Horizon common stock outstanding, zero shares of First Horizon common stock held in treasury, and 1,000 shares of Series A Preferred outstanding. First Horizon's board of directors may designate the terms and preferences, and authorize the issuance, of additional classes of preferred stock, up to the amount authorized in the charter, without shareholder action or approval.

TrustAtlantic's articles of incorporation authorize TrustAtlantic to issue up to 100,000,000 shares of common stock, no par value, and 20,000,000 shares of series preferred stock, no par value. As of the record date, there were 4,776,849 shares of TrustAtlantic common stock outstanding and no shares of preferred stock outstanding.

**Board of  
Directors  
Number**

First Horizon's bylaws provide that its board of directors shall consist of twelve directors. Any change in the number of directors on First Horizon's board of directors requires an amendment to the bylaws and the affirmative vote of a majority of the directors then in office.

TrustAtlantic's bylaws provide that its board of directors shall consist of between one and 25 directors. The number of directors constituting the TrustAtlantic board of directors may be fixed or changed within that range, by the shareholders by the affirmative vote of two-thirds of the issued and outstanding shares of the corporation entitled to vote in the election of directors, or by the board of directors by the affirmative vote of two-thirds of all directors then in office.

**Classification;  
Term;  
Qualification**

First Horizon's charter does not separate the directors into classes with staggered, multi-year terms of office. Instead,

TrustAtlantic has a classified board of directors with directors divided into three classes, with each class elected to staggered three-year terms so that the terms of

***Eligibility and  
Mandatory  
Retirement***

directors are elected to one year terms. Any First Horizon director who is 72 on or before the last day of the term for which he or she was elected shall not be nominated for re- election. The First Horizon Board may increase the mandatory retirement age by three years to age 75 for any director. A First Horizon director who leaves his or her principal position (other than by promotion)

approximately one-third of the directors expire each year. No person is eligible to stand for election to TrustAtlantic s board of directors if such person would be 70 years of age or older at the time of election.

while serving on the First Horizon Board is expected to tender his or her resignation for consideration by the Board. The tender may be accepted or rejected by the Board based on the Board's determinations of certain factors specified in First Horizon's bylaws.

***Election***

First Horizon's charter provides that each director will be elected by the affirmative vote of a majority of the votes cast with respect to the director in an uncontested election of directors at a meeting at which a quorum is present. For this purpose, the affirmative vote of a majority of the votes cast means that the number of votes cast for exceeds the number of votes cast against that director. If the election is contested, the directors will be elected by the vote of a plurality of the votes cast by the shares entitled to vote in the election at any such meeting.

First Horizon has a director resignation policy that provides that a director who does not receive the affirmative vote of a majority of the votes cast with respect to his or her election must tender his or her resignation. First Horizon's Nominating & Corporate Governance Committee must then promptly consider the resignation offer and a range of possible responses and make a recommendation to the board of directors. The board of directors will act on the Nominating & Corporate Governance Committee's recommendation within 90 days following certification of the shareholder vote.

***Vacancies***

First Horizon's charter and bylaws provide that vacancies on First Horizon's board of directors for any reason (except removal from office) and newly created directorships resulting from an increase in the number of directors may only be filled by the directors. Any vacancy on the board of directors resulting from a director being removed from office may be filled by the affirmative vote the holders of at least a majority of the voting power of all outstanding voting stock or, if the shareholders do not so fill such vacancy, by a majority of the directors then in office. The bylaws provide that directors elected to fill a newly created directorship or other vacancy will hold office for a term expiring at the next shareholders' meeting at which directors are elected

Under North Carolina law, each director of TrustAtlantic is elected by the affirmative vote of a majority of the votes cast with respect to the director in an uncontested election of directors at a meeting at which a quorum is present. For this purpose, the affirmative vote of a majority of the votes cast means that the number of votes cast for exceeds the number of votes cast against that director. If the election is contested, the directors will be elected by the vote of a plurality of the votes cast by the shares entitled to vote in the election at any such meeting.

TrustAtlantic does not have a director resignation policy.

Vacancies on TrustAtlantic's board of directors and newly created directorships resulting from an increase in the number of directors may be filled by the directors or by the shareholders.

and until such director's successor has been duly elected and qualified.

**Removal** Under First Horizon's charter and bylaws, directors may be removed by the shareholders only for cause by the affirmative vote of the holders of at least a majority of the voting power of all outstanding voting stock. Under TrustAtlantic's bylaws, any one or more directors may be removed at a meeting of shareholders with respect to which notice is given, with cause, upon the affirmative vote of the holders of at least a majority of the

issued and outstanding shares of the corporation. Furthermore, a director may be removed at a meeting of shareholders with respect to which notice is given, without cause, upon the affirmative vote the holders of at least two-thirds of the issued and outstanding shares of the corporation.

**Shareholder Meetings**

**Special Meetings** Under First Horizon's bylaws, a special meeting of shareholders may be called by resolution of a majority of the board of directors or by the Chairman of the board of directors. Under the TBCA, the holders of at least 10% of the votes entitled to be cast may call a special meeting of shareholders.

Under TrustAtlantic's bylaws, a special meeting of shareholders may be called by the board of directors, the president or by the corporation upon the written request of any one or more shareholders owning at least 25% of the outstanding capital stock of the corporation.

**Voting Rights** Holders of shares of First Horizon common stock are entitled to one vote per share in the election of directors and on all other matters submitted to a vote at a meeting of shareholders. First Horizon shareholders do not have the right to cumulate their votes with respect to the election of directors.

TrustAtlantic shareholders do not have the right to cumulate their votes with respect to the election of directors.

**Actions by Written Consent** Under the Tennessee Business Corporations Act, or TBCA, any action required or permitted to be taken at an annual or special meeting of shareholders of the common stock may be taken without a meeting, without prior notice, and without a vote, if before or after the action all the shareholders entitled to vote consent in writing.

Under the North Carolina Business Corporation Act, or NCBCA, any action required or permitted to be taken at an annual or special meeting of shareholders may be taken without a meeting, without prior notice, and without a vote, if before or after the action all the shareholders entitled to vote consent in writing.

**Quorum** Under First Horizon's bylaws, the presence in person or by proxy of holders of a majority of the shares entitled to vote at a meeting of First Horizon shareholders constitutes a quorum for such meeting of shareholders. If a quorum is not present or represented at a meeting of shareholders, the chairman of the meeting or the holders of a majority of the shares entitled to vote at the meeting who are present or represented at the meeting may adjourn the meeting until a quorum is obtained.

Under TrustAtlantic's bylaws, the presence in person or by proxy of holders of a majority of the outstanding shares of stock constitutes a quorum for the transaction of business at a meeting of shareholders. If a quorum is not present or represented at a meeting of shareholders, a lesser number of shareholders may adjourn the meeting from day to day until a quorum is obtained, provided there is an announcement of the time and place to which the meeting is adjourned.

**Advance Notice Requirements for Shareholder Nominations and Other Proposals** First Horizon's bylaws provide that, for a proposal relating to the nomination of a director to be elected to the board of directors, the shareholder must deliver timely written notice to First Horizon's secretary before the meeting. To be

TrustAtlantic's bylaws do not contain an advance notice provision for shareholder nominations or other proposals.

considered timely, the notice must be received by the secretary not less than 90 days or more than 120 days prior to the date of the meeting, provided, however, if fewer than 100 days notice or prior public disclosure of the date of the meeting is given to shareholders, notice by the shareholders to be timely must be delivered or received not later than the close of business on the 10th day following the earlier of (i) the day on which such notice of the date of such

meeting was mailed, or (ii) the day on which such public disclosure was made.

To be in proper written form, each notice of proposal must set forth (i) for proposed nominees, the name, age and address of such person, principal occupation or employment, shares beneficially owned, and other information required to be disclosed by federal securities laws, (ii) for other proposals, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of the shareholder, on whose behalf the proposal is made; and in each case (iii) as to the shareholder giving the notice (A) the name, age and address of the shareholder and any other shareholder known by such shareholder to be supporting the proposal; (B) the class and number of shares of First Horizon stock beneficially owned by such shareholder on the date of such shareholder's notice and by any other shareholders known by such shareholder to be supporting such proposal.

***Notice of Shareholder Meeting***

First Horizon's bylaws provide that First Horizon must give written notice between ten days and two months before any shareholder meeting to each shareholder entitled to vote at such meeting. The notice must state the date, time and place of the meeting. If the meeting is a special meeting of the shareholders, the notice of the meeting must state the purposes of the meeting. Notice must be given by mail, postage prepaid, or otherwise delivered to each shareholder.

***Stock Transfer Restrictions***

Certain shares of First Horizon's common stock may be subject to transfer restrictions pursuant to the Securities Act of 1933, as amended, Rule 144 promulgated thereunder, and the Tennessee Securities Act.

***Dissenters Rights***

The TBCA provides that a shareholder of a corporation is generally entitled to receive payment of the fair value of his or her stock if the shareholder dissents from transactions including a proposed merger, share exchange or a sale of substantially all of the assets of the corporation. However, dissenters' rights generally are not available to holders of shares, such as shares of First Horizon common stock, where the company (rather than a company subsidiary) is not one of the merging parties. Additionally, Section 48-23-102 of the TBCA provides that appraisal rights are generally not available to holders of shares of a security which, is listed on an exchange registered under § 6 of the Securities

TrustAtlantic's bylaws provide that TrustAtlantic must give written notice between 10 and 60 days before any shareholder meeting to each shareholder entitled to vote at such meeting. The notice must state the date, time and place of the meeting. If the meeting is a special meeting of the shareholders, the notice of the meeting must state the purposes of the meeting.

Certain shares of TrustAtlantic's common stock may be subject to transfer restrictions pursuant to the Securities Act of 1933, as amended, Rule 144 promulgated thereunder, and the North Carolina Securities Act.

Under Article 13 of the NCBCA, certain shareholders have appraisal rights to obtain fair value for their shares in connection with certain business combinations and corporate actions. The Appraisal rights are generally not available to holders of shares where the company's stock is traded on a securities exchange or otherwise considered a covered security under section 18(b)(1)(A) of the Securities Act of 1933, as amended, or if the stock is held by at least 2,000 shareholders of record with an aggregate market float of at least \$20 million.

promulgated pursuant to the Securities Exchange Act of 1934, compiled in 15 U.S.C. § 78a, as amended.

First Horizon's bylaws provide that First Horizon's board of directors may declare a dividend and direct payment of dividends or other distributions upon the outstanding shares out of funds legally available for such purposes as permitted by law.

Under Tennessee law, which is the law of the state where First Horizon is incorporated, First Horizon may not declare a dividend if, after giving effect to such dividend, it would not be able to pay its debts as the debts become due in its usual course of business or if its total assets would be less than the sum of its total liabilities, plus, unless the charter permits otherwise, the amount that would be needed, if First Horizon were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of shareholders whose preferential rights are superior to those receiving the distribution.

Holders of TrustAtlantic capital stock are entitled to receive dividends when, and if, declared by TrustAtlantic's board of directors out of funds legally available for that purpose.

The NCBCA prohibits the payment of a dividend if, after giving it effect, the corporation would not be able to pay its debts as they become due in the usual course of business or if the corporation's total assets would be less than the sum of its total liabilities plus the amount that would be needed, if it were to be dissolved, to satisfy the preferential rights upon dissolution of any preferred shareholders.

**Amendments to  
Organizational  
Documents  
Charter**

Unless otherwise provided in the charter, the TBCA provides that with the limited exception of certain non-substantive amendments that can be adopted by the board of directors without shareholder action, a corporation's board of directors may propose one or more amendments to the charter for submission to the shareholders. The proposed amendment (excluding Article 12 relating to directors and the bylaws) is adopted if it receives the affirmative vote of a majority of the outstanding shares entitled to vote on the proposed amendment. Amendments to Article 12 require an affirmative vote of at least 80% of the outstanding shares entitled to vote.

The NCBCA provides that a corporation's board of directors may propose one or more amendments to the corporation's articles of incorporation for submission to the shareholders. The board of directors must recommend any proposed amendment to the shareholders and such amendment is approved if it receives the affirmative vote of a majority of the outstanding shares entitled to vote on the proposed amendment.

**Bylaws**

to First Horizon or its shareholders for money damages, except for liability (i) for any breach of the director's duty of loyalty to First Horizon or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or (iii) under Section 48-18-302 of the TBCA (with respect to the unlawful payment of any dividends).

**Indemnification**

First Horizon's bylaws provide that if any current or former officer is wholly successful in the defense of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal, and such officer is a party to such proceeding as a result of his or her position with First Horizon, the officer will be entitled to indemnification. If any current or former officer is not wholly successful, he or she may still be entitled to indemnification if the officer (i) acted in good faith, (ii) reasonably believed that the conduct was in First Horizon's best interest, and (iii) the officer had no reason to think the conduct was unlawful.

However, First Horizon will not indemnify any officer in any proceeding where the officer is charged with receiving an improper benefit. Such officer is entitled to an advancement of indemnifiable expenses provided that the officer agrees to repay the advance if it is ultimately determined that the officer is not entitled to indemnification and indemnification is not otherwise precluded.

Employees and former directors are entitled to the same indemnification rights as any officer.

First Horizon's bylaws provide that First Horizon may purchase and maintain insurance on behalf of its directors, officers, employees and agents against any liability, whether or not First Horizon would have the power to indemnify such person against such liability under its charter. First Horizon maintains such insurance.

First Horizon's bylaws provide mandatory indemnification to each director and to officers designated by the board to the maximum extent permitted by law and authorize individual indemnity agreements. Each of First Horizon's directors and certain of its officers have been provided indemnification pursuant to indemnity agreements, forms of which are on file with the SEC.

**TRUSTATLANTIC**

Except to the extent otherwise limited by a corporation's articles of incorporation, the NCBCA requires a corporation to indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party because he is or was a director of the corporation against reasonable expenses incurred by him in connection with the proceeding. TrustAtlantic's articles of incorporation do not contain a provision limiting this mandatory indemnification and its bylaws contain a provision that is substantially identical to the mandatory indemnification provision under the NCBCA.

TrustAtlantic's bylaws provide that it shall indemnify or obligate itself to indemnify an individual made party to a proceeding because he or she is or was a director, officer, employee or agent of TrustAtlantic for reasonable expenses, judgments, fines, penalties and amounts paid in settlement (including attorneys' fees) incurred in connection with a proceeding if the individual acted in a manner he or she believed in good faith to be in, or not opposed to, the best interests of the corporation and not unlawful.

Employees and former directors of TrustAtlantic are entitled to the same indemnification rights as any officer.

TrustAtlantic's bylaws provide that TrustAtlantic may purchase and maintain insurance on behalf of its directors, officers, employees and agents against any liability, whether or not TrustAtlantic would have the power to indemnify such person against such liability under its charter. Changes in the market price of First Horizon common stock prior to the completion of the Merger will affect the market value of the Merger consideration that TrustAtlantic's shareholders will receive upon completion of the Merger.

First Horizon's ability to pay dividends is subject to various factors including, among other things, sufficient earnings, available capital, board discretion and regulatory compliance. Dividends

from First Horizon will depend, in large part, upon receipt of dividends from First Tennessee Bank, and any other banks which First Horizon acquires, because First Horizon will have limited sources of income other than dividends from First Tennessee Bank and other banks it acquires. No assurances can be given that First Horizon will pay any dividends on its common stock or that, if paid, such dividends will not be reduced or eliminated in future periods. Special cash dividends, stock dividends or returns of capital may, to the extent permitted by banking laws and other applicable regulations, be paid in addition to, or in lieu of, regular cash dividends. First Horizon's board of directors may change its dividend policy at any time, and the payment of dividends by financial holding companies is generally subject to legal and regulatory limitations.

TrustAtlantic is subject to similar restrictions and limitations on the payment of dividends as First Horizon. TrustAtlantic's primary sources of funds are dividends from TrustAtlantic Bank and net proceeds from borrowings. Restrictions, which govern all North Carolina state-chartered banks, preclude the payment of dividends by TrustAtlantic Bank if such dividends would reduce the bank's capital below the amount of capital required for a bank to be deemed adequately capitalized under applicable federal regulatory capital standards. In addition, state and federal bank regulatory authorities may limit the payment of dividends by any bank if it is determined that such limitation is in the public interest and is necessary to ensure financial soundness of the bank. TrustAtlantic Financial Corporation has never declared or paid a cash dividend since its incorporation.

The information on TrustAtlantic's website is not part of this proxy statement/prospectus, and the reference to TrustAtlantic's website address does not constitute incorporation by reference of any information on that website into this proxy statement/prospectus.

Additional information about TrustAtlantic is included below, as well as in the section "TrustAtlantic Management's Discussion and Analysis of Financial Condition and Results of Operations."

### Business

TrustAtlantic's primary market focus is on mid-market businesses and their owners, real estate developers and investors, and individuals in the Raleigh-Durham, Cary and Greenville markets. TrustAtlantic has actively pursued its targeted market for deposits, particularly small businesses and professionals. TrustAtlantic endeavors to offer leading edge technology to the marketplace. Such technology includes online banking, including corporate cash management, remote deposit capture and debit cards.

TrustAtlantic provides a full range of consumer and commercial financial services, including consumer and commercial loans, deposit accounts, safe deposit services, consumer finance, mortgage lending, SBA lending, direct deposit, money orders, night depository, travelers' checks, cashier's checks, domestic collections, savings bonds, automated teller services, drive-in tellers, and banking by mail.

The revenues of TrustAtlantic are primarily derived from interest on, and fees received in connection with, real estate and other loans, interest and dividends from investment securities, service charge income generated from deposit accounts, ATM fees, and fees generated through other services. The principal sources of funds for TrustAtlantic's lending activities are its deposits (both commercial and consumer deposits), loan repayments and proceeds from amortization of maturities of investment securities. The principal expenses of TrustAtlantic are the interest paid on deposits, and operating and general administrative expenses.

As is the case with banking institutions generally, TrustAtlantic's operations are materially and significantly influenced by general economic conditions and by related monetary and fiscal policies of financial institution regulatory agencies, including the Federal Reserve and the FDIC. Deposit flows and costs of funds are influenced by interest rates on competing investments and general market rates of interest. Lending activities are affected by the demand for

financing of real estate and other types of loans, which in turn is affected by the interest rates at which such financing may be offered and other factors affecting local demand and availability of funds. TrustAtlantic faces strong competition in the attraction of deposits (the primary source of lendable funds) and in the origination of loans (see Competition below).

## **Supervision and Regulation**

Like First Horizon, TrustAtlantic is a registered bank company subject to regulation and examination by the FRB. TrustAtlantic Bank is subject to regulation and examination by the NCCOB and the FDIC. For a discussion of the regulatory environment applicable to TrustAtlantic and TrustAtlantic Bank, please see Supervision and Regulation starting on page 68 above.

## **Banking Services**

*Commercial Banking.* TrustAtlantic focuses its commercial loan originations on small and mid-sized businesses (generally up to \$50 million in annual sales) and such loans are usually accompanied by related deposits. Commercial underwriting is driven by cash flow analysis supported by collateral analysis and review. Commercial loan products include commercial real estate construction and term loans; working capital loans and lines of credit; demand, term and time loans; and equipment, inventory and accounts receivable financing. TrustAtlantic offers a range of cash management services and deposit products to commercial customers. Online banking is currently available to commercial customers.

*Retail Banking.* TrustAtlantic's retail banking activities emphasize consumer deposit and checking accounts. An extensive range of these services is offered by TrustAtlantic to meet the varied needs of its customers in its markets. In addition to traditional products and services, TrustAtlantic offers contemporary products and services, such as internet banking and electronic bill payment services. Consumer loan products offered by TrustAtlantic include home mortgages, home equity lines of credit, second mortgages, and unsecured personal lines of credit.

*Mortgage Banking.* TrustAtlantic's mortgage banking business is structured to provide a source of fee income largely from the process of originating products for sale on the secondary market. Mortgage banking capabilities include conventional and nonconforming mortgage underwriting; and construction and permanent financing.

## **Employees**

As of September 30, 2014, TrustAtlantic had 58 full-time employees and one part-time employee. The employees are not represented by any collective bargaining unit. TrustAtlantic considers relations with employees to be good. On November 6, 2014, four commercial banking officers in TrustAtlantic's headquarters office in Raleigh simultaneously resigned with the stated intent to start a Raleigh commercial lending office for a competitor bank not currently operating in the market. A substantial portion of TrustAtlantic's commercial loan accounts in the Raleigh-Cary market had been assigned to these four individuals to service the relationships. Additionally, two support staff employees subsequently resigned employment at TrustAtlantic to join the four commercial bankers.

## **Business Transactions between TrustAtlantic Bank and First Tennessee Bank**

On January 20, 2015, TrustAtlantic Bank and First Tennessee Bank entered into an agreement whereby First Tennessee Bank agreed to allow one of its current employees to provide services as a credit relationship manager pending completion of the bank merger to fill temporary staffing shortages at TrustAtlantic Bank. The individual remains an employee of First Tennessee Bank, but is subject to the supervision of officers of TrustAtlantic Bank while providing services on behalf of TrustAtlantic Bank. TrustAtlantic Bank has agreed to reimburse First Tennessee Bank for its direct costs associated with such employee. This arrangement may be terminated by either TrustAtlantic Bank or First Tennessee Bank upon providing five days advance notice to the other party.

TrustAtlantic Bank maintains a correspondent banking relationship with First Tennessee Bank in the ordinary course of business including a deposit account, an unsecured fed funds line and providing letters of credit. In addition,

TrustAtlantic Bank purchases fixed income securities and utilizes First Tennessee's services for safekeeping the majority of its investment securities. TrustAtlantic Bank also utilizes FTN Financial, a division of First Tennessee Bank, to prepare its interest rate risk model on a quarterly basis. Fees for these services were comparable to those

charged other institutions and are not material to the results of either TrustAtlantic or First Horizon.

### **Properties**

The main office of TrustAtlantic is located at 4801 Glenwood Avenue, Suite100, Raleigh, North Carolina 27612. TrustAtlantic also operates two other branch banking offices in Raleigh and a branch office in Cary, North Carolina and Greenville, North Carolina. TrustAtlantic Bank owns one of its banking facilities, owns one banking facility subject to a ground lease and leases its other three banking offices.

### **Legal Proceedings**

TrustAtlantic is periodically a party to or otherwise involved in legal proceedings arising in the normal course of business, such as claims to enforce liens, claims involving the making and servicing of real property loans, and other issues incident to its business.

Management does not believe that there is any pending or threatened proceeding against TrustAtlantic which, if determined adversely, would have a material adverse effect on TrustAtlantic's financial position, liquidity, or results of operation.

### **Competition**

TrustAtlantic encounters strong competition both in making loans and in attracting deposits. The widespread enactment of laws that permit multi-bank holding companies as well as an increasing level of interstate banking continue to create a highly competitive environment for commercial banking. In one or more aspect of its business, TrustAtlantic competes with other commercial banks, credit unions, finance companies, mutual funds, insurance companies, brokerage and investment banking companies, and other financial intermediaries. Most of these competitors, some of which are affiliated with bank holding companies, have substantially greater resources and lending limits, and may offer certain services that TrustAtlantic does not currently provide. In addition, many of TrustAtlantic's non-bank competitors are not subject to the same extensive federal regulations that govern bank holding companies and federally insured banks. Federal and state legislation continues to heighten the competitive environment in which financial institutions must conduct their business, and the potential for competition among financial institutions of all types as increased significantly. There can be no assurance that increased competition from other financial institutions will not have a material adverse effect on TrustAtlantic's operations.

## TRUSTATLANTIC MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

*The following presents discussion and analysis by TrustAtlantic management of TrustAtlantic's financial condition and results of operations and should be read in conjunction with TrustAtlantic's financial statements and related notes contained in Annex D. In this section the Company, we, and our refer to TrustAtlantic rather than First Horizon. This discussion contains forward-looking statements that involve risks and uncertainties. Actual results could differ significantly from those anticipated in these forward-looking statements as a result of various factors including but not limited to many of the factors described more fully in Risk Factors. The following discussion is intended to assist in understanding the financial condition and results of operations of TrustAtlantic and TrustAtlantic Bank. TrustAtlantic Financial Corporation has no material operations other than its ownership of TrustAtlantic Bank and the ownership of several investment securities. For the purpose of this management's discussion and analysis, balance sheet information has been expressed as period-end balances, unless otherwise noted, and loans have been disclosed net of unearned income.*

### Critical Accounting Policies and Estimates

TrustAtlantic's consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ( **GAAP** ). We have adopted various accounting policies in accordance with general practices within the banking industry. Our significant accounting policies are described in Note A to TrustAtlantic's audited consolidated financial statements as of December 31, 2013, contained in Annex D of this proxy statement/prospectus.

Management believes that TrustAtlantic's policies with respect to the methodology for the determination of the allowance for loan losses, the valuation of goodwill, investment and other asset valuations and impairment charges involve a high degree of complexity and require management to make subjective judgments that often require assumptions or estimates about highly uncertain matters. Accordingly, TrustAtlantic considers the policies related to those areas to be critical. The allowance for loan losses is an estimate of the probable incurred losses in our loan portfolio as of the reporting date. The allowance is based on two standards under GAAP: (i) ASC Topic 450-20-50, Contingencies - Accruals for Loss Contingencies, which requires that losses be accrued when it is probable a loss has been incurred and the amount of loss is reasonably estimable, and (ii) ASC 310, Receivables, which requires that, for loans that have been identified as potentially impaired and are individually evaluated for impairment, losses be accrued based on differences between present value of future cash flows, the value of collateral, or values that are observable in the secondary market, and the loan balance.

Our allowance consists of specific and general components. The specific component relates to loans that are impaired under GAAP. The general component covers non-impaired loans and is based on historical loss experience by type of loan adjusted for qualitative factors to adjust this historical experience for current events, trends, and conditions (including economic considerations). While management uses the best information available to establish the allowance for loan losses, future adjustments to the allowance may be necessary if economic or other conditions differ substantially from the assumptions used in making this estimate. Such adjustments to original estimates, as necessary, are made in the period in which these factors and other relevant considerations indicate that loss levels vary from previous estimates. Any material increase in the allowance for loan losses may adversely affect our financial condition and results of operations.

### Overview

TrustAtlantic's results of operations for the nine months ended September 30, 2014 were net income of \$3.3 million compared to \$2.6 million for the same period of 2013. Net income for the year ended December 31, 2013 was \$3.6

million compared to \$5.8 million for the year ended December 31, 2012. During the quarter ended June 30, 2012, TrustAtlantic eliminated the deferred tax valuation allowance on substantially all of its net deferred tax assets as a result of its earnings and earnings forecast. The elimination of the deferred tax valuation allowance accounted for approximately \$4.0 million of TrustAtlantic's net income for the year ended December 31, 2012.

The improvement in pre-tax net income is largely due to higher net interest income and lower credit costs primarily as a result of lower provisions for loan losses. Net interest income was \$.8 million higher for the nine months ended September 30, 2014 compared to the same period of 2013. The Company has not recorded a provision for loan losses since the first quarter of 2013. For the years ended December 31, 2013 and 2012, the provision for loan losses was \$.2 million and \$2.3 million, respectively. For the nine months ended September 30, 2014 and 2013, the provision for loan losses was zero and \$.2 million.

The Company's total assets grew to \$452.9 million as of September 30, 2014 from \$436.2 million at December 31, 2013 and \$373.0 million at December 31, 2012. The growth was primarily attributable to loan growth of \$31.5 million in 2013 and \$11.4 for the nine months ended September 30, 2014 funded largely by increases in TrustAtlantic's deposits which grew \$60.6 million in 2013 and \$15.3 million for the nine months ended September 30, 2014. A portion of the growth was attributable to a branch purchased from another financial institution in May 2013 as more fully described in Note B to TrustAtlantic's audited consolidated financial statements.

## Results of Operations

### *Net Interest Income*

Net interest income is the Company's principal source of revenue. Our net interest income for the nine months ended September 30, 2014 was \$11.9 million, an increase of approximately \$0.8 million from our net interest income of \$11.1 million for the nine months ended September 30, 2013. Our net interest income for year ended December 31, 2013 was \$15.1 million, an increase of approximately \$1.5 million from our net interest income \$13.6 million for the year ended December 31, 2012.

The increase for the nine months ended September 30, 2014 compared to 2013 was primarily attributable to higher interest income as a result of higher interest income from loans, and to a lesser extent, higher income from the investment portfolio. Average loan yields fell approximately 33 basis points for the nine months ended September 2014 compared to 2013 but the average outstanding balance was approximately \$34.5 million higher, resulting in an increase in the overall amount of loan interest income. Investment yields increased approximately 10 basis points and the average balance increased approximately \$9.5 million. Overall, loan interest income was approximately \$0.5 million higher in 2014 than 2013 while investment interest income was \$0.3 million higher. Interest expense was \$0.1 million lower.

For the year ended December 31, 2013 compared to the year ended December 31, 2012, substantially all of the increase in interest income was attributable to higher interest income on loans. This higher interest income, when combined with lower funding costs of \$0.7 million, resulted in the overall increase in net interest income. Average loan balances increased by approximately \$27.8 million while the average yield declined approximately 26 basis points. The funding cost declined by approximately 27 basis points for full year 2013 versus 2012.

Our net interest spread and margin for the periods shown was as follows:

*Provision for Loan Losses*

The Company's provision for loan losses was zero and \$.2 million for the nine months ended September 30, 2014 and 2013, respectively. The provision for loan losses was \$.2 million and \$2.3 million for the years ended December 31, 2013 and 2012, respectively. During the economic downturn, TrustAtlantic significantly increased its provision for loan losses as a result of increased historical credit losses and increases in levels of non-performing loans. Our level of non-performing loans began decreasing in the second half of 2011 and the amount of provision for loan losses began decreasing in 2012. This trend continued in 2013, as TrustAtlantic has not recorded any provision for loan losses since the first quarter of 2013.

The following table contains an analysis of our allowance for loan losses for the periods indicated.

Allowance for loan losses to end of period loans	1.84%	2.06%	1.98%	2.16%

For the nine months ended September 30, 2014, TrustAtlantic incurred net charge-offs of \$299 thousand compared to a net recovery for the same period of 2013. Annualized net charge-offs for the nine months ended September 30, 2014 were approximately .09% of average outstanding loans. TrustAtlantic experienced significant charge-offs during 2012 and 2011 as a result of increased levels of non-performing and problem loans resulting from the economic crisis. As the economy has recovered and we managed through the problem loans, our level of net charge-offs has significantly declined.

Our allowance continues to exceed the balance of nonperforming loans as of September 30, 2014. In addition, substantially all of our nonperforming assets are collateralized and therefore we anticipate that liquidation of collateral

will repay a portion of the outstanding balance of the loan due the Company. We also have personal guarantees on many of our business loans. We actively monitor collateral levels on loans for those credits which are risk rated Watch or worse.

*Non-Interest Income*

TrustAtlantic commenced a small mortgage banking department in the second half of 2013 and realized its first revenue from the production of mortgages during the first quarter of 2014. Deposit service charges have increased in the periods indicated as the Company has increased its customer base. Other fees and income includes TrustAtlantic's income from various partnership investments, principally small business investment partnerships which are CRA investment qualified. In the third quarter of 2014, TrustAtlantic realized the proceeds of a class action lawsuit claim it had made relative to a private mortgage backed security it owned and incurred significant losses on during 2009 and 2010. The amount of the settlement was approximately \$55 thousand.

#### *Non-Interest Expense*

The following table summarizes our non-interest expense for the periods indicated.

<b>Total Non-Interest Expense</b>	<b>\$ 7,600</b>	<b>\$ 7,336</b>	<b>\$ 9,933</b>	<b>\$ 9,150</b>

TrustAtlantic acquired a branch from another financial institution in May 2013. It assumed the operating lease and all employees at the location. This acquisition is the principal reason for increased personnel expense and occupancy expense for the nine months ended September 30, 2014 compared to the nine months ended September 30, 2013 and the year ended December 31, 2013 compared to the year ended December 31, 2012. Professional fees in both the nine month comparable periods and the full year 2013 versus 2012 declined slightly as legal costs related to problem and potential problem loans declined.

Other real estate expenses for the nine months ended September 30, 2014 increased from the comparable period in 2013 as a result of TrustAtlantic's decision to sell certain foreclosed properties in order to more expeditiously reduce its level of REO. The most significant of these sales was in the second quarter of 2014 when REO losses and expenses were \$230 thousand from the sale of a strip shopping center.

Data processing expenses have increased modestly as products and services have been enhanced and our customer base has grown. Other expenses were higher in the 2013 full year due partially to one-time expenses associated with the May 2013 branch acquisition including advertising, ordering new checks and mailing expenses. In addition, in the fourth quarter of 2013, TrustAtlantic reclassified a parcel of land purchased in 2007 as a future branch site to REO and wrote down the value of asset by approximately \$96 thousand. Other expenses for the nine months ended

September 30, 2014 were lower due to director option expenses, advertising costs and various loan expenses not reimbursed by customers.

#### *Income Taxes*

TrustAtlantic tax expense increased for the nine months ended September 30, 2014 compared to the nine months ended September 30, 2013 as our pre-tax income increased for the same periods. Our effective tax rate was 36.59% for the first nine months of 2014 compared to 37.39% for the same period of 2013. The decrease in the effective tax rate was largely due to a decrease in the corporate tax rate in the state of North Carolina effective January 1, 2014. The decrease in the state corporate rate also required TrustAtlantic to reduce the value of its deferred tax assets slightly in 2013. In addition, TrustAtlantic has increased its municipal securities investment portfolio which has also contributed to the decline in the effective tax rate due to higher amounts of tax-exempt income.

During the second quarter of 2012, TrustAtlantic reduced the valuation allowance on its deferred tax assets by approximately \$3.8 million. Management believed that due to its history of quarterly profitability and its forecast to remain profitable, its taxable income would be sufficient to utilize its deferred tax assets. TrustAtlantic continues to maintain a valuation allowance for its state net operating loss carryforwards for the holding company.

#### **Financial Condition**

The Company's total assets grew to \$452.9 million as of September 30, 2014 from \$436.2 million at December 31, 2013 and \$373.0 million at December 31, 2012. A portion of the growth in our balance sheet was attributable to a branch office that was acquired in May 2013 from another financial institution. Approximately \$10 million in loan assets were acquired along with \$21.3 million of deposits and certain other assets including assuming the lease of the facility and purchasing related fixed assets.

#### *Loan Portfolio*

The following table summarizes TrustAtlantic's loan portfolio as of the dates indicated.

	<b>September 30, 2014</b>	<b>December 31, 2013</b>	<b>2012</b>
	<b>(Dollars in thousands)</b>

<b>Total loans</b>	<b>\$ 325,497</b>	<b>\$ 314,678</b>	<b>\$ 283,167</b>

TrustAtlantic has continued to grow its loan portfolio during 2014. Through September, the portfolio has increased approximately \$10.8 million which is an annualized growth rate of approximately 4.6%. During the full year of 2013, loans grew by \$21.5 million from organic growth and \$10.0 million from the branch acquisition in May 2013. The organic growth rate for 2013 was approximately 7.6%. The growth of the loan portfolio has been funded primarily by local deposits.

Our loan portfolio continues to have a concentration in real estate secured loans. A substantial portion of the consumer loans are also secured by junior and senior lien positions on 1-4 family residential properties.

*Asset Quality*

The following table summarizes the risk category of TrustAtlantic's loan portfolio as of the dates indicated.

<b>Total loans</b>	<b>\$ 325,497</b>	<b>\$ 314,678</b>	<b>\$ 283,167</b>

TrustAtlantic's nonperforming assets have steadily declined since December 31, 2012. At September 30, 2014 non-accrual loans were \$647 thousand compared to \$2.4 million and \$4.7 million at December 31, 2013 and December 31, 2012, respectively. In addition, other real estate owned has declined to \$1.5 million at September 30, 2014 from \$2.2 million at December 31, 2013 and \$2.7 million at December 31, 2012. Management has been more aggressively liquidating these problem assets so that more of its resources can be devoted to growing the company.

#### *Investment Securities*

TrustAtlantic uses its investment portfolio to provide liquidity to TrustAtlantic Bank for the purposes of managing unexpected deposit outflows or funding loans. In addition, the investment portfolio is managed to provide additional net interest income and maintain the bank's overall interest rate risk within policy limits as approved by the board of directors. Note A to TrustAtlantic's audited consolidated financial statements discusses accounting policies with respect to the investment portfolio and classification of securities as available for sale or held to maturity. As a result of management's view of the portfolio as a source of liquidity, it classifies the majority of the securities in the investment portfolio as available for sale. Certain securities are classified as held to maturity based on the individual characteristics of the security including management's intent and ability to hold these securities to maturity.

The following is a summary of the securities portfolio by major classification at September 30, 2014 and December 31, 2013.

The following tables show gross unrealized losses and fair values of investment securities, aggregated by investment category and length of time that the individual securities have been in a continuous unrealized loss position at

September 30, 2014 and December 31, 2013. In the second quarter and third quarter of 2013, the interest rate curve, especially in the 4 to 10 year part of the yield curve, increased significantly. As a result, many securities purchased in 2012 and 2013 had declines in their fair values. The unrealized losses relate to debt securities that have incurred fair value reductions due to higher market interest rates and other prevailing market conditions, such as liquidity, since the securities were purchased. The unrealized losses are not likely to reverse unless and until the market changes revert to the conditions and levels that existed when the securities were purchased.

In addition to the securities comprising our investment portfolio as of September 30, 2014, the Bank owns approximately \$500 thousand of stock in the FHLB of Atlanta ( FHLB ) and several equity interests in Small Business

Investment Companies ( SBIC ) which have a carrying value of approximately \$579 thousand. These securities are not included in the table above, but are included in other investments as shown in TrustAtlantic s audited consolidated financial statements See Annex D.

*Deposits*

TrustAtlantic Bank gathers the majority of its funding and maintains its liquidity from local deposits. In addition to local community based deposits, it originates deposits through internet listing services and through brokered certificates of deposit ( CDs ). The majority of our deposit growth has been achieved through growth of local deposits. In May 2013, TrustAtlantic acquired

approximately \$21.3 million of deposits via its branch acquisition. The majority of the deposits acquired in the acquisition were non-maturity deposits.

Non-brokered deposits increased to \$334.0 million, an increase of approximately \$16.5 million, for the nine months ended September 30, 2014. During the full year 2013, non-brokered deposits increased by \$38.3 million, excluding the branch acquisition. We continue to offer competitive rates on our deposit products compared to other financial institutions, which has benefited our ability to grow non-brokered deposits.

The maturities and weighted average cost of funds for time deposits, other than brokered CDs, at September 30, 2014 are as follows:

<b>Maturity</b>	<b>Amount (Dollars in thousands)</b>	<b>Weighted average cost of funds</b>
2014	\$ 12,431	0.84%
2015	42,797	0.84%

2017	10,229	1.24%
2018	11,006	1.58%
2019	24,674	1.97%

*Brokered Certificates of Deposit*

TrustAtlantic Bank also utilizes brokered CDs to fund its earning assets and manage its interest rate risk. Over the last several years, we have experienced an increased demand for fixed rate loans. Management has utilized brokered CDs as a funding source for a portion of these fixed rate loans.

At September 30, 2014, we had approximately \$61.3 million of outstanding brokered CDs compared to \$62.5 million at December 31, 2013 and \$61.5 million at December 31, 2012. The maturities and weighted average cost of funds for the brokered CD portfolio at September 30, 2014 are as follows:

<b>Maturity</b>	<b>Amount (Dollars in thousands)</b>	<b>Weighted average cost of funds</b>

*Capital Resources*

TrustAtlantic Bank is well-capitalized under applicable bank regulatory guidelines as of September 30, 2014. TrustAtlantic Financial Corporation is a small bank holding company and not subject to risk based capital calculations as of September 30, 2014. We believe that TrustAtlantic's capital ratios, if computed under risk based capital guidelines, would be higher than those presented below for TrustAtlantic Bank and TrustAtlantic would also be well capitalized.

TrustAtlantic Bank's actual capital amounts and ratios as of September 30, 2014 and December 31, 2013 are presented in the table below.

In July 2013, the Federal Reserve announced its approval of a final rule to implement the Basel III regulatory capital reforms, among other changes required by the Dodd Frank Act. The framework requires banking organizations to hold more and higher quality capital, which acts as a financial cushion to absorb losses, taking into account the impact of risk. The approved rule includes a new minimum ratio of common equity Tier 1 capital to risk-weighted assets. The rule also raises the minimum ratio of Tier 1 capital to risk-weighted assets from 4% to 6% and includes a minimum leverage ratio of 4% for all banking institutions. In terms of quality capital, the final rule emphasizes common equity Tier 1 capital and implements strict eligibility criteria for regulatory capital instruments. It also improves the methodology for calculating risk-weighted assets to enhance risk sensitivity. The phase-in for smaller banking organizations, such as TrustAtlantic Bank, will begin in January 2015. The ultimate impact of the implementation of the new regulatory capital standards on TrustAtlantic Bank is still being reviewed, however management believes TrustAtlantic would likely meet all the new standards at September 30, 2014.

TrustAtlantic's shareholder equity was \$53.8 million at September 30, 2014. It has increased from \$49.7 million at December 31, 2013 and \$48.1 million at December 31, 2012 principally due to its net income. In addition, TrustAtlantic's available for sale investment portfolio appreciated in value, after tax, during the nine months ended September 30, 2014 by \$.8 million. For the year ended December 31, 2013, the unrealized depreciation in the available for sale investment portfolio was \$1.7 million.

During 2013 and 2012, TrustAtlantic was able to negotiate the repurchase of two blocks of its common stock, consisting of 50,000 and 237,500 shares respectively, in each case, at a price below tangible book value per share at that time. Each purchase therefore enhanced our book value per share. We used cash on hand in the holding company for these repurchases. TrustAtlantic has no regular stock purchase program and has never declared or paid a dividend on its common stock.

#### *Borrowings and Liquidity*

TrustAtlantic has secured borrowing facilities with both the FHLB and the Federal Reserve Bank of Richmond (FRB). TrustAtlantic Bank regularly pledges certain loan assets to these institutions for any borrowings outstanding. At September 30, 2014, we had \$1.3 million of outstanding borrowings to the FHLB which was repaid in full in October

2014. TrustAtlantic has had no borrowings from the FRB during the last 3 years.

In addition to its secured borrowing, TrustAtlantic Bank maintains unsecured borrowing arrangements with various correspondent banks including First Tennessee Bank. As of September 30, 2014, TrustAtlantic Bank had approximately \$32.9 million of available unsecured federal funds lines, \$8.0 million of which was from First Tennessee Bank, of which none had any outstanding balances.

## Effects of Inflation

Interest rates are affected by inflation, but the timing and magnitude of changes in rates may not coincide with changes in the consumer price index. Management actively monitors interest rate sensitivity in order to minimize the effects of inflationary trends on operations. Other areas of non-interest expense may be more directly affected by inflation as several of our material contracts such as leases and our data processing contract have price increase limits tied to the consumer price index. Since TrustAtlantic's assets and liabilities are primarily monetary in nature, their performance is more affected by changes in interest rates than by inflation. Interest rates generally increase as the rate of inflation increases, but the magnitude of the changes in rates may not necessarily be the same.

While the effect of inflation on a financial institution is normally not as significant as is its influence on those businesses which have large investments in plant and inventories, it does have an effect. During periods of high inflation, there are normally corresponding increases in the money supply, and financial institutions will normally experience above average growth in assets, primarily through increased lending activity.

## Commitments and Contingencies

### *Litigation*

In the normal course of business, TrustAtlantic is involved in various legal proceedings. Management believes that any liability resulting from pending or known threatened proceedings will not be material to TrustAtlantic's financial statements.

### *Financial Instruments with Off Balance-Sheet Risk*

TrustAtlantic Bank entered into an interest rate swap in January 2014 to hedge certain fixed rate loans. The notional value of the swap amortizes in accordance with the projected principal schedule of the underlying loans. At September 30, 2014, the notional value of the interest rate swap was approximately \$8.7 million. TrustAtlantic Bank pays 1.40% fixed and receives 1 month LIBOR. The interest rate swap matures in October, 2018.

TrustAtlantic Bank is a party to financial instruments with off-balance sheet risk in the normal course of business to meet the financing needs of its customers. These financial instruments include commitments to extend credit and standby letters of credit. Those instruments involve, to varying degrees, elements of credit and interest rate risk in excess of the amount recognized in the balance sheet. The contract or notional amounts of those instruments reflect the extent of involvement the Bank has in particular classes of financial instruments. The Bank uses the same credit policies in making commitments and conditional obligations as it does for on-balance sheet instruments. We maintain a reserve for off-balance sheet losses included in other liabilities in the consolidated balance sheet.

Commitments to extend credit are agreements to lend to a customer as long as there is no violation of conditions established in the contract. Commitments generally have fixed expiration dates or other termination clauses and may require payment of a fee. Since some of the commitments are expected to expire without being drawn upon, the total commitment amounts do not necessarily represent future cash requirements. We evaluate each customer's creditworthiness on a case-by-case basis. The amount of collateral obtained, if deemed necessary by us, upon extension of credit is based on management's credit evaluation of the borrower. Collateral obtained varies, but may include real estate, stocks, bonds, and certificates of deposit.

Standby letters of credit are conditional commitments issued to guarantee the performance of a customer to a third party. Those guarantees are primarily issued to support public and private borrowing arrangements. The credit risk involved in issuing letters of credit is similar to that involved in extending loans to customers. Collateral held varies as

discussed above and is evaluated by management on a case-by-case basis.

The following table summarizes our commitments as of the dates indicated.

	<b>September 30, 2014</b>	<b>December 31, 2013</b>	<b>2012</b>
	<b>(Dollars in thousands)</b>		
Commitments to extend credit	\$ 58,020	\$ 49,539	\$ 32,749
Standby letters of credit	3,311	2,222	2,240
SBIC remaining investment funding	1,050	588	400

#### **QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK OF TRUSTATLANTIC**

TrustAtlantic's primary market risk is interest rate risk. Interest rate risk is the result of differing maturities or re-pricing intervals of interest-earning assets and interest-bearing liabilities and the fact that rates on these financial instruments do not change uniformly. These conditions may impact the earnings generated by TrustAtlantic's interest earning assets or the cost of its interest-bearing liabilities, thus directly impacting TrustAtlantic's overall earnings. TrustAtlantic's management actively monitors and manages interest rate risk. One way this is accomplished is through the development of and adherence to TrustAtlantic's asset/liability policy. This policy sets forth management's strategy for matching the risk characteristics of TrustAtlantic's interest-earning assets and liabilities so as to mitigate the effect of changes in the rate environment. In the opinion of management of TrustAtlantic, TrustAtlantic's market risk profile has not changed significantly since December 31, 2013.

#### **INTERESTS OF TRUSTATLANTIC'S DIRECTORS AND EXECUTIVE OFFICERS IN THE MERGER**

In considering the recommendation of TrustAtlantic's board of directors that you vote to approve the Merger Agreement, you should be aware that TrustAtlantic's directors and executive officers have interests in the Merger that are different from, or in addition to, those of TrustAtlantic's shareholders, generally. The TrustAtlantic board was aware of and considered those interests, among other matters, in reaching its decisions to (i) approve the Merger and the other transactions contemplated thereby, (ii) adopt the Merger Agreement, and (iii) resolve to recommend the approval of the Merger Agreement to TrustAtlantic shareholders. See the section entitled "The Merger Background of the Merger" and the section entitled "The Merger TrustAtlantic's Reasons for the Merger; Recommendation of TrustAtlantic's Board of Directors." TrustAtlantic's shareholders should take these interests into account in deciding whether to vote FOR the proposal to approve the Merger Agreement. These interests are described in more detail below.

#### **Indemnification; Directors and Officers Insurance**

The Merger Agreement provides that after the completion of the Merger through the fourth anniversary of the Effective Time, First Horizon will indemnify and hold harmless all present and former directors and officers of TrustAtlantic and its subsidiaries, and each officer or employee of TrustAtlantic and/or any of its subsidiaries that is serving or has served as a director or officer of another entity expressly at the request or direction of TrustAtlantic or any of its subsidiaries against all costs or expenses (including reasonable attorneys' fees), judgments, fines, amounts paid in settlement, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or prior to the Effective Time (including the transactions contemplated by the Merger Agreement), whether asserted or claimed prior to, at or after the Effective Time, as they are from time to time incurred, in each case to the fullest extent such person would have been indemnified or have the right to advancement of expenses pursuant to TrustAtlantic's

articles of incorporation or bylaws, as in effect on the date of the Merger Agreement. Notwithstanding the foregoing, First Horizon is not required to indemnify any such person with respect to proceedings initiated by First Horizon or the indemnified person, or if such indemnification is prohibited by applicable law.

The Merger Agreement requires TrustAtlantic to procure a tail policy for its existing directors and officers liability insurance policy covering the individuals who are currently covered by such coverage; provided, however, that the total maximum expense will not exceed the amount that is equal to four times TrustAtlantic's current annual premium.

### Termination of Employment Agreements

At the Effective Time, the TrustAtlantic Employment Agreements will be terminated in consideration of termination payments equal to (a) the amount of severance benefit that would otherwise be due to such executive officer under his existing employment agreement upon a termination of employment without cause following a change in control, notwithstanding the continued employment of such executive officer, plus (b) the amount of the automobile allowance that would otherwise be due to such executive officer throughout the remainder of the term of the agreement, plus (c) the amount of country club membership dues that would otherwise be due to such executive officer throughout the remainder of the term of the agreement. One half of this amount will be payable at the Effective Time to Messrs. Anthony, Beck, Day and Powell, each of whom maintain direct customer relationship responsibilities, with the remaining balance to be payable upon such individual's completion of 24 months of employment with First Tennessee Bank, provided however, that the remaining balance will also be payable upon the termination of employment by the employer without cause, or upon the employee's death or disability. The full amount of Mr. Edwards's payment will be payable at the Effective Time as Mr. Edwards does not maintain direct customer relationship responsibilities. The estimated amount of the termination payments for each TrustAtlantic executive officer, based on an estimated Effective Time of May 1, 2015, is set forth below:

Additionally, most officers and employees of TrustAtlantic will become officers and employees of First Tennessee Bank upon completion of the transactions contemplated by the Merger Agreement. The Merger Agreement provides that First Horizon will create an advisory board consisting of individuals with knowledge of TrustAtlantic's markets, whose service would be consistent with First Horizon's corporate governance practices, and who can help with First Horizon's community, customer, and associate plans in TrustAtlantic's market area after the Effective Time. Certain of TrustAtlantic's directors and executive officers may be asked to join this advisory board.

For purposes of determining any fractional share interest, all shares of TrustAtlantic Common Stock owned by a TrustAtlantic shareholder shall be combined so as to calculate the maximum number of whole shares of FHNC Common Stock issuable to such TrustAtlantic shareholder.

If such holder shall effectively withdraw or lose (through failure to perfect or otherwise) such holder's right to payment for Dissenting Shares after the Effective Time (or the Election Deadline, as defined below), each share of TrustAtlantic Common Stock of such holder shall be treated as a Non-Election Share.

Any Dissenting Shares shall be deemed to be Cash Election Shares, and the holders thereof shall in no event receive consideration consisting of FHNC Common Stock with respect to such shares.

(ii) An election form in such form as FHNC and TrustAtlantic shall mutually agree ( Election Form ), shall be mailed not less than thirty-five (35) days prior to the anticipated Effective Time or on such other date as FHNC and TrustAtlantic shall mutually agree (the Election Form Mailing Date ) to each holder of record of TrustAtlantic Common Stock and each holder of a TrustAtlantic Warrant as of five (5) Business Days prior to the Election Form Mailing Date (the Election Form Record Date ). Each Election Form shall permit such holder, subject to the allocation and election procedures set forth in this Section, (i) to elect to receive the Cash Consideration for all of the shares of TrustAtlantic Common Stock held by such holder (a Cash Election ), (ii) to elect to receive the Stock Consideration for all of such shares (a Stock Election ), (iii) elect to receive the Stock Consideration for 75% of such holder's TrustAtlantic Common Stock and the Cash Consideration for the remaining part of such holder's TrustAtlantic Common Stock (the Cash/Stock Consideration ) (an election to receive the Cash/Stock Consideration is referred to as a Mixed Election ), or (iv) to indicate that such record holder has no preference as to the receipt of cash or FHNC Common Stock for such shares (a Non-Election ). A holder of record of shares of TrustAtlantic Common Stock who holds such shares as nominee, trustee or in another representative capacity may submit multiple Election Forms, provided that each such Election Form covers all the shares of TrustAtlantic Common Stock held by such representative for a particular beneficial owner. Any shares of TrustAtlantic Common Stock with respect to which the holder thereof shall not, as of the Election Deadline, have made an election by submission to the Exchange Agent of an effective, properly completed Election Form shall be deemed Non-Election Shares. An election shall have been properly made only if the Exchange Agent shall have actually received a properly completed Election Form by the Election Deadline. Any Election Form may be revoked or changed by the person submitting such Election Form to the Exchange Agent by written notice to the Exchange Agent only if such notice of revocation or change is actually received by the Exchange Agent at or prior to the Election Deadline. Subject to the terms of this Agreement and of the Election Form, the Exchange Agent shall have discretion to determine when any election, modification or revocation is received and whether any such election, modification or revocation has been properly made.

(iii) If the Stock Election Number exceeds the Stock Conversion Number, then all Cash Election Shares and all Non-Election Shares shall be converted into the right to receive the Cash Consideration, and, subject to Section 2.7(c)(iii) hereof, each holder of Stock Election Shares will be entitled to receive the Stock Consideration only with respect to that number of Stock Election Shares held by such holder equal to the product obtained by multiplying (x) the number of Stock Election Shares held by such holder by (y) a fraction, the numerator of which is the Stock Conversion Number and the denominator of which is the Stock Election Number, with the remaining number of such holder's Stock Election Shares being converted into the right to receive the Cash Consideration.

right to receive the Stock Consideration and the Non-Election Shares and Cash Election Shares shall be treated in the following manner:

(e) *TrustAtlantic Options.* TrustAtlantic shall take all actions necessary to accelerate vesting of all outstanding and unvested TrustAtlantic Options prior to the Effective Time. Each TrustAtlantic Option that has not been exercised, but is outstanding immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of FHNC, Merger Sub, TrustAtlantic or any other Person cease to represent an option to purchase TrustAtlantic Common Stock and be converted automatically into nonqualified options to purchase FHNC Common Stock under FHNC's Equity Compensation Plan; provided, that with respect to each TrustAtlantic Option that is subject to performance-based vesting conditions, the performance-based vesting conditions applicable to such TrustAtlantic Option shall be deemed satisfied at the Effective Time. Each TrustAtlantic Option to which Section 422 of the Code applies shall automatically be converted into an option which shall not be qualified under Section 422 of the Code. The following shall apply with respect to each TrustAtlantic Option so converted:

(1) the number of shares of FHNC Common Stock issuable upon exercise of each converted TrustAtlantic Option will equal the product of (x) the number of shares of TrustAtlantic Common Stock that were purchasable under the TrustAtlantic Option immediately before the Effective Time and (y) the Exchange Ratio, rounded down, if necessary, to the nearest whole share; and

(2) the exercise price per share of FHNC Common Stock for each TrustAtlantic Option will equal (x) the per share exercise price of the TrustAtlantic Option in effect immediately before the Effective Time divided by (y) the Exchange Ratio, rounded up, if necessary, to the nearest cent.

Notwithstanding the foregoing, the exercise price and the number of shares of FHNC Common Stock purchasable pursuant to the TrustAtlantic Options shall be determined in a manner consistent with any applicable requirements of Section 409A of the Code. FHNC will assume each TrustAtlantic Option as adjusted in accordance with this Section. Except as specifically provided above, following the Effective Time, each TrustAtlantic Option shall continue to be governed by the same terms and conditions (including vesting) as were applicable under such TrustAtlantic Option immediately prior to the Effective Time pursuant to the applicable award agreement.

(f) *TrustAtlantic Warrants.* Each TrustAtlantic Warrant that has not been exercised, but is outstanding immediately prior to the Effective Time shall, by virtue of the Merger and without

any action on the part of FHNC, Merger Sub, TrustAtlantic, the holder of that TrustAtlantic Warrant or any other Person, be cancelled and converted into and represent the right to receive subject to the limitations set forth in this Agreement, the Merger Consideration with respect to the shares of TrustAtlantic Common Stock issuable upon exercise of each such TrustAtlantic Warrant in full, less the exercise price to be paid by the holder of each such TrustAtlantic Warrant, which shall be deducted from the Merger Consideration issuable to each such holder. Each holder of a TrustAtlantic Warrant may elect to receive Cash Consideration or Stock Consideration in accordance with Section 2.7(d) of this Agreement. To the extent any such holder elects Stock Consideration, the Exchange Ratio and FHNC Closing Price shall be used to establish the amount of deduction measured in shares.

(g) *Adjustments to Prevent Dilution.* If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of FHNC or TrustAtlantic, respectively, shall occur (or for which the relevant record date will occur) as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination or readjustment of shares, or any stock dividend or stock distribution with a record date during such period, the Merger Consideration, the Per Share Merger Consideration Value, the Exchange Ratio and any other dependent items, as applicable, shall be equitably and proportionately adjusted, if necessary and without duplication, to reflect such change.

The Bank Merger shall have the effects as set forth under applicable federal and state banking laws and regulations, and the parties shall cause the Boards of Directors of TrustAtlantic Bank and First Tennessee Bank, respectively, to approve a separate conditional Agreement to Merge (the Bank Merger Agreement ) and cause the Bank Merger Agreement to be executed and delivered as soon as practicable following the date of execution of this Agreement, and the parties will cooperate and take such other actions as may be necessary and desirable to provide for the Bank Merger to be effected. As provided in the Bank Merger Agreement, the Bank Merger may be abandoned at the election of First Tennessee Bank at any time, whether before or after filings are made for regulatory approval of the Bank Merger and the Bank Merger Agreement shall terminate automatically upon termination of this Agreement for any reason.

The Letter of Transmittal shall specify that delivery shall be effected, and risk of loss and title to the Stock Certificates shall pass, only upon delivery of the Stock Certificates to the Exchange Agent. A Letter of Transmittal shall be deemed properly completed with respect to a holder of TrustAtlantic Common Stock only if accompanied by one or more Stock Certificates (or customary affidavits and indemnification regarding the loss or destruction of such Stock Certificates or the guaranteed delivery of such Stock Certificates) representing all shares of TrustAtlantic Common Stock covered by such Letter of Transmittal. Subject to the terms of this Agreement and of the Letter of Transmittal, the Exchange Agent shall have discretion to determine whether any Letter of Transmittal has been properly completed. Upon proper surrender of a Stock Certificate for exchange and cancellation to the Exchange Agent, together with a properly completed Letter of Transmittal, duly executed, the holder of such Stock Certificate shall be entitled to receive in exchange therefor, the Merger Consideration to which such holder of TrustAtlantic common stock shall have become entitled pursuant to this Article 2, and the Stock Certificate so surrendered shall forthwith be canceled. No interest will be paid or accrued on any Cash Consideration or any cash payable in lieu of fractional shares or any unpaid dividends and distributions, if any, payable to holders of Stock Certificates.

(d) *Rights of Certificate Holders after the Effective Time.* The holder of a Stock Certificate that prior to the Merger represented issued and outstanding TrustAtlantic Common Stock shall have no rights, after the Effective Time, with respect to such TrustAtlantic Common Stock except to surrender the Stock Certificate in exchange for the Merger Consideration as provided in this Agreement. No dividends or other distributions declared after the Effective Time with respect to FHNC Common Stock shall be paid to the holder of any unsurrendered Stock Certificate until the holder thereof shall surrender such Stock Certificate in accordance with this Section. (e) *Surrender by Persons Other than Record Holders.* If the Person surrendering a Stock Certificate and signing the accompanying letter of transmittal is not the record holder thereof, then it shall be a condition of the payment of the Merger Consideration that: (i) such Stock Certificate is properly endorsed to such Person or is accompanied by appropriate stock powers, in either case signed exactly as the name of the record holder appears on such Stock Certificate, and is otherwise in proper form for transfer, or is accompanied by appropriate evidence of the authority of the Person surrendering such Stock Certificate and signing the letter of transmittal to do so on behalf of the record holder; and (ii) the person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other taxes required by reason of the payment to a Person other than the registered holder of the Stock Certificate surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

(f) *Closing of Transfer Books.* From and after the Effective Time, there shall be no transfers on the stock transfer books of TrustAtlantic of the shares of TrustAtlantic Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Stock Certificates representing such shares are presented for transfer to the Exchange Agent, they shall be exchanged for the Merger Consideration and canceled as provided in this Section.

(g) *Return of Exchange Fund.* At any time following the six (6) month period after the Effective Time, FHNC shall be entitled to require the Exchange Agent to deliver to it any portions of the Exchange Fund which had been made available to the Exchange Agent and not disbursed to holders of Stock Certificates (including, without limitation, all interest and other income received by the Exchange Agent in respect of all funds made available to it), and thereafter such holders shall be entitled to look to FHNC (subject to abandoned property,

Notwithstanding the foregoing, neither FHNC nor the Exchange Agent shall be liable to any holder of a Stock Certificate for any Merger Consideration properly delivered in respect of such Stock Certificate to a public official pursuant to any abandoned property, escheat or other similar law.

(h) *Lost, Stolen or Destroyed Certificates.* In the event any Stock Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Stock Certificate to be lost, stolen or destroyed and, if required by FHNC, the posting by such person of a bond in such amount as FHNC may reasonably direct as indemnity against any claim that may be made against it with respect to such Stock Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Stock Certificate the Merger Consideration deliverable in respect thereof.

(i) *Reservation of Shares.* FHNC shall reserve for issuance a sufficient number of shares of the FHNC Common Stock for the purpose of issuing shares of FHNC Common Stock in accordance with this Article 2.

To the extent that amounts are so deducted and withheld by the Exchange Agent, FHNC, Merger Sub or the Surviving Entity, as the case may be, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which the Exchange Agent, FHNC, Merger Sub or the Surviving Entity, as the case may be, made such deduction and withholding.

The board of directors of TrustAtlantic shall be permitted (x) not to recommend to TrustAtlantic's shareholders that they approve the Merger or (y) to otherwise withdraw or modify in a manner adverse to FHNC the TrustAtlantic Board Recommendation, in each case only (A) if after receiving an unsolicited bona fide Acquisition Proposal that constitutes a Superior Proposal, the board of directors of TrustAtlantic determines in its good faith judgment, after receiving the advice of outside legal counsel, that, in light of such Superior Proposal, the board of directors would be in violation of its fiduciary duties under Applicable Law if it failed to withdraw or modify the TrustAtlantic Board Recommendation, (B) after the fifth Business Day following delivery by TrustAtlantic to FHNC of written notice advising FHNC that the board of directors of TrustAtlantic intends to resolve to so withdraw or modify the TrustAtlantic Board Recommendation absent modification of the terms and conditions of this Agreement; (C) if, assuming this Agreement was amended to reflect all adjustments to the terms and conditions hereof proposed by FHNC during such five Business Day period, such Acquisition Proposal would nonetheless continue to constitute a Superior Proposal; and (D) if TrustAtlantic has complied with its obligations set forth in this Section (and, if applicable, Section 5.5(c)) and Section 5.6; provided, however, that following each and every material revision to such Superior Proposal, TrustAtlantic shall be required to deliver a new written notice to FHNC in accordance with this Section and to again comply with the requirements of this Section. Without limiting the foregoing, if the board of directors of TrustAtlantic has withdrawn or modified the TrustAtlantic Board Recommendation as expressly permitted by this Section, then the board of directors of TrustAtlantic may submit this Agreement to TrustAtlantic's shareholders without recommendation (although the resolutions adopting this Agreement as of the date hereof may not be rescinded or amended), in which event the board of directors of TrustAtlantic may communicate the basis for its lack of a recommendation to TrustAtlantic's shareholders in the Proxy Statement or an appropriate amendment or supplement thereto to the extent required by Applicable Law.

(c) If a Superior Proposal (the terms and conditions of which are more favorable from a financial point of view to TrustAtlantic's shareholders than the Merger) shall have been communicated to or otherwise made known to the shareholders of TrustAtlantic and thereafter TrustAtlantic shall have failed to obtain the approval of the Merger at the TrustAtlantic Shareholders Meeting, then, unless this Agreement shall have been terminated pursuant to its terms, if, during the ten Business Day period following such failure to obtain the approval of the Merger, FHNC proposes to adjust the terms and conditions of this Agreement such that the transactions contemplated herein (as adjusted) would be no less favorable from a financial point of view to TrustAtlantic's shareholders than such Superior Proposal, TrustAtlantic shall (i) resubmit the transaction to TrustAtlantic's shareholders at a second duly called, noticed, convened and held meeting of TrustAtlantic's shareholders for the purpose of obtaining the Requisite Shareholder Approval (such meeting or any adjournment or postponement thereof, the Second TrustAtlantic Shareholders Meeting), with the timing of the Second TrustAtlantic Shareholders Meeting to be mutually acceptable to TrustAtlantic and FHNC and (ii) again otherwise comply with Section 5.5(b) as if the Second TrustAtlantic Shareholders Meeting were the TrustAtlantic Shareholders Meeting; provided, that if (1) prior to the TrustAtlantic Shareholders Meeting the board of directors of TrustAtlantic shall have taken (and not reversed or withdrawn) in accordance with Section 5.5(b) any of the actions contemplated by clauses (x) and/or (y) of the third sentence of Section 5.5(b); (2) assuming this Agreement was amended to reflect all adjustments to the terms and conditions hereof proposed by FHNC during the 10 Business Day period following the failure to obtain the approval of the Merger at the TrustAtlantic Shareholders Meeting, the applicable Acquisition Proposal underlying the TrustAtlantic board of directors actions described in clause (1) above would nonetheless continue to constitute a Superior Proposal; and (3) TrustAtlantic has complied with its obligations set forth in Section 5.5(b), this Section 5.5(c) and Section 5.6, then TrustAtlantic shall thereafter no longer be bound by the provisions of this Section 5.5(c) (for the avoidance of doubt, without limiting in any respect any other provision of this Agreement) (a No-Match Event).

5.6 No Solicitation.

(a) TrustAtlantic shall not, and shall cause each of its Subsidiaries and its and their respective officers, directors, employees, agents, investment bankers, financial advisors, attorneys, accountants and other retained representatives not to, directly or indirectly (i) solicit, initiate, encourage or facilitate (including by way of furnishing information), or take any other action designed to facilitate, any Acquisition Proposal, (ii) participate in any discussions or negotiations regarding an Alternative Transaction or Acquisition Proposal or (iii) enter into any agreement regarding any Alternative Transaction or Acquisition Proposal; provided, however, that, in the event that (x) TrustAtlantic shall receive a Superior Proposal that was not solicited by it and did not otherwise result from a breach of this Agreement, (y) prior to receipt of the approval of the TrustAtlantic shareholders of the Merger, the board of directors of TrustAtlantic determines in its good faith judgment, after receiving the advice of outside counsel, that, in light of such Superior Proposal, if TrustAtlantic fails to participate in such discussions or negotiations with, or provide such information to, the party making the Superior Proposal, the board of directors of TrustAtlantic would be in violation of its fiduciary duties under Applicable Law, and (z) TrustAtlantic has given FHNC at least five Business Days notice of its intention to do so, TrustAtlantic may (A) furnish information with respect to it and its Subsidiaries to the party making such Superior Proposal pursuant to a customary confidentiality agreement containing terms no less restrictive to the party making the Superior Proposal than the terms contained in the Confidentiality Agreement; provided that a copy of all such written information is simultaneously provided to FHNC, and (B) participate in discussions regarding such Superior Proposal.

(b) TrustAtlantic shall notify FHNC promptly (but in no event later than one Business Day) after receipt of any Acquisition Proposal or any material modification of or material amendment to any Acquisition Proposal, or any request for non-public information relating to TrustAtlantic or any of its Subsidiaries or for access to the properties, books or records of TrustAtlantic or any of its Subsidiaries by any Person that has made, or to TrustAtlantic's Knowledge may be considering making, an Acquisition Proposal. Such notice to FHNC shall be made orally and in writing, and shall indicate the identity of the Person making the Acquisition Proposal or intending to make or considering making an Acquisition Proposal or requesting non-public information or access to the books and records of TrustAtlantic or any of its Subsidiaries, and the material terms of any such Acquisition Proposal or modification or amendment to an Acquisition Proposal. TrustAtlantic shall keep FHNC fully informed, on a current basis, of any material changes in the status and any material changes or modifications in the terms of any such Acquisition Proposal, indication or request.

(c) TrustAtlantic and its Subsidiaries shall immediately cease and cause to be terminated any existing discussions or negotiations with any Persons (other than FHNC) conducted heretofore with respect to any of the foregoing. TrustAtlantic agrees not to, and to cause its Subsidiaries not to, release any third party from, and agrees to enforce, the confidentiality and standstill provisions of any agreement to which TrustAtlantic or its Subsidiaries is a party that remains in effect as of the date hereof, and shall immediately take all steps necessary to terminate any approval that may have been heretofore given under any such provisions authorizing any person to make an Acquisition Proposal.

5.7 Listing and Quotation. FHNC shall use its reasonable best efforts to list, prior to the Effective Time, on the New York Stock Exchange, subject to official notice of issuance, the shares of FHNC Common Stock to be issued as Merger Consideration to the holders of TrustAtlantic Common Stock in connection with the Merger, and FHNC shall give all notices and make all filings with the New York Stock Exchange required in connection with the transactions contemplated herein.

5.8 Closing Date Balance Sheet. No later than three Business Days prior to the Closing Date, TrustAtlantic shall deliver to FHNC the unaudited consolidated balance sheet of TrustAtlantic and its Subsidiaries, prepared in a manner consistent with past practice, as of the close of business on the last Business Day of the calendar month immediately preceding the Closing Date (the Closing

Date Balance Sheet ). The Closing Date Balance Sheet shall (a) fairly present in all material respects the assets, liabilities and tangible common equity of TrustAtlantic and its Subsidiaries as of the date of the Closing Date Balance Sheet, (b) be prepared in a manner consistent with the balance sheets included in the TrustAtlantic Financial Statements, in accordance with either GAAP or regulatory accepted accounting procedures, consistently applied and (c) be prepared from, and be in accordance with, the books and records of TrustAtlantic and its Subsidiaries.

5.9 System Integration. From and after the date hereof, subject to Applicable Law, TrustAtlantic shall cause TrustAtlantic Bank and its directors, officers and employees to, and shall make all commercially reasonable best efforts (without undue disruption to either business) to cause TrustAtlantic Bank's data processing consultants and software providers to, cooperate and assist FHNC and First Tennessee Bank in connection with an electronic and systematic conversion of all applicable data of TrustAtlantic Bank to the FHNC system following the Effective Time, including the training of TrustAtlantic employees without undue disruption to TrustAtlantic Bank's business, during normal business hours and at the expense of FHNC (not to include TrustAtlantic Bank's standard employee payroll).

5.10 TrustAtlantic Employee Matters.

(a) Subject to post-Effective Time compliance with FHNC's policies and Applicable Law for the hiring of new employees, including background checks, fingerprinting, and drug testing, each person who is an employee of TrustAtlantic on the Closing Date shall be an employee of the Surviving Entity after the Effective Time (the Covered Employees ). FHNC shall maintain or cause to be maintained employee benefit plans and compensation opportunities for the benefit of Covered Employees (as a group) that provide employee benefits and compensation opportunities that, in the aggregate, are substantially comparable to the employee benefits and compensation opportunities that are generally made available to similarly situated employees of FHNC or its Subsidiaries (other than TrustAtlantic and its Subsidiaries), as applicable; provided that (i) in no event shall any Covered Employee be eligible to participate in any closed or frozen plan of FHNC or its Subsidiaries; and (ii) except as otherwise specifically contemplated by this Agreement and allowing for reasonable enrollment procedures, until such time as FHNC shall cause Covered Employees to participate in the employee benefit plans and receive compensation opportunities that are made available to similarly situated employees of FHNC or its Subsidiaries (other than TrustAtlantic and its Subsidiaries), a Covered Employee's continued participation in employee benefit plans, and continued opportunity to be eligible for compensation under the Plans, of TrustAtlantic and its Subsidiaries shall be deemed to satisfy the foregoing provisions of this sentence (it being understood that participation in any different FHNC plans may commence at different times).

(b) To the extent that a Covered Employee becomes eligible to participate in an employee benefit plan maintained by FHNC or any of its Subsidiaries (other than TrustAtlantic or its Subsidiaries), FHNC shall cause such employee benefit plan to recognize the service of such Covered Employee with TrustAtlantic or its Subsidiaries for purposes of eligibility, participation, vesting and benefit accrual under such employee benefit plan of FHNC or any of its Subsidiaries, to the same extent that such service was recognized immediately prior to the Effective Time under a corresponding TrustAtlantic Plan in which such Covered Employee was eligible to participate immediately prior to the Effective Time; provided that such recognition of service shall not (i) operate to duplicate any benefits of a Covered Employee with respect to the same period of service, (ii) apply for purposes of any retiree medical plans or for purposes of benefit accrual under any defined benefit pension plan or (iii) apply for purposes of any plan, program or arrangement (A) under which similarly situated employees of FHNC and its Subsidiaries do not receive credit for prior service or (B) that is grandfathered or frozen, either with respect to level of benefits or participation. With respect to any health care plan of FHNC or any of its Subsidiaries (other than TrustAtlantic and its Subsidiaries) in which any Covered Employee is eligible to participate for the plan year in which such Covered Employee is first eligible to participate, FHNC shall use commercially reasonable efforts to cause any preexisting condition limitations or eligibility waiting periods under such FHNC or Subsidiary plan to be waived with respect to such Covered Employee to the extent that such limitation would have

been waived or satisfied under the TrustAtlantic Plan in which such Covered Employee participated immediately prior to the Effective Time.

(c) FHNC shall cause the Surviving Entity to comply with the obligations under any Compensation Agreement in effect at the Effective Time, including and together with those obligations set forth in Section 5.10(c) of the Disclosure Schedule (which Section sets forth the obligations of the Surviving Entity and FHNC post-Closing with respect to change in control, severance, non-competition and related compensation). FHNC and TrustAtlantic agree that after the Closing Date, any severance, change of control or other payments required to be paid as a result of the transactions contemplated by this Agreement shall be deemed to be due and payable by the Surviving Entity in accordance with the terms of the instrument establishing such payment obligations and to the intended recipient of such payment as set forth in any such instrument.

(d) FHNC shall cause the Surviving Entity to comply with the obligations under the TrustAtlantic Financial Corporation and TrustAtlantic Bank Supplemental Retirement Plan (the SERP ), including without limitation the rabbi trust requirements of Sections 2.4 and 2.5 of the SERP. In furtherance of complying with the SERP s rabbi trust requirements: (A) FHNC will establish a rabbi trust and fund the trust with a lump sum amount equal to the remaining present value as of the Closing Date of the total aggregate benefits of all participants, both those who have begun payment and those who have not. The present value shall be determined in accordance with the factors set forth in Section 2.5 of the SERP, and (B) payments due to participants under the SERP (including any withholding with respect to such payments) shall be paid first from the rabbi trust, but to the extent that the assets of such rabbi trust are not sufficient to pay all benefits due to participants under the SERP, FHNC will pay any remaining benefits from its general assets. TrustAtlantic, by resolution of its directors, shall amend the SERP to provide that no additional contributions shall be made by TrustAtlantic effective as of the day before the Effective Time.

(e) TrustAtlantic, by resolution of its directors and all other necessary or appropriate actions, including but not limited to any necessary amendments and notices, shall terminate its participation in the Pentegra Defined Contribution Plan for Financial Institutions (the Multiple Employer 401(k) Plan ), and will take such additional actions as may be required by Applicable Law or requested by FHNC to terminate the portion of the Multiple Employer 401(k) Plan attributable directly or indirectly to participation by employees and former employees of TrustAtlantic and any ERISA Affiliate or former ERISA Affiliate thereof, effective as of the day before the Effective Time.

(f) On or prior to the date of this Agreement, TrustAtlantic shall, and shall cause TrustAtlantic Bank, to enter into agreements with the TrustAtlantic employees listed on Schedule 2 to (i) amend those certain TrustAtlantic Noncompetition Agreements to provide for a definition of the defined term Cause and (ii) terminate those certain TrustAtlantic employment agreements, with such amendments and terminations to become effective as of the Effective Time. FHNC agrees to cause the Surviving Entity to pay the termination payments due in consideration of the termination of such TrustAtlantic employment agreements.

(g) Without limiting the generality of Section 8.16, the provisions of this Section 5.10 are solely for the benefit of the parties to this Agreement, and no current or former employee or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Agreement. In no event shall the terms of this Agreement be deemed to (i) establish, amend or modify any TrustAtlantic Plan or any employee benefit plan as defined in Section 3(3) of ERISA, or any other benefit plan, program, agreement or arrangement maintained or sponsored by FHNC, TrustAtlantic or any of their respective Affiliates; (ii) alter or limit the ability of FHNC or any of its Subsidiaries (including, after the Closing Date, TrustAtlantic and its Subsidiaries) to amend, modify or terminate any TrustAtlantic Plan, employment agreement or any other benefit or employment plan, program, agreement or arrangement after the Closing Date; or (iii) confer upon any current or former employee, officer, director or consultant any right to employment or continued employment or continued

service with the FHNC or any of its Subsidiaries (including, following the Closing Date, TrustAtlantic and its Subsidiaries), or constitute or create an employment agreement with any employee.

5.11 Indemnification.

(a) From and after the Effective Time through the fourth anniversary of the Effective Time, FHNC agrees to indemnify and hold harmless each present and former director and officer of TrustAtlantic or any of its Subsidiaries, and each officer or employee of TrustAtlantic and/or any of its Subsidiaries that is serving or has served as a director or officer of another entity expressly at the request or direction of TrustAtlantic or any of its Subsidiaries (each, an Indemnified Party ), against any costs or expenses (including reasonable attorneys' fees), judgments, fines, amounts paid in settlement, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or prior to the Effective Time (including the transactions contemplated by this Agreement), whether asserted or claimed prior to, at or after the Effective Time, as they are from time to time incurred, in each case to the fullest extent such Person would have been indemnified or have the right to advancement of expenses pursuant to TrustAtlantic's Articles or Bylaws, or the articles of incorporation or bylaws of TrustAtlantic Bank, as in effect on the date of this Agreement, subject to Applicable Law.

(b) Any Indemnified Party wishing to claim indemnification under Section 5.11(a), upon learning of any such claim, action, suit, proceeding or investigation, shall promptly notify FHNC thereof, but the failure to so notify shall not relieve FHNC of any liability it may have hereunder to such Indemnified Party if such failure does not materially and substantially prejudice FHNC.

(c) TrustAtlantic shall procure a tail policy for its existing directors' and officers' liability insurance policy covering all Persons who are currently covered by such insurance; provided, however, that in no event shall the total maximum expenditure for such tail policy exceed more than the amount that is equal to four times TrustAtlantic's current annual premium.

(d) In the event FHNC or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made so that the successors and assigns of FHNC assume the obligations set forth in this Section 5.11.

(e) Notwithstanding anything in this Agreement to the contrary, FHNC shall not be obligated to:

(i) indemnify an Indemnified Party with respect to proceedings initiated by FHNC or its Subsidiaries as successor in interest to TrustAtlantic;

(ii) indemnify an Indemnified Party with respect to proceedings initiated by the Indemnified Party, including any proceedings against FHNC, its Subsidiaries, or their respective directors, officers, employees or other Indemnified Parties; and not by way of defense; or

(iii) indemnify an Indemnified Party if a final decision by a court of competent jurisdiction determines that such indemnification is prohibited by Applicable Law.

5.12 Additional Agreements. Subject to the terms and conditions of this Agreement, each of TrustAtlantic and FHNC agree to cooperate fully with each other and to use reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective, at the time and

in the manner contemplated by this Agreement, the Merger and the Bank Merger. Neither party shall take any action, or knowingly fail to take any action, which action or failure to act prevents or impedes, or could reasonably be expected to prevent or impede, the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code. In case at any time after the Effective Time any

further action is necessary or desirable to carry out the purposes of this Agreement (including any merger between a Subsidiary of FHNC, on the one hand, and a Subsidiary of TrustAtlantic, on the other) or to vest the Surviving Entity with full title to all properties, assets, rights, approvals, immunities and franchises of either party to the Merger, the proper officers and directors of each party and their respective Subsidiaries shall, at FHNC's sole expense, take all such necessary action as may be reasonably requested by FHNC.

5.13 Notification: Updated Disclosure Schedules. Each party shall give prompt notice to the other party of (a) any change or event which, individually or in the aggregate with other such changes or events, has or would reasonably be expected to have a Material Adverse Effect on such party (b) any representation or warranty made by such party in this Agreement becoming untrue or inaccurate in any material respect, including, without limitation, as a result of any change in a Disclosure Schedule, or (c) the failure by such party to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by such party under this Agreement. Each party shall update its respective Disclosure Schedules to reflect any additional information as specified in (a)-(c) above; provided, however, that any such updates shall not cure any breach of any representation or warranty made as of the date of this Agreement, any breach of any covenant after the date of this Agreement, nor shall it affect in any way the conditions to the obligations of each party to effect the Merger set forth in ARTICLE 7.

5.14 Shareholder Litigation. TrustAtlantic and FHNC shall provide each other with prompt notice of any shareholder litigation against TrustAtlantic or FHNC and/or their respective directors or Affiliates relating to the transactions contemplated by this Agreement. In the event of any such litigation against TrustAtlantic or any of its directors or Affiliates, TrustAtlantic shall give FHNC the opportunity to participate in the defense or settlement of any such litigation. In addition, no such settlement shall be agreed to without FHNC's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed).

5.15 Tax Covenants of FHNC. At and after the Effective Time, each of FHNC and Surviving Entity covenants and agrees that it:

(a) will maintain all books and records and file all federal, state and local income Tax Returns and schedules thereto of FHNC, Surviving Entity and all Affiliates thereof in a manner consistent with the Merger being qualified as a reorganization and nontaxable exchange under Section 368(a)(1)(A) of the Code (and comparable provisions of any applicable state or local Tax laws); and

(b) will not cause or permit any election to be made under Section 338 of the Code or any comparable provision of any other Tax laws by FHNC or Surviving Entity with respect to the Merger or the transactions contemplated by the Agreement.

5.16 Advisory Board. FHNC agrees to cause First Tennessee Bank to establish an advisory board, consisting of individuals with knowledge of TrustAtlantic's markets, whose service would be consistent with FHNC's corporate governance practices, and who can help with FHNC's community, customer, and associate plans in TrustAtlantic's market area after the Effective Time.

## **ARTICLE 6 TERMINATION**

6.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after approval of the matters presented in connection with the Merger by the shareholders of TrustAtlantic:(a) by mutual written consent of TrustAtlantic and FHNC;

(b) by either TrustAtlantic or FHNC, if the Closing shall not have occurred on or before the date that is the eighth month anniversary of the date hereof, unless, as of such date, all the conditions set forth in Article 7, other than the conditions set forth in Section 7.1(a) have been satisfied or waived (other than those conditions that by their nature are to be satisfied or waived at the Closing), in which case such date shall be extended by an additional 60 days (the End Date ) (provided that the right to terminate this Agreement under this Section 6.1(b) shall not be available to any party whose action or failure to act has been the primary cause of

A-45

or resulted in the failure of the Closing to occur on or before such date and such action or failure to act constitutes a breach of this Agreement);

(c) by either TrustAtlantic or FHNC, if any approval required to be obtained pursuant to Section 7.1(a) has been denied by the relevant governmental entity and such denial has become final and nonappealable or any governmental entity of competent jurisdiction shall have issued a final, nonappealable injunction permanently enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement;

(d) by TrustAtlantic, if FHNC has breached or is in breach of any representation, warranty, covenant or agreement on the part of FHNC contained in this Agreement in any respect, which breach would, individually or together with all such other then uncured breaches by FHNC, constitute grounds for the conditions set forth in Section 7.3(a) not to be satisfied on the Closing Date and such breach is not cured prior to the earlier of (i) the End Date and (ii) the thirtieth day after written notice thereof to FHNC or by its nature or timing cannot be cured within such time period;

(e) By TrustAtlantic, if both of the following conditions are satisfied:

(i) The number obtained by dividing the Average Closing Price by the FHNC Starting Price (the FHNC Ratio ) is less than 0.85; and

(ii) the FHNC Ratio is less than the number obtained by (x) dividing the Final Index Price by the Initial Index Price (the Index Ratio ) and then (y) subtracting 0.15,

subject, however, to the following two sentences. TrustAtlantic must elect to terminate this Agreement under this Section 6.1(e) within two Business Days after the Determination Date. If TrustAtlantic elects to exercise its termination right pursuant to this Section 6.1(e), it shall give written notice to FHNC (provided that such notice of election to terminate may be withdrawn at any time within the aforementioned two-Business Day period). Within two Business Days following its receipt of such notice, FHNC shall have the option to increase the consideration to be received by the holders of TrustAtlantic Common Stock hereunder by adjusting the Exchange Ratio to equal a number obtained by dividing (A) the product of the FHNC Starting Price, 0.85 and the Exchange Ratio by (B) the Average Closing Price. If FHNC so elects within such two-Business Day period, it shall give written notice to TrustAtlantic of such election and the revised Exchange Ratio, whereupon no termination shall have occurred pursuant to this Section 6.1(e) and this Agreement shall remain in effect in accordance with its terms (except that the Exchange Ratio and the aggregate Merger Consideration shall have been modified as provided herein).

As used herein, the following terms shall have the meanings indicated:

Trading Day means any day on which the New York Stock Exchange is open for trading; provided that, a Trading Day only includes those days that have a scheduled closing time of 4:00 p.m. (New York City time).

(f) by FHNC, if TrustAtlantic has breached or is in breach of any representation, warranty, covenant or agreement on the part of TrustAtlantic contained in this Agreement in any respect, which breach would, individually or together with all such other then uncured breaches by TrustAtlantic, constitute grounds for the conditions set forth in Section 7.2(a) not to be satisfied on the Closing Date and such breach is not cured prior to the earlier of (i) the End Date and (ii) the thirtieth day after written notice thereof to TrustAtlantic or by its nature or timing cannot be cured within such time period;

(g) by FHNC, if TrustAtlantic has (i) failed to make the TrustAtlantic Board Recommendation or has withdrawn, modified or qualified, or proposed or resolved to withdraw, modify or qualify, such recommendation in a manner adverse to FHNC, (ii) failed to reaffirm (publicly, if so requested by FHNC) the TrustAtlantic Board Recommendation within ten Business Days after the date any Acquisition Proposal (or material modification thereto) is first publicly disclosed, (iii) failed to comply with its obligations under Section 5.5(b), 5.5(c) or 5.6 or (iv) approved, recommended or endorsed (or in the case of a tender or exchange offer, failed to promptly recommend rejection of), or proposed or resolved to recommend or endorse (or in the case of a tender or exchange offer, failed to promptly recommend rejection of), an Alternative Transaction or Acquisition Proposal involving TrustAtlantic; or

6.2 Effect of Termination. In the event of termination of this Agreement by either FHNC or TrustAtlantic as provided in Section 6.1 or the abandonment of the Merger without breach by any party hereto, this Agreement (other than any section which by its terms relates to post-termination rights or obligations) shall become void and have no effect, without any liability on the part of any party or its directors, officers or shareholders. Notwithstanding the termination of this Agreement (whether pursuant to this Article 6 or any other provision of this Agreement): (a) each of the parties hereto shall remain liable for a willful breach of this Agreement and (b) the provisions of Section 6.2 (Effect of Termination), Section 6.3 (Termination Fee), and Section 8 (Miscellaneous) shall survive any termination of this Agreement.

6.3 Termination Fee. To compensate FHNC for entering into this Agreement, taking actions to consummate the transactions contemplated hereunder and incurring the costs and expenses related thereto and other losses and expenses, including foregoing the pursuit of other opportunities by FHNC, TrustAtlantic and FHNC agree as follows:

(a) In the event that (i) an Acquisition Proposal shall have been communicated to or otherwise made known to the shareholders, senior management or board of directors of TrustAtlantic, or any Person shall have publicly announced an intention (whether or not conditional) to make an Acquisition Proposal involving TrustAtlantic after the date of this Agreement, (ii) thereafter this Agreement is terminated by FHNC or TrustAtlantic pursuant to Section 6.1(f), Section 6.1(g), or Section 6.1(h) and (iii) prior to the date that is 12 months after the date of such termination TrustAtlantic enters into any letter of intent, agreement in principle, acquisition agreement or other similar agreement related to an Alternative Transaction or consummates an Alternative Transaction, then TrustAtlantic shall on the earlier of (x) the date any such letter with respect to an Alternative Transaction is executed or agreement is entered into, (y) an

Alternative Transaction is consummated, or (z) upon

termination of this Agreement pursuant to Section 6.1(g)(ii), as applicable, pay FHNC a fee equal to \$3,250,000 (the Termination Fee ) by wire transfer of immediately available funds.

(b) TrustAtlantic acknowledges that the agreements contained in this Section 6.3 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, FHNC would not enter into this Agreement; accordingly, if TrustAtlantic fails promptly to pay the amount due pursuant to this Section 6.3, and, in order to obtain such payment, FHNC commences a suit which results in a judgment against TrustAtlantic for the fee set forth in this Section 6.3, TrustAtlantic shall pay to FHNC its costs and expenses (including attorneys fees and expenses) in connection with such suit, together with interest on the amount of the fee at a rate per annum equal to the prime rate published in The Wall Street Journal on the date that such payment was required to be made plus 300 basis points.

(a) FHNC shall have received the approval, or waiver of approval, of the transactions contemplated by this Agreement from all necessary governmental agencies and authorities whose approval must be received in order to consummate the Merger, which approvals shall not impose any materially detrimental restrictions on the operations of FHNC or the Surviving Entity or which materially and adversely impact the value of the Merger, taken as whole, to FHNC, and such approvals and the transactions contemplated hereby shall not have been contested by any federal or state governmental authority or any third party by formal proceeding, and any statutory waiting periods shall have expired;

NOW, THEREFORE, in consideration of the premises and the respective representations, warranties, covenants and agreements contained herein and in the Merger Agreement, the parties agree as follows:

Nothing contained herein shall be deemed a waiver by FHNC and Merger Sub of any other breach of the Merger Agreement by TrustAtlantic, including any breach arising from a Material Adverse Effect on TrustAtlantic caused by any event other than the Departures. 3. Section 1.1(o) of the Merger Agreement is hereby deleted and restated in its entirety as follows:
  - (o) Exchange Ratio means 1.3261, which is the ratio used to determine the number of shares of FHNC Common Stock into which each share of TrustAtlantic Common Stock would be converted pursuant to Section 2.7(c) absent a Cash Consideration election or payment, subject to adjustment in accordance with Section 2.7(g) and Section 6.1(e) of this Agreement.

4. The definition of the term "FHNC Starting Price" set forth in Section 6.1(e) of the Merger Agreement is hereby deleted and restated in its entirety as follows:

6. This Amendment and Waiver is binding upon and shall inure to the benefit of the parties, their successors and assigns.
7. This Amendment and Waiver may be executed in two or more counterparts, each of which shall be deemed an original.

Members of the Board of Directors:

You have requested our opinion as to the fairness, from a financial point of view, of the Merger Consideration (defined below) in connection with the proposed merger (the *Merger*) between TrustAtlantic Financial Corporation (*TrustAtlantic*) and First Horizon National Corporation (*First Horizon*) subject to the terms and conditions of the Agreement and Plan of Merger dated October 21, 2014 (the *Agreement*).

Pursuant to the Agreement, each share of TrustAtlantic common stock issued and outstanding immediately prior to the Effective Time shall be converted into either the right to receive either the Stock Consideration or the Cash Consideration. The *Stock Consideration* is equal to 1.4240 shares of First Horizon common stock (the *Exchange Ratio*). The *Cash Consideration* is defined as an amount of cash equal to the value of the Stock Consideration at closing based on the FHNC Closing Price. The value of outstanding warrants to purchase TrustAtlantic common stock immediately prior to the Effective Time will also be exchanged for either the Stock Consideration or the Cash Consideration. Collectively the Stock Consideration and the Cash Consideration constitute the *Merger Consideration*. Options to purchase TrustAtlantic common stock will be converted into options to purchase First Horizon common stock using the Exchange Ratio. The terms of the Merger are set forth more fully in the Agreement.

During the course of our engagement and for the purposes of the opinion set forth herein, we have:

- (vii) analyzed certain financial projections prepared by the management of TrustAtlantic;
- (viii) held discussions with members of the senior management of TrustAtlantic and First Horizon for the purpose of reviewing the future prospects of TrustAtlantic and First Horizon, including the respective businesses, earnings, assets, liabilities and the amount and timing of cost savings (the *Synergies*) expected to be achieved as a result of the Merger;
- (ix) reviewed the terms of recent merger and acquisition transactions, to the extent publicly available, involving banks and bank holding companies that we considered relevant; and
- (x) performed such other analyses and considered such other factors as we deemed appropriate.

We also took into account our assessment of general economic, market and financial conditions and our experience in other transactions as well as our knowledge of the banking industry and our general experience in securities valuation.

In rendering this opinion, we have assumed and relied on, without independent verification, the accuracy and completeness of the financial and other information and representations contained in the materials provided to us by TrustAtlantic and First Horizon. In that regard, we have assumed that the financial forecasts, including, without limitation, the Synergies and projections have been reasonably prepared on a basis reflecting the best currently-available information and judgments and estimates of TrustAtlantic and First Horizon, and that such forecasts will be realized in the amounts and at the times contemplated thereby. We are not experts in the evaluation of loan and lease portfolios for purposes of assessing the adequacy of the allowances for losses with respect thereto and have assumed that such allowances for TrustAtlantic and First Horizon are in the aggregate adequate to cover such losses. We were not retained to and did not conduct a physical inspection of any of the properties or facilities of TrustAtlantic and First Horizon. In addition, we have not reviewed individual credit files nor have we made an independent evaluation or appraisal of the assets and liabilities of TrustAtlantic and First Horizon or any of their respective subsidiaries and we were not furnished with any such evaluations or appraisals.

We have assumed that the Merger will be consummated substantially in accordance with the terms set forth in the Agreement. We have further assumed that the Merger will be accounted for as a purchase under generally accepted accounting principles. We have assumed that the merger is, and will be, in compliance with all laws and regulations that are applicable to TrustAtlantic and First Horizon. Subject to the foregoing and based on our experience as investment bankers, our activities and assumptions as described above, and other factors we have deemed relevant, we are of the opinion as of the date hereof that the Merger Consideration is fair, from a financial point of view, to the shareholders of TrustAtlantic.

Sincerely,

III. In the case of a director of the corporation who will, in the corporate action, become a director of the acquiring entity, or one of its affiliates, rights and benefits as a director that are provided on the same basis as those afforded by the acquiring entity generally to other directors of the acquiring entity or such affiliate of the acquiring entity.

b. Beneficial owner. Any person who, directly or indirectly, through any contract, arrangement, or understanding, other than a revocable proxy, has or shares the power to vote, or to direct the voting of, shares. If a member of a national securities exchange is precluded by the rules of the exchange from voting without instruction on contested matters or matters that may affect substantially the rights or privileges of the holders of the securities to be voted, then that member of a national securities exchange shall not be deemed a beneficial owner of any securities held directly or indirectly by the member on behalf of another person solely because the member is the record holder of the securities. When two or more persons agree to act together for the purpose of voting their shares of the corporation, each member of the group formed thereby is deemed to have acquired beneficial ownership, as of the date of the agreement, of all voting shares of the corporation beneficially owned by any member of the group.

c. Excluded shares. Shares acquired pursuant to an offer for all shares having voting power if the offer was made within one year prior to the corporate action for consideration of the same kind and of a value equal to or less than that paid in connection with the corporate action.

(8) Preferred shares. A class or series of shares the holders of which have preference over any other class or series with respect to distributions.

(9) Record shareholder. The person in whose name shares are registered in the records of the corporation or the beneficial owner of shares to the extent of the rights granted by a nominee certificate on file with the corporation.

(10) Senior executive. The chief executive officer, chief operating officer, chief financial officer, or anyone in charge of a principal business unit or function.

(11) Shareholder. Both a record shareholder and a beneficial shareholder. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 2011-347, s. 1.)

#### **§ 55-13-02. Right to appraisal.**

(a) In addition to any rights granted under Article 9, a shareholder is entitled to appraisal rights and to obtain payment of the fair value of that shareholder's shares, in the event of any of the following corporate actions:

(1) Consummation of a merger to which the corporation is a party if either (i) shareholder approval is required for the merger by G.S. 55-11-03 and the shareholder is entitled to vote on the merger, except that appraisal rights shall not be available to any shareholder of the corporation with respect to shares of any class or series that remain outstanding after consummation of the merger or (ii) the corporation is a subsidiary and the merger is governed by G.S. 55-11-04.

(2) Consummation of a share exchange to which the corporation is a party as the corporation whose shares will be acquired if the shareholder is entitled to vote on the exchange, except that appraisal rights shall not be available to any shareholder of the corporation with respect to any class or series of shares of the corporation that is not exchanged.

(3) Consummation of a disposition of assets pursuant to G.S. 55-12-02 if the shareholder is entitled to vote on the disposition.

(4) An amendment of the articles of incorporation (i) with respect to a class or series of shares that reduces the number of shares of a class or series owned by the shareholder to a fraction of a share if the corporation has an obligation or right to repurchase the fractional share so created or (ii) changes the corporation into a nonprofit corporation or cooperative organization.

(5) Any other amendment to the articles of incorporation, merger, share exchange, or disposition of assets to the extent provided by the articles of incorporation, bylaws, or a resolution of the board of directors.

(6) Consummation of a conversion to a foreign corporation pursuant to Part 2 of Article 11A of this Chapter if the shareholder does not receive shares in the foreign corporation resulting from the conversion that (i) have terms as favorable to the shareholder in all material respects and (ii) represent at least the same percentage interest of the total voting rights of the outstanding shares of the corporation as the shares held by the shareholder before the conversion.

(7) Consummation of a conversion of the corporation to nonprofit status pursuant to Part 2 of Article 11A of this Chapter.

(8) Consummation of a conversion of the corporation to an unincorporated entity pursuant to Part 2 of Article 11A of this Chapter.

(b) Notwithstanding subsection (a) of this section, the availability of appraisal rights under subdivisions (1), (2), (3), (4), (6), and (8) of subsection (a) of this section shall be limited in accordance with the following provisions:

(1) Appraisal rights shall not be available for the holders of shares of any class or series of shares that are any of the following:

a. A covered security under section 18(b)(1)(A) or (B) of the Securities Act of 1933, as amended.

b. Traded in an organized market and has at least 2,000 shareholders and a market value of at least twenty million dollars (\$20,000,000)(exclusive of the value of shares held by the corporation's subsidiaries, senior executives, directors, and beneficial shareholders owning more than ten percent (10%) of such shares).

c. Issued by an open-end management investment company registered with the Securities and Exchange Commission under the Investment Company Act of 1940, as amended, and may be redeemed at the option of the holder at net asset value.

(2) The applicability of subdivision (1) of this subsection shall be determined as of (i) the record date fixed to determine the shareholders entitled to receive notice of, and to vote at, the meeting of shareholders to act upon the corporate action requiring appraisal rights or (ii) the day before the effective date of such corporate action if there is no meeting of shareholders.

(3) Subdivision (1) of this subsection shall not be applicable and appraisal rights shall be available pursuant to subsection (a) of this section for the holders of any class or series of shares who are required by the terms of the corporate action requiring appraisal rights to accept for such shares anything other than cash or shares of any class or any series of shares of any corporation, or any other proprietary interest of any other entity, that satisfies the standards set forth in subdivision (1) of this subsection at the time the corporate action becomes effective.

(4) Subdivision (1) of this subsection shall not be applicable and appraisal rights shall be available pursuant to subsection (a) of this section for the holders of any class or series of shares where the corporate action is an interested transaction.

(c) Notwithstanding any other provision of this section, the articles of incorporation as originally filed or any amendment to the articles may limit or eliminate appraisal rights for any class or series of preferred shares. Any amendment to the articles that limits or eliminates appraisal rights for any shares that are outstanding immediately prior to the effective date of the amendment or that the corporation is or may be required to issue or sell thereafter pursuant to any conversion, exchange, or other right existing immediately before the effective date of the amendment, however, shall not

C-3

---

apply to any corporate action that becomes effective within one year of that date if the corporate action would otherwise afford appraisal rights.

(d) A shareholder holding shares of a class or series that were issued and outstanding as of the effective date of this act but that did not as of that date entitle the shareholder to vote on a corporate action described in subdivision (a)(1), (2), or (3) of this section shall be entitled to appraisal rights, and to obtain payment of the fair value of the shareholder's shares of such class or series, to the same extent as if such shares did entitle the shareholder to vote on such corporate action. (1925, c. 77, s. 1; c. 235; 1929, c. 269; 1939, c. 279; 1943, c. 270; G.S., ss. 55-26, 55-167; 1955, c. 1371, s. 1; 1959, c. 1316, ss. 30, 31; 1969, c. 751, ss. 36, 39; 1973, c. 469, ss. 36, 37; c. 476, s. 193; 1989, c. 265, s. 1; 1989 (Reg. Sess., 1990), c. 1024, s. 12.18; 1991, c. 645, s. 12; 1997-202, s. 1; 1999-141, s. 1; 2001-387, s. 26; 2003-157, s. 1; 2011-347, ss. 1, 22(c).)

**§ 55-13-03. Assertion of rights by nominees and beneficial owners.**

(a) A record shareholder may assert appraisal rights as to fewer than all the shares registered in the record shareholder's name but owned by a beneficial shareholder only if the record shareholder (i) objects with respect to all shares of the class or series owned by the beneficial shareholder and (ii) notifies the corporation in writing of the name and address of each beneficial shareholder on whose behalf appraisal rights are being asserted. The rights of a record shareholder who asserts appraisal rights for only part of the shares held of record in the record shareholder's name under this subsection shall be determined as if the shares as to which the record shareholder objects and the record shareholder's other shares were registered in the names of different record shareholders.

(b) A beneficial shareholder may assert appraisal rights as to shares of any class or series held on behalf of the shareholder only if the shareholder does both of the following:

(1) Submits to the corporation the record shareholder's written consent to the assertion of rights no later than the date referred to in G.S. 55-13-22(b)(2)b.

(2) Submits written consent under subdivision (1) of this subsection with respect to all shares of the class or series that are beneficially owned by the beneficial shareholder. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 2011-347, s. 1.)

**§§ 55-13-04 through 55-13-19. Reserved for future codification purposes.**

Part 2. Procedure for Exercise of Appraisal Rights.

**§ 55-13-20. Notice of appraisal rights.**

(a) If any corporate action specified in G.S. 55-13-02(a) is to be submitted to a vote at a shareholders' meeting, the meeting notice must state that the corporation has concluded that shareholders are, are not, or may be entitled to assert appraisal rights under this Article. If the corporation concludes that appraisal rights are or may be available, a copy of this Article must accompany the meeting notice sent to those record shareholders entitled to exercise appraisal rights.

(b) In a merger pursuant to G.S. 55-11-04, the parent corporation must notify in writing all record shareholders of the subsidiary who are entitled to assert appraisal rights that the corporate action became effective. In the case of any other corporate action specified in G.S. 55-13-02(a) with respect to which shareholders of a class or series do not have the right to vote, but with respect to which those shareholders are entitled to assert appraisal rights, the corporation must notify in writing all record shareholders of such class or series that the corporate action became effective. Notice required under this subsection must be sent within 10 days after the corporate action became effective and include the

materials described in G.S. 55-13-22.

(c) If any corporate action specified in G.S. 55-13-02(a) is to be approved by written consent of the shareholders pursuant to G.S. 55-7-04, then the following must occur:

(1) Written notice that appraisal rights are, are not, or may be available must be given to each record shareholder from whom a consent is solicited at the time consent of each

C-4

---

shareholder is first solicited and, if the corporation has concluded that appraisal rights are or may be available, must be accompanied by a copy of this Article.

(2) Written notice that appraisal rights are, are not, or may be available must be delivered together with the notice to the applicable shareholders required by subsections (d) and (e) of G.S. 55-7-04, may include the materials described in G.S. 55-13-22, and, if the corporation has concluded that appraisal rights are or may be available, must be accompanied by a copy of this Article.

(d) If any corporate action described in G.S. 55-13-02(a) is proposed, or a merger pursuant to G.S. 55-11-04 is effected, then the notice referred to in subsection (a) or (c) of this section, if the corporation concludes that appraisal rights are or may be available, and in subsection (b) of this section shall be accompanied by the following:

(1) The annual financial statements specified in G.S. 55-16-20(a) of the corporation that issued the shares to be appraised. The date of the financial statements shall not be more than 16 months before the date of the notice and shall comply with G.S. 55-16-20(b). If annual financial statements that meet the requirements of this subdivision are not reasonably available, then the corporation shall provide reasonably equivalent financial information.

(2) The latest available quarterly financial statements of the corporation, if any.

The right to receive the information described in this subsection may be waived in writing by a shareholder before or after the corporate action. (1925, c. 77, s. 1; c. 235; 1929, c. 269; 1939, c. 5; c. 279; 1943, c. 270; G.S., ss. 55-26, 55-165, 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 2002-58, s. 2; 2011-347, s. 1.)

#### **§ 55-13-21. Notice of intent to demand payment and consequences of voting or consenting.**

(a) If a corporate action specified in G.S. 55-13-02(a) is submitted to a vote at a shareholders' meeting, a shareholder who is entitled to vote on the corporate action and who wishes to assert appraisal rights with respect to any class or series of shares must do the following:

(1) Deliver to the corporation, before the vote is taken, written notice of the shareholder's intent to demand payment if the proposed action is effectuated.

(2) Not vote, or cause or permit to be voted, any shares of any class or series in favor of the proposed action.

(b) If a corporate action specified in G.S. 55-13-02(a) is to be approved by less than unanimous written consent, a shareholder who is entitled to vote on the corporate action and who wishes to assert appraisal rights with respect to any class or series of shares must not execute a consent in favor of the proposed action with respect to that class or series of shares.

(c) A shareholder who fails to satisfy the requirements of subsection (a) or (b) of this section is not entitled to payment under this Article. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 2011-347, s. 1.)

#### **§ 55-13-22. Appraisal notice and form.**

(a) If a corporate action requiring appraisal rights under G.S. 55-13-02(a) becomes effective, the corporation must deliver a written appraisal notice and form required by subdivision (b)(1) of this section to all shareholders who satisfied the requirements of G.S. 55-13-21. In the case of a merger under G.S. 55-11-04, the parent corporation must

deliver a written appraisal notice and form to all record shareholders of the subsidiary who may be entitled to assert appraisal rights. In the case of any other corporate action specified in G.S. 55-13-02(a) that becomes effective and with respect to which shareholders of a class or series do not have the right to vote but with respect to which such shareholders are entitled to assert appraisal rights, the corporation must deliver a written appraisal

C-5

---

notice and form to all record shareholders of such class or series who may be entitled to assert appraisal rights.

(b) The appraisal notice must be sent no earlier than the date the corporate action specified in G.S. 55-13-02(a) became effective and no later than 10 days after that date. The appraisal notice must include the following:

(1) A form that specifies the first date of any announcement to shareholders, made prior to the date the corporate action became effective, of the principal terms of the proposed corporate action. If such an announcement was made, the form shall require a shareholder asserting appraisal rights to certify whether beneficial ownership of those shares for which appraisal rights are asserted was acquired before that date. The form shall require a shareholder asserting appraisal rights to certify that the shareholder did not vote for or consent to the transaction.

(2) Disclosure of the following:

a. Where the form must be sent and where certificates for certificated shares must be deposited, as well as the date by which those certificates must be deposited. The certificate deposit date must not be earlier than the date for receiving the required form under sub-subdivision b. of this subdivision.

b. A date by which the corporation must receive the payment demand, which date may not be fewer than 40 nor more than 60 days after the date the appraisal notice required under subsection (a) of this section and form are sent. The form shall also state that the shareholder shall have waived the right to demand appraisal with respect to the shares unless the form is received by the corporation by the specified date.

c. The corporation's estimate of the fair value of the shares.

d. That, if requested in writing, the corporation will provide, to the shareholder so requesting, within 10 days after the date specified in sub-subdivision b. of this subdivision, the number of shareholders who return the forms by the specified date and the total number of shares owned by them.

e. The date by which the notice to withdraw under G.S. 55-13-23 must be received, which date must be within 20 days after the date specified in sub-subdivision b. of this subdivision.

(3) Be accompanied by a copy of this Article. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 1997-485, s. 4; 2001-387, s. 27; 2002-58, s. 3; 2011-347, s. 1.)

**§ 55-13-23. Perfection of rights; right to withdraw.**

(a) A shareholder who receives notice pursuant to G.S. 55-13-22 and who wishes to exercise appraisal rights must sign and return the form sent by the corporation and, in the case of certificated shares, deposit the shareholder's certificates in accordance with the terms of the notice by the date referred to in the notice pursuant to G.S. 55-13-22(b)(2). In addition, if applicable, the shareholder must certify on the form whether the beneficial owner of such shares acquired beneficial ownership of the shares before the date required to be set forth in the notice pursuant to G.S. 55-13-22(b)(1). If a shareholder fails to make this certification, the corporation may elect to treat the shareholder's shares as after-acquired shares under G.S. 55-13-27. Once a shareholder deposits that shareholder's certificates or, in the case of uncertificated shares, returns the signed forms, that shareholder loses all rights as a shareholder, unless the shareholder withdraws pursuant to subsection (b) of this section.

(b) A shareholder who has complied with subsection (a) of this section may nevertheless decline to exercise appraisal rights and withdraw from the appraisal process by so notifying the corporation in writing by the date set forth in the

appraisal notice pursuant to G.S. 55-13-22(b)(2)e. A shareholder who fails to so withdraw from the appraisal process may not thereafter withdraw without the corporation's written consent.

C-6

---

(c) A shareholder who does not sign and return the form and, in the case of certificated shares, deposit that shareholder's share certificates where required, each by the date set forth in the notice described in G.S. 55-13-22(b) shall not be entitled to payment under this Article. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 2011-347, s. 1.)

**§ 55-13-24:** Repealed by Session Laws 2011-347, s. 1, effective October 1, 2011.

**§ 55-13-25. Payment.**

(a) Except as provided in G.S. 55-13-27, within 30 days after the form required by G.S. 55-13-22(b) is due, the corporation shall pay in cash to the shareholders who complied with G.S. 55-13-23(a) the amount the corporation estimates to be the fair value of their shares, plus interest.

(b) The payment to each shareholder pursuant to subsection (a) of this section must be accompanied by the following:

(1) The following financial information:

a. The annual financial statements specified in G.S. 55-16-20(a) of the corporation that issued the shares to be appraised. The date of the financial statements shall not be more than 16 months before the date of payment and shall comply with G.S. 55-16-20(b). If annual financial statements that meet the requirements of this sub-subdivision are not reasonably available, the corporation shall provide reasonably equivalent financial information.

b. The latest available quarterly financial statements, if any.

(2) A statement of the corporation's estimate of the fair value of the shares. The estimate must equal or exceed the corporation's estimate given pursuant to G.S. 55-13-22(b)(2)c.

(3) A statement that the shareholders described in subsection (a) of this section have the right to demand further payment under G.S. 55-13-28 and that if a shareholder does not do so within the time period specified therein, then the shareholder shall be deemed to have accepted such payment in full satisfaction of the corporation's obligations under this Article. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; c. 770, s. 69; 1997-202, s. 2; 2011-347, s. 1.)

**§ 55-13-26:** Repealed by Session Laws 2011-347, s. 1, effective October 1, 2011.

**§ 55-13-27. After-acquired shares.**

(a) A corporation may elect to withhold payment required by G.S. 55-13-25 from any shareholder who was required to but did not certify that beneficial ownership of all of the shareholder's shares for which appraisal rights are asserted was acquired before the date set forth in the appraisal notice sent pursuant to G.S. 55-13-22(b)(1).

(b) If the corporation elected to withhold payment under subsection (a) of this section, it must, within 30 days after the form required by G.S. 55-13-22(b) is due, notify all shareholders who are described in subsection (a) of this section of the following:

(1) The information required by G.S. 55-13-25(b)(1).

(2) The corporation's estimate of fair value pursuant to G.S. 55-13-25(b)(2).

- (3) That they may accept the corporation's estimate of fair value, plus interest, in full satisfaction of their demands or demand appraisal under G.S. 55-13-28.
- (4) That those shareholders who wish to accept such offer must so notify the corporation of their acceptance of the corporation's offer within 30 days after receiving the offer.
- (5) That those shareholders who do not satisfy the requirements for demanding appraisal under G.S. 55-13-28 shall be deemed to have accepted the corporation's offer.

C-7

---

(c) Within 10 days after receiving the shareholder's acceptance pursuant to subsection (b) of this section, the corporation must pay in cash the amount it offered under subdivision (b)(2) of this section to each shareholder who agreed to accept the corporation's offer in full satisfaction of the shareholder's demand.

(d) Within 40 days after sending the notice described in subsection (b) of this section, the corporation must pay in cash the amount it offered to pay under subdivision (b)(2) of this section to each shareholder described in subdivision (b)(5) of this section. (2011-347, s. 1.)

**§ 55-13-28. Procedure if shareholder dissatisfied with payment or offer.**

(a) A shareholder paid pursuant to G.S. 55-13-25 who is dissatisfied with the amount of the payment must notify the corporation in writing of that shareholder's estimate of the fair value of the shares and demand payment of that estimate plus interest (less any payment under G.S. 55-13-25). A shareholder offered payment under G.S. 55-13-27 who is dissatisfied with that offer must reject the offer and demand payment of the shareholder's stated estimate of the fair value of the shares, plus interest.

(b) A shareholder who fails to notify the corporation in writing of that shareholder's demand to be paid the shareholder's stated estimate of the fair value, plus interest, under subsection (a) of this section within 30 days after receiving the corporation's payment or offer of payment under G.S. 55-13-25 or G.S. 55-13-27, respectively, waives the right to demand payment under this section and shall be entitled only to the payment made or offered pursuant to those respective sections. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 1997-202, s. 3; 2011-347, s. 1.)

Part 3. Judicial Appraisal of Shares.

**§ 55-13-30. Court Action.**

(a) If a shareholder makes a demand for payment under G.S. 55-13-28 which remains unsettled, the corporation shall commence a proceeding within 60 days after receiving the payment demand by filing a complaint with the Superior Court Division of the General Court of Justice to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the 60-day period, the corporation shall pay in cash to each shareholder the amount the shareholder demanded pursuant to G.S. 55-13-28, plus interest.

(a1) Repealed by Session Laws 1997-202, s. 4.

(b) The corporation shall commence the proceeding in the appropriate court of the county where the corporation's principal office (or, if none, its registered office) in this State is located. If the corporation is a foreign corporation without a registered office in this State, it shall commence the proceeding in the county in this State where the principal office or registered office of the domestic corporation merged with the foreign corporation was located at the time of the transaction.

(c) The corporation shall make all shareholders (whether or not residents of this State) whose demands remain unsettled parties to the proceeding as in an action against their shares and all parties must be served with a copy of the complaint. Nonresidents may be served by registered or certified mail or by publication as provided by law.

(d) The jurisdiction of the superior court in which the proceeding is commenced under subsection (b) of this section is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend a

decision on the question of fair value. The appraisers shall have the powers described in the order appointing them, or in any amendment to it. The shareholders demanding appraisal rights are entitled to the same discovery rights as parties in other civil proceedings. There shall be no right to a trial by jury.

(e) Each shareholder made a party to the proceeding is entitled to judgment either (i) for the amount, if any, by which the court finds the fair value of the shareholder's shares, plus interest,

C-8

---

exceeds the amount paid by the corporation to the shareholder for the shareholder's shares or (ii) for the fair value, plus interest, of the shareholder's shares for which the corporation elected to withhold payment under G.S. 55-13-27. (1925, c. 77, s. 1; 1943, c. 270; G.S., s. 55-167; 1955, c. 1371, s. 1; 1969, c. 751, s. 39; 1973, c. 469, ss. 36, 37; 1989, c. 265, s. 1; 1997-202, s. 4; 1997-485, ss. 5, 5.1; 2011-347, s. 1.)

**§ 55-13-31. Court costs and expenses.**

(a) The court in an appraisal proceeding commenced under G.S. 55-13-30 shall determine all court costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the shareholders demanding appraisal, in amounts the court finds equitable, to the extent the court finds such shareholders acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this Article.

(b) The court in an appraisal proceeding may also assess the expenses for the respective parties, in amounts the court finds equitable:

(1) Against the corporation and in favor of any or all shareholders demanding appraisal if the court finds the corporation did not substantially comply with the requirements of G.S. 55-13-20, 55-13-22, 55-13-25, or 55-13-27.

(2) Against either the corporation or a shareholder demanding appraisal, in favor of any other party, if the court finds that the party against whom expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this Article.

(c) If the court in an appraisal proceeding finds that the expenses incurred by any shareholder were of substantial benefit to other shareholders similarly situated and that these expenses should not be assessed against the corporation, the court may direct that the expenses be paid out of the amounts awarded the shareholders who were benefited.

(d) To the extent the corporation fails to make a required payment pursuant to G.S. 55-13-25, 55-13-27, or 55-13-28, the shareholder may sue directly for the amount owed and, to the extent successful, shall be entitled to recover from the corporation all expenses of the suit. (a) The legality of a proposed or completed corporate action described in G.S. 55-13-02(a) may not be contested, nor may the corporate action be enjoined, set aside, or rescinded, in a legal or equitable proceeding by a shareholder after the shareholders have approved the corporate action.

***INDEPENDENT AUDITORS' REPORT***

To the Shareholders and the Board of Directors  
TrustAtlantic Financial Corporation and Subsidiary  
Raleigh, North Carolina

We have audited the accompanying consolidated financial statements of TrustAtlantic Financial Corporation and Subsidiary (the Company), which comprise the consolidated balance sheets as of December 31, 2013 and 2012 and the related consolidated statements of income, comprehensive income, stockholders' equity and cash flows for the years then ended, and the related notes to the consolidated financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform the audit to obtain assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of TrustAtlantic Financial Corporation and Subsidiary at December 31, 2013 and 2012 and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**TRUSTATLANTIC FINANCIAL CORPORATION AND SUBSIDIARY**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**December 31, 2013 and 2012**

**Note A Summary of Significant Accounting Policies**

***Organization and Nature of Operations***

On April 13, 2006, TrustAtlantic Financial Corporation (the Company) was formed. The Company was anticipated to be a bank holding company upon the acquisition of a bank. The Company acquired Millennium Community Bank (Millennia) on June 8, 2007 and subsequently changed the name of the subsidiary bank to TrustAtlantic Bank (the Bank).

Millennia was established in May 2000 and commenced operations serving the Greenville, North Carolina and Pitt County markets. After the acquisition by the Company, the Bank's headquarters was relocated to Raleigh, North Carolina in September 2007. The Bank operated five branches as of December 31, 2013. The Bank is engaged primarily in general commercial banking in Wake and Pitt Counties in North Carolina, operating under the banking laws of North Carolina and the rules and regulations of the Federal Deposit Insurance Corporation and the North Carolina Commissioner of Banks. The Bank undergoes periodic examinations by those regulatory authorities.

***Basis of Presentation***

The accompanying consolidated financial statements include the accounts and transactions of TrustAtlantic Financial Corporation and TrustAtlantic Bank. All significant intercompany transactions and balances are eliminated in consolidation.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Material estimates that are particularly susceptible to significant change relate to the determination of the allowance for loan losses, determination of fair value for financial instruments and certain other assets, and other-than-temporary-impairment (OTTI) of investment securities.

***Cash and Cash Equivalents***

For the purpose of presentation in the statements of cash flows, cash and cash equivalents are defined as those amounts included in the balance sheet captioned "Cash and due from banks". The Bank is required to maintain reserves and clearing balances with the Federal Reserve Bank (FRB). As of December 31, 2013 and 2012, respectively, the Bank had \$3.1 million and \$1.2 million of restricted cash balances on deposit with the FRB.

***Securities Held to Maturity***

Debt securities for which the Bank has the positive intent and ability to hold to maturity are classified as held to maturity and are reported at amortized cost, adjusted for premiums and discounts that are recognized in interest income using the interest method over the period to maturity.

*Securities Available for Sale*

Available-for-sale ( AFS ) securities are reported at fair value and consist of debt securities not classified as trading securities nor as held-to-maturity securities. Unrealized holding gains and losses on AFS securities are reported as a net amount in accumulated other comprehensive (loss) income

D-8

---

**TRUST ATLANTIC FINANCIAL CORPORATION AND SUBSIDIARY**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**December 31, 2013 and 2012**

net of income taxes. Gains and losses on the sale of AFS securities are determined using the specific-identification method. Declines in the fair value of individual held-to-maturity and AFS securities below their cost that are other than temporary would result in write-downs of the individual securities to their fair value. Such write-downs would be included in earnings as realized losses. Premiums and discounts are recognized in interest income using the interest method over the period to maturity.

At each reporting date, the Company evaluates each investment security in a loss position for other-than-temporary impairment ( OTTI ). The review includes an analysis of the facts and circumstances of each individual investment such as (1) the length of time and the extent to which the fair value has been below cost, (2) changes in the earnings performance, credit ratings, asset quality, or business prospects of the issuer, (3) the ability of the issuer to make principal and interest payments, and (4) changes in the general market condition of either the geographic area or industry in which the issuer operates.

Regardless of these factors, if the Company has developed a plan to sell the security or it is likely that the Company will be forced to sell the security in the near future then the impairment is considered other-than-temporary and the carrying value of the security is permanently written down to the current fair value with the difference between the new carrying value and the amortized cost charged to earnings. If the Company does not intend to sale the security and it is not more likely than not that the Company will be required to sell the security before recovery of its amortized cost basis less any current period credit loss, the OTTI is separated into the following: (1) the amount representing the credit loss and (2) the amount related to all other factors. The amount of the OTTI related to the credit loss is recognized in earnings, and the amount of the total OTTI related to other factors is recognized in other comprehensive income, net of applicable taxes.

***Loans Held for Sale***

Loans originated and intended for sale in the secondary market are carried at the lower cost or estimated fair value in the aggregate. Net unrealized losses, if any, are recognized through a valuation allowance by charges to earnings.

***Loans***

Loans that management has the intent and ability to hold for the foreseeable future or until maturity are reported at their outstanding principal adjusted for any charge-offs, the allowance for loan losses, and any deferred fees or costs on originated loans and unamortized premiums or discounts on purchased loans. Loan origination fees and certain direct origination costs are capitalized and recognized as an adjustment of the yield of the related loan. The accrual of interest on impaired loans is discontinued when, in management's opinion, the borrower may be unable to meet payments as they become due. When interest accrual is discontinued, all unpaid accrued interest is reversed. Interest income is subsequently recognized only to the extent cash payments are received.

***Allowance for Loan Losses***

The allowance for loan losses ( ALLL ) is established as losses are estimated to have occurred through a provision for loan losses charged to earnings. The provision for loan losses is based upon management's best estimate of the amount needed to maintain the allowance for loan losses at an adequate level. Loan losses are charged against the allowance when management believes the un-collectability of a loan balance is confirmed. Subsequent recoveries, if any, are credited to the allowance.

**TRUSTATLANTIC FINANCIAL CORPORATION AND SUBSIDIARY  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)  
December 31, 2013 and 2012**

The allowance for loan losses is evaluated on a regular basis by management and is based upon management's periodic review of the collectability of the loans in light of the current status of the portfolio, historical experience, the nature and volume of the loan portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral, and prevailing economic conditions. Management segments the loan portfolio by loan type in considering each of the aforementioned factors and their impact upon the level of the allowance for loan losses.

Loans are considered impaired when it is probable that all amounts due will not be collected in accordance with the contractual terms of the loan agreement. The measurement of impaired loans is based upon the fair value of collateral if the loan is collateral dependent. For impaired loans not collateral dependent the measurement of the impairment is generally the fair value of collateral or the present value of expected future cash flows discounted at the historical effective interest rate. If the recorded investment in the loan exceeds the measure of fair value, a valuation allowance is established as a component of the allowance for loan losses. While management uses the best information available to make evaluations, future adjustments to the allowance may be necessary if conditions differ substantially from the assumptions used in making the evaluations. In addition, regulatory examiners may require the Bank to recognize adjustments to the allowance for loan losses based on their judgments about information available to them at the time of their examination.

A modification of a loan's terms constitutes a TDR if the creditor grants a concession to the borrower for economic or legal reasons related to the borrower's financial difficulties that it would not otherwise consider. All TDRs are considered impaired for evaluation of credit losses.

***Foreclosed and Repossessed Assets***

Any assets acquired as a result of foreclosure or repossession are initially valued at fair value less estimated costs to sell. The recorded investment is the sum of the outstanding principal loan balance and foreclosure costs associated with the loan. Any excess of the recorded investment over the fair value of the asset received is charged to the allowance for loan losses. Valuations will be periodically performed by management and any subsequent write-downs due to the carrying value of an asset or property exceeding its estimated fair value less estimated costs to sell are charged against other expenses. As of December 31, 2013 and 2012, there was \$2.21 million and \$1.09 million of foreclosed assets and repossessed assets included in other assets in the consolidated balance sheets.

***Bank Premises and Equipment***

Bank premises and equipment are stated at cost less accumulated depreciation and amortization. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets which range from 3 to 10 years for furniture and equipment and approximately 37 years for buildings. Leasehold improvements are amortized over the terms of the respective leases or the estimated useful lives of the improvements, whichever is shorter.

Repairs and maintenance costs are charged to operations as incurred, and additions and improvements to premises and equipment are capitalized. Upon sale or retirement, the cost and related accumulated depreciation are removed from the accounts and any gains or losses are reflected in current earnings.

***Federal Home Loan Bank Stock***

As a requirement for membership, the Bank invests in stock of the Federal Home Loan Bank of Atlanta ( FHLB ). This investment is carried at cost and included in other investments on the consolidated balance sheets.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**December 31, 2013 and 2012**

***Income Taxes***

Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets are also recognized for operating loss carry forwards. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which the temporary differences are expected to be recovered or settled. Deferred tax assets are reduced by a valuation allowance if it is more likely than not that the tax benefits will not be realized.

***Goodwill and Other Intangible Assets***

Net assets of companies acquired in purchase transactions are recorded at fair value at the date of acquisition. As such, the historical cost basis of individual assets and liabilities are adjusted to reflect their fair value. Identified intangibles, such as core deposit intangibles, are amortized on an accelerated or straight-line basis over the period benefited. Goodwill is not amortized but is reviewed for potential impairment at least annually, or if events or circumstances indicate a potential impairment. An impairment loss is recorded to the extent that the carrying amount of goodwill exceeds its implied fair value. The Company concluded that no goodwill impairment was warranted for the year ended December 31, 2013; however future events impacting financial institutions such as ability to raise capital and other market events could negatively impact the Company's goodwill asset in the future.

Other intangible assets subject to amortization are evaluated for impairment. An impairment loss will be recognized if the carrying amount of the intangible asset is not recoverable and exceeds fair value. The carrying amount of the intangible is considered not recoverable if it exceeds the sum of the undiscounted cash flows expected to result from the use of the asset.

Premiums or discounts on assets and liabilities acquired are amortized over their respective lives using methods which approximate the effective yield method.

***Bank Owned Life Insurance***
