Items 1.01                   Entry into a Material Definitive Agreement

On June 30, 2009, The L.S. Starrett Company (the “Company”) and certain of the Company’s subsidiaries (the “Subsidiaries”) entered into a Loan and Security Agreement (the “New Credit Facility”) with TD Bank, N.A., as lender.

The New Credit Facility replaces the Company’s previous Reducing Revolver and Line of Credit Agreement held with Bank of America, N.A. with a \$23 million line of credit. The interest rate under the New Credit Facility is based upon a grid which uses the ratio of Funded Debt/EBITDA to determine the floating margin that will be added to one-month LIBOR. The initial rate will be one-month LIBOR plus 1.75%. The New Credit Facility matures on April 30, 2012.

The obligations under the New Credit Facility are unsecured. However, in the event of certain triggering events, the obligations under the New Credit Facility will become secured by the assets of the Company and the Subsidiaries.

Availability under the New Credit Facility is subject to a borrowing base comprised of accounts receivable and inventory. The Company believes that the borrowing base will consistently produce availability under the New Credit Facility in excess of \$23 million. In addition, the Company anticipates that it will not need to fully utilize the amounts available to the Company and the Subsidiaries under the New Credit Facility.

The New Credit Facility contains financial covenants with respect to leverage, tangible net worth, and interest coverage, and also contains customary affirmative and negative covenants, including limitations on indebtedness, liens, acquisitions, asset dispositions, and fundamental corporate changes, and certain customary events of default. Upon the occurrence and continuation of an event of default, the lender may terminate the revolving credit commitment and require immediate payment of the entire unpaid principal amount of the New Credit Facility, accrued interest and all other obligations.

The foregoing description of the New Credit Facility does not purport to be complete and is qualified in its entirety by reference to the New Credit Facility, which is attached as Exhibit 10.1 and incorporated herein by reference.

Item 2.03                   Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant
