Unless the Processing Agent has been notified by a Lender at least one Banking Day prior to the date of the extension of credit that such Lender will not make available to the Processing Agent its Pro Rata Share of such Loan, the Processing Agent may assume that such Lender has made such portion of the Loan available to the Processing Agent on the date of the extension of credit in accordance with the provisions hereof and the Processing Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Processing Agent has made such assumption, to the extent such Lender shall not have so made its Pro Rata Share of the Loan available to the Processing Agent, such Lender agrees to pay to the Processing Agent, forthwith on demand, such Lender's Pro Rata Share of the Loan and all reasonable costs and expenses incurred by the Processing Agent in connection therewith together with interest thereon at the then prevailing interbank rate for each day from the date such amount is made available to the Borrower until the date such amount is paid or repaid to the Processing Agent; provided, however, that notwithstanding such obligation, if such Lender fails so to pay, the Borrower shall, without prejudice to any rights that the Borrower might have against such Lender, repay such amount to the Processing Agent forthwith after demand therefor by the Processing Agent. If any Contributing Lender makes funds available in the place and stead of a Defaulting Lender in such circumstances, then the Defaulting Lender shall pay to any Contributing Lender making the funds available in its place and stead, forthwith on demand, any amount advanced on its behalf together with interest thereon at the then prevailing interbank rate for each day from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Loan from the Borrower. In addition to interest as aforesaid, the

No LIBOR Loan or Letter under the Credit Facility may have a maturity date later than the Maturity Date.

3.5 Inability to Fund U.S. Dollar Advances in Canada

If a Lender determines in good faith, which determination shall be final, conclusive and binding on the Borrower, and the Processing Agent notifies the Borrower that (i) by reason of circumstances affecting financial markets inside or outside Canada, deposits of United States dollars are unavailable to such Lender in Canada, (ii) adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided in the definition of LIBOR or Alternate Base Rate Canada, as the case may be, (iii) the making or continuation of United States dollar advances in Canada has been made impracticable by the occurrence of a contingency (other than a mere increase in rates payable by such Lender to fund the advance) which materially and adversely affects the funding of the advances at any interest rate computed on the basis of the LIBOR or the Alternate Base Rate Canada, as the case may be, or by reason of a change in any applicable law or government regulation, guideline or order (whether or not having the force of law but, if not having the force of law, one with which a responsible Canadian chartered bank would comply) or in the interpretation thereof by any Official Body affecting such Lender or any relevant financial market, which results in LIBOR or the Alternative Base Rate Canada, as the case may be, no longer representing the effective cost to such Lender of deposits in such market for a relevant Interest Period, or (iv) any change to present law or any future law, regulation, order, treaty or official directive (whether or not having the force of law but, if not having the force of law, one with which a responsible Canadian chartered bank would comply) or any change therein or any interpretation or application thereof by any Official Body has made it unlawful for such Lender to make or maintain or give effect to its obligations in respect of United States dollar advances in Canada as contemplated herein, then:

- (a) the right of the Borrower to obtain any affected Base Rate Canada Loan or LIBOR Loan from such Lender shall be suspended until such Lender determines that the circumstances causing such suspension no longer exist and such Lender so notifies the Borrower;
 - (b) if any affected Base Rate Canada Loan or LIBOR Loan is not yet outstanding, any applicable Drawdown Notice shall be cancelled and the advance requested therein shall not be made;
 - (c) if any LIBOR Loan is already outstanding at any time when the right of the Borrower to obtain credit by way of a LIBOR Loan is suspended, it shall, subject
-

-24-

to the Borrower having the right to obtain credit by way of a Base Rate Canada Loan at such time, be converted on the last day of the Interest Period applicable thereto (or on such earlier date as may be required to comply with any applicable law) to a Base Rate Canada Loan in the principal amount equal to the principal amount of the LIBOR Loan or, if the Borrower does not have the right to obtain credit by way of a Base Rate Canada Loan at such time, such LIBOR Loan shall be converted on the last day of the Interest Period applicable thereto (or on such earlier date as may be required to comply with any applicable law) to a loan in such other currency as may be mutually agreed upon in the principal amount equal to the Exchange Equivalent of such LIBOR Loan; and

- (d) if any Base Rate Canada Loan is already outstanding at any time when the right of the Borrower to obtain credit by way of a Base Rate Canada Loan is suspended, it shall, subject to the Borrower having the right to obtain credit by way of a LIBOR Loan at such time, be immediately converted to a LIBOR Loan in the principal amount equal to the principal amount of the Base Rate Canada Loan and having an Interest Period of one month or, if the Borrower does not have the right to obtain credit by way of a LIBOR Loan at such time, it shall be immediately converted to a loan in such other currency as may be mutually agreed upon in the principal amount equal to the Exchange Equivalent of the principal amount of the Base Rate Canada Loan.

3.6 Time and Place of Payments. Unless otherwise expressly provided herein, the Borrower shall make all payments pursuant to this agreement or pursuant to any document, instrument or agreement delivered pursuant hereto by deposit to the Designated Account before 10:00 a.m. (Vancouver time) on the day specified for payment and the Processing Agent shall be entitled to withdraw the amount of any payment due to the Processing Agent or the Lenders hereunder from such accounts on the day specified for payment.

3.7 Remittance of Payments

Forthwith after the withdrawal from the Designated Account by the Processing Agent of any payment of principal, interest, fees or other amounts for the benefit of the Lenders pursuant to Section 3.6, the Processing Agent shall, subject to Sections 3.2 and 8.3 remit to each Lender, in immediately available funds, such Lender's Pro Rata Share of such payment (except (x) to the extent such payment results from a Loan with respect to which a Lender had failed, pursuant to Section 3.2, to make available to the Processing Agent its Pro Rata Share and, where any other Lender has made funds available in the place and stead of a Defaulting Lender); provided that if the Processing Agent, on the assumption that it will receive, on any particular date, a payment of principal (including, without limitation, a prepayment), interest, fees or other amount under the Credit Facility, remits to each Lender its Pro Rata Share of such payment and the Borrower fails to make such payment, each Lender agrees to repay to the Processing Agent, forthwith on demand, to the extent that such amount is not recovered from the Borrower on demand and after reasonable efforts by the Processing Agent to collect such amount (without in any way obligating the Processing Agent to take any legal action with respect to such collection), such Lender's Pro Rata Share of the payment made to it pursuant hereto together with interest thereon at the then prevailing interbank rate for each day from the date such amount is remitted

-25-

to the Lenders until the date such amount is paid or repaid to the Processing Agent, the exact amount of the repayment required to be made by the Lenders pursuant hereto to be as set forth in a certificate delivered by the Processing Agent to each Lender, which certificate shall constitute prima facie evidence of such amount of repayment.

3.8 Evidence of Indebtedness

The Processing Agent shall maintain accounts wherein the Processing Agent shall record the amount of credit outstanding, each payment of principal and interest on account of each Loan, each Letter issued and draw upon and all other amounts becoming due to and being paid to the Lenders or the Agents hereunder, including, Letter fees and standby fees. The Processing Agent's accounts constitute, in the absence of manifest error, *prima facie* evidence of the indebtedness of the Borrower pursuant to this agreement.

3.9 General Provisions Relating to All Letters

- (a) The Borrower hereby acknowledges and confirms to the Issuing Lender that the Issuing Lender shall not be obliged to make any inquiry or investigation as to the right of any beneficiary to make any claim or Draft or request any payment under a Letter and payment by the Issuing Lender pursuant to a Letter shall not be withheld by the Issuing Lender by reason of any matters in dispute between the beneficiary thereof and the Borrower. The sole obligation of the Issuing Lender with respect to Letters is to cause to be paid a Draft drawn or purporting to be drawn in accordance with the terms of the applicable Letter and for such purpose the Issuing Lender is only obliged to determine that the Draft purports to comply with the terms and conditions of the relevant Letter.
 - (b) The Issuing Lender shall not have any responsibility or liability for or any duty to inquire into the form, sufficiency (other than to the extent provided in the preceding paragraph), authorization, execution, signature, endorsement, correctness (other than to the extent provided in the preceding paragraph), genuineness or legal effect of any Draft, certificate or other document presented to it pursuant to a Letter and the Borrower unconditionally assumes all risks with respect to the same. The Borrower agrees that it assumes all risks of the acts or omissions of the beneficiary of any Letter with respect to the use by such beneficiary of the relevant Letter.
 - (c) The obligations of the Borrower hereunder with respect to Letters shall be absolute, unconditional and irrevocable and shall not be reduced by any event or occurrence including, without limitation:
 - (i) any lack of validity or enforceability of this agreement or any such Letter;
 - (ii) any amendment or waiver of or any consent to departure from this agreement;
 - (iii) the existence of any claim, set-off, defense or other rights which the Borrower may have at any time against any beneficiary or any transferee
-

-26-

of any such Letter (or any person or entities for whom any such beneficiary or any such transferee may be acting), any Lender, the Issuing Lender or any other person or entity;

- (iv) any Draft, statement or other document presented under any such Letter proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (v) payment by the Issuing Lender under such Letter against presentation of a sight draft or certificate which does not comply with the terms of such Letter;
- (vi) any non-application or misapplication by the beneficiary of such Letter of the proceeds of any drawing under such Letter; or
- (vii) any reduction or withdrawal of the Issuing Lender's credit rating by any rating agency.

The obligations of the Borrower hereunder with respect to Letters shall remain in full force and effect and shall apply to any amendment to or extension of the expiration date of any such Letter.

- (d) Any action, inaction or omission taken or suffered by the Issuing Lender or any of the Issuing Lender's correspondents under or in connection with a Letter or any Draft made thereunder, if in good faith and in conformity with foreign or domestic laws, regulations or customs applicable thereto, shall be binding upon the Borrower and shall not place the Issuing Lender or any of its correspondents under any resulting liability to the Borrower. Without limiting the generality of the foregoing, the Issuing Lender and its correspondents may receive, accept or pay as complying with the terms of a Letter, any Draft thereunder, otherwise in order which may be signed by, or issued to, the administrator or any executor of, or the trustee in bankruptcy of, or the receiver for any property of, or other person or entity acting as the representative or in the place of, such beneficiary or its successors and assigns. The Borrower covenants that it will not take any steps, issue any instructions to the Issuing Lender or any of its correspondents or institute any proceedings intended to derogate from the right or ability of the Issuing Lender or its correspondents to honour and pay any Draft or Drafts.
 - (e) The Borrower agrees that the Lenders, the Overdraft Lender, the Issuing Lender and the Agents shall have no liability to it for any reason in respect of or in connection with any Letter, the issuance thereof, any payment thereunder, or any other action taken by the Lenders, the Overdraft Lender, the Issuing Lender or the Agents or any other person in connection therewith, other than any such liability that a court of competent jurisdiction determines arose on account of the Issuing Lender's gross negligence or wilful misconduct.
-

-27-

- (f) The Uniform Customs and Practice for Documentary Credits as most recently published by the International Chamber of Commerce (the **UCP**) shall in all respects apply to each Letter and shall be deemed for such purpose to be a part hereof as if fully incorporated herein. In the event of any conflict between the UCP and the laws of any jurisdiction specified in the relevant Letter, the UCP shall prevail to the extent necessary to remove the conflict.

3.10 Notice Periods

Each Drawdown Notice, Rollover Notice, Conversion Notice and Prepayment Notice shall be given to the Processing Agent prior to 10:00 a.m. (Vancouver time) on the third Banking Day prior to the date of any voluntary prepayment or the date of any drawdown, rollover or conversion.

3.11 Overdraft Loans.

- (a) Subject to the following provisions of this Section, overdrafts arising from clearance of cheques or drafts drawn on the U.S. dollar or Canadian dollar accounts of the Borrower maintained with the Overdraft Lender, and designated by the Overdraft Lender for such purpose, shall be deemed to be outstanding as an extension of credit to the Borrower from the Overdraft Lender under the Credit Facility (each, an **Overdraft Loan**) as Base Rate Canada Loans (any overdraft in Canadian dollar accounts shall be deemed to be outstanding as a Base Rate Canada Loan in an amount equal to the U.S. Dollar Equivalent of the amount of such Canadian dollar amount). For certainty, notwithstanding Section 4.1, no Drawdown Notice need be delivered by the Borrower in respect of Overdraft Loans.
- (b) Except as otherwise specifically provided herein, all references to Base Rate Canada Loans shall include Overdraft Loans.
- (c) Overdraft Loans shall be made by the Overdraft Lender alone, without assignment to, or participation by, the other Lenders.
- (d) The aggregate principal amount of the Overdraft Loans shall not exceed U.S.\$50,000,000.
- (e) If the Borrower shall request a drawdown under the Credit Facility other than under this Section (a **Syndicated Drawdown**) and the Overdraft Lender's Pro Rata Share of such Syndicated Drawdown would cause the Overdraft Lender's Pro Rata Share of all Syndicated Loans together with the Overdraft Loans then outstanding to exceed the Overdraft Lender's Individual Commitment, then the Borrower shall be deemed to have given a repayment notice notifying the Processing Agent of a repayment of the Overdraft Loans to the extent of such excess (without any bonus or penalty being payable in respect thereof) and the Borrower shall make such repayment on the requested date of such Syndicated Drawdown. For the purposes hereof **Syndicated Loans** means all credit outstanding under the Credit Facility other than Overdraft Loans.
-

-28-

- (f) The Borrower may make repayments of Overdraft Loans (together with accrued interest thereon) by deposit to the accounts referred to in Section 3.11(a) from time to time without penalty.
- (g) All interest payments and principal repayments of or in respect of Overdraft Loans shall be solely for the account of the Overdraft Lender.
- (h) Notwithstanding anything to the contrary herein contained or contrary to the provisions of applicable law,
 - (i) (I) if a Default occurs and is continuing or (II) if the Overdraft Lender so requires, and there are then outstanding any Overdraft Loans, then, effective on the day of notice to that effect to the other Lenders from the Overdraft Lender or
 - (ii) if any Overdraft Loan has remained outstanding for five consecutive Banking Days, then, effective on the next Banking Day,

the Borrower shall be deemed to have requested, and hereby requests, an extension of credit by way of drawdown of an amount of Base Rate Canada Loans sufficient to repay the Overdraft Loans and accrued and unpaid interest in respect thereof, and on the day of receipt of such notice, each of the other Lenders shall disburse to the Overdraft Lender its respective Pro Rata Share of such amounts and such amounts shall thereupon be deemed to have been advanced by the Lenders to the Borrower and to constitute Syndicated Loans (by way of Base Rate Canada Loans). If a Lender does not disburse to the Overdraft Lender its respective Pro Rata Share of any amount under this Section then, for the purpose only of any distributions or payments to such Lenders (and not, for greater certainty, for purposes of any obligations of such Lenders, including those under Section 14.10), including any distribution or payment with respect to the Borrower in the event of any enforcement or realization proceedings or any bankruptcy, winding-up, liquidation, arrangement, compromise or composition, the Individual Commitment of such Lender shall be deemed to be nil and the Individual Commitment of the Overdraft Lender shall be increased by the Individual Commitment of such Lender until the amounts owed by the Borrower are outstanding to each Lender in accordance with its Pro Rata Share determined without regard to this sentence. If any amount disbursed by a Lender to the Overdraft Lender under this Section and deemed to have been advanced to the Borrower must be repaid by the Overdraft Lender or by such Lender to the Borrower then no reduction of the Overdraft Loans as contemplated above shall be deemed to have occurred, but the relevant Lenders shall purchase participations in the Overdraft Loans (without recourse to the Overdraft Lender) for an amount or otherwise effect transactions to achieve the financial results contemplated by this Section.

- (i) For certainty, it is hereby acknowledged and agreed that the Lenders shall be obligated to advance their Pro Rata Share of an extension of credit by way of
-

-29-

drawdown contemplated by section 3.11(h) and to disburse to the Overdraft Lender their Pro Rata Shares of the Syndicated Loan referenced therein irrespective of:

- (i) whether a Default or Event of Default is then continuing or whether any other condition in Article 12 is met; and
- (ii) whether the Borrower has in fact actually requested such extension of credit by way of drawdown (by delivery of a Drawdown Notice or otherwise).

ARTICLE 4 DRAWDOWNS

4.1 Drawdown Notice

Subject to the provisions hereof and provided that all of the applicable conditions precedent set forth in Article 12 have been fulfilled by the Borrower or waived by the Lenders as provided in Section 14.14, the Borrower may, from time to time, obtain credit hereunder by giving to the Processing Agent an irrevocable notice in substantially the form of Schedule D hereto (**Drawdown Notice**) in accordance with Section 3.10 and specifying:

- (a) the date the credit is to be obtained;
- (b) whether the credit is to be obtained by way of Base Rate Canada Loan, LIBOR Loan or Letter;
- (c) in the case of any credit to be obtained by way of a Loan, the principal amount of the Loan;
- (d) if the credit is to be obtained by way of LIBOR Loan, the applicable Interest Period;
- (e) if the credit is to be obtained by way of Letter, the named beneficiary of the Letter, the maturity date and amount of the Letter, the currency in which the Letter is to be denominated and all other terms of the Letter (including, without limitation, (i) the proposed form of the Letter and (ii) if the Letter is to be issued on behalf of a Subsidiary of the Borrower as well as on behalf of the Borrower, the name of such Subsidiary); and
- (f) the details of any irrevocable authorization and direction pursuant to Section 3.2.

If credit is to be obtained by way of Letter and if such Letter is to be issued on behalf of a Subsidiary of the Borrower as well as on behalf of the Borrower, the Borrower shall ensure that accompanying such Drawdown Notice is an instrument, substantially in the form of Schedule H hereto, and pursuant to which such Subsidiary shall agree, without qualification, to reimburse the

-30-

Issuing Lender on demand for the full amount of each and any Draft presented to and paid by the Issuing Lender in accordance with such Letter.

ARTICLE 5 ROLLOVERS

5.1 LIBOR Loans

Subject to the provisions hereof and provided that the Borrower has, by giving notice to the Processing Agent in accordance with Section 5.2, requested the Lenders to continue to extend credit by way of a LIBOR Loan to replace all or a portion of an outstanding LIBOR Loan as it matures, each Lender shall, on the maturity of such LIBOR Loan, continue to extend credit to the Borrower by way of a LIBOR Loan (without a further advance of funds to the Borrower) in the principal amount equal to such Lender's Pro Rata Share of the principal amount of the matured LIBOR Loan or the portion thereof to be replaced.

5.2 Rollover Notice

The notice to be given to the Processing Agent pursuant to Section 5.1 (**Rollover Notice**) shall be irrevocable, shall be given in accordance with Section 3.10, shall be in substantially the form of Schedule E hereto and shall specify:

- (a) the maturity date of the maturing LIBOR Loan;
- (b) the principal amount of the maturing LIBOR Loan and the portion thereof to be replaced; and
- (c) the Interest Period or Interest Periods of the replacement LIBOR Loans.

ARTICLE 6 CONVERSIONS

6.1 Converting Loan to Other Type of Loan

Subject to the provisions hereof and provided that the Borrower has, by giving notice to the Processing Agent in accordance with Section 6.2, requested the Lenders to convert all or a portion of an outstanding Loan into another type of Loan, each Lender shall, on the date of conversion (which, in the case of the conversion of all or a portion of an outstanding LIBOR Loan, shall be the date on which such Loan matures), continue to extend credit to the Borrower by way of the type of Loan into which the outstanding Loan or a portion thereof is converted (with a repayment and a subsequent advance of funds to the Borrower) in the aggregate principal amount equal to such Lender's Pro Rata Share of the principal amount of the outstanding Loan or the portion thereof which is being converted.

6.2 Conversion Notice

The notice to be given to the Processing Agent pursuant to Section 6.1, (**Conversion Notice**) shall be irrevocable, shall be given in accordance with Section 3.10, shall be in substantially the form of Schedule F hereto and shall specify:

- (a) the type of Loan to be converted;
- (b) the date on which the conversion is to take place;
- (c) the principal amount of the Loan or the portion thereof which is to be converted;
- (d) the type and amount of the Loan into which the outstanding Loan is to be converted; and
- (e) if an outstanding Loan is to be converted into a LIBOR Loan, the applicable Interest Period.

6.3 Absence of Notice

Subject to Sections 3.5 in the absence of a Rollover Notice or Conversion Notice within the appropriate time periods referred to herein, a maturing LIBOR Loan in favour of the Borrower shall be automatically converted to a Base Rate Canada Loan as though a notice to such effect had been given in accordance with Section 6.2.

6.4 Conversion by Lenders

Upon written notice to such effect to the Borrower at such time as a Default has occurred and is continuing, the Processing Agent may, on the maturity date of a LIBOR Loan, convert such LIBOR Loan into a Base Rate Canada Loan, as though a notice to such effect had been given in accordance with Section 6.2.

ARTICLE 7

INTEREST AND FEES

7.1 Interest Rates

The Borrower shall pay to the Lenders, in accordance with Section 3.6, interest on the outstanding principal amount from time to time of each Loan at the rate per annum equal to:

- (i) in the case of each Base Rate Canada Loan, the Alternate Base Rate Canada plus the Applicable Rate; and
- (ii) in the case of each LIBOR Loan, LIBOR plus the Applicable Rate.

7.2 Calculation and Payment of Interest

- (a) Interest on the outstanding principal amount from time to time of each Base Rate Canada Loan shall accrue from day to day from and including the date on which
-

-32-

credit is obtained by way of such Loan to but excluding the date on which such Loan is repaid in full (both before and after maturity and as well after as before judgment) and shall be calculated on the basis of the actual number of days elapsed divided by 365.

- (b) Accrued interest shall be paid,
 - (i) in the case of interest on Base Rate Canada Loans, monthly in arrears on the 22nd day of each calendar month; and
 - (ii) in the case of interest on LIBOR Loans, on the last day of the applicable Interest Period; provided that, in the case of Interest Periods of a duration longer than three months, accrued interest shall be paid no less frequently than every three months from the first day of such Interest Period during the term of such Interest Period and on the date on which such LIBOR Loans are otherwise required to be repaid.

7.3 General Interest Rules

- (a) For the purposes hereof, whenever interest is calculated on the basis of a year of 360 or 365 days, each rate of interest determined pursuant to such calculation expressed as an annual rate for the purposes of the *Interest Act* (Canada) is equivalent to such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365 days, respectively.
- (b) Interest on each Loan and on overdue interest thereon shall be payable in the currency in which such Loan is denominated during the relevant period.
- (c) If the Borrower fails to pay any fee or other amount of any nature payable by it to the Agents or the Lenders hereunder or under any document, instrument or agreement delivered pursuant hereto on the due date therefor, the Borrower shall pay to the Agents or the Lenders, as the case may be, interest on such overdue amount in the same currency as such overdue amount is payable from and including such due date to but excluding the date of actual payment (as well after as before judgment) at the rate per annum, calculated and compounded monthly, which is equal to the Alternate Base Rate Canada plus 3% in the case of overdue amounts denominated in U.S. dollars. Such interest on overdue amounts shall become due and be paid on demand made by either Agent.

7.4 Selection of Interest Periods

With respect to each LIBOR Loan, the Borrower shall specify in the Drawdown Notice, Rollover Notice or Conversion Notice, the duration of the Interest Period provided that:

- (a) Interest Periods shall have a duration from one, two, three or six months (subject to availability and to the aggregate number of Interest Periods with different dates outstanding being less than fifteen (15));
-

-33-

- (b) the first Interest Period for a LIBOR Loan shall commence on and include the day on which credit is obtained by way of such Loan and each subsequent Interest Period applicable thereto shall commence on and include the date of the expiry of the immediately preceding Interest Period applicable thereto; and
- (c) if any Interest Period would end on a day which is not a Banking Day, such Interest Period shall be extended to the next succeeding Banking Day unless such next succeeding Banking Day falls in the next calendar month, in which case such Interest Period shall be shortened to end on the immediately preceding Banking Day.

7.5 Standby Fee

Upon the first Banking Day following the completion of each Fiscal Quarter and on the termination of the Credit Facility, the Borrower shall pay, in accordance with Section 3.6, to the Lenders, in arrears, a standby fee calculated at the rate per annum, on the basis of a year of 365 days, equal to the Applicable Rate on the daily Available Credit during the most recently completed Fiscal Quarter, such fee to accrue daily from the date of the execution and delivery of this agreement to and including the termination of the Credit Facility.

7.6 Letter Fees

- (a) The Borrower shall pay to the Lenders, in accordance with Section 3.6, an issuance fee quarterly in arrears on the first Banking Day of each Fiscal Quarter, calculated at a rate per annum equal to the Applicable Rate on the basis of a year of 365 days and on the amount of each such Letter for a period of time equal to the number of days in the preceding Fiscal Quarter on which such Letter was outstanding. In addition, with respect to all Letters, the Borrower shall from time to time pay to the Issuing Lender its usual and customary fees (at the then prevailing rates) for the amendment, delivery and administration of letters of credit such as the Letters. Each such payment is non-refundable and fully earned when due.
- (b) With respect to each Letter issued hereunder, the Borrower shall pay to the Issuing Lender, in accordance with Section 3.6, a fronting fee quarterly in arrears on the first Banking Day of each Fiscal Quarter, calculated at a rate of 0.125% per annum on that portion of the amount of each such Letter for which Lenders other than the Issuing Lender have agreed to reimburse the Issuing Lender for any amounts drawn hereunder and for a period of time equal to the number of days in the preceding Fiscal Quarter on which such Letter was outstanding. Each such payment is non-refundable and fully earned when due.

7.7 Applicable Rate Adjustment

- (a) For so long as no Rating exists, the changes in the Applicable Rate shall be effective as of the first day of the applicable Fiscal Quarter, in each case based upon the compliance certificate contemplated under Section 11.1(a)(iii) that has previously been delivered to the Processing Agent with respect to the second
-

immediately preceding Fiscal Quarter. If a new Applicable Rate becomes effective during the term of an outstanding LIBOR Loan or Letter, the Processing Agent shall forthwith determine the amount of any overpayment or underpayment of interest with respect to such LIBOR Loan or issuance fees with respect to such Letters and notify the Borrower and the Lenders of such amounts. Such determination by the Processing Agent shall constitute, in the absence of manifest error, *prima facie* evidence of the amount of such overpayment or underpayment, as the case may be. In the event of an underpayment, the Borrower shall, upon receipt of such notice, pay to the relevant Lenders in accordance with Section 3.6, the amount of such underpayment. In the event of any overpayment, the amount of such overpayment shall be credited to succeeding payments of interest or issuance fees, as the case may be, as they become due until such amount has been fully applied, or, if any overpayment or part thereof is still outstanding on the first Banking Day of the next Fiscal Quarter, the amount of such overpayment or part thereof shall be paid by the Lenders to the Borrower on such first Banking Day.

- (b) For so long as a Rating exists, the changes in the Applicable Rate shall be effective on (i) the date the initial Rating (as announced by the relevant Major Credit Rating Agency) is obtained or (ii) the effective date for any change in the Pricing Rating (as announced by the relevant Major Credit Rating Agency). If a new Applicable Rate becomes effective during the term of an outstanding LIBOR Loan or Letter, the Processing Agent shall forthwith determine the amount of any overpayment or underpayment of interest with respect to such LIBOR Loan or issuance fees with respect to such Letters and notify the Borrower and the Lenders of such amounts. Such determination by the Processing Agent shall constitute, in the absence of manifest error, *prima facie* evidence of the amount of such overpayment or underpayment, as the case may be. In the event of an underpayment, the Borrower shall, upon receipt of such notice, pay to the relevant Lenders in accordance with Section 3.6, the amount of such underpayment. In the event of any overpayment, the amount of such overpayment shall be credited to succeeding payments of interest or issuance fees, as the case may be, as they become due until such amount has been fully applied or if any overpayment or part thereof is still outstanding on the first Banking Day of the next Fiscal Quarter, the amount of such overpayment or part thereof shall be paid by the Lenders to the Borrower on such first Banking Day.
-

-35-

7.8 Utilization Fee. Upon the first Banking Day of each Fiscal Quarter commencing after the date hereof and on the date the Credit Facility is terminated in accordance with Section 2.4, the Borrower shall pay to the Lenders, in arrears, a utilization fee, calculated and accruing daily from and including the date hereof for each day on which the Utilization Percentage is greater than or equal to
on the amount of the credit outstanding under the Credit Facility as at the close of business on each such day.

ARTICLE 8

RESERVE, CAPITAL, INDEMNITY AND TAX PROVISIONS

8.1 Conditions of Credit

The obtaining or maintaining of credit hereunder shall be subject to the terms and conditions contained in this Article 8.

8.2 Change of Circumstances

- (a) If, with respect to any type of credit, the introduction or adoption of any law, regulation, guideline, request or directive (whether or not having the force of law) of any governmental authority, central bank or comparable agency (**Restraint**) or any change therein or in the application thereof to the Borrower or to any Lender or in the interpretation or administration thereof or any compliance by any Lender therewith:
- (i) prohibits or restricts extending or maintaining such type of credit or the charging of interest or fees in connection therewith, the Borrower agrees that such Lender shall have the right to comply with such Restraint, shall have the right to refuse to permit the Borrower to obtain such type of credit and shall have the right to require, at the option of the Borrower, the conversion of such outstanding credit to another type of credit to permit compliance with the Restraint or repayment in full of such credit together with accrued interest thereon on the last day on which it is lawful for such Lender to continue to maintain and fund such credit or to charge interest or fees in connection therewith, as the case may be; or
 - (ii) shall impose or require any reserve, special deposit requirements or tax (excluding taxes measured with reference to the net income of such Lender or capital taxes or receipts and franchise taxes), shall establish an appropriate amount of capital to be maintained by such Lender or shall impose any other requirement or condition which results in an increased cost to such Lender of extending or maintaining a credit or obligation hereunder or reduces the amount received or receivable by such Lender with respect to any credit under this agreement or reduces such Lender's effective return hereunder or on its capital or causes such Lender to make any payment or to forego any return based on any amount received or receivable hereunder, then, on notification to the Borrower by such
-

Lender, the Borrower shall pay immediately to such Lender such amounts as shall fully compensate such Lender for all such increased costs, reductions, payments or foregone returns which accrue up to and including the date of receipt by the Borrower of such notice and thereafter, upon demand from time to time, the Borrower shall pay such additional amount as shall fully compensate such Lender for any such increased or imposed costs, reductions, payments or foregone returns. Such Lender shall notify the Borrower of any actual increased or imposed costs, reductions, payments or foregone returns forthwith on becoming aware of same and shall concurrently provide to the Borrower a certificate of an officer of such Lender setting forth the amount of compensation to be paid to such Lender and the basis for the calculation of such amount. Notwithstanding this Section 8.2(a), the Borrower shall not be liable to compensate such Lender for any such cost, reduction, payment or foregone return occurring more than 60 days before receipt by the Borrower of the aforementioned notification from such Lender; provided, however, that the aforementioned limitation shall not apply to any such cost, reduction, payment or foregone return of a retroactive nature.

- (b) Each Lender agrees that, as promptly as practicable after it becomes aware of the occurrence of an event or the existence of a condition that would cause it to seek additional amounts from the Borrower pursuant to Section 8.2(a), it will use reasonable efforts to make, fund or maintain the affected credit of such Lender through another lending office or take such other actions as it deems appropriate if as a result thereof the additional moneys which would otherwise be required to be paid in respect of such credit pursuant to Section 8.2(a), would be reduced and if, as determined by such Lender in its sole discretion, the making, funding or maintaining of such affected credit through such other lending office or the taking of such other actions would not otherwise adversely affect such credit or such Lender and would not, in such Lender's sole discretion, be commercially unreasonable.

8.3 Failure to Fund as a Result of Change of Circumstances

If any Lender but not all of the Lenders who have Individual Commitments seeks additional compensation pursuant to Section 8.2(a) (the **Affected Lender**), then the Borrower may indicate to the Processing Agent in writing that it desires to replace the Affected Lender with one or more of the other Lenders, and the Processing Agent shall then forthwith give notice to the other Lenders that any such Lender or Lenders may, in the aggregate, advance all (but not part) of the Affected Lender's Pro Rata Share of the affected credit and, in the aggregate, assume all (but not part) of the Affected Lender's Individual Commitment and obligations under the Credit Facility and acquire all (but not part) of the rights of the Affected Lender and assume all (but not part) of the obligations of the Affected Lender under each of the other Credit Documents to the extent they relate to the Credit Facility (but in no event shall any other Lender or either Agent be obliged to do so). If one or more Lenders shall so agree in writing (herein collectively called the **Assenting Lenders** and individually called an **Assenting Lender**) with respect to such advance, acquisition and assumption, the Pro Rata Share of such credit of each Assenting

-37-

Lender and the Individual Commitment and the obligations of such Assenting Lender under the Credit Facility and the rights and obligations of such Assenting Lender under each of the other Credit Documents to the extent they relate to the Credit Facility shall be increased by its respective pro rata share (based on the relative Individual Commitments of the Assenting Lenders) of the Affected Lender's Pro Rata Share of such credit and Individual Commitments and obligations under the Credit Facility and rights and obligations under each of the other Credit Documents to the extent they relate to the Credit Facility on a date mutually acceptable to the Assenting Lenders and the Borrower. On such date, the Assenting Lenders shall extend to the Borrower the Affected Lender's Pro Rata Share of such credit and shall prepay to the Affected Lender the advances of the Affected Lender then outstanding, together with all interest accrued thereon and all other amounts owing to the Affected Lender hereunder, and, upon such advance and prepayment by the Assenting Lenders, the Affected Lender shall cease to be a Lender for purposes of this agreement and shall no longer have any obligations hereunder. Upon the assumption of the Affected Lender's Individual Commitment as aforesaid by an Assenting Lender, Schedule A hereto shall be deemed to be amended to increase the Individual Commitment of such Assenting Lender by the amount of such assumption.

8.4 Indemnity Relating to Credits

Upon notice from either Agent to the Borrower (which notice shall be accompanied by a detailed calculation of the amount to be paid by the Borrower), the Borrower shall pay to such Agent or the Lenders such amount or amounts as will compensate such Agent or the Lenders (including, for certainty, the Issuing Lender) for any loss, cost or expense incurred by them:

- (a) in the liquidation or redeposit of any funds acquired by the Lenders to fund or maintain any portion of a LIBOR Loan as a result of:
 - (i) the failure of the Borrower to borrow or make repayments on the dates specified under this agreement or in any notice from the Borrower to the Processing Agent (provided that if any notice specifies the repayment of a LIBOR Loan at any time other than its maturity date, then the Borrower shall be responsible for any loss, costs or expenses referred to above); or
 - (ii) the repayment or prepayment of any amounts on a day other than the payment dates prescribed herein or in any notice from the Borrower to the Processing Agent (provided that if any notice specifies the repayment of a LIBOR Loan at any time other than its maturity date, then the Borrower shall be responsible for any loss, costs or expenses referred to above).
 - (b) with respect to any Letter, arising from claims or legal proceedings, and including reasonable legal fees and disbursements, respecting the collection of amounts owed by the Borrower hereunder in respect of such Letter or the enforcement of the Processing Agent or the Lenders' rights hereunder in respect of such Letter including, without limitation, legal proceedings attempting to restrain the Processing Agent or the Lenders from paying any amount under such Letter.

8.5 Indemnity for Transactional and Environmental Liability

- (a) The Borrower hereby agrees to indemnify and hold each Agent, each Lender, the Overdraft Lender, the Issuing Lender and each of their respective shareholders, officers, directors, employees, and agents (collectively, the **Indemnified Parties**) free and harmless from and against any and all claims, demands, actions, causes of action, suits, losses, costs, charges, liabilities and damages, and expenses in connection therewith (irrespective of whether such Indemnified Party is a party to the action for which indemnification hereunder is sought), and including, without limitation, reasonable legal fees and out of pocket disbursements and amounts paid in settlement which are approved by the Borrower (collectively in this Section 8.5(a), the **Indemnified Liabilities**), incurred or suffered by, or asserted against, the Indemnified Parties or any of them as a result of, or arising out of, or relating to (i) the extension of credit contemplated herein, (ii) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of any credit extended hereunder, (iii) any actual or threatened investigation, litigation or other proceeding relating to any credit extended or proposed to be extended as contemplated herein or (iv) the execution, delivery, performance or enforcement of the Credit Documents and any instrument, document or agreement executed pursuant hereto or thereto, except for any such Indemnified Liabilities that a court of competent jurisdiction determines arose on account of an Indemnified Party's gross negligence or willful misconduct.
- (b) Without limiting the generality of the indemnity set out in the preceding clause (a), the Borrower hereby further agrees to indemnify and hold the Indemnified Parties free and harmless from and against any and all claims, demand, actions, causes of action, suits, losses, costs, charges, liabilities and damages, and expenses in connection therewith, including, without limitation, reasonable legal fees and out of pocket disbursements and amounts paid in settlement which are approved by the Borrower, of any and every kind whatsoever paid (collectively in this Section 8.5(b), the **Indemnified Liabilities**), incurred or suffered by, or asserted against, the Indemnified Parties or any of them for, with respect to, or as a direct or indirect result of, (i) the presence on or under, or the escape, seepage, leakage, spillage, discharge, emission or release from, any real property legally or beneficially owned (or any estate or interest which is owned), leased, used or operated by any Obligor of any Hazardous Material, Contaminant, Pollutant or Waste, and (ii) any other violation of an Environmental Law by any Obligor, and regardless of whether caused by, or within the control of, such Obligor, except for any such Indemnified Liabilities that a court of competent jurisdiction determines arose on account of an Indemnified Party's gross negligence or willful misconduct.
- (c) All obligations provided for in this Section 8.5 shall survive indefinitely the permanent repayment of the outstanding credit hereunder and the termination of the Credit Agreement. The obligations provided for in this Section 8.5 shall not
-

-39-

- be reduced or impaired by any investigation made by or on behalf of either Agent or any of the Lenders.
- (d) The Borrower hereby agrees that, for the purposes of effectively allocating the risk of loss placed on the Borrower by this Section 8.5, each Agent and each Lender shall be deemed to be acting as the agent or trustee on behalf of and for the benefit of their respective shareholders, officers, directors, employees and agents.
 - (e) If, for any reason, the obligations of the Borrower pursuant to this Section 8.5 shall be unenforceable, the Borrower agrees to make the maximum contribution to the payment and satisfaction of each obligation that is permissible under applicable law.
 - (f) The indemnity under this Section 8.5 shall not apply to any matters specifically dealt with in Sections 8.2, 8.4, 8.6 or 11.1(f).

8.6 Gross-Up for Taxes

- (a) Any and all payments made by the Borrower under this agreement or under any other Credit Document (any such payment being hereinafter referred to as a **Payment**) to or for the benefit of either Agent or any Lender shall be made without set-off or counterclaim, and free and clear of, and without deduction or withholding for, or on account of, any and all present or future Taxes except to the extent that such deduction or withholding is required by law or the administrative practice of any Official Body. If any such Taxes are so required to be deducted or withheld from or in respect of any Payment made to or for the benefit of either Agent or any Lender, the Borrower shall:
 - (i) promptly notify the Processing Agent of such requirement;
 - (ii) pay to such Agent or Lender, as the case may be, in addition to the Payment to which such Agent or Lender is otherwise entitled, such additional amount as is necessary to ensure that the net amount actually received by such Agent or Lender (free and clear of, and net of, any such Taxes, including the full amount of any Taxes required to be deducted or withheld from any additional amount paid by the Borrower under this Section 8.6(a), whether assessable against the Borrower, such Agent or such Lender) equals the full amount such Agent or Lender, as the case may be, would have received had no such deduction or withholding been required;
 - (iii) make such deduction or withholding;
 - (iv) pay to the relevant Official Body in accordance with applicable law the full amount of Taxes required to be deducted or withheld (including the full amount of Taxes required to be deducted or withheld from any
-

-40-

additional amount paid by the Borrower to such Agent or Lender under this Section 8.6(a)), within the time period required by applicable law; and

- (v) as promptly as possible thereafter, forward to such Agent or Lender, as the case may be, an original official receipt (or a certified copy), or other documentation reasonably acceptable to such Agent or Lender, evidencing such payment to such Official Body.
 - (b) If either Agent or any Lender is subject to Taxes under Part XIII of the Tax Act (or any successor part) in respect of any Payment made by the Borrower but such Taxes are not levied by way of deduction or withholding (all such Taxes being **Non-Withheld Part XIII Taxes**), the Borrower shall pay to such Agent or Lender, as the case may be, at the time the Borrower makes such Payment and in addition to such Payment, such additional amount as is necessary to ensure that the total amount received by such Agent or Lender, as the case may be, is equal to the Payment plus the amount of Non-Withheld Part XIII Taxes exigible in respect of the aggregate of the Payment and the additional amount payable under this Section 8.6(b).
 - (c) In the case of a Lender that is a non-resident of Canada for the purposes of the Tax Act, Sections 8.6(a) and (b) shall apply only if such Lender becomes a Lender after the date hereof and has acquired its interest under the Credit Documents with the prior written consent of the Borrower or pursuant to an Assignment After Default.
 - (d) The Borrower hereby indemnifies and holds harmless each Agent and each Lender, on an after-Taxes basis, for the full amount of Taxes, including Non-Withheld Part XIII Taxes, interest, penalties and other liabilities, levied, imposed or assessed against (and whether or not paid directly by) such Agent or Lender, as applicable, and for all expenses, resulting from or relating to the Borrower's failure to:
 - (i) remit to such Agent or Lender the documentation referred to in Section 8.6(a)(v);
 - (ii) pay any Taxes when due to the relevant Official Body (including, without limitation, any Taxes imposed by any Official Body on amounts payable under this Section 8.6); or
 - (iii) pay to the such Agent or Lender any Non-Withheld Part XIII Taxes in accordance with Section 8.6(b), whether or not such Taxes were correctly or legally assessed. Either Agent or any Lender who pays any Taxes (other than Non-Withheld Part XIII Taxes), and either Agent or any Lender who pays any Non-Withheld Part XIII Taxes in excess of the amount (if any) paid by the Borrower on account thereof under Section 8.6(b), shall promptly notify the Borrower of such payment, provided, however, that failure to provide such notice shall not detract from, or compromise, the
-

obligations of the Borrower under this Section 8.6. Payment pursuant to this indemnification shall be made within 30 days from the date the relevant Agent or Lender, as the case may be, makes written demand therefor accompanied by a certificate as to the amount of such Taxes and the calculation thereof, which calculation shall be *prima facie* evidence of such amount.

- (e) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which a payment has been made under this Section 8.6, the relevant Lender or Agent, as applicable, shall, if so requested by the Borrower, cooperate with the Borrower in challenging such Taxes at the Borrower's expense.
 - (f) If any Lender or Agent, as applicable, receives a refund of, or credit for, Taxes for which a payment has been made by the Borrower under this Section 8.6, which refund or credit in the good faith judgment of such Lender or Agent, as the case may be, is attributable to the Taxes giving rise to such payment made by the Borrower, then such Lender or Agent, as the case may be, shall reimburse the Borrower for such amount (if any, but not exceeding the amount of any payment made under this Section 8.6 that gives rise to such refund or credit), net of out-of-pocket expenses of such Lender or Agent, as the case may be, which such Agent or Lender, as the case may be, determines in its absolute discretion will leave it, after such reimbursement, in no better or worse position than it would have been in if such Taxes had not been exigible. The Borrower, upon the request of either Agent or any Lender, agrees to repay such Agent or Lender, as the case may be, any portion of any such refund or credit paid over to the Borrower that such Agent or Lender, as the case may be, is required to pay to the relevant Official Body and agrees to pay any interest, penalties or other charges paid by such Agent or Lender, as the case may be, as a result of or related to such payment to such Official Body. Neither Agent nor any Lender shall be under any obligation to arrange its tax affairs in any particular manner so as to claim any refund or credit. Neither either Agent nor any Lender shall be obliged to disclose any information regarding its tax affairs or computations to the Borrower or any other Person in connection with this Section 8.6(f) or any other provision of this Section 8.6.
 - (g) The Borrower also hereby indemnifies and holds harmless each Agent and Lender, on an after-Taxes basis, for any additional taxes on net income that such Agent or Lender may be obliged to pay as a result of the receipt of amounts under this Section 8.6.
 - (h) Any Lender that is entitled to an exemption from or reduction of withholding tax or Non-Withheld Part XIII Taxes under the law of the jurisdiction in which the Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to Payments shall, at the request of the Borrower, deliver to the Borrower (with a copy to the Processing Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower or the Processing Agent, such properly completed and executed documentation prescribed by
-

-42-

applicable law (if any) as will permit such payments to be made without withholding or at a reduced rate of withholding or a reduced rate of Non-Withheld Part XIII Taxes. In addition, (i) any Lender, if requested by the Borrower or the Processing Agent, shall deliver such other documentation prescribed by applicable law (if any) or reasonably requested by the Borrower or the Processing Agent as will enable the Borrower or the Processing Agent to determine whether or not such Lender is subject to withholding or information reporting requirements, and (ii) any Lender that ceases to be, or to be deemed to be, resident in Canada for purposes of Part XIII of the Tax Act or any successor provision thereto in respect of Payments shall within five Business Days thereof notify the Borrower and the Processing Agent in writing. Notwithstanding the foregoing, no Lender shall be required to deliver any documentation pursuant to this Section 8.6(h) that such Lender is not legally able to deliver.

- (i) Additional amounts payable under Section 8.6(a) and Non-Withheld Part XIII Taxes payable under Section 8.6(b) have the same character as the Payments to which they relate. For greater certainty, for example, additional amounts payable under Section 8.6(a) or Non-Withheld Part XIII Taxes payable under Section 8.6(b), in respect of interest payable under a Credit Document, shall be payments of interest under such Credit Document. All payments made under this Section 8.6 shall be subject to the provisions of this Section 8.6.
- (j) The Borrower's obligations under this Section 8.6 shall survive without limitation the termination of the Credit Facility and this agreement and all other Credit Documents and the permanent repayment of the outstanding credit and all other amounts payable hereunder.
- (k) For purposes of this Section 8.6 Lenders shall include the Overdraft Lender and the Issuing Lender.

ARTICLE 9

REPAYMENTS AND PREPAYMENTS

9.1 Repayments

The Borrower shall repay to the Lenders in full the outstanding credit under the Credit Facility on the Maturity Date together with all accrued and unpaid interest thereon and all accrued and unpaid fees with respect thereto.

9.2 Voluntary Prepayments under Credit Facility

Subject to Section 9.3, the Borrower shall be entitled to prepay all or any portion of the outstanding Loans under the Credit Facility at any time, without penalty, provided that Section 8.4(a) shall be complied with in connection with any such prepayment. Amounts which are prepaid as aforesaid may be reborrowed.

9.3 Prepayment Notice

The Borrower shall give written notice to the Processing Agent of each voluntary prepayment pursuant to Section 9.2. Such notice (a **Prepayment Notice**) shall be irrevocable, shall be given in accordance with Section 3.10 and shall specify:

- (a) the date on which the prepayment is to take place; and
- (b) the type and principal amount of the Loan or the portion thereof which is to be prepaid.

9.4 Reimbursement or Conversion on Presentation of Letters

- (a) On presentation of a Letter and payment thereunder by the Issuing Lender, the Borrower shall forthwith pay to the Processing Agent for the account of the Issuing Lender, and thereby reimburse the Issuing Lender for, all amounts paid by the Issuing Lender pursuant to such Letter; failing such payment, the Borrower shall be deemed to have effected a conversion of such Letter into a Base Rate Canada Loan to the extent of the payment of the Issuing Lender thereunder.
- (b) If the Issuing Lender makes payment under any Letter and the Borrower does not fully reimburse the Issuing Lender on or before the date of payment, then Section 9.4(a) shall apply to deem a Base Rate Canada Loan to be outstanding to the Borrower under this agreement in the manner therein set out. Each Lender shall, on request by the Issuing Lender, immediately pay to the Issuing Lender an amount equal to such Lender's Pro Rata Share of the amount paid by the Issuing Lender such that each relevant Lender is participating in the deemed Base Rate Canada Loan in accordance with its Pro Rata Share.
- (c) Each Lender shall immediately on demand indemnify the Issuing Lender to the extent of such Lender's Pro Rata Share of any amount paid or liability incurred by the Issuing Lender under each Letter issued by it to the extent that the Borrower does not fully reimburse the Issuing Lender therefor.

9.5 Letters Subject to an Order

Subject to Section 13.2, the Borrower shall pay to the Issuing Lender an amount equal to the maximum amount available to be drawn under any unexpired Letter which becomes the subject of any Order; payment in respect of each such Letter shall be due forthwith upon demand.

9.6 Currency of Repayment

All payments and repayments of outstanding credit hereunder shall be made in the currency of such outstanding credit.

ARTICLE 10
REPRESENTATIONS AND WARRANTIES

10.1 Representations and Warranties

To induce the Lenders and the Agents to enter into this agreement and to induce the Lenders to extend credit hereunder, the Borrower hereby represents and warrants to the Lenders and the Agents, as of the date of this agreement, as of the date of each extension of credit hereunder and as of the last day of each Fiscal Quarter, as follows and acknowledges and confirms that the Lenders and the Agents are relying upon such representations and warranties in entering into this agreement and in extending credit hereunder:

- (a) **Status and Power of Subject Entities.** Each Subject Entity is a corporation duly incorporated and organized and validly subsisting in good standing under the laws of its jurisdiction of incorporation. Each Subject Entity is duly qualified, registered or licensed in all jurisdictions where the failure to do so would reasonably be expected to have a Material Adverse Effect. Each Subject Entity has all requisite corporate capacity, power and authority to own, hold under licence or lease its properties, to carry on its business as now conducted. Each Obligor has all requisite corporate capacity to enter into, and carry out the transactions contemplated by, the Credit Documents to which is a party.
 - (b) **Authorization and Enforcement.** All necessary action, corporate or otherwise, has been taken to authorize the execution, delivery and performance by each Obligor of the Credit Documents to which it is a party. Each Obligor has duly executed and delivered the Credit Documents to which it is a party. The Credit Documents to which each Obligor is a party are legal, valid and binding obligations of such Obligor, enforceable against such Obligor in accordance with its terms, except to the extent that the enforceability thereof may be limited by (i) applicable bankruptcy, insolvency, moratorium, reorganization and other laws of general application limiting the enforcement of creditors' rights generally, (ii) the fact that the courts may deny the granting or enforcement of equitable remedies and (iii) the fact that, pursuant to the *Currency Act* (Canada), no court in Canada may make an order expressed in any currency other than lawful money of Canada.
 - (c) **Compliance with Other Instruments.** The execution, delivery and performance by each Obligor of the Credit Documents to which it is a party, and the consummation of the transactions contemplated herein and therein, do not and will not conflict with, result in any material breach or violation of, or constitute a material default under, the terms, conditions or provisions of the charter or constating documents or by-laws of, or any shareholder agreement or declaration relating to, such Obligor or of any law, regulation, judgment, decree or order binding on or applicable to such Obligor or to which its property is subject or of any material agreement, lease, licence, permit or other instrument to which such Obligor is a party or is otherwise bound or by which such Obligor benefits or to
-

-45-

- which its property is subject and do not require the consent or approval of any Official Body or any other party.
- (d) **Financial Statements.** The consolidated financial statements of the Borrower for the most recently completed Fiscal Quarter or Fiscal Year, as the case may be, were prepared in accordance with generally accepted accounting principles and no Material Adverse Change has occurred in the condition, financial or otherwise, of the Borrower since the date of such financial statements. The consolidated balance sheet of the aforesaid financial statement presents a fair statement of the financial condition and assets and liability of the Borrower as at the date thereof and the consolidated statements of operations, retained earnings and cashflows contained in the aforesaid consolidated financial statements fairly presents the results of the operations of the Borrower throughout the period covered thereby. Except to the extent reflected or reserved against in the aforesaid balance sheet (including the notes thereto) and except as incurred in the ordinary and usual course of the business of the Borrower, the Borrower does not have any outstanding indebtedness or any liability or obligations (whether accrued, absolute, contingent or otherwise) of a material nature customarily reflected or reserved against in a balance sheet (including the notes thereto) prepared in accordance with generally accepted accounting principles.
- (e) **Litigation.** There are no actions, suits, inquiries, claims or proceedings (whether or not purportedly on behalf of any Subject Entity) pending or threatened in writing against or affecting any Subject Entity before any Official Body which in any case or in the aggregate could reasonably be expected to have a Material Adverse Effect.
- (f) **Title to Assets.** Each Subject Entity has good title to all of its material property, assets and undertaking, free from any Lien other than the Permitted Liens.
- (g) **Conduct of Business.** No Subject Entity is in violation of any agreement, mortgage, franchise, licence, judgment, decree, order, statute, statutory trust, rule or regulation relating in any way to itself or to the operation of its business or to its property or assets (including, without limitation, Environmental Laws) and which could reasonably be expected to have a Material Adverse Effect. Each Subject Entity holds all licenses, certificates of approval, approvals, registrations, permits and consents which are required to operate its businesses where they are currently being operated except where the failure to have such licenses, certificates of approval, approvals, registrations, permits and consents could not reasonably be expected to have a Material Adverse Effect.
- (h) **Outstanding Defaults.** No event has occurred which constitutes or which, with the giving of notice, lapse of time or both, would constitute a default under or in respect of any material agreement, undertaking or instrument to which any Subject Entity is a party or to which its respective property or assets may be subject, and which could reasonably be expected to have a Material Adverse Effect.
-

-46-

- (i) **Solvency Proceedings.** No Subject Entity has:
 - (i) admitted its inability to pay its debts generally as they become due or failed to pay its debts generally as they become due;
 - (ii) in respect of itself, filed an assignment or petition in bankruptcy or a petition to take advantage of any insolvency statute;
 - (iii) made an assignment for the benefit of its creditors;
 - (iv) consented to the appointment of a receiver of the whole or any substantial part of its assets;
 - (v) filed a petition or answer seeking a reorganization, arrangement, adjustment or composition in respect of itself under applicable bankruptcy laws or any other applicable law or statute of Canada, the United States or other applicable jurisdiction or any subdivision thereof; or
 - (vi) been adjudged by a court having jurisdiction a bankrupt or insolvent, nor has a decree or order of a court having jurisdiction been entered for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy of any Subject Entity with such decree or order having remained in force and undischarged or unstayed for a period of 30 days.
 - (j) **Tax Returns and Taxes.** Each Subject Entity has filed all material Tax returns and Tax reports required by law to have been filed by it and has paid all Taxes thereby shown to be owing, except any such Taxes which are being diligently contested in good faith by appropriate proceedings and for which adequate reserves in accordance with generally accepted accounting principles shall have been set aside on its books.
 - (k) **Expropriation.** There is no present or threatened (in writing) expropriation of the property or assets of any Subject Entity, which expropriation could reasonably be expected to have a Material Adverse Effect.
 - (l) **Environmental Compliance.**
 - (i) All facilities and property (including underlying groundwater) owned, leased, used or operated by any Company have been, and continue to be, owned or leased in compliance with all Environmental Laws where any such non-compliance could reasonably be expected to have a Material Adverse Effect;
 - (ii) There are no pending or threatened (in writing)
 - (A) claims, complaints, notices or requests for information received by any Company with respect to any alleged violation of any
-

-47-

Environmental Law which, if proved, could reasonably be expected to have a Material Adverse Effect;

(B) complaints, notices or inquiries to any Company regarding potential liability under any Environmental Law which liability could reasonably be expected to have a Material Adverse Effect;

- (iii) There have been no Releases of any Hazardous Materials or any escape, seepage, leakage, spillage, discharge, emission or release of any Contaminants, Pollutants or Waste at, on, under or from any property now or previously owned, operated, used or leased by any Company that, singly or in the aggregate, have, or could reasonably be expected to have, a Material Adverse Effect;
 - (iv) Each Company has been issued and is in compliance with all permits, certificates, approvals, licenses and other authorizations under any Environmental Laws to carry on its business except where any such non-issuance or non-compliance could not reasonably be expected to have a Material Adverse Effect; and
 - (v) No conditions exist at, on or under any property now or previously owned, operated, used or leased by any Company which, with the passage of time, or the giving of notice or both, would give rise to liability under any Environmental Law which liability could reasonably be expected to have a Material Adverse Effect.
- (m) **Material Operating Subsidiaries and Partnerships.** There are no Material Operating Subsidiaries other than as set forth in, and subject to, the last sentence of the definition thereof and those Material Operating Subsidiaries which are or will hereafter identified in compliance certificates delivered to the Processing Agent pursuant to Section 11.1(a)(iii). No Subject Entity is, directly or indirectly, a member of, or a partner or participant in, any partnership, joint venture or syndicate where the liability of the relevant Subject Entity arising from such partnership, joint venture or syndicate could reasonably be expected to have a Material Adverse Effect.
- (n) **Corporate Structure.** As at the date hereof, and hereafter, except as such information may change as a result of a transaction permitted hereby and reported to the Processing Agent in accordance with Section 11.1(a)(v), the chart attached hereto as Schedule G accurately sets out the corporate structure of the Borrower and all of its Subsidiaries and evidences (i) intercorporate share ownership and (ii) ownership of operating mines.
- (o) **Assets Insured.** The property and assets of each Subject Entity are insured with insurers, in amounts, for risks and otherwise which are reasonable in relation to such property and assets (subject to the amount of such deductibles as are reasonable and normal in the circumstances) against loss or damage, and there has
-

been no default or failure by the party or parties insured under the provisions of such policies of insurance maintained which would prevent the recovery by such Subject Entity insured thereunder of the full amount of any material insured loss.

- (p) **No Omissions.** None of the representations and statements of fact set forth in this Section 10.1 omits to state any material fact necessary to make any such representation or statement of fact not misleading in any material respect.

10.2 Survival of Representations and Warranties

All of the representations and warranties of the Borrower contained in Section 10.1 shall survive the execution and delivery of this agreement until all credit outstanding hereunder has been repaid in full and the Credit Facility has been terminated, notwithstanding any investigation made at any time by or on behalf of either Agent or any of the Lenders.

10.3 Title Representation Deemed Correct in Certain Circumstances

The representation and warranty in Section 10.1(f) is made by the Borrower as at the date hereof and thereafter shall for purposes of this agreement be deemed to be correct, except if the Administrative Agent has given the Borrower a notice in respect thereof as contemplated by Section 13.1(e).

ARTICLE 11 COVENANTS

11.1 Affirmative Covenants

Any amounts paid by the Administrative Agent as aforesaid shall be

reimbursed by the Lenders in their Pro Rata Shares and shall be repaid by the Borrower to the Administrative Agent on behalf of the Lenders on demand.

the Administrative Agent (with the approval and instructions of the Majority Lenders) may, by notice to the Borrower, terminate the Credit Facility (provided, however, that the Credit Facility shall automatically terminate, without notice of any kind, upon the occurrence of an event described in clause (c) or (d) above) and the Administrative Agent (with the approval and instructions of the Majority Lenders) may, by the same or further notice to the Borrower, declare all indebtedness of the Borrower to the Lenders pursuant to this agreement (including the then contingent liability of the Issuing Lender under all Letters) to be immediately due and payable whereupon all such indebtedness shall immediately become and be due and payable without further demand or other notice of any kind, all of which are expressly waived by the Borrower (provided, however, that all such indebtedness of the Borrower to the Lenders shall automatically become due and payable, without notice of any kind, upon the occurrence of an event described in clause (c) or (d) above). Upon the payment by the Borrower to the Issuing Lender of the then contingent liability under all outstanding Letters, the Borrower shall have no further liability to the Issuing Lender with respect to such Letters.

13.2 Refund of Overpayments

With respect to each Letter for which the Issuing Lender has been paid all of its contingent liability pursuant to Section 9.5 or 13.1 and provided that all amounts due by the Borrower to the Issuing Lender under Section 9.5 or 13.1 have been paid, the Issuing Lender agrees to pay to the Borrower, upon the later of:

 - (iii) (where the contingent liability under such Letter is less than the face amount thereof), all amounts possibly payable under such Letter have been paid;
-

-59-

an amount equal to any excess of the amount received by the Issuing Lender hereunder in respect of its contingent liability under such Letter over the total of amounts applied to reimburse the Issuing Lender for amounts paid by it under or in connection with such Letter (the Issuing Lender having the right to so appropriate such funds).

13.3 Remedies Cumulative

The Borrower expressly agrees that the rights and remedies of the Agents and the Lenders under this agreement are cumulative and in addition to and not in substitution for any rights or remedies provided by law. Any single or partial exercise by either Agent or any Lender of any right or remedy for a default or breach of any term, covenant or condition in this agreement does not waive, alter, affect or prejudice any other right or remedy to which such Agent or Lender may be lawfully entitled for the same default or breach. Any waiver by the Administrative Agent with the approval of the Majority Lenders or all of the Lenders in accordance with Section 14.14 of the strict observance, performance or compliance with any term, covenant or condition of this agreement is not a waiver of any subsequent default and any indulgence by the Lenders with respect to any failure to strictly observe, perform or comply with any term, covenant or condition of this agreement is not a waiver of the entire term, covenant or condition or any subsequent default. No failure or delay by either Agent or any Lender in exercising any right shall operate as a waiver of such right nor shall any single or partial exercise of any power or right preclude its further exercise or the exercise of any other power or right.

13.4 Set-Off

In addition to any rights now or hereafter granted under applicable law, and not by way of limitation of any such rights, each Agent and Lender is authorized, at any time that an Event of Default and has occurred and is continuing without notice to the Borrower or to any other Person, any such notice being expressly waived by the Borrower, to set-off, appropriate and apply any and all deposits, matured or unmatured, general or special, and any other indebtedness at any time held by or owing by such Agent or Lender to or for the credit of or the account of the Borrower against and on account of the obligations and liabilities of the Borrower which are due and payable to such Agent or Lender, as the case may be, under the Credit Documents.

ARTICLE 14 THE AGENTS

14.1 Appointment and Authorization of Agents

Each Lender hereby appoints and authorizes, and hereby agrees that it will require any assignee of any of its interests in the Credit Documents (other than the holder of a participation in its interests herein or therein) to appoint and authorize each Agent to take such actions as agent on its behalf and to exercise such powers under the Credit Documents as are delegated to such Agent by such Lender by the terms hereof, together with such powers as are reasonably incidental thereto. Neither Agent nor any of its directors, officers, employees or agents shall be liable to any of the Lenders for any action taken or omitted to be taken by it or them thereunder or in connection therewith, except for its own gross negligence or wilful

misconduct and each Lender hereby acknowledges that each Agent is entering into the provisions of this Section 14.1 on its own behalf and as agent and trustee for its directors, officers, employees and agents.

14.2 Interest Holders

Each Agent may treat each Lender set forth in Schedule A hereto or the Person designated in the last notice delivered to it under Section 15.5 as the holder of all of the interests of such Lender under the Credit Documents.

14.3 Consultation with Counsel

Each Agent may consult with legal counsel selected by it as counsel for such Agent and the Lenders and shall not be liable for any action taken or not taken or suffered by it in good faith and in accordance with the advice and opinion of such counsel.

14.4 Documents

Neither Agent shall be under any duty to the Lenders to examine, enquire into or pass upon the validity, effectiveness or genuineness of the Credit Documents or any instrument, document or communication furnished pursuant to or in connection with the Credit Documents and each Agent shall, as regards the Lenders, be entitled to assume that the same are valid, effective and genuine, have been signed or sent by the proper parties and are what they purport to be.

14.5 Agents as Lenders

With respect to those portions of the Credit Facility made available by it, each Agent shall have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not an Agent. Each Agent and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower and its Affiliates and Persons doing business with the Borrower and/or any of its Affiliates as if it were not an Agent and without any obligation to account to the Lenders therefor.

14.6 Responsibility of Agents

The duties and obligations of the Agents to the Lenders under the Credit Documents are only those expressly set forth herein. Neither Agent shall have any duty to the Lenders to investigate whether a Default or an Event of Default has occurred. Each Agent shall, as regards the Lenders, be entitled to assume that no Default or Event of Default has occurred and is continuing unless such Agent has actual knowledge or has been notified by the Borrower of such fact or has been notified by a Lender that such Lender considers that a Default or Event of Default has occurred and is continuing, such notification to specify in detail the nature thereof.

14.7 Action by Agents

Each Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights which may be vested in it on behalf of the Lenders by and under this agreement; provided, however, that the Administrative Agent shall not exercise any rights under Section 13.1 or under the Guarantee or expressed to be on behalf of or with the approval of the Majority Lenders without the request, consent or instructions of the Majority Lenders. Furthermore, any rights of the Administrative Agent expressed to be on behalf of or with the approval of the Majority Lenders shall be exercised by the Administrative Agent upon the request or instructions of the Majority Lenders. Neither Agent shall incur any liability to the Lenders under or in respect of any of the Credit Documents with respect to anything which it may do or refrain from doing in the reasonable exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its gross negligence or wilful misconduct. Each Agent shall in all cases be fully protected in acting or refraining from acting under any of the Credit Documents in accordance with the instructions of the Majority Lenders and any action taken or failure to act pursuant to such instructions shall be binding on all Lenders. In respect of any notice by or action taken by either Agent hereunder, the Borrower shall at no time be obliged to enquire as to the right or authority of such Agent to so notify or act.

14.8 Notice of Events of Default

In the event that either Agent shall acquire actual knowledge or shall have been notified of any Default or Event of Default, such Agent shall promptly notify the Lenders and shall take such action and assert such rights under Section 13.1 of this agreement and under the other Credit Documents as the Majority Lenders shall request in writing and neither Agent shall be subject to any liability by reason of its acting pursuant to any such request. If the Majority Lenders shall fail for five Banking Days after receipt of the notice of any Default or Event of Default to request either Agent to take such action or to assert such rights under any of the Credit Documents in respect of such Default or Event of Default, such Agent may, but shall not be required to, and subject to subsequent specific instructions from the Majority Lenders, take such action or assert such rights (other than rights under Section 13.1 of this agreement or under the other Credit Documents and other than giving an express waiver of any Default or any Event of Default) as it deems in its discretion to be advisable for the protection of the Lenders except that, if the Majority Lenders have instructed such Agent not to take such action or assert such rights, in no event shall such Agent act contrary to such instructions unless required by law to do so.

14.9 Responsibility Disclaimed

Neither Agent shall be under any liability or responsibility whatsoever as agent hereunder:

- (a) to the Borrower or any other Person as a consequence of any failure or delay in the performance by, or any breach by, any Lender or Lenders of any of its or their obligations under any of the Credit Documents;
-

-62-

- (b) to any Lender or Lenders as a consequence of any failure or delay in performance by, or any breach by, the Borrower of any of its obligations under any of the Credit Documents; or
- (c) to any Lender or Lenders for any statements, representations or warranties in any of the Credit Documents or in any other documents contemplated hereby or thereby or in any other information provided pursuant to any of the Credit Documents or any other documents contemplated hereby or thereby or for the validity, effectiveness, enforceability or sufficiency of any of the Credit Documents or any other document contemplated hereby or thereby.

14.10 Indemnification

The Lenders agree to indemnify each Agent (to the extent not reimbursed by the Borrower) in their respective Pro Rata Shares from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any nature whatsoever which may be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of any of the Credit Documents or any other document contemplated hereby or thereby or any action taken or omitted by such Agent under any of the Credit Documents or any document contemplated hereby or thereby, except that no Lender shall be liable to either Agent for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or wilful misconduct of such Agent.

14.11 Credit Decision

Each Lender represents and warrants to each Agent that:

- (a) in making its decision to enter into this agreement and to make its Pro Rata Share of the Credit Facility available to the Borrower, it is independently taking whatever steps it considers necessary to evaluate the financial condition and affairs of the Borrower and that it has made an independent credit judgment without reliance upon any information furnished by such Agent; and
- (b) so long as any portion of the Credit Facility is being utilized by the Borrower, it will continue to make its own independent evaluation of the financial condition and affairs of the Borrower.

14.12 Successor Agents

Subject to the appointment and acceptance of a successor Administrative Agent or Processing Agent, as the case may be, as provided below, the Administrative Agent or the Processing Agent, as the case may be, may, with the prior written consent of the Borrower (which consent shall not be required for so long as an Event of Default has occurred and is continuing), resign at any time by giving 30 days written notice thereof to the Borrower and the Lenders. Upon any such resignation, the Majority Lenders, with the prior written consent of the Borrower (which consent shall not be required (x) if the successor Agent is an Affiliate or Subsidiary of the retiring Agent on the date hereof or (y) for so long as an Event of Default has

-63-

occurred and is continuing), shall have the right to appoint a successor Agent who shall be one of the Lenders unless none of the Lenders wishes to accept such appointment. If no successor Agent shall have been so appointed and shall have accepted such appointment by the time of such resignation, then the retiring Agent may, on behalf of the Lenders and with the prior written consent of the Borrower (which consent shall not be required for so long as an Event of Default has occurred and is continuing), appoint a successor Agent which shall be a bank organized under the laws of Canada which has combined capital and reserves in excess of Cdn. \$250,000,000 and has an office in Toronto. Upon the acceptance of any appointment as Administrative Agent or Processing Agent, as the case may be, hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges, duties and obligations of the retiring Agent (in its capacity as Agent but not in its capacity as a Lender) and the retiring Agent shall be discharged from its duties and obligations hereunder (in its capacity as Agent but not in its capacity as a Lender). After any retiring Agent's resignation hereunder as the Administrative Agent or the Processing Agent, as the case may be, provisions of this Article 14 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as an Agent.

14.13 Delegation by Agents

Each Agent shall have the right to delegate any of its duties or obligations hereunder as Agent to any Affiliate of such Agent so long as such Agent shall not thereby be relieved of such duties or obligations.

14.14 Waivers and Amendments

- (a) Subject to Sections 14.14(b) (d) any term, covenant or condition of any of the Credit Documents may only be amended with the prior consent of the Borrower and the Majority Lenders or compliance therewith may be waived (either generally or in a particular instance and either retroactively or prospectively) by the Majority Lenders and in any such event the failure to observe, perform or discharge any such covenant, condition or obligation, so amended or waived (whether such amendment is executed or such consent or waiver is given before or after such failure), shall not be construed as a breach of such covenant, condition or obligation or as a Default or Event of Default.
 - (b) Notwithstanding Section 14.14(a), without the prior written consent of each Lender, no such amendment or waiver shall directly:
 - (i) increase the amount of the Credit Facility or the amount of the Individual Commitment of any Lender with respect to the Credit Facility;
 - (ii) extend the Maturity Date;
 - (iii) extend the time for the payment of interest on Loans, forgive any portion of principal thereof, reduce the stated rate of interest thereon or amend the requirement of pro rata application of all amounts received by the Processing Agent in respect of the Credit Facility;
-

-64-

- (iv) change the percentage of the Lenders requirement to constitute the Majority Lenders or otherwise amend the definition of Majority Lenders;
 - (v) reduce the stated amount or postpone the date for payment of any fees or other amount to be paid pursuant to Article 7 or Article 8 of this agreement;
 - (vi) permit any subordination of any of the Indebtedness of the Obligors under the Credit Documents;
 - (vii) release or discharge the Guarantee, in whole or in part; or
 - (viii) alter the terms of this Section 14.14, 14.16 or 14.17.
- (c) No amendment to or waiver of any provision hereof to the extent it affects the rights or obligations of either Agent, the Overdraft Lender or the Issuing Lender shall be effective without the prior written consent of such party.
- (d) Without the prior written consent of the Issuing Lender, no amendment to or waiver of Article 14 or any other provision hereof to the extent it affects the rights or obligations of the Issuing Lender shall be effective.

14.15 Determination by Agents Conclusive and Binding

Any determination to be made by either Agent on behalf of or with the approval of the Lenders or the Majority Lenders under this agreement shall be made by such Agent in good faith and, if so made, shall be binding on all parties, absent manifest error.

14.16 Adjustments among Lenders after Acceleration

- (a) The Lenders agree that, at any time after all indebtedness of the Borrower to the Lenders pursuant hereto has become immediately due and payable pursuant to Section 13.1 or after the cancellation or termination of the Credit Facility, they will at any time or from time to time upon the request of any Lender through the Administrative Agent purchase portions of the availments made available by the other Lenders which remain outstanding, and make any other adjustments which may be necessary or appropriate, in order that the amounts of the availments made available by the respective Lenders which remain outstanding, as adjusted pursuant to this Section 14.16, will be in the same proportions as their respective Pro Rata Shares thereof with respect to the Credit Facility immediately prior to such acceleration, cancellation or termination.
 - (b) The Lenders agree that, at any time after all indebtedness of the Borrower to the Lenders pursuant hereto has become immediately due and payable pursuant to Section 13.1 or after the cancellation or termination of the Credit Facility, the amount of any repayment made by the Borrower under this agreement, and the amount of any proceeds of the exercise of any rights or remedies of the Lenders under the Credit Documents, which are to be applied against amounts owing
-

hereunder as principal, will be so applied in a manner such that to the extent possible, the availments made available by the respective Lenders which remain outstanding, after giving effect to such application, will be in the same proportions as their respective Pro Rata Shares thereof with respect to the Credit Facility immediately prior to such acceleration, cancellation or termination.

- (c) For greater certainty, the Lenders acknowledge and agree that without limiting the generality of the provisions of Section 14.16(a) and (b), such provisions will have application if and whenever any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, compensation, or otherwise) on account of any monies owing or payable by the Borrower to it under the Credit Documents in excess of its pro rata share of payments on account of monies owing by the Borrower to all the Finance Parties thereunder.
- (d) The Borrower agrees to be bound by and to do all things necessary or appropriate to give effect to any and all purchases and other adjustments made by and between the Lenders pursuant to this Section 14.16.

14.17 Redistribution of Payment

If a Lender shall receive payment of a portion of the aggregate amount of principal and interest due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due in respect of the Credit Facility (having regard to the respective Individual Commitments of the Lenders), the Lender receiving such proportionately greater payment shall purchase a participation (which shall be deemed to have been done simultaneously with receipt of such payment) in that portion of the aggregate outstanding credit of the other Lender or Lenders so that the respective receipts shall be pro rata to their respective participation in the credits; provided, however, that if all or part of such proportionately greater payment received by such purchasing Lender shall be recovered from the Borrower, such purchase shall be rescinded and the purchase price paid for such participation shall be returned by such selling Lender or Lenders to the extent of such recovery, but without interest.

14.18 Distribution of Notices

Except as otherwise expressly provided herein, promptly after receipt by either Agent of any notice or other document which is delivered to such Agent hereunder on behalf of the Lenders, such Agent shall provide a copy of such notice or other document to each of the Lenders.

-66-

14.19 Entering into Contracts. Each Lender hereby irrevocably authorizes the Administrative Agent to enter into the Guarantee as agent for and on behalf of such Lender and Borrower hereby expressly acknowledges the authority of the Administrative Agent to enter into the Guarantee.

**ARTICLE 15
MISCELLANEOUS**

15.1 Notices

All notices and other communications provided for herein shall be in writing and shall be personally delivered to an officer or other responsible employee of the addressee or sent by telefacsimile, charges prepaid, at or to the applicable addresses or telefacsimile numbers, as the case may be, set out opposite the parties name on the signature page hereof or at or to such other address or addresses, telefacsimile number or numbers as any party hereto may from time to time designate to the other parties in such manner. Any communication which is personally delivered as aforesaid shall be deemed to have been validly and effectively given on the date of such delivery if such date is a Banking Day and such delivery was received before 4:00 p.m. (Vancouver time); otherwise, it shall be deemed to have been validly and effectively given on the Banking Day next following such date of delivery. Any communication which is transmitted by telefacsimile as aforesaid shall be deemed to have been validly and effectively given on the date of transmission if such date is a Banking Day and such transmission was received before 4:00 p.m. (Vancouver time); otherwise, it shall be deemed to have been validly and effectively given on the Banking Day next following such date of transmission.

15.2 Severability

Any provision hereof which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

15.3 Counterparts

This agreement may be executed and delivered in one or more original or faxed signed counterparts, each of which shall be deemed to be an original and all of which taken together shall be deemed to constitute one and the same instrument.

15.4 Successors and Assigns

This agreement shall enure to the benefit of and shall be binding upon the parties hereto and their respective successors and permitted assigns.

15.5 Assignment

- (a) Neither the Credit Documents nor the benefit thereof may, without the consent of each Lender, be assigned by the Borrower.
-

-67-

- (b) A Lender may at any time sell to one or more other persons (**Participants**) participating interests in any credit outstanding hereunder, any commitment of the Lender hereunder or any other interest of the Lender hereunder. In the event of any such sale by a Lender of a participating interest to a Participant, the Lender's obligations under this agreement to the Borrower shall remain unchanged, the Lender shall remain solely responsible for the performance thereof and the Borrower shall continue to be obligated to the Lender in connection with the Lender's rights under this agreement. The Borrower agrees that if amounts outstanding under this agreement are due and unpaid, or shall have been declared to be or shall have become due and payable upon the occurrence of an Event of Default, or any Default which might mature into an Event of Default, each Participant shall be deemed to have the right of setoff in respect of its participating interest in amounts owing under this agreement to the same extent as if the amount of its participating interest were owing directly to it as the relevant Lender under this agreement. The Borrower also agrees that each Participant shall be entitled to the benefits of Article 8 with respect to its participation hereunder; provided, that no Participant shall be entitled to receive any greater amount pursuant to such Article than the Lender with the relevant Individual Commitment at the date hereof would have been entitled to receive in respect of the amount of the participation transferred by such Lender to such Participant had no such transfer occurred.
- (c) With the prior written consent of (i) the Borrower (which consent shall not be required (x) if such sale is to one or more other Lenders or to an Affiliate of any Lender and such assignment would not impose at the time of the assignment on the Borrower any liability under Section 8.6 or (y) in circumstances where an Event of Default has occurred and is continuing), (ii) the Issuing Lender, (iii) the Overdraft Lender and (iv) the Agents, a Lender may at any time sell all or any part of its rights and obligations under the Credit Documents (but not less than the lesser of (x) U.S.\$5,000,000 and (y) the entirety of its Individual Commitment) to one or more Persons (**Purchasing Lenders**), provided that such consent is not required in the case of the sale by a Schedule II Lender to its Affiliate that is listed in Schedule III to the *Bank Act* (Canada). Upon such sale, the Lender shall, to the extent of such sale, be released from its obligations under the Credit Documents and each of the Purchasing Lenders shall become a party to the Credit Documents to the extent of the interest so purchased. Any such assignment by a Lender shall not be effective unless and until such Lender has paid to the Processing Agent an assignment fee in the amount of U.S.\$3,500 for each Purchasing Lender, unless and until the Purchasing Lender has executed an instrument substantially in the form of Schedule C hereto whereby the Purchasing Lender has agreed to be bound by the terms of the Credit Documents as a Lender and has agreed to specific Individual Commitments and a specific address and telefacsimile number for the purpose of notices as provided in Section 15.1, unless and until the requisite consents to such assignment have been obtained, unless and until a copy of a fully executed copy of such instrument has been delivered to each Agent and the Borrower. Upon any such assignment becoming effective, Schedule A hereto shall be deemed to be amended to include the
-

-68-

Purchasing Lender as a Lender with the specific Individual Commitment, address and telefacsimile number as aforesaid and the Individual Commitment of the Lender making such assignment shall be deemed to be reduced by the amount of the Individual Commitment of the Purchasing Lender.

- (d) The Borrower authorizes each Agent and the Lenders to disclose to any Participant or Purchasing Lender (each, a **Transferee**) and any prospective Transferee and authorizes each of the Lenders to disclose to any other Lender any and all financial information in their possession concerning the Borrower which has been delivered to them by or on behalf of the Borrower pursuant to this agreement or which has been delivered to them by or on behalf of the Borrower in connection with their credit evaluation of the Obligors prior to becoming a party to this agreement, so long as any such Transferee agrees not to disclose any confidential, non-public information to any Person other than its non-brokerage affiliates, employees, accountants or legal counsel, unless required by law.

15.6 Entire Agreement

This agreement and the agreements referred to herein and delivered pursuant hereto constitute the entire agreement between the parties hereto and supersede any prior agreements, undertakings, declarations, representations and understandings, both written and verbal, in respect of the subject matter hereof (including, without limitation, the Engagement Letter).

15.7 Further Assurances

The Borrower shall from time to time and at all times hereafter, upon every reasonable request of either Agent, make, do, execute, and deliver or cause to be made, done, executed and delivered all such further acts, deeds, assurances and things as may be necessary in the opinion of such Agent for more effectually implementing and carrying out the true intent and meaning of the Credit Documents or any agreement delivered pursuant hereto and thereto.

15.8 Judgment Currency

- (a) If, for the purpose of obtaining or enforcing judgment against the Borrower in any court in any jurisdiction, it becomes necessary to convert into a particular currency (such currency being hereinafter in this Section 15.8 referred to as the **Judgment Currency**) an amount due in another currency (such other currency being hereinafter in this Section 15.8 referred to as the **Indebtedness Currency**) under this agreement, the conversion shall be made at the rate of exchange prevailing on the Banking Day immediately preceding:
- (i) the date of actual payment of the amount due, in the case of any proceeding in the courts of the Province of Ontario or in the courts of any other jurisdiction that will give effect to such conversion being made on such date; or
-

-69-

- (ii) the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the date as of which such conversion is made pursuant to this Section 15.8(a)(ii) being hereinafter in this Section 15.8 referred to as the **Judgment Conversion Date**).
 - (b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 15.8(a)(ii), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual payment of the amount due, the Borrower shall pay to the appropriate judgment creditor or creditors such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Indebtedness Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date.
 - (c) Any amount due from the Borrower under the provisions of Section 15.8(b) shall be due to the appropriate judgment creditor or creditors as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of this agreement.
 - (d) The term **rate of exchange** in this Section 15.8 means the noon spot rate of exchange for Canadian interbank transactions applied in converting the Indebtedness Currency into the Judgment Currency published by the Bank of Canada for the day in question.
