STMicroelectronics to Initiate Stock Repurchase Program

Geneva, March 1, 2002 - STMicroelectronics (NYSE: STM) announced today that it  
plans to buy back up to 4 million shares of its outstanding common stock. The  
repurchased shares will be allocated to the options granted under the current  
employee stock option plan.

## Edgar Filing: STMICROELECTRONICS NV - Form 6-K

The implementation of the share purchase program, which is expected to begin immediately, has been entrusted to a financial institution which will at all times act independently from the Company. Share purchases may be made from time to time, on the open market, through block trades or otherwise, depending on market conditions or other factors. The repurchase program may be suspended at any time or from time to time, without prior notice.
