(b) This Tender Offer Statement on Schedule TO relates to an offer by the Company to exchange all options outstanding under the Riverstone Networks, Inc. 2000 Equity Incentive Plan (Amended and Restated) (the Stock Option Plan) to purchase shares of the Company s common stock, par value \$0.01 per share (the Common Stock), granted to current employees of Riverstone and subsidiaries of Riverstone (other than directors and executive officers of Riverstone), for replacement options to purchase shares of Common Stock to be granted under the Stock Option Plan, upon the terms and subject to the conditions described in the Offer to Exchange and the related Election/Rejection/Change in Election Form (the Election Form) and, together with the Offer to Exchange, as they may be amended from time to time, the Offer), attached hereto as Exhibits (a)(1) and (a)(2), respectively. If the exercise price per share under the employee s option is less than \$2.50, the number of shares of common stock subject to the replacement option granted to the employee will be determined by using a 1-for-1 exchange ratio (that is, one replacement option share for one tendered option share). If the exercise price per share under the employee s option is greater than or equal to \$2.50 but less than \$5.00, the number of shares of common stock subject to the replacement option granted to the employee will be determined by using a 1-for-1.5 exchange ratio (that is, one replacement option share for one and one-half tendered option shares). If the exercise price per share under the employee option is greater than or equal to \$10.00, the number of shares of common stock subject to the replacement option granted to the employee will be determined by using a 1-for-4 exchange ratio (that is, one replacement option share for four tendered option shares). No fractional shares will be subject to the replacement options and any fractional amounts resulting from the applicable exchange ratio will be rounded down to the nearest whole share. Alternatively, if the employee holds an option with an exercise price per share greater than or equal to \$10.00, the employee may elect to receive a cash payment equal to \$0.50 multiplied by $\frac{1}{4}$ of the aggregate number of shares underlying the tendered option (rounded down to the nearest whole share), less any applicable withholding taxes or charges. If the employee tenders any options, such employee must exchange all options which were granted to such employee within six months prior to October 15, 2002 (the initial date of the Offer), regardless of the exercise price per share underlying such options, and all options with an exercise price per share greater than or equal to \$5.00.
