PROXY STATEMENT
for
Annual Meeting of Shareholders
February 27, 2003

We are sending you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote your shares at our 2003 annual meeting of shareholders. The annual meeting will be held on February 27, 2003 at 10:00 a.m., local time, at our corporate offices at 720 Pennsylvania Drive, Exton, Pennsylvania. We began mailing this proxy statement and the proxy card on or about January 16, 2003.

ABOUT THE MEETING

Who can vote?

You can vote if, as of the close of business on December 23, 2002, you were a shareholder of record of our common stock. On that date, 12,701,013 shares of our common stock were outstanding and entitled to vote. We do not have any other classes of voting stock outstanding other than our common stock. Each share of common stock is entitled to one vote, and there are no cumulative voting rights when voting for directors.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of a majority of the outstanding shares as of the record date must be present to hold the annual meeting. Abstentions from voting and broker "non-votes" will be counted toward a quorum. A broker "non-vote" occurs when the nominee holding a shareholder's shares does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the shareholder.

What vote is required and what is the method of calculation?

The nominees for director who receive a plurality of the shares of common stock present or represented by proxy at the annual meeting will be elected. Approval of each other matter to be voted on at the annual meeting requires the affirmative vote of a majority of the shares of our common stock present or represented and entitled to vote at the annual meeting. Abstentions or broker "non-votes" will not be counted for or against matters to be acted on at the annual meeting.

What matters will be voted on?

Our Board does not intend to bring any other matters before the annual meeting except the matter listed in the notice, and the Board is not aware of anyone else who will submit any other matters to be voted on. However, if any other matters properly come before the annual meeting, the people named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

How do I vote by proxy?

When you return your properly signed and dated proxy card prior to the annual meeting, your shares will be voted in accordance with your instructions marked on the proxy card. If you sign your proxy card but do not specify how you want your shares to be voted, they will be voted as recommended by the Board of Directors.

Can I change my vote after I return my proxy card?

Yes. You can change or revoke your proxy at any time before the annual meeting either by notifying our Secretary in writing or by sending another executed proxy dated later than the first proxy card. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares held beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

Can I vote in person at the annual meeting instead of voting by proxy?

Yes. However, we encourage you to complete and return the enclosed proxy card to ensure that your shares are represented and voted. If you attend the annual meeting in person, you may then vote in person even though you returned your proxy card.

Who pays for this proxy solicitation?

We do. We will pay all costs in connection with the meeting, including the cost of preparing, assembling and mailing proxy materials, handling and tabulating the proxies returned, and charges of brokerage houses, nominees and fiduciaries in forwarding proxy materials to our beneficial owners. In addition to the mailing of the proxy materials, our directors, officers and employees, as well as a professional proxy solicitation organization, may also solicit proxies in person or by telephone, telegraph, teletype or online. We will reimburse their expenses for doing this.

Who Can Help Answer Your Questions?

If you have questions about the annual meeting or would like additional copies of this proxy statement, you should contact our Chief Financial Officer, James J. Reilly, 720 Pennsylvania Drive, Exton, Pennsylvania 19341, telephone (610) 646-9800.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers (as defined under Section 16(a) of the Securities Exchange Act), directors and persons who own greater than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on a review of the forms we have received and on written representations from certain reporting persons that no such forms were required for them, we believe that during fiscal 2002, all of the Section 16(a) filing requirements applicable to our officers, directors and 10% beneficial owners were complied with by such persons.

ELECTION OF DIRECTORS

(Item 1 on Proxy Card)

At the annual meeting, the shareholders will elect three Class III directors to hold office until the annual meeting of shareholders in 2006 and until their respective successors have been duly elected and qualified. The

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

Board is divided into three classes serving staggered three-year terms, the term of one class of directors to expire each year. 1934, as amended, except to the extent that we specifically incorporate this information by reference. The following report shall not otherwise be deemed filed under such Acts.

REPORT OF THE COMPENSATION COMMITTEE

The compensation committee of the board of directors is composed of three non-employee directors. The compensation committee is responsible for setting and administering the policies that govern annual executive salaries, bonuses and stock ownership programs. The compensation committee annually evaluates the performance, and determines or recommends to the full board the compensation, of the Chief Executive Officer, or CEO, and our other executive officers based upon a mix of the achievement of corporate goals, individual performance and comparisons with other companies that are similar to us in terms of size and character.

The goals of the compensation committee with respect to executive officers, including the CEO, are to provide compensation designed to attract, motivate and retain executives of outstanding ability and potential and to align the interest of executive officers with the interests of our shareholders. We seek to provide incentives for superior individual performance by paying competitive compensation, and to base a significant portion of compensation upon our performance. To meet these goals, the compensation committee has adopted a mix among the compensation elements of salary and stock option grants with exercise prices set at the fair market value at the time of grant.

The compensation committee also considers salary and other compensation data from an analysis of certain comparable companies, and from relevant industry survey(s), for similar executive positions. Bonuses are awarded on a company-wide basis upon the achievement of corporate milestones. In awarding stock options that are reviewed annually, the compensation committee considers individual performance, overall contribution to us, officer retention and the total number of stock options to be awarded.

The compensation committee determined that for fiscal year 2002 (the twelve months ended September 30, 2002) the salary of the Chief Executive Officer would continue to be \$300,000 on an annual basis. There were no cash incentive compensation payments or stock option grants in fiscal year 2002.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a federal income tax deduction for certain compensation exceeding \$1,000,000 paid to the CEO or any of the other named executive officers, excluding, among other things, certain performance-based compensation. Through September 30, 2001, this provision has not affected our tax deductions, and the compensation committee believes that, at the present time, it is unlikely that the compensation paid to any of our employees in a taxable year will exceed \$1,000,000. The compensation committee intends to continue to evaluate the effects of the statute and any applicable regulations and to comply with Internal Revenue Code Section 162(m) in the future to the extent consistent with our best interests.

The Company's executive compensation program is designed to link the performance of management to accomplishing both short and long-term goals, building shareholder value, and personal contribution to the business. The individual elements are understandable and together provide compensation that is well suited for the Company. The management team understands the linkage of operating performance, personal contribution to the business, and their own compensation.

The following report of the audit committee will not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference. The following report shall not otherwise be deemed filed under such.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is composed of three non-employee directors. The role of the Audit Committee is to assist our Board in its oversight of our financial reporting process. The Board, in its business judgment, has determined that each director is "independent" as required by the listing standards of the Nasdaq National Market. The Committee operates pursuant to a charter, a copy of which is attached to the Proxy Statement. As set forth in the charter, management of the company is responsible for the preparation, presentation and integrity of our financial statements, our accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the audited financial statements for the year ended September 30, 2002 with management of the Company and its independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

considered whether the provision of non-audit services by the independent auditors is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

Based upon the review, reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the charter, the Audit Committee recommended to the board of directors that the audited financial statements for the year ended September 30, 2002 be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2002 as filed with the Securities and Exchange Commission.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING AND OTHER MATTERS

Shareholders wishing to submit proposals for inclusion in the proxy statement for the 2004 Annual Meeting of Shareholders must submit such proposals to us at 720 Pennsylvania Drive, Exton, PA 19341, Attention: James J. Reilly, on or before September 15, 2003. In order for the proposal to be included in the proxy statement, the shareholder submitting the proposal must meet certain eligibility standards and comply with the procedures established by the SEC as set forth in Rule 14a-8 of the Securities Exchange Act of 1934.

On May 21, 1998, the Securities and Exchange Commission adopted an amendment to Rule 14a-4, issued under the Securities Exchange Act of 1934. The amendment to Rule 14a-4(c)(1) governs a company's use of discretionary proxy voting authority for a shareholder proposal which the shareholder has not sought to include in our proxy statement. The amendment provides that if a proponent of a proposal fails to notify a company at least 45 days prior to the month and day of mailing of the prior year's proxy statement (or any date specified in an advance notice provision), then the management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement. With respect to our 2004 Annual Meeting of Shareholders, if we are not provided notice of a shareholder proposal, which the shareholder has not previously sought to include in our proxy statement, by December 2, 2003, the management proxies will be allowed to use their discretionary authority.

As of the date of this proxy statement, the Board knows of no other business which may properly be and is likely to be brought before the annual meeting. If a shareholder proposal that was excluded from this proxy statement in accordance with Rule 14a-8 of the Securities Act or our by-laws is properly brought before the annual meeting, it is intended that the proxy holders will use their discretionary authority to vote the proxies against said proposal. If any other matters should arise at the annual meeting, shares represented by proxies will be voted at the discretion of the proxy holders.

On April 3, 2002, we dismissed Arthur Andersen LLP ("Arthur Andersen") as our independent public accounts. On April 15, 2002, we engaged Deloitte & Touche LLP to serve as our independent public accountants for the fiscal year

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

2002. The appointment of Deloitte & Touche LLP was effective immediately. The decision by the Board to replace Arthur Andersen with Deloitte & Touche LLP was based on the recommendation of our Audit Committee and approved by the Board.

The reports of Arthur Andersen on our consolidated financial statements for each of the years ended September 30, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended September 30, 2001 and 2000, there were no disagreements with Arthur Andersen on any matter of accounting principles of practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304 (a) (1) (v) of Regulation S-K.

During our fiscal years ended September 30, 2000 and 2001, and through the subsequent interim period prior to engaging Deloitte & Touche LLP in April 2002, we did not consult Deloitte & Touche LLP regarding any of the items described in Item 304(a)(2) of Regulation S-K.

A representative of Deloitte & Touche, LLP is expected to be present at the meeting and will have an opportunity to make a statement if he or she so desires. The representative will also be able to respond to appropriate questions from shareholders.

Audit services provided by Deloitte & Touche, LLP for fiscal 2002 included an audit of the consolidated financial statements of the company and services related to filings made with the Securities and Exchange Commission. The aggregate fees billed by Deloitte & Touche, LLP in connection with services rendered during fiscal 2002 were:

Audit Fees.....	\$100,000
Financial Information Systems Design and Implementation Fees \$	--
All Other Fees(1).....	\$ 47,403

Total.....	\$147,403

(1) "All Other Fees" charged by Deloitte & Touche, LLP for non-audit services included \$27,403 for income tax compliance and consulting work.

AUDIT COMMITTEE CHARTER

Purpose

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the Company's financial reporting process, the Company's systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention and shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Committee are in place to represent the Company's shareholders, and the outside auditor is ultimately accountable to the Board and the Committee as such representatives of shareholders. It is the responsibility of the Committee to maintain free and open means of communication between the Board, the outside auditor and the financial management and internal auditors of the Company.

The Committee shall review the adequacy of this Charter on an annual basis.

Membership

The Committee shall be comprised of not less than three members of the Board, and the Committee's composition will meet the requirements of (i) the Audit Committee policy of the Nasdaq Stock Market as set forth in Rule 4460(d) of the NASD Manual as modified or supplemented from time to time and (ii) meet the independence requirements of Section 10A(m)(3) of the Securities and Exchange Act of 1934 (the "Exchange Act") and the rules and regulations of the Commission. Accordingly, all of the members of the Committee will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company;
2. Are not affiliates of the Company;
3. Do not receive any payments from the Company other than in the capacity as director; and
4. Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee.

In addition, at least one member of the Committee will be a financial expert as defined by the Securities and Exchange Commission.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a Chairman of the Committee is elected by the full Board, the members of the Committee may designate a Chairman of the Committee by majority vote of the full Committee Membership.

Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. Minutes of each meeting of the Committee should be recorded by the Secretary to the Committee. Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Committee may also act by unanimous written consent without a meeting. As part of its job to foster open communication, the Committee should meet at least annually with management and

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should

15

be discussed privately. In addition, the Committee or at least its Chairman should meet with the independent accountants and management quarterly to review the Company's financials consistent with #2 below. The Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Key Responsibilities

The Committee's job is one of oversight, and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the outside auditor is responsible for auditing those financial statements pursuant to professional standards. Additionally, the Committee recognizes that financial management has more time, knowledge and detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances.

1. The Committee shall review with management and the outside auditor the audited financial statements to be included in the Company's Annual Report on Form 10-K (or the Annual Report to Shareholders if distributed prior to the filing of the Form 10-K) prior to the filing of the Form 10-K or, if deemed appropriate, prior to a year-end earnings release. The Committee shall review and consider with the outside auditors all matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, as amended by FAS No. 90, by auditors with audit committees.

2. As a whole, or through the Committee chair, the Committee shall review with the outside auditor the Company's interim financial results to be included in the Company's quarterly reports to be filed with Securities and Exchange Commission and the matters required to be discussed by SAS No. 61, as amended by SAS No. 90 with respect to quarterly financial statements. Such review will occur prior to the Company's filing of the Form 10-Q or, if deemed appropriate, prior to quarterly earnings releases.

3. Review disclosures made to the Committee by the Company's CEO and CFO during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

4. The Committee shall:

(a) request from the outside auditor annually a formal written statement delineating all relationships between the auditor and the Company consistent with Independence Standards Board Standard No. 1;

(b) discuss with the outside auditor any disclosed relationships or services which may impact the outside auditor's objectivity or independence;

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

and

(c) recommend that the Board take appropriate action in response to the outside auditor's report to satisfy itself of the auditor's independence.

5. The Committee shall have the sole authority to appoint or replace the independent auditor (subject, if applicable, to shareholder ratification). The Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Committee.

16

6. The Committee shall preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the company by its independent auditor, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted nonaudit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full Committee at its next scheduled meeting.

7. Review and discuss quarterly reports from the independent auditors on:

(a) All critical accounting policies and practices to be used.

(b) All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor.

(c) Other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.

8. Periodically consult with the independent accountants, out of the presence of management, about internal controls and the fullness and accuracy of the organization's financial statements.

9. Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditing firm itself on a regular basis.

10. Recommend to the Board policies for the Company's hiring of employees or former employees of the independent auditor who participated in any capacity in the audit of the Company.

11. Discuss with management the Company's use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussing the types of information to be disclosed and the types of presentations to be made).

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

12. Establish regular and separate systems of reporting to the Committee by each of management, the independent accountants, and the internal auditors regarding any significant judgments made in management's preparation of the financial statements, and the view of each as to appropriateness of such judgments.

13. Following completion of the annual audit, review separately with each of management and the independent accountants any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information.

14. Review any significant disagreement among management and the independent accountants in connection with the preparation of the financial statements.

15. Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

16. Establish, review, and update periodically a Code of Ethical Conduct, and ensure that management has established a system to enforce this Code.

17. Review and approve any transactions between the Company and its officers, directors or 5% shareholders.

17

18. The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

Reporting Responsibility

The minutes of the Committee reflecting, among other things, all actions taken by the Committee, shall be distributed to the Board at the next Board meeting following the meeting of the Committee that is the subject of such minutes.

The Committee shall prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement.
