On July 17, 2007, the Board of Directors elected Robert B. Carter to fill the resulting vacancy, effective immediately. Mr. Carter also has been elected to the Board of Directors of the Corporation's subsidiary, First Tennessee Bank National Association (the Bank). Mr. Carter was placed in Class II of the Corporation's Board. Mr. Carter will stand for election to the Board of the Corporation by the shareholders at the April 2008 annual meeting.

(4) The Bank and its subsidiaries have entered into lending transactions in the ordinary course of business with the Corporation's executive officers, directors, and their associates, and they expect to have such transactions in the future. Such transactions have been on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others and have not involved more than the normal risk of collectibility or presented other unfavorable features. From time to time, the Bank and its broker-dealer subsidiaries may sell securities either as agent or as principal to, and the Bank and its subsidiaries have other banking transactions (including but not limited to deposit accounts and loan-related interest rate swaps) with, the Corporation's executive officers and directors and their associates in the ordinary course of business on terms substantially similar to those available to members of the general public. The Corporation's executive officers and directors and their associates do not derive any special benefits from such transactions.

(5) Mr. Carter will be eligible to participate in the Corporation's compensation plans and programs for non-employee directors. Additional information concerning the Corporation's plans and programs for non-employee directors is provided in the following previously-filed materials, all of which are incorporated into this item by reference:
