We adopted FASB 160, Non-Controlling Interests in Consolidated Financial Statements an Amendment of ARB No. 51, on January 1, 2009. Prior to the adoption of FASB 160, we reported minority interest within liabilities on our Consolidated Statements of Financial Condition. FASB 160 requires an entity to clearly identify and present ownership interests in subsidiaries held by parties other than the entity in the consolidated financial statements within the equity section but separate from the entity's equity and, accordingly, we now present non-controlling interests within stockholders' equity, separately from our own equity. FASB 160 also requires that revenues, expenses, net income or loss, and other comprehensive income or loss be reported in the consolidated financial statements at the consolidated amounts, which includes amounts attributable to both owners of the parent and noncontrolling interests. Net income or loss and other comprehensive income or loss shall then be attributed to the parent and noncontrolling interest. Prior to the adoption of FASB 160, we recorded minority interest in earnings (loss) of consolidated subsidiaries in the determination of net earnings (loss). These changes were reflected in the financial statements included in our Quarterly Report on Form 10-Q for the first quarter of 2009, filed with the SEC on May 8, 2009.

We have recast certain prior financial statements to retrospectively reflect the adoption of FASB 160. In addition, these recast financial statements reflect the retrospective application of FSP EITF 03-6-1, Determining Whether Instruments Granted in Share-Based Payment Transactions Are Participating Securities, also adopted on January 1, 2009. Under FSP EITF 03-6-1, net earnings are allocated among common shareholders and participating securities based on their right to share in earnings. The adoption of FSP EITF 03-6-1 reduced previously reported Diluted EPS. See Note 12 to the recast financial statements filed with this report for an explanation of the calculation of earnings per share under FSP EITF 03-6-1.

We have also recast the related Management's Discussion and Analysis of Financial Condition and Results of Operations and Selected Financial Information for the five years ended December 31, 2008. The Financial Statements, Management's Discussion and Analysis of Financial Condition and Results of Operations and Selected Financial Information included in this Current Report on Form 8-K supersede those included in our Annual Report on Form 10-K for the year ended December 31, 2008, filed with the SEC on February 27, 2009.
