Item 1.01. Entry into a Material Definitive Agreement

On August 26, 2009, Intermountain Community Bancorp (the Company) executed a definitive Purchase and Sale Agreement (the Purchase Agreement) with Sandpoint Center, LLC and Sandpoint Center II, LLC (collectively, the Purchaser) to sell the Company s headquarters building, the Sandpoint Center, and the affiliated parking lot located at 414 Church Street, Sandpoint, Idaho (collectively, the Building) for \$24.8 million. The sale of the Building to the Purchaser under the Purchase Agreement closed on August 28, 2009.

In conjunction with the Building sale, Panhandle State Bank (PSB), a wholly owned subsidiary of the Company, loaned the Purchaser approximately \$21.1 million of the purchase price for the Building. In addition, PSB executed an agreement to lease the Building from the Purchaser (the Lease) for initial rent of approximately \$1.6 million per year and an initial term of 20 years with three successive PSB options to extend the lease for an additional 10 years each. Because of the financing terms offered by PSB, the lease will be treated as a capital lease utilizing the financing method for accounting purposes.

As previously disclosed, the Building secures indebtedness of the Company to Pacific Coast Bankers Bank under loan facilities of \$9.0 million and \$3.0 million, with a third \$11.0 million loan facility secured by a certificate of deposit in the same amount. The Company will use the proceeds from the sale of the Building to pay off all of the loans outstanding with Pacific Coast Bankers Bank, which will cause the \$11 million certificate of deposit to become unrestricted. The Company has entered into an agreement with PSB to contribute to PSB as additional capital at least \$7.7 million of the \$11 million that will become unrestricted funds upon payoff of the Company s indebtedness to Pacific Coast Bankers Bank, which would bolster PSB s tangible equity and regulatory capital position, and has further agreed to set aside and reserve approximately \$1.5 million of the sale proceeds to cover certain obligations of PSB under the Lease. The Company will use any remaining funds from the Building sale or the release of the previously restricted \$11 million for general corporate purposes.
