### **Item 2.05 Costs Associated with Exit or Disposal Activities**

On October 9, 2009, Mindspeed Technologies, Inc. (the Company) committed to the implementation of a restructuring plan. The plan consists primarily of a facilities consolidation and secondarily of a targeted headcount reduction. The restructuring plan is expected to be substantially completed during the fiscal first quarter of 2010. The Company made the decision to implement the restructuring in furtherance of its efforts to consolidate facilities and to continue to reallocate resources from certain selling, general and administrative functions to research and development. The Company currently expects to incur total special charges and to make cash expenditures ranging from approximately \$0.9 million to \$1.0 million resulting from these actions, primarily related to the impairment of a portion of the Company's headquarters in Newport Beach, California.

### **Item 2.06 Material Impairments**

The disclosure set forth under Item 2.05 above is incorporated herein by reference.

### **Safe Harbor Statement**

This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Exchange Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such statements include statements regarding the Company's expectations, goals or intentions, including but not limited to, statements regarding expected operating expense levels, amount of special charges and cash expenditures and timing for completing the restructuring plan. These forward-looking statements are based on management's current expectations, estimates, forecasts and projections about the Company and are subject to risks and uncertainties that could cause actual results and events to differ materially from those stated in the forward-looking statements. These risks and uncertainties include, but are not limited to: cash requirements and terms and availability of financing; future operating losses; worldwide political and economic uncertainties, and specific conditions in the markets we address; fluctuations in the price of our common stock and our operating results; loss of or diminished demand from one or more key customers or distributors; our ability to utilize our net operating loss carryforwards and certain other tax attributes; our ability to attract and retain qualified personnel; constraints in the supply of wafers and other product components from our third-party manufacturers; doing business internationally; pricing pressures and other competitive factors; successful development and introduction of new products; our ability to successfully and cost effectively establish and manage operations in foreign jurisdictions; industry consolidation; order and shipment uncertainty; our ability to obtain design wins and develop revenues from them; lengthy sales cycles; the expense of and our ability to defend our intellectual property against infringement claims by others; product defects and bugs; and business acquisitions and investments. Additional risks and uncertainties that could cause the Company's actual results to differ from those set forth in any forward-looking statement are discussed in more detail under "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Quarterly Report on Form 10-Q for the quarter ended July 3, 2009, as well as similar disclosures in the Company's subsequent SEC filings. Forward-looking statements contained in this Current Report on Form 8-K are made only as of the date hereof, and the Company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
