CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act), including, in particular, statements about future events, future financial performance, plans, strategies, expectations, prospects, competitive environment, regulation and availability of raw materials. Forward-looking statements include all statements that are not historical facts and can be identified by the use of forward-looking terminology such as the words may, will, expect, anticipate, believe, estimate, plan, the negative of these terms or similar expressions. We have based these forward-looking statements on our current views with respect to future events and financial performance. Our actual financial performance could differ materially from those projected in the forward-looking statements due to the inherent uncertainty of estimates, forecasts and projections, and our financial performance may be better or worse than anticipated. Given these uncertainties, you should not put undue reliance on any forward-looking statements.

Forward-looking statements represent our estimates and assumptions only as of the date that they were made. We do not undertake any duty to update the forward-looking statements, and the estimates and assumptions associated with them, except to the extent required by applicable securities laws. All of the forward-looking statements are qualified in their entirety by reference to the factors discussed in Item 1A under Risk Factors and elsewhere in our Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and our other filings with the SEC. These risk factors may not be exhaustive as we operate in a continually changing business environment with new risks emerging from time to time that we are unable to predict or that we currently do not expect to have a material adverse effect on our business. You should carefully read those reports in their entirety as they contain important information about our business and the risks we face. See *Where You Can Find More Information* and *Incorporation of Certain Information by Reference* herein.

RISK FACTORS

Before you invest in the securities covered by this prospectus, you should carefully consider the factors discussed in Item 1A under Risk Factors and elsewhere in our Annual Report on Form 10-K for the year ended December 31, 2008, the subsequent Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, June 30 and September 30, 2009, and the cautionary notes regarding forward-looking statements included or incorporated by reference in this prospectus, together with all of the other information included in this prospectus and the documents we incorporate by reference. See *Where You Can Find More Information* and *Incorporation of Certain Information by Reference* herein.

If any of the risks described in these reports or other documents were to materialize, our business, results of operations, cash flows, financial condition and prospects could be materially and adversely affected. In that case, our ability to make distributions to our stockholders may be reduced, the trading price of our common stock could decline and you could lose all or part of your investment.

INFORMATION ABOUT THE DPS DIRECT INVEST PROGRAM

The following questions and answers explain and constitute the governing document for DPS Direct Invest.

1. What is DPS Direct Invest?

DPS Direct Invest is a convenient direct stock purchase and dividend reinvestment program available for new investors to make an initial investment in our common stock and for existing stockholders to increase their holdings

Table of Contents

of our common stock. Participants in the program may elect to have dividends automatically reinvested in our DPS common stock and/or to make optional cash investments through our program administrator, Computershare.

Participation in DPS Direct Invest is entirely voluntary, and we give no advice regarding your decision to join the program. If you decide to participate in this program, an enrollment form and reply envelope are enclosed for your convenience. Enrollment forms are also available by contacting Computershare at the address listed in Question 23.

2. What options are available under the program?

DPS Direct Invest allows participants to:

open a program account with an initial investment of as little as \$250 by check, or by authorizing automatic deductions from a United States (U.S.) bank account;

have all or part of your DPS common stock dividends automatically reinvested at no cost in additional shares of DPS common stock;

increase your holdings of our common stock under the program by making additional investments of as little as \$50, including the option to make automatic purchases by authorizing deductions from a U.S. bank account;

purchase our common stock in whole dollar amounts, rather than a specific quantity of shares, with the appropriate number of full and fractional shares credited to your DPS Direct Invest account;

make gifts of stock to family members and others at no charge by transferring DPS common stock to another account, new or old, or by making an initial investment;

sell your DPS common stock;

have your ownership of common stock maintained on Computershare's records in book-entry form; and

receive regular statements indicating activity in your program account.

Please refer to Question 8 for additional information regarding dividend reinvestment options and Question 9 for further information regarding the methods of making additional cash investments.

Please retain all account statements for your records. The statements contain important tax and other information.

3. Who is eligible to participate in DPS Direct Invest?

Any person or entity is eligible to enroll in DPS Direct Invest provided that the enrollment procedures are satisfied as described below. **In the case of citizens or residents of a country other than the U.S., its territories and possessions, you can participate in DPS Direct Invest, provided there are no laws or governmental regulations that would prohibit you from participating or laws or governmental regulations that would affect the terms of DPS Direct Invest. We reserve the right to terminate participation of any stockholder if we deem it advisable under any laws or regulations.** All program funds must be in U.S. funds and drawn on a U.S. bank. If you are not in the U.S., contact your bank to verify that they can provide you with a check that clears through a U.S. bank and can print the dollar amount in U.S. funds. Due to the longer clearance period, we are unable to accept checks clearing through non-U.S. banks. Please contact your local bank for details on how to make the transaction.

4. How does a DPS stockholder enroll in the program?

If you are already a DPS stockholder of record (that is, if you own shares that are registered in your name, not your broker's name) but you are not enrolled in DPS Direct Invest, you may enroll in the program simply by

Table of Contents

completing and returning the enclosed enrollment authorization form to Computershare or by calling Computershare directly at 1-877-745-9312. You may obtain additional enrollment authorization forms at any time upon request to Computershare.

5. I already own shares, but they are held by my bank or broker and registered in street name. Can I use those shares to participate in the program?

Yes. To become a participant, you may choose from among the following three options:

If your shares of our common stock are registered in the name of a bank, broker or other nominee, you may arrange for that bank, broker or nominee to register at least one share directly in your name in order to become eligible to participate in DPS Direct Invest. Once at least one share is registered in your name, you can complete an enrollment authorization form as described in Question 4.

If your shares of our common stock are registered in the name of a bank, broker or other nominee, you may make arrangements to have your bank, broker or nominee participate in DPS Direct Invest on your behalf.

You may enroll in the program in the same manner as someone who is not currently a DPS stockholder, as described in Question 6.

6. I am not currently a DPS stockholder. How do I enroll in DPS Direct Invest?

If you do not currently own any DPS common stock and you wish to become a stockholder and a participant in DPS Direct Invest, you may enroll in the program by completing an initial enrollment form, and making an initial investment of at least \$250 but no more than \$100,000. To make your initial investment, you may either:

include with your initial investment form, a check made payable to Computershare Dr Pepper Snapple Group in an amount equal to at least \$250;

authorize a one-time online investment of at least \$250; or

authorize automatic deductions of not less than \$50 per transaction from a U.S. bank account for at least five consecutive purchases. Automatic deductions will continue indefinitely, beyond the initial five purchases, until you notify Computershare through Computershare's website, www.computershare.com/investor, or in writing that the automatic deductions are to stop. An authorization form for automatic deductions is included with the initial investment form.

Additionally, a one time enrollment fee of \$15 will be charged to enroll in DPS Direct Invest if you are not already a DPS stockholder.

7. Are there costs associated with participation?

If you are not already a DPS stockholder at the time you enroll in DPS Direct Invest, you will be charged a one time enrollment fee of \$15. You will incur no service fees or processing fees for purchases you make under DPS Direct Invest. We will pay all costs of purchases of the shares and administration of the program. If you instruct Computershare to sell some or all of your shares, you will be charged a service fee and a per share processing fee. Per share processing fees may include any brokerage commissions Computershare is required to pay. See Question 18

How may I sell shares I hold through DPS Direct Invest? for more information.

8. What are the dividend reinvestment options?

As a participant in the program, you may elect to reinvest all, part or none of the dividends on your DPS common stock for the purchase of additional shares. The options available to you are as follows:

Full Dividend Reinvestment. If you select this option, Computershare will apply all of your dividends on all DPS common stock registered in your name toward the purchase of more shares of DPS common stock.

Partial Dividend Reinvestment. If you select this option, Computershare will pay you dividends in cash on the number of shares of DPS common stock that you specify on your enrollment form and apply the balance of your dividends toward the purchase of more shares of DPS common stock.

All Dividends Paid in Cash (No Dividend Reinvestment). If you select this option, your dividends will not be reinvested. Instead, you will receive payment by check or automatic deposit (at your option) for all of your cash dividends.

Computershare will continue to reinvest your dividends as you have indicated on your enrollment form until you specify otherwise. You may change your election at any time by either completing and submitting a new enrollment form or by contacting Computershare directly at 1-877-745-9312 or online at www.computershare.com/investor. No matter which reinvestment option you have selected, you may make optional cash investments as described in Question 9.

9. How do I make an additional investment?

You may make optional cash investments by choosing among the following three options:

Check Investment. You may make optional cash investments in our common stock by sending to Computershare a check for the purchase of additional shares. The check must be made payable to Computershare Dr Pepper Snapple Group in U.S. dollars and drawn on a U.S. bank. If you are not in the U.S., contact your bank to verify that it can provide you with a check that clears through a U.S. bank and can print the dollar amount in U.S. funds. Due to the longer clearance period, we are unable to accept checks clearing through non-U.S. banks. Computershare will not accept cash, money orders, traveler's checks or third party checks. All checks should be sent to Computershare at the address listed on the tear-off form section attached to each account statement you receive, or if making an investment when enrolling, with your enrollment form.

Online Investment. At any time, participants may make optional cash investments through Computershare's website, www.computershare.com/investor, and authorizing a one-time online bank debit from an account at a U.S. bank or financial institution. You should refer to the online confirmation for the account debit date and investment date.

Automatic Investment from a Bank Account. As an alternative to sending checks, you may elect to have funds automatically withdrawn from your checking or savings account at a U.S. bank. You may elect the automatic deduction option by completing and signing a direct debit authorization form and returning this form to Computershare, together with a voided blank check or savings account deposit slip for the bank account from which the funds are to be withdrawn. Additional authorization forms are available through Computershare. You may also enroll online through www.computershare.com/investor. Your authorization form for automatic deductions will be processed and will become effective as promptly as practical. You should allow four to six weeks for the first investment to be initiated using this automatic deduction feature. Once automatic deductions begin, funds will be withdrawn from your bank account on either the first or fifteenth day of each month, or

both (at your option), or the next business day if either of those days is not a business day. Those funds normally will be invested within five business days. You may change the amount of money or terminate

Table of Contents

automatic deductions by completing and submitting to Computershare a new direct debit authorization form or online at www.computershare.com/investor. To be effective for a particular investment date, Computershare must receive your new instructions at least six business days before the investment date. See Question 12 for information regarding investment dates.

10. What are the minimum and maximum amounts for additional investments?

In addition to increasing your holdings of DPS common stock through the reinvestment of dividends, you may make optional cash investments in DPS common stock at any time. Your optional cash investment must be at least \$50 up to a maximum of \$100,000 in any calendar year. Whether participating through the use of a check, one-time online investment, or through the automatic deduction feature, the \$50 minimum per transaction applies. If you are not a DPS stockholder and are a first-time investor in the program, your initial investment must be for at least \$250 and cannot exceed \$100,000. See Question 6 for additional information regarding an initial investment.

Optional cash investments will be returned to you upon your request provided that Computershare receives your request at least two business days prior to the investment date.

11. What is the source of DPS common stock purchased through the program?

At our option, shares may be purchased in the open market through a registered broker-dealer or directly from DPS. DPS currently anticipates that shares will be purchased in the open market. Share purchases in the open market may be made on any stock exchange where DPS common stock is traded or by negotiated transactions on terms as Computershare may reasonably determine. Neither DPS nor any participant will have any authority or power to direct the date, time or price at which shares may be purchased, or the selection of the broker or dealer through or from whom purchases are to be made.

12. When will shares be purchased under the program?

General. Direct purchases from DPS of authorized but unissued shares of DPS common stock will be made on the relevant investment date. Purchases on the open market will begin on the investment date and will be completed no later than 30 days from such date, except where completion at a later date is necessary or advisable under any applicable federal securities laws.

Optional Cash Investments. Computershare will normally invest any initial and additional cash investments by check, online investment, or by automatic deductions from a U.S. bank account, towards the purchase of DPS common stock no later than five business days after receipt of the investment. Computershare will determine the actual investment date for initial and additional cash investments.

Dividend Reinvestments. The investment date for reinvested cash dividends will be the dividend payment date. If the investment date falls on a date when the NYSE is closed, the investment date will be the next day that the NYSE is open. If Computershare receives your enrollment form requesting reinvestment of dividends on or before the record date established for a particular dividend, reinvestment will commence with that dividend. Dividend record dates for dividends which may be declared on DPS common stock and the related payment dates are announced by press release and posted on our website, at www.drpeppersnapplegroup.com under the Investor Center caption.

If your enrollment form is received after the record date for a particular dividend, the reinvestment of dividends will begin on the dividend payment date following the next record date if you are a participant in DPS Direct Invest.

Table of Contents

13. At what price will shares be purchased?

For shares purchased on the open market, the price will be the weighted average of the purchase price of all shares purchased for the program for that investment date.

For shares purchased directly from DPS, the price will be the average of the high and low sales prices of the common stock on the NYSE during regular trading hours for that investment date. If no trading in DPS common stock occurs on the NYSE for that date, we will determine your price per share on the basis of market quotations as we deem appropriate.

14. Will fractional shares be purchased?

Yes. If any dividend or optional cash investment is not sufficient to purchase a whole share of DPS common stock, a fractional share equivalent will be credited to your account. All fractional shares are rounded to six decimal places.

15. How are payments with insufficient funds handled?

In the event that any check, authorized electronic funds transfer or other deposit is returned unpaid for any reason, or your predesignated U.S. bank account does not have sufficient funds for an automatic debit, Computershare will consider the request for investment of that purchase null and void and will immediately remove from your account any shares already purchased in anticipation of receiving those funds. If the net proceeds from the sale of those shares are insufficient to satisfy the balance of the uncollected amounts, Computershare may sell additional shares from your account as necessary to satisfy the uncollected balance. There is a \$25 fee for any check or other deposit that is returned unpaid by your bank and for any failed automatic deduction from your predesignated U.S. bank account. This fee will be collected by Computershare through the sale of the number of shares from your DPS Direct Invest account necessary to satisfy the fee.

16. Will interest be paid on the program accounts?

No. Interest will not be paid on amounts held pending investment.

17. Who will hold the additional shares purchased through DPS Direct Invest?

We are a participant in the Direct Registration System (DRS). DRS is a method of recording shares of stock in book-entry form. Shares purchased through DPS Direct Invest will be credited in book-entry form to your account on Computershare s records. The number of shares (including fractional interests) credited to your account will be shown on each account statement.

18. How may I sell shares I hold through DPS Direct Invest?

You have two choices when making a sale, depending on how you submit your sale request, as follows:

Market Order: A market order is a request to sell shares promptly at the current market price. Market order sales are only available at www.computershare.com/investor through Investor Centre or by calling Computershare directly at 1-877-745-9312. Market order sales requests received at www.computershare.com/investor through Investor Centre or by telephone will be placed promptly upon receipt during market hours (normally 9:30 a.m. to 4:00 p.m. Eastern Time). Any orders received after 4:00 p.m. Eastern Time will be placed promptly on the next day the market is open. The proceeds for each share sold will be the current market price obtained by Computershare s broker, minus a processing fee of \$0.12 per share sold.

Each market order sale will also incur a service fee of \$25.

Table of Contents

Batch Order: A batch order is an accumulation of all sales requests for a security submitted together as a collective request. Batch orders are submitted on each market day, assuming there are sales requests to be processed. Sale instructions for batch orders received by Computershare will be processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading and sufficient market liquidity exists. Batch order sales are available at www.computershare.com/investor, through Investor Centre or by calling Computershare directly at 1-877-745-9312. All sales requests with an anticipated market value of \$100,000 or more are expected to be submitted in writing. All sales requests received in writing will be submitted as batch order sales. To maximize cost savings for batch order sales requests, Computershare will seek to sell shares in round lot transactions. For this purpose Computershare may combine each selling DPS Direct Invest participant's shares with those of other selling participants. In every case of a batch order sale, the proceeds to each selling DPS Direct Invest participant for each share sold will be the weighted average sale price obtained by Computershare's broker for each aggregate order placed by Computershare and executed by the broker, minus a processing fee of \$0.12 per share sold. Each batch order sale will also incur a service fee of \$15. All per share processing fees include any brokerage commissions Computershare is required to pay.

Computershare may, for various reasons, require a transaction request to be submitted in writing. Participants should contact Computershare to determine if their particular request, including any sales request, must be submitted in writing. Computershare reserves the right to decline to process a sale if it determines, in its sole discretion, that supporting legal documentation is required. In addition, no one will have any authority or power to direct the time or price at which shares for the program are sold, and no one, other than Computershare, will select the broker(s) or dealer(s) through or from whom sales are to be made.

You should be aware that the price of DPS common stock may rise or fall during the period between a request for sale, its receipt by Computershare and the ultimate sale on the open market. Instructions sent to Computershare to sell shares are binding and may not be rescinded.

If you elect to sell shares online at www.computershare.com/investor through Investor Centre, you may utilize Computershare's international currency exchange service to convert your sale proceeds to your local currency prior to being sent to you. Receiving your sales proceeds in a local currency and having your check drawn on a local bank avoids the timely and costly collection process required for cashing U.S. dollar checks. This service is subject to additional terms and conditions and fees, which you must agree to online.

19. Can I transfer shares that I hold in the program to someone else?

Yes. You may transfer ownership of some or all of your shares held through DPS Direct Invest. You may call Computershare at 1-877-745-9312 for complete transfer instructions. You also may download transfer instructions at www.computershare.com/investor. You will be asked to send to Computershare written transfer instructions. Your signature on the written transfer instructions must be Medallion Guaranteed by a financial institution. Most banks and brokers participate in the Medallion Guarantee program. The Medallion Guarantee program ensures that the individual signing is in fact the owner of the participant's shares. A notary is not sufficient.

You may transfer shares to new or existing DPS stockholders. If you transfer less than one whole share, a new DPS Direct Invest account may not be opened for the transferee. If the transferee is not already a participant in DPS Direct Invest and you transfer more than one whole share, an account will be opened in the name of the transferee and he or she will automatically be enrolled in the program. If the transferee is not already a participant in DPS

Table of Contents

Direct Invest, the account will be enrolled under the full reinvestment option unless you specify differently. The transferee may change the investment option after the transfer has been made as described in Question 21.

You may not pledge any shares of common stock held in your DPS Direct Invest account as collateral for a loan or other obligation. If you wish to pledge shares held in your DPS Direct Invest account, you must first withdraw the number of shares you propose to pledge from your account.

20. I've just moved. How can I request a change of address or update other personal data?

It is important that our records contain your most up-to-date personal data. If you need to request a change of address or update other personal data, please call Computershare at 1-877-745-0312, write to Computershare at the address listed in Question 23, or update your information online through Investor Centre at www.computershare.com/investor.

21. How may I change my dividend reinvestment option or discontinue reinvesting my dividends?

You may change dividend reinvestment options by calling Computershare directly at 1-877-745-9312, instructing Computershare in writing at its address listed in Question 23, online at www.computershare.com/investor or by submitting to Computershare a new election on an enrollment form. To be effective for a specific dividend, any change must be received by Computershare before the record date for that dividend. See Question 12 for information regarding record dates.

You may discontinue reinvestment of cash dividends at any time by calling or writing to Computershare. If Computershare receives your request to discontinue dividend reinvestment near a record date for a dividend, Computershare may either pay the dividend in cash or reinvest it under the program on the next investment date on your behalf. If reinvested, Computershare may sell the shares purchased and send the proceeds to you, less any service fee, processing fee and any other costs of sale. After processing your request to discontinue dividend reinvestment, any shares credited to your account under DPS Direct Invest will continue to be held in book-entry form. Dividends on any shares held in book-entry form will be paid in cash by check or direct deposit (at your option). To receive cash dividends by direct deposit, see Question 22.

22. May I receive dividend payments by direct deposit?

Yes. Through the program's direct deposit feature, instead of receiving dividend checks, you may elect to have your cash dividends paid by electronic funds transfer to your U.S. bank account on the dividend payment date. To receive dividends by direct deposit, you must complete, sign and return to Computershare an authorization form for direct deposit. You may obtain this form by calling Computershare directly at 1-877-745-9312. You also may elect direct deposit at www.computershare.com/investor through Investor Centre.

Authorization forms for direct deposit will be processed and will become effective as promptly as practicable after receipt of the form by Computershare. You may change your designated bank account for direct deposit or discontinue this feature at any time by submitting to Computershare a new authorization form for direct deposit, through the Internet, or by written instruction to Computershare.

23. Who administers DPS Direct Invest? How do I contact them?

At Computershare's website, you can access your share balance, sell shares, and obtain online forms and other information about your account.

24. What reports will I receive?

Easy to read statements of your account activity will be sent to you after each transaction, which will simplify your record keeping. Each account statement will show the amount invested, the purchase or sale price, the number of shares purchased or sold and any applicable service fees, as well as any activity associated with share deposits or withdrawals. Please notify Computershare promptly either in writing or by telephone if your address changes. In addition, you will receive copies of the same communications sent to all other holders of DPS common stock, such as annual reports and proxy statements. You also will receive any U.S. Internal Revenue Service (IRS) information returns, if required.

Please retain all account statements for your records. The statements contain important tax and other information.

25. What if DPS issues a stock dividend or declares a stock split?

Any stock dividends or split shares of DPS common stock distributed by DPS on shares credited to your account will be credited to your account. You will receive a statement indicating the number of shares earned as a result of the transaction.

26. How do I vote my program shares at stockholders' meetings?

Each stockholder entitled to vote at a meeting of stockholders is sent either a notice containing instructions on how to access our proxy statement and our annual report online or a printed copy of our proxy materials before the meeting. You are encouraged to read the proxy statement carefully. You may vote online or by phone or by returning the signed, dated proxy material. The proxies will vote the shares in accordance with your instructions. Fractional shares will not be voted.

27. Can DPS Direct Invest be changed?

While DPS Direct Invest is intended to continue indefinitely, DPS reserves the right to suspend or terminate the program at any time. DPS also reserves the right to make modifications to the program. You will be notified of any such suspension, termination or modification.

Table of Contents

Computershare also may terminate your DPS Direct Invest account if you do not own at least one whole share. In the event that your program account is terminated for this reason, a check for the cash value of the fractional share based upon the then-current market price, less any service fee, any processing fees and any other costs of sale will be sent to you and your account will be closed.

Any questions of interpretation that may arise under the program will be determined by DPS and such determination will be final.

28. What are the responsibilities of DPS and Computershare under the program?

Neither DPS nor Computershare will be liable for any act or omission to act, which was done in good faith, including any claim of liability arising out of the failure to cease reinvestment of dividends for a participant's account upon the participant's death prior to receipt of notice in writing of the death along with a request to cease dividend reinvestment from a qualified representative of deceased, the prices at which shares are purchased or sold for participants' accounts, the times when purchases or sales are made, or fluctuations in the market value of DPS common stock.

You should recognize that neither DPS nor Computershare can assure you of a profit or protect you against a loss on shares purchased through the program.

Although DPS currently contemplates the continuation of quarterly dividends, the payment and amount of dividends is subject to the discretion of our Board of Directors and will depend upon future earnings, the financial condition of DPS and other factors.

29. What are the federal income tax consequences of participating in the program?

This is a general discussion of the U.S. federal income tax consequences of the program. You should consult your own tax advisor with respect to the tax consequences of participation in the program (including foreign, federal, state, local and other tax laws and U.S. tax withholding laws) applicable to your particular situation.

Cash dividends reinvested under the program will be taxable for U.S. federal income tax purposes as having been received by you even though you have not actually received them in cash. The total amount of dividends earned by you during the year, whether or not they are reinvested, will be reported to you and the IRS on IRS Form 1099-DIV shortly after the close of each year.

In addition, when Computershare purchases shares for your account on the open market rather than directly from DPS, you must include in your gross income, as an additional dividend, your allocable share of any brokerage commissions paid by DPS on such open market purchase. This amount will be reported to you and the IRS on IRS Form 1099-DIV shortly after the end of each year. Your tax basis in these shares will be the cost of the shares plus your allocable share of brokerage commissions paid by DPS.

You will not realize gain or loss for U.S. federal income tax purposes upon a transfer of shares to your program account or the withdrawal of whole shares from your account. You will, however, generally realize gain or loss upon the receipt of cash for a fractional share that you elect to withdraw from your account. You will also realize gain or loss when shares are sold. The amount of gain or loss will be the difference between the amount that you receive for the shares sold and your tax basis in the shares (generally, the amount you paid for the shares, plus allocable brokerage commissions paid by DPS). In order to determine the tax basis for shares in your account, you should retain all account statements.

Table of Contents

Dividends of a nonresident foreign stockholder generally will be subject to withholding of U.S. federal income tax at a 30% rate or such lower rate as may be specified by an applicable income tax treaty. If you are a nonresident foreign stockholder whose dividends are subject to U.S. federal income tax withholding, the amount of the tax to be withheld will be deducted from the amount of dividends, and your election regarding dividend reinvestment will apply to the net amount of dividends remaining after such deduction for tax withholding.

Dividends paid on shares in the program accounts, and proceeds from a sale of shares, may be subject to the backup withholding provisions of the Internal Revenue Code of 1986, as amended (Internal Revenue Code). If you fail to furnish a properly completed Form W-9 or its equivalent or are otherwise subject to backup withholding, Computershare must withhold and pay over to the IRS a withholding tax at the rate (currently 28%) prescribed by Section 3406 of the Internal Revenue Code from the amount of dividends, the proceeds of the sale of a fractional share, and the proceeds of any sale of whole shares, unless you are exempt from backup withholding.

ITEM 15. *Indemnification of Directors and Officers*

Set forth below is a description of certain provisions of the Amended and Restated Certificate of Incorporation (the Certificate of Incorporation) of Dr Pepper Snapple Group, Inc. (the Company) and the Delaware General Corporation Law (the DGCL). This description is intended as a summary only and is qualified in its entirety by reference to the Certificate of Incorporation and the DGCL.

Delaware General Corporation Law

Section 145 of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership or other enterprise, against all expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by them in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the corporation and, with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe their conduct was unlawful. Section 145 further provides that a corporation similarly may indemnify any such person serving in any such capacity who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor, against expenses (including attorneys fees) actually and reasonably incurred in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made against expenses in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Certificate of Incorporation

Limitation on Liability of Directors

Pursuant to authority conferred by Section 102 of the DGCL, Article Seventh of our Certificate of Incorporation eliminates the personal liability of directors to us or our stockholders for monetary damages for breach of fiduciary duty, including, without limitation, directors serving on committees of our board of directors, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL.

II-1

Table of Contents

Indemnification and Insurance

In accordance with Section 145 of the DGCL, Article Eighth of the Certificate of Incorporation grants our directors and officers a right to indemnification for all expenses, liabilities and losses relating to civil, criminal, administrative or investigative actions, suits or proceedings to which they are a party (other than an action or suit by us or in our right, in which case our directors and officers have a right to indemnification for all expenses, except in respect of any claim, issue or matter as to which such officer or director is adjudged to be liable to us) (1) by reason of the fact that they are or were our directors or officers, (2) by reason of the fact that, while they are or were our directors or officers, they are or were serving at our request as directors or officers of another corporation, partnership, joint venture, trust or entity or (3) by reason of any action alleged to have been taken or omitted in such person's capacity as our director or officer or in any other capacity while serving at our request as directors or officers of another corporation, partnership, joint venture, trust or entity.

Article Eighth of the Certificate of Incorporation further provides for the mandatory advancement of expenses incurred by officers and directors in defending such proceedings in advance of their final disposition upon delivery to us by the indemnitee of an undertaking to repay all amounts so advanced if it is ultimately determined that such indemnitee is not entitled to be indemnified under Article Eighth. We may not indemnify or make advance payments to any person in connection with proceedings initiated against us by such person without the authorization of our board of directors.

In addition, Article Eighth of the Certificate of Incorporation provides that directors and officers therein described shall be indemnified to the fullest extent permitted by the DGCL, and if the DGCL is subsequently amended to expand further the indemnification or advancements permitted, then the Company shall indemnify such directors and officers to the fullest extent permitted by the DGCL, as so amended.

Article Eighth of the Certificate of Incorporation allows the indemnification to continue after an indemnitee has ceased to be our director or officer and to inure to the benefit of the indemnitee's heirs, executors and administrators.

Article Eighth of the Certificate of Incorporation further provides that the right to indemnification is not exclusive of any other right that any indemnitee may be entitled under any law, any agreement or vote of stockholders or disinterested directors or otherwise.

The Certificate of Incorporation authorizes us to purchase insurance for our directors and officers and persons who serve at our request as directors, officers, employees or agents of another corporation, partnership, joint venture, trust or entity against any liability incurred in such capacity, whether or not we would have the power to indemnify such persons against such expense or liability under the DGCL. We intend to maintain insurance coverage for our officers and directors as well as insurance coverage to reimburse us for potential costs of our corporate indemnification of directors and officers.

ITEM 16. *Exhibits*

The Exhibits listed on the accompanying Exhibit Index are filed as part hereof, or incorporated by reference into, this registration statement.

ITEM 17. *Undertakings*

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of

Table of Contents

securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

II-3

Table of Contents

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
