Item 1.01 Entry into a Material Definitive Agreement.

On August 20, 2010, Western Alliance Bancorporation, a Nevada corporation (the Company), entered into an underwriting agreement (the Underwriting Agreement) with Keefe, Bruyette & Woods, Inc. and Goldman, Sachs & Co., related to the public offering of \$75 million in aggregate principal amount of 10.00% Senior Notes due 2015 (the Notes).

The Notes will be issued pursuant to a Senior Debt Indenture, dated as of August 25, 2010 (the Base Indenture), as amended and supplemented by a First Supplemental Indenture, dated as of August 25, 2010 (the Supplemental Indenture), between the Company and Wells Fargo Bank, National Association, as trustee.

The Notes will bear interest at the rate of 10.00% per year. Interest on the Notes is payable on March 1 and September 1 of each year, beginning on March 1, 2011. The Base Indenture and the Supplemental Indenture limit the ability of the Company to incur certain liens on voting shares of its principal subsidiary banks or consolidate, merge or sell all or substantially all of its assets unless certain conditions are satisfied. The Notes will be unsecured and unsubordinated obligations of the Company and will rank equally with all of the Company's existing and future unsecured and unsubordinated indebtedness from time to time outstanding. The Notes will rank junior to all of the Company's current and future secured indebtedness to the extent of the value of the assets securing such indebtedness. The Notes will not be guaranteed by any of the Company's subsidiaries and will be structurally subordinated to all of the existing and future liabilities of the Company's subsidiaries. The Base Indenture also contains customary event of default provisions.

The public offering price of the Notes will be 98.50% of the principal amount. The Company expects to receive net proceeds (before expenses) of approximately \$72,843,750 and to use such net proceeds for general corporate purposes, including purchasing nonperforming assets from its bank subsidiaries and making capital injections into its bank subsidiaries.

The Notes will be offered and sold pursuant to the Company's shelf registration statement on Form S-3 (Registration No. 333-158971) under the Securities Act of 1933, as amended. The Company has filed with the Securities and Exchange Commission (the SEC) a prospectus supplement, dated August 20, 2010, together with the accompanying prospectus, dated May 4, 2009, relating to the offering and sale of the Notes.

For a complete description of the terms and conditions of the Underwriting Agreement, the Base Indenture, the Supplemental Indenture and the Notes, please refer to the Underwriting Agreement, the Base Indenture, the Supplemental Indenture, and the form of Note, each of which is incorporated herein by reference and attached to this Current Report on Form 8-K as Exhibits 1.1, 4.1, 4.2 and 4.3, respectively.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosures under Item 1.01 of this Current Report on Form 8-K relating to the Base Indenture, Supplemental Indenture and the Notes are hereby incorporated by reference into this Item 2.03.

Item 8.01 Other Events.

A copy of the opinion and consent of DLA Piper LLP (US) as to the validity of the Notes offered pursuant to the Prospectus Supplement dated August 20, 2010 is incorporated by reference into the Registration Statement on Form S-3 (File No. 333-158971) and filed as Exhibit 5.1 hereto.
