**CHEMICAL FINANCIAL CORPORATION**

**PROXY STATEMENT  
dated March 4, 2011**

**For the Annual Meeting of Shareholders  
to be held April 18, 2011**

**Introduction**

**Use of Terms**

In this proxy statement, we, us, our, the Company and Chemical Financial refer to Chemical Financial Corporation, the Bank refers to Chemical Bank, and you and your refer to each shareholder of Chemical Financial Corporation.

**Questions and Answers about the Proxy Materials and Our 2011 Annual Meeting**

*Q. Why am I receiving these materials?*

A. Chemical Financial's board of directors is providing these proxy materials to you in connection with its solicitation of proxies for use at the Chemical Financial Corporation 2011 annual meeting of shareholders. The meeting will take place on Monday, April 18, 2011, at 2:00 p.m. local time, at the Midland Center for the Arts, 1801 W. St. Andrews Drive, Midland, Michigan. You are invited to attend the meeting and are requested to vote on the proposals described in this proxy statement.

*Q. What proposals will be voted on at the annual meeting?*

A. There are five proposals scheduled to be voted on at the annual meeting:

Election of 15 directors;

Amendment of our Restated Articles of Incorporation ( Articles of Incorporation ) to increase the number of authorized shares of our common stock from 30,000,000 to 45,000,000 shares ( Proposal 2 );

Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2011 ( Proposal 3 );

An advisory vote on executive compensation ( Proposal 4 ); and

An advisory vote on the frequency of the advisory vote on executive compensation ( Proposal 5 ).

In addition, any other business that properly comes before the meeting will be considered and voted on. As of the date of this proxy statement, we are not aware of any other matters to be considered and voted on at the meeting. If any other matters are presented, the persons named as proxies on the enclosed proxy will have discretionary authority to vote for you on those matters.

*Q. What information is contained in these materials?*

A. The information included in this proxy statement discusses the proposals to be voted on at the meeting, the voting process, the compensation of our directors and named executive officers, and certain other required information. Your proxy, which you may use to vote on the proposals described in this proxy statement, is also enclosed.

*Q. When did the Company begin sending and delivering this proxy statement to shareholders?*

A. We began sending and delivering this proxy statement to our shareholders on approximately March 4, 2011.

*Q. How does the Company's Board of Directors recommend that I vote?*

A. Your board of directors recommends that you vote FOR election of each nominee named in this proxy statement, FOR approval of Proposals 2, 3, and 4, and EVERY THREE YEARS on Proposal 5.

*Q. Who may vote?*

A. You may vote at the annual meeting if you were a shareholder of record of Chemical Financial common stock at the close of business on February 18, 2011. Each shareholder is entitled to one vote per share of Chemical Financial common stock on each matter presented for a shareholder vote at the meeting. As of February 18, 2011, there were 27,451,367 shares of Chemical Financial common stock issued and outstanding.

*Q. How do I vote?*

A. If you properly sign and return the enclosed proxy, the shares represented by that proxy will be voted at the annual meeting and at any adjournment of the meeting.

## Table of Contents

If you specify a choice on the proxy, your shares will be voted as specified. If you do not specify a choice, your shares will be voted for election of each of the nominees named in this proxy statement, for approval of Proposals 2, 3, and 4, and every three years on Proposal 5. If any other matter comes before the meeting, your shares will be voted in the discretion of the persons named as proxies on the proxy.

If you are a shareholder of record, Chemical Financial also offers you the convenience of voting by telephone or through the Internet, 24 hours a day, seven days a week.

*Internet Voting.* You may vote via the Internet by visiting [www.envisionreports.com/chfc](http://www.envisionreports.com/chfc). Follow the steps outlined on the secured website.

*Telephone Voting.* To vote by telephone, dial the toll-free number on the instructions included on your proxy and listen for further directions.

*Q. How do I vote if I hold my shares in street name ?*

A. If you hold your shares in street name, which means that your shares are registered in the name of a bank, broker or other nominee (which we collectively refer to as your broker), your broker must vote your street name shares in the manner you direct if you provide your broker with proper and timely voting instructions. Please use the voting forms and instructions provided by your broker or its agent. These forms and instructions typically permit you to give voting instructions by telephone or the Internet if you wish. If you are a street name holder and want to change your vote, you must contact your broker. Please note that you may not vote shares held in street name in person at the annual meeting unless you request and receive a valid proxy from your broker.

*Q. Does my broker have discretionary authority to vote my shares?*

A. If you do not provide your broker with voting instructions, then your broker has discretionary authority to vote your shares on certain routine matters. We expect that Proposals 2 and 3 will be considered a routine matter and your broker will have discretionary authority to vote your shares on the proposals. The election of directors and Proposals 4 and 5 are not considered routine matters and your broker will not have discretionary authority to vote your shares on these proposals. **It is important that you promptly provide your broker with voting instructions if you want your shares voted on the election of directors and Proposals 4 and 5.**

*Q. Can I change my mind after I return my proxy?*

A. Yes. You may revoke your proxy at any time before it is voted at the meeting by doing either of the following two things:

by delivering written notice of revocation to Chemical Financial's Secretary, Thomas W. Kohn, at 333 East Main Street, Midland, Michigan 48640; or

by attending the meeting and voting in person.

*Q. What are broker non-votes?*

A. Generally, broker non-votes occur when shares held by a broker in street name for a beneficial owner are not voted with respect to a particular proposal because the broker has not received timely voting instructions from the beneficial owner and the broker lacks discretionary voting power to vote those shares. In these cases, the broker can register your shares as being present at the meeting for purposes of determining the presence of a quorum but

will not be able to vote on those matters for which specific authorization is required under the rules of the New York Stock Exchange.

*Q. What is the quorum requirement for the annual meeting?*

A. To conduct business at the annual meeting, a quorum of shareholders must be present. The presence in person or by properly executed proxy of the holders of a majority of all issued and outstanding shares of Chemical Financial common stock entitled to vote at the meeting is necessary for a quorum. To determine whether a quorum is present, we will include shares that are present or represented by proxy, including abstentions and shares represented by a broker non-vote on any matter. Although shares registered by a broker as present (as described above) count for quorum purposes, we do not count such broker non-votes as votes for or against any proposal.

*Q. What vote is necessary to approve the proposals?*

A. Election of Directors. A plurality of the shares voting is required to elect directors. This means that, if there are more nominees than positions to be filled, the nominees who receive the most votes will be elected to the open director positions. Abstentions, broker non-votes and other shares that are not voted in person or by proxy will not be included in the vote count.

*Proposal 2.* Proposal 2 will be approved if a majority of the shares entitled to vote are voted in favor of the proposal. Abstentions, broker non-votes and other shares that are not voted on Proposal 2 in person or by proxy will not be included in the vote count.

**Table of Contents**

*Proposals 3 and 4.* Proposals 3 and 4 will be approved if a majority of the shares that are voted on each proposal at the meeting are voted in favor of each proposal. Abstentions, broker non-votes and other shares that are not voted on Proposals 3 or 4 in person or by proxy will not be included in the vote count.

*Proposal 5.* On Proposal 5, you may vote that an advisory vote on executive compensation should occur every one, two, or three years, or you may abstain from voting. This proposal will be determined by a plurality of the shares voting. Abstentions, broker non-votes and other shares that are not voted in person or by proxy will not be included in the vote count.

*Required Vote for Other Matters.* We do not know of any other matters to be presented at the meeting. Generally, any other proposal to be voted on at the meeting would be approved if a majority of the shares that are voted on the proposal at the meeting are voted in favor of the proposal. Abstentions, broker non-votes and other shares that are not voted on the proposal in person or by proxy would not be included in the vote count.

*Q. May the annual meeting be adjourned?*

A. Yes. The shareholders present at the meeting, in person or by proxy, may, by a majority vote, adjourn the meeting despite the absence of a quorum. Shares represented by proxy may be voted in the discretion of the proxy holder on a proposal to adjourn the meeting.

*Q. What does it mean if I receive more than one proxy or voting instruction card?*

A. It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxies and voting instruction cards you receive.

*Q. Where can I find the voting results of the annual meeting?*

A. We will announce preliminary voting results at the annual meeting and publish final results in a Current Report on Form 8-K that will be filed with the Securities and Exchange Commission within four business days after the date of the annual meeting.

**Table of Contents**

**Overview of Proposals**

This proxy statement contains five proposals requiring shareholder action. Proposal 1 requests the election of 15 directors to the board of directors. Proposal 2 requests the approval of an amendment to our Articles of Incorporation to increase the number of our authorized shares of common stock from 30,000,000 to 45,000,000 shares. Proposal 3 requests the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2011. Proposal 4 requests an advisory vote on executive compensation. Proposal 5 requests an advisory vote on the frequency of the advisory vote on executive compensation. Each of the proposals is discussed in more detail below.

**Proposal 1  
Election of Directors**

Following a review and recommendation from the Corporate Governance and Nominating Committee, the board of directors proposes that the following nominees be elected as directors for terms expiring at the 2012 annual meeting of shareholders:

**Gary E. Anderson  
J. Daniel Bernson  
Nancy Bowman  
James A. Currie  
James R. Fitterling  
Thomas T. Huff  
Michael T. Laethem  
James B. Meyer  
Terence F. Moore  
Aloysius J. Oliver  
David B. Ramaker  
Grace O. Shearer  
Larry D. Stauffer  
William S. Stavropoulos  
Franklin C. Wheatlake**

Each proposed nominee currently serves as a director of Chemical Financial for a term that will expire at this year's annual meeting. The persons named in the enclosed proxy intend to vote for the election of the fifteen nominees listed above. The proposed nominees are willing to be elected and serve as directors. If a nominee is unable to serve or is otherwise unavailable for election, which we do not anticipate, the incumbent board of directors may or may not select a substitute nominee. If a substitute nominee is selected, your proxy will be voted for the person selected. If a substitute nominee is not selected, your proxy will be voted for the election of the remaining nominees. No proxy will be voted for a greater number of persons than the number of nominees named above.

Biographical information concerning the current directors and nominees for director of Chemical Financial appears below under the heading "The Board of Directors." All current directors and nominees for director, except David B. Ramaker, qualified as independent directors as defined by NASDAQ Listing Rules, including such definitions applicable to each committee of the board of directors upon which he or she serves or served. In making this determination, the board of directors considered all ordinary course loan and other business transactions between directors and Chemical Bank.

*Your Board of Directors recommends that you vote  
**FOR** the election of all nominees as directors.*

**Table of Contents**

**Proposal 2**  
**Amendment of our Articles of Incorporation to increase the number of  
authorized shares of our common stock from 30,000,000 to 45,000,000 shares**

The board of directors proposes to amend Article III of the Corporation's Articles of Incorporation to increase the number of authorized shares of our common stock from 30,000,000 to 45,000,000 shares. The purpose of the amendment is to provide additional shares for future issuance.

We currently have 30,000,000 shares of common stock authorized for issuance and 200,000 shares of preferred stock authorized for issuance. Of those 30,000,000 shares of common stock, as of January 31, 2011, 27,451,367 shares were issued and outstanding and 1,947,516 shares were reserved for issuance under the Corporation's share-based plans, including its dividend reinvestment program, leaving us with 601,117 shares of common stock available for future issuance. As of January 31, 2011, no shares of preferred stock were issued and outstanding.

The board of directors believes that it is advisable to have additional authorized shares of common stock available for future issuance. Management continues to seek favorable acquisition opportunities. It has in the past had, and anticipates that it will from time to time in the future have, discussions with other organizations that might be interested in being acquired. Authorized but unissued shares of common stock, or funds raised in a public offering of shares, may be used for these purposes. In addition, the additional authorized shares would also be available for possible future stock splits and dividends, equity incentive plans, and other corporate purposes that might be considered. The Corporation has no present plans or proposals to issue shares that would be authorized by the proposed amendment.

All of the additional authorized shares of common stock would be of the same class with the same dividend, voting, and liquidation rights as the shares of common stock presently issued and outstanding. Our authorized capital stock also includes, and will continue to include without increase, 200,000 shares of preferred stock. Shareholders have no preemptive rights to acquire shares of common stock issued by the Corporation under its Articles of Incorporation and shareholders would not acquire preemptive rights with respect to the additional authorized shares of stock under the proposed amendment to the Articles of Incorporation.

The issuance of additional shares of common stock could dilute the voting rights, equity and earnings per share of existing shareholders. The issuance of additional shares of common stock, or the perception that additional shares may be issued, may also adversely affect the market price of our common stock. The additional shares of common stock that would become available for issuance if the amendment is approved could also be used by us to oppose a hostile takeover attempt or to delay or prevent changes in control or management of the Corporation. For example, without further shareholder approval, the board of directors could strategically sell shares of common stock in a private transaction to purchasers who would oppose a takeover or favor the current board of directors. Although the amendment to increase the authorized shares of common stock has been prompted by the business and financial considerations described above, and not by the threat of any hostile takeover attempt (nor is the board of directors currently aware of any such attempts directed at us), shareholders should be aware that approval of the amendment could facilitate future efforts by us to deter or prevent changes in control.

If the proposed amendment is adopted, the newly authorized shares would be unreserved and available for issuance. No further shareholder authorization would be required prior to the issuance of such shares by the Corporation, except where shareholder approval is required under NASDAQ rules.

If the shareholders approve Proposal 2, we will file a Certificate of Amendment to our Articles of Incorporation to amend Article III of our Articles of Incorporation to amend, in its entirety, the first paragraph to read, as follows:

The total authorized capital stock of the Corporation is 45,200,000 shares of stock divided into two classes, as follows:

- A. 45,000,000 shares of common stock, par value \$1.00 per share; and
- B. 200,000 shares of preferred stock, no par value.

Except for the first paragraph, all of the remaining provisions in Article III of the Articles of Incorporation would remain in full force and effect without change. The text of the proposed amendment is subject to modification to include such changes as the board of directors determines to be necessary or advisable to effect the increase in authorized shares of common stock.

***Your Board of Directors recommends  
that you vote FOR Proposal 2.***

**Table of Contents**

**Proposal 3**  
**Ratification of the appointment of KPMG LLP as our independent  
registered public accounting firm for the year ending December 31, 2011**

The Audit Committee has appointed KPMG LLP as the Company's independent registered public accounting firm to audit the consolidated financial statements of the Corporation and its subsidiary and the effectiveness of internal control over financial reporting for the year ending December 31, 2011, and to perform such other appropriate accounting services as may be approved by the Audit Committee. The Audit Committee and the board of directors propose and recommend that shareholders ratify the appointment of KPMG LLP as the independent registered public accounting firm for the year ending December 31, 2011.

More information concerning the relationship of the Company with its independent registered public accounting firm appears below under the headings [Audit Committee](#), [Audit Committee Report](#) and [Independent Registered Public Accounting Firm](#).

If the shareholders do not ratify the appointment of KPMG LLP, the Audit Committee will consider a change of the independent registered public accounting firm for the next year.

*Your Board of Directors and Audit Committee, which consists entirely of  
independent directors, recommend that you vote **FOR** Proposal 3.*

**Proposal 4**  
**Advisory Vote on Executive Compensation**

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the [Dodd-Frank Act](#)) requires, among other things, that the Corporation permit a non-binding, advisory vote on the compensation of its named executive officers, as described in the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in this proxy statement.

This proposal (sometimes referred to as a [Say-on-Pay](#) proposal), gives you as a shareholder the opportunity to endorse or not endorse the compensation of our named executive officers through the following resolution:

Resolved, that the shareholders approve the Corporation's compensation of executives as disclosed in the Proxy Statement, including the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure.

The Corporation believes that our executive compensation programs appropriately align named executive officers incentives with shareholder interests and are designed to attract and retain high quality, executive talent. We believe that our executive compensation policies are and have been conservative within the industry and in comparison with the compensation policies of competitors in the markets that we serve. We also believe that both the Corporation and shareholders benefit from responsive corporate governance policies and dialogue.

The vote is advisory and not binding upon the Corporation and its board of directors, and may not be construed as overruling a decision by the board or creating an additional fiduciary duty of the board. However, the Compensation and Pension Committee will take into account the outcome of the vote when considering future executive compensation decisions.

*Your Board of Directors and Compensation and Pension Committee, which consists entirely of independent directors, recommend that you vote FOR Proposal 4.*

**Proposal 5**

**Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation**

The Dodd-Frank Act requires the Corporation to obtain, at least once every six years, a shareholder vote on the frequency of a shareholder advisory vote on the compensation of the named executive officers.

This proposal gives the Corporation's shareholders the opportunity to determine whether the frequency of a shareholder advisory vote on the compensation of the named executive officers will occur every one, two or three years. Shareholders may also abstain from voting on the frequency of a shareholder advisory vote on the compensation of the named executive officers.

## **Table of Contents**

The vote is advisory and not binding upon the Corporation and its board of directors. However, the Compensation and Pension Committee will take into account the outcome of the vote when considering the frequency of a shareholder advisory vote on compensation of the named executive officers.

The board of directors believes that having an advisory vote on the compensation of the named executive officers every three years is the appropriate approach. Our executive compensation programs and policies are designed to reward the long-term growth and performance of the Corporation. It is difficult to assess the linkage between such performance and compensation on an annual basis because our long-term incentive programs run from three to ten years. We also believe a three-year period will provide us with adequate time to engage shareholders and respond to Say on Pay vote results.

***Your Board of Directors and Compensation and Pension Committee, which consists entirely of independent directors, recommend that you vote EVERY THREE YEARS on Proposal 5.***

## **The Board of Directors**

### **General**

The board of directors presently consists of fifteen individuals. The term of office for each of the directors expires at the annual meeting each year.

### **Chemical Financial's Board of Directors and Nominees for Election as Directors**

Except as otherwise indicated, each director and nominee has had the same principal occupation and employment during the past five years. The age of each director and nominee is as of December 31, 2010.

**Gary E. Anderson**, age 65, has served as a director of Chemical Financial since January 2005 and is a member of the Audit and Risk Management Committees and Chairman of both the Compensation and Pension and Corporate Governance and Nominating Committees. Mr. Anderson has been a director of Chemical Bank since January 2001. Mr. Anderson was appointed as Lead Independent Director of the Corporation in April 2006. Mr. Anderson is retired Chairman of the board of Dow Corning Corporation (Dow Corning). Mr. Anderson joined Dow Corning, a diversified company specializing in the development, manufacture and marketing of silicones and related silicon-based products, in 1967 and served in various executive capacities for over 25 years, including Chairman, President and Chief Executive Officer, retiring as Chairman on December 31, 2005. On May 15, 1995, Dow Corning voluntarily filed a petition under Chapter 11 of the United States Bankruptcy Code in connection with litigation pertaining to product liability for breast implants, and emerged from bankruptcy in June 2004. Mr. Anderson has served as a director of Eastman Chemical Company since August 2007 and as its Lead Independent Director since January 1, 2011. In nominating Mr. Anderson, the Corporate Governance and Nominating Committee considered as important factors Mr. Anderson's extensive experience in leading a large, regionally diverse business organization, his familiarity with an important market area in which Chemical Financial competes, his familiarity with financial statements of large business organizations, and his experience in the areas of corporate finance, corporate governance and executive compensation.

**J. Daniel Bernson**, age 69, has served as a director of Chemical Financial since January 2001 and is a member of the Audit, Compensation and Pension and Corporate Governance and Nominating Committees. Mr. Bernson served as a director of Chemical Bank Shoreline (merged into Chemical Bank on December 31, 2005) from July 1999 through December 31, 2005. Mr. Bernson became a director of Chemical Bank on January 1, 2006. Mr. Bernson is Vice Chairman of The Hanson Group, St. Joseph, Michigan, a holding company with diversified business interests in southwest Michigan, including Hanson Mold, Hanson Logistics, Eagle Technologies Group, Hanson Xpress and

Hanson Transportation Management Services. Mr. Bernson was President of The Hanson Group from 1988 until December 2006 and Chief Executive Officer from April 2004 until December 2006. Mr. Bernson became Vice Chairman of The Hanson Group upon his retirement as President and Chief Executive Officer in December 2006. In nominating Mr. Bernson, the Corporate Governance and Nominating Committee considered as important factors Mr. Bernson's extensive experience in leading a diversified business organization, his familiarity with an important market area in which Chemical Financial competes, his historical experience with Shoreline Financial Corporation, whose operations now comprise a significant portion of Chemical Financial's operations, and his experience in the corporate finance and financial needs of an organization that is typical of many of Chemical Financial's customers.

**Nancy Bowman**, age 59, has served as a director of Chemical Financial since January 2003 and is a member of the Audit and Compensation and Pension Committees. Ms. Bowman served as a director of Chemical Bank West (merged into Chemical Bank on December 31, 2005) from 1982 through December 31, 2005. Ms. Bowman became a director of Chemical Bank on

**Table of Contents**

January 1, 2006. Ms. Bowman is also a community advisory board member. Ms. Bowman is a certified public accountant and co-owner of Bowman & Rogers, PC, an accounting and tax services company located in Lake City, Michigan. In nominating Ms. Bowman, the Corporate Governance and Nominating Committee considered as important factors Ms. Bowman's education as a certified public accountant, her expertise in the preparation and examination of financial statements, her familiarity with an important market area in which Chemical Financial competes, and her experience in owning and managing the financial needs of a smaller business that is typical of many of Chemical Financial's customers.

**James A. Currie**, age 51, has been a director of Chemical Financial since August 1993 and is a member of the Compensation and Pension and Corporate Governance and Nominating Committees. Mr. Currie has served as a director of Chemical Bank since February 1992. Mr. Currie is an investor. In nominating Mr. Currie, the Corporate Governance and Nominating Committee considered as important factors Mr. Currie's experience in investing and investment vehicles, his familiarity with an important market area in which Chemical Financial competes, and his experience in the business and financial needs of typical investment customers of Chemical Financial.

**James R. Fitterling**, age 49, has served as a director of Chemical Financial and Chemical Bank since July 20, 2010 and is a member of the Compensation and Pension and the Corporate Governance and Nominating Committees. Mr. Fitterling is an Executive Vice President of The Dow Chemical Company (Dow) and President of Plastics and Hydrocarbons within Dow. Dow is a diversified science and technology company that manufactures chemical, plastic and agricultural products. Mr. Fitterling joined Dow in 1984. After serving in a variety of sales, marketing and supply chain positions in Liquid Separations, he was named Commercial Director for Liquid Separations, Dow Pacific in 1994. In 1998, he was appointed Global Business Director for Liquid Separations and President and CEO of FilmTec Corporation, a wholly-owned subsidiary of Dow. In 2000, he was named General Manager for Dow Thailand and Managing Director for SCC-Dow Group of joint venture companies. In 2002, he became CEO of the OPTIMAL Group, affiliates of Petroliam Nasional Berhad (PETRONAS), Malaysia's state-owned oil corporation and The Dow Chemical Company. He added responsibility for the Southeast Asia and Australia region in 2004. Mr. Fitterling was named Business Vice President for Polyethylene in 2005, President, Basic Plastics in 2007. He was named Vice President of Corporate Development in 2009 and Senior Vice President of Corporate Development in April 2010 and was appointed to his current position in August 2010. Mr. Fitterling is a member of the Executive Leadership Committee, the Management Committee and the Strategy Board of The Dow Chemical Company. He also serves as Chairman of the board of directors of Univation Technologies LLC. (1) Independent as that term is defined by NASDAQ Listing Rules, including such definitions applicable to each committee of the board of directors upon which he or she serves or served.

(2) The board of directors has determined that these individuals are audit committee financial experts as defined by the Securities and Exchange Commission.

*Audit Committee.* The Audit Committee of the Corporation serves in a dual capacity as the Audit Committee of the Corporation and Chemical Bank. The Audit Committee was established in accordance with section 3(a)(58)(A) of the

Securities Exchange Act of 1934. The Audit Committee oversees the accounting and financial reporting processes on behalf of the boards of directors of the Corporation and Chemical Bank. The Audit Committee oversees the audit of the financial statements and is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged by the Corporation. The Audit Committee operates pursuant to a written charter, a current copy of which is available on Chemical Financial's corporate website at [www.chemicalbankmi.com](http://www.chemicalbankmi.com) under Investor Information. The Audit Committee is comprised solely of independent directors as defined by NASDAQ Listing Rules. The Audit Committee has a Pre-Approval Policy to pre-approve the audit and non-audit services performed by the independent registered public accounting firm. All services provided by the independent registered public accounting firm are either within general pre-approved limits or specifically approved by the Audit Committee. The general pre-approval limits are detailed as to each particular service and are limited by a specific dollar amount for each type of service per project. Subject to certain limitations, the authority to grant pre-approvals may be delegated to one or more members of the Audit Committee. The Pre-Approval Policy requires the Audit Committee to be informed of the services provided under the pre-approval guidelines at the next regularly scheduled Audit Committee meeting. The Audit Committee met seven times during 2010.

**Table of Contents**

*Compensation and Pension Committee.* The Compensation and Pension Committee reviews salaries, bonuses and other compensation of all officers of Chemical Financial and Chemical Bank, administers Chemical Financial's share-based compensation plans, makes recommendations to the board of directors regarding the grants of share-based compensation awards under these plans, and annually reviews the Corporation's benefit programs, including the pension, supplemental pension, nonqualified deferred compensation and 401(k) savings plans. All share-based compensation plans outstanding have been approved by the Corporation's shareholders. The Compensation and Pension Committee operates pursuant to a written charter, a current copy of which is available on Chemical Financial's corporate website at [www.chemicalbankmi.com](http://www.chemicalbankmi.com) under Investor Information. The Compensation and Pension Committee is comprised solely of independent directors as defined by NASDAQ Listing Rules. The Compensation and Pension Committee met three times during 2010.

*Corporate Governance and Nominating Committee.* The Corporate Governance and Nominating Committee oversees the Corporation's corporate governance responsibilities on behalf of the board of directors and is responsible for the identification and recommendation of individuals qualified to become members of the board of directors for each vacancy that occurs and for each election of directors at an annual meeting of shareholders. The Corporate Governance and Nominating Committee operates pursuant to a written charter, a current copy of which is available on Chemical Financial's corporate website at [www.chemicalbankmi.com](http://www.chemicalbankmi.com) under Investor Information. All members of the Corporate Governance and Nominating Committee are independent directors as defined by NASDAQ Listing Rules. The Corporate Governance and Nominating Committee met five times during 2010.

*Risk Management Committee.* The Board of Directors has appointed a Risk Management Committee. The primary responsibility of the committee is to oversee and assess the adequacy of the Corporation's management of key risks, including credit risk, asset/liability risk, liquidity risk, and operational risk. The committee is also responsible for monitoring the Corporation's risk management profile and obtaining reasonable assurance of adherence to the Corporation's risk management policies. The committee may delegate responsibility for the assessment of certain risks to various committees of management or the board of directors, which must report and make recommendations to the committee concerning specific areas of risk. The committee is responsible for the coordination of the assessment of risks among the various committees to which it delegates any responsibility, and is responsible for ensuring that the Corporation has adequate procedures and processes for assessing risk across all of the Corporation's operations. The Risk Management Committee is composed entirely of independent directors within the meaning of NASDAQ Listing Rules. The committee has the full power and authority to perform the responsibilities of a public company risk management committee under applicable law, regulations, NASDAQ Listing Rules, and public company custom and practice. The committee operates pursuant to a written charter. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention, with full access to all books, records, facilities, and personnel of the Corporation, and may retain outside counsel or other experts for this purpose. The Risk Management Committee met three times during 2010.

**Corporate Governance**

**Board and Annual Meeting Attendance**

During 2010, the Chemical Financial board of directors held nine regular meetings and seven special meetings. All of the directors except for Mr. Fitterling attended at least 75% of the aggregate number of meetings of the board of directors and meetings of committees on which they served during the year (during the periods that they served). Mr. Fitterling missed five meetings during 2010 for medical reasons. The Corporation has a policy that requires all members of and nominees to the board of directors to attend the annual meeting each year. All of the directors serving at April 19, 2010 attended the Corporation's 2010 annual meeting held on that date, except for Mr. Stavropoulos.

**Shareholder Nominations**

The Corporate Governance and Nominating Committee will consider director candidates recommended by shareholders, directors, officers, third-party search firms and other sources. Shareholders may recommend individual nominees for consideration by the Corporate Governance and Nominating Committee by communicating with the committee as described under the heading *Communicating with the Board*. The Corporate Governance and Nominating Committee will ultimately determine whether a shareholder recommendation will result in a nomination under this process. In considering potential nominees, the committee will review all candidates in the same manner, regardless of the source of the recommendation. The goal of the Corporate Governance and Nominating Committee is to nominate a slate of individuals who will reflect the communities in which Chemical Financial operates and the customers that Chemical Financial serves.

Direct shareholder nominations may only be made by sending a notice to the Secretary of Chemical Financial that sets forth:

the name, age, business address and residence address of each nominee;

the principal occupation or employment of each nominee;

the number of shares of Chemical Financial capital stock beneficially owned by each nominee;

a statement that each nominee is willing to be nominated and to serve if elected; and

such other information concerning each nominee as would be required under the rules of the Securities and Exchange Commission to be provided in a proxy statement soliciting proxies for the election of each nominee.

You must send this notice to the Secretary of Chemical Financial not less than 120 days before the date of an annual meeting and not more than seven days following the date of notice of a special meeting called for election of directors. The Corporate Governance and Nominating Committee will evaluate and consider every nominee so proposed by a shareholder and report each such nomination and the Committee's recommendation to the full board of directors. The Committee may also, in its discretion, consider shareholders' informal recommendations of possible nominees. In considering possible candidates for election as a director, the Committee and the other directors will be guided by applicable rules and regulations, any specific criteria established by the Committee and the following criteria:

Each candidate should:

be an individual of the highest character and integrity and have an inquiring mind, vision and the ability to work well with others;

be free of any conflict of interest that would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director;

possess substantial and significant experience that would be of particular importance to the Corporation in the performance of the duties of a director;

have sufficient time available to devote to the affairs of the Corporation in order to carry out the responsibilities of a director; and

have the capacity and desire to represent the balanced, best interests of the shareholders as a whole.

## **Table of Contents**

In addition, the Committee may consider factors such as business and industry experience, publicly held company experience, education, independence, gender, race, national origin, and familiarity with the market area. The board of directors believes that Corporation and its shareholders are best served by having a board of directors that brings a diversity of education, experience, skills, and perspective to board meetings. The board of directors welcomes opportunities to include diverse perspectives, talents, ideas and contributions. Consistent with this philosophy, the board of directors may consider factors and characteristics that are pertinent to diversity, such as race and gender, when evaluating nominees to stand for election or re-election to the board.

## **Shareholder Communication with the Board**

Shareholders and interested parties may communicate with members of Chemical Financial's board of directors by sending correspondence addressed to the board as a whole, a specific committee, or a specific board member c/o Joseph Torrence, Senior Vice President, Director of Human Resources, Chemical Financial Corporation, 333 E. Main Street, Midland, Michigan 48640. All correspondence will be forwarded directly to the applicable members of the board of directors.

## **Board Leadership Structure**

Currently, Chemical Financial's Chief Executive Officer also serves as Chairman of the board of directors, in conjunction with a Lead Independent Director. The board of directors has determined that this dual structure is appropriate for Chemical Financial due to the size of Chemical Financial relative to other companies. The board of directors also believes it is more efficient and effective to have the Chief Executive Officer also fill the role of Chairman. The board of directors believes this structure is appropriate from a governance perspective due to the extensive regulatory supervision exercised by bank examiners and other regulatory authorities. Chemical Financial has an independent director serving as the chairperson of each significant board committee, and only one member of management serves on Chemical Financial's board of directors.

The duties and responsibilities of the Lead Independent Director include:

- acting as a liaison and channel for communication between the Chief Executive Officer and the independent directors;

- providing leadership to ensure the board works cohesively and independently and during times of crisis;

- advising the Chief Executive Officer as to the quality, quantity and timeliness of the flow of information from Chemical Financial's management to the independent directors;

- being available as a resource to consult with the Chief Executive Officer and other board members on corporate governance practices and policies;

- together with management where appropriate, considering questions of conflicts of interest of the Chief Executive Officer and other board members;

- coordinating the assessment of board committee structure, organization and charters and evaluating the need for change;

- coordinating, developing the agenda and leading executive sessions of the independent directors and communicating the results thereof to the Chief Executive Officer;

ensuring the appropriate segregation of duties between board members and management; and

together with the chairperson of the Compensation and Pension Committee, communicating the board's evaluation of the performance of the Chief Executive Officer.

**Board's Role in Risk Oversight**

Chemical Financial has appointed a Risk Management Committee of the board of directors. The Risk Management Committee is discussed on page 12 of this proxy statement.

**Table of Contents****Independent Registered Public Accounting Firm****Appointment of Independent Registered Public Accounting Firm**

KPMG LLP served as the independent registered public accounting firm for Chemical Financial for the years ended December 31, 2010 and December 31, 2009. The Audit Committee has reappointed KPMG LLP for 2011. In accordance with prior practice, representatives of KPMG LLP are expected to be present at the annual meeting of shareholders on April 18, 2011, and will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

**Fees**

A summary of the fees paid and payable to KPMG LLP for each of the two calendar years ended December 31, 2010 are as follows:

	<b>2010</b>	<b>2009</b>

**Audit Committee Report**

The Audit Committee oversees the accounting and financial reporting processes on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process, including the application of accounting and financial principles, the preparation, presentation and integrity of the financial statements, the systems of internal controls and other procedures designed to ensure compliance with accounting standards and applicable laws and regulations. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements that are included in the 2010 annual report to shareholders with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The independent registered public accounting firm is responsible for expressing an opinion on the consolidated financial statements of Chemical Financial in conformity with U.S. generally accepted accounting principles. The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed with the Audit Committee by statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU Sec. 380), as adopted by the Public Company Accounting Oversight Board (United States) in Rule 3200T, other standards of the Public Company Accounting Oversight Board, rules of the Securities and Exchange Commission, and other applicable regulations. In addition, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence with respect to Chemical Financial, and has received the written disclosures from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence.

The Audit Committee also reviewed management's report on its assessment of the effectiveness of Chemical Financial's internal control over financial reporting and the independent registered public accounting firm's report on the effectiveness of Chemical Financial's internal control over financial reporting.

The Audit Committee discussed with Chemical Financial's internal audit staff and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal audit staff and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the internal controls, including internal control over financial reporting, and the overall quality of the financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the board of directors (and the board approved) that the audited consolidated financial statements and management's assessment of the effectiveness of Chemical Financial's internal control over financial reporting be included in Chemical Financial's Annual Report on Form 10-K for the year ended December 31, 2010 to be filed with the Securities and Exchange Commission.

**Executive Compensation**

**Compensation Discussion and Analysis**

*Overview.* The Compensation and Pension Committee (the Committee) assists the board of directors in discharging its responsibilities relating to executive compensation and in fulfilling its responsibilities relating to Chemical Financial's compensation and benefit programs and policies. The Committee administers and makes recommendations with respect to Chemical Financial's compensation plans and reviews and approves the compensation of executive and senior management. The Committee currently consists of 12 directors, all of whom are independent under NASDAQ Listing Rules. The Committee receives recommendations from Chemical Financial's Chief Executive Officer regarding the compensation of executive and senior management (other than the Chief Executive Officer).

*Compensation Philosophy and Objectives.* Chemical Financial's philosophy is to maximize long-term return to shareholders consistent with its commitments to maintain the safety and soundness of the institution and provide the highest possible level of service at a fair price to the customers and communities that it serves. To do this, the Committee believes Chemical Financial must provide competitive salaries and appropriate incentives to achieve long-term shareholder return. The Corporation's executive compensation policies are designed to achieve four primary objectives:

provide incentives for achievement of long-term shareholder return;

align the interests of management with those of the shareholders to encourage continuing increases in shareholder value;

attract and retain well-qualified executives who will lead the Corporation and inspire superior performance; and

provide incentives for achievement of corporate goals and individual performance.

The Committee's goal is to effectively balance salaries with potential compensation that is performance-based commensurate with an officer's individual management responsibilities and potential for future contribution to corporate objectives. The portion of total compensation that is based on corporate performance and long-term shareholder return increases as an executive officer's responsibilities increase.

The Committee has considered the potential risks arising from the Corporation's compensation policies and practices for all employees and does not believe the risks from those compensation policies and practices are reasonably likely to have a material adverse effect on the Corporation.

**Elements of Compensation**

Chemical Financial's executive compensation program has consisted primarily of the following elements: (i) base salary and benefits; (ii) annual cash bonus incentives; (iii) longer-term equity-based incentives in the form of stock options and restricted stock performance units; (iv) participation in the Corporation's retirement plans; and (v) discretionary bonus as approved by the Board of Directors. All executive and senior management of Chemical Financial are eligible to participate in the same executive compensation plans that are available to the Chief Executive Officer, with the exception of the supplemental pension plan. Each component of compensation is intended to accomplish one or more of the compensation objectives discussed above.

*Base Salary and Benefits.* To attract and retain officers with exceptional abilities and talent, annual base salaries are set to provide competitive levels of compensation. The Committee determines base salaries by considering a variety of factors, including individual performance and achievements, current compensation, responsibilities within the Corporation, and compensation practices of other peer group bank holding companies. While the Committee considers these factors, it ultimately determines annual base salaries in its judgment based on what it considers to be reasonable and appropriate for the Company.

*Annual Cash Bonus Incentives.* Annual cash bonus incentives are used to reward executive and senior officers for the Corporation's overall financial performance, taking into consideration individual performance.

Beginning in 2008, the Corporation implemented a formula approach for awarding cash bonuses to named executive officers. For each named executive officer, the Committee set a bonus target as a percentage of salary. For 2010, the bonus targets as a percentage of salary for each of the named executive officers were as follows: Mr. Ramaker 70%; Ms. Gwizdala 50%; Mr. Kohn 50%; Mr. Tomczyk 40%; and Mr. Johnson 40%. The Committee may change the bonus targets each year.

After determining the bonus target for each named executive officer, the Committee then weighted the amount of the bonus between achievement of financial performance goals by the Corporation and achievement of individual goals. For 2010, the weighting for each of the named executive officers was as follows: Mr. Ramaker 80% (financial performance goals), 20% (individual goals); Ms. Gwizdala 70% (financial performance goals), 30% (individual goals); Mr. Kohn 70% (financial

## **Table of Contents**

performance goals), 30% (individual goals); Mr. Tomczyk 60% (financial performance goals), 40% (individual goals); and Mr. Johnson 70% (financial performance goals), 30% (individual goals). The Committee at its own discretion may change the weighting between financial performance goals and individual goals each year.

The Committee further weighted the bonus amount for achievement of financial performance goals by the Corporation among specified goals. For 2010, the specific goals and weighting were as follows: earnings per common share (40%), deposit growth (20%), amount of actual expenses compared to budget (20%) and level of credit quality (20%). The Committee at its own discretion may change the specific goals and weightings each year.

For named executive officers other than the Chief Executive Officer, the Chief Executive Officer recommends the individual goals to the Committee. The Committee reviews, modifies, and approves the recommendations of the Chief Executive Officer. The Committee determines the individual goals for the Chief Executive Officer.

The Committee implemented an overall qualifier to the 2010 cash bonus plan. In order for a named executive officer to receive the full amount of the financial performance goals target or individual goals target, the Corporation's 2010 earnings per common share must equal or exceed the 2010 shareholder cash dividend. If 2010 earnings per common share did not equal or exceed the 2010 shareholder cash dividend, the named executive's earned bonus would be reduced by 50%. In 2010, earnings per share of \$0.88 exceeded 2010 shareholder cash dividends of \$0.80 per share.

If all of the financial performance goals were met and a named executive officer met all of his or her individual goals, then the named executive officer is paid the full amount of his or her bonus target. If some, but not all, of the financial performance goals or individual goals are met and the 2010 earnings per common share equaled or exceeded the 2010 shareholder cash dividend per share, then the named executive officer's bonus amount is reduced by the weighting given each goal. For example, using 2010 weightings, if the deposit growth goal was not met, then the amount of each named executive officer's bonus weighted to achievement of financial performance goals would have been reduced by 20%. If none of the financial performance goals were met and a named executive officer did not meet his or her individual goals, then the named executive officer is not paid a bonus. The Committee may also reduce each named executive officer's bonus amount based on other factors it considers relevant.

The 2009 annual cash bonus incentive program did not result in a bonus paid in 2010 to the named executive officers because of limited achievement of financial performance goals and continued economic difficulties in the Corporation's market areas. The 2010 annual cash bonus incentive program awards that were paid in 2011 to the named executive officers were based on the Corporation achieving substantially all of its financial performance goals in 2010 and each named executive officer achieving substantially all of his or her individual performance goals. Annual cash bonus incentives are included in the Summary Compensation Table in the column Non-Equity Incentive Plan Compensation.

*Longer-Term Equity-Based Incentives.* A portion of potential career compensation is also linked to corporate performance through equity-based compensation awards, including stock options and restricted stock performance units. Other forms of equity-based compensation may be awarded by the Committee. Awards under Chemical Financial's equity-based compensation plan are designed to:

- more closely align executive officer and shareholder interests;
- reward officers for building shareholder value;
- reward officers for the achievement of targeted earnings per share levels; and
- encourage long-term investment in the Corporation by participating officers.

The Committee believes that stock ownership by management has been demonstrated to be beneficial to shareholders and stock options have been granted by Chemical Financial to executive officers pursuant to various plans for many years. The Committee administers all aspects of these plans and also has authority to determine the individuals to whom and the terms upon which equity-based compensation awards are granted.

Beginning in 2008, the Corporation implemented a formula approach for awarding equity-based compensation. For each named executive officer, the Committee set a target for equity-based compensation based on a percentage of base salary. For 2010, the targets as a percentage of base salary for each named executive officer were as follows: Mr. Ramaker 100%; Ms. Gwizdala 70%; Mr. Kohn 70%; Mr. Tomczyk 60%; and Mr. Johnson 50%. The targets set by the Committee are calculated using the market value of the Corporation's common stock.

After determining the equity-based compensation target for each named executive officer, the Committee then allocated the total target amount between stock options and restricted stock performance units. For 2010, the allocation for each named

**Table of Contents**

executive officer was as follows: Mr. Ramaker 40% (stock options), 60% (restricted stock performance units); Ms. Gwizdala 50% (stock options), 50% (restricted stock performance units); Mr. Kohn 50% (stock options), 50% (restricted stock performance units); Mr. Tomczyk 60% (stock options), 40% (restricted stock performance units); and Mr. Johnson 60% (stock options), 40% (restricted stock performance units). The Compensation and Pension Committee considers each officer's position and its attendant duties, responsibilities and authority when setting the target equity compensation value and mix of awards for each named executive officer.

The variable used to determine the amount of stock options and restricted stock performance units awarded is the market price of one share of Chemical Financial common stock on the date of the award. For example, assume the following: (i) the market price of one share of Chemical Financial common stock was \$23 on the date that the options and restricted stock performance units were awarded to a named executive officer, (ii) the named executive officer's base salary was \$200,000 annually, (iii) the Committee set a target of 70% of base salary for the named executive officer, and (iv) the named executive officer's allocation was 50% (stock options) and 50% (restricted stock performance units). The named executive officer would have been awarded approximately 3,000 stock options and 3,000 restricted stock performance units.

In 2010, the Committee granted awards of stock options to purchase 19,863 shares to the named executive officers. The Committee has no policy as to timing of awards of stock options. All stock option awards have been made at the market value of Chemical Financial's common stock on the date of grant. Stock options are generally granted for a term of 10 years. All stock options permit the exercise price to be paid by delivery of cash, and the Committee has also approved the payment of the exercise price by surrendering shares of common stock. The stock options granted in 2010 vest in one-third increments on each anniversary date of the award over the first three years of the option term. Vesting of stock options may be accelerated upon certain events, including a change in control of the Corporation.

In 2010, the Committee granted 21,318 restricted stock performance units to the named executive officers. The restricted stock performance units vest at December 31, 2012 if any of the predetermined targeted earnings per common share levels are achieved in 2012. The restricted stock performance units vest from 0.5x to 1.5x the number of units originally granted depending on which, if any, of the predetermined targeted earnings per common share levels are met in 2012. Upon vesting, the restricted stock performance units will be converted to shares of the Corporation's common stock on a one-to-one basis. However, if the minimum earnings per common share performance level is not achieved in 2012, no shares will be issued.

In 2009, the Compensation and Pension Committee granted restricted stock performance units that will vest at December 31, 2011 if any of the predetermined targeted earnings per common share levels are achieved in 2011. The Compensation and Pension Committee established the target level of earnings per share for 2009 during a time of historic uncertainty for the financial industry and the markets that we serve. The Compensation and Pension Committee reviewed the 2009 awards in 2010 and determined that the probability of achieving the targeted earnings per share was too remote for the awards to provide any meaningful incentive for our executive officers. Accordingly, the Compensation and Pension Committee revised the targeted levels of earnings per share by reducing them to a more realistic level based on more recent economic and industry data.

*Retirement Plans.* Chemical Financial has a qualified pension plan ( Pension Plan ) that covers certain employees, a 401(k) savings plan that covers all employees and a supplemental pension plan currently covering only one active employee, the Chief Executive Officer. The Committee believes that Chemical's retirement plans encourage long-term commitment by the Corporation's officers and assist Chemical Financial in attracting and retaining talented executives.

*Discretionary Bonus.* In 2010, the Board of Directors approved a discretionary award to the named executive officers, paid in the form of cash and shares of the Company's common stock. The purpose of this discretionary award was to recognize the substantial contributions of our executive team in completing the acquisition of O.A.K. Financial

Corporation. The aggregate value of the cash and stock granted to the named executive officers was as follows: Mr. Ramaker \$50,000; Ms. Gwizdala - \$30,000; Mr. Kohn \$15,000; Mr. Tomczyk \$25,000; Mr. Johnson \$20,000. Each award was paid primarily in the form of the Company's common stock. The cash component of each award was designed to approximate the amount of taxes that would be required to be withheld on the total value of the award for each named executive officer. The cash portion of the discretionary award is included in the Summary Compensation Table in the Bonus column and the share component of the award is included in the Stock Awards column.

### **Common Stock Ownership Guidelines**

In December 2008, the Committee implemented stock ownership guidelines that set forth the expected investment in shares of Chemical Financial common stock for, among others, the named executive officers. Expected ownership is expressed as a percentage of the named executive officer's base salary as determined from time to time. The expected ownership for the named executive officers is as follows: Mr. Ramaker 300%; Ms. Gwizdala 100%; Mr. Kohn 100%; Mr. Tomczyk 100%; and Mr. Johnson 100%. Stock ownership is determined in the same manner as beneficial ownership is determined

**Table of Contents**

under the rules of the SEC. Other than Mr. Ramaker, each named executive officer is allowed three years from the date the guidelines first became applicable to him or her to achieve the expected stock ownership. Mr. Ramaker is allowed five years from the date the guidelines first became applicable to him to achieve the expected stock ownership.

*Impact of Accounting and Tax Treatment on Compensation.* All stock options granted by Chemical Financial under plans not associated with acquisitions of other companies during the last decade have been nonstatutory stock options, such that the Corporation receives a tax deduction for income deemed to be received by officers upon exercise of such options.

Section 162(m) of the Internal Revenue Code places a limit on the deductibility for federal income tax purposes of the compensation paid to the named executive officers set forth in the Summary Compensation Table who were employed by Chemical Financial on the last day of its taxable year. Under Section 162(m), compensation paid to such persons in excess of \$1 million in a taxable year is not generally deductible. However, compensation that qualifies as performance-based as determined under Section 162(m) does not count against the \$1 million limitation. One of the requirements of performance-based compensation for purposes of Section 162(m) is that the material terms of the performance goal under which compensation may be paid be disclosed to and approved by Chemical Financial's shareholders. For purposes of Section 162(m) the material terms include: (a) the employees eligible to receive compensation; (b) a description of the business criteria on which the performance goal is based; and (c) the maximum amount of compensation that can be paid to an employee under the performance goal. The Chemical Financial Corporation Stock Incentive Plan of 2006 satisfies the requirements of Section 162(m) of the Code. Due to the relatively conservative amount of annual compensation, Chemical Financial believes its compensation policies reflect due consideration of Section 162(m).

**Summary Compensation Table**

The following table shows information concerning the compensation earned from Chemical Financial or its subsidiaries during the three years ended December 31, 2010, by the Chief Executive Officer, the Chief Financial Officer and each of Chemical Financial's three most highly compensated executive officers who served in positions other than Chief Executive Officer or Chief Financial Officer at December 31, 2010 (the named executive officers). The positions listed in the table are those in which the applicable officer served at December 31, 2010.

- (3) This reported amount includes the aggregate value of: (1) the stock portion of the discretionary bonus paid to the named executive officers upon completion of the acquisition and conversion of O.A.K. Financial Corporation; (2) the grant date fair value of restricted stock performance units granted to the named executive officers in 2010; and (3) the incremental value associated with the modification of restricted stock performance units previously granted to the named executive officers in 2009 (as discussed in Note 4 to the Equity-Based Awards and Values table). The values of all stock awards reported in this column were computed in accordance with FASB ASC Topic 718 ( ASC 718 ). For a discussion of the valuation assumptions, see Note 17 to the Corporation's 2010 consolidated financial statements included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2010. Restricted stock performance units granted to the named executive officers for 2010 were determined to have a value at the grant date based on management's assessment that it was probable that the restricted stock units would vest in 2012 at 0.5x the number of units granted. Restricted stock performance units granted to the named executive officers for 2009 were determined to have a value at the modification date based on management's assessment that it was probable that the restricted stock units would vest in 2011 at 0.5x the number of units granted. However, for both the 2009 and 2010 grants, if the Corporation does not achieve the minimum performance condition, then the units will be forfeited and the named executive officers will receive no shares of Chemical common stock.
- (4) If the highest level of performance conditions with respect to the stock performance units granted in 2010 are satisfied, then the value of the restricted stock performance units determined as of the grant date would be as follows: Mr. Ramaker \$345,240, Ms. Gwizdala \$122,248, Mr. Kohn \$118,911, Mr. Tomczyk \$74,218, and Mr. Johnson \$57,905. If the highest level of performance conditions with respect to the stock performance units granted in 2009 are satisfied, then the value of the restricted stock performance units determined as of the date the awards were modified would be as follows: Mr. Ramaker \$419,034, Ms. Gwizdala \$148,382, Mr. Kohn \$144,341, Mr. Tomczyk \$90,077, and Mr. Johnson \$70,255. However, for both the 2009 and 2010 grants, if the Corporation does not achieve the minimum performance condition, then the units will be forfeited and the named executive officers will receive no shares of Chemical common stock.
- (5) This amount represents the grant date fair value, computed in accordance with ASC 718, of the stock options granted for each named executive officer. For a discussion of the valuation assumptions, see Note 17 to the Corporation's 2010 consolidated financial statements included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2010. The per share exercise price of each option award was equal to the market value of Chemical Financial common stock on the date each option was granted.
- (6) This amount represents the annual cash bonus incentive paid to each named executive officer.
- (7) This amount is the change in the actuarial present value of the named executive officer's accumulated benefit under the Corporation's noncontributory defined benefit pension plan, the Chemical Financial Corporation Employees Pension Plan (Pension Plan) and, for Mr. Ramaker only, the Corporation's supplemental pension plan. Mr. Ramaker is the only active employee who is a participant in the supplemental pension plan. The discount rate used to present value benefits was 5.65% at December 31, 2010, 6.15% at December 31, 2009 and 6.5% at December 31, 2008. As of June 30, 2006, a partial freeze of the Pension Plan became effective. Employees with less than 15 years of vested service (as defined in the Pension Plan) or whose combined age and years of vested service totaled less than 65 (non-grandfathered employees) as of June 30, 2006, had their Pension Plan benefits frozen as of that date. For all other Pension Plan eligible employees (grandfathered employees), the benefits under the Pension Plan remained the same and these employees will continue to accrue Pension Plan benefits. Messrs. Ramaker and Kohn, and Ms. Gwizdala are grandfathered employees for purposes of future benefit accruals under the Pension Plan. Messrs. Tomczyk and Johnson are non-grandfathered employees.

Approximately two-thirds of the participants in the Pension Plan had their benefits frozen as of June 30, 2006. Non-grandfathered employees began receiving four percent of their eligible pay as a contribution to a defined contribution plan beginning July 1, 2006. Normal retirement benefits of the Pension Plan are based on years of service and the employee's average annual pay for the five highest consecutive years during the ten years preceding retirement under the Pension Plan. Pension Plan benefits are based on the annual base salary of eligible employees as of January 1 each year. The amount shown under the caption "Salary" in the Summary Compensation Table in this proxy statement is representative of the most recent calendar year compensation used in calculating average pay in the Pension Plan. Upon retirement at age 65, a grandfathered employee will receive an annual benefit of 1.52% of his or her average annual base salary for the five highest consecutive years during the ten years preceding his or her date of retirement, multiplied by the retiree's number of years of credited service (subject to a maximum of 30 years and any applicable cap under ERISA for employees who are not included in the supplemental plan). Benefits at retirement ages under 65 are also determined based upon length of service and pay, as adjusted in accordance with the Pension Plan. Unreduced retirement benefits are available between the ages of 60 and 65, when the retiree's age plus vested years of service total at least 85. The Pension Plan provides for vesting of benefits after attaining five years of service, disability and death benefits, and optional joint and survivor benefits for the employee and his or her spouse.

(8) All Other Compensation consists only of employer contributions to the 401(k) Savings Plan and the taxable portion of employer paid premiums for life insurance. In accordance with SEC regulations, perquisites that in the aggregate total less than \$10,000 per named executive officer are not required to be disclosed.

**Equity-Based Awards and Values**

- (1) Represents the award of restricted stock performance units under the Stock Incentive Plan of 2006.
- (2) Grant date fair values of equity-based compensation awards are computed in accordance with ASC 718.
- (3) Represents restricted stock performance units granted in 2010. The value of the restricted stock performance units was determined based on management's assessment that it was probable that the awards would vest at 0.5x the number of units granted. These units will vest in full or in part on December 31, 2012 if Chemical Financial achieves for 2012 the threshold, target, or maximum level of earnings per common share established by the Compensation and Pension Committee. Any restricted stock performance units that vest will be converted to shares of the Corporation's common stock on a one-for-one basis. However, if the minimum or threshold performance condition is not satisfied in 2012, no units will vest and no shares of Chemical common stock will be issued to the named executive officers.
- (4) Represents the modification of restricted stock performance units granted in April 2009. The incremental value associated with the modification was computed in accordance with ASC 718 and is reported in the Grant Date Fair Value of Stock and Option Awards column, and is based on management's assessment that it was probable that the awards would vest at 0.5x the number of units granted. The restricted stock performance units will vest in full or in part on December 31, 2011 if Chemical Financial achieves for 2011 the threshold, target, or maximum level of earnings per common share established by the Compensation and Pension Committee. Any restricted stock performance units that vest will be converted to shares of the Corporation's common stock on a one-for-one basis. However, if the minimum or threshold performance condition is not satisfied in 2011, no units will vest and no shares of Chemical common stock will be issued to the named executive officers. For a discussion of this award modification, please see the Compensation Discussion and Analysis section of this proxy statement.
- (5) Represents the stock portion of the discretionary award granted to the named executive officers upon completion of the acquisition and conversion of O.A.K. Financial Corporation. The value of the stock portion of the discretionary bonus represents the number of shares granted to the named executive officer multiplied by the closing price of Chemical common stock on the grant date.

- (2) The number of unearned shares represents the minimum or threshold of restricted stock performance units issuable under the Stock Incentive Plan of 2006 if performance conditions are met. The number of shares issued is conditioned on the Corporation achieving a minimum or threshold earnings per common share level in 2011 for the awards granted in 2009 and in 2012 for the awards granted in 2010 and, therefore, no shares will be issued if the minimum or threshold performance level is not met in 2011 or in 2012.
- (3) The market value of unearned shares was computed by multiplying the number of unearned shares in the column to the left in this table by the closing price of Chemical Financial's common stock on The Nasdaq Stock Market at December 31, 2010 of \$22.15 per share.

**2010 Option Exercises and Stock Vested**

There were no shares acquired in the exercise of stock options or in the vesting of stock awards by the named executive officers during 2010.

**Pension Benefits in 2010**

The following table provides information concerning pension benefits for the named executive officers:

Name	Plan Name	Number of Years of Credited Service	Present Value of Accumulated Benefit	Payments During Last Fiscal Year
David B. Ramaker	Employees Pension Plan	21.2	\$ 733,000	\$
	Supplemental Pension Plan	21.2	432,000	
Lori A. Gwizdala	Employees Pension Plan	26.0	774,000	
Thomas W. Kohn	Employees Pension Plan	24.2	804,000	
James E. Tomczyk	Employees Pension Plan	7.4	132,000	
Kenneth W. Johnson	Employees Pension Plan	11.5	77,000	

Chemical Financial's noncontributory defined benefit pension plan, the Chemical Financial Corporation Employees Pension Plan (Pension Plan), is considered a tax-qualified retirement plan. Chemical Financial has the authority to change or terminate the Pension Plan at any time. The Internal Revenue Code limits both the amount of eligible compensation for benefit calculation purposes and the annual benefits that may be paid from a tax-qualified retirement plan. As permitted by the Employee Retirement Income Security Act of 1974 (ERISA), Chemical Financial established a supplemental pension plan, the Chemical Financial Corporation Supplemental Pension Plan (Supplemental Plan) that provides for the payment to certain executive officers of Chemical Financial, as determined

by the Compensation and Pension Committee, of the benefits to which they would have been entitled, calculated under the provisions of the Pension Plan, as if the limits imposed by the Internal Revenue Code did not apply. As of December 31, 2010, Mr. Ramaker was the only active employee eligible for benefits under the Supplemental Plan.

**Table of Contents**

Pension Plan benefits are based on the annual base salary of eligible employees as of January 1 of each year. The amount shown under the caption Salary in the Summary Compensation Table in this proxy statement is representative of the most recent calendar year compensation used in calculating average pay under the Pension Plan (subject to any applicable cap under ERISA for employees who are not included in the Supplemental Plan). Upon retirement at age 65, a retiree will receive an annual benefit of 1.52% of his or her average annual base salary for the five highest consecutive years during the ten years preceding his or her date of retirement, multiplied by the retiree's number of years of credited service (subject to a maximum of 30 years). Benefits at retirement ages under 65 are also determined based upon length of service and pay, as adjusted in accordance with the Pension Plan. The Pension Plan provides for vesting of benefits after attaining five years of service, disability and death benefits, and optional joint and survivor benefits for the employee and his or her spouse. Additionally, unreduced Pension Plan benefits are available for retirement at age 60 and above when the retiree's age plus vested years of service sums at least 85. Pension Plan benefits for non-grandfathered employees will be based on years of credited service as of June 30, 2006 and generally average annual base salary as of January 1 for the five years preceding June 30, 2006. Messrs. Tomczyk's and Johnson's pension benefits were frozen as of June 30, 2006.

The present value of accumulated benefits under the Pension Plan shown in the Pension Benefits table are based on the assumption that an employee retires at the earliest unreduced retirement age defined under the Pension Plan; which is the earlier of normal retirement age or age 60 or older with 85 points (age plus vesting service). The assumed retirement age is normal retirement (age 65) for Mr. Tomczyk and age 60 for all other named executive officers. The present value of accumulated benefits is also based on the assumption that the employee will elect a benefit for his or her life with 120 monthly payments guaranteed. If the employee were to elect a benefit payable to a surviving spouse of 50% or more of the employee's retirement benefit or for the employee's life only, the retirement benefit for the employee would be adjusted. The benefits listed in the Pension Benefits table are not subject to a deduction for social security or any other offset amount.

The present value of accumulated Pension Plan and Supplemental Plan benefits were computed using a 5.65% discount rate at December 31, 2010 and 6.15% discount rate at December 31, 2009 and the RP2000 Combined Health Mortality Table at December 31, 2010 and December 31, 2009. Lump sum retirement benefits are not available in the Pension Plan, unless an employee is involuntarily terminated or the option was available in a predecessor plan. A portion of Messrs. Tomczyk's and Johnson's Pension Plan benefits are available to be paid in a lump-sum at their election, due to this benefit payment option having been available in a predecessor plan. In addition, Mr. Ramaker's benefits under the Supplemental Plan upon a Change in Control would be paid in a lump sum, if at the time of the Change in Control he was not eligible to retire. For purposes of the Supplemental Plan, a Change in Control is a change in control of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A of the Securities Exchange Act of 1934, as amended. At December 31, 2010, Mr. Ramaker's pro forma lump sum distribution payable in the event of a Change in Control was calculated at \$305,471 using interest and mortality assumptions set forth under Internal Revenue Code Section 417(e) (3) as modified by the Pension Protection Act of 2006. The look back month for determining the interest assumption was August of the year preceding the calculation date.

**Deferred Compensation**

In September 2006, the board of directors approved the Chemical Financial Corporation Deferred Compensation Plan (DC Plan), a voluntary nonqualified supplemental retirement program for a select group of management personnel. The DC Plan is unfunded for tax purposes and for purposes of ERISA. The named executive officers in this proxy statement are eligible to participate in the DC Plan. There are no employer contributions to the DC Plan. Participants may elect to defer up to 75% of their salary, excluding bonus, to the DC Plan. The election to defer compensation under the DC Plan is irrevocable for each plan year as of the beginning of each plan year. Participant contributions are made into a grantor trust for the purpose of providing for payment of the deferred compensation under this plan. The

investment of employee contributions are self-directed by participants within an established array of money market, equity and fixed income mutual funds. The aggregate earnings on these investments, by each named executive officer who is a participant in the DC Plan, is included in the table below, and are attributable to the specific investments selected by each participant. Participants may change the designation of their investments at such times as mutually agreed by the parties. As of December 31, 2010, participants could change their investment designation on a daily basis. Participants elect in advance of the deferral of their compensation when the funds will be distributable. The aggregate balances of the participants are distributable, as designated by each participant, during January of the calendar year following the calendar year in which the following occur: the participant's termination of employment; a change in control; the participant's death or disability; an unforeseeable emergency or at a specified time, as determined by the participant. The DC Plan provides for distributions to be made in a lump sum amount, five-year installments or ten-year installments.

**Table of Contents****Potential Payments upon Termination or Change in Control**

None of our executive officers has a severance agreement, employment agreement or other similar agreement. Our shareholder-approved equity compensation plans provide for the acceleration of vesting of certain awards in connection with a change in control of the Company or termination of employment due to the death, disability or retirement of the plan participant. In addition, our named executive officers may receive benefits in connection with a termination of employment under the Employees Pension Plan, Supplemental Pension Plan, and DC Plan, as described above.

The following tables show the aggregate amounts our named executive officers would have realized in connection with a termination of employment or change in control, assuming that such termination or change in control took place on December 31, 2010.

- (1) Under the terms of the Stock Incentive Plan of 2006, if a participant terminates his or her employment because of death, disability or retirement, then the restricted stock performance units held by such participant may vest on a pro-rata basis, but only if the Company achieves at least the threshold level of earnings per share. If the threshold level of performance is achieved, the participant will vest in a number of restricted stock units determined by multiplying the number of units that would have vested had the participant continued his or her employment by the percentage of the performance period completed prior to the termination (*i.e.*, the number of full months completed divided by 36). All remaining restricted stock units are forfeited and returned to the Company, except that the Compensation and Pension Committee may, in its sole discretion, waive the restrictions remaining on any or all such remaining shares or units.
- (2) Under the terms of the Stock Incentive Plan of 2006, if a change in control of the Company occurs, then, unless the Compensation and Pension Committee or the Board of Directors otherwise determines: (a) all outstanding stock options become vested and exercisable in full immediately prior to the effective time of the change in control and shall remain exercisable during the remaining terms thereof, regardless of whether the participants remain in the employ or service of the Company or any subsidiary; and (b) all other outstanding Equity Awards shall become immediately fully vested and exercisable and nonforfeitable, including the waiver of all performance conditions. Performance based awards become vested at the target issuance of 1.0X the original number of units granted. The reported value for the restricted stock performance units represents the target amount of units granted multiplied by the closing price of Chemical Financial common stock on December 31, 2010.
- (3)

Represents the aggregate positive spread between the exercise price and the closing price of Chemical Financial common stock on December 31, 2010 for in-the-money options outstanding, both vested and unvested, as of December 31, 2010.

Under the terms of the Company's equity incentive plans, outstanding unvested stock options are not accelerated due to retirement, death or disability. Stock options remain exercisable in accordance with their terms following termination due to retirement, except that stock options granted under the Stock Incentive Plan of 1997 may be exercised no later than three years following the participant's retirement. In the event of death, the options may be exercised by the personal representative of such participant for a period of one year after death, but only to the extent that the decedent was entitled to exercise the stock options and not beyond the original term of the stock options. Stock options may be exercised for one year following termination due to disability, but only to the extent that the participant was entitled to exercise the stock options on the date of termination and not beyond the original term of the stock options.

**Director Compensation**

During 2010, Chemical Financial compensated its directors who were not employees of Chemical Financial or Chemical Bank with an annual retainer of \$20,000 (paid in a mix of cash and stock, as discussed in more detail below), at the rate of \$750 for every board, Audit Committee and Risk Management Committee meeting attended and at the rate of \$550 for all other committee meetings attended. In addition, during 2010, non-employee directors of Chemical Financial were compensated at a rate of \$750 for every Chemical Bank Loan Committee meeting attended and \$550 for all other Chemical Bank committee meetings attended. In 2010, community advisory directors were compensated with an annual retainer fee of \$2,500 and at the rate of \$200 for every meeting attended. Employees of Chemical Financial or Chemical Bank do not receive any compensation for serving on, or attending meetings of, the board of directors of Chemical Financial or Chemical Bank or any community advisory board or meetings of any of their committees.

On April 21, 2008, the shareholders approved the Chemical Financial Corporation Directors' Deferred Stock Plan (DDSP), authorizing the issuance of up to 400,000 shares of Chemical Financial common stock. The DDSP provides benefits to non-employee directors of Chemical Financial in the form of an equity retainer that is required to be deferred annually and invested in stock units representing shares of Chemical Financial common stock. The equity retainer is 50% of the annual retainer of each non-employee director, or such greater percentage as determined by the board of directors. The annual retainer is a lump sum amount paid to each non-employee director for the director's service throughout the year to Chemical Financial and its shareholders. For 2010, the annual retainer paid to each non-employee director was \$20,000, of which the equity retainer was \$10,000. The difference between the annual retainer and the equity retainer is the cash retainer. The DDSP allows each non-employee director to voluntarily defer the cash retainer and/or all director and community advisory fees and invest in stock units representing shares of Chemical Financial common stock. The amount of the annual retainer, director and community advisory fees contributed to the DDSP are vested immediately. The deferral election must be made before the beginning of a plan year. The DDSP is an unfunded supplemental nonqualified deferred compensation plan that complies with Internal Revenue Code Section 409A.

The equity retainer and any cash retainer voluntarily contributed to the DDSP are converted to stock units on the date paid. Any director and community advisory fees that are voluntarily contributed to the DDSP are converted to stock units on the date Chemical Financial pays its next quarterly cash dividend. The number of stock units credited to each participating director's account is determined by dividing the dollar amount of the equity retainer and any deferred cash retainer by the market value of a single share of Chemical Financial common stock on the date the annual retainer is paid, and by dividing the dollar amount of any director and community advisory fees by the market value of a single share of Chemical Financial common stock on the next quarterly cash dividend payment date. Each participating director's account is also credited with dividend equivalents on each date Chemical Financial pays cash dividends. Dividend equivalents are a number of stock units equal to the number of shares of common stock that have a market value equal to the amount of any cash dividends that would have been paid to a shareholder owning the number of shares of common stock represented by stock units in a participating director's account on each cash dividend payment date.

Distributions will be made in common stock of Chemical Financial equal to the number of stock units in the participating director's account. Any fractional shares will be paid in cash. Distributions will not be made until a director retires or terminates service as a director or upon the death of the director or a change in control of Chemical Financial. For common stock issued upon a director's retirement from or termination of service, the director has a choice to receive the shares in a lump sum or in five annual installments. A director must make an irrevocable election between the lump sum and five annual installments at the time the director begins participating in the DDSP. The election is irrevocable and applies to all future deferral elections. Upon a change of control of Chemical Financial or

death of the director, shares will be issued in a lump sum. Chemical Financial may also permit a distribution to a participating director due to an unforeseeable emergency.

Ms. Shearer and Messrs. Anderson, Bernson, Fitterling, Laethem and Stauffer were the only directors during 2010 that made voluntary contributions to the DDSP.

The board of directors adopted the Chemical Financial Corporation Plan for Deferral of Directors Fees in 1982 (prior plan). The prior plan was available to all directors of Chemical Financial and its subsidiaries who receive fees, including community advisory directors through December 31, 2008. Effective December 31, 2008, the prior plan was closed to new participants. Under the prior plan, directors and community advisory directors that participate in the prior plan must elect before December 31 of each year to defer either 50% or 100% of fees to be earned in the following year. Those fees will be paid out in any number of calendar years from one to ten commencing during or following the year the director ceases to be a director or the year after the director attains age 70. During the deferral period, the prior plan provides that the Corporation shall accrue to the directors or community advisory directors interest on the accumulated amount of deferred fees at the rate paid by Chemical Bank on a variable rate money market savings account. No director of the Corporation elected to defer any compensation under the prior plan during 2010. As of December 31, 2010, Ms. Bowman and Mr. Stauffer were the only Chemical Financial directors who were participants in the prior plan.

**Compensation Committee Report**

In fulfilling its oversight responsibilities, the Compensation and Pension Committee reviewed and discussed the Compensation Discussion and Analysis required by Regulation S-K Item 402(b) issued by the Securities and Exchange Commission (SEC) with the Chief Executive Officer of the Corporation. In reliance on these reviews and discussions, the Compensation and Pension Committee recommended to the board of directors (and the board approved) that the Compensation Discussion and Analysis be included in this proxy statement for the Corporation's 2011 Annual Meeting of Shareholders to be filed with the SEC.

Respectfully Submitted,

### **Compensation Committee Interlocks and Insider Participation**

During 2010, the Compensation and Pension Committee was composed of Mr. Anderson, Chairman, Ms. Bowman and Ms. Shearer and Messrs. Bernson, Currie, Fitterling, Huff, Moore, Oliver, Stauffer, Stavropoulos and Wheatlake. Mr. Oliver was formerly President and Chief Executive Officer of the Corporation from January 1997 through December 31, 2001.

### **Transactions with Related Persons**

Directors, officers, principal shareholders and their associates and family members were customers of, and had transactions (including loans and loan commitments) with, Chemical Financial's bank subsidiary, Chemical Bank, in the ordinary course of business during 2010. All such loans and commitments were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than a normal risk of collectibility or present other unfavorable features. Similar transactions may be expected to take place in the ordinary course of business in the future. None of these loan relationships presently in effect are in default as of the date of this proxy statement. The Audit Committee reviews and approves all transactions between the Corporation and related persons which are required to be reported under Securities and Exchange Commission Regulation S-K, Item 404.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires directors and officers of Chemical Financial and persons who beneficially own more than 10% of the outstanding shares of Chemical Financial's common stock to file reports of beneficial ownership and changes in beneficial ownership of shares of common stock with the Securities and Exchange Commission. Securities and Exchange Commission regulations require such persons to furnish Chemical Financial with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports received by us or written representations from certain reporting persons that no Forms 5 were required for those persons, we believe that all applicable Section 16(a) reporting and filing requirements were satisfied on a timely basis by such persons from January 1, 2010 through December 31, 2010.

### **Shareholder Proposals**

If you would like a proposal to be presented at the annual meeting of shareholders in 2012 and if you would like your proposal to be considered for inclusion in Chemical Financial's proxy statement and form of proxy relating to that meeting, you must submit the proposal to Chemical Financial in accordance with Securities and Exchange Commission Rule 14a-8. Chemical Financial must receive your proposal by November 4, 2011 for your proposal to be eligible for inclusion in the proxy statement and form of proxy relating to that meeting. To be considered timely, any other proposal that you intend to present at the 2012 annual meeting of shareholders must similarly be received by Chemical Financial by November 4, 2011.

### **Solicitation of Proxies**

Directors, officers and employees of Chemical Financial and its affiliates will initially solicit proxies by mail. They also may solicit proxies in person, by telephone or by other means, but they will not receive any additional compensation for these efforts. Nominees, trustees and other fiduciaries who hold stock on behalf of beneficial owners of Chemical Financial common stock may communicate with the beneficial owners by mail or otherwise and may forward proxy materials to and solicit proxies from the beneficial owners. Chemical Financial will pay all costs of solicitation of proxies. Chemical Financial has engaged Georgeson Shareholder Communications, Inc. at an estimated

cost of \$1,300, to assist in the distribution of these materials. We will also solicit proxies by telephone and the Internet. See the enclosed proxy for instructions.

**Dividend Reinvestment Program Shares (Chemical Invest Direct)**

If a shareholder is enrolled in Chemical Financial's Dividend Reinvestment Program (Chemical Invest Direct), the enclosed proxy covers: (1) all shares of Chemical Financial's common stock owned directly by the shareholder at the record date, and (2) all shares of Chemical Financial's common stock held for the shareholder in Chemical Invest Direct at that time. Computershare Investor Services, LLC, as the shareholder's agent under the program, will vote any common stock held by it under the program in accordance with the shareholder's written direction as indicated on the proxy. All such shares will be voted the way the shareholder directs. If no specific instruction is given on a returned proxy, Computershare Investor Services, LLC will vote as recommended by the board of directors.
