This combined Current Report on Form 8-K is separately furnished by Noble Corporation, a Swiss corporation ( Noble-Swiss ), and Noble Corporation, a Cayman Islands company ( Noble-Cayman ). Noble-Cayman makes no representation as to information relating to Noble-Swiss or any other affiliate or subsidiary of Noble-Swiss (except as it may relate to Noble-Cayman). This report should be read in its entirety as it pertains to each of Noble-Swiss and Noble-Cayman. Any reference in this filing to Noble, Noble Corporation, the Company, we, us, our, and words of similar meaning refer collectively to Noble-Swiss and its consolidated subsidiaries, including Noble-Cayman.

**Item 7.01 Regulation FD Disclosure.**

On March 14, 2011, Noble participated in a conference call with certain analysts and investors. During the call, Noble provided information in response to questions, which information may be subject to public disclosure requirements, including confirmation that certain cost estimates for 2011 that were previously provided during Noble's most recent public earnings call on January 27, 2011 and in Noble's prior filings with the Securities and Exchange Commission have not changed. A transcript of the conference call is available under the Presentations section of the Investor Relations tab on Noble's website at [www.noblecorp.com](http://www.noblecorp.com) and incorporated by reference into this Item 7.01. The information provided in this Item 7.01, including the transcript, is being furnished and shall not be deemed to be filed. The furnishing of the transcript is not intended to constitute a representation that such furnishing is required by Regulation FD or that the transcript includes material investor information that is not otherwise publicly available.

Statements regarding cost estimates or guidance, backlog, rig demand, fleet condition or performance, timing of delivery of newbuilds, contract commitments, dayrates, contract commencements, contract extensions or renewals, industry fundamentals, customer relationships, future performance, growth opportunities, market outlook, as well as any other statements that are not historical facts in this Current Report, including the related transcript, are forward-looking statements that involve certain risks, uncertainties and assumptions. These risks and uncertainties include but are not limited to market conditions, operating hazards and delays, risks associated with operations outside of the U.S., actions by regulatory authorities, customers and other third parties, legislation and regulations affecting drilling operations, compliance with regulatory requirements, costs and difficulties relating to the integration of acquired businesses, factors affecting the level of activity in the oil and gas industry, supply and demand of drilling rigs, factors affecting the duration of contracts, delays in the construction of newbuilds, the actual amount of downtime, factors that reduce applicable dayrates, violations of anti-corruption laws, hurricanes and other weather conditions and other factors detailed in Noble's most recent Form 10-K, Form 10-Q's and other filings with the Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated.
