INDEPENDENT AUDITORS' REPORT

The Retirement Administrative Committee
Butler Manufacturing Company:

We have audited the accompanying statement of net assets available for benefits of the Butler Manufacturing Company Birmingham Hourly Employee Savings Trust Plan as of December 31, 2001 and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits as of December 31, 2001 and the changes in net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2000 and 1999, and the changes in net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held at end of year as of December 31, 2000, is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

BUTLER MANUFACTURING COMPANY BIRMINGHAM HOURLY EMPLOYEE SAVINGS TRUST PLAN

Notes to Financial Statements

December 31, 2001 and 2000

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) GENERAL

In 1993, Butler Manufacturing Company (the Company) established the Birmingham Hourly Employee Savings Trust Plan (the Plan), which is administered by the administrative committee. The investments of the Plan are in the custody of Fidelity Institutional Retirement Services Company (Custodian). The trustee of the Plan is the Fidelity Management Trust Company (Fidelity) which has been appointed by the administrative committee and thereby holds all assets of the Plan in the Butler Master Savings Plan Trust (Master Trust).

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the plan document for more complete information.

(b) BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in net assets available for benefits.

(c) ASSETS HELD IN MASTER TRUST

All assets of the Plan are held in the Master Trust and are specifically allocated to each individual plan by participant. Plan assets and changes in plan assets held in trust have been reported by the trustee based on the fair value of the investments.

The fair value of marketable securities is based upon quotations from national securities exchanges; where marketable securities are not listed on an exchange, quotations are obtained from brokerage firms. When the fair value of securities is not available, the securities are stated at their estimated fair value. Securities

transactions are accounted for on the trade date.

(d) FEES AND EXPENSES

The expenses incurred by the administrative committee of the Plan in administering plan activity and the expenses incurred by Fidelity in administering the trust, may be paid from the assets of the Plan or by the Company, as the Company elects.

(e) ELIGIBILITY

All full-time Birmingham hourly paid factory employees of the Company, having completed six months of employment, are eligible for participation in the Plan.

(f) VESTING

All eligible employees participating in the Plan are immediately 100% vested in participant's contributions.

(g) TERMINATION

The Plan may be terminated at any time with the approval of the Company's board of directors. If the Plan is terminated, each participant's account balance will be, at the discretion of the Company,

BUTLER MANUFACTURING COMPANY BIRMINGHAM HOURLY EMPLOYEE SAVINGS TRUST PLAN

Notes to Financial Statements

distributed in a lump sum or held in trust to be distributed upon each participant's retirement, death, disability, or termination of employment.

(h) USE OF ESTIMATES

The Plan utilizes a number of estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

(2) CONTRIBUTIONS

Employees may contribute to the Plan from 1 to 15% of their compensation in 1% increments, subject to applicable IRS regulations. Participants may direct investments of their contribution in 1% increments among the funds established by the Company.

(3) DISTRIBUTIONS

If a participant retires on or after attaining age 55, becomes totally or permanently disabled, dies or terminates employment for any other reason,

Edgar Filing: BUTLER MANUFACTURING CO - Form 11-K

the full value of the account becomes distributable. If the value of the amount distributable exceeds \$5,000, the distribution cannot be made until the participant reaches age 65 or gives consent to the distribution. All distributions must be made prior to April 1 of the calendar year immediately following the date the participant reaches age 70 1/2, even if still employed. All distributions shall be made in a single payment of cash.

(4) IN-SERVICE WITHDRAWALS

Employee contributions, in part or in total, may be withdrawn for extreme financial hardships. Such financial hardships include college costs, excessive medical expenses, the purchase of a principal residence, or to prevent eviction from a principal residence.

(5) LOANS TO PARTICIPANTS

At the discretion of the administrative committee, loans may be made to a participant up to the lesser of \$50,000 or 50% of the value of the participant's account. No loan may be for an amount less than \$1,000. Loans are secured by an assignment of the participant's total account balance in the Plan. Loan maturities may not be less than one year nor exceed five years, except for home loans. Interest rates will be set by the administrative committee in accordance with uniform procedures consistently applied in a manner, which does not discriminate in favor of officers, shareholders or highly compensated participants.

(7) FEDERAL INCOME TAXES

The Plan has received a favorable determination letter, dated May 4, 1995, from the IRS, qualifying the Plan under the Internal Revenue Code and exempting the trust from federal income taxes.
