OUTSTANDING SHARES AND VOTING RIGHTS

The close of business on March 9, 2004 has been fixed as the record date for determining the shareholders of common stock of the Company entitled to notice of and to vote at the Annual Meeting. Holders of common stock are entitled to one vote per share. In the election of four directors to serve until the 2007 Annual Meeting, the nominees receiving the highest number of votes will be elected. For all other matters, a majority of votes cast shall decide each matter submitted to the shareholders at the meeting. Abstentions will be included in vote totals and, as such, will have the same effect on proposals other than the election of directors as a negative vote. Broker non-votes (i.e. the submission of a proxy by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter), if any, will not be included in vote totals and, as such, will have no effect on any proposal. At the close of business on February 27, 2004, there were approximately 10,402,485 shares of common stock outstanding and eligible to be voted on each matter.

The Company has also adopted a procedure by which shareholders may send communications as defined within Item 7(h) of Schedule 14A under the Exchange Act to one or more members of the Board of Directors by writing to such director(s) or to the whole Board of Directors in care of the Corporate Secretary, Southside Bancshares, Inc., 1201 South Beckham Avenue, Tyler, Texas 75701. Any such communications will be promptly distributed by the Secretary to such individual director(s) or to all directors if addressed to the whole Board of Directors.

The Board of Directors of the Company has only four standing committees (the Incentive Stock Option Committee,

4

Nominating Committee, Compensation Committee and the Audit Committee), but its wholly owned subsidiary, Southside Bank, has several standing committees to assist the Board of Directors of Southside Bank and the Company in the discharge of their respective responsibilities. The purpose and composition of these committees with respect to persons who are directors of the Company and Southside Bank are as follows:

AUDIT COMMITTEE OF SOUTHSIDE BANCSHARES, INC.

The Audit Committee of the Board of Directors consists of five non-employee directors as named below. Each member of the Audit Committee is an independent director as defined by the current NASDAQ listing standards and the Company's own standards. In addition, the Nominating Committee of the Board of Directors

Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

has unanimously determined that Mr. Gollob, a certified public accountant and officer of Gollob, Morgan, Peddy & Co., P. C., qualifies as an "audit committee financial expert". The Nominating Committee of the Board of Directors has unanimously determined that all Audit Committee members are financially literate under the current NASDAQ listing standards.

The Committee is primarily responsible for oversight of the Company's financial statements and controls, assessing and ensuring the independence, qualifications, and performances of the independent auditor, approving the independent auditor services and fees and reviewing and approving the annual audited financial statements for the Company before issuance, subject to Board of Directors approval. The Committee also monitors the internal audit function, internal accounting procedures and assures compliance with all appropriate statutes. No members of the Audit Committee received any compensation from the Company during the last fiscal year other than directors' fees. The Committee met seventeen times during 2003.

AUDIT COMMITTEE CHARTER

The Board of Directors has adopted a formal written "Charter" which outlines the purpose of the Audit Committee, delineates the membership requirements and addresses the key responsibilities of the Committee. A copy of the Audit Committee Charter may be obtained at the Company's website. The Company's website can be found at www.southside.com.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to the Company's audited financial statements for fiscal year ended December 31, 2003.

The Committee has reviewed and discussed the Company's audited financial statements with management, the internal auditor and PricewaterhouseCoopers LLP, ("PWC") the Company's independent auditor, with and without management present. The Committee included in its results of the auditor's examinations, the Company's internal controls, and the quality of the Company's financial reporting. The Committee also reviewed Company procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required in periodic reports filed by the Company with the SEC. The Committee is satisfied that the internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Committee also has discussed with PWC matters relating to the auditor's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Communications with Audit Committees). In addition, the Committee has discussed with PWC their independence from management and the Company, as well as the matters in the written disclosures received from PWC and required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Committee received a letter from PWC confirming its independence and discussed it with PWC. The Committee discussed and reviewed with PWC critical accounting policies and practices, internal controls, other material written communications to management, and the scope of PWC audits and all fees paid to PWC during the fiscal year. The Committee adopted guidelines requiring review and pre-approval by the Committee of audit and non-audit services performed by PWC for the Company. The Committee has reviewed and considered the compatibility of PWC performance of non-audit services with the maintenance of PWC independence as the Company's independent auditor.

Based on the Committee's review and discussions referred to above, the Committee

Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

recommended to the Company's Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

REPORT ON EXECUTIVE COMPENSATION

GENERAL

The purpose of this report is to provide insight into the practice and philosophy of the Board of Directors in establishing the compensation for the Executive Officers of the Company and to elaborate on the relationship between corporate performance and executive compensation.

The Compensation Committee reviewed a special compensation report prepared by Clark Consulting specifically for the Company. This report addressed all forms

Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

of compensation including total compensation compared to the market.

Clark Consulting developed the report from the proxy information of 16 banks located in Texas, Oklahoma, New Mexico, and Arkansas with assets of approximately \$1.5 billion. In addition, the Committee reviewed the Stifel Nicolaus Regional Banking Review to compare Company performance ratios with approximately 60 other banks located throughout the mid-west and southwest. The Company's performance placed it in the top 25th percentile when compared to the peer group. The Committee determined the Company's executive officers should be compensated at the mean compensation level of the banks in the top 25th percentile group. Qualitative factors, such as leadership, teamwork, commitment and community involvement were also considered.

In the final analysis, compensation adjustments are based on a broad spectrum of factors rather than one or two specific performance goals. The Compensation Committee recognizes the importance of aligning the shareholders' interest and executive compensation.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Compensation Committee, when reviewing the compensation of the Chief Executive Officer, evaluates the factors mentioned above including initiation and implementation of successful business strategies, maintenance of an effective management team as well as various personal qualities including leadership, commitment, and professional and community standing.

After reviewing the Company's financial results in the context of comparison to corporate peers, as well as his individual contributions, the Compensation Committee concluded that the Chief Executive Officer, B. G. Hartley, performed with skill and dedication during 2003. The year was marked by record-breaking performances on several levels and Mr. Hartley deserves a large measure of the credit for these accomplishments. Finally, the Compensation Committee believes that Mr. Hartley has set the stage for the continued success of the Bank by leading a seasoned executive staff that has displayed skill in guiding the Bank through an ever-changing financial services market in East Texas.
