Item 3. Source and Amount of Funds or Other Consideration

Reference is made to the Agreement and Plan of Merger, dated as of September 19, 2007 (as amended on October 1, 2007 and October 11, 2007, the Merger Agreement) (the Merger Agreement and the amendments thereto are Exhibits 2, 3 and 4 hereto), by and among NetScout, Network General Central Corporation and the other parties thereto, pursuant to which, on November 1, 2007, Bradley Merger Sub LLC, a wholly-owned subsidiary of NetScout, merged with and into Network General Central Corporation (the Merger). Pursuant to the Merger Agreement, upon consummation of the Merger, each issued and outstanding share of common stock of Network General Central Corporation was converted into the right to receive certain cash consideration and/or a certain number of shares of NetScout Common Stock. As a result of the Merger and pursuant to the Merger Agreement, the SLP Stockholders acquired beneficial ownership, in the aggregate, of 2,817,531 shares of NetScout Common Stock.

References to and descriptions of the Merger Agreement set forth above in this Item 3 are not intended to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement.

Item 4. Purpose of Transaction

The information set forth or incorporated by reference in Items 3 and 6 is hereby incorporated herein by reference.

As described in more detail in Item 3 above, each of the SLP Stockholders acquired shares of NetScout Common Stock upon consummation of the Merger pursuant to the Merger Agreement. The SLP Stockholders hold such shares of NetScout Common Stock for investment purposes. The SLP Stockholders intend to review on a continuing basis their investment in NetScout and will take such actions with respect to their investment as they deem appropriate in light of circumstances existing from time to time. Subject to the terms of the Stockholders Agreement, dated as of September 19, 2007 (the Stockholders Agreement) (the Stockholders Agreement is Exhibit 5 hereto), by and among NetScout, the SLP Stockholders and certain other current stockholders of NetScout (as described in Item 6 of this Schedule 13D), the SLP Stockholders may decide to increase or decrease (through sales in the open market, public offerings, privately negotiated transactions, or any other type of transaction, including derivative transactions) their investment in NetScout depending upon the price and availability of NetScout's securities, subsequent developments affecting NetScout, NetScout's business and prospects, other investment and business opportunities available to the SLP Stockholders, general stock market and economic conditions, tax considerations and other factors.

Pursuant to the Stockholders Agreement, effective as of November 1, 2007, the size of the board of directors of NetScout was expanded by two members, and each of SLP and TPG Starburst IV, LLC was granted the right to designate one person to be elected by NetScout's existing directors to fill the two vacancies. SLP's initial designee is Kenneth Y. Hao, a managing director of SLTA and SLTM. Mr. Hao was elected to NetScout's Board of Directors after completion of the Merger on November 1, 2007. Effective as of (i) if the 2008 annual meeting of stockholders of NetScout is no earlier than September 1, 2008, the date of the 2008 annual meeting of stockholders of NetScout or (ii) otherwise, November 1, 2008, NetScout will cause the size of its board of directors to be decreased by one member and either the designee of SLP or the designee of TPG Starburst IV, LLC will resign from NetScout's board of directors. Thereafter, so long as SLP, TPG Starburst IV, LLC and their respective affiliates beneficially own at least 50% of the NetScout Common Stock received by them pursuant to the consummation of the Merger, SLP and TPG Starburst IV, LLC will be entitled to designate one person, collectively, whom NetScout will be required to include on its recommended slate of directors.

NOTE PURCHASE AGREEMENT AND RELATED AGREEMENTS

On November 1, 2007, in connection with the closing of the Merger, NetScout entered into a Purchase Agreement (the Note Purchase Agreement) (the Note Purchase Agreement is Exhibit 6 hereto) with SLP, SLI, SLTI and certain other purchasers identified therein (collectively, the Note Purchasers), pursuant to which NetScout issued \$100 million aggregate principal amount of senior secured floating rate notes due November 1, 2012 (the Notes). SLP, SLI and SLTI, collectively, hold \$47.499 million in aggregate principal amount of the Notes. The Notes were issued to the Note Purchasers in consideration for (i) the cancellation of \$98.5 million in outstanding indebtedness previously owed by Network General Central Corporation to the Note Purchasers under a credit facility that was terminated in connection with the closing of the Merger, and (ii) the assignment to NetScout of \$1.5 million of the cash consideration that the Note Purchasers otherwise would have received pursuant to the Merger Agreement. The Notes mature on November 1, 2012.

The Notes were issued pursuant to an Indenture, dated November 1, 2007 (the Indenture) (the Indenture is Exhibit 7 hereto), by and among NetScout, the Guarantors named therein (the Guarantors) and Wells Fargo Bank, National Association, as Trustee (the Trustee). The Notes are guaranteed by each of NetScout's domestic subsidiaries and are secured by substantially all of the assets of NetScout and its domestic subsidiaries, as well as a pledge of 66% of the capital stock of NetScout's foreign subsidiaries directly owned by NetScout and its domestic subsidiaries, all as further described in the Indenture and the Security Agreement, dated November 1, 2007 (the Security Agreement) (the Security Agreement is Exhibit 8 hereto), by and among NetScout, NetScout's domestic subsidiaries and the Trustee.

The Notes are not subordinated in right of payment to any other indebtedness of NetScout and, therefore, rank pari passu in right of payment with all other unsubordinated indebtedness of NetScout and its domestic subsidiaries. The Indenture generally prohibits, with certain exceptions, any other liens on the assets of NetScout and its subsidiaries, except that a lien is permitted in NetScout's and its domestic subsidiaries' cash, accounts receivable, deposit accounts, investment property and securities accounts to secure other indebtedness in an aggregate amount not to exceed the greater of (i) \$5,000,000 and (ii) 2% of NetScout's consolidated revenue and such lien may have priority over the liens securing the Notes on the terms set forth in an intercreditor agreement.

The Indenture contains certain covenants applicable to NetScout and its subsidiaries, including, without limitation, limitations on additional indebtedness, liens, various fundamental changes (including dispositions of assets and mergers), dividends and distributions, capital expenditures, investments (including acquisitions and investments in foreign subsidiaries), transactions with affiliates, sale leaseback transactions, hedge agreements, payment of junior financing, changes in business, and other limitations customary in secured registered note transactions. In addition, NetScout is required to maintain certain consolidated leverage and consolidated interest coverage ratios. These covenants and limitations are more fully described in the Indenture.

Interest on the Notes is payable quarterly in arrears on February 1, May 1, August 1 and November 1 (or the next business day, if any such date is not a business day) of each year, beginning on February 1, 2008, to holders of record on January 15, April 15, July 15 or October 15, as the case may be. The Notes bear interest at a rate per annum equal to LIBOR (determined as set forth in the Indenture and reset quarterly as set forth in the Indenture) plus 500 basis points until October 31, 2008, 550 basis points from November 1, 2008 to October 31, 2009 and 600 basis points from and after November 1, 2009.

NetScout may prepay the Notes in whole at any time prior to maturity. At any time prior to November 1, 2008, NetScout may redeem the Notes for the amount of the outstanding principal amount and accrued and unpaid interest, without any prepayment premium. From and after November 1, 2008, NetScout may redeem the Notes upon payment of a prepayment premium in an amount dependent upon the date of such prepayment and which ranges from 103.0% of the outstanding principal in 2008 and declines to 100% of the outstanding principal amount in 2011 and beyond. NetScout is also required make an offer to purchase outstanding Notes upon the occurrence of certain events and, subject to certain limitations, from the proceeds of asset sales, from the proceeds of issuances of certain indebtedness or equity securities and from excess cash flow, all as set forth in the Indenture.

The Indenture provides that events of default will exist in certain circumstances, including failure to make payment of principal or interest on the Notes, failure to perform certain obligations under the Indenture and related

Page 12 of 16

documents, defaults in certain other indebtedness, certain insolvency events, certain events arising under ERISA, a change of control of NetScout and certain other events. Upon an event of default, the Trustee or the holders of 25% in principal amount of the Notes outstanding may accelerate maturity of the Notes and enforce remedies under the Indenture, the Notes, the Security Agreement and related documents.

In connection with the issuance of the Notes described above, NetScout entered into a Registration Rights Agreement, dated November 1, 2007 (the Registration Rights Agreement) (the Registration Rights Agreement is Exhibit 9 hereto), by and among NetScout, the Guarantors and the Note Purchasers, pursuant to which, upon the request of certain of the Note Purchasers, NetScout agreed to file on or after May 18, 2008 a registration statement with the Securities and Exchange Commission for the resale of the Notes. In addition, NetScout also granted the Note Purchasers other registration rights in certain limited circumstances as further described in the Registration Rights Agreement.

MERGER AGREEMENT

SLP is a party to the Merger Agreement, solely in its capacity as a representative of the former stockholders of Network General Central Corporation as of the closing of the Merger for purposes of coordinating matters relating to such stockholders' indemnification obligations to NetScout and its related parties under the Merger Agreement. Pursuant to the Merger Agreement, NetScout and certain related parties are being indemnified and held harmless by the former stockholders of Network General Central Corporation as of the closing of the Merger for certain matters specified in the Merger Agreement.

ESCROW AGREEMENT

In connection with the execution of the Merger Agreement, an Escrow Agreement was entered into by NetScout, SLP, TPG Starburst IV, LLC and U.S. Bank, National Association on September 20, 2007 (the Escrow Agreement) (the Escrow Agreement is Exhibit 10 hereto) to establish an indemnification escrow account to secure certain indemnification obligations of the stockholders Network General Central Corporation to NetScout and its related parties under the Merger Agreement and to prescribe the terms and conditions by which such indemnification escrow account will be maintained. SLP is a party to the Escrow Agreement solely in its capacity as a representative of the former stockholders of Network General Central Corporation for purposes of coordinating matters relating to such stockholders' indemnification obligations under the Merger Agreement and the maintenance of the indemnification escrow account established pursuant to the Escrow Agreement.

Pursuant to the Merger Agreement, upon completion of the Merger, NetScout (on behalf of the former stockholders of Network General Central Corporation) deposited the following amounts into the indemnification escrow account: (i) \$10 million in cash and (ii) shares of NetScout Common Stock with an aggregate value of \$5 million (based on the average closing price of NetScout Common Stock during the 10 trading days immediately prior to October 29, 2007). Immediately after the completion of the Merger, on November 1, 2007, pursuant to and in accordance with the terms of the Escrow Agreement, the SLP Stockholders and the other Note Purchasers deposited into the indemnification escrow account Notes in an aggregate principal amount equal to \$7.5 million and withdrew an equivalent amount of cash held in the indemnification escrow account.

All indemnification claims by NetScout and its related parties will be satisfied pro rata among the cash, NetScout Common Stock shares and, if applicable, Notes held in the indemnification escrow account from time to time. All amounts held in the indemnification escrow account, net of any amounts paid to NetScout and amounts relating to pending claims, if any, are expected to be released to the former stockholders of Network General Central Corporation fifteen months after completion of the Merger.

STOCKHOLDERS AGREEMENT

As described above in Item 4, the SLP Stockholders are parties to the Stockholders Agreement. The Stockholders Agreement includes agreements with respect to, among other things, the following matters:

Table of ContentsCUSIP No. **64115T 10 4**

Page 13 of 16

Each SLP Stockholder agreed to customary standstill arrangements with respect to the acquisition of additional shares of NetScout Common Stock and certain other actions with respect to NetScout for a term that will extend until such SLP Stockholder and its affiliates own, collectively, less than 5% of the outstanding NetScout Common Stock.

Each SLP Stockholder is prohibited from transferring the shares of NetScout Common Stock it received pursuant to the Merger until May 1, 2008, except that any SLP Stockholder may transfer any of such shares (i) to an affiliate of such SLP Stockholder, (ii) pursuant to any stock repurchase program of NetScout or any of its subsidiaries, (iii) in any tender or exchange offer, merger, consolidation or other business combination involving NetScout (and not in violation of the standstill provision described above) or (iv) pursuant to the exercise of the registration rights described below.

Each SLP Stockholder received customary demand and piggyback registration rights with respect to the NetScout Common Stock it received pursuant to the Merger. In addition, the SLP Stockholders as a group may require NetScout to implement on a timely basis and maintain a shelf registration statement at any time beginning on May 1, 2008 and ending on the earlier of (i) the two-year anniversary of the effectiveness of such shelf registration statement (with such two-year anniversary extended for any blackout periods initiated by NetScout) or (ii) such time as each such selling stockholder holds less than 5% of the outstanding NetScout Common Stock and can dispose of its full ownership of NetScout Common Stock during any 3-month period pursuant to Rule 144 or 145 of the Securities Act of 1933. The SLP Stockholders, as a group, are entitled to demand one fully marketed underwritten offering of NetScout Common Stock at any time beginning on May 1, 2008.

As described in Item 4 above, effective as of November 1, 2007, SLP was granted the right to designate one person to be elected to NetScout's board of directors. SLP's initial designee is Kenneth Y. Hao, a managing director of SLTA and SLTM. Mr. Hao was elected to NetScout's Board of Directors after completion of the Merger on November 1, 2007.
