Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On April 3, 2008, Natural Health Trends Corp. (the Company) received a letter from The Nasdaq Stock Market stating that the Company is not in compliance with the \$10,000,000 minimum stockholders equity requirement for continued listing on the Nasdaq Global Market set forth in MarketPlace Rule 4450(a)(3). The Company's Annual Report on Form 10-K for the year ended December 31, 2007, which was filed with the Securities and Exchange Commission on March 31, 2008, reported that the Company's shareholders equity on December 31, 2007, was \$9,562,000.

After evaluating this letter, the Company has decided to apply for a transfer to the Nasdaq Capital Market. The Company believes it meets the continued listing requirements for the Nasdaq Capital Market. Listing on the Nasdaq Capital Market will result in a minor cost savings for the Company. The Company does not believe that stockholders liquidity will be adversely impacted by a transfer to the Nasdaq Capital Market. Accordingly, the Company intends to file an application by April 18, 2008, to transfer its Nasdaq listing from the Nasdaq Global Market to the Nasdaq Capital Market.
