Table of Contents**Item 1.01 Entry into a Material Definitive Agreement.**

The TJX Companies, Inc. has entered into an employment agreement with each of Arnold Barron, Donald G. Campbell and Alexander Smith dated April 5, 2005 (collectively, the Agreements). Each of the Agreements has a three-year term. The Agreements provide for a minimum base salary (\$675,000 for Mr. Barron, \$775,000 for Mr. Campbell, and \$925,000 for Mr. Smith) and participation in specified benefit programs, including the Stock Incentive Plan, the Management Incentive Plan (MIP) and the Long Range Performance Incentive Plan (LRPIP). Under the Agreements, the executives are fully vested in their respective accrued Supplemental Executive Retirement Plan (SERP) benefits. Mr. Smith's SERP benefit is determined by reflecting a reduction for employer-funded U.K. benefits, converted to dollars using an agreed-upon exchange rate of \$1.8196 dollars per pound sterling for benefits attributable to company contributions prior to July 1, 2004. Under the Agreements, TJX will provide each executive with a leased automobile. Under Mr. Smith's Agreement, TJX will provide an additional one million dollars in life insurance coverage during the term of the Agreement, will pay the rent on Mr. Smith's current residence in the U.S. for the period July 1, 2004 through June 30, 2006, and will pay for relocation of Mr. Smith and his family to the U.K. upon reassignment of Mr. Smith to the U.K. or upon termination of his employment other than for cause. Each Agreement includes a two-year non-competition undertaking as specified in the Agreements following termination of employment at the end of the three-year term or following voluntary termination of employment or a termination by TJX for cause. If the executive's employment terminates prior to the end of the three-year term for specified reasons, or if at the end of the three-year term TJX does not offer the executive continued service in his current position or another position acceptable to the executive and upon mutually and reasonably agreeable terms, the executive is entitled to continuation of base salary for the balance of the term, if any, or for twelve months if more, subject after twelve months to a reduction for other employment earnings; to continued medical and life insurance coverage for the salary continuation period, unless the executive obtains no less favorable coverage from another employer; to prorated MIP and LRPIP target awards for the year of termination (plus an additional amount equal to the full MIP target award for the year of termination in the case of death, disability or incapacity); and to other benefits to the extent provided in the applicable plan or award. Upon a change of control as defined in the Agreements, the executive is no longer subject to the non-competition undertaking and will receive a payment equal to his target MIP award plus a prorated MIP target award for the year in which the change of control occurs and the maximum award payable with respect to LRPIP for cycles in progress at the time of the change of control. If the executive's employment terminates for various reasons within twenty-four months following a change of control (and prior to April 4, 2008), instead of the severance benefits described above, he is entitled to receive a payment equal to two times his then current base salary plus the present value of SERP benefits plus continued medical and life insurance for two years, except to the extent the executive has coverage from another employer, and continued use of an automobile for that two-year period. TJX is obligated to pay the executive a tax gross-up payment in respect of any change of control-related excise tax incurred in connection with the change of control and all legal fees and expenses reasonably incurred by the executive in seeking enforcement of his contractual rights following a change of control.
