Item 7.01. Regulation FD Disclosure.

Charter Communications, Inc. ("Charter") today announced that the Securities and Exchange Commission has declared effective Charter's registration statement on Form S-1 covering the sale of up to 150 million shares of its Class A common stock, which it intends to loan to Citigroup Global Markets Limited ("Citigroup") pursuant to a share lending agreement for sale in a public offering by Citigroup or its affiliates. The shares of the Class A common stock are being offered on a "best efforts" basis. This offering of Charter's Class A common stock is being conducted to facilitate transactions by which investors in Charter's 5.875% convertible senior notes due 2009 issued on November 22, 2004 will hedge their investments in the convertible senior notes. A press release announcing the registration of the class A common stock going effective is attached hereto as Exhibit 99.1
