**Table of Contents**

**Deregistration of Securities**

Mindspeed Technologies, Inc. (the Company ) registered \$46,000,000 in principal amount of 3.75% Convertible Senior Notes due 2009 (the Notes ) and the number of shares of common stock that were issuable upon conversion of the Notes (the Shares ) pursuant to its Registration Statement on Form S-3 (333-123193) filed on March 8, 2005 and declared effective on April 6, 2005. The Notes were originally issued in a private placement in December 2004. The Registration Statement covers resales of the Notes, and sales of the Shares, by the selling stockholders named in the Registration Statement. The selling stockholders sold an aggregate of \$28,000,000 in principal amount of the Notes. No Shares were sold by the selling stockholders because none of the Notes was converted into Shares. The Company is seeking to deregister \$18,000,000 in principal amount of the Notes and all of the Shares that were not sold because the Company's obligation to maintain the registration of the Notes and the Shares has expired. By filing this Post-Effective Amendment No. 1 to the Registration Statement, the Company hereby removes from registration all Notes and all of the Shares that were not sold, as described above. The Registration Statement is hereby amended, as appropriate, to reflect the deregistration of all Notes and Shares which remain unsold as of the date hereof.
