Independent Auditors Report

The Retirement Committee
BancorpSouth, Inc.:

We have audited the accompanying statements of net assets available for plan benefits of BancorpSouth, Inc. Amended and Restated Salary Deferral Profit Sharing Employee Stock Ownership Plan as of December 31, 2002 and 2001, and the related statements of changes in net assets available for plan benefits for each of the years in the three-year period ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of BancorpSouth, Inc. Amended and Restated Salary Deferral Profit Sharing Employee Stock Ownership Plan at December 31, 2002 and 2001, and the changes in net assets available for plan benefits for each of the years in the three-year period ended December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in the accompanying schedules is presented for purposes of additional analysis and complying with the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic 2002 financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic 2002 financial statements taken as a whole.

(1) Description of Plan

The following description of BancorpSouth, Inc. Amended and Restated Salary Deferral Profit Sharing Employee Stock Ownership Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was adopted by BancorpSouth, Inc. (the Company) effective January 1, 1984. It is a defined contribution plan covering substantially all full-time employees who have one year of service and who have attained age eighteen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(b) Contributions

Plan participants contribute to the Plan by electing to defer 1% or more of their current compensation, in whole percentages, up to the maximum allowable by law. The Company matches amounts contributed by the participants to the Plan up to 5% of annual compensation.

(c) Investment Programs

The investment programs of the Plan are as follows: Algiers Mid Cap Growth Fund; American Century Income and Growth Fund; Montag and Caldwell Growth Fund; Federated Capital Preserve Fund; Federated Stock Trust; Federated Kaufmann Fund Class A; Federated Capital Appreciation Fund; Federated Max Cap Fund; Federated International Equity Fund; Federated Managed Growth Fund; Federated Managed Conservative Growth Fund; Federated Managed Moderate Growth Fund; Federated Managed Income Portfolio; Federated Total Return Bond Fund; Federated Total Return Government Bond Fund; Janus Fund; and common stock of BancorpSouth, Inc.

Prior to August 1, 2002, the first 5% of compensation contributed by participants and all Company contributions were required to be invested in common stock of the Company, while participant contributions in excess of 5% of compensation contributed could have been invested in the common stock of the Company or in any of the other investment funds. Subsequent to August 1, 2002, only Company contributions were required to be invested in common stock of the Company, while any participant contributions could have been invested in the common stock of the Company or in any of the other investment funds.

(d) Administration

The Plan is administered by a committee appointed by the Board of Directors of the Company. The committee is responsible for general administration of the Plan and interpretation and execution of the Plan's provisions.

(e) Participants Accounts

Two separate accounts are maintained for each participant. All amounts contributed by the participant, together with earnings or losses thereon, are maintained in an employee deferral account. Matching amounts contributed by the Company are maintained in a separate employer contribution account, together with earnings or losses thereon.

The monthly benefits cannot be paid over a period longer than a participant's life expectancy or for more than 5 years following his death. For distributions from a participant's holdings of BancorpSouth, Inc. common stock, the participant may elect to receive common stock of the Company or an amount of cash equal to the fair value of the common stock that otherwise would have been distributed.
