Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a) On September 19, 2006, the Audit Committee of The Enstar Group, Inc. (the Company) Board of Directors, upon the recommendation of management, concluded that the previously issued financial statements for the year ended December 31, 2005, and for the quarters ended March 31, 2006 and June 30, 2006 should be restated to reflect certain changes to the note disclosures to those financial statements. The changes to such note disclosures result from reclassifications of information in the restated consolidated financial statements of Castlewood Holdings Limited (Castlewood Holdings) and B.H. Acquisition Limited (B.H. Acquisition), partially owned equity affiliates of the Company. Accordingly, the note disclosures to the Company's previously issued financial statements will be restated, but the restatement will have no impact on the net income, net income per share or shareholders' equity of the Company or its partially owned equity affiliates.

The reclassifications made by Castlewood Holdings and B.H. Acquisition were between certain line items of income and expenses on their respective consolidated statements of earnings. Net reduction in loss and loss adjustment expense liabilities, which was previously referred to as underwriting income and included in income for both entities, was reclassified as an expense item. In addition, Castlewood Holdings' net foreign exchange loss (gain) was reclassified from income to expense. These reclassifications will be reflected in the Company's consolidated financial statements in Note 5(f), Partially Owned Equity Affiliates Summarized Financial Information and Note 12, Segment Information .

The Company's Audit Committee and management have discussed the matters disclosed pursuant to this Item 4.02(a) in this Current Report on Form 8-K with Deloitte & Touche LLP, the Company's independent registered public accounting firm.
