REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and Administrator of the  
Penton Media, Inc. 401(k) Retirement Savings Plan

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Penton Media, Inc. 401(k) Retirement Savings Plan (the "Plan") at December 31, 2003 and 2002, and the changes in net assets available for benefits for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule, Schedule H, Part IV, Item 4i, Schedule of Assets (Held At End of Year), is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the

responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

The following description of the Penton Media, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established to provide benefits to qualified domestic employees of the Plan administrator, Penton Media, Inc. ("Penton" or the "Company"). The Plan allows participants to make before-tax contributions in accordance with the provisions of Section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of the Company become eligible to participate in the plan on the first day of the month that is at least 30 days after the date on which the employee begins employment with the Company.

CONTRIBUTIONS

Participants are able to contribute up to 25% of pre-tax annual compensation up to a maximum of \$12,000 and \$11,000 for 2003 and 2002, respectively. Unless waived, 3% of an eligible employee's compensation will automatically be deducted and contributed to the Plan. The matching percentage contributed by the Company is determined by the Board of Directors of the Company. No matching contributions were made in 2003 or 2002.

Effective October 1, 2002, the Plan was amended to allow for catch-up contributions for participants age 50 or older. Participants that meet certain criteria are permitted to make additional contributions up to \$2,000 and \$1,000 for 2003 and 2002, respectively. Catch-up contributions are limited by federal tax legislation.

The Plan also permits rollover contributions from other qualified retirement plans. Rollover contributions are included in participant contributions and amounted to \$85,827 and \$110,758 at December 31, 2003 and 2002, respectively.

PARTICIPANT ACCOUNTS

Fidelity Investments Institutional Operations Company, Inc., the trustee of the Plan ("Fidelity" or the "Trustee"), maintains an individual account for each participant. Employees elect to allocate their contributions and any employer contributions to various investment options as specified in the Plan. There were 1,647 and 2,072 participants in the Plan at December 31, 2003 and 2002, respectively.

VESTING

Participants are immediately vested in both employee and employer matching contributions, plus actual earnings thereon.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee and matching employer contributions in one quarter percent increments to any of the investment options. Two of the investment options are no longer available for future investment purposes, as noted in the descriptions which follow.

not exceed five years unless for purchase of a principal residence, which allows for repayment over a 10 year period. The loans are secured by the balance in the participant's vested account and carry an interest rate equal to the prime rate plus one percent on the date of the loan. Interest rates range from 5.00% to 11.50%. Principal and interest are paid ratably through payroll deductions.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

10

PENTON MEDIA, INC.

401(k) RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS

-----

### USE OF ESTIMATES

The preparation of the Plan's financial statements in conformity with generally accepted accounting principles requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

### RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of stocks and mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

### INVESTMENT VALUATION AND INCOME RECOGNITION

Common stock investments in the AptarGroup, Inc. Stock Fund and Penton Media, Inc. Stock Fund are valued at quoted market prices at year-end. Registered investment company investments include the Fidelity Growth and Income Portfolio, Fidelity Aggressive Growth Fund, Fidelity Magellan Fund, Spartan 500 Index Fund, Fidelity Diversified International Fund, Fidelity Mid-Cap Stock Fund, PIMCO Total Return Fund II, Neuberger Berman Genesis Trust, Morgan Stanley Value Added Equity Fund, and Fidelity Freedom Funds

## Edgar Filing: PENTON MEDIA INC - Form 11-K

and are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Money market mutual funds include investments in the Fidelity Retirement Government Money Market Portfolio and are reflected in the statements of net assets available for benefits as a registered investment companies investment and are stated at fair value as determined by the trustee. Common/collective trust investments include the Fidelity Managed Income Portfolio and are stated at fair value as determined by the trustee.

Purchases and sales of securities, including related gains and losses, are recorded as of the trade date. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

### PAYMENT OF BENEFITS

Benefits are recorded when paid by the Plan.

### ADMINISTRATIVE EXPENSES

The costs to administer the Plan are paid by the Plan with the exception of audit and legal fees, which are paid by the Company.

## 3. UNREGISTERED SALE OF PENTON COMMON STOCK

In March 2003, the Company discovered that participants in the Plan from May 2001 through March 2003 had made purchases in the Penton Media, Inc. Stock Fund that were not registered under the federal securities laws. As a result, certain Plan participants had the right to rescind their purchases for an amount equal to the purchase price paid for the shares, plus interest from the date of purchase. On March 31, 2003, the Company filed a Form S-8 to register 6.0 million additional shares to be offered under the Plan.
