ITEM 3.02. UNREGISTERED SALES OF EQUITY SECURITIES.

The information applicable to this 3.02 is contained in Item 7.01 below and incorporated in this Item 3.02 by this reference.

ITEM 7.01. REGULATION FD DISCLOSURE.

On November 22, 2004, Metretek Technologies, Inc., a Delaware corporation (the "Company"), announced that it had completed the transactions contemplated by Stock Purchase Agreements, dated as of September 10, 2004 ("Purchase Agreements"), between the Company and the employee-shareholders of PowerSecure, Inc., a Delaware corporation and a subsidiary of the Company ("PowerSecure"). Pursuant to the Purchase Agreements, the Company issued 950,000 shares of its Common Stock, par value \$.01 per share ("Common Stock"), in exchange for the minority 13.9% interest in PowerSecure owned by the employee-shareholders of PowerSecure. After the closing of the Purchase Agreements, as a result of the Company's acquisition of the outstanding minority equity interests in PowerSecure, the Company has become the owner of all of the issued and outstanding shares of PowerSecure, and PowerSecure has become a wholly-owned subsidiary of the Company. A total of 485,401 shares of Common Stock were issued to Sidney Hinton, the President of PowerSecure, on the same terms as the shares of Common Stock were issued to the other PowerSecure employee-shareholders.

The closing of the purchase of the minority interest in PowerSecure occurred after the satisfaction of all conditions to the closing, including the receipt by the Company of a fairness opinion by an investment banking firm that the transaction was fair to the Company and its stockholders, from a financial point of view, and the consent of certain stockholders of the Company who received their shares in a private placement in May 2004, as well as certain other customary closing conditions

The shares of Common Stock issued pursuant to the Purchase Agreements were made as part of a private placement of securities by the Company in reliance upon the exemptions from registration provided under Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"), and Rule 506 under Regulation D promulgated under the Securities Act. The offers and sales were made only to employees of PowerSecure; no general solicitation was made by the Company or by any person acting on behalf of the Company; no broker-dealer was engaged or utilized in connection with the offer and sale; the securities were to be issued subject to transfer restrictions; and the certificates for the shares of Common Stock contained an appropriate legend stating that they have not been registered under the Securities Act and may not be offered or sold absent registration or pursuant to an exemption therefrom.

The full text of the form of Purchase Agreements was attached as an exhibit to the Company's Current Report on Form 8-K dated September 10, 2004 announcing the execution of the Purchase Agreements, and is incorporated herein by reference. The foregoing summary is qualified in its entirety to, and should be read in conjunction with, such exhibit. The full text of the
