ITEM 8.01. OTHER EVENTS

On April 19, 2005, the Company announced that MGM Grand Paradise Limited, an entity of which the Company owns 50% through two indirect wholly-owned subsidiaries and originally organized under the name N.V. Limited (Paradise), had been granted a subconcession which allows Paradise to develop and operate hotel and casino resorts in Macau, S.A.R. through March 31, 2020. Such subconcession was approved by the government of Macau. Pansy Ho Chiu-king owns the other 50% of Paradise individually and through a controlled corporation. Operation under the subconcession by Paradise will be fully independent of the holder of the concession, Sociedade de Jogos de Macau, S.A. (SJM), which currently operates casinos and related facilities in Macau.

Paradise is planning on developing at least one casino resort in Macau MGM Grand Macau to be located on a prime waterfront site in Macau. The project cost for MGM Grand Macau is anticipated to be approximately \$975 million, including a one-time fee paid to SJM, land premium, preopening costs and capitalized interest. MGM Grand Macau is currently expected to open in 2007. MGM Grand Macau is anticipated to include 600 rooms, an extensive casino area featuring 300 table games and 1,000 slot machines, and several restaurants and entertainment facilities. The cost of the resort will be funded through investments and advances from the owners, as described below, and third party financing to be obtained by Paradise.

The organization and operation of Paradise is governed by a Subscription and Shareholders Agreement, as amended (the Shareholders Agreement), among the Company, two indirect wholly-owned subsidiaries of the Company, Pansy Ho and a corporation controlled by Pansy Ho. Pursuant to the Shareholders Agreement, the Company owns 50% of the voting shares of Paradise and has the right to appoint three of its seven directors; Ms. Ho has the right to appoint the remaining directors. However, the voting power of the directors appointed by the Company and the directors appointed by Ms. Ho is equal. All significant decisions of Paradise require the concurrence of Ms. Ho and the Company or their respective representatives.

The Company has invested approximately \$180 million in Paradise, consisting of a payment for 50% of Paradise s ordinary share capital of approximately \$112.5 million and a non-interest bearing shareholder loan of approximately \$67.5 million. Ms. Ho s investment in Paradise was approximately \$80 million, consisting of a payment for 50% of Paradise s ordinary share capital of approximately \$12.5 million and a non-interest bearing shareholder loan of approximately \$67.5 million. Additionally, the Company has committed to make available to Paradise an interest-bearing loan facility of approximately \$100 million (the MGM Facility). The MGM facility is subordinated to third party financing, repayment of the shareholder loans and required shareholder distributions (which begin once the shareholder loans have been repaid). The Company will receive a consulting fee from Paradise of 1.75% of project costs and Ms. Ho will receive a consulting fee from Paradise of 0.875% of project costs.
