This filing relates to the proposed merger of OneBeacon Insurance Group, Ltd. and Intact Financial Corporation. The following is an update provided by OneBeacon to its employees on its internal website in connection with the proposed merger.

### Shared Values - Community Giving

As we highlighted in our last post celebrating the recent holiday, there are some interesting and “fun” differences between our two countries and companies. We will also share values, an essential component as we work together to build a leading North American specialty insurer. One of these key values is our commitment to giving back to the communities where we live and work.

As you know, through our community-giving program, the OneBeacon Charitable Trust supports our employee and producer volunteer, leadership and philanthropic efforts. Throughout the year the Trust supports 100+ nonprofits as well as schools (through our matching-gift program) and several insurance education programs. We’re proud of the generous spirit continually demonstrated by members of our community and are pleased to be aligned with a company that shares that commitment and passion.

### Intact Foundation

Since its inception in 2003, the Intact Foundation has contributed over \$30 million (CAD) in charitable funding to more than 1,400 organizations across Canada to help make the communities in which they live and work safer, healthier and happier.

The Intact Foundation has also committed \$4.25 million (CAD) to support the Intact Centre on Climate Adaptation to address the effects of climate change risks facing Canadians. In partnership with the University of Waterloo, the Intact Centre invests in programs that help homeowners adapt to the long-lasting effects of climate change.

As a core component of its values, Intact is committed to employees’ community involvement and citizenship and actively encourages them to contribute to society through team volunteer days, matching programs for employee donations, and the annual United Way campaign across the country.

To find out more about the Intact Foundation and the many programs they support as well as other programs the company is committed to (e.g. Climate change, Energy consumption and employee and customer satisfaction) visit the “In the Community” page of their website (<https://www.intactfc.com/English/in-the-community/default.aspx>).

The information contained in this communication may contain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included or referenced in this communication that address activities, events or developments which we expect will or may occur in the future are forward-looking statements. The words “will,” “believe,” “intend,” “expect,” “anticipate,” “project,” “estimate,” “predict” and similar expressions are also intended to identify forward-looking statements. These forward-looking statements include, among others, statements with respect to our:

- change in book value per share or return on equity;
- business strategy;
- financial and operating targets or plans;
- incurred loss and loss adjustment expenses and the adequacy of our loss and loss adjustment expense reserves and related reinsurance;
- projections of revenues, income (or loss), earnings (or loss) per share, dividends, market share or other financial forecasts;
- expansion and growth of our business and operations;
- future capital expenditures; and
- pending legal proceedings.

These statements are based on certain assumptions and analyses made by us in light of our experience and judgments about historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform to our expectations is subject to a number of risks, uncertainties or other factors which are described in more detail beginning on page 16 of the Company’s 2016 Annual Report on Form 10-K, that could cause actual results to differ materially from expectations, including:

- recorded loss and loss adjustment expense reserves subsequently proving to have been inadequate;
- changes in interest rates, debt or equity markets or other market volatility that negatively impact our investment portfolio;
- competitive forces and the cyclical nature of the property and casualty insurance industry;
- claims arising from catastrophic events, such as hurricanes, windstorms, earthquakes, floods or terrorist attacks;

- our ability to retain key personnel;
- participation in guaranty funds and mandatory market mechanisms;
- our ability to maintain effective operating procedures and manage operational risk;

changes to current shareholder dividend practice and regulatory restrictions on dividends;  
credit risk exposure in certain of our business operations;  
Bermuda law may afford less protection to shareholders;  
our status as a subsidiary of White Mountains, including potential conflicts of interest, competition, and related-party transactions;  
changes in tax laws or tax treaties;  
the risk that the proposed merger with Intact may not be completed on the currently contemplated timeline or at all;  
the failure to receive, on a timely basis or otherwise, the required approval of the proposed merger with Intact Financial Corporation (“Intact”) by OneBeacon’s shareholders;  
the possibility that any or all of the various conditions to the consummation of the merger may not be satisfied or waived, including the failure to receive any required regulatory approvals from any applicable governmental entities (or any conditions, limitations or restrictions placed on such approvals);  
the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement with Intact, including in circumstances which would require OneBeacon to pay a termination fee or other expenses;  
risks related to diverting management’s attention from our ongoing business operations and other risks related to the announcement or pendency of the proposed merger with Intact, including on our ability to retain and hire key personnel, our ability to maintain relationships with our customers, policyholders, brokers, service providers and others with whom we do business and our operating results and business generally;  
the risk that shareholder litigation in connection with the transactions contemplated by the merger agreement with Intact may result in significant costs of defense, indemnification and liability; and  
other factors, most of which are beyond our control.

Consequently, all of the forward-looking statements made in this communication are qualified by these cautionary statements, and there can be no assurance that the anticipated results or developments will be realized or, even if substantially realized, that they will have the expected consequences. Readers should carefully review these risk factors, and are cautioned not to place undue reliance on our forward-looking statements. The forward-looking statements in this communication speak only as of the date on which they are made. We assume no obligation to update publicly any such forward-looking statements, whether as a result of new information, future events or otherwise.
