PROXY STATEMENT

This Notice of Annual Meeting, proxy statement and enclosed proxy are being furnished to shareholders of Commerce Bancorp, Inc. (“Bancorp”) in conjunction with the solicitation of proxies by the board of directors of Bancorp for use at Bancorp’s 2005 Annual Meeting of Shareholders to be held on Tuesday, May 17, 2005, at 5:30 P.M., local time, at Commerce University, 17000 Horizon Way, Mt. Laurel, New Jersey, (the “Annual Meeting”), and at any adjournment or postponement thereof. The approximate date upon which this proxy statement and the accompanying form of proxy will be first sent, given or otherwise made available to Bancorp’s shareholders is April 15, 2005.

The expense of the proxy solicitation will be borne by Bancorp. In addition to solicitation by mail, proxies may be solicited in person or by telephone by directors, officers or employees of Bancorp and its subsidiaries without additional compensation. Bancorp may engage the services of a proxy soliciting firm. Bancorp is required to pay the reasonable expenses incurred by recordholders of Bancorp Common Stock who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy material and annual shareholder reports to the beneficial owners of Bancorp common stock they hold of record, upon request of such recordholders.

The board of directors of Bancorp has fixed the close of business on April 1, 2005, as the date for determining holders of record of Bancorp Common Stock, par value \$1.00 per share (the “Common Stock”) entitled to receive notice of, and to vote at, the Annual Meeting. On that date, there were 161,606,325 shares of Bancorp Common Stock outstanding. Each holder of Bancorp Common Stock is entitled to cast one vote for each share held of record on that date.

The holders of a majority of the aggregate outstanding shares of Bancorp Common Stock, present either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Pursuant to the New Jersey Business Corporation Act (“NJBCA”), abstentions and broker non-votes (described below) will be counted for the purpose of determining whether a quorum is present.

Under the NJBCA, abstentions or a withholding of authority are not counted as votes cast for the purpose of electing directors and, therefore, will have no effect on the outcome of the vote on the election of directors at the Annual Meeting. Brokers who hold shares for the accounts of their clients may vote such shares either as directed by their clients or in their own discretion if permitted by the applicable stock exchange or other organization of which they are members. Members of the NYSE are permitted to vote their clients’ shares in their own discretion as to the election of directors and certain other “routine” matters if the clients have not timely furnished voting instructions prior to the Annual Meeting. When a broker votes a client’s shares on some but not all of the proposals at a meeting, the omitted votes are referred to as “broker non-votes.” Broker non-votes are not counted as votes cast.

If the enclosed form of proxy is properly marked, signed, and returned in time to be voted at the Annual Meeting and not revoked, or you vote using the Internet or the toll-free telephone number in time to be voted and not revoked, the shares represented by the proxy will be voted in accordance with the instructions marked thereon. Signed proxies not marked to the contrary will be voted “FOR” the election of all nominees for director and “FOR” the ratification of the appointment of the independent registered public accounting firm.

Any Bancorp shareholder giving a proxy may revoke it at any time before it is voted by (i) giving written notice of such revocation, signed in the same manner as the proxy, to Bancorp's Secretary, (ii) executing a new proxy and returning it to Bancorp's Secretary prior to the voting of the first proxy at the Annual Meeting, or (iii) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

ELECTION OF DIRECTORS

The bylaws of Bancorp provide that Bancorp's business shall be managed by a board of not less than five nor more than twenty-five directors and that within these limits the number of directors shall be as established by resolution of a majority of the full board of directors. The board of directors by resolution has set at thirteen the number of persons to be elected to the board of directors at the Annual Meeting.

On April 5, 2005, the board of directors was informed of the unexpected death of director Robert C. Beck, who passed away on April 5, 2005. Mr. Beck served as a director of Commerce NJ since 1973 and Bancorp since 1982 and was a member of both the Audit and Oversight Committees of Bancorp. The board of directors has made no decision as to the resulting vacant director seat at this time. As a result, twelve persons have been designated to be nominees for election as directors. Proxies cannot be voted for a greater number of persons than the twelve nominees named herein.

Pursuant to the NJBCA, the election of directors will be determined by a plurality vote and the twelve nominees receiving the most "FOR" votes will be elected. Shares may be voted "FOR" or withheld from each nominee. Abstentions and broker non-votes will have no effect on the outcome of the election because directors will be elected by a plurality of the shares voted for directors.

The board of directors unanimously recommends a vote "FOR" the election as directors of the nominees named herein.

The board of directors has designated the twelve persons listed below to be nominees for election as directors. Eleven of the twelve nominees are currently members of the board, and each of the nominees has consented to serve if elected. Bancorp has no reason to believe that any of the nominees will be unavailable for election; however, if any nominee becomes unavailable for any reason, the board of directors may designate a substitute nominee, or the number of directors to be elected at the Annual Meeting will be reduced accordingly. Unless directed otherwise, the persons named on the enclosed proxy intend to vote such proxy "FOR" the election of the listed nominees or, in the event of the inability of any of the nominees to serve for any reason, for the election of such other person as the board of directors may designate to fill the vacancy. Directors of Bancorp hold office for one year and until their respective successors have been duly elected and qualified.

The following information regarding Bancorp's nominees is based, in part, on information furnished by the nominees.

DiFrancesco, Morton N. Kerr, John K. Lloyd, Daniel J. Ragone, William A. Schwartz, Jr., Joseph T. Tarquini, Jr. and Joseph S. Vassalluzzo. The categorical standards adopted and applied by the board consist of the following business or charitable relationships which the board has determined are not material relationships that would impair a director's independence:

- Lending relationships, deposit relationships or other financial service relationships (such as depository, transfer, registrar, indenture trustee, trusts and estates, insurance and related products, private banking, investment management, custodial, securities brokerage, cash management and similar services) between Bancorp or its subsidiaries, on the one hand, and (i) the director; and/or (ii) any immediate family member of the director who resides in the same home as the director; and/or (iii) any profit or non-profit entity with which the director is affiliated by reason of being a director, officer, employee, trustee, partner and/or an owner thereof, on the other, provided that (A) such relationships are in the ordinary course of business of Bancorp or its subsidiaries and are on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and in addition, (B) with respect to any extension of credit by a subsidiary of Bancorp to any borrower described in clauses (i) - (iii) above, such extension of credit has been made in compliance with applicable law, including Regulation O of the Board of Governors of the Federal Reserve System and Section 13(k) of the Exchange Act and no extension of credit is on a non-accrual basis.
- The fact that (i) the director is a director, officer, employee, trustee, partner and/or an owner thereof in, any profit or non-profit entity, (ii) the director is of counsel to a law firm, or (iii) an immediate family member is a director, officer, employee, trustee, partner and/or an owner of any entity, that makes payments to, or receives payments from, Bancorp or its subsidiaries for property or services in an amount which, in any fiscal year, is less than the greater of \$1 million or two percent of such other entity's consolidated gross revenues, and such property or services were provided or received in the ordinary course of business of each of the parties.
- The fact that the director, or an immediate family member of the director who resides in the same home as the director, is a director, officer, employee or trustee of a non-profit organization, foundation or university to which Bancorp or its subsidiaries makes discretionary contributions provided such contributions in any fiscal year, excluding Bancorp or its subsidiaries matching funds, are less than the greater of \$1 million or two percent of the entity's consolidated gross revenues for the most recently ended fiscal year for which total revenue information is available.
- Any contract or other arrangement for personal services provided by the director to Bancorp or its subsidiaries (excluding services as a director of Bancorp or its subsidiaries) if the compensation to the director does not exceed \$100,000 per calendar year.
- The employment by Bancorp or its subsidiaries of an immediate family member of the director provided that such immediate family member was or is not an executive officer of Bancorp and the compensation of any such family member was established by Bancorp or its subsidiary in accordance with its employment and compensation practices applicable to employees holding comparable positions.

For purposes of the foregoing standards of director independence, an "immediate family member" means any of the director's spouse, parents, children, brothers, sisters, mother- and father-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than domestic employees) who shares the director's home.

Directors are requested to inform the Chairman of the Nominating and Governance Committee and the President of Bancorp of any change of circumstances or before serving as a director, officer, employee, partner, trustee and/or owner of an outside profit or non-profit entity so that such change in circumstances or opportunity can be reviewed as to whether or not it might put a director's independence at issue.

The definition of "change in control" for purposes of this plan parallels the definition of that term contained in the Employment Agreements discussed on page 19 of this proxy statement. This plan became effective January 1, 1993, as amended.

The report of the Compensation Committee with respect to 2004 compensation is set forth on page 25 of this proxy statement.

Nominating and Governance Committee

The Nominating and Governance Committee, which is comprised of independent non-employee directors, considers and recommends to the board of directors nominees for election to the board of directors. The committee also is charged with developing corporate governance guidelines for Bancorp and recommending to the board of directors corporate governance practices. Jack R Bershada, Chairman, Donald T. DiFrancesco and Joseph T. Tarquini, Jr. are the current members of the Nominating and Governance Committee. Each member of the Nominating and Governance Committee is independent under applicable NYSE listing standards and SEC regulations. During 2004, there were ten meetings of the Nominating and Governance Committee. The Nominating and Governance Committee is governed by a written charter approved by the board of directors, a copy of which can be found on Bancorp's website, www.commerceonline.com, under the "Investor Relations" section in "Corporate Governance."

Consideration of Director Candidates Recommended or Nominated by Shareholders. The Nominating and Governance Committee will consider properly submitted shareholder recommendations for director candidates. According to Bancorp's Bylaws, nominations by shareholders for directors to be elected at a meeting of shareholders which have not previously been approved by the board of directors must be submitted to the Secretary of Bancorp, not later than (i) the latest date upon which shareholder proposals must be submitted to Bancorp for inclusion in Bancorp's proxy statement relating to such meeting pursuant to Rule 14a-8 under the Exchange Act, or other applicable rules or regulations under the federal securities laws or, if no such rules apply, at least 90 days prior to the date one year from the date of the immediately preceding annual meeting of shareholders, and (ii) with respect to an election to be held at a special meeting of shareholders, 30 days prior to the printing of Bancorp's proxy materials with respect to such meeting or if no proxy materials are being distributed to shareholders, at least the close of business on the fifth day following the date on which notice of such meeting is first given to shareholders. Each nomination is required to set forth:

- the name and address of the shareholder making the nomination and the person or persons nominated;
- a representation that the shareholder is a holder of record of capital stock of Bancorp entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to vote for the person or persons nominated;
- a description of all arrangements and understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination was made by the shareholder;
- such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Nominating and Governance Committee; and
- the consent of each nominee to serve as a director of Bancorp if so elected.

Director Qualifications. Nominees for director will be selected on the basis of outstanding achievement in their careers; broad experience; education; independence under applicable NYSE and SEC rules; financial expertise; integrity; financial integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to board of directors and committee duties. Nominees should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of Bancorp's shareholders. They must also have an inquisitive and objective perspective, practical experience and mature judgment. Bancorp endeavors to have a board representing diverse experiences and policy-making levels in business, government, education and technology, and in other areas relevant to Bancorp's activities. Directors are expected to attend scheduled board and committee meetings and to be prepared for the meetings by reviewing the materials provided to them in advance of the meetings. Nominees must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on the board for an extended period of time. Finally, the proposed nominee should be free of conflicts of interest that could prevent such nominee from acting in the best interest of shareholders.

Additional criteria apply to directors being considered to serve on a particular committee of the board of directors. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand Bancorp's financial statements.

Identifying and Evaluating Nominees for Director. The Nominating and Governance Committee assesses the appropriate size of the board in accordance with the limits fixed by Bancorp's charter and bylaws, whether any vacancies on the board are expected and what incumbent directors will stand for re-election at the next meeting of shareholders. If vacancies are anticipated, or otherwise arise, the Nominating and Governance Committee considers candidates for director suggested by members of the Nominating and Governance Committee and other board members as well as management, shareholders and other parties. The Nominating and Governance Committee also has the authority to retain a search firm to identify and evaluate director candidates. Except for incumbent directors standing for re-election as described below, there are no differences in the manner in which the Nominating and Governance Committee evaluates nominees for director, whether the nominee is recommended by a shareholder or any other party.

In the case of an incumbent director, the Nominating and Governance Committee reviews such director's service to Bancorp during the past term, including, but not limited to, the number of board and committee meetings attended, as applicable, quality of participation and whether the candidate continues to meet the general qualifications for a director outlined above, including the director's independence, as well as any special qualifications required for membership on any committees on which such director serves. When a member of the Nominating and Governance Committee is an incumbent director eligible to stand for re-election, such director will not participate in that portion of the Nominating and Governance Committee meeting at which such director's potential nomination for election as a director is discussed by the Nominating and Governance Committee.

In the case of a new director candidate, the Nominating and Governance Committee will evaluate whether the nominee is independent, as independence is defined under applicable NYSE listing standards and SEC regulations, and whether the nominee meets the qualifications for director outlined above as well as any special qualifications applicable to membership on any committee on which the nominee may be appointed to serve if elected. In connection with such evaluation, the Nominating and Governance Committee determines whether the committee should interview the nominee, and if warranted, one or more members of the Nominating and Governance Committee or the board of directors will interview the nominee in person or by telephone.

Upon completing the evaluation, and the interview in case of a new candidate, the Nominating and Governance Committee makes a decision as to whether to recommend that the board of directors nominate the director candidate for election at the shareholders meeting.

Corporate Governance Matters

The corporate governance policies of Bancorp are set forth in the Corporate Governance Guidelines approved by the board of directors. The Corporate Governance Guidelines include information regarding the functions, responsibilities, qualifications and composition of the board of directors and other matters. A copy of the Corporate Governance Guidelines, as approved by the board of directors, along with the Code of Business Conduct and Ethics and Code of Ethics for Senior Financial Officers, can be found on Bancorp's website, www.commerceonline.com, under the "Investor Relations" section in "Corporate Governance."

REPORT OF THE AUDIT COMMITTEE

On March 11, 2005, the Audit Committee met with management to review and discuss Bancorp's 2004 audited financial statements. On March 15, 2005, the Audit Committee also conducted discussions with Bancorp's independent registered public accounting firm, Ernst & Young LLP, regarding the matters required by the Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communication with Audit Committees). As required by Independence Standards Board Standard No. 1, "Independence Discussion with Audit Committees," the Audit Committee has discussed with Ernst & Young LLP its independence. The Audit Committee has also considered whether the provision of non-audit services by the independent registered public accounting firm to Bancorp is compatible with maintaining their independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the board of directors that the audited financial statements be included in Bancorp's Annual Report on Form 10-K for the year ended December 31, 2004.

This Audit Committee Report and information regarding the Audit Committee contained in the paragraph preceding the Report shall not be deemed incorporated by reference in any document previously or subsequently filed with the SEC that incorporates by reference all or any portion of this proxy statement, except to the extent that Bancorp specifically requests that the Report or information be specifically incorporated by reference. The Audit Committee's considerations and discussions referred to above do not assure that the audit of Bancorp's financial statements for the year ended December 31, 2004 has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Bancorp's independent registered public accounting firm is in fact "independent."

Employment Agreements

Mr. Hill's employment agreement provides that he will be employed by Bancorp and Commerce NJ as Chairman of the Board, President and Chief Executive Officer for a term of five years effective January 1, 1992, provided that on each January 1 thereafter Mr. Hill's employment agreement shall be automatically renewed and extended for a new five year term unless either Bancorp or Mr. Hill gives the other at least 90 days prior written notice of their desire to terminate Mr. Hill's employment agreement, in which event the term will have four years remaining.

Under the terms of Mr. Hill's employment agreement, Mr. Hill's "base salary" shall not be less than \$1,000,000. Mr. Hill's employment agreement provides that Mr. Hill will participate in any benefit or compensation programs in effect which are generally made available from time to time to executive officers of Bancorp and provides for all other fringe benefits as in effect from time to time which are generally available to Bancorp's salaried officers including, without limitation, medical and hospitalization coverage, life insurance coverage and disability coverage.

Mr. Hill's employment agreement requires Bancorp to compensate Mr. Hill for the balance of the term of his employment agreement at a rate equal to seventy percent of his annual base salary if he becomes permanently disabled (as defined in Mr. Hill's employment agreement) during the term and to pay Mr. Hill's designated beneficiary a lump sum death benefit if he dies during the term in an amount equal to three times his average annual base salary in effect during the 24 months immediately preceding his death.

Mr. Hill's employment agreement allows Mr. Hill to terminate his employment with Bancorp upon a change in control of Bancorp (as defined in Mr. Hill's employment agreement) and if within three years of such change in control, without Mr. Hill's consent, among other things, the nature and scope of his authority with Bancorp or a surviving or acquiring person are materially reduced to a level below that which he enjoyed on January 1, 1992. If Mr. Hill terminates his employment because of a change in control, he will be entitled to a lump sum severance payment equal to four times his average annual base salary in effect during the 24 month period immediately preceding such termination (provided that such payment does not constitute a "parachute payment" under Section 280G of the Code, and in the event such payment would constitute a "parachute payment," such lump sum severance payment shall be reduced so as to not constitute a "parachute payment"), and the continuation of certain benefits including

medical, hospitalization and life insurance. Mr. Hill's employment agreement contains a non-competition covenant for Mr. Hill should his employment with Bancorp be terminated under certain circumstances.

The employment agreements for Messrs. Musumeci, Falese, DiFlorio and Norcross are substantially similar to that of Mr. Hill's except that: Mr. Musumeci will serve as Executive Vice President and Senior Credit Officer of Bancorp and Commerce NJ, Mr. Falese will serve as President, Commercial and Investment Banking of Bancorp and Commerce NJ, Mr. DiFlorio will serve as President, Retail/Support of Bancorp and Commerce NJ, and Mr. Norcross will serve as Chairman and Chief Executive Officer of Commerce Insurance Services, Inc. The term of each employment agreement is three years and the lump sum death benefit is in each case equal to two times the respective average annual base salary in effect during the 24-month period preceding death. Mr. Musumeci's "base salary" under his employment agreement is \$650,000, Mr. Falese's "base salary" under his employment agreement is \$900,000, Mr. DiFlorio's "base salary" under his employment agreement is \$900,000 and Mr. Norcross' "base salary" under his employment agreement is \$950,000.

Pursuant to the 1994 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. No further options may be granted under the 1994 Plan. As of April 1, 2005, options to purchase 1,356,938 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005) were outstanding under the 1994 Plan.

Effective May 1997 (and as amended in 2000), Bancorp adopted the Commerce Bancorp, Inc. 1997 Employee Stock Option Plan (the "1997 Plan") which provides for the purchase of a total of not more than 34,470,308 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005) by officers and key employees of Bancorp or its subsidiary corporations. Pursuant to the 1997 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. No further options may be granted under the 1997 Plan. As of April 1, 2005, options to purchase 22,456,974 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005) were outstanding under the 1997 Plan.

Effective June 2004, Bancorp adopted the Commerce Bancorp, Inc. 2004 Employee Stock Option Plan (the "2004 Plan") which provides for the purchase of a total of not more than 30,000,000 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005) by officers and key employees of Bancorp or its subsidiary corporations. Pursuant to the 2004 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. All officers and key employees of Bancorp or any current or future subsidiary corporation are eligible to receive options under the 2004 Plan. As of April 1, 2005, options to purchase 3,486,658 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005) had been granted under the 2004 Plan and options to purchase 26,513,342 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005) were available for issuance under the 2004 Plan.

The 1994 Plan, 1997 Plan and 2004 Plan are collectively referred to as the "Employee Plans."

The purpose of the Employee Plans is to provide additional incentive to employees of Bancorp and its subsidiary corporations by encouraging them to invest in Bancorp's Common Stock and thereby acquire a proprietary interest in Bancorp and an increased personal interest in Bancorp's continued success and progress.

The Employee Plans are administered by the Compensation Committee which is appointed by the board of directors and consists only of directors who are not eligible to receive options under the Employee Plans. The Compensation Committee determines in concert with senior management, among other things, which officers and key employees receive an option or options under the Employee Plans, the type of option (incentive stock options or non-qualified stock options, or both) to be granted, the number of shares subject to each option, the rate of option exercisability, and, subject to certain other provisions to be discussed below, the option price and duration of the option. Under the 2004 Plan, no individual may be granted a number of options that is more than 50% of the total number of shares of Bancorp Common Stock authorized for issuance under the 2004 Plan. In addition, incentive stock options first exercisable by an employee in any one year under the 2004 Plan (and all other Employee Plans of Bancorp) may not exceed \$100,000 in value (determined at the time of grant). The Compensation Committee may, in its discretion, modify or amend any of the option terms herein described, provided that if an incentive stock option is granted, the option as modified or amended continues to be an incentive stock option.

In the event of any change in the capitalization of Bancorp, such as by stock dividend, stock split or what the board of directors deems in its sole discretion to be similar circumstances, the aggregate number and kind of shares which may be issued under the Employee Plans will be appropriately adjusted in a manner determined in the sole discretion of the board of directors. Reacquired shares of Bancorp's Common Stock, as well as unissued shares, may be used for the purpose of the 2004 Plan. The option price for options issued under the 2004 Plan must be at least equal to 100% of the fair market value of the Bancorp Common Stock as of the date the option is granted.

Options granted prior to January 1, 2003 pursuant to the Employee Plans are not exercisable until one year after the date of grant and then are exercisable pursuant to a schedule based on years of service or option holding period. Options granted after January 1, 2003 pursuant to the Employee Plans are not exercisable until one year after the date of grant and then are exercisable ratably over four years. Under the Employee Plans, in the event of a "change in control" of Bancorp, as defined in the Employee Plans, each optionee may exercise the total number of shares then subject to the option. The Compensation Committee has the authority to provide for a different rate of option exercisability for any optionee.

Options granted under the 1994 Plan are not transferable other than by will or by the laws of descent and distribution. Except as otherwise authorized by the Compensation Committee with respect to non-qualified stock options only, options granted pursuant to the 1997 Plan and 2004 Plan are not transferable, except by will or the laws of descent and distribution in the event of death.

Under the Employee Plans, unless terminated earlier by the option's terms, both incentive stock options and non-qualified stock options expire ten years after the date they are granted. Options terminate three months after the date on which employment is terminated (whether such termination be voluntary or involuntary), other than by reason of death or disability. The option terminates one year from the date of termination due to death or disability (but not later than the scheduled termination date). During an optionee's lifetime, the option is exercisable only by the optionee including, for this purpose, the optionee's legal guardian or custodian in the event of disability, except that under the 1997 Plan and 2004 Plan, if specifically permitted by the Compensation Committee or the board of directors, non-qualified stock options are transferable.

During 2004, Bancorp granted stock options to purchase an aggregate of 5,856,544 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005) at an average exercise price of \$29.37 per share (as adjusted for all stock splits and stock dividends through April 1, 2005) under Bancorp's Employee Plans. During 2004, a total of 2,912,280 options were exercised under the Employee Plans.

(1) In accordance with SEC rules, the Black-Scholes option pricing model was chosen to estimate the grant date present value of the options set forth in this table. Bancorp's use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option valuation models, including the Black-Scholes model, require a prediction about future movement of the stock price. The assumptions used in the model were expected volatility of .255, risk-free rate of return of 3.09%, dividend yield of 1.33%, and weighted average expected life of 5.27 years. The real value of the options in this table depends upon the actual performance of Bancorp's Common Stock during the applicable period.

The following table sets forth certain information regarding individual exercises of stock options during 2004 (as adjusted for the two-for-one stock split declared on February 15, 2005) by each of the executive officers named in the Summary Compensation Table.

Employee Stock Ownership Plan

Effective January 1, 2002, the Commerce Bancorp, Inc. Employee Stock Ownership Plan ("ESOP") was merged into the Commerce Bancorp, Inc. 401(k) Retirement Plan ("401(k) Plan").

As of December 31, 2004, the ESOP Trust held of record 2,895,960 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 1, 2005). In connection with the merger, shares of Bancorp Common Stock were allocated to each of the individual participant accounts in the 401(k) Plan.

For the Plan Year ended December 31, 2004, Bancorp made no contribution to the ESOP.

Supplemental Executive Retirement Plan

Effective January 1, 2004, Bancorp formalized a Supplemental Executive Retirement Plan ("SERP") for certain designated executives in order to provide supplemental retirement income. The 2004 SERP replaces the Supplemental Executive Retirement Plan previously approved by the board of directors effective January 1, 1992. The SERP is a defined contribution plan, and contributions will be made at Bancorp's discretion. For the year ended December 31, 2004, Bancorp expensed \$7.2 million for the SERP. The SERP is unfunded, is not a "qualified plan" under the Code and benefits are paid directly by Bancorp. Messrs. Hill, Musumeci, Falese, DiFlorio and Norcross have been designated to participate in the SERP.

Certain Transactions

Certain directors and executive officers of Bancorp and its subsidiaries and certain of their immediate family members and certain corporations or organizations with which they are affiliated have had and expect to continue to have loan and other banking transactions with Bancorp's subsidiary banks. All such loans and other banking transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions for unrelated parties, and did not involve more than the normal risk of uncollectibility or present other unfavorable features.

Currently, the board of directors of Bancorp approves all related party transactions in which an officer or director of Bancorp or any of its subsidiaries has an interest. In the case of a transaction involving a director of Bancorp, such director does not vote on the transaction. Bancorp complies with any and all approval requirements of the NYSE related to transactions between Bancorp and its officers, directors and other affiliates.

Mr. DiFrancesco is a member of counsel to a law firm which Bancorp and its subsidiaries have retained during Bancorp's last fiscal year and which Bancorp and its subsidiaries intend to retain during its current fiscal year.

Management believes that the legal fees paid for the foregoing services are comparable to those which they would have paid to non-affiliated parties for similar services.

Bancorp leases the land on which it has constructed seventeen branch offices from limited partnerships in which Mr. Hill is a partner or in which a corporation owned by Mr. Hill is a partner, or from the Hill Family Trust under separate operating lease agreements (with purchase options). The aggregate annual rental under these leases for 2004 was approximately \$1.3 million. These leases expire periodically beginning 2005 but are renewable through 2042. Mr. Hill has agreed not to participate in any future real estate leasing transactions involving Bancorp and its subsidiaries.

Management believes that the rental paid for each of the foregoing leases is and was comparable to the rental which would have been paid to non-affiliated parties in similar commercial transactions for similar locations, assuming that such locations were available.

Bancorp has obtained architectural design and facilities management services for over twenty-five years from a business owned by the spouse of Mr. Hill. Bancorp spent \$6.5 million in 2004 for such services and related costs. Management believes these disbursements were substantially equivalent to those that would have been paid to unaffiliated companies for similar services. The board of directors believes this arrangement has been an important factor in the success of the Commerce brand.

During 2004, Bancorp and its subsidiaries utilized the facilities of Galloway National Golf Club in the amount of approximately \$477,000. Mr. Hill is a principal equity holder of Galloway National Golf Club. Management believes such expenses were substantially equivalent to those that would have been paid to unaffiliated companies for utilization of their facilities.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the board of directors of Bancorp is composed of independent non-employee directors. Bancorp's compensation package for its executive officers consists of base salary, annual performance bonus, annual stock option grants, various broad based employee benefits and a Supplemental Executive Retirement Plan ("SERP") for certain designated executive officers. Management recommendations of base salary levels, annual performance bonuses, stock option grants and SERP contributions are reviewed by the Compensation Committee and submitted to the full board of directors for approval. In connection with such review, the Compensation Committee is able to request additional information from management and ask questions of management regarding the proposed executive officer compensation.

The objective of Bancorp's executive compensation is to enhance Bancorp's long-term profitability by providing compensation that will attract and retain superior talent, reward performance and align the interests of the executive officers with the long-term interests of the shareholders of Bancorp.

The Compensation Committee has reviewed all components of the executive officers' compensation, including base salary levels, annual performance bonuses, stock option grants, the dollar value to the executive and cost to Bancorp of all perquisites and other personal benefits, as well as the projected payouts under the SERP and potential change-in-control scenarios. Based on this review, the Compensation Committee finds the executive officers' total compensation (and, in the case of the SERP and change-in-control scenarios, the potential payouts) in the aggregate to be reasonable and not excessive.

Bancorp has employment agreements with Messrs. Hill, Musumeci, Falese, DiFlorio and Norcross which were effective January 1, 1992 for Messrs. Hill, and Musumeci, January 1, 1998 for Messrs. Falese and DiFlorio, and October 1, 1996 for Mr. Norcross. See "**EXECUTIVE COMPENSATION - Employment Agreement.**"

Base salary levels for Bancorp's executive officers are competitively set relative to companies in peer businesses. In reviewing base salaries, the Compensation Committee also takes into account individual experience and performance.

Bancorp's annual performance bonuses are intended to provide a direct cash incentive to executive officers and other key employees to maximize Bancorp's profitability. Financial performance is compared against budgets as well as peer businesses.

Stock options are intended to encourage officers and other key employees to remain employed by Bancorp by providing them with a long-term interest in Bancorp's overall performance as reflected by the performance of Bancorp's Common Stock. In granting stock options, the Compensation Committee takes into account prior stock option grants and considers the executive's level of compensation and past contributions to Bancorp.

Vernon W. Hill, II was Bancorp's Chairman and President (chief executive officer) for 2004. Mr. Hill's base salary is set competitively relative to other chief executive officers in financial service companies of similar asset size to Bancorp. In determining Mr. Hill's base salary as well as annual performance bonus, the Compensation Committee reviewed independent compensation data and Bancorp's performance as compared against budgets and peer businesses. As with Bancorp's other executive officers, Mr. Hill's total compensation involves certain subjective judgments and is not based solely upon any specific objective criteria or weighting. The Compensation Committee and Senior Management have recommended that, on a going-forward basis, the Company's Executive Compensation should be more incentive-based; and, as an initial step in that process, Mr. Hill's base salary was reduced to \$1,000,000 for 2005.

The Internal Revenue Code restricts deductibility of annual individual compensation to its top executive officers in excess of \$1 million if certain conditions set forth in the Code are not fully satisfied. Bancorp intends, to the extent practicable, to preserve deductibility under the Internal Revenue Code of compensation paid to its executive officers while maintaining compensation programs that effectively attract and retain exceptional executives in a highly competitive environment and, accordingly, compensation paid is generally tax-deductible. However, on occasion it may not be possible to satisfy all conditions of the Internal Revenue Code for deductibility and still meet Bancorp's compensation needs, and in such limited situations, certain compensation paid to some executives may not be tax-deductible.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act") requires Bancorp's directors and executive officers, and persons who own more than 10% of a registered class of Bancorp's equity securities, to file with the SEC reports about their beneficial ownership of Common Stock and other equity securities of Bancorp. All such persons are required by SEC regulation to furnish Bancorp with copies of all Section 16(a) reports they file.

Based solely on review of the copies of such reports furnished to Bancorp and written representations that no other reports were required during the fiscal year ended December 31, 2004, Bancorp believes all Section 16(a) filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were timely complied with, except that the following persons filed reports that were inadvertently late: (a) Jack R Bershada filed a Form 4 in connection with the transfer and subsequent disposition of common stock which was not timely; (b) Joseph E. Buckelew filed a Form 4 in connection with a purchase of common stock which was not timely; (c) Donald T. DiFrancesco filed a Form 4 in connection with a purchase of common stock which was not timely; (d) Daniel J. Vassalluzzo) listed on the Security Ownership of Management and Certain Beneficial Owners table on page 2 of this proxy statement, each filed a Form 4 in connection with the grant of stock options which was not timely.

Shareholders will be asked to ratify this appointment. Although action by the shareholders on this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of the appointment of independent registered public accounting firm to provide a forum for shareholders to express their views with regard to the Audit Committee's appointment. If the shareholders do not ratify the appointment of Ernst & Young LLP, the selection of the independent registered public accounting firm may be reconsidered by the Audit Committee. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and to have the opportunity to make a statement, if they desire to do so, and to be available to respond to appropriate questions.

The audit fees for 2004 also include services provided in connection with Bancorp's compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

Audit Related fees for the years ended December 31, 2004 and 2003, were for employee benefit plan audits and other attest services not required by statute or regulation.

Tax fees for the year ended December 31, 2003 were for services performed in connection with tax compliance, tax advice and tax planning and other corporate tax services other than those directly related to the audit of the income tax accrual.

All other fees for the year ended December 31, 2004 and 2003 were for licensing fees associated with cash management services.

The Audit Committee has considered and determined that the services provided by Ernst & Young LLP are compatible with maintaining Ernst & Young LLP's independence.

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the

permitted service before the independent auditor is engaged. The Audit Committee pre-approved all of the audit and non-audit services provided to Bancorp by Ernst & Young LLP in fiscal year 2004.

(1) The aggregate fees included in Audit are fees billed for the fiscal years for the audit of the registrant's annual financial statements and reviews of financial statements and statutory and regulatory filings or engagements. The aggregate fees included in each of the other categories are fees billed in the fiscal years.

The board of directors unanimously recommends that you vote "FOR" the ratification of the appointment of the independent registered public accounting firm.
