Edgar Filing: DIGITAL POWER CORP - Form 8-K

notice from the American Stock Exchange (the "AMEX") advising that the Company was not in compliance with the AMEX's listing requirements (contained in Section 1003(a)(ii) of the AMEX Company Guide) because it has a shareholders equity of less than \$4,000,000 and losses from continuing operations and/or net losses in three out of its four most recent fiscal years.

In order to maintain its AMEX listing, the Company must submit a recovery plan by June 3, 2005, advising the AMEX of action it has taken or will take to bring the Company into compliance with the continued listing standards within a maximum of 18 months. Acceptance of such plan is in the discretion of the AMEX. If the plan is accepted, the Company will be able to continue its listing during the plan period, during which time it will be subject to periodic review to determine whether it is making progress consistent with the plan. If the Company is not in compliance with the listing standards at the end of such 18-month period or fails the periodic reviews, the AMEX will initiate delisting proceedings.

The Company, at this time, is planning to prepare and submit a plan in accordance with the AMEX requirements. If the Company's shares of common stock are de-listed, this may have an effect on the trading market of the Company's shares.
