**Item 8.01 Other Events.**

On June 27, 2006, AGL Resources Inc. and AGL Capital Corporation, a wholly owned financing subsidiary of AGL Resources Inc. (together, "AGL"), entered into an underwriting agreement with J.P. Morgan Securities Inc., as the representative of the underwriters named therein, in connection with the public offering and sale of \$175 million principal amount of AGL Capital's 6.375% senior notes due 2016, which are to be fully and unconditionally guaranteed by AGL Resources. The notes are issuable pursuant to an indenture dated as of February 20, 2001 between AGL Resources, AGL Capital and The Bank of New York Trust Company, N.A., as trustee. A copy of the press release announcing the public offering was attached as Exhibit 99 to AGL Resources' Current Report on Form 8-K filed on June 27, 2006. The closing of the issuance and sale of the notes is scheduled to occur on June 30, 2006, subject to the satisfaction of certain closing conditions in the underwriting agreement. AGL expects to receive net proceeds of approximately \$173 million from the sale of the notes.

The offering of the notes and the guarantee was registered under the Securities Act of 1933, as amended, pursuant to a registration on Form S-3 (No. 333-119921) related to the public offering of up to an aggregate of \$1,500,000,000 of securities of AGL. The registration statement includes a prospectus dated November 9, 2004 which describes certain terms of the securities issuable pursuant to the registration statement. On June 28, 2006, AGL filed a prospectus supplement dated June 27, 2006 which supplements the prospectus dated November 9, 2004 and describes the material terms of the notes and the guarantee.

In connection with the public offering, AGL is filing the exhibits listed in Item 9.01 below which, by the filing of this report, are to be incorporated by reference into the registration statement as exhibits thereto.
