PROXY STATEMENT

SPECIAL MEETINGS OF SHAREHOLDERS AND WARRANTHOLDERS

November 30, 2009

This proxy statement is furnished to the shareholders and certain warrant holders (each a Security Holder) of AdCare Health Systems, Inc., an Ohio corporation (the Company), in connection with the solicitation of proxies to be used in voting at (i) the Special Meeting of Warrantholders to be held at the Company s offices at 5057 Troy Road, Springfield, Ohio 45502 on November 30, 2009 at 10:00 a.m. eastern time, and at (ii) the Special Meeting of Shareholders to be held at the Company s offices at 5057 Troy Road, Springfield, Ohio 45502 on November 30, 2009, at 10:30 a.m. eastern time, and any adjournment or postponement thereof (each a Special Meeting). The enclosed proxies are being solicited by our Board of Directors to the Security Holders eligible to vote at the Special Meetings.

This proxy statement and with respect to eligible Security Holders the enclosed proxies will be first sent or given to our Security Holders on approximately November 9, 2009.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

The shares represented by the accompanying proxies will be voted as directed if the proxy is properly signed and received by us prior to the Special Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the proposals set forth therein and to transact such other business as may properly come before the meeting or any adjournment thereof. Any Security Holder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the special meeting. The officers and directors of the Company are the beneficial

owners of 39.9% of the Company's issued and outstanding shares.

Only holders of record of our common stock at the close of business on November 9, 2009 will be entitled to vote at the Special Meeting of Stockholders. At that time, we had 3,786,129 shares of common stock outstanding and entitled to vote. Except as noted above, each share of our common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Special Meeting of Stockholders.

The presence, in person or by proxy, of one-third of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Special Meeting of Stockholders. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on routine matters, which typically include the election of directors.

Only holders of record of IPO Warrants at the close of business on November 9, 2009 will be entitled to vote at the Special Meeting of Warrantholders. At that time, we had 1,406,000 IPO Warrants outstanding and entitled to vote. In order to be validly approved by the warrantholders, each proposal described herein with respect to the warrantholders must be approved by registered holders representing two-thirds in interest of the shares of common stock issuable upon exercise of the IPO Warrants as of the record date.

The proposals set forth in this proxy statement are not considered a routine matter and broker/dealers who hold their customers' shares in street name may not vote such shares on this matter.

PROPOSALS TO BE CONSIDERED BY ADCARE SHAREHOLDERS

THE OFFERING PROPOSAL

The Company has been working to complete a private placement of certain shares of its common stock, the net proceeds of which will be used primarily to provide additional working capital to finance possible acquisitions. The Board believes completion of the Offering is necessary for the Company to execute its strategic plan. Sometimes when considering taking on net leases to operate nursing homes and/or assisted living facilities as a lessee, it is necessary to contribute significant sums of money into an escrow as security to execute the leases as well as having the working capital to operate the leases until reimbursements begin. In addition, working capital is required to enter into new management contracts to manage nursing homes and/or assisted living facilities. In the past, the Company had to pass up some lease and management opportunities due to lack of working capital required to fund operations in the early stages of the engagement opportunity. With the proceeds from the private placement, the Company believes it will be in a position to take advantage of any lease or management opportunities that could be presented to us in the future. Also, the additional equity may be helpful in the negotiation with banks for lines of credit to also assist in short term requirements for cash.

Specifically, assuming the shareholders approve the Offering, the Company will offer (the Offering) to sell a minimum of 250,000 units and a maximum of 1,000,000 units, with an over-allotment up to an additional 400,000 units (Units). Each Unit is being sold at a price of \$2.00 per Unit and consists of one share of the Company's common stock without par value, and one warrant to purchase a share of the Company's common stock at an exercise price of \$2.50 per share. The warrants are exercisable at any time until the fifth anniversary date of the completion of the Offering.

The Company shall have the option, exercisable at any time following the closing of the Offering, and provided that (i) the common stock underlying the warrants is registered and (ii) the common stock trades at or above \$6.00 per share for ten consecutive trading days during which the average daily volume for the ten day period is at least 40,000 shares, to call for the repurchase of all of any holder's warrants for an amount equal to ten cents (\$.10) per warrant.

The Units will be offered to a limited number of investors who meet certain qualifications pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended. All of the Units are proposed to be sold by the Company during an offering period commencing on November 5, 2009 and expiring on January 29, 2010, unless extended by the Company until February 28, 2010.

The Company is offering the Units on a best efforts, all or none basis with respect to the first 250,000 Units (the Minimum Amount) and on a best efforts basis with respect to the remaining 750,000 Units (together with the Minimum Amount, the Maximum Amount), subject to an over-allotment of 400,000 Units). This means that the Company and its placement agent will use their best efforts to sell the Units and that the Offering will be completed only if not less than the Minimum Amount is sold prior to January 29, 2010, unless extended until February 28, 2010. In the event the Offering is completed, the Company will file a registration statement under the Securities Act of 1933, as amended, to register the common stock issuable upon exercise of the warrants.

The Units will be offered for cash. If the Minimum Amount is sold, the Company will receive approximately \$460,000 in net proceeds from the Offering, and if the Maximum Amount is sold, the Company will receive approximately \$1,840,000 in net proceeds from the Offering. The net proceeds of the Offering will be used by the Company to fund operations and to provide additional capital needed to finance future acquisitions. Accordingly, the Board believes that completion of the Offering is in the best interest of the Company.

In connection with the Offering the Company has agreed pay the Placement Agent a 1% non-accountable fee, an 8% cash commission, 10% warrant coverage on shares sold, and a 5% warrant solicitation fee for warrants issued. For example, if 1,000,000 Units are sold, the Placement Agent will receive 100,000 warrants exercisable at \$2.00 per share (the Placement Agent Warrants). The Placement Agent Warrants shall be exercisable for a period of five years following issuance.

Required Vote

Approval of the Offering Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of common stock represented in person or by proxy and entitled to vote at the Special Meeting of Shareholders.

Adoption of the Offering Proposal is contingent upon the approval of the Incentive Plan Amendment by the Company's shareholders.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE OFFERING PROPOSAL.

THE INCENTIVE PLAN AMENDMENT

At the Special Meeting of the Shareholders held on August 15, 2008, our shareholders approved the issuance of warrants to purchase up to 1,092,305 shares of the Company's common stock to certain officers and directors of the Company (the Incentive Plan). The warrants issued in connection with the Plan are exercisable for a period of 10 years and vest equally over a period of five years. The exercise price of the warrants vesting in calendar year 2008 was \$1.21 per share. The exercise price of the warrants vesting in calendar year 2009 is \$2.25 per share. The exercise price of the warrants vesting in 2010 is \$3.00 per share. Thereafter, in calendar years 2011 and 2012, the exercise price of the warrants will float based upon the average closing price of the Company's common stock on NYSE-Amex but not less than \$3.00 per share. An aggregate total of 655,383 of warrants issued under the Plan are scheduled to vest in calendar years 2010, 2011, and 2012, at the rate of 218,461 warrants per year (the Unvested Warrants).

In connection with the Offering, the Company wishes to amend the Plan to provide that (i) the Unvested Warrants scheduled to vest in 2011 will be exercisable at \$4.00 per share, (ii) the Unvested Warrants scheduled to vest in 2012 will be eliminated and 218,461 shares of our common stock with a one year restriction on transfer will be issued (the Restricted Shares), and (iii) all warrants will be exercisable on a cashless basis. The Restricted Shares are subject to forfeiture. In the event that a recipient of Restricted Shares is not employed by the Company at the end of the one year restriction, all Restricted Shares will be forfeited; provided, however, that no forfeiture will occur in the event that there is a change in control of the Company during the restricted period or in the event that the recipient is terminated by the Company without cause during the restricted period. In addition, all of the unexercised warrants would become exercisable on a cashless basis.

Purpose of the Amendment

The Incentive Plan and the Unvested Warrants were originally issued to officers and directors of the Company to make adjustment for the historically low compensation of the management team and in order to provide additional incentives to them to stay with the Company and continue to perform at their highest levels. Based on research done by the Compensation Committee of the Board, management of the Company has historically been under compensated and owns less stock than would be ideal. In general, the investment community believes that a management team that

is more heavily vested in the Company is more likely to stay in place, has increased incentives to perform at a higher level and has more of a stake in the success of their Company.

Required Vote

Approval of the Incentive Plan Amendment and the granting of Restricted Shares requires the affirmative vote of the holders of a majority of the outstanding shares of common stock represented in person or by proxy and entitled to vote at the Special Meeting of Shareholders. Adoption of the Offering Proposal is contingent upon approval of the Incentive Plan Amendment.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE INCENTIVE PLAN AMENDMENT.

THE WARRANT AMENDMENT PROPOSAL

In connection with the proposed Offering, the Company is proposing to amend the term of the warrants issued in connection with the Company's initial public offering and pursuant to the Warrant Agreement entered into by and between the Company and Continental Stock Transfer and Trust Company, as Warrant Agent, on November 9, 2006 (the "Warrant Agreement"), which Agreement provides for the issuance of warrants to purchase 1,406,000 shares of the Company's common stock (the "IPO Warrants"). The IPO Warrants are exercisable at any time until November 7, 2011.

Pursuant to Section 15.1 of the Warrant Agreement, the Company and the Warrant Agent may amend any provision of the Warrant Agreement with the consent of the holders of warrants representing not less than two-thirds in interest of the shares of Company common stock issuable upon exercise of all outstanding warrants that would be affected by such amendment. Pursuant to Section 713 of the Rules of NSYE-Amex, a majority of the Shareholders must also approve this amendment. The approval of the Warrant Amendment is not a condition to the consummation of the Offering.

Proposed Amendment

The Company proposes to amend the IPO Warrants to conform to the terms of the warrants being issued in connection with the proposed Offering. Accordingly, the material terms of the IPO Warrants would be amended as follows:

Exercise Price - The exercise price of the IPO Warrants would decrease from \$5.40 per share to \$2.50 per share.

Expiration Date - The expiration date of the IPO Warrants would be extended until the fifth anniversary date of the completion of the Offering.

Callable Option - The Company shall have the option, exercisable at any time following the closing of the Offering, and provided that (i) the common stock underlying the Warrants is registered and (ii) the common stock trades at or above \$6.00 per share for ten consecutive trading days during which the average daily volume for the ten day period is at least 40,000 shares, to call for the repurchase of all, or any portion of, any holder's Warrants for an amount equal to ten cents (\$.10) per Warrant. Upon receiving such notice, the holder of the Warrant will have thirty (30) days to exercise the Warrant prior to the repurchase.

The Company believes the Warrant Amendment will provide benefits to the Company and its shareholders, including the following:

During 2008 and early 2009, the U.S. stock markets saw significant declines in value. Like most public companies, the Company's stock was negatively impacted by the over-all market decline. The Company is now seeking to raise additional equity through a private placement of units consisting of common stock and warrants. As a result of the over-all market decline and the decline in the Company's stock it is necessary that the warrants being sold now have an exercise price lower than the exercise price of the IPO Warrants. At the same time, the Company would like to see an adjustment made to lower the exercise price of the IPO Warrants to the same price as the warrants being sold in the private offering.

The Company believes that the Warrant Amendment will be advantageous to holders of the IPO Warrants and will encourage exercise of the IPO Warrants in the future; which will bring in additional capital to the Company. Management of the Company believes it is only fair to the holders of the IPO Warrants to provide them with the same terms and benefits as are being offered to purchasers in the proposed Offering.

Required Vote

Approval of the Warrant Amendment requires the affirmative vote of the holders of a majority of the outstanding shares of common stock represented in person or by proxy and entitled to vote at the Special Meeting of Shareholders. Adoption of the Warrant Amendment is contingent upon the approval of the Amendment by holders of the IPO Warrants.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE WARRANT AMENDMENT.

THE SENIOR MANAGEMENT WARRANT PROPOSAL

At the Special Meeting, the shareholders will be requested to consider and act upon a proposal to approve the issuance of warrants (the Senior Management Warrants) to purchase an aggregate 125,000 shares of common stock to certain officers of the Company. The Senior Management Warrants would be issued to members of the Company's Senior Management Team.

Purpose of the Proposal

The purpose of the issuance of the Senior Management Warrants is to make adjustment for the historically low compensation of the management team in order to provide additional incentives to them to remain with the Company and to perform at their highest levels. As stated above, based upon information gathered by the Compensation Committee of the Board, management of the Company is compensated in the lowest quartile of comparative businesses. The low compensation of the management team puts the Company at risk since the Company is dependent upon its management team and that the loss of any of these individuals could harm the business of the Company. The Compensation Committee of the Board reported to the full Board that, based on information that they had gathered, management of the Company has historically been under compensated and owns less stock than would be ideal.

Therefore, to provide greater incentives to management and to improve the likelihood of retention of the management team, the Board of Directors of the Company has authorized the issuance of Senior Management Warrants to purchase 25,000 share of common stock to each of the following officers:

Scott Cunningham, Chief Financial Officer/Vice President

Kim Henry, Vice President/Assisted Living Operations

The Senior Management Warrants will be exercisable at a price of \$3.00 per share. One-third of the Senior Management Warrants will vest upon issuance. The remaining Senior Management Warrants shall vest equally over a period of two years; provided, however, that the vesting would be accelerated in the event that there is a change in control of the Company or in the event the recipient is terminated by the Company without cause. The Senior Management Warrants will be exercisable on a cashless basis.

Required Vote

Approval of the Senior Management Warrant Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of common stock represented in person or by proxy and entitled to vote at the Special Meeting of Shareholders.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE SENIOR MANAGEMENT WARRANT PROPOSAL.

The Wade Warrant Extension

On January 31, 2005, the Company issued to Gary L. Wade warrants to purchase an aggregate of 40,000 shares of the Company's common stock at an exercise price of \$2.50 per share. These warrants were set to expire on January 31, 2010. On September 1, 2008 Mr. Wade entered a new Employment Agreement with the Company running through September 1, 2011. In connection with the execution of this Employment Agreement, the Warrants were to be extended until the expiration of the employment agreement on September 1, 2011. Pursuant to NYSE-Amex Rules the extension of these warrants requires shareholder approval. All other terms of the Warrants will remain unchanged.

Required Vote

Approval of the Wade Warrant Extension requires the affirmative vote of the holders of a majority of the outstanding shares of common stock represented in person or by proxy and entitled to vote at the Special Meeting of Shareholders.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE WADE WARRANT EXTENSION.

PROPOSALS TO BE CONSIDERED BY ADCARE WARRANTHOLDERS

THE WARRANT AMENDMENT PROPOSAL

In connection with the proposed Offering, the Company is proposing to amend the term of the warrants issued in connection with the Company's initial public offering and pursuant to the Warrant Agreement entered into by and between the Company and Continental Stock Transfer and Trust Company, as Warrant Agent, on November 9, 2006 (the Warrant Agreement), which Agreement provides for the issuance of warrants to purchase 1,406,000 shares of the Company's common stock (the IPO Warrants). The IPO Warrants are exercisable at any time until November 7, 2011.

Pursuant to Section 15.1 of the Warrant Agreement, the Company and the Warrant Agent may amend any provision of the Warrant Agreement with the consent of the holders of warrants representing not less than two-thirds in interest of the shares of Company common stock issuable upon exercise of all outstanding warrants that would be affected by such amendment. The approval of the Warrant Amendment is not a condition to the consummation of the Offering.

Proposed Amendment

The Company proposes to amend the IPO Warrants to conform to the terms of the warrants being issued in connection with, and as a condition to, the proposed Offering. Accordingly, the material terms of the IPO Warrants would be amended as follows:

Exercise Price - The exercise price of the IPO Warrants would decrease from \$5.40 per share to \$2.50 per share.

Expiration Date - The expiration date of the IPO Warrants would be extended until the fifth anniversary date of the completion of the Offering.

Callable Option - The Company shall have the option, exercisable at any time following the closing of the Offering, and provided that (i) the common stock underlying the Warrants is registered and (ii) the common stock trades at or above \$6.00 per share for ten consecutive trading days during which the average daily volume for the

ten day period is at least 40,000 shares, to call for the repurchase of all, or any portion of, any holder's Warrants for an amount equal to ten cents (\$.10) per Warrant. Upon receiving such notice, the holder of the Warrant will have thirty (30) days to exercise the Warrant prior to the repurchase.

The Company believes the Warrant Amendment will provide benefits to the Company and its warrant holders, including the following:

During 2008 and early 2009, the U.S. stock markets saw significant declines in value. Like most public companies, the Company's stock was negatively impacted by the over-all market decline. The Company is now seeking to raise additional equity through a private placement of units consisting of common stock and warrants. As a result of the over-all market decline and the decline in the Company's stock it is necessary that the warrants being sold now have an exercise price lower than the exercise price of the IPO Warrants. At the same time, the Company would like to see an adjustment made to lower the exercise price of the IPO Warrants to the same price as the warrants being sold in the private offering.

The Company believes that the Warrant Amendment will be advantageous to holders of the IPO Warrants and will encourage exercise of the IPO Warrants in the future; which will bring in additional capital to the Company. Management of the Company believes it is only fair to the holders of the IPO Warrants to provide them with the same terms and benefits as are being offered to purchasers in the proposed Offering.

Required Vote

Approval of the Warrant Amendment requires the affirmative vote of the holders of two-thirds in interest of the shares of common stock issuable upon exercise of the IPO Warrants as of the record date. Adoption of the Warrant Amendment is contingent upon the approval of the Amendment by the Company's shareholders.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE WARRANTHOLDERS VOTE FOR THE APPROVAL OF THE WARRANT AMENDMENT.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

Meetings and Compensation of the Board of Directors

Our Board of Directors had a total of six (6) meetings during the year ended December 31, 2008. During 2008, all but two directors attended all of the meetings of the Board of Directors. Additionally, all directors attended all meetings

held by all committees of the Board of Directors, on which he served. Directors who are not employed by us received \$1,000 for each meeting attended in person and \$500 for each meeting attended via conference call; however, one director elected to defer his compensation in 2008. During the first two calendar quarters of 2009, our Board of Directors had a total of two (2) meetings. All but one director attended all meetings. Additionally, all directors who served on committees of the Board of Directors attended all meetings of such committees during the first two calendar quarters of 2009.

Compensation Committee of the Board of Directors

The Compensation Committee of the Board of Directors was authorized in 1995, and a charter was adopted in December, 2005. During 2007, this committee was comprised of Messrs. Radcliffe, Sturtz and Peterson. Mr. Jeffrey Levine replaced Mr. Peterson on the Compensation Committee for 2008. Our Compensation Committee is responsible for establishing our compensation plans. Its duties include the development with management of benefit plans for our employees, the formulation of bonus plans, and incentive compensation packages. The Board of Directors has designated Philip S. Radcliffe as Chairman of the Compensation Committee.

The Compensation Committee of the Board of Directors advises the Board with respect to the compensation of each senior executive and Board of Director member. The Committee is also charged with the oversight of compensation plans and practices for all employees of the Company. The Committee relies upon data purchased for the purpose of providing information on organizations of similar or larger scale engaged in similar activities. The purpose of the Committee's activity is to assure that the Company's resources are used

appropriately to recruit and maintain competent and talented executives and employees able to operate and grow the Company successfully.

Compensation Committee Interlocks and Insider Participation

None of our executive officers has served:

.

as a member of the compensation committee of another entity which has had an executive officer who has served on our compensation committee;

.

as a director of another entity which has had an executive officer who has served on our compensation committee; or

.

as a member of the compensation committee of another entity which has had an executive officer who has served as one of our directors.

Compensation Committee Report

Presently, the Committee has determined that low executive compensation, based upon the data we have examined on comparable operations, poses some risk to the Company. If, for any reason, the Company had to replace any of our current four senior executives or expand our executive staff, the Company could reasonably expect to experience a significant increase in executive expenses in order to attract competent persons with executive qualifications from organizations engaged in like activities. The Committee has discussed its conclusions with management and has recommended that the Board of Directors authorize issuance of the Warrants. Based upon its review and the discussions referred to herein the Committee has further recommended to the Board of Directors that the disclosure of compensation paid or awarded to executive officers and directors as required by Item 402 of Regulation S-K be disclosed pursuant to the filing of this proxy statement.

Indemnification of Directors and Officers

Our Articles of Incorporation and Code of Regulations limit the liability of officers and directors to the extent currently permitted by the Ohio Revised Code.

While indemnification for liabilities under the Securities Act of 1933 is permitted to our directors, officers, and controlling people, we have been advised that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim of indemnification against such liabilities (other than our payment of expenses incurred or paid by one of our directors, officers, or controlling people in a successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with our securities, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, ask a court of appropriate jurisdiction to decide whether or not

such indemnification is against public policy as expressed in the Act. We will be governed by the final adjudication of the issue.

Employment Agreements

We entered into employment agreements with Mr. Tenwick, Mr. Wade and Mr. Cunningham. The employment agreements provided for an initial employment term of three years starting September 1, 2008 and ending September 1, 2011, with base salaries of \$150,000, \$145,000 and \$120,000 respectively, health insurance, vacation and sick leave, a minimum salary increase of five percent per year and inclusion in any option program that we may institute in the future. In addition, they each participate in the executive expense allowance program and are reimbursed \$35,000, \$30,000 and \$10,000 respectively on an annual basis for expenses incurred in connection with performing duties for the Company.

The employment agreements with Mr. Tenwick, Mr. Wade and Mr. Cunningham each provide that if they are terminated for any reason other than cause (which is defined as dishonesty in transactions with us, material

disloyalty and/or the express refusal to perform services for us which may be properly requested), we are required to compensate them from the remaining term of their employment agreement plus one additional year. The employment agreements also provide that if Mr. Tenwick, Mr. Wade or Mr. Cunningham leave voluntarily, or are terminated for cause, they may not compete within the state of Ohio for a period of one year following the termination.

Stock Incentive Plan

In November, 2007, the Board of Directors of the Company granted warrants to officers and directors of the Company equal to two warrants for every share of stock owned. The warrants vest over five years and mature in ten years. The exercise price of the warrants in each of the five years following the issuance of the warrants is determined as follows: warrants vesting in 2008 are exercisable at \$1.21; warrants vesting in 2009 are exercisable at \$2.25; warrants vesting in 2010 through 2012 are exercisable at a price equal to the greater of (i) the average closing price of the Company's common stock on NYSE-Amex exchange during the month of January each year or (ii) \$3.00. The issuance of these Warrants was approved at a Special Meeting of the Shareholders on August 15, 2008. In connection with this Offering, the Company wishes to amend this plan to provide that (i) the unvested Warrants scheduled to vest in 2011 will be exercisable at \$4.00 per share, (ii) the unvested Warrants scheduled to vest in 2012 will be eliminated; and (iii) all unexercised warrants would be exercisable on a cashless basis. The warrants that were to vest in 2012 will be replaced by a like number of Restricted Shares. The NYSE-Amex exchange rule requires that both this Offering and the proposed amendment be approved by the shareholders of the Company.

In August 2005, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The Option Plan authorizes the grant of options to purchase an aggregate of 200,000 shares of our common stock (adjusted for stock splits) both as incentive stock options as that term is defined under Section 422(A) of the Internal Revenue Code of 1986, as amended, and stock options which do not qualify as incentive stock options (non-qualified stock options). The Option Plan provides that the Board of Directors or the Compensation Committee appointed by the Board of Directors may grant options and otherwise administer the Option Plan. The exercise price of each incentive option must be at least 100% of the fair market value of the shares of our common stock at the date of grant, and no such option may be exercisable for more than ten years after the date of grant. However, the exercise price of each incentive stock option granted to any shareholder possessing more than 10% of the combined voting power of all classes of our capital stock on the date of grant must be not less than 110% of the fair market value on that date, and no such option may be exercisable more than five years after the date of grant. The exercise price of each non-qualified stock option may be established by the Compensation Committee. As of the date of this memorandum, 157,000 incentive stock options and 42,000 non-qualified stock options have been granted at an exercise price of \$1.50 per share under the 2005 option plan. A total of 36,400 of these options have been forfeited due to routine staff attrition.

In August 2004, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The terms and conditions of this plan is exactly the same as the August 2005 Option Plan. As of the date of this memorandum, 98,200 incentive stock options and 16,000 non-qualified stock options have been granted at an exercise price of \$2.50 per share under the 2004 Option Plan. A total of 25,400 of these options have been forfeited due to routine staff attrition and 32,320 have expired.
