Item 3. Incorporation of Documents by Reference

The Registrant's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2000, which has been filed by the Registrant with the Commission, is incorporated herein by reference. All other reports or documents filed by the Registrant pursuant to Sections 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the above-mentioned Annual Report on Form 10-KSB are incorporated herein by reference. All other documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934 after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered hereunder have been sold or which deregisters all securities then remaining unsold under this Registration Statement, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents.

The class of securities to be offered pursuant to this registration statement is the Registrant's common stock, par value \$.00001 per share, which is registered under Section 12. The description of the Registrant's common stock is contained in the Registrant's registration statement on Form 10 filed with the Commission on December 3, 1996, pursuant to Section 12 of the Securities Exchange Act of 1934 and is incorporated herein by reference, including any subsequent amendments or reports filed for the purpose of updating such description.

Edgar Filing: TORQUE ENGINEERING CORP - Form S-8

Item 4. Description of Securities

The class of securities to be offered is registered under Section 12 and is described under Item 3 above.

Item 5. Interests of Named Experts and Counsel

Named experts and counsel do not have a substantial interest, direct or indirect, in the Registrant or any of its parents or subsidiaries and were not connected with the Registrant or any of its parents or subsidiaries as a promoter, managing underwriter (or any principal underwriter), voting trustee, director, officer or employee.

Item 6. Indemnification of Directors and Officers

Directors and officers of the Registrant or persons serving at its request as directors or officers of another corporation or enterprise are entitled to indemnification as provided in the Certificate of Incorporation of the Registrant, which provides for indemnification to the fullest extent permitted under the Delaware General Corporation Law. These provisions are broad enough to permit indemnification of such persons from liabilities arising under the Securities Act of 1933.

There is no litigation pending, and neither the Registrant nor any of its directors know of any threatened litigation, which might result in a claim for indemnification by any director or officer.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

Reference is made to the Exhibit Index appearing on Page 6.

Item 9. Undertakings

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereto) which, individually or the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

However, undertakings (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those undertakings is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

Edgar Filing: TORQUE ENGINEERING CORP - Form S-8

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
