**ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.**

(e) At the beginning of the Company's 2006 fiscal year, the Compensation Committee of the Board of Directors of Dollar General Corporation (the "Company") had established certain net income goals in connection with the Company's annual "Teamshare" bonus program (for a description of the Teamshare bonus program, see the Company's Current Report on Form 8-K dated March 16, 2006, filed with the SEC on March 21, 2006). The Teamshare bonus program is designed to motivate and reward the performance of approximately 7,000 Company employees who are necessary to the Company's success.

Over the course of the year, it became clear that the Teamshare net income goals were no longer a relevant measure of management's success because of significant restructuring of the business and strategic changes (as described in the Company's Current Report on Form 8-K dated November 28, 2006, filed with the SEC on November 29, 2006) and that those goals would not be met. After extensive discussion and analysis, and with authority from the Board of Directors, the Compensation Committee determined that a discretionary bonus payout should be authorized, outside of the annual "Teamshare" bonus program, to recognize the restructuring and strategic efforts made by the Company over the course of the year. The Committee believes that this action is necessary to align the fiscal year 2006 short-term performance incentive more closely to the Company's current revitalization strategy, to reward these critical employees for their accomplishments to date towards the implementation of that revised strategy, and to motivate and retain the officers and employees who are integral to the strategy's continued successful execution.

Accordingly, on January 30, 2007, the Compensation Committee authorized an approximately \$9.6 million discretionary bonus pool to be distributed to the officers and employees of the Company who would have been eligible to receive a bonus payout under the previously established annual "Teamshare" bonus program. No payouts under the 2006 Teamshare bonus program will be made.

David Perdue, Chief Executive Officer, and David Bere, President and Chief Operating Officer, at their own request, were not considered for a payout from the authorized discretionary bonus pool.

The amounts to be paid to the Company's executive officers have been determined by the Compensation Committee. The amounts to be paid to the Company's non-executive officers and other employees will be determined in the discretion of Mr. Perdue, with special emphasis on high performers.

The Compensation Committee determined that the following executive officers, who were the Company's "named executive officers" in its 2006 Proxy Statement, shall be paid the following amounts from the discretionary bonus pool:

David Tehle, <i>Executive Vice President &amp; Chief Financial Officer</i>	\$188,500
Beryl J. Buley, <i>Division President, Merchandising, Marketing &amp; Supply Chain</i>	\$186,875
Kathleen R. Guion, <i>Division President, Store Operations &amp; Store Development</i>	\$162,500
