ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Except as disclosed in this amendment to our annual report on Form 10K/A, neither our directors or senior officers, nor any stockholder owning more than five percent of our issued shares, nor any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which we were a party during fiscal 2001, or which is presently proposed.

with certain of our executive officers.

MANAGEMENT SERVICES AGREEMENT

On September 20, 2000, we entered into a 10-year management services agreement with Leonard Green & Partners. The agreement was terminated on November 27, 2001. The agreement provided that Leonard Green & Partners would provide general investment-banking services, management, consulting and financial planning services and transaction-related financial advisory and investment banking services to us and our subsidiaries. We paid a one-time structuring fee of \$7.5 million to Leonard Green & Partners in September 2000 under the agreement. Leonard Green & Partners received an annual fee of \$2.5 million as compensation for the general services and normal and customary fees for transaction-related services. If the group of investors led by Leonard Green & Partners had invested any additional capital pursuant to the agreement, this annual fee would have increased by 1.6% of the amount of the additional investment. We also agreed to indemnify Leonard Green & Partners and the other investors for any losses and liabilities arising out of the agreement. In 2001 and 2000, we paid management fees in an aggregate amount of \$2.3 million and \$620,000. In connection with the termination of this agreement, we paid Leonard Green & Partners \$8.0 million.

Page 11

INVESTMENT IN ZOASIS.COM

During the year ended December 31, 2000, VCA made a \$5.0 million investment in Zoasis.com, an internet start-up company, majority owned by Robert Antin, our Chief Executive Officer and Chairman of the Board. During the years ended December 31, 2001 and 2000, we incurred \$709,000 and \$81,000 of marketing expense for services provided by Zoasis, respectively. In December 2000, the company determined that the value of this investment was impaired and, as a result, recognized a loss of \$5.0 million on the write-down of its investment in Zoasis. The pricing of these services is comparable to what we have paid third parties for the same services.

REDEMPTION OF PREFERRED STOCK AND REPAYMENT OF SENIOR NOTES AND SENIOR SUBORDINATED NOTES

We used the aggregate proceeds from our initial public offering and the concurrent issuance of senior subordinated notes by our subsidiary, together with cash on hand, to:

- o repay \$100.0 million of borrowings under our senior credit facility;
